## ANNUAL MEETING WOMEN'S INSTITUTE

### Election of Officers and Considerable Other Business—Vote of Thanks to Retiring Officers

The Women's Institute held their annual meeting in the Board of Trade rooms on Thursday afternoon and considerable business was done. Secty.-Treasurer's report read and approved. President's report accepted. The officers for the ensuing year were elected as follows: President—Mrs. Harry Magee. Vice-Pres.—Mrs. Owen Price. Rec. Secty.—Mrs. Ed. A. Hicks. Cor. Secty.—Mrs. Harry Abbott. Treas.—Mrs. J. E. Lloyd. New committees formed:—Home and School Convener—Mrs. F. Bath. Home Economics—Mrs. R. Messenger. Agricultural—Mrs. E. R. Orlando. Public Health—Mrs. Francis Graves. The Executive is composed of the officers and conveners of committees. A hearty vote of thanks was extended to the retiring President and other officers for their faithfulness and the good work done during the year. The meeting was followed by afternoon tea. We will soon be getting the Xmas boxes ready to make the less fortunate ones in our town happy at Xmas times. Will the ladies and gentlemen of the town kindly help us by donations of clothing, money, etc. We have always met with a generous response in the past and feel confident for the same this year.

### BRICKTON

Our community was saddened to learn of the death of Mrs. Reid Sabans which occurred at the Memorial Hospital, Middleton, on the 19th ult. The deceased became a bride only a few months ago. She was formerly Pearl Banks, daughter of Mr. and Mrs. Wallace Banks, of 22 years of age, and having a cheerful disposition, and was well liked by all who knew her. Much sympathy is felt for the young husband, also the bereaved parents. Mr. D. W. Bezanon had the misfortune to be thrown out of a car, one night last week, and received a bad shaking up, as well as a few cuts about the face, but we are glad to see him able to be about again. Mrs. Willie Bezanon and baby Howard spent last week in North Williamstown, the guests of Mr. and Mrs. Howard Bezanon. Mr. R. Haynes has returned home after spending two weeks in Clarence at the home of Mr. and Mrs. Jabez Godfrey. Fletcher McLeod, who has been working on the roads here, returned to his home in Margaree, C. B., on Friday last. Mr. Willie Bezanon, Jr., has returned home from Nictaux where he has been cooping for a short time. Guy Wentzell has returned home from the West. We wish our editor and all readers of THE MONITOR a joyous Thanksgiving.

### GEO. E. GRAHAM IS HONORED

General Manager of D. A. R. Banquetted by Heads of Depts., and Presented With Gold Watch.

Kentville—Heads of all the departments of the Dominion Atlantic Railway honored George E. Graham, General Manager of the road, at a banquet in the Cornwallis Inn Thursday night. It was the seventh anniversary of Mr. Graham's assumption of the management of the road. He was presented with a gold watch bearing the inscription, "Presented to Geo. E. Graham, General Manager, Dominion Atlantic Railway, November 1st, 1922, by his officers." The presentation was made by F. G. J. Comeau, General Freight and Passenger Agent, on behalf of the officers. There were only two toasts on the list, that to the King, and the other to the guest of honor, Mr. Graham. A. E. H. Chesley was toast master. Those present were F. G. J. Comeau, Mr. A. E. H. Chesley, General Accountant; R. U. Parker, General New England Agent, Boston; Mr. Derron, Mechanical Superintendent; Laurie Ellis, Train Master; F. L. Corey, Chief Dispatcher; K. L. Chipman, Travelling Freight and Passenger Agent; Mr. Morash, Car Accountant; Mr. Douglas, Store Keeper; O. C. Jones, Manager of the Pines Hotel; James Merkel, Manager of the Cornwallis Inn; Mr. Melsem, Claims Agent; M. K. MacQuarrie, Resident Engineer.

Mr. Graham, in his reply and acknowledgement of his presentation, said that the first efforts of the organization after he had been appointed general manager, were to aid increased production of orchards and farms in the Annapolis Valley; the work which must engage their attention in the future was the broadening of markets. He also referred to efforts to improve the railway and its equipment and its service to the public. He paid a tribute to his fellow officers in the organization; they were not lacking in industry; they were no drones in the hive, and urged the development of those accessories of life which helped men to contribute their best to the company and the community.

Mr. Comeau, in his address of presentation, referred to Mr. Graham taking over the management of the road in the midst of the Great War, and what those years of reconstruction demanded from the brain and brawn of human railway machinery. "Coming here from the Great Canadian West, with an abundance of Western vision and optimism, the task undertaken by Mr. Graham in the rebuilding of this line was perhaps looked up at first as arduous, but I believe," said Mr. Comeau, "that it was made easier by the fact that the 'Land of Evangeline' was reputed to him to be, and was, in fact, the very land of promise flowing with apples and honey. Mr. Comeau attributed to Mr. Graham's persistent efforts, that the Dominion Atlantic was able to pull through these abnormal times, he thought, steady and appreciable improvement in various ways." Here was a Valley possessing unsurpassed possibilities for orcharding, mixed farming, dairying, manufacturing and tourist development. The potential wealth was almost beyond calculation. There was investigation and research work going on today about which the outsider knew little.

Mr. Comeau said "I believe the railway business is conceded by all odds the biggest business in the country. It is a part of every man's business. It is essentially public by nature. Civilization itself may be said to be mainly a matter of the evolution of transportation. The whole industrial and commercial existence of the country and of the people depends almost entirely on her railways. "It was in such troublous times as these," Mr. Comeau declared, "that generalship counted for much. The public little knew of the problems to be solved by the manager of a railway, at times under semi-impossible conditions."

"Insofar as the loyal co-operation of the officers and staff was concerned, the accompanying gift is only a token of it, and it with our best wishes for your continued success in the development of the service and traffic in this the gem Province of Canada," said Mr. Comeau in making the presentation.—(Halifax Chronicle.)

### TRAMP DOG FINDS HIS OWN AFTER FOUR YEARS

St. John.—Quebec's tramp dog, who for the last four years watched the incoming ships in the hope of locating his wartime friends, has at last been restored to his own people. Major Walter C. Lawson, of the 26th New Brunswick Battalion, was a friend of "Don" while overseas and when the dog reached Major Lawson, at Minto, N. B., Monday, the recognition was mutual. The story is that Don, a wire-haired fox terrier, attached himself to the 26th Battalion overseas and followed that unit on a portion of the march into Germany. He was lost on the march. Recently stories came from Quebec of the dog, which haunted the docks and closely viewed all passengers, who came ashore, as though looking for some friend. Major Lawson heard of the dog and from the description, decided it was the mascot of the 26th and asked the authorities in Quebec to forward the dog to him. Don reached Minto Quebec and exhibited all signs of recognizing his former master. Identity was made more certain when on command he went through several tricks taught him while with the 26th Battalion. His long journeys are now ended and he is booked to rest for the remainder of his days as the recognized mascot of the fighting 26th.

### CANCER WEEK

Halifax, N. S. Nov. 1st, 1922.

Dear Sir:

Instead of limiting the week beginning November 12th to an endeavor to interest the people of Nova Scotia in the subject of Cancer—as is to be the case elsewhere throughout the Continent, it has been decided that the attention of our people will be directed to a broader program in which Cancer will be stressed and other health problems also presented. In this endeavor, the Provincial Red Cross Society and the Provincial Department of Health are co-operating with me, as Chairman of the Cancer Control effort in Nova Scotia.

It is proposed to hold public meetings in as many communities as possible at which speakers will deal with Cancer, infant saving, the care of school children and the possibilities of reducing the mortality among those who have passed the age of forty—which is largely due to such conditions as Cancer, hardening of the arteries, heart disease, kidney disease and others which it detected sufficiently early respond well to treatment. The objects of the Red Cross enrollment campaign will also be presented. Any publicity which you may give to such meetings as you may arrange in your constituency, including reports of the proceedings, will be greatly appreciated.

