The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. DIGEST.

PREFATORY NOTICE.

The orders in Council, Proclamations, and certain other Official Acts of the Executive Government of the Dominion, to which the force of law attaches, were collected last year into one volume, in which the Orders in Council, &c., that have reference to one Department or branch of the Public Service, are very properly grouped together, distinguished from those which relate to or govern another.

These Documents are, in the Book referred to, inserted without any strict reference to Chronological order; and they are printed *in extenso* as passed in Council. In that shape they are very useful, as Official Records placed within the reach of everybody; but, as some of the Orders are of considerable length, rendering a topical reference somewhat tedious, and that even the shorter Orders consist usually of a long official preamble to introduce some laconic Order, Instruction, or Regulation, it was considered that an Alphabetical Digest, in the form now presented for the Department of Customs, would afford the means of a more ready consultation of the Orders in Council upon any special point in regard to which enquiry might be sought. At the same time

facilities are afforded to add explanatory notes, pointing out such Laws, Orders in Council, or Regulations under them, as have become effete or have been revoked or modified by subsequent Orders, or through Legislative Enactment.

When the Order in Council or Regulation is issued under the express sanction of law, the Act is quoted at the head of each Article, and at the foot is given the date of the Order in Council, and the page of the printed volume at which it is to be found. The page is in black letter, and in brackets, thus [p. 25.]

Procla. 23rd Oct., 1869. [p. 11.]

"The Merchant Shipping (Colonial) Act, 1869," above mentioned, was proclaimed in CANADA on the 23rd Oct., 1869, and in the ensuing Session of the Parliament of the Dominion the following Act was passed ; an Act which, from its importance as inaugurating the control, by the Dominion, of the Coasting Trade of Canada, is inserted here at full length.

CAP. XIV.**An Act Respecting the Coasting Trade of Canada.**

[Assented to 12th May, 1870.]

Whereas, by an Act of Parliament of the United Kingdom, passed in the thirty-second year of Her Majesty's Reign, and intituled "An Act for amending the Act relating to the "*Coasting Trade and Merchant Shipping in British Possessions*," it is, among other things, in effect enacted, that after the commencement of the said Act, the Legislature of a British Possession, by any Act or Ordinance, from time to

time, may regulate the Coasting Trade of that British Possession, subject, in every case, to certain conditions mentioned in the said Act, and embodied and enacted in this Act, and that Section one hundred and sixty three of the Act of the Parliament of the United Kingdom, known as "The Customs Consolidation Act, 1853," which is in the following words: "No goods or passengers shall be carried from one port of any British Possessions in Asia, Africa, or America, to another Port of the same Possession, except in British ships," shall be repealed as from the date in the case of each British Possession, at which either an Act or an Ordinance with respect to the Coasting Trade, made within two years after the commencement of the Act first above cited in such British Possession, comes into operation, or if there is no such Act or Ordinance, at which the said two years expire; and that the said first cited Act shall be proclaimed in every British Possession, by the Governor thereof, as soon as may be after he receives notice of the said Act, and shall come into operation in that British Possession on the day of such proclamation, which day is in the said Act referred to as the commencement thereof: And, whereas, the said Act was so proclaimed by the Governor of Canada, on the twenty-third day of October, now last past: And, whereas, it is expedient to exercise in the manner hereinafter provided, the power vested as aforesaid in the Parliament of Canada: Therefore, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. No goods or passengers shall be carried by water, from one port of Canada to another, except in British ships; and if any goods or passengers are so carried, as aforesaid, contrary to this Act, the master of the ship or vessel so carrying the

same, shall forfeit the sum of four hundred dollars, and any goods so carried shall be forfeited, as smuggled, and such ship or vessel may be detained by the collector of customs, at any port or place to which such goods or passengers are brought, until such penalty is paid, or security for the payment thereof given to his satisfaction, and until such goods (if any) are delivered up to him, to be dealt with as goods forfeited under the provisions of the Act passed in the thirty-first year of Her Majesty's reign, and intitled: "*An Act respecting the Customs*"; and the said penalty and forfeiture may also be recovered and enforced in the manner provided by the Act last mentioned, with respect to penalties and forfeitures incurred under it, and as if imposed by it; and this Act shall accordingly be construed with reference to the said Act, and as forming one Act with it, and all words and expressions in this Act, shall have the same meaning as the like words and expressions in the said Act.

