fighting their way toward the Marne from Fere-en-Tardenois.

According to the statement, the enemy claims to have taken thirty-five thousand prisoners and a tremendous amount of booty in cannon and material.

The indications from official and unofficial reports are that while continuing his efforts to widen his salient, the enemy appears to be turning the main direction of his movement westward, doubtless with the intention of capturing the railroads connecting with Paris.

HEART MURMURS OFTEN NO BAR

Speaker at Medical Congress Says Many Men Are Fit for Service.

Hamilton, May 30.—That under the improved methods and standardization a large proportion of men suffering from heart murmurs and now not fit for active service would be rendered wholly or partially fit was the assertion of Dr. Lewellyn F. Barker of Baltimore, Md.

Some of the murmurs heard in the region of the heart are outside of the heart and are made by other organs. These, however, have no effect upon the men's capacity for military service," the speaker claimed.

The 28th annual meeting of the Ontario Medical Association, one of the associations participating in the Canadian medical week here, was held in the Royal Connaught Hotel this afternoon.

Man Die as They Live. "I have been asked how the brave men live and how the brave men die. It is very easy to describe. The brave men live as they die and die as they live."

WAR SUMMARY THE DAY'S EVENTS REVIEWED

In the heavy fighting in the Champagne yesterday, the French held up the enemy advance on their right and left wings, but they were unable to prevent him from advancing in the center and occupying Perre-en-Tardent and Vezilly.

Details of the fighting when closely examined show that the position of the French is not so bad as it looks on the surface, for they have succeeded in holding their flanks firm, preventing any further spreading westward on the outskirts of Soissons.

In this stupendous action, on which the fate of empires depends, the enemy has shown more method than in previous stupendous actions, for he first attempted to widen the neck of the salient and gained two miles laterally in the occupation of Soissons, and also a mile, perhaps, literally in his attempt to widen the neck of the salient.

Having got off with a fair start, the Germans are dropping everything else in a determination to exploit their initial advantage in the Champagne. In the first two or three days

General Foch had to beware of feints, and so had to wait until the enemy had fully shown his intentions. The dangerous portion of the battlefield is the western flank, for the enemy is showing his design of attempting to secure an advantageous line in the south so as to enable him to wheel westward and to widen the gap torn in the front line system of defences.

The German design as thus disclosed by his dash for the Marne reveals a plan which if successful would result in the decision of the war at one stroke. The forcing of the allies to retreat from the country west of Soissons under threat of an envelopment would result in tremendous destruction of war material and cripple their efforts for a year.

On the British front the Canadians have had an important raid at Neuville-Vitasse. These men now have a line apparently from Lens and Souchy to the Scarpe and also a company in the Dikchebusch Lake region. The French carried out a local operation, the results of which are not yet known.

Pretty Things to Wear

A Coterie of Blouses of the Practical-Picturesque Order; a Group of Misses' Wash Dresses Well Calculated to Make Girls Yearn for Summery Weather, and Certain Useful Articles From the Fancy Work Department That Will Appeal to Those Who Cleverly Ply Needle and Thread.

A. Have you ever possessed a blouse of striped crepe de Chine? If so, you'll know what a constant delight it is—so smart, interchangeable with many skirts, and not quickly soiled. Here is a model with good style to specially recommend it. Made with the new narrow vest effect and smart Tuxedo collar and cuffs of white crepe de Chine, it may be had with green, rose, blue, or black and white stripes. Sizes 34 to 42. Price, \$6.50.

B. Equipped with a prettily-fashioned Habutai silk blouse like this, a woman may do and dare many things in this workaday world. For it is extremely practical, will wash beautifully, and possesses a modish big collar and front. Sizes 32 to 46. Price, \$8.25.

C. The sort of blouse that the average woman finds irresistible—flimsy of material, fashionable in design, cut so that it sets beautifully, and a delight to behold and to wear! It is made of white Gorette, its panel front finely tucked and embroidered with blue and white beads and floral silk. Obtainable also in flesh, rose and moire. Price, \$7.50.

E. A dear little blouse of flesh-colored Gorette, with such a pretty, flilly front, which the lady should hide behind her rouse. The closely-pleated frills on collar, front and cuffs are edged with blue, and the infinitesimal tucks down the front are stitched with the same shade. The collar, by the way, is convertible, and very smart when worn high. Also available in white and flesh. Price, \$7.50.

D. A very novel effect in a Habutai blouse of the semi-tailored order, for it possesses a front, cross-tucked, for all the world like the shirts worn by our great-grandfathers. The quality of the silk is excellent, the blouse is well cut and finished, has the regulation shirt sleeves, with turnover cuffs, and you may depend upon its wearing well. In ivory. Price, \$6.50.

F. A demure-looking frock, this worn by little Miss Fourteen, and oh, so cool and summery! For it's made of Shanghai, fashioned in a mode that is very becoming to immature figures. Box pleats in long, straight lines, run from top to bottom in front, are held in position by a narrow sash, and the sailor collar is finished with a silk knot—green or blue to match the stitching on collar and pockets. The quaint button-trimmed panel at the back you may see in the sketch. Sizes 13 and 15. Price, \$7.55.

G. The artistic simplicity, the rather quaint Victorian air in the crepe-voile front of this pretty little dress will attract you if your inclinations turn towards simplicity. But you should see its charming coloring! It can be had in sunny, golden yellow, with big shawl collar of white organdy. This crosses over a round-necked front of tucked voile, trimmed with tiny pearl buttons. The giraffe falls in long knotted ends at the back, over the full skirt. Price, \$10.00.

