FINISH PLANS FOR JUVENILE COURT IN CITY

Official Sanction of City Council Is Only Remaining Requirement.

TO INTRODUCE SUBJECT Mayor Declines to Make Prediction On Outcome of Discussion.

After months of agitation for a juvenile court for this city by The Advertiser, Mayor Cameron Wilson announced Wednesday morning that this subject will be introduced for discussion at the regular meeting of No. 1 committee of the city council, Wednesday night.

The advisability of a juvenile court for London will be considered by the aldermen present, who will in all probability recommend to the city council that such a court be established here, with Police Magistrate A. H. M. Graydon appointed as juvenile court judge.

Ald. H. J. Childs will introduce the subject, according to the mayor, who declined to state whether the court will be recommended, explaining that he cannot predict what action the committee will take on this important matter.

However, it is understood that arrangements for a juvenile court in London are practically completed, and that nothing remains but the official sanction of No. 1 committee and the city council. The court when established will not be conducted at the Carling street police station, as this would bring children in contact with police court, but will be held in an unpretentious building in the downtown district.

MEANT NO REFLECTION ON TRUSTEES' CHARACTER

Mayor Wilson Says Action of Members of Board of Education Is Legitimate.

That School Trustees Bryden N. Campbell and A. N. Udy had no intention of breaking regulations applying to public officers, or of making personal gain from the city in accepting insurance policies on Western Fair buildings owned by the city at Queen's Park, is the belief of Mayor Cameron Wilson and other officers at the city hall. Mayor Wilson stated Wednesday morning that their action was legitimate.

According to law, no officers of a corporation are permitted to receive funds from the corporation, and although companies represented by the above two members of the board of education receive premiums from city funds on Western Fair buildings, this matter is regarded as an oversight, and no motive to question the honesty of Mr. Campbell or Mr. Udy was entertained in publishing the facts.

Although Mr. Campbell's company holds policies on buildings in Queen's Park, Mayor Wilson points out that when he was elected to the board of education he deliberately sacrificed insurance on city buildings, yielding premiums of several thousands of dollars, in order that he might assume public office without censure for accepting city funds.

"No one questions the honesty and integrity of either Mr. Udy or Mr. Campbell, who are two of our best business men in London," declared Mayor Wilson Wednesday. "It is too bad that this item was published, as it is too often, things like that which keep decent men out of public life. When we get good men in office we should not unjustly criticize them, and I am sure that both these officials feel that no reflection has been cast upon their characters or business interests."

Heads Fascisti

BENITO MUSSOLINI.

LONDON, England, Aug. 30.—British dock workers in an effort to boycott the Fascist party, last night refused to handle the Italian steamship Emanuele Accame, manned by Fascisti, which arrived at Cardiff. Benito Mussolini is the leader of the Fascist party in Italy.

GERMANS ADOPT NEW ATTITUDE

Industrialists and Labor Agree to Help Payment of Reparations.

Delegates to Paris Declare Offer Is Limit of Government.

PARIS, Aug. 30.—The feeling was expressed in reparations circles this afternoon that the French government would withdraw its delegates on the reparations commission, preparatory to independent action on the German indemnity question.

LONDON, Aug. 30.—An important agreement bearing on the reparations situation was reached at a conference in Berlin last night, participated in by government representatives, prominent industrialists and trade union leaders.

The industrialists agreed to supply Germany with the coal and timber necessary for reparations, and the labor leaders pledged themselves to augment production by an extensive system of overtime.

PARIS, Aug. 30.—The reparations commission convened this morning and called in the German delegates to turn to page 2, column 2.

Salvationist Discovers Bible 200 Years Old

BOOK ENTIRELY LEGIBLE.

WHILE going through some drawers at the Clarence street headquarters, Brigadier Crichton of the Salvation Army unearthed a Bible which is estimated to be two hundred years old.

One cover is missing, but the book is in a fair condition and entirely legible. The name of the printer is given as "Basset, University."

Several interesting relics of this nature have been found in recent explorations in different parts of the city, and a curio hunt in old drawers, chests and wall panelings promises to become a favorite amongst newer indoor sports.

RUSSIAN POLICE CAUSE MILD "REIGN OF TERROR"

Suddenly Arrest and Exile Without Trial Scores of Persons Unfriendly to Soviet.

Riga, Aug. 30.—Revel of the Russian Soviet government of the old czarist "administrative exile" has restored to the political police—the "Cheka's" successors—the power of dealing secretly with the Soviet's enemies.

The series of sudden arrests and exile without trial of scores of persons unfriendly to the Soviet regime or of those suspected of having counter-revolutionary tendencies has created a new mild reign of terror throughout the country, according to advices reaching here.

Banishment is understood to be limited to three years under the new decree. Scores of Mensheviks and a number of intellectuals have been thus dealt with in the last fortnight.

TORONTO CITY COUNCIL DISCUSS RADIAL SCHEME

Toronto, Aug. 30.—After discussing the matter till after midnight, the Toronto city council adjourned without reaching a conclusion in regard to the much-discussed question of permitting the Ontario Hydro Commission's radials to enter this city along the water front on the basis of the proposed agreement. The council has been called to meet again at 2:30 p.m. today, when there will be further debate on the subject.

EXPECT LLOYD GEORGE WILL ATTEND LEAGUE

Officials Believe Premier Will Confer on Austrian Problem.

URGE COMMERCIAL UNION

Geneva, Aug. 29.—David Lloyd George, the British prime minister, is expected by some of those closely connected with the League of Nations to come to Geneva during the sessions of the assembly of the league, which begin Sept. 4. It is said these persons have received information that Mr. Lloyd George has expressed a wish to be present at the coming sessions. It was his intention to attend the assembly two years ago, and he gave up the project only at the last moment, when he learned that the French premier would be unable to come to Geneva.

It is understood Mr. Lloyd George desires to join the British delegation when the economic situation of Austria is discussed. This question will come up first in the council of the League of Nations, but it is expected that it will be discussed later on the floor of the assembly. There is strong sentiment among league experts that the only economic salvation of Austria is a commercial union, with countries detached from her by the treaty of St. Germain, Hungary and Czechoslovakia, particularly the latter. Such a union is opposed by Italy.

France favors a commercial union between Austria and Czechoslovakia, and possibly other little entente powers, but Italy objects to this.

There also is talk of a possible arrangement between Austria and Italy, but this meets with the opposition of the little entente. Experts who have studied the question for many months say nothing can prevent the absorption of Austria by Germany, unless the League of Nations or the allies can find some other effective solution of the situation without delay.

FIGHTS WITH COP, TRAIN KILLS BOTH

CHICAGO, Aug. 30.—Unmindful of everything except the fight between them, Michael Burke, a special policeman for the New York Central Railroad, and James Wallace, a negro whom Burke arrested for trespassing, were struck and killed by the "Western" New York Central express as they fought on the tracks here last night.

Wallace had been arrested by Burke when found prowling around the yards. He attempted to escape and Burke tried to hold him as the train bore down upon them. They fought back and forth across the tracks while the engineer attempted without success to attract their attention and stop the train.

U. S. RAILROADS' REPORT BIG INCREASE OF FREIGHT

WASHINGTON, D. C., Aug. 30.—In the week ending Aug. 19, United States railroads reported \$56,219 cars of revenue freight loaded on their lines, or 3,639 more than in the previous week, and 41,072 more than in the same week a year ago. Coal and merchandise shipments accounted for most of the increase over the previous week.

LONDON HARD-UPS RAISE CASH BY PAWNING CEMETERY PLOT

PEOPLE will try to turn almost anything into cash, local pawnbrokers find.

According to Jacob Fox, of King street, two men came into his establishment a few days ago and asked if they could raise a little money on a deed to some land. He agreed to give them some money. They brought the deed to him.

Upon investigation it was found that the land in question was a plot in a cemetery adjacent to the city.

CAN MAINTAIN WEIGHT ON 50 CENTS PER DAY

Warren, Ohio, Aug. 30.—That a man can maintain normal weight on fifty cents worth of food a day was demonstrated here after a week's test by Dr. E. J. Maguire, of this city. Dr. Maguire weighed 176 pounds at the start, and the scales showed no decrease in weight after the week of abstemious diet.

Dr. Maguire ate the 21 meals in a local restaurant.

SINK GERMAN SUB.

Portsmouth, Va., Aug. 30.—The U. S. III. former German submarine cruiser, said to have sent at least ten ships to the bottom of the Atlantic, is to be buried in the open sea today. She will be taken 20 or 30 miles off the Virginia Capes, where her valves will be opened and she will be allowed to sink.

