An analysis of their properties show that these pills are an unfalling specific for all troubles arising from an impoverished bloot, such as loss of appetite, depression of spirits, anaemia, chlorosis or green sickness, general muscular weakness, dizziness, loss of memory, locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus' dance, the after effects of la grippe, scrofule, ctronic, erysipelas, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, supsystem, correcting irregularities, suppressions and all forms of female weak. ness, building anew the blood and restoring the glow of health to pale and storing the glow of h storing the glow of heath to pate and sallow cheeks. In the case of men they effect a radical cure in all diseases arising from mental worry, overwork or excesses of any nature. These pills are penses, \$150, and \$500 for printing his official Rep not a purgative medicine. They contain only life living properties and nothing that couli rejute the most delicate Mr. P.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper printed in red ink. Bear in mind that Dr. Williams' Pink Pills are never sold in any other style of package, and any dealers who offer substitutes is trying to defruid you. Ask for Dr. Williams' Pink Pills for Pale People and the importance of having these amounts paid promptly as soon as the amounts paid promptly as soon as the refuse all imitations and substitutes.

years had its headquarters in New according to the usual scale. Orleans was a fruitful source of Mr. Sivewright.—I believe myself that tine demoralization to the whole of the United the government were too economical in Tampa but it does not seem likely to succeed in its new home. The postmasters at all the principal American cities along the Canada border were last month forbidden ly Postmaster General Bissel to certify money orders payable to anyone connected with the lottery

mail for Honduras shall be sent to Tampa. All such mail must be sent directly to New Orleans and thence to

hearts they were in favor of the principle of the legislation they now condemned. He thought the object of the asylum should be to care for dangerous patients, and that it was not correct that the pauper insane should be sent there. The bill of last year did not impose direct taxation, for it gave the municipalities the choice of sending the pauper patients there or keeping them at home. There was one section of the bill that he did not approve of. The classification of patients should not rest with the medical superintendent, although he had every

Mr. Pitts said it was quite evident the policy of the government, for while the municipal councils were raising Cain and the attorney general was taking back water by writing letters to them, Dr. Steeves was sitting down writing a seport that the municipalities should be thoroughly dosed with direct taxation. He (Pitts) did not agree with the view of some members of the opposition that Dr. Steeves was a successful superintendent. Public sentiment in St. John was that there was maladministration in that institution. The public had lest confidence in that official and it would confidence in that official and it would be a wise thing for the government to secure a medical expert to displace that gentleman. He believed that all classes of it and should go to the asylum and that the proper way out of present difficulties was to reduce the cost of maintaining that institution.

The item passed. The item of \$4,000 for encouragement of dairying passed without opposition, and further consideration of supply was

This wonderful Nervine Tonic has only recently been introduced outh American Nervine Tonic, and yet its great value as a curative gent has long been known by a few of the most learned physicians, The have not brought its merits and value to the knowledge of the

This medicine has completely solved the problem of the cure of indiestion, dyspepsia, and diseases of the general nervous system. It is so of the greatest value in the cure of all forms of failing health from hatever cause. It performs this by the great nervine tonic qualities which it possesses, and by its great curative powers upon the digestive regans, the stomach, the liver and the bowels. No remedy compares with this wonderfully valuable Nervine Tonic as a builder and strengthher of the life forces of the human body, and as a great renewer of a broken-down constitution. It is also of more real permanent value in he treatment and cure of diseases of the lungs than any consumption medy ever used on this continent. It is a marvelous cure for nerv eusness of females of all ages. Ladies who are approaching the critical eriod known as change in life, should not fail to use this great Nervine onic, almost constantly, for the space of two or three years. It will arry them safely over the danger. This great strengthener and curaive is of inestimable value to the aged and infirm, because its great nergizing properties will give them a new hold on life. It will add ter

Consumption of the Lungs, Catarrh of the Lungs, Bronchitis and Chronic Cough, Liver Complains. Chronic Diarrhea, Delicate and Scrofulous Children, Summer Complaint of Infants.

All these and many other complaints cured by this wonderful Nervine Tonic.

#### NERVOUS DISEASES. As a cure for every class of Nervous Diseases, no remedy has been

to compare with the Nervine Tonic, which is very pleasant and roless in all its effects upon the youngest child or the oldest and most individual. Nine tenths of all the ailments to which the human is heir are dependent on nervous exhaustion and impaired diges.

When there is an insufficient supply of nerve food in the blood, a neral state of debility of the brain, spinal marrow, and nerves is the sult. Starved nerves like starved muscles became attentions. sult. Starved nerves, like starved muscles, become strong when the ht kind of food is supplied; and a thousand weaknesses and ailments sappear as the nerves recover. As the nervous system must supply all e power by which the vital forces of the body are carried on, it is the est to suffer for want of perfect nutrition. Ordinary food does not conin a sufficient quantity of the kind of nutriment necessary to repair e wear our present mode of living and labor imposes upon the nerves. or this reason it becomes necessary that a nerve food be supplied. his South American Nervine has been found by analysis to contain the sential elements out of which nerve tissue is formed. This accounts r its universal adaptability to the cure of all forms of nervous de-

A SWORN CURE FOR ST. VITAS' DANCE OR CHOKEA.

CRAWFORDSVILLE, IND., June 22, 1887.

My daughter, eleven years old, was severely afflicted with St. Vitus' Dance. Chorea. We gave her three and one-half bottles of South American Nerse and she is completely restored. I believe it will cure every case of St. us' Dance. I have kept it in my family for two years, and am sure it is greatest remedy in the world for Indigestion and Dyspepsia, and for all as of Nervous Disorders and Failing Health, from whatever cause.

John T. Mishtate of Indiana, Montgomery County, \} 88:

NDIGESTION AND DYSPEPSIA.

The Great South American Nervine Tonic

high we now offer you, is the only absolutely unfailing remedy ever dowered for the cure of Indigestion, Dyspepsia, and the vast train of the human stomach. No person can afford to pass by this jewel of incallable value who is affected by disease of the stomach, because the extractive and testimony of many go to prove that this is the one and trouble. He tried many remedies, but all failed until 1e got Hawker's Catarrh cure, three 25c. packages of which effected a cure. "I can admired by young and old. Pleasant manners, good deeds, and a loving sympathizing heart is reflected in the face, is heard in every tone of voice, and lends grace and digrity to the form. These graces are far more attractive and lasting a good, strong band, and have meetly suppose I ask one or two boys to go with me? I hate to go alone, and maybe they will sign too.'

That will be fine. Perhaps there can be enough found to form a good, strong band, and have meetly supposed the suffering from this very troublesome than a pretty face. Ever hopeful, buoyant in spirit, care and trouble and horses." no case of numalignant disease of the stomach which can resist the prderful curative powers of the South American Nervine Tonic.

cured by using Hawker's Catarrh C Harrier E. Hall. of Waynetown, Ind., says:

Now my life to the Great South American
rvine. I had been in bed for five months from
selecter an exhausted stomach. Indigestion,
gyous Prostration, and a general shattered
hopes of getting well. Had tried three docis, with no relief. The first bottle of the NervTonic improved me so much that I was able to
selk about, and a few bottles cured me entirely,
celleve it is the best medicine in the world.

No remedy compares with South American Nervine as a wondrous cure for the Nerves. No remedy comares with South American Nervine as a wondrous cure for the Stomach. No remedy will at all
to indigestion and Dyspepsia. It never fails to cure Chorea or St. Vitus' Dance. Its powers to
