The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Rules Adopted by the Church Society.

DECEMBER, 1859.

1. WHEREAS, it frequently happens that persons from various parts of the Diocese, and from other Dioceses, make application for assistance in building Churches, Parsonages, &c., to the Clergy and Laity of the Church throughout the Diocese, without any recognized authority and proof of the facts of the case for which application is made: Resolved, therefore, that the Bishop be respectfully requested to establish as a rule in the Diocese that no clergyman or layman be permitted to collect money for any Church purpose beyond the bounds of his own mission, or to proceed to any other Diocese for the same purpose, without the sanction and approval of the Bishop, given as a heading to his Subscription List; and that it be the duty of such collector to communicate with each clergyman before he makes a collection in his parish: and that, on his return from his collection tour, every person collecting shall present his Subscription List to the Bishop, and account for all moneys received. And further, that no person from any other Diocese shall make collections within this Diocese without first obtaining the sanction of its Bishop, under his hand and seal.

2. Resolved, That inasmuch as great inconvenience and loss arise from the delay that too often takes place in making the collections for the Church Society and transmitting them to the Secretary, the Clergy are therefore requested to make the collections on some Sunday during the month appointed for each collection, and to see that they are forwarded without delay to the Secretary.

DECEMBER, 1860.

3. Resolved,—That no change shall be made in the Constitution of this Society, unless notice has been given at the previous quarterly meeting; and further, that all proposed changes of the Constitution shall be brought before the Standing Committee for them to report upon.

MARCH, 1861.

4. Resolved,—That all applications for grants of money, books, &c., shall be submitted for the consideration of the Standing Committee previous to action by the Society thereon

JUNE, 1862.

5. Resolved, - That the Lay Representatives of the Synod, be considered *ex officio* members of the Church Society, in so far as to enable them to attend and take part in all meetings of the Church Society which may be held during any week in which the Synod meets, during their term of office as members of the Synod.

OCTOBER, 1862.

6. That, seeing it is absolutely necessary for the successful working of the Church Society and the furtherance of the various objects embraced by its Constitution, that all parts of the Diocese should cooperate: Be it therefore Resolved, that no assistance be given to any Parish or Congregation unless all the collections are regularly made by such congregation, and a Parochial Association established in connection with the same, from which collections are annually made for the Society; and further, that the Bishop be respectfully requested to apply the same rule to the S. P. C. K. Fund, for assisting in the building of Churches in the Diocese.

JUNE, 1867.

7. That no resolution passed at any meeting of the Society shall be considered to be in force until brought up and confirmed at the next meeting, except such as refer to business which has been brought before the Standing Committee, or such as ask for the appointment of Committees.

JUNE, 1868.

8. That all applications for aid from the Society must be with the Secretary at least three days before the meeting, otherwise they cannot be entertained until the following meeting.

9. That grants made from the General Purposes Fund, and not claimed by the expiration of two years from the time that they are promised, be cancelled.

10. That every application made to the Church Society by Clergymen regarding arrears of salary due by their congregations, be signed both by the Clergyman and the Church Wardens, with a view of making known to such congregations the amount of arrears due, and of influencing them thereby to a due regard to their obligations in relation to the salary of their Clergyman.

Moved by Rev. D. Armstrong, seconded by Rev. S. DuBourdieu,

CONSTITUTION
OF THE
Church Society of the Diocese of Huron

Adopted by the Society and confirmed by the Bishop.

Incorporated for promoting the following objects :—

- FIRST**—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making a provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.
- SECONDLY**—For the encouragement of education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.
- THIRDLY**—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.
- FOURTHLY**—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.
- FIFTHLY**—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church in the said Diocese; the erection and maintenance of Parsonage houses; the setting apart of Burial Grounds and Church Yards; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowments.

I.

That before the Society shall enter upon any business at any of its meetings, the following prayers shall be said :—

PREVENT US, O Lord, in all our doings, with thy most gracious favour, and further us with Thy continual help ; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. AMEN.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we humbly beseech Thee to prosper with Thy blessing the designs of this Society, and to comfort with Thy grace those benefactors who contribute to its support. Visit with Thy favour our Sovereign QUEEN VICTORIA, and all in authority under her, and so rule their hearts, that they may in all things seek Thy honour and glory. Bless the ministry of Thy servants, the Clergy ; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labors of those Missionaries who are promoting the same in foreign parts. Inspire continually the Universal Church with a spirit of truth, unity and concord, and because it cannot continue in safety without Thy succour, preserve it evermore by Thy help and goodness ; and may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory, and the good of Thy Church through Jesus Christ our Lord. AMEN.

Our Father, which art in Heaven, hallowed be Thy name. Thy kingdom come. Thy will be done on earth as it is in heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation ; but deliver us from evil ; for Thine is the kingdom, the power and the glory, for ever and ever. AMEN.