Eight Die in Montreal Hospitals From Overuse of Narcotic Drugs

MONTREAL, Aug. 30.—Eight persons have died and nearly thirty others have been admitted to Montreal hospitals during the past three weeks as the result of poisoning with narcotic drugs. The victims were in several cases young people, and included girls and women, as well as men and youths.

A system for swelling the number of those to whom drug-taking has become a habit is in operation in the city, according to two victims of cocaine poisoning, who were interviewed in their beds at the general hospital this morning. These claim they did not have to pay a cent for the narcotic which caused them to be rushed to the hospital in ambulances.

Complete prohibition of the sale of narcotic drugs, or the operation of a system of controlling their sale, such as is at present in force in regard to liquor in Quebec, is advocated by Chief of Detectives LePage.

DEFENDS LINEMEN TRIMMING TREES

E. V. Buchanan Points Out Necessity of Hydro Workers' Action.

Defense of the action of hydro linemen, who in cases of necessity trim the branches from trees in London which project into the hydro wires was made by E. V. Buchanan, general manager of the public utilities commission Wednesday. In response to the criticism that the hydro poles used on city streets are not as tall as those used at one time by the London Electric Company, Mr. Buchanan points out that wherever possible the taller poles are used.

"Whenever we could do so, we have put in the taller poles," said the public utilities commission manager. "The short poles are only used in crowded districts, where there are other poles and the lead lines would grow through the wires and must be trimmed. What else can we do?"

"The regular utility commission," asked Mr. Buchanan, "What about the Bell Telephone Company, Canadian National Telephone Company, C. P. R. Telegraph Company, and city fire department linemen. Have they the only right to trim trees? We never cut a branch more than an inch in diameter, anyway."

BOYCOTT FASCISTI SHIP AT CARDIFF

LONDON, England, Aug. 30.—The Italian steamship Emanuele Accame, manned by Fascisti, arrived at Cardiff last night from Naples and, conforming to the British transport workers' decision to boycott her, the dock workers refused to handle the vessel. The captain, however, managed to get his ship into the dock without aid.

According to the Daily Herald's Rome correspondent, the secretary of the Fascist party called at the British embassy yesterday and stated that the party would retaliate by boycotting British steamships in Italian ports.

WASHINGTON, D. C., Aug. 30.—In the week ending Aug. 19, United States railroads reported \$56,219 cars of revenue freight loaded on their lines, or 3,639 more than in the previous week, and 41,072 more than in the same week a year ago. Coal and merchandise shipments accounted for most of the increase over the previous week.

APPROVES AGRICULTURE SCHOLARSHIP GRANTS

LONDON, Aug. 30.—(Canadian Press Cable).—The ministry of agriculture has approved of the new scheme of scholarship maintenance grants for children of agricultural workers. There are three categories in the scheme: First to enable the students to attend the post-graduate diploma course in the agricultural departments of the universities; second, a two-year course in horticulture, dairying and poultry keeping; and third, one year in similar subjects at a farm institute.

JAP CRUISER SINKS WITH ALL HANDS

TOKIO, Aug. 30.—The Japanese cruiser Nitaka went down in a typhoon off the Kamchatka coast Aug. 26, with virtually all hands, according to confirmed advices received by the admiralty.

The naval report said that practically none of her crew of 360 was saved. The destroyer Maki has been ordered to the scene of the disaster.

Will Swim English Channel

MISS IVY HAWKE is the Surbiton (England) girl of 19, who intends to try swimming across the English Channel soon. She has been training for several months and awaits only ideal weather.

From Dover to Cape Gris Nez in an air line is only about 20 miles, but there are strong tides and currents to breast. These necessitate zig-

zagging, which greatly adds to the distance. Captain Matthew Webb, who lost his life later in attempting to negotiate Niagara Rapids, swam from Dover to Calais in 1875 in 21 hours, 35 minutes. William T. Burgess in 1911 swam in 22 hours, 35 minutes, from the South Foreland, Dover to Le Chatelet, a French village, near Cape Gris Nez.

4 CONCILIATION BOARDS CONFER ON RAIL STRIKE

Meeting Is Being Held at Ottawa Behind Closed Doors.

ALEX. SMITH IN CHAIR

BULLETIN.

Pittsburg, Pa., Aug. 30.—The bituminous coal strike in the Pittsburgh district came to an official end shortly after noon today, when the Pittsburgh Coal Company, the largest commercial producer of the region, signed an agreement with district officers of the United Mine Workers. This company was the last in the district to accept the union terms under the Cleveland agreement.

Ottawa, Aug. 30.—By the Canadian Press.—On the suggestion of the minister of labor, members of four boards of conciliation appointed to deal with disputes between railways operating in Canada, and their shop-crafts employees, are today holding a conference here. The meeting is behind closed doors, but before proceedings started this morning it was stated that there would probably be no conclusions reached before the evening.

Alex. Smith, Ottawa, chairman of the conciliation board, which is dealing with the dispute, is acting as chairman of the conference.

WAR ON LIQUOR.

Sydney, Aug. 30.—With polling in the miners' referendum but one day off, U. M. W. pickets continue their rigorous warfare upon the manufacture or sale of liquor in the Cape Breton strike areas.

This morning a group of pickets brought to Sydney a man named Joseph Johnson, of Lingan Bar, whom they charged before Magistrate Campbell with selling beer.

Phillip Tutley, of Little Lorraine, also was charged with selling beer to Louisburg strikers. Both cases were adjourned.

When motorists objected to the overhauling and searching of cars for liquor by U. M. W. pickets at the Sydney-Reserve road, it was found that each group of pickets was accompanied by a provincial constable, who made all searches and performed any other actual police duty required.

Reports from the coal field this morning are that water has gained about five feet in No. 10 mine at Reserve during the last week, principally on account of heavy rains. An additional pump is being installed there to cope with the situation.

Erect Monument to Memory of David Thompson

STAGE PAGEANT IN WEST.

MONTREAL, Que., Aug. 30.—Final arrangements have been completed for the David Thompson memorial celebration at Lake Windermere, B. C. A number of well-known Canadian historians and authors, including Bliss Carman, are already on the ground, and the Indian descendants of those who greeted David Thompson when he made his wonderful journey of discovery through the Rocky Mountains, are on the march to the spot where the memorial has been built.

The memorial pageant will commence today with the arrival of David Thompson and his party in canoes, and he will be met by 200 Indians and their squaws. This will be followed by the arrival of Rev. Father De Smet, S.J., accompanied by Indian guides, and a famous missionary who passed through this country in 1847 on his way to visit the warlike tribes of the plains. There will then be a procession to the Hudson's Bay Fort, and after the gates have been formally opened there will be a program of speeches and music, of which an important part will be the reading by Bliss Carman of a poem specially written for the occasion.

A memorial celebration will be held today at the grave of David Thompson in Mount Royal Cemetery, Montreal. The celebration is convened by the last post guard and the Canadian Historical Association and others.

Those taking part in the proceedings will include Pemberton Smith and Dr. W. H. Atherton of the Historical Association; George H. Ham, of the C. P. R.; A. H. D. Hair, of the last post guard; H. Hodgkinson, a student manager Hudson Bay Company. Bliss Carman's poem on David Thompson will be read at the grave. As a tribute to the work of David Thompson the Canadian Pacific Company and the Hudson's Bay Company erected a David Thompson memorial building on the shores of Lake Windermere, close to the site of the original trading post named Kootenai House, which the explorer established in 1807.

The building takes the form of a Hudson Bay fort, with stockades and bastions, and will be used partly as a museum for local Indian relics and antiquities, and partly as a reception hall for Lake Windermere camp, an attractive summer resort which has sprung up in that neighborhood.

Heiress to Monaco

THE Duchess of Valentinois has been designated hereditary heiress to the Monaco principality by her father, the new Prince of Monaco.

GREEKS ROUT TURK ATTACKS

Commander-in-Chief Evacuates Alvin-Karahissar to Withstand Offensive.

British Press Claims Near East Trouble Menace to World Peace.

Constantinople, Aug. 30.—Despite their evacuation of Afium-Karahissar, the Greeks are understood here to have successfully withstood so far the formidable concentric attacks made upon them by the Turkish Nationalist army in Asia-Minor, which opened a general offensive Tuesday. It was in anticipation of this general attack, apparently, that Gen. Hadjanestis, the Greek commander-in-chief, evacuated Afium-Karahissar, which the Turks occupied Sunday.

The Greek withdrawal was in the direction of Ushak, on the Smyrna Railroad, to the west, and they have been counter-attacking from their new position. The battle line of some 15 miles extends from Bilejik, 50 miles east of Bursa, southward to Nazilli. The strongest attack by the Nationalists is anticipated against Eskil Shehr, in the central sector, where the Bagdad Railway is intersected by the branch to Angora.