J. A delightful version of the practical and picturesque gingham dress, so dear to the heart of Fashion, is worn by the lady above. The wide double collar of organdy, cuffs and points on the pockets of the same dainty material, supply a very crisp touch. Obtainable in blue and white, tan and white, and black and white. Price, \$6.50.

K. 'Twould be a joy to any girl who wants a very practical frock that is at the same time smart and attractive in color—this little dress of natural colored crash. The wide white pique collar, cuffs and very quaint pockets are banded with blue, and the belt is laced with blue cord. The skirt, as you may see, is pleated. Sizes 14 and 16. Price, \$6.75.

L. However hot the weather, in a cool, fresh-looking dress like this you'd feel fully equipped to meet it. The slip of white voile, made in smart semi-Princess style, has a sleeveless jumper in the more extremely fashionable Japanese crepe. This can be had in a delightful shade of pale green or gold. Buster Brown collar and cuffs and buttons match this jumper, the bow is of black silk, and the buckles on the narrow girdle of steel. Price, \$9.55.

Plates! Plates! Plates!

One of the most remarkable bargains in the China Department for many a long day, for the plates are all beautiful china, hand-decorated—in fact, they include specimens of some of the very finest china made by some of the foremost English manufacturers. Moreover, the variety is immense, so consider the opportunity that is afforded you of starting a new dessert or tea service at little cost, or even of adding to your old one, for it is more than likely that the design can be matched among this huge collection. It is a splendid chance, too, for lovers of harlequin sets, or for those who need extra cake or bread and butter plates. There are beautiful plates with deep blue, apple green or rose bands and etched borders; plates with colored borders with tiny gold damask designs; plates with raised white decorations in classic festoon style on grey or stone grounds; with wide cobalt blue or green borders broken by hand-painted floral medallions, sometimes also with floral centres; plates with pheasant and floral medallion centres; Frenchy-looking scroll and rosebud designs, and others too numerous to mention. There are some sets of 1 dozen and 1/2 dozen; others are sold singly, and if you're puzzled about wedding presents, here is a very happy solution. Reg. \$1.00 to \$6.50 each. Today, 50c to \$3.25.

Dainty Dresses for Tiny Tots and Babies

There's nothing that looks quite so nice on that dear baby of yours as a hand-embroidered frock. And think of the money you can save if you embroider it yourself—to say nothing of the interesting work with which such a task will provide you for summer days on the verandah!

There are so many designs in the Fancy Work Department that it's hard to know which to choose for description, but here are a few which may give you an idea of the assortment:

A little cotton repp dress, in sizes for 2, 4 and 6 years, made in simple kimono style, with slots marked for ribbon at the waistline, shallow yoke with a spray of flowers and scalloped neck and sleeves. Priced, according to size, at 80c, 90c and \$1.25. It can be had already embroidered in 4-year size at \$5.00.

A sweet little frock of fine white batiste, prettily embroidered down the panel front, trimmed with ribbon, neck, sleeves and hem edged with lace; can be had in 6-month size, already embroidered, at \$5.00, and with design stamped to work at 75c.

For the quite new baby is a long dress of fine nainsook, very prettily fashioned with wee tucks at the top, blue rosettes and sprays of roses down the front, having scalloped edges finished with lace. Price, \$7.00. The same design stamped for work is 90c.

Another long dress—a rather quaint design in nainsook, shows kimono shoulders, little tucks on either side the front, wee embroidered sprays between them and larger ones at the hem, the neck and sleeves being scalloped. This completed is \$7.50, or stamped for embroidery, 98c.

R. A pretty little frock of white pique, with kimono shoulders, the scalloped edges and the festoon embroidery in pale blue. The girdle is of wide black velvet ribbon. Size 4 years. Price, \$6.50. Stamped for embroidery, in sizes 2, 4 and 6, priced respectively at 80c, 90c and \$1.00.

FEWER EXEMPTIONS UP FOR HEARING

Proportion of Claims Granted is Greater, Reaching Nearly Two-Thirds.

Toronto exemption tribunals dealt with fewer cases than on the day preceding, but exempted a larger proportion of men than usual. Nearly two-thirds of the applications for exemption from military service were granted. Seventy-nine of the claims for exemption were allowed, 42 were refused and nine withdrawn.

A number of Thomas and farmers' sons were among those granted extensions of time before having to report to the colors, some being allowed to continue on their farms until the fall and some until the spring of next year. A number of foreigners, who had lost their passports, were also included among those exempted at yesterday's tribunals. Wm. J. Boyd of Weston, a Mennonite since 1915, appeared at the tribunal presided over by Sir William Mulock. The request for exemption was refused, but the judge said he would bring the case before the central appeal court.

ENGLAND PRAISED BY U. S. VISITOR

Samuel Harden Church Pays Lavish Compliment Before Empire Club.

Samuel Harden Church, president of the Carnegie Institute, Pittsburgh, addressed the Empire Club yesterday at its annual meeting. His subject was "The World's Debt to England," but he prefaced it by some remarks on the contribution of Canada to winning the war, complimenting the Dominion for her services. He used to love his country best, he said, but now he loved humanity more and he did so because his country stood for human-ity. Since the war began the religions of the world were coming together. As an illustration he said he had had a letter from a Jewish student at the front in France, written on Y.M.C.A. paper and mailed in a Knights of Columbus envelope. He thought that was another wonder of the world. The first three casualties in the United States army were Enright, Samaan and Hay. Enright of Pittsburgh was a Roman Catholic and the other two were Protestants.