This campaign is being carried on practically without funds and its success will be due wholly to the interest in the public welfare of those who are participating without fee—and in fact at their own expense. An endeavor is being made to have a consultative clinic on Cancer in each town in which there is a hospital or county health centre. It may not be amiss to say that it is a common custom for newspapers to secure, in connection with such movements, special and appropriate advertising from merchants and others whose wares may be considered to have a bearing upon the health of the public or of individuals.

Yours faithfully,  
JOHN STEWART, M. D.

Miss Aileen Freeman, who is attending Acadia, spent the holiday with her parents, Mr. and Mrs. Karl Freeman.

## BOYS WORK BOARD ANNUAL MEET

### Officers Appointed and Plans Made for Winter Program—Last Years Team to Again Compete

A well attended meeting of the Boys' Work Board was held in the Board of Trade rooms on Monday evening. Rev. J. H. Freestone was elected President and Mr. Henry B. Hicks Secretary. These with leaders, Clergy men and two representatives from each church constitute the executive. It was resolved to make a contribution of \$20 to the Maritime Religious Education Council. Arrangements are being made for six University extension lectures. It was decided to ask last year's champion Inter town debating team composed of James Fay, George Foster and John Roberts to compete this year.

### SUCCESSFUL TEST WAS MADE

Of Mine Lamp Tester, Invented by Glace Bay Man.

What may prove to be an outstanding invention in connection with coal mining was experimented with successfully at the Nova Scotia Technical College. For some time Hon. E. H. Armstrong, Minister of Works and Mines, has had under consideration the invention of a lamp tester, for which Mr. Alex. MacEachern, Glace Bay, one of the officials of the Dominion Coal Company, was responsible. This lamp tester was itself put under test, and the results of the experiments were most gratifying. Coal mining the world over will be benefited by the invention if it is eventually accepted. Hitherto the only method of testing the lamps carried by miners before entering the mines was to blow on them, and if the breath was able to penetrate the lamp to the extent of extinguishing the flame, then the lamp was not considered for some time a dangerous and very inadequate method of dealing with a matter any deficiency in which might cause disaster and heavy loss of life. Mr. MacEachern's invention is a small machine into which the lamp is set, and compressed air applied to the pressure of three and a half pounds, when a small bell rings, signifying that the lamp is to the standard of the pressure and has admitted no air. Out of one hundred lamps tested by the old method and found up to the standard at present accepted, fifteen of them were found to admit air under the new device for testing, or, in other words, fifteen out of the hundred lamps which were supposed to be absolutely safe were proven to be dangerous inasmuch as they might admit air that would cause an explosion with all its attendant loss of life.

The test was made before mine officials and labor representatives and all agreed as to the efficacy and usefulness of the testing machine. Mr. J. J. MacDougall, General Manager of the Acadia Mines, was among those present, and was very gratified with the success of the tests. Aside altogether from the greater safety the use of such a device will give to the mines of Nova Scotia, it is gratifying to know that the inventor is the product of Nova Scotia, and a thing essential to coal mining all over the world.—Halifax Chronicle.

### OBITUARY

MRS. A. C. JOHNSTON

We learn before going to press that the death occurred in Dartmouth on Tuesday morning of Mrs. A. C. Johnston, daughter of the late T. D. Ruggles, Q. C. of this town.

The deceased had been in delicate health for some years back and her demise was not unexpected. Two sons: Arthur, of New York, and Dr. S. R. Johnston, director of the X-Ray Dept. of Victoria General Hospital, and one daughter, Miss Catherine at home. The deceased, years ago, was a resident of Bridgetown, and since then a regular visitor, was a lady who was generally and highly esteemed for her many good qualities and splendid Christian character. Messrs. Harry Ruggles and Edwin Ruggles, baristers of this town, are brothers of the deceased who will be laid to rest here.

### PARADISE

We are glad to welcome Mrs. J. C. Phinney home after her trip West. She reports some wonderful days spent on the way between here and British Columbia. A day was enjoyed at Banff and sometimes in the Rockies, but in spite of all that was new and interesting the joy of her home coming made her realize anew the wonders of the Annapolis Valley and the home Paradise. Mrs. Frank Balcom's S. S. class of "Help U" girls, assisted by Mr. Fred Balcom's class of Junior boys held a measuring party, Halloween supper and sale in the church vestry, Oct. 31st. In spite of the stormy evening the sum of \$31.50 was realized and will be used for church purposes. Mrs. Eva MacGregor returned this week from a two weeks trip in Yarmouth County, where she visited friends in Kemptonville, Chegoggin and Yarmouth North. Mrs. Zacheus Phinney left here November 3rd for Windsor, where she will spend the Winter with her daughter, Mrs. Shaw. The Women's Institute will meet Thursday, November 16th, at the home of Mrs. Fred Bishop. (Please note the change of date.) Mr. E. G. Morse, accompanied by the McGill brothers as guides, were successful in getting a moose this year as usual. Mr. Irving Bishop and Mr. Anthony Banks left this week to begin their studies at the Agricultural College, Truro. Rev. F. Stewart Kinley, of Windsor, was a recent guest at the home of Mr. and Mrs. Joseph Longley. Miss May Gilliat, of Granville Ferry, is a guest at the home of Mr. and Mrs. M. C. Daniels. Mrs. M. C. Daniels recently visited relatives in Granville Ferry.

### KINGS COUNTY WOMEN'S INSTITUTE FORM NEW COUNTY ORGANIZATION

Kentville—Representatives of Women's Institute of Grand Pre, Port Williams, Canning, Sheffield Mills, Centerville, Cambridge, Lakeville and Gaspereau, gathered at the Town Hall, here, to discuss County organization. Miss Helen McDougall, Supt. of Women's Institutes, was present and addressed the meeting. Mrs. George Starr, President of Port Williams Institute, presided; Miss Annie Stuart of Grand Pre Institute, Actg. Secy. present expressed themselves sympathetically in regard to the movement. After discussion it was moved that a county organization be formed with the following officers: President—Mrs. George Starr, Port Williams. 1st. Vice-President—Mrs. Charles Patriquin, Grand Pre. 2nd Vice-President—Mrs. Arthur Ward, Canning. Secty.—Mrs. Guy Sanford, Cambridge Station.

Rest of the executive to be composed of one director from each institute to be appointed by that institute. First meeting of Executive will be held the first week in January, in Kentville. The objects of County organization are: 1—To co-operate efforts, and further plans of all local institutes for Home Improvement and community betterment. 2—To voice the sentiments of local branches on all matters of Provincial importance, within the scope of Institute work. 3—To co-operate with the Nova Scotia Department of Agriculture or other departments of Government in work for educational and social lines, for the improvement of social life.

### BEAR RIVER

The regular monthly meeting of the Women's Institute will not be held on the first Monday of the month as it falls on Thanksgiving Day. It will be held on the following Monday, November 13th. We hope all members will be present as it is our annual business meeting. Royal Division No. 37 (Sons of Temperance) held a pie social in Division Hall Monday evening, Oct. 30th. The hall was well filled with young people and all spent a very pleasant evening.