Canadian Dollar Reaches Par On New York Market

NEW YORK, Aug. 30.—(By the Canadian Press).—The Canadian dollar is once again at par in the New York money market. "Par" was the quotation announced by local banks this morning for the first time in seven years.

Aug. 15, 1915, was the last date upon which Canadian dollars were on even terms with those of the United States in this market. During the interval the discount rate soared to as high as 16 1/2 per cent.

DIES AT AGE OF 102.

ROCHESTER, N. Y., Aug. 30.—Mrs. Almira Chapman, 102 years old, is dead at her home in Brockport, a village near here. She was stricken ill for the first time in her life on her birthday eight weeks ago. Mrs. Chapman was born in Onondaga County in 1820.

GUARDS PREVENT BREAK

Irregulars Make Night Attack on Nationalist Outposts in Cork.

Dublin, Aug. 30.—Disturbances yesterday in Maryborough prison, where between 600 and 700 irregulars are interned, occasioned the issuance of the following official army report late last night:

"Yesterday a tunnel was discovered by the authorities in Maryborough prison, and three irregular prisoners were found trying to escape. As a result of the discovery of the tunnel disciplinary measures were enforced. In the afternoon, each prisoner set fire to his mattress and bedclothes and all rushed into the compound.

In the disturbance which followed five prisoners were wounded. The fire was brought under control and subsequently extinguished. No prisoners escaped.

Several National army outposts throughout Cork were attacked last night. Heavy firing continued until early this morning, but no casualties were reported today.

STRENGTHENED GOVERNMENT. London, Aug. 30.—Michael Collins' death has strengthened the determination of the provisional Irish free state government that there can be no settlement of the present rebellion except on the terms of unconditional surrender, says the Daily Mail's Dublin correspondent.

The writer adds that he learns there is not a member of the government who would not rather resign office than be a party to any settlement with Eamon de Valera, which did not mean complete surrender.

William T. Cosgrave, he understands, will become president of the Dail Eireann and premier. Another decision tacitly made is that no minister shall hold two posts in the cabinet. This means that if Mr. Cosgrave becomes Dail president and premier he will relinquish the ministry of local government.

UNKNOWN SLAYS 2 WOMEN AND MAN

Canton, Ohio, Aug. 30.—Two women and a man were murdered and another man wounded here early this morning by an unknown man, who laid them down with an iron bar as they entered the house. The murderer escaped.

The dead are: Mrs. Freda Burns, 27; Frank Burns, her husband, 25; Mrs. Mary Neils, 20.

Luther Armstrong, 22, suffered a severe scalp wound when the iron bar wielded by the murderer struck him a glancing blow.

STATES DIRECTORS WILL BE LIBERALS

Winnipeg, Aug. 30.—Speaking in favor of the Shaughnessy plan of operating the Canadian National Railways, by which the government would entrust the operation of all the railways to the Canadian Pacific Railway, W. Jacobs, K.C., Liberal M. P. for the Georges Etienne Cartier division of Montreal, declared in an interview here last night that the directors of the government railways would be Liberals. These would be appointed on the new board, he said, not because they have any railway knowledge or technical capacity, but because of the political services they have rendered to the Liberal party.

REMAND PRISONER TILL SEPTEMBER 5

Owen Sound, Aug. 30.—John Cosgrove, held here on the charge of shooting Rev. Fr. Clochey, was brought before Judge MacNastren here this morning and remanded until Thursday, Sept. 7. The inquest will be resumed on Sept. 5, and it will not be until after that that the prisoner will be charged with murder. He is still unaware that Father Clochey has died, and is apparently unconcerned.

GIVES \$860 FOR TIN MONEY BOX

Toronto Fruit Merchant Loses Savings in Old Confidence Game.

Was To Have Directed Distribution of \$15,000 For Italian Poor.

TORONTO, Aug. 29.—Salvatore Perri, a fruit merchant, 50 years of age, of Parliament street this city, was "burned" out of \$860 by two smooth-tongued Italian confidence men working, so they said, in the interests of "Italian charities," yesterday.

The two Italian philanthropists have vanished. Perri's money going with them, and all Perri has is a tin box with two handkerchiefs stuffed with paper and a copy of a local weekly paper.

Perri is left penniless. This is the third swindling confidence game reported to the police within three days. An unknown Italian encountered Perri on the street, stated he had \$15,000 to be distributed among the Italian poor of the city and wanted a reliable Italian to handle the money for him.

Wanted Security. He suggested Perri be the ideal type of an Italian to handle the money. The man told Perri he must show him he had some security and suggested Perri put up some money. Perri brought out his bank-book and showed where he had \$850 in the bank.

He withdrew the \$850 and added \$10 he had in his pocket.

The stranger produced a roll of money which, he claimed, was to be genuine money. The two men went to a store and bought a cash-box to put their money into. The stranger handed over his \$15,000 as his security and Perri passed his \$860 to a third man. This young man took the two sums of money and with his own \$2,000 rolled them into two separate bundles and wrapped them in handkerchiefs and put all the money into the cash-box. The box was locked. The young fellow retained the key and then handed Perri the box.

The pair took Perri to a Carlton car and arranged to meet him at the Union depot in the evening, where they would each receive a new suit of clothes.

Life Was Curious. On his return home, Mrs. Polla Perri became curious and asked her husband about the cash-box. Perri told his wife of the task to distribute the money to the poor. She became suspicious and hunting up some keys opened the cash-box. Then she saw the handkerchiefs stuffed with paper and the roll of paper wrapped in three one dollar bills.

Mr. and Mrs. Perri came to police headquarters today and told their story to Detective William Black.

316 PERISH WHEN STEAMSHIP SINKS

Only Six Persons Are Rescued in Chilean Boat Disaster.

BULLETIN. Santiago, Chile, Aug. 30.—Latest wireless reports from the cruiser Chacabuco are to the effect that only thirteen persons of the 322 aboard the steamship Itata were rescued when the vessel sank off Coquimbo yesterday.

SANTIAGO, Chile, Aug. 29.—Only six persons, including two passengers, out of a total of 322 on board the Chilean steamship Itata, were saved when the vessel sank today off the Chilean coast near Coquimbo.

The steamer sailed yesterday afternoon from Coquimbo with 250 passengers aboard. Of these 90 were laborers proceeding to Antofagasta. Heavy cross seas damaged the rudder of the vessel, which was overloaded.

In this helpless condition and caught in the strong south gale, the steamer was swept time and time again by the enormous waves. She listed badly and in a short time sank by the bow.

The Chilean warship Chacabuco, which speeded to the rescue, found only scores of drowned floating on the ocean and remnants of wreckage. One boat, carrying 20 persons capsized and 17 perished.

Another boat with many passengers and sailors aboard and in which Captain Caldera, who had been seriously injured, was placed, also capsized near the beach. Only two passengers and one sailor of this group escaped.

GREEKS ROUT TURK ATTACKS

Continued From Page One.

Fighting in Asia-Minor between the Turkish Nationalists and Greeks, and there is a good deal of condemnation of the British government's Near East policy, which some of the newspapers variously describe as vacillating and evasive. The question of why Prime Minister Lloyd George and the foreign office are supporting Greece also is raised.

The whole situation in the Near East, which the Daily News says has long been an international scandal, is developing, that newspaper believes, into a serious menace to the peace of the world, particularly in the Balkans and in British India.

The Turkish offensive, says the Daily Express, shatters the hollow illusion that peace in Asia-Minor would follow the truce the allied powers feebly sought to enforce.

KITCHENER—REPAIRS TO OFFER PLAN

Members of Reparations Commission Still At Deadlock Over Payments.

Berlin Delegates Furnish Further Details of Recent Proposals.

PARIS, Aug. 29.—The members of the reparations commission were still at deadlock this evening after another strenuous day given out entirely to an effort to reach a basis for a unanimous agreement on German payments and prevent a split in the commission and a possible breach of Franco-British relations.

The failure of the German delegate, Herr Schroeder and Herr Bergmann, special envoys from Berlin, to bring with them any new concessions from the German government, has a depressing effect in certain circles where it was hoped Germany may have formulated some new scheme.

Herr Bergmann conferred this afternoon with members of the reparations commission and told them that the last minute proposal handed to Sir John Brandt just when the mission left Berlin, was the last effort of the German government to meet the French demands. Bergmann and Schroeder, however, gave further details of these proposals, which will be outlined to the commission tomorrow morning by the latter.

The reparations commission has again postponed for 24 hours its decision in the matter which, if a satisfactory one, will be announced Thursday. But if it is apparent that no unanimous decision can be reached, it is possible that there will be a further delay.

