REV. GEORGE E. ORSER.

Rev. George Elijah Orser, for 41 years a well known ordained minister of the Primitive Baptist denomination, died at the home of his daughter Mrs. William F. Cogswell of Fort Fairfield, Wednesday, September 29, at 2:15 P. M., aged 82 years and one month. He had been sick since the first of July.

At the late home, on the Center Limestone road, at 10:00 o'clock Thursday morning is held a short prayer service over the body, which will be taken on the 1:14 train of the C. P. R. to Lower Wakefield, where, in the Primitive Baptist church, in which he had preached so many times, will be held the funeral at 10:00 o'clock Friday morning. Interment will be made in Hartland by the side of the mortal portion of his wife.

Mr. Orser was born in Hartland, August 31, 1833, son of the late George W. Orser and Carrie Shaw. A twin brother died in infancy. Mr. Orser never had sisters.

The deceased had lived in Fort Fairfield for 37 years, the last 15 at the home of his daughter Mrs. Cogswell. In early manhood he had married Margaret Mallory of Jacksonport, who bore him five children, as follows: Mary (Mrs. Cogswell) and Jane (Mrs. Chas. A. Hooper) of Fort Fairfield; Lois (Mrs. Fred Clark) of Boston; Whitefield W. of Maplegrove; David of Mattawon, Michigan.

By a striking coincidence, Mr. Orser's death occurred just 12 years after that of his beloved wife, almost to an hour. It may further be remarked here, as an interesting coincidence somewhat connected with this, that his death was almost precisely 30 years after that of Elihu Cogswell of Pembroke, father of W. F. Cogswell, Mr. Orser's son-in-law.

Converted to Christianity at the tender age of nine years, Mr. Orser always endeavored to walk as became a Christian, and labored long and lovingly for the cause. Only a few hours before his death, confident and happy in his faith that all would be well with him in the hereafter, he exclaimed in the words of the great apostle: "I have fought a good fight I have finished my course, I have kept the faith; henceforth there is laid up for me a crown of righteousness which the Lord, the righteous judge, shall give me at that day; and not to me only, but unto all them also that love his appearing."—Fort Fairfield Review.

Brown—Hovey

The residence of Mr. and Mrs. Robert Hovey, Lower Greenfield, was the scene of an interesting event on Wednesday last when their daughter Eva Jean was united in marriage to Fred K. Brown of Lower Brighton. The ceremony took place at 12 o'clock noon in the presence of the relatives and immediate friends of the contracting parties. Rev. Geo. A. Ross was the officiating clergyman. The bride, attired in a beautiful gown of fawn moire silk entered the parlor to the strains of the wedding march played by Miss Vida Hamilton. She was unattended. Following the ceremony the assembled company sat down to an enjoyable dinner which did full credit to the occasion. During the afternoon the young couple took their departure by carriage for their new home at Lower Brighton. The bride who has been a school teacher in different places in the county is held in high esteem by a large circle of friends. They all feel that Mr. Brown is to be congratulated in having carried off such a prize.

She will be much missed. Interest in the young couple was fully evidenced by the large number of presents received from invited guests and others. Warm wishes for their future happiness follow them to their new home. They will reside at Lower Brighton where the groom is the proprietor of a prosperous farming business.

FRANCHETTE-SMITH

St. Luke's church at Woodstock was the scene of a pretty wedding early Saturday morning, when Miss Lucinda E. Smith, formerly of Woodstock, was united in marriage to Rev. Nicolo Franchette, of Hartland. The ceremony was performed by His Lordship Bishop Richardson, assisted by the rector, Rev. A. S. Hazel. The bride wore her traveling dress of navy blue cloth trimmed with old lace, with hat to match. She was given away by her brother-in-law, Percy Graham, manager of the Bank of Montreal at Hartland. The church was beautifully decorated for the occasion with white astors, phlox and chrysanthemums. Rev. Mr. Franchette and Mrs. Franchette left on the morning express for a tour through parts of New Brunswick and Nova Scotia. On their return they will reside in Hartland. Many beautiful presents were received.

Florence Levene

The home of Mr. and Mrs. Frank Levene of Plaster Rock on Sept. 20 was made sad by the death of their only daughter, Florence, at the age of 5 months and twenty-four days.

The little one's sickness was of short duration. Although everything possible was done to relieve her, she suffered much and passed from this stage of action into the spiritworld.

Funeral service was held in the Primitive Baptist church, and conducted by Rev. A. Hatfield, assisted by Revs. C. S. Young and E. H. Giberson. The little body was carried by six little girls dressed in white.