Mrs. J. H. Cunningham, Mrs. A. G. MacIntyre and Mrs. F. W. Fraser entertained Thursday afternoon at three tables of bridge in honor of Mrs. Laurence Nichols, of Allston, Mass. Mrs. Clarence Adams, who has been spending the last three months with relatives here, expects to return to her home in Cambridge, Mass., on Tuesday. Rev. W. G. Schurman, of Aylesford, spent a few days in town last week and received a cordial welcome from his many friends here. Mrs. Charles Harris, Miss Mildred Harris, Mrs. John R. Chute and Wendell C. Chute motored to Digby on Wednesday. Mrs. Frank Burgess who has been visiting friends in the United States, returned home on Wednesday, Nov. 1st. Mrs. Harry Anthony returned Sunday from Halifax where she has been visiting for the past few weeks. Miss Wanetta Burrell, of Deep Brook, is spending a few days with Miss Mary E. Chute. Miss Reta Chute went to Boston on Friday, October 27th. She expects to remain the winter. Miss Ethel Berry was a passenger to Boston on Tuesday. She expects to remain the winter. The Baptist W. M. Aid Society met at the home of Mrs. C. D. Rice Thursday afternoon. Mrs. Arthur Gregson entertained at three tables of bridge on Friday afternoon. Mr. and Mrs. R. L. Goodday entertained at bridge Wednesday evening. Douglas Wade left for Arizona on Friday to visit his aunt.

### PORT WADE

At the pier and anchored off this place last week one morning were two boats the S. S. Granville, Collins, and Valhalla, Merriams, tied up to the wharf and three schooners. A public auction was held at the home of Herbert Amaro on Thursday afternoon, selling some stock and household effects, preparatory to moving to Boston. Mrs. Roy McGrath leaves Tuesday for St. John to meet her husband employed on S. S. Empress. Miss Theta White came home from Yarmouth on Wednesday 1st, for a vacation of a few weeks. Harry Keams, of New Haven, Conn., came home Saturday for a few weeks vacation with his parents. Miss Mary Croscup went to Bear River Saturday to spend Thanksgiving with her parents. Mrs. Anthony Crowley went to Digby last week for a visit of a few days. Mr. and Mrs. W. Bogart leave Tuesday for Boston for the winter. Capt. Keams has purchased a nice Chevrolet Sedan car. Edw. H. Johns spent Sunday at his home here.

## THE BERRY MURDER CASE

### Hasty Property Sale Proceedings Halted by Attorney General's Dept.—\$500 Reward

(Clementport)

To the astonishment of a large number of people an auction of the effects of the late Thos. Berry, of Guinea, who was found murdered in his home on Sunday morning, October 22nd, was advertised for Saturday, November 4th, less than two weeks after the terrible deed. All was in readiness and the auctioneer about to put up the first article when a telegram came from the Deputy Attorney General through Sheriff Edwards to postpone the sale. This showed the people of the community, county and Province that the authorities did not approve of the great haste shown in the disposal of the dead man's effects. Although permission had been obtained from legal sources and administration papers taken out. It would be an interesting point to know just how soon steps were taken to bring on the auction. Probably within a few days of the discovery of the crime. One would have thought the rooms would have been sealed, and kept so except when needed by the authorities until after the case was closed. During the afternoon a wire from Halifax announced the reward of \$500 (five hundred dollars) for information that would lead to the arrest of the murderer. Not a stone should be left unturned to discover the perpetrator of the dastardly deed. It is just as important to solve the Berry murder at Guinea as the Corkum murder at Halifax and we believe everything will be done to do so. Each citizen who respects the rights of his fellows and himself should do his part to assist the department in their work and he who withholds information is guilty of a crime and liable to punishment if discovered. Dreams and fortune teller's pronouncements may be interesting reading—but a few facts are worth far more and will produce results.

### LOWER GRANVILLE

The Women's Institute will meet at the home of Mrs. Frank Coventry on Friday evening, November 24th. This will be the annual business meeting, also the election of officers for the ensuing year. All the members are requested to be present. Mrs. Lloyd Shaffner expects to leave for Lynn, Mass., on Tuesday, 7th inst. to visit friends. Mr. Jodrey, apple buyer, was in this vicinity recently.

### WINTER FEED FOR THE DAIRY COW

(Experimental Farms Note.)

How to keep up the winter milk flow is a problem confronting a great many dairymen, more so in sections where the temperature is severe than in the milder climate of British Columbia. Invariably the price of milk goes up in the Fall and down in the Spring and just as untiringly the supply drops in the Fall and increases in the Spring. The dairyman given good cows, the proper proportion bred to freshen in the Fall, and conditions suitable for good general management in the matter of sanitation and thorough and regular milking, it is then up to the feeder to keep the milk supply up to the maximum.

The dairy cow is a manufacturing machine and requires suitable raw material from which to manufacture milk. She can make excellent use of much rough feed if supplied in conjunction with concentrates in the proper amounts. Among the most popular or widely used winter roughages are hay, straw, ensilage and roots and for dairy cows legume hays are much more valuable than grass hays. For milk production good alfalfa hay has no equal but, if this is unobtainable, good clover or mixed hay is satisfactory. Dried grass hay can be made more palatable by cutting and mixing with silage or pulp-roots. The same holds true regarding straw. To provide the necessary succulence in a ration for dairy cows roots or silage, or both, are invaluable. Not only are these feeds succulent but they are bulky and comparatively cheap. Generally it is good business to give a milking cow all these feeds she will consume.

This does not hold true regarding concentrates. A popular practice is to feed the cows one pound of grain for every 3 to 4 pounds of milk they produce. This is a good general rule to follow. What the grain mixture should be will depend upon prices of the different feeds at that time. Bran, oats, barley, oil meal, shorts, soybean meal, brewer's grains and cotton seed meal are the commonly used concentrates. Bran four parts; ground oats two parts; ground barley two parts; oil cake meal one part; makes an excellent grain mixture for a commercial dairy herd. It should be kept in mind that a freshly calved cow abundantly and carefully fed will usually produce the cheapest milk. At this time a pound of grain is equivalent to several pounds given later after the cow has decreased in her milk flow.

Besides the roughage and concentrates heavy producing cows should have plenty of clean water and salt, and many successful feeders at the present time provide bone meal, lime, charcoal and other minerals.

### OUTRAM

Mr. and Mrs. Perry Porter and two daughters, of Hillgrove, accompanied by Mrs. Porter's mother, Mrs. Jane Andrews, of North Range, motored from the former place on Saturday and were week-end guests of Mrs. Andrew's mother, Mrs. Sabina Balson. Mrs. Andrews is stopping the Winter with her mother.

Mr. and Mrs. Avar L. Slocomb, who spent the Summer in Brockton, Mass., are now occupying their home here. Glad to have them back with us again.

Mr. and Mrs. John Slocomb are at present stopping with her parents, Mr. and Mrs. W. A. Marshall, after spending the Summer in Massachusetts.

Mr. and Mrs. Gerald Hines and baby, Mary Elizabeth, of Mt. Hanley, spent Sunday with Mrs. Hines' parents, Mr. and Mrs. J. H. Slocomb.

Mr. and Mrs. Hoyt Slocomb, who recently arrived from the U. S. A., have been visiting her grand mother, Mrs. Mary Eliza Bent.

Deep sympathy is felt for the relatives who mourn the death of Mrs. Reed Sabean, nee Miss Pearl Banks.

Mr. and Mrs. Joseph Hines, of Port George, were Sunday guests of her daughter, Mrs. Avar Slocomb.

Mr. George Banks, of Hampton, visited his uncle, Mr. Joshua Banks, recently.

Mr. Alfred M. Healy and son Chas., spent Friday, the 27th, in Hampton.

### STEAMER MARION DESTROYED BY FIRE AT WHYCOOMAGH

Whycoomagh, C. B.—The steam packet Marion, which for forty-six years has plied the waters of the Bras D'Or Lakes between this port and Sydney, was destroyed by fire at her dock at five o'clock Tuesday morning. She was a passenger and freight carrying craft of four hundred and seventy-eight tons and probably one of the best known vessels on the Canadian coast. Capt. Carmichael and his crew succeeded in making their escape, but were unable to take off their personal effects or to check the advance of the fire, which started in the vicinity of the boiler room.