2. The Governor in Council may, from time to time, declare that the foregoing provisions of this Act, shall not, while such Order in Council is in force, apply to the ships or vessels of any Foreign country in which British ships are admitted to the coasting trade of such country, and to carry goods and passengers from one port or place in such country to another, and may, from time to time, revoke or alter such Order in Council.

3. This Act shall not come into operation until the day to be appointed for that purpose, in the proclamation hereinbefore mentioned, signifying Her Majesty's pleasure that it shall come into operation in Canada.

In this Act, the term "British Ships," means and includes all ships belonging wholly to persons and bodies corporate, qualified or entitled to be owners of British Ships, under the provisions of "*The Merchant Shipping Act, 1854*," or other Act of the Parliament of the United Kingdom in that behalf, in force for the time being.

And where, by treaty made before the passing of the Act of Parliament of the United Kingdom, first cited in the

preamble of this Act, Her Majesty has agreed to grant to any ships of any Foreign state, any rights or privileges in respect of the coasting trade of Her Majesty's possessions, such rights and privileges shall be enjoyed by such ships, for so long as Her Majesty has already agreed, or may hereafter agree, to grant the same; anything in this Act to the contrary notwithstanding.

COASTING TRADE OF CANADA—OPEN TO ITALIAN SHIPS.

33 *Vict.*, *Cap.* 14, *Sec.* 2.

Whereas it has been ascertained that British Ships are allowed to participate in the Coasting Trade of Italy on the same footing as the Vessels of that Kingdom, it is ordered and declared, that the provisions of the above cited Act, Sec. 1, which enacts that no goods or passengers shall be carried by water from one Port of Canada to another except in British Ships, shall not apply to the Ships or Vessels of Italy, but that such Vessels shall be admitted to the Coasting Trade of the Dominion on the same terms and conditions as are applicable to Canadian Vessels.

O. C. 13th August, 1873. [p. 50.]

A subsequent O. C. of *9th October*, 1874, opened the Coasting Trade of Canada to Ships or Vessels of the NETHERLANDS.

Another O. C. of *5th November*, 1874, opened the Coasting Trade of Canada to the Ships or Vessels of SWEDEN and NORWAY.

The grounds in both these cases are the same as are assigned in the case of Italian Ships—*i.e.*, Reciprocity of Coasting privileges on equal terms.

By the 27th Sec. of the 33 Vict., Cap. 3, assented to on the 12th May, 1870, and first above cited, the Customs duties then and by law chargeable in Ruperts Land were continued without increase *for the period of three years* from and after the passing of that Act, which period expired on the 12th of May, 1873. PACKAGES—MEANING OF THE WORD UNDER CUSTOMS LAWS.

37 Vict., Cap. 6, Sec. 4.

The following Departmental Circular No. 146-2, dated *1st February, 1875*, contains full explanations and instructions for the guidance of Collectors of Customs and of Importers on the subject of PACKAGES.

“Referring to Circular No. 132-11, of 28th July last, on the subject of Packages, I am now instructed by the Honorable the Minister of Customs to repeat, for your guidance, the principal Sections of said Circular, with other explanations and additions, and to request you in your future transactions and additions, and to request you in your future transactions to govern yourself by this Circular in place of the former.

“Referring to the latter clause of Section 4 of the Tariff Act of the last Session of Parliament, in which it is provided that certain packages, ‘being the ordinary or usual packages in which goods are packed for exportation, according to the general custom and usage of trade, shall be free of duty,’ and as there appears to be various and erroneous opinions entertained by Importers as to the true intent and meaning of the word ‘Packages’ in said section, I am to inform you that the Minister of Customs is advised that it applies exclusively to the outside cases, boxes, barrels, or other coverings in which goods are packed for exportation, and not to smaller coverings in which goods are commonly placed for preservation or sale, and in or with which they are most frequently sold.