Interment took place at Lyn-ton Corner Cemetery.—Contributed.

Lee-Demerchant

At the residence of Mr. Roderick Lee, Kenneth, on Wednesday, Sept. 29, his youngest daughter, Miss Effie, was united in marriage to Mr. Wallace DeMerchant of Bath. Rev. N. Franchette of Hartland tied the nuptial knot in the presence of a large number of guests. The bride was becomingly gowned in cream satin de chene with front of allover lace and wore a richly embroidered veil. After the ceremony the company sat down to a sumptuous wedding dinner. There were many presents of value and usefulness. The young couple will reside in Bath.

A Black Deer.

Thomas F. Allen, Superintendent of the Tobique Salmon Club, states that a coal black deer was seen by one of the fish wardens in the Tobique woods a few days ago. It was a buck about the average size. Mr. Allen intends making an effort to capture it in the interests of science. The white or albino deer are frequently seen in the New Brunswick woods, but a black one would be a real curiosity.

Dr. J. W. P. Dickson, dentist, will be in Bath on Tuesday, Oct. 5, and after that trip will visit that town the first three days of every other week.

CENTREVILLE

EXHIBITION

The Centreville Exhibition held on Wednesday and Thursday last week was a grand success in every way. The first day was cold, which interfered with the attendance, but on Thursday over 3,000 people were present. The Minister of Agriculture, Hon. J. A. Murray, paid the show a visit.

Considering the season and the fact that many of the farmers were too busy with their harvest to stop to properly prepare exhibits, the articles shown in the agricultural sections were very creditable. The showing in live stock was exceptionally good. The sheep and swine pens were full to overflowing and every available horse and cattle stall was taken. Some of the finest stock, especially horses, were shown here as you would find at any exhibitions in the Maritime Provinces. Among swine probably none attracted more favorable notice than the fine Yorks exhibited by the Fiske Bros. of Florenceville.

A feature of the show that attracted a great deal of attention was the live bee demonstration given by H. B. Durost, instructor in Beekeeping for the Provincial Department of Agriculture.

Mrs. Adney Wins Her Case

There was some innovation in the proceedings in the Circuit Court for Victoria County at Andover on Wednesday, when a lady, Mrs. Tappan Adney, a well known music teacher of Woodstock, who had started a suit for replevin against the Amherst Piano Co. upon a claim for commissions upon sales made by her, bravely stood up before Judge McKeown when the case was called for trial and declared that she was prepared to conduct her case in person. The matter of granting leave rested with the court, but this was readily granted by His Honor, who no less than the assembled spectators was interested in the novelty of the situation. As a self-advocate Mrs. Adney proved to be equal to the occasion and went through the ordeal with a grim determination, nothing daunted by the trammels of legal evidence and relevancy, for which she was not held to strict account. Among the witnesses whom she had in hand for examination was a prominent K. C. of Carleton County, who was duly responsive to her inquisitorial sallies. Mrs. Adney scored a triumph with the jury, who awarded her a verdict of some \$300 and costs, thus practically establishing a successful precedent in the county for a non-articled lady pleader in the courts of law.

Hatfield & Scott Acquire More Warehouses

At the sale at Woodstock, on Sept. 29, by order of the Supreme Court, on equity, conducted by Chas. Comben, master of Supreme Court in Equity, the different parcels of property, in the suit of the Eastern Trust Co., plaintiffs, and Clements Co. Ltd., St. John, defendant, were sold as follows:

At Hartland, to Hatfield & Scott, for \$1,750; at Limestone Siding, parish of Grand Falls, to Hatfield & Scott for \$725; at Andover, to Hatfield & Scott for \$1,025; at Perth to Geo. B. McLaughlin for \$450; at Grand Falls to James W. Gallagher of Woodstock for \$525, and at Lancaster, St. John county, to the Bank of Nova Scotia, at a nominal figure.

WHAT CATARRH IS

It has been said that every third person has catarrh in some form. Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from any harmful drugs. Try it.

EDITORIAL NOTES

Touching the matter of provincial politics the Chatham World says: "It is reported that Col. John Sheridan has been appointed Indian Agent in succession to the late R. A. Irving. This will make a vacancy in Kent, and the public expects other vacancies to occur as the logical sequence of the Chandler investigation. It is the opinion of many persons who are usually well informed on political matters that the government will dissolve the house and appeal to the people instead of risking the moral effect of defeat in by-elections."