During the forty-six years the Marion had been in the lake service she had carried tourists from all parts of the world, who took this means of seeing the beauties of the Bras D'Or Lakes, and the Marion has been mentioned in story and song by the famous people who viewed the Cape Breton scenery from her decks. She has been making two trips a week between Whycoomagh and Sydney, calling at Baddeck, and was to have left here at seven o'clock Tuesday morning on her regular trip. Messrs. Burchell and Young, of Sydney, are said to be the chief owners and the craft was operated by The Bras D'Or Steamship Company.

### WEDDING BELLS

NOTTINGHAM, N. H.

FitzRandolph-Ruggles.

On Saturday, October 14th, occurred the marriage in Dover of Mr. Lovett FitzRandolph, of West Nottingham, and Mrs. Mabel H. Ruggles, of Deep Brook, N. S. The ceremony was performed by Rev. Lewis E. Purdum, pastor of the Congregational Church, of Dover, the double ring service being used. They were unattended. The bride wore a beautiful gown of crepe de Chine, the fabric of which was purchased by her fiancé in France, at the time of the World's Peace Conference at Versailles. The groom's watch, numerous were the wedding gifts from relatives and friends. At their home in West Nottingham, on Saturday evening, October 21st, the couple gave a reception to twenty-eight well-wishers in this vicinity, receiving from them a handsome aluminum casserole and \$275 in cash. The groom passed around cigars, and the bride served ice cream and cake. Vocal and instrumental music was rendered by an Edison Phonograph.

A very good time was enjoyed. Mr. and Mrs. FitzRandolph have our best wishes for their future prosperity and happiness.—(The Exeter News.)

### SCHOONER'S FAST TIME

Yarmouth—The Weymouth tern schooner Leo Leblanc, Capt. Doucet, 598 tons, has arrived after a passage of seventy-two hours from New York, bringing the first cargo of hard coal since the settlement of the arctic strike in the U. S.

Capt. Doucet reports that early on Wednesday evening the gale which swept this Province broke without a moment's warning and from a perfect sky upon the vessel. Every lower sail was set and before anything could be done or sail shored the outer and flying jibs were carried completely away, also the foretopmast, the bowsprit, while the foreboom was broken. The vessel at the time was twenty miles southwest of Cashes.

### NINE SKELETONS DUG UP BY MEN ON ROAD WORK

Sherbrooke, Que.—On the road between Sherbrooke and Bromontville at a place formerly known as Ross Crossing, nine human skeletons have been discovered, and wild rumors are being circulated throughout the district. The road at this point is being straightened out, and while working on the road near the railroad track one of the men buried his pick in a skull.

Further searches were made and nine well preserved skeletons were finally uncovered, and subsequently placed in large boxes pending removal to some burial ground.

It is generally assumed that the bones are those of some of the old English colonists who were buried there, while others contend they were victims of the Indians.

### HOW TO REGAIN YOUR GOOD HEALTH

IT CAN BE DONE THROUGH KEEPING THE BLOOD SUPPLY RICH AND PURE

There is not a nook or corner in Canada, in the cities, the towns, the villages, on the farms and in the mines and lumber camps, where Dr. Williams' Pink Pills have not been used, and from one end of the country to the other kind words have been said for this medicine.

You have only to ask your neighbors, and they can tell you of some rheumatic or nerve-shattered man, some suffering woman, ailing youth or anemic girl who has been benefited by Dr. Williams' Pink Pills. More than a third of a century these pills have been known not only in Canada, but throughout the world as a reliable tonic, blood-enriching medicine.

The success of Dr. Williams' Pink Pills is due to the fact that they go to the root of the disease in the blood, and by making the vital fluid rich, they strengthen the organs and nerves of the body. Mr. A. M. Large, Victoria, P.E.I., adds his testimony to that of thousands of others who have found benefit through the use of this medicine. He says: "About three years ago I became dreadfully run down. So much so that I had to stop work altogether, and being a carpenter, and busily engaged, the outlook was gloomy. I became so reduced that I would have to rest even after a short walk. My appetite almost completely failed. The doctor whom I consulted told me I would have to take a prolonged rest, and gave me a bottle of medicine, which, however, did not help me. Then a good friend urged me to try Dr. Williams' Pink Pills, and I got a supply and before long felt an improvement. From that on I continued to gain and was able to resume my employment. I continued taking the pills for some time longer and now feel as vigorous as I ever did."

You can get these pills through any medicine dealer, or by mail at 50c a box, or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

### THE IDEALS OF A GREAT JOURNAL

From the day of its inception fifty years ago the aim of its publishers has been to make of the Family Herald and Weekly Star of Montreal a great paper, securing for it fame and character, so that it would be looked upon as a national journal for all Canada: a paper instructive and pleasing, but not just a money-making project. As a matter of fact, there has been no studied calculation about dividends or any kind of monetary gain, so long as the interests of the subscribers were cared for. Competent judges declare that there is no paper published in the English language that gives such superb value as the Family Herald and Weekly Star of Montreal. The subscription price is only \$2.00 per year.

### SAVED HER FROM AN OPERATION

So Thinks Mrs. Tracey of Ontario, Regarding Lydia E. Pinkham's Vegetable Compound

Knightington, Ontario.—"I took Lydia E. Pinkham's Vegetable Compound at the change of life for troubles that women often have at that time. I had not been well for a year and was not really able to do my work. A friend who had taken the Vegetable Compound herself recommended it to me and I think its use saved me from an operation. I highly recommend it to all women who have troubles like mine, and am willing for you to use my testimonial."—Mrs. E. Tracey, Knightington, Ontario.

When disturbing symptoms first appear take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles.

### LIPTON OFFERS CUP FOR FISHERMEN'S RACE

Gloucester—Sir Thomas Lipton has agreed to give a cup to the winner of the fishermen's races to be held off this port next August as a feature of Gloucester's 300th anniversary celebration. A letter to this effect was received by Fred W. Tibbitts, Chairman of the celebration committee. The famous yachtman, who wrote from Chicago, has also informed the committee that he will come here to present the cup in person.

The races will be open to all genuine fishing vessels and will be without "fuss or frill" the committee announced.

### MASQUERADE BALL AT ROUND HILL

Enjoyable Occasion Well Attended -List of Prize Winners-Excellent Music Furnished

A most enjoyable evening was spent at a Masquerade Ball held at Round Hill on Halloween night. The hall was beautifully decorated for the occasion and was filled with people from all parts of the Valley. Over thirty couples appeared in costumes and some very pretty uniforms were worn by the ladies and gentlemen.

Excellent music was furnished by Cunningham's orchestra.

The judging of prizes took place at ten-thirty, and after some difficulty the following were adjudged the prize winners:—

1st—Won by Mr. G. Lugar, who was dressed as a "Coming Bride".

2nd—Won by Miss Margaret Spurr, who represented "Mrs. Canada".

3rd—Won by Mr. Wm. Bailey, as the best dressed "Clown".

The judges were as follows:— Mr. Thos. Spurr, Mr. Avard Milner, Mrs. R. Dargie, Mrs. Rena Healey.

After the prizes were awarded, refreshments were served by the ladies, and the dancing continued until the "wee small hours" of the morning.

The dances at Round Hill are always largely attended, and the music furnished by Mr. Cunningham is of a high order and greatly appreciated.

The committee in charge of last Tuesday's affair are to be congratulated on the manner in which the Masquerade was conducted, and we bespeak for them a large crowd at their next Ball which has been announced for Xmas.