AND WHEN BUSINESS IS ENDED.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which this Society hath been enabled to extend the knowledge of Thy sacred truth. But above all, for Thy inestimable love in the redemption of the world by Thy blessed Son ; for the means of grace, and for the hope of glory, which thou hast given us, in the same our Lord and Saviour Jesus Christ ; to whom with Thee and the Holy Ghost, be all honour and glory, world without end. AMEN.

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. AMEN.

II.

That the Society shall consist of the Lord Bishop of the Diocese, and of all Clergymen and Laymen who shall contribute to its funds.

V.

That every incorporated member of the Society shall subscribe not less than Five Dollars annually to the funds of the Society, or contribute not less than Fifty Dollars in one sum, or land to the value of One Hundred Dollars ; and it shall be the duty of the Secretary, on the first day of April in each year, to notify all incorporated members who have not paid for the current year, and at the meeting in the month of June in each and every year to make a return of those who have not paid up the Five Dollars for the year ending 31st of May previous, and such shall cease to be incorporated members of the said Society.

And, further, that no constitution, by-law, rule, or regulation of the Society; nor any abrogation, repeal, change or alteration of the same shall be of any force or effect until it shall have been confirmed by the Bishop, in writing, under his hand.

XIII.

XVI.

That in order more fully to promote the objects of the Society, each congregation, in the person of its clergymen and churchwardens, shall be a sub-association in correspondence, through its chairman, the clergyman, with the Parent Society, and may be denominated "THE PAROCHIAL ASSOCIATION OF THE CHURCH SOCIETY." The Committee, which shall consist of the above named, with power to add to their number, shall meet so often, and at such periods as they themselves decide to be most convenient inviting the co-operation of all the parishioners in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavor, by every means in their power, to augment the resources of the Society. All money raised to be transmitted to the Secretary of the Parent Society.

TENTH ANNUAL REPORT
OF THE
INCORPORATED CHURCH SOCIETY
OF THE DIOCESE OF HURON.

In presenting their Tenth Annual Report the Standing Committee, while thankful to be able to report on the whole a small increase in the contributions towards the work of the Society, still feel that the important objects for which the Society was established are not duly appreciated by the Diocese at large, and that our members are not properly impressed with the duty of making a suitable return to Almighty God for the blessings which they so richly enjoy ; otherwise, judging from the ability of the Diocese, the income should be more than twice as much as what they are at present able to report.

INCOME.

The Income derived from the Diocese from all sources during the past year, is \$9584 ; this appears to be an increase of \$569.82 ; but in this is included \$464, the result of a call which was made at the request of the Synod for a contribution towards the expenses incurred by the Bishop in attending the meeting at Lambeth, called together by His Grace the Archbishop of Canterbury, and, also, \$294.34, the collection made on Thanksgiving Day, and it will be found that by deducting these two sums, the income is left \$188.56 less than the Income of the Ninth year, which, considering the increasing wants of the Diocese, is a matter of no small regret.

GENERAL PURPOSES FUND.

The amount received for this Fund during the past year is \$5962.98, which, after deducting the \$464 produced by the special call of the Synod, makes an increase of \$118.89 over the amount received for this Fund during the previous year.

This has enabled the Society, besides meeting the current expenses and our share of the fitting up and furnishing the new Offices and

Synod Hall, to make grants of books to Sunday Schools to the value of \$238.44; to Churches, \$1374.50, and to Parsonages, \$625; also, to carry to the credit of the Widows' and Orphans' Fund, as directed by the By-Law, \$425.00, and to the Mission Fund, to assist in meeting its claims, \$1216.15, and to leave a balance on hand of \$756.29 to commence the work of the coming year.

MISSION FUND.

The amount received from the Diocese for this Fund is \$2924.82, against \$2833.08 for the previous year. This at first sight appears to be an increase of \$91.74, but if the extra collection made on Thanksgiving Day be deducted, it leaves it less by \$202.64 as compared with the previous year.

This Fund has laboured under great difficulties during the past year, and it was only by the assistance of \$1800 from the Commutation Fund Interest, and \$1216.15 from the General Purposes Fund, and the usual grant from the S. P. G., that it was able to meet all its claims, leaving it, as at the end of the previous year, without anything to forward the most important work which the Society has in hand—the support of our Missionaries in their toilsome and arduous labours. The Committee would again impress upon the Society the imperative necessity of making some special effort for the sustentation of this Fund, otherwise it will not only be impossible to supply the ministrations of the Church to the large and increasing number of vacant congregations in the Diocese, but it will be with great difficulty that the present staff of Clergy can be maintained in their work.

WIDOWS' AND ORPHANS' FUND.

The amount received in support of this Fund during the past year is \$696.20; this, by comparing the collections and donations with the same sources of revenue during the previous year, shows an increase of \$78.97.