“In addition to the above explanation of the word ‘Packages’ you are to take special note of the fact that the law only allows such coverings as are exclusively essential to the EXPORTATION of goods, to be free of duty; and no covering, whether barrel, box, can, jar, or other receptacle in which goods are usually placed for purposes of ordinary sale, in their respective home markets, are to be regarded as packages for exportation.

P.

PACKAGES—MEANING OF THE WORD UNDER CUSTOMS LAWS—
Continued.

“Thus, for example, small boxes, or other coverings, of whatever material, in which Perfumery in dozens or half-dozens, Fancy Soaps, Pressed or Dried Fruits, Plain and Fancy Biscuits or Cakes, Confectionery, Spices and Medicines, various kinds of Fancy Goods, Tin Cases, Stone or Earthenware Jars, &c., containing Preserved Meats, Jellies, &c., and all similar vessels and coverings, whatever their contents, are not to be taken or understood as ‘Packages’ in the sense of the Section in question; on the contrary, they form part of the goods to be offered for sale, and any entry, therefore, must contain the value of such cases or receptacles as part of the goods contained in them, and duty be paid thereon accordingly.

“In further extension of this catalogue, I am to instance,—Tin Cases, whatever their contents; Paint Kegs, Barrels or other vessels containing dutiable Oils of any kind; Barrels or other vessels containing Cider or other liquids paying *ad valorem* duties; Barrels containing Ground Cement, Plaister, Green or Dried Fruits; Kegs, Cans or other vessels containing Gun or Blasting Powder, or any form of Glycerine or other combustible; Nail Kegs; Boxes containing Window Glass Tinned Plates or Canada Plates, and any package which it has not been the usual custom or usage of trade to charge separately in the invoices. This point should be kept distinctly in view, because so many importers now resort to the practice of separating packages in their invoices, contrary to former custom, with the purpose of thereby reducing the value of their goods for duty.

“The Minister of Customs is further advised, that barrels or casks in which bottled Malt Liquors are packed, are packages in which the bottles are packed for exportation, according to the usual custom of trade, and are therefore free of duty.”

P.

PACKAGES—MEANING OF THE WORD UNDER CUSTOMS LAWS—
Continued.

To this I am to add, that the cases in which bottled Wines or Spirits are packed, are not exclusively used for the purpose of exportation, and are therefore liable to duty.

Packages containing goods subject to specific duty only, are not considered dutiable, except such as are enumerated in Section 4 of the present Tariff Act.

To prevent misapprehension, I am to remind you that Section 4, Cap. 44, 33 Vict., regulating the value of sugar, molasses, &c., has not been repealed but is still in force, and its provisions are to be strictly observed in taking entries for these goods.

With reference to Crates, containing Crockery, stone or glassware, they are considered to be packages for exportation and consequently free of duty; but the value to be allowed should not include any charge for labour or other incidental expense, and should not exceed from nine to twelve shillings sterling each, or the equivalent of these sums currency.

Packages containing free goods, being the usual packages in use for such purposes, and not greater in value than the goods they contain, are free of duty.

PACKAGES CONTAINING FREE GOODS—ADMITTED
FREE.

31 Vict., Cap. 6, Sec. 4.

Ordered and declared, that all Packages containing "Free Goods," when such Packages are of the description in which such goods are usually imported, and are not more valuable than the goods they contain, shall be entered free of duty.

O. C. 2nd June, 1870. [p. 39.]

P.

PENALTIES AND FINES—APPROPRIATION OF.

All penalties and fines, after deducting the expenses of prosecution, shall belong to Her Majesty, for the public uses of the Province, and be paid into the credit of the Receiver-General.

Sec. 11, O. C. 30th March, 1850. [p. 4.]