### RECEIPTS ON GRAIN EXCHANGE GREATEST IN CANADA'S HISTORY

Winnipeg.—History was made in the record movement of Western Canada's record crop. It is a record crop both as to quantity, quality and rapidity of movement. The receipts on the Winnipeg Grain Exchange are the greatest in the history of Western Canada. Total grain inspected was 2,824 cars, as compared with 1,295 cars last year. The inspections contained 2,482 cars of wheat, against 1,131 in 1921.

This year's crop is practically a number one grade crop, nearly nine-tenths per cent. of the inspection to date being contract grades. Of the 92,310 cars of wheat handled since September 1st, the opening of the present crop year, no fewer than 82,461 have been contract grades, the greatest volume being number one northern. Of the total cars inspected only 9.84 per cent. have been lower than number three northern.

### GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day warm, the next cold and wet, and unless the mother is on her guard, the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mothers' best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose of the Tablets will prevent colds, or if it does come on suddenly their prompt use will relieve the baby. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### RAISING WAGES AND PRICES

It is natural enough for every man to desire an increased return for the commodities he produces or for the service he renders, says the Youth's Companion. Whoever has anything to sell gets the best price he can for it. The only influence that restrains him is the fear of losing his market. Who ever works for another wants and tries to get a higher wage and resents all sometimes resists a lower one. The tendency of prices therefore is generally upward. The standard of living, the volume of money, the scale of expenditure move up faster than the supply of goods increases. Each generation, generally speaking, finds that it costs more to live and succeeds after a fashion in getting more money than the preceding generation got with which to meet expenses.

The fact that wages are high or that the prices of commodities are high does not in itself mean much. It is every income in the country were cut in half tomorrow, and if at the same time the price of every article were cut in half, everyone would be in precisely the same situation as before the general reduction. It is what your money will buy that counts. The Russian gets perhaps a million rubles for a day's work, but when butter is five hundred thousand rubles a pound and shoes five million rubles a pair he is not getting ahead much.

Raising a man's wages does not in the long run improve his position unless the wages of other men remain low. If a shoemaker, for example, gets an increase in wages amounting to a dollar a day, he is proportionately better off, so long as he can buy clothing or meat or bread or automobile tires or coal or sewing machines at the old price. But let the men who produce those things get the higher wages or prices to which they believe they are entitled and the prices of what they produce go up at once. Then the shoemaker is no better off than he was before.

We go round and round a constant ascending spiral. Everyone tries to get a little more in order to improve his economic position. Some get it; the prices of their products go up, and everyone else tries to get a little more himself in order to pay for the things that he has increased in prices. Presently we are all as we were before except that we have climbed another story of the spiral.

A general raising of wages in all industries would be of only temporary value unless farmers could be made to sell food products as cheap as before and unless business men could be prevented from taking profits commensurate with the new scale of wages. Higher prices for farm produce do not mean much if increased wage scales put up the price of everything that the farmer must buy.

There is only one way to get the better of the game. That way is to increase production without increasing the time spent in production. If by better machinery or by more efficient labor the worker can turn out a larger number of articles in a given time, and if by better fertilization or by improved machinery the farmer can produce more foodstuffs with the same amount of labor, the tendency of prices will be downward and the money return to the laborer or the farmer tend to increase. But only the more intelligent see that, and only the more industrious act on it. The rest of us still think that if we can only get a little more money for a little less work we shall be happy, and if we do get it, we are astonished to find that prices go up as fast as incomes or even faster—and we are no happier than we were before.

### TOO MUCH

Is the American people a nation of lookers on?

Consider: We do not play baseball; we go and look on while others play for us.

Our boys and girls who once played riotous games in the streets and vacant lots now sit quietly watching a movie.

In church we employ elaborate choirs and expensive choirs, and then we sit and listen instead of singing.

Few of our young people are studying the piano or taking vocal lessons these days, it is so much easier to wind up the talking machine or pump the automatic piano.

But the only form of mass activity still participated in by the people themselves is dancing.

When will the pendulum begin to swing the other way? When will the American people become participants in, rather than lookers on?—(Rochester Times-Union.)

### IT IS TO LAUGH

To say that the heavier the traffic and the busier the thoroughfare the safer it is for pedestrians might cause a laugh, although referring to the statistics in this respect of the city of London it is noticeable that there were only ten fatal accidents last year in that large metropolis in spite of all the mass of traffic. Hospital accidents totalled two per day. It would almost appear as if the more crowded the safer it is "over there". "Safety first" however, is an old motto worn threadbare by constant practice in the Old Country. —(Montreal Gazette)

### WORTHY OF DEATH

For the fiend who set fire to an apartment house in New York city early Sunday morning, causing the death of fifteen persons, most of them children, hanging or electrocution would seem to be too mild a punishment. It is almost inconceivable that any sane person would commit a crime of an insane person which could not distinguish between right and wrong.—(Springfield Union.)

### GOING STRONG

Mr. J. R. Booth, 95 years old, is off to the north woods for his annual vacation, in which he will combine business with pleasure. No need to ask him the time worn question: What is the secret of success. And, besides, there are so many people who don't want to know it.—(Ottawa Journal)

### NORTH RANGE

Miss Annie M. Bragg has returned home after spending three weeks very pleasantly with her friend, Miss Toia Outhouse and relatives in Tiverton, Digby County.

Mr. A. Matherson, from Massachusetts, has returned to his home after spending his vacation with his aunt, Mrs. B. Heiglit.

Miss Nellie M. Bragg, from Bridgetown, spent the last week in October with her parents, Mr. and Mrs. J. W. Bragg.

Miss Ena MacNeice was called to Bridgetown quite suddenly owing to the illness of her sister and children.

Am sorry to report our butcher, Mr. Chas. Andrews, sick, at time of writing.

## CLEMENTSPORT

"THE QUEEN OF THE BASIN"

Of many letters appearing in the press on the resources of the Province and their preservation, the most valuable by far that we have seen are those by Frank Barjoun of Annapolis Royal. His timely letter of recent date re the need of immediate Hydro electric development expresses the opinion of all thinkers, and as this development on the East branch of Bear River will effect all this part of the Province from Yarmouth to Middleton including the Queen of the Basin. It is of interest to know something of the nature of the water power behind this enterprise. Two main lakes, Big Lake and Lake Mulgrave and Long Lake situated about ten miles from Bear River form what might be called the centre of the system. Flowing into Big Lake on the one side is North East stream this has on it two lakes, Upper and Lower North East, and they are fed by Flanders' stream which in turn receives its waters from the following lakes: Sandown, Whalen and Oak, Spar Lake, Annie Moosehouse. On the other side of Big Lake the South side water came streams form "Faith," "Hope" and "Charity" lakes and form the spectacle lakes. While into long lake on one side coming through the Harris and Harlow meadows is a stream from the Joudrey lake, and further up the Mississippi stream from the Mississippi Lake enters. In addition there are some lakes that can easily be diverted into this water shed. Add to this wonderful supply of water the two facts, 1st, that the land that would be flowed by the erection of a dam has all been culled of any timber worth while, as the Clark Bros (not the Pulp Mill firm) logged it for years, and is worth but little; 2nd, the river sides are especially adapted to make a dam—being solid rock in many places. After the financial depression cast over the community of Bear River and surrounding district by the Pulp Co.'s operations. Such development will be gladly welcomed.

The natural sequel to our article on the state of the bridges under construction by the Highway Board in this vicinity will now be read. On Monday evening, October 30th, a Yarmouth car East bound, saw the white lights and thinking no danger, went ahead and no barricade having been placed where they are constructing the new road at Randall's Bridge mistily by cart marks he ran into the muck and rocks. Here he remained for over two hours while a number of men worked hard and dug him out with the help of a team, all because the construction work was "madly protected". We trust the owner of the car obtained his expenses from the P.H.B. This is a little matter some may think, but the same cause can easily lead to death or injury, as it has in the past. Wake up, gentlemen, and do your work like intelligent men. Some say the latest stunt is the gravelling of the Victoria Bridge. This has been reported by competent Digby citizens.—Next?