General satisfaction is expressed locally with the sale of \$140,000 worth of municipal debentures on which the city realized a profit of \$12,577.85, which is declared to indicate the stability of this city in the financial market.

GUELPH.—Saturday, Sept. 9, has been set as the day for laying the cornerstone for the new \$365,000 Guelph Collegiate Institute and Vocational School. Canon Cody of Toronto has consented to lay the stone and to deliver an address.

HARRISTON.—Patrick Heffernan passed away at the family residence, Guelph, after an illness of six months. He was born in Nichol Township and spent his life on a farm near Enniskillen, moving into the county town six years ago.

ST. MARYS.—St. Marys Collegiate has won two scholarships. Miss Dorothy Wright won the fourth Edward Blake scholarship in classics and moderns, and Byron P. Waugh won a general proficiency scholarship from the McMaster University.

ST. THOMAS.—Danger of an explosion which would wreck their part of the city led to a deputation of residents from the Grand Trunk-Wabash station, waiting on the fire committee of the city council, and asking that tanks of the Imperial Oil Company be removed from their present position north of the tracks.

DOVER, England, Aug. 29.—Enrique Tirabocchi, Italian swimmer, failed by two miles today to swim the English Channel.

He was 19½ hours in the water, and was but two miles off St. Margaret's Bay, when he became exhausted and had to quit.

FAIL TO ARRIVE AT DECISION. TORONTO, Aug. 29.—After a ten-hour session, Toronto City Council adjourned about midnight without reaching a decision on the question of accepting or rejecting the agreement providing a six-track right of way for hydro radicals across the city harbor lands. The meeting will be resumed tomorrow.

BURY VICTIMS OF HAVRE STRIKE DISTURBANCES. HAVRE, Aug. 29.—There were no disturbances today growing out of the general strike, which has been in progress for several days.

GERMANY FAILS TO OFFER PLAN

Members of Reparations Commission Still At Deadlock Over Payments.

Berlin Delegates Furnish Further Details of Recent Proposals.

PARIS, Aug. 29.—The members of the reparations commission were still at deadlock this evening after another strenuous day given out entirely to an effort to reach a basis for a unanimous agreement on German payments and prevent a split in the commission and a possible breach of Franco-British relations.

The failure of the German delegate, Herr Schroeder and Herr Bergmann, special envoys from Berlin, to bring with them any new concessions from the German government, has a depressing effect in certain circles where it was hoped Germany may have formulated some new scheme.

Herr Bergmann conferred this afternoon with members of the reparations commission and told them that the last minute proposal handed to Sir John Brandt just when the mission left Berlin, was the last effort of the German government to meet the French demands. Bergmann and Schroeder, however, gave further details of these proposals, which will be outlined to the commission tomorrow morning by the latter.

The reparations commission has again postponed for 24 hours its decision in the matter which, if a satisfactory one, will be announced Thursday. But if it is apparent that no unanimous decision can be reached, it is possible that there will be a further delay.

General satisfaction is expressed locally with the sale of \$140,000 worth of municipal debentures on which the city realized a profit of \$12,577.85, which is declared to indicate the stability of this city in the financial market.

GUELPH.—Saturday, Sept. 9, has been set as the day for laying the cornerstone for the new \$365,000 Guelph Collegiate Institute and Vocational School. Canon Cody of Toronto has consented to lay the stone and to deliver an address.

HARRISTON.—Patrick Heffernan passed away at the family residence, Guelph, after an illness of six months. He was born in Nichol Township and spent his life on a farm near Enniskillen, moving into the county town six years ago.

ST. MARYS.—St. Marys Collegiate has won two scholarships. Miss Dorothy Wright won the fourth Edward Blake scholarship in classics and moderns, and Byron P. Waugh won a general proficiency scholarship from the McMaster University.

ST. THOMAS.—Danger of an explosion which would wreck their part of the city led to a deputation of residents from the Grand Trunk-Wabash station, waiting on the fire committee of the city council, and asking that tanks of the Imperial Oil Company be removed from their present position north of the tracks.

DOVER, England, Aug. 29.—Enrique Tirabocchi, Italian swimmer, failed by two miles today to swim the English Channel.

He was 19½ hours in the water, and was but two miles off St. Margaret's Bay, when he became exhausted and had to quit.

FAIL TO ARRIVE AT DECISION. TORONTO, Aug. 29.—After a ten-hour session, Toronto City Council adjourned about midnight without reaching a decision on the question of accepting or rejecting the agreement providing a six-track right of way for hydro radicals across the city harbor lands. The meeting will be resumed tomorrow.

BURY VICTIMS OF HAVRE STRIKE DISTURBANCES. HAVRE, Aug. 29.—There were no disturbances today growing out of the general strike, which has been in progress for several days.

The funeral of several persons killed during the disorders of Sunday and Monday were held but no trouble resulted. The tramways are not running.

Mosboro Man's Shoulder Dislocated in Battle With Angry Bull.

Special to London Advertiser.

KITCHENER, Aug. 29.—While leading a bull to Kitchener preparatory to putting it on exhibition, Ben Schawn, a farmer, who resides near Mosboro, was attacked by the animal, and suffered a dislocated shoulder in the tussle that ensued. It is believed the man would have been killed had he not availed himself of an opportunity to jump a fence at the side of the road.

SPREAD NET TO CATCH BANDITS

Western Police Making Effort To Trap Masked Bank Robbers.

Believed To Have Headed For New Oil Region in Montana.

LETHBRIDGE, Aug. 29.—Six masked bandits held up the Union Bank branch at Foremost, about 80 miles southwest of Lethbridge, on the Canadian Pacific Railway, Lethbridge-Weyburn line between 1:30 and 3 o'clock this morning, bound and gagged two clerks sleeping in quarters over the bank after having forced the junior clerk to open the outer door of the vault and safety deposit boxes, getting \$12,000 in cash and \$70,000 in securities, mostly registered Victory Bonds. They made their getaway by automobile, and are believed to have headed for the new oil field region at Sunburst, on the Great Northern Railway in Northern Montana. The robbers blew the inner door of the safe.

Police have spread a dragnet in an effort to intercept the hold-up gang, but they had a good four hours' start on the officers.

Police here believe the job was done by professionals. They entered the town, cut the telephone cables at the exchange, and the C. P. R. wires at the depot. Then they cut all the automobiles standing about on the main street. About 1:30 a.m. four of the men, masked, forced entrance into the bank, and going up to the sleeping quarters, in which the two clerks were asleep, awakened them. McPhee, the teller, a new man in the bank, and the hold-up men seemingly knew he did not know the combination of the vault. The junior clerk, Reg. Jennings, they forced to accompany them down stairs and open the outer doors of the vault. He was then taken back to his bed, and both clerks were roped to the beds. The inner door of the safe was then blown, and the vault thoroughly ransacked.

Forest Fires Again Menace Districts in British Columbia.

VANCOUVER, B. C., Aug. 30.—Forest fires again menace certain districts in British Columbia. Ten days of hot, dry weather have offset the benefits of the early August rains.

Strong winds are whipping smoldering brush to flames again in the Prince Rupert district, on Vancouver Island and in the Nelson district, according to the provincial department of forestry. In all, 2,000 separate fires have occurred in British Columbia forests this season.

Yarmouth, N. S., Aug. 30.—The coroner's jury investigating the death of Flora Gray, a 19-year-old girl, found last night naked and terribly burned under a bed in the home of Omar Roberts at North Kemptville, where she was employed as housekeeper, brought in the following verdict last night:

Flora Gray came to her death by shock caused by severe burns received at Omar Roberts's house. The burns were caused by gasoline or some other inflammable substance spread on the floor of her bedroom. As she and Omar Roberts were the only ones in the house at the time, and as evidence points to him as having perpetrated the crime, we come to the conclusion that Omar Roberts was the cause of her death.

Roberts was arrested this morning following dying statements of the girl that he had made advances to her, and that when she rejected them he threw gasoline over her bed and set it on fire. Roberts is a well-known sportsman and looter, and is 60 years old.

2 BOYS CONFESS THEFTS AT PORT

London Youngsters Tell Method Used in Procuring Money.

Alleged Responsible For Epidemic of Thieving During Summer.

Special to London Advertiser.

ST. THOMAS, Aug. 29.—The methods used by the two young London boys who are thought responsible for the epidemic of thefts this summer from the clothing in the L. & P. S. bathhouse at Port Stanley, have been revealed. They are brothers, both under 16, and have been remanded by County Magistrate Hunt until Saturday next.

The lads would go into the bathhouse, remove their clothes and go in swimming. Returning from the water, lockers would be opened with a skeleton key, and while one kept watch the other would search for money and valuables. This has, according to their own confession, been going on for some time, and the authorities believe, all summer.

