The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shell contains the symbol  $\rightarrow$  (meaning "CONTINUED"), or the symbol  $\nabla$  (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole  $\rightarrow$  signifie "A SUIVRE", le symbole  $\nabla$  signifie "FIN".

Les cartes, planches, tableaux, etc., pouvant être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

A Chicago lad makes a living by securing seats for women in crowded cars. He makes his stand at a thoroughfare that is always thronged and arranges with some well-to-do woman, with her arms full of bundles, or perhaps a baby, to run around and jump on a car before it reaches the corner. When it gets to that point he has a seat reserved for her.

# THE PROGRAMME

THE primary idea of this Programme is, of course, to enlighten the audience as to the personnel of the artists taking part in the performances, incidentally to serve as a guide to the plot of the piece, and generally to give such information as will tend to the enjoyment of the auditor.

Reading matter of a miscellaneous nature, is however, liberally supplied, that may be perused with interest and advantage. Quips and Quirks give zest to the solid matter, as sauces do to meats, but there is a fund of information in the advertisements that may be seriously considered with profit.

The publishers are prepared to attend to all business in the way of general and special advertising.

Respectfully,

BELTON & ROOTE,

*Advertising Agents.*

DOORS open for matinees at 2 p. m. ; curtain rises at 2.30 p. m.

Evenings.—Doors open at 7.30, and curtain rises at 8.15 p. m. sharp.

Tickets can be reserved two days in advance without extra charge. Office open from 9 a. m. to 9 p. m.

Seats can be secured by mail, telegraph or telephone. Telephone 732.

Physicians are requested to register at the Box Office, leaving seat number, as this will enable Ushers to find them, if called for, without disturbing the audience.

Children in arms not admitted to evening performances. Children three years old or over full price.

Patrons will confer a favor by reporting to the management any incivility or inattention on the part of the employees, and annoyances of any nature.

If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from their seat and leaving the theatre before the curtain falls, is a most annoying one, and one that should be stopped. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Carriages can be ordered at the Box Office or of the Chief Usher.

For all lost articles apply at Box Office.

It is strange, but there is a class of people that seem to take an intense delight in bespattering the floor with tobacco juice, and in being boisterous and using profane language. These people should know at once that the courts authorize their immediate expulsion, should the management see fit to exercise its rights.

### THE IVY LEAF.

*The Ivy Leaf is one of the few modern Irish Dramas that does not falsify and belittle the Irish Character; does not deal in low life scenes or vulgarisms, but lifts up the Irish character to its true and proper sphere of respectability. It ennobles, does not degrade. It properly portrays, does not caricature. On this account it is eminently worthy the support of the respectable Irish people, as well as those who respect the blessed land with the emerald turf.*

*The Ivy Leaf will be the attraction last three nights of Fair, Sept. 20th, 21st & 22nd.*

Japanese aim to have all their debts paid on New Year's Day.

Mr. J. Lancaster, who spent five years upon the west coast of Florida in the study of the habits of aquatic birds, of which he has made a specialty, asserts that he has seen frigate birds fly for seven consecutive days, night and day, without ever resting. According to his observations the fatigue of these birds is not excessive, even in such long continuances in the air. In fact the frigate bird can, easily and almost without the flap of the wing, not only maintain herself, but also fly with a speed of nearly a hundred miles an hour. The spread of the wings extended varies between eleven and thirteen feet.

"I am sensible of the honor you do me, Mr. Spoonamore, in the proposal of marriage you have just made," said the young woman, with a slight curl of the lip, "but circumstances over which I have no control will compel me to decline the honor." Brightest and Best of all Comic Operas

PRESENTED IN ARTISTIC AND MAGNIFI-  
CENT MANNER BY AN UNEXCELLED  
COMPANY OF FIFTY ARTISTS UNDER  
THE DIRECTION OF FRED. C. WHITNEY.

All Scenery Special! Rich Costumes! Augmented Orchestra!  
Beautiful Picturesque Ensemble!

AS an attraction for the thousands visiting London during Fair week, Manager Roote has secured that most popular and pleasing of all comic operas, “The Fencing Master.” To the majority of London Theatre goers, the opera is already familiar, but there is an added element in it that on the coming visit will give it a new zest and make it a delightful surprise. The new feature is Dorothy Morton as **Francesca**. Not only a marvelously gifted singer, she has the indescribable charm of face, figure and fascination that make her the ideal heroine of DeKoven and Smith's romantic story. Her appearance in other cities has simply been a succession of triumphs. The balance of the company is particularly strong in every part. The **Fortunio** this season is David Torrence, a high baritone of excellent method and strong dramatic powers. The chorus especially is rich in beauty, voice and figure. The scenery is new and the costumes more resplendently handsome than ever. Signor Tomasi, one of the best directors in the country, will lead a largely augmented orchestra. So for lovers of music: to those who delight in having the eye pleased while the ear is charmed; in fact to all who seek the picturesque and the wholesomely delightful in theatrical amusements, “The Fencing Master” presents itself at the Opera House Wednesday, Sept. 19th.