Message for Mayor. Mr. Church said that Major Hilliard Lyle, an instructor in the U. S. forces who was wounded at Vimy Ridge, gave him a message for Mayor Church, who had the same name as himself. It was a time, he thought, when the Churches should get together. Lieut. McCollum, with a familiarity which he said he would not dare to venture on, said to him, "The Tommy Church—he won't remember my name,—but tell him I'm the guy that took him up in an airplane."

Charges "Dead-Set" Against Official. No decision was given by the Ontario License Board yesterday after hearing F. J. Hughes, counsel for License Inspector Greer, review the evidence concerning the motor car accident on the Markham road, when it was alleged the inspector was under the influence of liquor. The board was not interested in the relation of William Sanderson to the occurrence, Mr. Hughes went into the case very fully and maintained that much of the evidence that had been given at the enquiry conducted by J. A. Aysarrat, chief license inspector, at Markham, had been the statements of excitable people, who might be termed extremists. In his opinion there was undue keenness to prosecute, and he re-ferred to evidence substantiating this claim. It was public knowledge that the public was always more eager to prosecute public officials should the opportunity arise.

Flight-Lt. Heintzman's Funeral on Saturday. Flight-Lieutenant T. H. Heintzman, who was killed in an airplane accident at Camp Mohawk, Deseronto, on Wednesday, will be buried with mili-tary honors from the family residence, 482 Avenue road, on Saturday. Deceased was a son of Mr. Herman Heintzman, vice-president of Heintzman & Co., Ltd., and before enlisting in the flying corps he was assistant superintendent of the company's large factory at West Toronto. He was an expert plane builder, and his loss will be greatly felt by the com-pany. Personally he was of a most happy and cheerful disposition, making friends wherever he went, and exerting an excellent influence over his associates. He was an instructor at Camp Mohawk, and in his death there passes away the last of the young men in his class. The funeral will be to the new mausoleum at Mt. Pleasant. The head offices and store in Toronto and the twenty-five branch stores of the company thruout Canada, from Vancouver to Xanover, will be closed until after the funeral, out of respect for the deceased.

To Fly Across Lake. A spectacular airplane flight will be held in connection with the visit of the Duke of Devonshire tomorrow to the aerial gunnery school at Beams-ville. A squadron of at least ten air-planes will leave Leaside aviation camp and fly across Lake Ontario to the Beamsville aviation centre. It will be a flight of about 50 miles in length. The airplanes taking part are to be mostly the "Lif" machines which were donated to the Royal Air Force by Canadian cities and institutions thru the Canadian aviation fund, of which Col. W. H. Merritt is honorary secretary.

Attending London Conference. Rev. Dr. James E. Endicott, super-intendent of foreign missions for the Methodist Church of Canada, is in Quebec this week attending the Lon-don conference. He leaves for Ottawa on Saturday night, to remain over the week end, preaching in the Dominion Methodist Church on the Sunday.

Chief Librarian Speaks. Dr. George H. Locke, chief libra-rian, delivered an address on "The Library and the Community" to the Kiwanis Club at its weekly luncheon at the King Edward Hotel.

STOMACH TROUBLES ARE DUE TO ACIDITY

Tells Safe, Certain, Speedy Relief for Acid Indigestion.

So-called stomach troubles, such as in-digestion, gas, sourness, stomach-ache and inability to retain food are in a large number of cases due to the stomach secreting too much acid. The trouble lies entirely in the excess development or secretion of acid. Gas distends the stomach and causes that full, oppressive, burning feeling sometimes known as heartburn. The acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the excess development or secretion of acid. To prevent this souring of the food contents of the stomach and to neutralize the acid, and make it bland, a powerful and safe remedy is needed. This is a powerful and safe remedy is needed. This is a powerful and safe remedy is needed.

Belgian Denounces Prisons. Says He Learned All He Knew of Crime in Them. On four charges Leonard Wintgepe, a Belgian, who recently broke out of the Toronto jail after brutally assault-ing Guard Charles Spanton, was yesterday committed to the penitentiary for four years when he appeared in the police court. When asked if he wished to make a statement the prisoner in fairly good English said: "Many years ago I knew nothing about crime, and had no desire to get my parole. I was under the evil influence of the men I know about crime. I wish to say, sir, that your penal institutions are criminal col-leges. I ask clemency."

ASK TIME EXTENSION FOR ISSUING PAPERS. There is no let up to the demand for birth and marriage certificates at the offices of the registrar-general for Ontario at the parliament buildings, and because of the apparent impossi-bility to get all certificates out by June 1 it is expected representations will be made to the military authori-ties in the Ontario districts to allow consideration to those who have ap-plied but have not received their papers. Hundreds of applications are being received from people who were born outside the province, but these can-not be supplied because the depart-ment can only attend to those who were born in Ontario and whose birth was registered. The same applies to marriage. Registrations do not date beyond 1917. Many applications have come from persons unaware of the fact that marriage certificates issued by a minister at the time of marriage will be accepted by the authorities.