Acting on information that a small boy had tendered a \$10 American bill at the ticket window, and knowing that a bill of this denomination had been stolen from the bathhouse shortly before, Chief Hammersley of the L. & P. S. succeeded in capturing one of the boys, who implicated his brother.

The money and a gold watch found on the boy belong to W. J. Charles of London.

Although they have obtained a considerable sum of money in this way, the lads were clever enough to ask their father for spending money regularly, and he was astounded to hear of their guilt.

The case presents a difficult problem for the authorities. The offense is one punishable by a term of several years in jail, and although they are very young, the manner in which the thefts were carried out indicates more than ordinary skill has been used and it is thought necessary to take steps to prevent a recurrence of such practices.

LET CONTRACT FOR UNIVERSITY

Directors Decide to Start Building New Structure At Once.

Expected Construction Will Be Completed in Five Years.

It was announced definitely from the office of Col. Walter Brown, executive secretary of the Western University, Wednesday morning that within the next few days work would commence on the first of the buildings which are to form the new university in North London.

At a meeting of the board of governors Tuesday afternoon the contract for the science building was awarded to John Petherborough, who is to place a large gang of men at work within a short time.

It is expected that the bridge which is now in the process of construction across the Thames will be completed by Dec. 1, and as soon as possible after that time work will be commenced on the main arts building.

"Once a start is made, work will be carried out with as much rapidity as it is reasonably possible," Col. Brown states, "and within at least five years the entire university should be completed."

Mr. Petherborough has a well-established reputation as a contractor whose work is of an exceptionally fine type. His tender for the new medical school was accepted and at present he is carrying out the contract for the erection of the bridge across the Thames to the university site.

Confidence that the finished construction will be a credit to any city accompanies the awarding of the contract.

Work on a central heating plant, which would provide heat for the entire university, is expected to be started this fall, and tenders are being called for on a number of the buildings. It is expected that the science building will be completed inside the space of a year.

At present there is a foot bridge across the Thames, near where the university building is being constructed and, crossing this, it is possible to gain an idea of the splendid site for the buildings. Space is being reserved for a stadium and playgrounds and plans are being made for the laying out of walks throughout the extensive grounds.

MAY STAGE LIVESTOCK COMPETITION NEAR LONDON

Department of Agriculture Expects Most of Best Cattle To Be Shown.

It is expected that in the early part of October a live stock judging competition will be held in the vicinity of London, under the auspices of the department of agriculture. Many of the junior farmers of the county will enter their stock, which has been their work and joy to raise.

Most of the best stock in Middlesex will be shown and suitable trophies will be awarded to the winners.

The exact date of this competition will be given out as early as possible, so that everyone will have time in which to get ready to compete.

TO TEACH ELEMENTARY AGRICULTURE IN COUNTY

R. A. Finn Leaves for Toronto To Make Arrangements For Holding School.

Middlesex boys and girls will be given a splendid opportunity to increase their knowledge of elementary agriculture and domestic science at the school which is to be opened in one of the larger municipalities of the county soon. R. A. Finn, agricultural representative of London, is leaving for Toronto to complete the arrangements for the holding of this school.

Many of the younger people on the farms who are anxious to make a success of farming and have a knowledge of the practical side of it, will be glad of the opportunity to attend a course for the three months it will be open, Mr. Finn stated.

"This period is but a short one in lifetime, it is also a short period which to attain a knowledge of the sciences underlying the practices that make successful farms, successful farmers, successful men and women. This school is, therefore, of necessity planned to fill the immediate need, and to reach those who have not had an opportunity of attending the established educational institutions of our province," said Mr. Finn.

TAKES PRISONERS ON TRIP TO MIMICO

Five prisoners, including John Brown, William Coyne and James Pierce, were taken from the county jail by Provincial Bailiff J. J. Ryan this morning to Mimico, where, the officer stated, several strong men are needed.

With the five London men were three men, whom Ryan had collected at other Western Ontario points yesterday, and lodged in the jail for the night.

Brown, Coyne and Pierce were the victims of Magistrate A. H. M. Magdon's campaign to rid London of vagrants. They were sentenced to six months in jail.

Argument Over Fruit Ends In G. Wright Being Hit On Head With Hoe

As the complainant, Gordon Wright, was unable to appear in police court this morning on account of injuries, the case against Thomas Way, charged with assault occasioning bodily harm, was adjourned until Friday. Way was released upon furnishing cash bail of \$500.

The two men, who are prominent residents of South London, became involved in an argument regarding the picking of fruit in an orchard, which Wright claims is his property, and from which he ordered Way Words led his blows and Wright it is alleged, was struck on the head with a hoe, wielded by Way. Dr. John Ferguson closed the wound with several stitches.

Way claims Wright hit him with a cane.

"The schools that I have inspected are in splendid shape," declared Chairman Smith Wednesday. "They look to be in better condition than I have ever seen them before, and are a credit to the officials responsible for getting them in readiness for the fall opening."

APPOINTED EDITOR OF SCOTTISH NEWSPAPER

Victor Mitchell, former London Advertiser writer, To Publish Book On Canada.

Victor Mitchell, who has at one time an editorial writer on the staff of The London Advertiser, has been appointed editor of the Perthshire Advertiser, one of an important group of papers published in Central Scotland by the Munro Press, Ltd., with offices in Perth, Glasgow, London and Aberdeen. The Farming News, the leading Scottish agricultural weekly, is one of this firm's publications, which is widely known among the farming community. Since his return to Scotland, Mr. Mitchell has been acting as assistant sub-editor for the Aberdeen Daily Journal, and is writing his impressions of his last visit to Canada, which, when completed, will be issued in book form. He has now taken up his duties in the fair city of Perth, a city rendered famous by the romantic writings of Sir Walter Scott.

CITY TO DEMAND PAVING REPAIRS

Acting under instructions received from No. 2 committee, City Engineer H. A. Brazier is serving formal notice on the Standard Paving Company of Ottawa, that unless pavements laid in London and guaranteed by that firm are repaired at once, the city will carry on the work and deduct the cost from funds due the company.

"They offer to fix these pavements which need repairs all over the city," declared the engineer, "but they are pretty slow about it."

Obituaries

C. E. L. PRATT.

C. E. L. Pratt, a Londoner known amongst a wide circle of friends, died at his home here, 236 Hyman street, Monday afternoon. The cause of death is given as heart failure.

Mr. Pratt had been holidaying at Lake Valley Grove, near Forest, and only returned home Monday. Although he had not been in the best of health for some time, it was expected that improvement would be shown after his vacation, and the news of his death came as a decided shock.

Mr. Pratt was born at Frome 40 years ago and moved to London as a boy. He learned the printing trade at the Free Press, where he worked for 30 years.

The funeral will be held from his late residence, Thursday. Interment will be made in Mount Pleasant Cemetery.

PEMBERTON D. LEARN.

Seized with a stroke while preparing breakfast at his home, 102, concession 1, Westminster Township, Pemberton Dewitt Learn, aged 73 years, died early Wednesday morning. Mr. Learn, who, with his son, Morton, had been living in bachelor style, the rest of his family being away, seemed in good health when he awoke and commenced getting breakfast and his death came with distressing suddenness.

Mr. Learn is survived by a number of sons and daughters: Gordon of Chicago, Harley and Claude of Seattle, Llewellyn of White Oak, Morton at home, Mrs. Russell Weldon of Littlewood, Mrs. Ernest Pearn of Delaware, and Mrs. Earl Agie of Dawn Mills. Rev. W. J. Kitley is to conduct the funeral services, Friday, at 1:30. Interment will be made in St. Thomas.

DIES AFTER INJURIES RECEIVED

COAL ASSURED FOR HOSPITAL

Trust Meets at Victoria Tuesday Night Placing Orders.

A. J. McGuffin Is Officially Appointed Purchasing Agent.

Victoria Hospital will not experience a shortage of coal for some months, as at the regular monthly meeting of the hospital trust Tuesday night an order was placed with Hawken & Lang of this city for 1,800 tons of slack coal, the same to be guaranteed delivered at \$10 a ton.

After considerable discussion it was decided to call a conference between the advisory council and the members of the board of governors during the week of Sept. 5, to deal with many important matters in connection with the new War Memorial Children's Hospital. The question of a staff for the hospital will also be taken up at the meeting, and the conference will be asked to form an educational committee for the nurses' training school.

At the meeting, A. J. McGuffin was officially appointed purchasing agent for the hospital. The salary to be received by Mr. McGuffin was not made public. The creation of the new position came as a direct result of the plan of economy adopted by the hospital trust a few months ago, and it is thought by members of the board that hundreds, if not thousands, of dollars will be saved annually through a proper system of supplies for the hospital.