The above Section of the Old O. in C. cited, is substantially in the terms of the first part of Sec. 113 of the Customs Act: But *Sub-Sec. 2*, of this same Sec. 113, modifies its provisions and enacts as follows:

2. But the net proceeds of such penalty or forfeiture, or any portion thereof, may be divided between and paid to the Collector or chief officer of the Customs at the port or place where the seizure was made or the information given on which the prosecution was founded, and any person having given information or otherwise aiding in effecting the condemnation of the goods, vessel or thing seized, or the recovery of the penalty, in such proportions as the Governor in Council may in any case or class of cases direct and appoint; But nothing herein contained shall be construed to limit or affect any power vested in the Governor in Council with regard to the remission of penalties or forfeitures by this Act or any other law.—31 *Vict., Cap. 6, Sec. 113.*

P.

PIANO-FORTES—VALUE FOR DUTY—HOW COMPUTED.

37 Viet., Cap. 6, Sec. 9.

The value for duty of Pianos imported into the Dominion, is governed by the Rules laid down in following minute of the Treasury Board dated 9th June, 1874, approved by an Order of the Governor in Council on the 20th of the same month.

The schedules referred to were transmitted to the several Collectors of Customs with the following Departmental Circular, dated June 11th, 1874 (No. 128.)

"I am instructed by the Honorable the Minister of Customs, to call your attention to the annexed Schedule of values for duty of the Pianos manufactured by Chickering & Sons, Boston; Steinway & Sons, Haines Brothers, and Dunham & Sons, New York; and to inform you that, by Order in Council, the values in gold attached to each instrument, as described, are determined by a defined rate of discount on the current retail prices as published by the Manufacturers, under authority of the Act of last Session of Parliament, 37 Viet., Cap. 6, Sec. 9; and you are in future to require that all such Pianos imported, shall be entered for duty at not less than the value stated in said Schedule.

"In receiving entries of the Pianos of other Manufacturers, you will be careful to ascertain by comparison with those named, that they are proportionately rated.

"The Board recommend under the 9th Section of the Act 37 Viet., Cap. 6, that the value for duty of Pianos for the several makers named in the Schedule submitted by the Minister of Customs, shall be discounted from the present published retail prices to the values in gold attached to each respectively, in said schedule, and that the value for duty of all other 'Pianos' shall be ascertained and charged in proportion to the quality of each as compared with those specified in the said schedule."

Appd. by O. C. 20th June, 1874.

Schedules referred to are in the possession of all Collectors of Customs in the Dominion.

SWINE—SLAUGHTERING, &c., IN BOND.

31 Vict., Cap. 6, Sec. 58.

Under the authority of the Act cited, the following Regulations and Restrictions governing the Slaughtering, Curing and Packing of Swine in Bond were adopted and approved by Order in Council on 22nd May, 1868, viz:

1. The Importer of live hogs or swine intending to avail himself of the privilege conferred by the said section 58 of the Act hereinbefore mentioned, shall apply to the Collector of Customs at or nearest the place at which he intends importing or entering such swine, and shall furnish such Collector with a brief description in writing of the premises intended to be used as a killing pen, and curing and packing house for the purposes aforesaid; and should the Collector approve of such premises, he will constitute the same constructively

into a Warehouse for the special object, and the said premises shall to all legal intents and purposes be and be dealt with as one of the Queen's warehouses; and the Importer shall enter into and execute the usual bond given by the owners of warehouses placed under the Crown's lock.

2. Upon every importation of swine, the Importer shall enter the same in the usual way to be warehoused, and shall have the said swine taken to the premises hereinbefore referred to and approved as a Customs Warehouse, where the same shall be counted on arrival, and the Importer shall give bond on each such importation in double the amount of the duties payable under the Tariff on such importation, the condition of which bond shall be that upon the due exportation within one year of the products of the said swine converted into Pork, Bacon, Hams or Lard, the said bond shall be and become null and void, otherwise shall be and remain in full force and virtue.