Change in Banking Hours June 1st. On and after June 1st banking hours will be: 9.30 to 2.30; Saturdays 9.30 to 12.00. This arrangement will give the staff more time to complete the large amount of work which cannot be taken up until after the office is closed to the public.

Special Services Discontinued July 1st. Certain services must of necessity be discontinued, for a time at least. On July 1st banks will discontinue receiving payments for tax bills and the bills of gas, electric and other public service corporations. The banks desire to render all essential services including many special ones arising out of the war. In order to do this they make this appeal for co-operation in the manner suggested above.

The Canadian Bankers' Association

Invites the Co-Operation of the Public on Behalf of the Banks

Staffs Heavily Reduced by War

MORE than half the men in the banks of Canada are now on military service, and the number which remains is being steadily reduced.

Women clerks have been employed in thousands and have done splendidly, but they have not the experience of the men they replace. It would be out of the question to expect them to work as rapidly or with the same knowledge of banking as officers of many years training in the profession.

The drain upon the number of experienced officers has now reached a point where it is necessary to ask the public to take into consideration this decrease in efficiency, and to lighten, as far as they can, the burden thus thrown upon those left to run the business. Canada was never so busy as now and the volume of banking business is greater than ever before.

How the Public Can Help

Transact your banking business in the morning as far as possible, and as early as possible. Try to avoid a rush at closing time. Do not draw any more cheques than are absolutely necessary. Instead of paying small accounts by cheque, draw the money in one amount and pay in cash.

R. J. FLEMING IS MADE NEW SCHOOL PLUMBER

Members of the property committee of the board of education were impec-tuous for a moment when Supt. Blahop announced that he had appointed R. J. Fleming as the board's new plumber. "Not the street railway manager," said Dr. Caroline Brown, chairman of the committee. Only the same name, said Mr. Blahop, but it was apparently a name to conjure with as the new "R. J." was chosen out of a list of 25 applicants. Dr. Noble asked if the appointment was on the hour basis or permanent. Being told that it was on the hour basis Dr. Noble said the trustees wanted a permanent appointment of one or more plumbers as the plumbing firms had bled the board white. His motion that the board add R. J. Fleming, plumber, to the permanent staff, was sent to the board with the un-animous support of the committee. Tenders were let for various por-tions of the annex to Perth avenue and the annex to Queen.

Aching Head, Pains in Back

Heart Action Was Weak and Nerves Greatly Exhausted—Now in Extra Good Health.

Tweed, Ont., May 29.—This is a cheering letter from Mrs. Wagar, because it describes the condition in which many women find themselves and tells how they were cured. Once the food cure was resorted to the system was gradually and organically built up and reconstructed. The old symptoms disappeared, because the reason for their existence had been overcome. It is well worth while to give Dr. Chase's Nerve Food a trial when such results are obtained.

LAYING OUT LAND.

Building Operations Soon to Start on Glen Stewart Property. Speight and Van Nostrand, surveyors, were engaged yesterday afternoon, in laying out the land on Innesworth avenue, at the head of Hammersmith avenue, for Messrs. Cox and Cumming, agents for the Glen Stewart property, who will erect five houses on the property. The lots are all 30 feet wide, and 150 feet deep with a 12 foot lane at the north side. There will also be a 12-foot lane laid out to the east, for the benefit of some houses that are to be erected facing the Glen Stewart ravine.

EARLSCOURT VETERANS ARRANGING PARADE

The executive committee of the Earlscourt branch of the Great War Veterans' Association, held a meeting last evening to arrange definite plans for holding a parade on Sunday, June 9, at Prospect Cemetery, in memory of Earlscourt soldiers who have fallen in action. Major R. H. Barclay will be in charge of the parade. The parade will be made which will be placed on the graves, and the men will march to Earlscourt Central Methodist Church, where a memorial service will be held in addition to one at the grave. An invitation is to be sent to all members of the Earlscourt branch of the Earlscourt Veterans' Association to meet at the graves of the Earlscourt soldiers who have fallen in action. The wreath will contain the following inscription: "We promised not to neglect the dead and mothers who are left to carry on."

PUPILS CELEBRATE.

In connection with "Queen Mary's" school, West St. Clair avenue, held a celebration yesterday afternoon. Three hundred and fifty pupils of the school, each carrying a flag, marched around the school grounds, accompanied by their singing, and patriotic songs, including "O Canada."

WEST TORONTO GIRLS CLOSE SEASON'S WORK

The physical culture exhibits given Tuesday and Wednesday evenings by the West Toronto branch of the Young Women's Christian Association practically closed the work for the season, but some of the senior clubs will continue to meet frequently and are planning to spend as much time as possible at the association's "School of Physical Culture" for five years ago the work in West Toronto was begun in two small rooms, which it occupies since the new building was secured. The work has been advanced under Helena Wrighton's supervision that this spring increased attendance was again found necessary, and new offices have been added. A girls' work secretary has been secured for next year, who will devote part of her time to the younger girls in West Toronto. An interesting feature is the self-governing clubs for high school and young employed girls who come directly from work for a club fee. The clubs are supervised by a business meeting and gymnastics and other constructive activities directed by the girls themselves. Such as choral singing, Bible study and Red Cross work. For amusements they choose such things as athletic contests and games of all kinds of games, charades and amateur theatricals. The high school girls have confined their interests to physical culture and Bible study. Here, as elsewhere in the association, the girls are encouraged to promote real Bible study, upon which some score of girls have successfully taken an examination recently.