The milk contract with R. E. McFarland, of Nilestown, will be renewed, as the milk supplied by him has been satisfactory. The board was also impressed by the fact that all Mr. McFarland's cows are tested. Superintendent W. H. Heard, who is also secretary of the trust, pointed out Tuesday night that the board has always been particularly cautious in letting out the milk contract, and that milk of the finest quality would be obtained at any cost.

The drug list of the hospital was revised, and tenders will be called for the drug supply of the institution in the near future. All the other supplies needed in the hospital will be bought in the open market by the newly-appointed purchasing agent.

Dr. E. C. Bowen was appointed as a senior house surgeon to fill the place of Dr. Ward, who resigned a while ago. Dr. Bowen completed his junior service at the institution on July 31.

The trust authorized necessary alterations in the nurses' home to provide more accommodation in the dining-room at an approximate cost of \$400.

The reading of the report for July showed that during the month 340 patients were admitted to the hospital and 359 were discharged. There were 23 births and 16 deaths and 615 persons were treated in the free dispensary. The cash receipts for the month were \$16,654.93. The usual list of accounts were also passed and ordered to be paid.

CITY TO DEMAND PAVING REPAIRS

Acting under instructions received from No. 2 committee, City Engineer H. A. Brazier is serving formal notice on the Standard Paving Company of Ottawa, that unless pavements laid in London and guaranteed by that firm are repaired at once, the city will carry on the work and deduct the cost from funds due the company.

"They offer to fix these pavements which need repairs all over the city," declared the engineer, "but they are pretty slow about it."

Obituaries

C. E. L. PRATT.

C. E. L. Pratt, a Londoner known amongst a wide circle of friends, died at his home here, 236 Hyman street, Monday afternoon. The cause of death is given as heart failure.

Mr. Pratt had been holidaying at Lake Valley Grove, near Forest, and only returned home Monday. Although he had not been in the best of health for some time, it was expected that improvement would be shown after his vacation, and the news of his death came as a decided shock.

Mr. Pratt was born at Frome 40 years ago and moved to London as a boy. He learned the printing trade at the Free Press, where he worked for 30 years.

The funeral will be held from his late residence, Thursday. Interment will be made in Mount Pleasant Cemetery.

PEMBERTON D. LEARN.

Seized with a stroke while preparing breakfast at his home, 102, concession 1, Westminster Township, Pemberton Dewitt Learn, aged 73 years, died early Wednesday morning. Mr. Learn, who, with his son, Morton, had been living in bachelor style, the rest of his family being away, seemed in good health when he awoke and commenced getting breakfast and his death came with distressing suddenness.

Mr. Learn is survived by a number of sons and daughters: Gordon of Chicago, Harley and Claude of Seattle, Llewellyn of White Oak, Morton at home, Mrs. Russell Weldon of Littlewood, Mrs. Ernest Pearn of Delaware, and Mrs. Earl Agie of Dawn Mills. Rev. W. J. Kitley is to conduct the funeral services, Friday, at 1:30. Interment will be made in St. Thomas.

Appeals to Newsboy For Aid When Short of Cash to Pay Tax on Check

When his check was not honored at a local bank this morning because he had not attached a two-cent stamp to it, the bearer was in a predicament for a short time, but only for a short time. He did not have any change on his person.

Not wishing to break into the amount of the check, he rushed out into the street to borrow the two cents.

The first person he met was a newsboy from whom he buys a paper every evening.

"Lend me two cents," he said.

"Sure," replied the newsie.

Now the boy is telling his companions of the request, which to him seemed strange, for his customer always gives him silver and tells him to keep the change when he buys a paper.

CIVIC COAL FINDS MANY PURCHASERS

Mayor Announces Fuel Will Be Sold at \$15 Per Ton.

Coal, ordered by the city of London, and being distributed by dealers, is being rapidly sought by citizens, according to Mayor Cameron Wilson, who reported Wednesday morning that of the fifty car shipment, totaling 2,000 tons, but little remains undelivered. Dealers will commence delivering this coal, which is of the Ohio lump variety and of good grade, Thursday morning. Although it is of the soft variety it may be burned in furnaces.

The price of the coal, which is being sold at cost, plus a reasonable profit to the merchant, is being set at \$15 per ton, laid down in homes of London. In cases where the coal cannot be unloaded directly into cellars it is being transported in bags, provided by the dealers.

In addition to seven cars of the municipally purchased coal, which arrived via London and Port Stanley Railway, Tuesday morning, a large proportion of the fifty car shipment, has since reached this city. It is not expected that any more coal will be ordered for a few days, or until the local situation warrants such action.

"The coal dealers state that they are being swamped with orders," declared Mayor Wilson Wednesday. "They will go ahead and deliver their allotment to customers, Thursday morning at \$15 per ton. The city will experience no trouble whatever in getting rid of this fuel, but no more will be ordered at present."

BENCH REFUSES QUALIFIED PLEA

Charged With Car Theft, Farron Pleads Guilty and Not Guilty.

Four hours after an auto owned by Harry Marshall had been stolen from London streets Tuesday night, police had recovered it and arrested Andrew Farron and Sidney Middleton on charges of having stolen property in their possession.

Report of the loss of the car was made to the police at 10 o'clock last night. At 2:30 o'clock this morning the police met Farron and Middleton in the car returning from St. Thomas. Both prisoners were remanded until Friday, after electing summary trial in police court. The car was returned to its owner.

Farron pleaded not guilty, while Middleton declared he was "guilty and yet not guilty."

"I'll not take a qualified plea," Magistrate Graydon remarked. "I'll hear the evidence."

Farron objected to an adjournment of the case, claiming that he had nothing to do with the theft of the car. "I only asked for a ride and got it," he explained. "I'd like to get rid of this matter. I want to go to work this afternoon."

It was pointed out to both men that an adjournment of the case in order to bring crown witnesses from St. Thomas would benefit them.

NEW CAR RAILS FAIL TO ARRIVE IN TIME FOR PAVING

Expected Street Railway Will Have To Use Old Track on Dundas Street.

Owing to delay in receiving a shipment of curved rails required for the loop at Dundas and Hale streets, new tracks will not be laid in the pavement now under construction at this point. Although new rails are being laid by the London Street Railway Company on the new pavement on Dundas street east, it is pointed out that the switch and curved rails for the loop are a special job, which will not be completed in time for the pavement.

City Engineer Brazier states that in all probability the old rails and switch will be utilized until arrival of the shipment, when the change will be made. Regarding the crossing of the Grand Trunk tracks at Hale street, the engineer believes that this section bisecting the new pavement will be planned by the railway.

15,436 Children Attended London Playgrounds During Past Week

Reports issued for the week ending Aug. 26 show that 15,436 children attended city playgrounds, the picnic at Port Stanley and display at Thames Park during the six days. In addition, 29,302 children participated in games, but it is pointed out that of this number several are the same children who played in more than one contest during the week.

A total of 4,466 parents were in attendance at city playgrounds, or at the annual picnic during the week.

WILL BUILD NEW CHURCH IN LONDON

Progressive Spiritualists Take Out Permit for Structure on Rectory Street.

Another church is being added to London's edifices, a building permit having been taken out Tuesday for the construction of a place of worship for the Progressive Spiritualists of this city. The new building will be a temporary one-story structure, costing \$2,000. It will be erected on Rectory street.

Other building permits issued Tuesday bring this month's list to 111, the total estimated cost of the work involved being \$172,000. The latest building permits include the following: Dr. J. Wilson, for a one-story brick garage on Carling street, costing \$800; W. H. Smythe, for a two-story brick dwelling on Victoria street to cost \$14,000; J. H. Vanstone, for a two-story brick veneer house on Duchess avenue, costing \$5,500; W. J. Kilpatrick, for a two-story brick residence at 450 Grosvenor street to cost \$3,900, and C. J. Donnelly, for a one-story brick store, to be erected on Emery street, at a cost of \$2,500.

HOUSING COMMISSION WILL APPOINT ROOF ARBITRATOR

Expects Representative Will Be Man Familiar With Technical Side of Roofing.

Appointment of an arbitrator to assist in settling the dispute over defective roofs on Pine Lawn houses, between Hayman and Willis Contractors, and the London Housing Commission, will be made by the latter body at a special meeting Wednesday afternoon at five o'clock. Rather than carry out the course urged by the commission that the roofs be replaced by British Columbia shingles, the contractors have suggested that the controversy be submitted to arbitration, and agreeing to this, the commission will appoint its arbitrator Wednesday.

While the name of W. H. Winnett, a former alderman, has been recommended to the commission, it is likely that the representative appointed to the board of arbitration will be a man who is familiar with the technical side of roofing.