The Chatham World is not greatly impressed with Premier Clarke's new crown lands programme. It says: "What public good is to be effected by Premier Clarke's impending survey and classification of the Crown lands? The time for that was before the lands were handed over for thirty years to lumbermen and pulpmen for a nominal rental. We know already that some of these leases have been sold at \$1,000 a mile, but this knowledge does not increase the public revenue from them. The time for classification and survey was before, not after, granting the long leases."

That is a story to stir the fighting blood of Canadians which is told by two men of the Royal Highlanders who have returned to Montreal. They say that while wounded and prisoners they were struck and insulted and refused water and food. While on the train in Germany little girls spat on them and threw refuse in their faces, while crowds hurled all kinds of vile epithets at them. Had it not been for the Red Cross Society they would have almost died of starvation. More German "kulturer" And in Canada we treat interned Germans with the utmost consideration.

The government, it is understood, has cancelled the order-in-council which provided that no increase in stumpage should be imposed for ten years. The passing of the order, it is asserted, was demanded by land lessees as the price of their contributions to the Fleming-Berry campaign fund, and there is great indignation at its repeal, especially as the men who were bled by Mr. Fleming have received only half their money back—Chatham World.

The Observer Was Wrong

In the issue of The Observer of June 17, 1915. An article headed "The People Love to be Humbugged" cast reflection on the business methods of The Scarbo-

rough Company of Canada, Ltd., whose agent, A. B. Caldwell, was calling on the people of Hartland. The map people claim that they were offering good value on a strictly business proposition and that The Observer by its article deliberately misrepresented them and injured their business. As a matter of fact it has never been the desire of this paper to injure any concern's business and if the article referred to has hurt the map people we are only too glad to make such amends as the case demands.

The map people claim that our assertion that "Those who signed the book signed a binding contract to pay more than \$1.95, how much more The Observer did not bother to investigate," is a false and malicious statement. We are shown plainly that this statement really was untrue and we take this opportunity to withdraw it and to state that upon investigation we are satisfied that the representations made by Mr. Caldwell to the people on whom he called were in all respects true. Our assertions were printed only as we understood Mr. Caldwell to say that the price would be \$1.95 if 50 orders could be secured in Hartland and vicinity. He later has pointed out that this restricting number was mentioned so that if he failed to get that number the company would not be obliged to cover the ground again to make delivery of only a few copies. He also informs us that his company sold more than 50 maps in this vicinity at the uniform price of \$1.95 each. The Scarborough Company of Canada, Ltd., seems to be straight in every particular and doing a splendid and legitimate business, and The Observer is only too glad to say so after a full inquiry into their methods and to express regret for the incorrect statements made in the article mentioned.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleaning at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

AKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25-cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

A Terrible Abyss.

The greatest ocean depth yet sounded is 31,200 feet, near the island of Guam. If Mount Everest, the world's highest mountain, were plucked from its seat and dropped into this spot the waves would roll 2,000 feet about its crest. Into this terrible abyss the waves press down with a force more than 10,000 pounds to the square inch. The staunchest ship ever built would be

crumpled under this awful pressure like an egg shell under a steam roller. A plue, bean fifteen feet long which held open the mouth of the trawl used in making a cast at a depth of more than 18,000 feet was crushed flat as if it had been passed between rollers. The body of the man who should attempt to venture to such depths would be compressed until the flesh was forced into the interstices of the bone and his trunk was no larger than a rolling pin. Still the body would reach the bottom.

The Mars Hill View last week printed the obituaries of four ladies of that town who were well known in different parts of Carleton county. They were Anna Lee McCrea, who was a native of Lakeville, Mrs. William Dickinson, whose husband is well known to Hartland people, Mrs. Frank Shaw, who was formerly Norah Jamieson of Summerfield, and Mrs. Frances J. Kimball who was born in Florenceville.

By all odds the heaviest train with the costliest load ever to pass through Hartland was that on Sunday drawn by two 155 per cent engines. Arriving at Hartland there were 57 cars of Aroostook potatoes. Six more being taken on here made the total 63 cars. The load represented about \$25,000 paid out to farmers within a few days previously. On Monday a greater number of carloads past through, making up three trains. Longer trains have been hauled over the road, the record for this sub division being 83; but all these were empty.

During the last week the price of potatoes has been soaring, much to the satisfaction of farmers and everybody. From 70 cents the price jumped to \$1.25 and the offering today is \$1.10. In Aroostook county the price has been as high as \$2, but on Monday \$1.65 was paid at Houlton.