A bicycle owned by young Willis was stolen from in front of the Allen's School house on Thursday, November 2nd. Word was telephoned by Mr. Willis to Clementsport, where two young men were taken into custody with the wheel. They were brought before the Magistrate and examined, and released with a warning. It seems they were beating their way to Boston. They stated they belonged to this county and we trust this may be a warning. But the truth is the sooner people learn that it is only the right thing, if they offend, to take their medicine and start again—the sooner we will have law and order.

Monday, Nov. 6th, was the day appointed by the Government of Canada for national Thanksgiving, and at Armistice Day. A celebration of the Holy Communion and address took place in the Parish Church. It was generally observed as a holiday, the Post Office and Custom House, etc., being closed. We note the G.W.V.A. object to making Armistice Day any other day than the 11th. We agree implicatedly and if any change is made then make Thanksgiving Day on the 11th. It would be most appropriate.

Mr. Richard Porter motored to Halifax with friends on Friday, Nov. 3rd. He was for years a member of the crew of the yacht "Iris" and he will sail with them again on Thanks giving Day—which is the wind-up of the yachting season at the club.

Mr. Michael O'Leary, of Halifax, who has been ill for some weeks at the residence of Mr. Daniel Stewart, died there one a. m. Saturday, Nov. 4th. His remains were taken at noon the same day to Halifax for interment, Mr. Frank O'Leary at Mr. Stewart's is a son.

### YARMOUTH COUNTY HAS LOST A HIGHLY RESPECTED CITIZEN

Yarmouth.—William Corning, a widely known and highly respected citizen of Yarmouth, passed away at his home on Collins Street after a short illness.

The late Mr. Corning was a son of Nelson Corning, senior, deceased, and was born in Chegoogin, in this County seventy-six years ago, where he lived and carried on farming operations very successfully up until about twenty-one years ago when, with the younger members of his family, he removed to Yarmouth, the ancestral farm being turned over to his son, Howard W. Corning, then a young man, who has since formed to the front as one of the leading stock raisers of Eastern Canada.

The late Mr. Corning always took a very keen and active interest in all matters of a public nature and represented the district of Chegoogin in the Municipal Council of the Municipality of Yarmouth during a period of nearly twenty years, from 1882 down to 1901, in all eight terms. As an evidence of the high regard in which the deceased was held, it may be stated that he was elected by acclamation seven times out of the eight. He served as Deputy Warden from 1899 until 1901, the date of his retirement from the Municipal sphere.

For the past twenty-five years Mr. Corning was the energetic and efficient Secretary of the Yarmouth Agricultural Society and to his efforts is a large measure was due the success of the annual exhibitions.

The deceased was a charter member and deacon of the Bay View Baptist Church, at Chegoogin, and after his removal to Yarmouth he transferred his membership to Zion U. P. Church, at Yarmouth, in which he took a deep interest up until the day of his death.

Deceased was the last surviving member of his family, other members who predeceased him being the late Thomas E. Corning, S.K.C., of Yarmouth, and Jefferson Corning, of Chegoogin, who died recently.

He leaves, besides his widow, who was formerly Miss Hibbard, two sons, William H. Lynn, Mass., and Howard W. Corning, M.P.P., of Chegoogin and four daughters, Mrs. Frank Strickland, of Lynn, Mass.; Mrs. W. B. Goudrey, of Binghamton, N. Y.; Mrs. Murray C. Wyman, and Mrs. Claude L. Sanderson, of Yarmouth.

### DEEP BROOK

Hallowe'en entertainment under the direction of Mrs. J. F. McClelland and Mrs. S. A. Spurr, the young ladies of Deep Brook held a very pleasant entertainment on Wednesday evening, November 1st. They were assisted by Misses Gertrude Curtis and Neva Marsters of Digby, Mrs. Charles Stronach, Miss Vera Barteaux, and Miss Ruggles, of Clementsport. A comedy in two acts "Patsy" was given. The parts were well chosen and all did well. Pauline Spurr was especially good, taking the part of Patsy, the Irish maid. Thirty-five was taken in for the piano fund. Smith's Cove, Clementsport and Deep Brook were well represented.

Miss E. A. McClelland left here on Wednesday. She expects to spend the winter with her brother, Mr. George McClelland. We hope to have her with us again in the Spring.

Misses Frances and Margaret McClelland are spending the Thanksgiving at their home here.

Miss Bertha Lent left on Friday for Boston after a pleasant two months spent with her parents, Mr. and Mrs. Charles Lent.

Miss Addie Crosby, our teacher, left on Friday to spend Thanksgiving at her home in Yarmouth County.

Miss Ethel Purdy is spending the Thanksgiving with her parents, Mr. and Mrs. Ernest Purdy.

Mrs. F. W. Rice spent a few days last week with friends in Smith's Cove.

Courtney Purdy is spending the week-end with relatives here.

Mrs. John Buffett and two children, of Parrsboro, spent Thanksgiving in town, the guest of Mr. Buffett's sister, Mrs. Edmund Stratton, Granville St. East.

**MASQUERADE BALL**

Hallowe'en passed off quietly in Bridgetown, but not without a number of social events and parties.

The Bridgetown Amateur Athletic Association gave a masquerade ball in the Court House which was much enjoyed by all present. Excellent music was furnished by the Bridgetown orchestra and refreshments were served. The ladies' prize was won by Mrs. Kenneth Leslie who represented Peccitte. The judges were Mrs. Harry Ruggles and Mrs. Will Lockett.

Mr. G. Dakin, of the Royal Print and Litho Co., Halifax, spent a day or two in town this week. Mr. Dakin was a former publisher of the Annapolis Spectator before arriving at his present more responsible position.

The Senior C.G.I.T. Girls enjoyed a pleasant Hallowe'en social with Mrs. (Rev.) Clyde W. Robbins. Dainty refreshments were served and the evening spent in time honored Hallowe'en games.

The Junior Sewing Circle of the Baptist Church gave a splendid supper on Hallowe'en night in the Banquet Hall of the Church. Despite unpleasant weather there was a very good attendance and about \$50 realized.

Major C. P. Ovens, of Liverpool, has purchased the James Murray property on Church Street. The deal was put through by the Lloyd Real Estate Agency.

The Mason Piggott farm, Ruffee Hill, has been purchased by Mr. V. P. Smith through the Lloyd Real Estate Agency.

**FLORA GRAY**

In Memoriam.

So sad, the cry, so fair, so good,  
A maid just come to womanhood,  
Snatched from life's way in her springtime,  
By sin of man, we call it crime.

Fought bravely honor's pride to keep;  
And she, dear girl, in darkness deep,  
She died, but first she spake and told  
Of that which happened, grim and cold.

The name of Flora Gray will live  
And time will help us to forgive.  
Her day of battle now is past  
She rests within a Heavenly grasp.

Immortal she, this maiden fair,  
This child of Kempsville's beauty rare  
O, noble life! O, glorious fight  
For truth, for honor, and for right.

ETHEL M. SMITH.  
Paradise, N. S., Aug. 31, 1922.

The above, written by Mrs. Smith, is here reproduced at the request of many readers. Rev. W. Steadman Smith and Mrs. Smith frequently spent portions of a Summer vacation at Kempsville and knew very well all the parties concerned in the lamentable tragedy of the past Summer.

**SPORT AS AN EDUCATOR**

The chancellor of an eastern university advises all students to take part in some form of college sport. His reason is that the training and discipline gained from participation in organized sport of any sort will be of service in the major efforts of acquiring knowledge in the class or lecture room. Discipline and training team work and the submerging of the individual for the good of the whole are lessons that each student needs to learn.