BRITISH MAILS

The next mail for Great Britain and Europe will close at the local postoffice at 10 a.m. on Friday, Sept. 1, to be forwarded via S. S. Regina, sailing from Montreal on Sept. 2. This mail will consist of letters and registered matter only.

Parcel post and newspapers close at 2 p.m. for dispatch via same steamer.

PLAN NEW STREET IN WEST LONDON

Property Owners To Deed City Land Parallel To Breakwater.

Provided that property owners will deed sufficient property to the city to construct a roadway sixty feet wide, a new street parallel with the London West breakwater, between Oxford and Argyle streets will be constructed. This action was decided upon by No. 2 committee of the city council Tuesday night after City Engineer H. A. Brazier reported that the property owners are desirous of selling building lots facing the breakwater and are willing to deed land for a street to the city.

He expressed the opinion that the owners would give sufficient land to create a new street sixty feet wide, as such an improvement will open up their property.

Will Scarify Street.

Oxford street from the bridge to Wharmcliffe road will be scarified at once, and new gravel will be placed on this thoroughfare, to the benefit of city employees. The engineer advised that this is the only solution to the present unsatisfactory state of the road.

"There are holes there you could drop me in and lose me," declared Alderman Drake, who declared that this road is in a frightful condition.

A complaint from residents of Evergreen avenue and vicinity was read, stating that the odor from the sewer station nearby constitutes a nuisance.

"It has been there 24 years," declared Mayor Wilson, referring to the station, "and would cost us \$20,000 to change."

"The medical officer has reported that it is not a nuisance to health," advised the city engineer. "Some changes will have to be made at this station when we install a siphon. That is a problem for next year and will be expensive. Nothing can be done now." The committee took no action on the complaint.

Flats To Be Bought.

On recommendation of City Engineer Brazier, it was decided to purchase the property near the Recreation Bridge, known as Hunt's Flats, and other land included in the Somerville Estate at the northwest extremity of Carfrae Crescent to eliminate a curve in that street and prepare a southerly approach to the proposed new Richmond street bridge. The cost of the land will be \$750.

"We ought to get ready for the new bridge, because Ridout street bridge is liable to go down any time," warned Alderman Drake. "I don't go over that bridge any more than I have to. Many good engineers have said that it is no safer."

"I have seen a lot of good doctors say a fellow was going to die and he got better," commented Mayor Wilson.

"Yes, and a lot of doctors have said a fellow would get better and he didn't," came back Alderman Drake.

City Engineer Brazier was instructed to prepare the grounds at Queen's Park for the Western Fair which opens next month.

WILL EXTEND HIGHWAY ANOTHER 3 MILES EAST

Good Roads Department Assures Dr. Stevenson That Work Will Be Commenced at Once.

In an interview with Dr. Hugh Stevenson Wednesday London's energetic M. L. A. announced that in a consultation with the Department of Good Roads, Toronto, Tuesday he had been assured of the extension of the cement highway which the department laid this spring east of London to within one-half mile of Crumlin, for another three miles east. This work will be commenced immediately, and it is expected that the road will be open for travel before the first snow.

Dr. Stevenson endeavored to have the construction continued through to Thamesford this year, but there is not sufficient time left to do so this season.

AUTO ASSOCIATION OFFICIAL GETS IMPORTANT POST

Ernest C. Cook of London Branch Is Transferred to Hamilton.

Important transfers have just been effected in the Automobile Legal Association.

Ernest C. Cook, who for the past four months has been superintendent of the London district, has been transferred to Hamilton, and is to be succeeded here by W. A. Gillan.

During Mr. Cook's brief term here he has been instrumental in increasing the membership in the association to the number of 1,800, and it is in recognition of his marked ability that the appointment has been made.

Mr. Gillan has been associated with the A. L. A. only three months, but in that time has been exceptionally successful, and has shown every sign of becoming an able and clever successor to Mr. Cook.

Compliments were paid to the executive ability of both men in the effecting of the transfers.

BISHOP APPOINTS RECTOR TO ST. MATTHEW'S CHURCH

Rev. T. J. Charleton, Formerly of Glencoe, to Succeed Rev. Harry B. Ashby.

Rev. T. J. Charleton, incumbent of Glencoe, has been appointed by the Bishop of Huron as the rector of the Anglican Church of St. Matthew, London East, succeeding Rev. H. B. Ashby, who was recently transferred.

Mr. Charleton comes to London from the parish of Glencoe and Appin, having been previously stationed at Mitchell, Port Burwell and Vienna, Horn in King's County, Ireland, in 1857, he was educated at St. Aidan's School, Birkenhead, Cheshire, England. He came to Canada 12 years ago from the diocese of Armagh, Ireland.

The new rector of St. Matthew's will commence his duties the second Sunday in October.

NEW RECTOR APPOINTED.

Rev. T. J. Charleton of Glencoe has been appointed rector of St. Matthew's Anglican Church, East London.

Council Refers Army Service Complaint To Reporters.

COMPLAINING that the Salvation Army services conducted in a tent on Oak street every Sunday constitute a nuisance, Mrs. Webber, 3 Oak street, has written a letter to City Clerk S. Baker. In the communication, which was read at the meeting of No. 2 committee of the city council Tuesday night, Mrs. Webber alleged that on Sunday "there is a noise all day," and "there are children running around."

Desiring to please all parties concerned, Ald. G. Bartholomew Dr. D. C. temporarily disposed of the complaint when he remarked: "I move that the newspaper reporters investigate this complaint and report back at the next meeting."

The motion carried.

TO SHOW CANADIAN MOVIES AT FAIR

Board of Directors Accept Offer of Government Films.

Moving pictures are to be one of the extra attractions offered at the Western Fair this year.

Secretary A. M. Hunt announced Wednesday morning that the provincial government had offered the board of directors free use of government films of an educational nature generally and depicting much of the beauties of Canada and the development of her natural resources.

A tent will be erected on the east side of "Society Row," which extends from the main building to the grandstand, and the moving pictures will be shown there throughout all Fair week.

Civic interest and co-operation in the Fair is being urged by the directors.

"The merchants of the city are showing a greater co-operation than ever before," stated Mr. Hunt. "Many of them are offering prizes, and they are buying hundreds of tickets for distribution to their patrons. We are anxious also that citizens should do some decorating while the Fair is in progress, and make London look like a gala town to the hundreds of visitors who are sure to be here."

WILL PLACE SIGNS.

Other members of the deputation declared that if no parking signs were provided by the city they would place them on the south side of Carling street during business hours, and at 5 p.m. would place them in their stores overnight. On these conditions the committee recommended that no parking of vehicles be permitted, and a bylaw to this effect will be prepared for the city council which meets next Tuesday night.

The committee decided to call for tenders for a new roof on the market house, costing \$450, and also to construct a sanitary sewer on Hill street, from William to Adelaide street, provided that the ratepayers concerned desire this improvement after being acquainted with the estimated cost.

POSTOFFICE TO OPEN FOR TWO HOURS LABOR DAY

Postmaster Issues Orders Relieving Employees of Duty on Holiday.

As Monday, Sept. 4, is Labor Day, the day will be observed in the London postoffice as follows, according to orders issued by the postmaster: The general postoffice will be closed on that day except between the hours of 8 a.m. and 10 a.m., during which period postage stamps will be on sale and the general delivery and registration wickets will be open.

There will be no delivery by letter-carriers, but special delivery letters received will be specially delivered. The outgoing mails due for dispatch after 12 o'clock noon will be closed at that hour. The night mails will be dispatched as usual.

Two clearances will be made from the street letter boxes, commencing at 7:30 a.m. and 7:30 p.m.

Money order, savings bank and postal note wickets will be closed the entire day.

Canadian National Board
in Dominion.

Special to London Advertiser.
OTTAWA, Aug. 29.—Negotiations looking towards the creation of a new board of directors and the final consolidation of the Canadian National Railways system have now passed directly into the hands of Premier King.

While reports regarding the condition of Hon. W. C. Kennedy, minister of railways, are satisfactory in character, the seriousness of the operation which he underwent in Montreal precludes the possibility of being again at work for a month at least. In the meantime the necessity of completing the new board is

English Children Fishing For Coal in Leicester Canal

LONDON, Aug. 29.—During the coal shortage in England all kinds of schemes have been resorted to to secure the black diamonds. Here you see children at Leicester fishing for coal in the canal at a point where it is lost while barges are loaded.

being daily borne in upon the government.

Three Appointments.
Already, pending consolidation three important appointments have been made on the Grand Trunk system. W. D. Robb has succeeded E. Howard Kelly as president of the company. W. C. Chisholm has become general counsel in place of the late W. H. Biggar, and W. Yates has become treasurer in place of Frank Scott.