IS NOW ABLE TO STRAIGHTEN UP

Had Rheumatism So Bad Was Nearly Helpless—Tanlac Overcomes Trouble.

"If you had seen me playing football yesterday with the rest of the boys you'd never have thought I was the same chap a year ago. I had an expert machinist, holding a responsible position with the John Inglis Co., Ltd., and before coming to Toronto I was for ten years foreman at the Canadian Steel Foundries, Ltd., of Montreal. "During the past three years," he continued, "I had rheumatism so bad that I was obliged to give up my old position that I had held for ten years. A little over a year ago I had an acute attack that laid me up for three solid months, when I was totally unable to do a thing. The trouble was right in my back, which would feel so stiff and sore that I would get up in the mornings that I could hardly raise myself up, and would have to roll over sideways to get out of bed, and even then I was not able to get up without my clothes. I was all drawn over like a very old man, and if I tried to straighten up or bend way over to the right or left, it would be like a sharp knife was sticking in my back. Many a time after going to bed I would suffer such agony that I was unable to get a minute's rest, all night long. I was treated by specialists, and had my back massaged time and again, I could get no relief. When I began to read the statements about Tanlac made by so many reliable people I decided to try it, too, though I had little hope that it would benefit me any. Well, sir, by the time I had finished my second bottle I could see a decided improvement. I have been taking Tanlac now for some time, and firmly believe that it is the only thing that has kept me on the job. I never had a bit of trouble with my back, the pain and stiffness are completely gone, I never notice any tingles or rheumatism, and feel just as supple as I ever was. It is so trouble for me to bend over at my work, and my back is as straight as anybody's. I feel just as sprightly in every way, and can hold my own in the game when out playing or tussling with the boys. Tanlac has done me more good than all the other medicines I have ever used, and I can't say it is any too much in its praise. "Tanlac is sold in Toronto by Tamblyn Drug Stores and by an established agency in every town.—(Advertisement.)

MASQUERADE PRIZES.

Morrow; original, men, Rex Orr; comic costume, women, Mrs. Stafford; comic costume, men, J. Hutchings.

KNOCKED DOWN BY MOTOR.

Rev. R. J. D. Simpson, pastor Danforth avenue Methodist Church, Danforth avenue, was knocked down by a motor car on Danforth street, last evening, sustaining bruises and a sprained foot and ankle. Dr. A. M. Bell, Danforth avenue, rendered medical attention and ordered complete rest for several days. The accident took place near the intersection of Danforth and Mackenzie avenues about 5 o'clock, when the car, in rounding the corner, ran onto the sidewalk.

RETURNING OVERSEAS.

Flight Lieut. James Freeman, R.A.F., Deseronto, who was recently married to Miss Mary Freeman, 183 Dundas street, at Glenmount Methodist Church, will shortly leave for overseas. His wife, who is engaged in the Dominion Bank, Danforth and Logan branch, which is employed as draft clerk, while her husband is away, will have the supervision of the bank. Mr. Freeman is a nephew of Mr. and Mrs. John Baker, Harvie avenue, Earlscourt.

TELEPHONE EXTENSION.

Bell Company Preparing for Growth in Danforth District. Owing to the rapid growth of the Danforth district, the Bell Telephone Company is making provision for greater extension of the system in an special extension. Gangs of men are engaged in laying underground conduits to carry wires to the houses in the district. The Danforth and Logan branch, which is employed as draft clerk, while her husband is away, will have the supervision of the bank. Mr. Freeman is a nephew of Mr. and Mrs. John Baker, Harvie avenue, Earlscourt.

WORK ON VIADUCT.

Laying of Concrete Roadbed is Well Advanced. A good solid roadbed of concrete eight inches deep is at present being laid on the Danforth side of the Bloor street viaduct, between the foot of the bridge to the corner of Broadview on the north side was nearly completed. The work on the Danforth side is making good headway, and the curb is completed from the foot of the bridge to Danforth avenue. Wood blocks are piled on this approach in readiness for laying the viaduct, which will be done in the winter. On the Rosedale side work of laying concrete and drains still continues. Several poles are being made than on the Danforth side.

INSPECTOR FINDS FISH AS WHISKEY INSULATOR

J. D. Orr, of Meadowdale, license inspector for the County of Peel, discovered a barrel at Clarkson marked "Codfish." On rattling the barrel the inspector was suspicious that the contents were not made by the ordinary codfish of commerce. The barrel was opened and was found to be filled with whisky. Beneath that layer was a box in which was found a cask of a compound that smelled of codfish. The inspector seized the barrel and also the name in the vicinity. Mr. Orr has been notified by the neighborhood with the idea of finding and prosecuting the offenders.

RURAL DEANERY SESSION.

Canon Walsh returned today from Caledon East, where, as rural dean, he held the services of the rural deanery ever held in the county. The next session of the choral service meeting will be held at the residence of the dean, Mr. Orr has been notified by the neighborhood with the idea of finding and prosecuting the offenders.

REAL ESTATE TRANSFERS.

Recent transfers of real estate in Brampton are: Mrs. Sweeney to Robert Nelson, returned soldier; Thomas Chant to Robert Kilpatrick, and May Rutledge to Thomas Chant. Mr. J. O. Rutledge of Cooksville has sold his property to Patrick J. Lampher of Brindale.

FIFTH UNION SERVICE.