A broadening of vision, a clearer outlook, a greater faculty for seeing the other fellow's side, with the consequent breaking down of the walls of selfishness, that shut off the true picture of life must come from the active practice of any of the games now prevalent at the big schools. It is not essential that one make the team, or become adept in the pursuit of a particular sport, but it is required that the matter be pursued sufficiently to develop the spirit of true sportsmanship, for that is opposed to the self-centred attitude sought to be overcome. When this is done, the student will take up his scholastic work with better zest, and, by reason of his communication with other students on campus or field, or in the gymnasium, he will get more out of his college life than if he remains a recluse and a grind.

**THE TRANS-CONTINENTAL MOTOR CYCLE RECORD**

New York.—A new motor cycle record for a trans-continental run from Los Angeles to New York was established when Wells Bennett, of Portland, Oregon, holder of a number of speed marks, reached his destination in the actual running time of six days, fifteen hours and thirteen minutes. His time was seven hours and thirty-nine minutes faster than the record established a month ago by Erwin G. "Cannon Ball" Baker, of Los Angeles, who covered the distance of 3,296 in six days, twenty-two hours and fifty-two minutes.

**UPPER CLARENCE**

The Maple Leaf Mission Band was held in the hall on Friday last. A very nice program was given by the school. Vegetables were brought and over three dollars was realized which will go for the "Faith" Home.

The W.M.A.S. had a crusade in the church on Sunday night. A very enjoyable program was given, and was very much enjoyed by all.

We are sorry to report that Mr. Joe Beardsley while helping on the threshing, injured his ankle quite badly. We all wish him a speedy recovery.

Mr. and Mrs. Alfred Marshall spent Sunday last at the home of Mrs. C. G. Sanford.

**Halifax Woman Tells of Big Change**

"The 'Flu' pulled me down to where I was almost a skeleton and left me in such a miserable state of health that life seemed hardly worth living. My circulation was so weak that my limbs, hands and feet were actually blue. I could not keep a bite of solid food on my stomach and for a whole month the only nourishment I could take was a small quantity of milk.

"Words can't describe how I suffered from indigestion. At times my heart would almost stand still and I simply had to fight for breath, and I had such bad dizzy spells that I could not see.

"Something seemed to keep telling me that if I would take Tonic I would get better and that is just what happened. For I had not taken more than three doses until I began to feel stronger. After finishing my sixth bottle I was eating just anything I wanted and found I had gained more than thirty pounds in weight. I can now do all my housework and look after the children and still feel as fresh at the end of the day as when I start in the morning."

The above statement was made recently by Mrs. George Shearing, 268 Chebucto Road, Halifax, N. S.

Tonic is sold by all good druggists.

**NOVA SCOTIA WELL TO FORE AT FRUIT SHOW IN LONDON**

Ottawa.—The awards won by Canadian exhibitors at the Imperial Fruit Show, now being held in the Crystal Palace, London, have been cabled to the Fruit Commissioner, Ottawa. Ontario leads with eleven firsts, nine seconds, one third, and two specials. British Columbia won four firsts, two thirds and two specials. Nova Scotia secured two firsts, three seconds, five thirds and three specials, and Quebec one second and one third prize.

Nova Scotia and Quebec were successful in the British Empire section, the former winning first prize on 20 boxes of a dessert variety and on 20 boxes of a culinary variety, Quebec winning second in the former section.

It was in the overseas section that Ontario was especially successful, winning eleven firsts, nine seconds, and one third prize on six box exhibits of named standard sorts. British Columbia won two firsts in this section on six box lots of Cox Orange Pippin and Spitzenberg, the second going to Nova Scotia and Quebec respectively.

In the special prize for Provincial classes, Nova Scotia won first on Gravensteins, Ontario first on Kings and British Columbia first on Cox Orange.

A special award, designated the Northard Prize, was won by F. A. Parker, Berwick, N. S.

**TO MAKE CANADA INDEPENDENT IN MATTER OF FUEL**

Ottawa.—Preliminary discussion of Canada's fuel problems and the need of wider utilization of Canadian bituminous coal after its adaptation for furnace use took place at a meeting of Government scientists named by the Minister of the Interior to study the fuel situation.

The members of the committee are Dr. Charles Campbell, Deputy Minister of Mines, Chairman; F. C. C. Lynch, Chief of the Natural Resources branch of the Interior Department, Secretary; J. McLeish, R. Haanel and D. B. Dowling, of the Mines Department, and J. B. Chisholm, Chairman of the Dominion Water Power Board.

The purpose of the committee is to consider means of making Canada more independent of American supplies by considering means of using Canadian coal for house heating.

The present committee, it was announced, will take up the problem of coking Nova Scotia coal for use in central Canada and to consider also other means whereby householders of the Dominion may be rendered less dependent on imported fuel. The addition of a transportation expert to the present committee may be made within a short time, it is understood.

**TWO SENT UP FOR CENTREVILLE BREAR**

Kentville.—The preliminary examination of J. W. Hogan and William Moses (colored) was held before Stipendiary S. S. Strong, the charge being the breaking into of W. L. Thorpe's store, Centreville, King's County, and stealing therefrom an amount of goods on October 19th. Chief Detective Kennedy, of Halifax, prosecuted, and the prisoners conducted their own case. The evidence taken showed that both of the accused had prison records.

A considerable amount of the goods was identified.

Both men were sent up for trial at the Supreme Court.

**YOUNG MAN IS FATALLY INJURED IN SAW MILL**

Yarmouth.—Louis Pottier, son of Adolphus Pottier, of Belleville, Yarmouth County, was injured in his father's mill and died as a result. A piece of board was hurled from a circular saw striking him internally. The deceased was a bright and promising young man and one that Belleville and Yarmouth County could ill afford to lose. Sympathy is expressed for the parents, Mr. and Mrs. Adolphus Pottier, in the loss of their son who was the mainstay in their declining years.

**SAYS C. N. R. HAS GREAT POSSIBILITIES**

Toronto.—"In the Canadian National System Canada has one of her biggest potential assets," remarked Sir William MacKenzie.  
"Their possibilities are immense." "Can Sir Henry Thornton make them pay?" was asked.  
"I could turn them into an asset within five years. Thornton can make them pay if he is a director and I think he is," smiled the man who built much of the system.  
"What the National System needs is a dictator," emphasized Sir William. "A man who will go ahead and do things, irrespective of politics. He has been given a free hand and he must that he insists on retaining it."

## Notice!

### After This Month

The practice of house to house collecting of accounts due the Bridgetown Electric Light, Heat & Power Co. will be discontinued. The manager respectfully requests that all such accounts be paid at the Company's office, which will be kept open on all regular business days from 9 a. m. till 5:30 p. m.

This action has been decided upon because the manager believes it must be inconvenient to most people to keep money in the house to pay a collector any time he calls. It is also inconvenient for a collector to have to call several times, simply because other people have business of their own and are therefore not always at home.

DISCOUNTS WILL BE ALLOWED UNTIL THE TENTH, AS ALWAYS, AND NOT AFTER. ACCOUNTS UNCOLLECTABLE IN THIRTY DAYS WILL BE DISCONNECTED.

### Local Happenings

Another record was broken in the apple business, when Dennis Elmer, of South Farmington, made 106 apple barrels at Leslie Armstrong's co-operation. Time, nine hours.

The St. James Church Organized Bible class will hold their first social gathering of the season this (Wednesday) evening in St. James' school-room 7:30 till 10 o'clock.

The Bridgetown Amateur Athletic Association are preparing for a big dance and banquet social on Thursday evening, November 23rd. This is going to be one of the most enjoyable times of the season.