3. And whereas, the duty imposed upon swine is a specific duty on each animal at so much per head, without reference to weight or size, and that it is necessary in order to facilitate the balancing of the accounts of what goes into the warehouse, and what comes out in another form for exportation, that a ratio should be established between the weight of the live animal warehoused and the equivalent weight of the merchantable products of such animal after he has been slaughtered,—it is considered that the average weight of a live hog may be taken at 200 lbs., and that the equivalent of such live hog in Pork, Bacon, Hams, and Lard is 113 lbs., that every 113 lbs. weight of Pork, Bacon, Hams or Lard taken out of the warehouse shall be deemed to represent one live hog put into the warehouse, and the exportation of that quantity of Pork, Bacon, Hams or Lard will be equivalent to the exportation of one of the live hogs bonded, and if the same, instead of being

exported, should go into consumption in this Dominion, it shall be charged with a duty of \$2 as being the merchantable manufactured equivalent of the live animal chargeable with that duty on importation.

4. The feet, bones and trimmings, if not exported, shall be subject to duty on leaving the warehouse for consumption in Canada, and every 200 lbs. weight of such feet, bones and trimmings shall be considered as equivalent to the importation of one live hog, and be as such charged with a duty of \$2 on being so entered for consumption in Canada.

5. With regard to the importation of swine in the carcase to be cured and packed in bond for exportation, the same shall be entered in the usual way for the warehouse, and be placed in the curing or packing house so as aforesaid constituted into a warehouse, for the special purposes of curing and packing pork under the said Act, the weight of such carcasses to be duly ascertained by the proper Officer of Customs, on the same being placed into the Warehouse, and bonds shall be given in double the amount of the duties accruing on the said pork conditioned for the due exportation of the same within 2 years.

6. The killing pen, curing and packing houses and all cellars and stores included in the premises hereinabove mentioned, shall be accessible at all times whilst work shall be going on there, or at other times between sunrise and sunset, to the inspection and survey of the Collector of Customs or of any other Officer of the Port at which the same may be situated.

O. C. 22nd May, 1868 [p. p. 27-8.]

NOTE.—Article 3 of the above Regulations was framed to meet the then existing Tariff which imposed a specific duty of \$2 each on live Hogs imported, without reference to weight (31 Vict., Cap. 44.) The repeal of the specific duty on Animals, by the 33 Vict., Cap. 9, and the substitution of an *ad valorem* duty of 10 per cent rendered it unnecessary to resort to averages to establish the duty which is now simply computed upon the actual value of the Hogs as shown by the invoice at the time of importation.

T.

TARE.—HOW ALLOWED.

31 *Vict., Cap. 6, Sec. 27.*

There shall be deducted from the gross weight of goods the tare according to the original invoice, the correctness of the invoice to be declared before the Collector, and in the absence of such invoice, or the omission of tare in the invoice, the medium tare shall be ascertained by weighing a few packages of the importation, and adopting the result as the standard for the whole.

Sec. 14, O. C. 30th March, 1850. [p. 5.]

TARE ON SUGAR.—ALLOWANCE FOR.

From and after this date (25th March, 1869, the date of the order) there shall be allowed for tare on sugar imported in bogsheads, twelve per centum, and in tierces, fourteen per centum of the gross weight of each, and on barrels, an allowance of twenty-six pounds each. On bags in which sugar is imported, an average tare shall be allowed, to be ascertained by weighing one bag out of every ten.

If in any case, objection is taken to the above scale of allowances for tare, then the actual tare according to the original invoice may be allowed, subject however to such examination, either by actual weighing or appraisement, as may be thought necessary by the Collector of the Port, to prove that the actual weight of packages is not less than that stated in such invoice.

O. C. 25th March, 1869. [p. 37.]

**TEA AND COFFEE—10 PER CENT THEREON IF IMPORTED
FROM U. S.**

35 Vict., Cap. 12.

Under the authority of the above cited act it is ordered,
“that a duty of ten per cent be imposed, from and after the
“first day of January next (1873) and the same is hereby
“authorized to be levied and collected on Tea and Coffee
“imported into Canada from the United States of America,
“from and after that date.

O. C. 24th Dec., 1872. [p. 44.]

~~NOTE~~ NOTE.—This Act and the Order in Council passed under its authority are repealed by Sec. 14 of 37 Vict., Cap. 6.

V.