The fifth union prayer service was held in Christ Church last night, with an unusually good attendance. Earnest prayers were offered for the successful issue of the present critical situation. At the close of the prayer service the annual meeting of the Brampton branch of the Mission to Lepers was held. Mrs. S. Deves, who reads poetry, and the account of the Brampton contribution last year was given. Mrs. Russell, a returned Presbyterian missionary, gave the account of her experiences among the lepers of India.

MARKET DISAPPOINTING.

The townspeople who went to the market Thursday were disappointed in the quantity of produce offered. It is the busy season for the farmers, and it is expected that there will not be much doing at the market for another ten weeks. This is the opportunity for the farmer to get thru the country, and at their own price, get what the farmers have to produce rather than have to take the trip to town, for every moment counts when he is so far.

MANY CARS AT BRAMPTON.

The people of the county have to go to the deputy-sheriff, C. E. McCollum, for their motor licenses. So far this season there have been issued 99 licenses. This does not include licenses for lorries or motorcycles, which have to be secured from headquarters in Toronto. At least half of these licenses represent new cars. Very few are issued for the district south of Streetsville, as the majority of the

EVEN BREAK WITH THE BISON MORNING FIXTURE WAS FARCE

Howley and Two of His Hirelings Chased for Ragging Umpires—Anderson Joins the Club and Makes Good—The Details.

Special to The Toronto Daily World.

Buffalo, N.Y., May 30.—Completely routed in the morning fracas when the Bison slugging corps sent them down to defeat, by a score of 6 to 1 in a farcical exhibition, Dan Howley's team came back in the afternoon with Hal Justus, the mainstay of the twirling staff, on duty, and squeezed out a victory over the home club by a count of 3 to 2. The holiday program was witnessed by 8000 people. The Leafs saved themselves from the zero end of the series by taking the afternoon contest, as the Bisons won the first two games. The morning victory was the seventh straight for the Buffalo outfit.

Ragged the Umpires.

Over three thousand people were on hand to witness the morning contest, and they saw a farcical exhibition which several times threatened to break up in a riot of the forfeiting of the game to the Bisons. Continual ragging at the umpires by the Toronto players resulted in Howley, Eddie Oslow and Bugs Herche being chased to the showers before the game was completed.

Get This One.

Buffalo boys who started their careers on the sand lots of the city contributed largely to the downfall of the Bisons in the afternoon encounter, as Andy Anderson, a former Central Depot player, who is now holding down a berth with Howley's outfit, crashed out a two-ply wallop, which scored two of the seal-talies, and he scored the other one himself.

Red Fisher, another of the Buffalo boys, played a big part in the Toronto triumph, driving out two hits and backing up Fitcher Hal Justin in sensational style. A corps of Fisher's admirers stepped to the plate when he went to bat in the third inning and presented him with a handsome traveling bag and several boxes of cigars.

Red was taken by surprise, but he managed to stammer a few words of thanks, and then rewarded his admirers with a safe hit to right.

Hal Justus, a former Bison moundman, seemed to take pleasure in rubbing it into his club, and his side-arm delivered had the Bisons waving inches away from the ball most of the time.

Jim Deviney pitched a mighty good game, and deserved to win, but Howley's mates could not come thru with men on the sacks.

One big inning sufficed to put the game in the freezer for Howley's crew. The fourth inning was the fatal one. Wagner started by beating out an infield hit. Thrasher followed with an easy chance, but the runner was called safe at second when Lynch had his foot off the bag. He then made a wild heave past first, and both men advanced another base. Anderson then smashed the pill to deep centre for a two-baser blow, and Wagner was called safe at second. The Bisons tried hard to tie the count during the remainder of the game, but only managed to get two runs across the plate.

was banished. Pitches Herche, incensed at the attitude of Westervelt, began tossing the ball to the batters, and for a time complete pandemonium reigned. Just as the game began to take on the aspect of a real contest, Red Fisher was spiked and another delay of ten minutes took place.

Bugs Herche, who had been called upon for a tour of duty at such an early hour in the morning, but at the last minute Howley decided to send him to the mound. He was welcomed by a salute tendered by the Bison heavy artillery men in the opening frame and he was a beaten hero before the initial session was completed, when four Bisons scampered across the platter.

John Ondrachak, pitching sensation of the Niagara University varsity squad, was given his first chance of the season. He displayed wonderful control with the aid of the crafty Chief Meyers behind the platter, and he had the visitors eating out of his hand.

Twelve men played in the Toronto line, but the best they could do was to secure four scattered hits off the delivery of the young collegian. An error by Shortstop Wagner in the first inning, started Bugs Herche on the road to ruin.

The long tally credited to the Howley crew, came in the eighth inning, when Bowman doubling to left, took the count during the remainder of the game, but only managed to get two runs across the plate.

DEMPSEY AND FULTON TO GO TWENTY ROUNDS

Will Meet at Danbury, Conn., on Big American Holiday—Articles signed.

Denver, Colo., May 30.—Jack Dempsey of Salt Lake City, Utah, and Fred Fulton of Rochester, Minn., today signed articles to meet in a 20-round contest to a decision at Danbury, Conn., on July 4.

The bout will be promoted by J. R. Mulvihill of Danbury. The amount of the purse was not made known.

The principals have agreed to allow ten per cent. of the gross receipts of the fight to be charities. Mulvihill announced arrangements had been made for motion pictures to be taken of the bout, and these will be turned over in their entirety to war charity societies. "Honest John" Kelly of New York City was named official stakeholder.