The Pensions paid to Widows during the year amount to \$1120, and the Investments have been increased to \$24,241.

This Fund is at present in a very satisfactory condition, but it will require all our care to enable it to meet the probable claims of future years for the help of the Widow and Orphan—those interesting objects for whose benefit the Fund is maintained.

DEPOSITORY FUND.

The amount received by the sale of Books during the year is \$430.40, and \$238.44 from the General Purposes Fund for grants of Books to Sunday Schools.

The balance to the credit of this Fund is \$206, besides a large stock of Books in hand.

S. P. C. K. FUND FOR BUILDING CHURCHES.

As the S. P. C. K. has ceased to make grants for Churches, and as nothing has been paid this year, the account remains the same as at the end of last year.

GENERAL PURPOSES LAND INVESTMENTS.

During the past year 120 acres of land have been sold, leaving still unsold 800 acres belonging to this Fund.

The Investments at present to the credit of this Fund are \$13,070.99; in this is included \$2500, the Society's portion of the cost of the new Offices and Hall, and a loan to the Rector and Church Wardens of St. Paul's Cathedral for the same object of \$1705.33, on which they pay interest, and a sum of \$3751.18 due by the Episcopal Fund on account of the See House. The Interest received during the past year from Investments was \$492.96, of which \$400.66 was carried to the General Purposes Fund Account.

TRUST FUNDS.

COMMUTATION FUND.

The Investments belonging to this Fund produce at present an income which leaves a surplus of rather more than \$1400 over and above the present claims on this Fund, which, according to the present arrangements, has been used in assisting the Mission Fund in its work.

The price of good debentures, to which the Investment of this Fund is restricted, is at present so high that no increase to the capital can be expected so long as the present rates prevail.

EPISCOPAL FUND.

During the past year several settlements have been made by which the capital of this Fund has been improved, and another by which about \$250 more will be obtained, is at present under consideration; beyond this little more can be expected for this Fund from old accounts.

The Investments at present are \$35,876.97, producing an income of \$2052.90. On the See House account there is still the sum of \$3751.18 due the General Purposes Investments, and as the Diocese as yet has not contributed anything towards the purchase of the See

House, the Committee would urge that some effort be made to obtain this sum by special subscription from the Diocese at large, as a contribution towards this important object which has been so successfully completed.

BISHOP AND ARCHDEACON FUND.

During the past year the arrangements under the award between the two Dioceses have been nearly brought to a conclusion, by which the capital belonging to this Fund is made \$23,825.32, all of which has been received from the Diocese of Toronto except two mortgages amounting to \$7000.

SPECIAL TRUSTS.

The state of the several Minor Trusts will be seen by the accounts appended to this Report.

RECTORIAL LANDS.

During the past year the Committee which was appointed to sell the Rectory Lands has been enabled to make a beginning. They have sold a portion of the lands belonging to the Rectories of St. Paul's, London; St. John's, London Township, and St. Anne's, Adelaide, and have invested the proceeds as directed by the Act of Parliament regarding the sale of these lands. The statement referring to each of these Rectories will be found in the accounts in the appendix.

On reviewing the work of the past year the Committee feel that the great object to which their chief attention will have to be given is the support of the Missionaries doing the work of the Church in the Diocese.

It will be seen by referring to the accounts that the Mission Fund this year was barely able to meet its claims, and that in order to make it do this, the General Purposes Fund was taxed beyond its abilities, so that it will be unable, from the small balance in hand, to make the usual grants to Churches and Parsonages until towards the close of the present financial year, even if then.

What renders increased exertion for the Mission Fund absolutely necessary, is the fact that the grant from the S. P. G. has been reduced this year by one-third—in round numbers a reduction of \$2000—and this will have to be provided in some other way, as the small stipends which the Clergy are at present receiving cannot bear any diminution, but ought rather, in many cases, to be made larger to meet the increased expense of the necessaries of life, which is felt by all

classes, and for which provision has been made by the increase of the wages and salaries of the other classes of the community, except the Clergy, who, in most cases, are compelled still to live on the stipends which were fixed years ago, when everything consumed and used was of much less value than at the present time. Much has been said of late about the advantages of the voluntary system, and the increase of life and zeal that is seen in the Church when the Clergy are dependant upon their people for their support. Such chiefly is the position of the Church in this Diocese. The Committee, therefore, would strongly urge upon Churchmen throughout the Diocese, both Clergy and Laity, particularly those who hold such views and advocate such opinions, to rise to the position in which they are placed, and to prove by their acts during the coming year that they feel their responsibilities and that they desire to "quit themselves like men," and to pour in of their abundance, yea, even of their poverty if necessary, such contributions that the Income of the coming year may reach at least \$20,000, and then enable the Committee liberally to forward all the important objects for which the Society has been incorporated.