Halloween was spent in the usual manner by the small boys and with one exception no damage of an unusual nature is reported. Some party at present not certainly known, broke two panes in one of the windows of St. James' Church. The matter is being investigated and the culprit's name is to be made a clear break of the matter and also make good the damage.

Nell Parker, son of Major and Mrs. Malcolm S. Parker, of Middleton, of the U. S. S. Pennsylvania Marines, has passed his final examinations as an expert rifleman, making a score of 223 out of a possible 250. He also won third individual prize in the inter-club matches at Port Barry, an army camp at Frieson, in which eight teams contested.

### ENGLISH GIRLS LIKE SWIFTER MARRIAGES

London—Old-fashioned weddings at church with lavish decorations, gaily bedecked brides and bridesmaids, bell ringing and elaborate ceremonies are gradually giving way to more sombre and quicker weddings at registry offices.

Statistics show that twenty-five per cent of the total marriages in this country during the year have been performed at registry offices. In London alone of 10,000 marriages, 14,000 were conducted by the registrar, and throughout the country the number of civil ceremonies has grown from 30,000 in 1900 to three times that number.

Among many reasons given for favoring the civil marriage is the desire to avoid publicity by contracting parties, particularly in the cases of divorcees, theatrical stars and other prominent persons when re-marrying.

English brides of the last generation would have been agitated at the thought of marrying without the proverbial orange blossom wreath and the routine of bridesmaids, but broadening ideas developed by the present day girl make her prefer the simple ceremony without the "fastidious" of the big church service and the army of spectators.

Mr. R. E. Essey, of Wolfville, was a guest over Thanksgiving at the home of Mr. and Mrs. C. G. Saunders.

Miss Lillian Saunders spent Thanksgiving with her parents, Mr. and Mrs. C. G. Saunders.

#### UPPER GRANVILLE

On the 21st inst., a number of relatives and friends met at the home of Mr. and Mrs. Ralph Berry, giving them a complete surprise, an enjoyable evening being spent in games, social converse and music. All expressed regret at hearing of their removal from this vicinity where by kindness and hospitality they have added to their list of friends. As they are still lingering in the Valley while in a more blissful spot via "Paradise," many good wishes for continued health and prosperity attended them.

Continued dull and rainy weather after a "touch of winter" has concluded a very trying harvest season for our best friends the farmers. Nevertheless our annual Thanksgiving comes to us as a reminder of manifold and great mercies throughout the year. Let us not forget to give thanks to Him whose goodness falleth not and endureth forever.

Mr. A. B. Borden and family, of Lawrencetown, are now taking possession of Mr. Berry's home and property. Coming to us as strangers we bespeak for them a cordial welcome.

Miss Claire Parker, accompanied by her brother John, left for New York on the 21st, where they will remain indefinitely.

Messrs. Percy Bath and Kenneth Hebb are on a "moose hunting expedition." Success to them.

Mr. DeBlais Gillis has been home on vacation.

### WEST ARLINGTON

Our community was shocked when word came that Pearl, wife of Reed Sabean, had passed away at the hospital at Middleton. She was the daughter of Mr. and Mrs. Wallace Sabean, of Bricketown. We wish to extend our deepest sympathy to all the bereaved ones in their great loss.

Mrs. William Brinton and family, who have been spending a week at Bricketown visiting Inspector and Mrs. M. C. Foster, and other friends, have returned home.

Mrs. William Brown and son Guy of Mount Rose, were visiting one day this week at the home of her daughter, Mrs. Minard Brinton, of St. Croix.

Mrs. Wallace Marshall and son Roscoe, attended the funeral of Mrs. Reed Sabean, at Bricketown, on Wednesday, October 25th.

Mr. and Mrs. Norman Milbury, of Hampton, were over Sunday guests at the home of the latter's sister, Mrs. Wallace Marshall.

Mr. Rupert Banks, of Clarence, was through our Village on business on Wednesday. Always glad to see Rep.

Mr. Clyde Spidle, of Forrest Glade, was visiting at Alfred Marshall's on Wednesday and Thursday last.

We are all pleased to see Mr. Silas Backs around again after being sick for several weeks.

Mr. Burton and Alfred Marshall spent Sunday last at W. A. Marshall's, of Outram.

### RECORD OUTPUT FOR BESCO IN OCTOBER

Sydney—During the month of October, the British Empire Steel Corporation plant turned out 29,000 tons of steel, said to be the largest tonnage production in the history of the Company, and to break a record of sixteen years standing. The highest previous output was in 1906, when 24,504 tons were produced in a single month. The billet mill also made a new daily record, Monday, when 1,112 tons of billets were turned out.

### WARNING

Warnings are being issued against cashing money orders for strangers, particularly when these orders are drawn on other Post Offices. In different parts of Canada we are informed that orders have been purchased for twenty-five cents and then raised to larger amounts and negotiated through firms.

### FARM FOR DRUG ADDICTS PLANNED

Ottawa—Sympathy with any movement looking toward the suppression of the illegal drug traffic and competent treatment for drug addicts, was expressed here by Hon. H. S. Beland, Federal Minister of Health, in commenting on the proposal of Dr. B. J. McConnell, Administrator of the Narcotic Drugs Act in Manitoba, to establish a farm where addicts in that Province could be taken and treated.

Dr. McConnell's plan involves the expenditure of approximately one hundred thousand dollars in raising which it is hoped to secure the co-operation of the Provincial and Federal Governments. Whether or not the scheme is adopted, will probably be left over until the return of Hon. W. S. Fielding, Minister of Finance.

### PRINCEDALE

Mrs. Forman Wright returned Tuesday from Smith's Cove where she had been spending a few days with her daughter, Mrs. Geo. Laramore.

Mrs. Z. Sanford returned from a visit at the home of her son, Wm. Sanford, Clementsport, Sunday.

Mrs. Annie E. Fraser is spending a few weeks with relatives in Smith's Cove.

Mr. and Mrs. Forrest Connell, of Bricketown, spent the week-end here. David Harshb, of Greywood, spent Sunday with relatives here.

## SOCIETIES ACTIVE AT PARADISE

### Crusade Meeting--Women's Institute Meeting--Interesting Social and Personal Notes

The Crusade Meeting of the Women's Missionary Society was held at the parsonage, Wednesday afternoon, November 8th. "Canadian Baptists in Bolivia" was the subject of the program. A paper entitled "Our Stations," was read by Mrs. Harry A. Longley, while the work of the Penfold Hall Farm was given by Mrs. Norman Longley. Twenty-five outstanding facts, from Mr. Stillwell's report of this work with its obstacles and opportunities, were presented by other members.

Five new members were received and over thirty dollars taken as a Thank offering. The social hour following the program was one of the best yet. Much credit is due both the programme and standing committee for the success of this meeting.

The Mite Society gave a Thanksgiving supper in the church vestry Monday evening, November 3rd. A social time was enjoyed and nearly thirty-five dollars was realized which will help to increase the church insurance fund.

The yearly business meeting of the Women's Institute will be held Thursday afternoon, Nov. 16th, at the home of Mrs. Fred Bishop. All the members are urged to be present at this very important meeting.

Mr. Max Saunders, Mr. Earl Saunders, Miss Alice Longley, Mr. Chas. Longley, Miss Jessie Bowly and Miss Mabel Elliott were among the students and teachers at home for the vacation.

The Boy Scouts and Camp Fire Girls spent one of their characteristic good time evenings together, Nov. 7th, at the home of Mr. and Mrs. Joseph Longley.

Whooping cough seems now to be an epidemic among the school children of this community. Every precaution is being taken however to control it.

Mr. and Mrs. Harold Bowly and children, motored from Wolfville to spend Thanksgiving day with Mr. and Mrs. Bowly.

Mrs. Edward Woodbury, of Albany,