CARPENTIER EASILY BEAT THE AMERICAN

Great Crowd Watched Soldiers in Exhibition Bout in France.

That Georges Carpentier, the French heavyweight, has not lost his punching or boxing skill as a result of his three years' service in the army was conclusively demonstrated recently at the expense of an American boxer who took ring liberties with the French pugilist.

It was Sergt. Ray William of the American army who tried to rough it up with Carpentier in the first round of a boxing exhibition at St. Aignan, Loire-et-Cher. As a result William was knocked out in the second round, and the memory of that right swing to the chin will linger in Sergt. William's memory for years to come.

A crowd of more than 10,000 witnessed the athletic sports at St. Aignan, Gen. Cottet of the French army presided, with Brig-Generals Alexander and Votrub of the American army assisting. After Anderson had won the 100 yards in 0.12, the 220 in 0.28, and Steel had broken the tape for the mile race in 5.34, a four-round, or, rather, what was to have been a four-round, boxing exhibition was put on, with the French champion, Georges Carpentier, and Sergt. Ray William as the contestants.

Cheered by his friends among the spectators, William started with a rush into a knot, and Carpentier was loudly applauded as he went to his corner.

It was plain to all that Carpentier meant business when he stepped out for the second round. He feinted William into a knot, jabbed him lightly in the stomach with his left, which caused the American to lower his guard, and crossed his right to the chin, and William went down and out. The round had lasted 0.10.

After William came to, he shook hands with Carpentier, and said: "I got mine. I am satisfied." Later he explained to a friend that he understood now why they spelled it "Georges." "There are so many of him," he said.

NOT EVEN RIPLE OF DISSENSION OVER I.O.D.E. ELECTIONS

Contrary to Forecasts, Everything Passed Off Smoothly Yesterday.

APOLOGIES ARE MADE

Hissing of Previous Day Deplored by Officers of Order.

Despite forecasts to the contrary, one of which promised a "bottle royal" when the election of officers should take place at the meeting of the Daughters of the Empire yesterday afternoon, not even a ripple on the surface occurred at this part of the proceedings to make good the somewhat premature prophecies. When the hour arrived at which the momentous decision of a president for the big organization which represents something like 60,000 members and 700 chapters, was to be made, the list of 40 newly-elected councillors was read from the platform, the holders of the names filed out and into an adjacent room, and for an hour or more they carried on the work of electing the officers. At the close they returned quietly to the general meeting, the names of the officers were read and the ordeal was over. A great burst of applause greeted the name of Mrs. A. E. Gooderham as the re-elected president, and the remaining officers were received with satisfaction, tho it was regretted by any of the Toronto members that a name of Mrs. Wilson, who had been a number of years had been so active a figure in the work of the municipal chapter as its regent, had not in some way appeared upon the list. The fact that Mrs. Wilson was not able to be in attendance at the meetings thru indisposition, was probably accountable for the omission.

Apoegy to Lady Pope.
With reference to the disagreeable episode of the preceding day, an apology was tendered Lady Pope when Mrs. Gooderham said: "While there is a report that the executive favored the feeling that was given vent to at yesterday's session against Lady Pope, I wish to most emphatically say this is not true. The executive cannot be responsible for the general action of the meeting, but I feel justified in expressing for every member present my sincerest regret that any hissing took place." Lady Pope accepted the explanation in the spirit in which it was offered.

The question of retaining affiliation with the International Council of Women because that body still retains the women of Germany and Austria in its membership was brought forward by Mrs. George H. Smith, national educational secretary. A resolution regarding the subject was given to the committee and resolutions to be dealt with later.

One of the most interesting reports, that of Halifax, was given by Mrs. Sexton, who described the horrors of the recent tragedy in a most graphic manner. Mrs. Sexton told of the splendid work of the daughters, who, thru their own efforts, raised \$25,000 for the relief of the victims. A scheme in connection with Halifax is to erect a home for the crippled and mentally deficient, and for this Mrs. Sexton asked the co-operation of the Daughters of the Empire throughout the Dominion.

The report on "Echoes," the official organ, was read by Mrs. Hamilton Burns, showing that the receipts had been \$2,812.17 and a balance on hand of \$125.28. Mrs. Burns made an appeal for circulation for the magazine.

On account of the war, the president announced, nothing had been done in connection with the South African travels, upon which a report had been expected.

Some Plans Adopted.
While the councillors were out electing the officers Miss Elizabeth Dixon, president of the Municipal Chapter, was in the chair, and on the report of one of the delegates invited those present to tell of any plans that had been adopted for the raising of money for patriotic purposes. Many interesting results were then reported. One which took the fancy of the meeting was that told by Mrs. Vein, of Dresden, not far from Chatham. Her chapter, consisting of 120 members had rented a store and painted it white, the women themselves doing the painting. Then they had obtained a license and set to work in keeping a restaurant. They succeeded so well that they had \$150 clear for the work of their chapter. This in a town of 1,000 people, in the course of business had been run up and asked by an ice cream dealer if they would put up the price of the dish from ten cents to fifteen. In return she asked: "Are you not making enough now?" The chapter stuck to their price and made money.

Lady Pope told of great work done in Ottawa this collection of waste paper, by which the I. O. D. E. there had made \$8,000. The children of Lethbridge, Alberta, were described as self-sacrificing. "It is considered a disgrace for a child to be seen eating candies or chewing gum," was the report given by the delegate from that part. Hamilton raises money to a large extent thru Sunday collections. The men also help thru a large organization which buys material wholesale, the women buying from them. Waterloo Chapter told of raising \$1,000 thru a "rummage sale" and Woodstock thru an amateur play had realized \$1,200; a "bottle campaign" was reported from another source, and a selling hospital had realized \$1,600. Other plans for raising patriotic funds were detailed.

Mister Brought Up.
The ripple that had been expected at the time of the election of officers came late. The meeting had just adjourned when Mrs. Colin Campbell, of Winnipeg, asked to speak. She was reminded that the meeting had closed, but her plea was so insistent that the president made no further resistance until Mrs. Campbell began to read a letter which had been written seven years previously. Mrs. Camp-

TRANSPLANTING.

This is a good time for transplanting and much care has to be exercised in bringing up tender growths out into the open air. Cabbage, cauliflower, Brussels sprouts, celery and tomatoes should be purchased, rather than grown from the start in the amateur's garden. When buying plants care must be taken to see that there is plenty of soil in the box and that there is a large root system.

Work swiftly in the garden, making the holes with the hoe or with a round stick. When the plants have been placed in the hollows press the soil just enough to give the roots thoro contact with the earth, allowing no air spaces to remain under the surface. A cloudy day or just before nightfall is the best time for transplanting.

If the gardener has started his own plants indoors in seed boxes or pots they should be "hardened off" before being sent out in the garden. That is to say, they should be placed at open windows and given less and less water until they are finally taken out. The boxes must not be allowed to become so dry that the plants wilt, however. After a few days the plants can be left outdoors uncovered all day and even on mild nights. Then they are ready for transplanting. The hardening process requires but two weeks.

bell prefaced the reading by asking if she had understood Mrs. Gooderham on the previous evening as having said there should be no communication between one chapter and another. Mrs. Gooderham repeated what she had said to the effect that in her opinion it was not right for chapters who had any dissatisfaction to spread that amongst others but to lay their case at once before the head office.

Mrs. Campbell then read the letter, at first with some opposition from the meeting, until someone rose and said: "It is but common courtesy to allow Mrs. Campbell to read her letter." The reading was then continued, giving a legal opinion which had been obtained from Beaty Blackstock and forwarded by Miss Constance Boulton, which was to the effect that a chapter was guilty of no impropriety in communicating with others and that "it should not be the right of any officer to keep them from the business of those whose servants they are." Mrs. Campbell explained that it was because she was interested in the proposed new constitution that she wanted inter-provincial communication, and she desired to do things in accord with ethics and the constitution of the order.

Miss Boulton Replies.
Miss Constance Boulton asked for permission to reply, as her name had been mentioned in connection with the letter. She explained that at the time legal advice had been asked and she had forwarded the letter, that she was regent of the Chamberlain Chapter, that the letter was not then as large as now, but that her chapter desired that all regents be on the national executive. The national executive of the order had refused to send this petition to the other chapters, and it was only after the refusal that they had taken the matter into their own hands and sent the resolution to the other chapters. She thought the head office of today would send out any resolution and that all such communications should go to the head office. Mrs. Campbell said it had been a good thing to bring up the old trouble, which should have been surdled, as she had surdled it.

At the close of the episode Mrs. Gooderham remarked that sometimes things were unparliamentary which at other times were accepted as all right. The evening session took the form of a reception given by the executive in the galleries of the Grange.

Election of Officers.
The officers for the coming year are: President, Mrs. A. E. Gooderham, who was returned to office for seventh term; vice-presidents, Mrs. E. F. B. Johnston, Mrs. Riddell, both of Toronto; Mrs. McLimont, Quebec; Mrs. Hassell, Victoria; secretary, Mrs. MacMillan; treasurer, Mrs. John Bruce, for a nineteenth term; educational secretary, Mrs. George H. Smith, St. Catharines; organizing secretary, Miss Constance Boulton; standard bearer, Mrs. H. R. Fraser. Councillors elected were: Mrs. A. E. Gooderham, Mrs. John Bruce, Mrs. George Smith, Mrs. Angus MacArthur, Mrs. E. F. B. Johnston, Mrs. Constance Boulton, Mrs. Hassell, Mrs. Auden, Mrs. W. D. Spence, Mrs. P. D. Crerar, Mrs. R. S. Wilson, Mrs. F. H. Sexton, Mrs. Ira McKay, Mrs. R. R. Moggan, Mrs. W. C. Hodgson, Mrs. E. B. Riddell, Mrs. E. H. Burkholder, Mrs. C. Campbell, Mrs. H. C. Drummond, Mrs. A. A. McDougall, Lady Kingmill, Mrs. A. D. Bowley, Mrs. H. R. Fraser, Mrs. Henry Joseph, Mrs. Wallace Nesbitt, Mrs. G. G. Van Wart, Mrs. W. J. Boyd, Mrs. David Law, Mrs. J. C. McLimont, Mrs. Ambrose Small, Mrs. J. Murray Clarke, Mrs. D. Wolfe, Mrs. D. C. McNaughton, Mrs. J. A. Stewart, Mrs. D. Miller, Mrs. H. Stephens, Mrs. C. H. Mills, Mrs. E. A. Smith, Madame Chase Casgrain, Mrs. J. S. Campbell.