All of these positions carry large salaries, and in the event of the removal of any of the appointees through consolidation of the National systems, they will secure superannuation on the basis of salary received. It is a matter of general knowledge that the chairman of the new board is still to be found, and that Mr. Kennedy temporarily laid down his duties without having discovered the wizard who is to drag the National system out of the slough of deficits. Premier King has taken up the search. It is understood that Canada has been combed without success and that the premier has turned his attention to the United States.

Seek Union Pacific Man.
He is understood to be in communication with several prominent railway magnates there, notably the president of the Union Pacific, and there is a rumor to the effect that a well-known official of the Great Northern has been suggested as a likely head of the Canadian systems. In the meantime there are reasons for believing that Major Graham Bell, deputy minister of railways, will be treasurer of the Canadian National.

Among the leading fabrics for fall are velvet, satin and crepes. Dark colors predominate with brown well in the lead.

LOCATES FATHER AFTER 19 YEARS

New York Citizen Joins Par-
ent After Long Search.

MONTREAL, Aug. 29.—Bernard Leveque of 316 West 26th street, New York City, came to the end of a nineteen-year-old quest in a Montreal hotel today, when he was reunited to his father who left him in an orphanage in Ogdensburg, N. Y., 28 years ago, when Bernard was only 5 years old. A 32-year-old photograph was the only clue the son had, his memory failing to sum up an accurate picture of his father as he had been 28 years ago.

When the couple met in the lounge of a hotel the son failed to recognize the gray-haired man who had inquired for him. But the father saw his tiny offspring in the stalwart man before him, and with a broken cry of "Papa" swept the other into his arms.

The death of his wife caused Leveque, sen., to place his two children, 7 and 5 years of age respectively, in an orphanage. That was 28 years ago. The elder child died soon after he was left in the care of the home, but the younger, Bernard, thrived and lived at the orphanage until he was 11 years old. Then he was sent to work on a farm of Keene Centre, N. Y. He was 14 years of age when he left the farm and went to New York City to earn his living.

Every year Bernard spent his vacation touring through the various districts of New York in search of his father. Three weeks ago he

chanced to visit the farm where he had worked for three years. He was told that five years ago his father had been there in search of him, but not being able to find him, had returned to Montreal, where he probably still lived. The son immediately set out for Montreal armed with a 32-year-old photograph of his father. He searched the city for some trace of his parent. Directories and telephone books led him on false trails, but he finally advertised. Last night Leveque had almost given up hope of ever finding his father, when he was told at his room in a local hotel that a stranger was inquiring for him downstairs. His joy in discovering the identity of the visitor knew no bounds.

Leveque, sen., will probably return to the United States to make his home with his son.

WILSON TO FACE VERDICT FRIDAY

State Says Ten or Fifteen
Rebuttal Witnesses Will
Be Summoned.

Defense Expected To Com-
plete Its Testimony On
Wednesday.

Special to London Advertiser.

LOS ANGELES, Calif., Aug. 29.—With the statement of the prosecution made late today that from 10 to 15 rebuttal witnesses would be called before the state would rest its case against "Herb" Wilson, former minister and millionaire bandit, charged with the murder of his pal and colleague Herbert Cox, when they were attempting to escape through the bridge of sighs, it appeared that the case could not possibly reach the jury before Friday evening.

The trial will be resumed tomorrow morning with the defense finishing its testimony. Attorney Paul Schenk, for the defendant, said that this would probably require about 30 minutes. Schenk plans to call three or four character witnesses to back up the testimony of Morris Wilson, after which the defense will rest its case. Provided the prosecution calls in the rebuttal witnesses the defense may be allotted time for sub-rebuttal, so that the final argument may not begin until Thursday.

While the defense attorneys do not anticipate that Judge J. Perry Wood will put any time limit on the argument, they are preparing themselves to meet any emergency that may occur in the final disposal of the case.

ANTHRACITE COAL TO BE \$23 A TON

KINGSTON, Aug. 29.—A local coal dealer is taking orders for a carload of American anthracite coal which is expected to arrive in a few days at \$23 a ton.

In explaining the high price, the dealer said he was obliged to pay a premium of \$3 a ton above the regular price.

TRAVELERS' FRIEND ASSISTS THOUSANDS

Mrs. Parker Gives Up Intensely Human Work To Enter Business.

"Have you ever helped to nip an eel in the bud?" was a question asked Wednesday afternoon of a sweet-faced, capable-looking young woman, in a business-like, dark tweed suit and sailor hat, the Y. W. C. A. travelers' aid badge conspicuous on her coat.

"If we did, that is one of the things we would never tell about," answered Mrs. Leila Parker, who has resigned her position with the local association to accept a business position after two and a half years of service.

Her smile robbed the reply of any severity, and she hastened to explain. "You see, when people attempt to elope they are usually very young and likely to be really after it, the better, and I think this applies to a good deal of our travelers' aid work. It should speak for itself in the service it gives to strangers, inexperienced, sick, sorrowing."

Sunshine and storm, Mrs. Parker has been faithfully at her post, now at one station, now at another, the first secretary in the history of the work in London to stay down for the late trains in the evening.

How many has she assisted in two and a half years?

Referring to her book of records, easily accessible, she discovered that with Miss Anderson, in six months of her first year, service had been extended to 6,160 travelers. "Probably," she said, "I looked after half or 3,230 of these, and this does not represent the total number by any means. The figure one, standing for a mother, frequently includes a number of children as well. I do not believe it would be too much to claim that each traveler's aid secretary gives at least some small assistance to between eight and ten thousand people in a year, and that in two and a half years I have greeted or been greeted by twenty thousand or more human 'ships'."

"Many have been just as ships that pass in the night to be lost sight of

very quickly. Others have returned to the city again and again, always showing a friendly attitude towards the travelers' aid and good memory for help given. Sometimes, in a very unusual case, a letter has come back expressing appreciation, or telling what happened after.

"As a Y. W. C. A. worker, my first duty has been to the young girls and young women traveling alone and in need of information, advice or other help. The day's work brings to us mothers, traveling with small children; elderly people, who perhaps are a bit timid; crippled, blind, deaf, sick people, on their way to and from hospital; worried people, sorrowing people, and sometimes very happy people."

"While the work is sometimes strenuous and causes anxious moments, it has its compensations. It is such very human work, bringing one so vitally in touch with real people, that I have always enjoyed it and found it satisfying. Again, the way has been made easier through the courtesy and co-operation of officials and associates."

Thursday will be Mrs. Parker's last day on duty as travelers' aid secretary and already Miss Muriel Elliott of 523 English street has been coaching for several days in order to fill the position temporarily. No permanent appointment will be made until the September meeting of the Y. W. C. A. board, the first after the holiday season.

CHAMING LONDON GIRL MARRIES IN PORT ARTHUR

Munro-Wardrope Nuptials Smart Social Event of This Week.

An event of interest to friends in all parts of Ontario is the wedding of a well-known London girl, which takes place on Thursday, Aug. 31, in Port Arthur, the marriage of Mary Louise (Tot) Wardrope, third daughter of Mr. and Mrs. J. W. Wardrope, 87 Elmwood avenue, and granddaughter of the late Rev. Dr. Thompson, to Keith Munro, son of Mr. and Mrs. John Munro of Port Arthur. The nuptial service takes place at 8 o'clock Thursday evening in St. Paul's Presbyterian Church, Port Arthur, after which a reception will be held at "Hillcrest," the beautiful home of the bride's sister, Mrs. J. A. Little, and Col. Little.

The bride, who will be given away by her brother, George Wardrope, of Wardrope, Ont., is wearing a wedding gown of white satin, embroidered with pearls, with long court train, and the conventional veil. Miss Grace Munro, sister of the groom, is to be bridesmaid, and Harry Hogarth of Port Arthur best man.

Following a honeymoon up the Nipigon River, the young couple will take up their residence in Port Arthur. The bride-elect has been spending several weeks with her sister, Mrs. Little, and many gay social events have been arranged in her honor during the past month.

ter, Mr. Wilson and Miss Marjorie.

Miss Elsie Jensen, Toledo, Ohio, is spending a week or two renewing acquaintances in the city. The guest of London Miss Jensen is the guest of Mrs. Mary Phelan, 430 English street.

Mr. and Mrs. L. S. Walden and young daughter Anne have returned to their home on Victoria street after spending the past two months by the lake at Bayfield.

Miss Ruth Wardrope, who is training to be a nurse in the Akron City Hospital, Akron, Ohio, is spending her holidays in town with her parents, Mr. and Mrs. J. W. Wardrope, 87 Elmwood avenue.

Mr. and Mrs. Charles Williams of Timmins, Northern Ontario, motored to the city recently, and are staying with Mr. Williams' parents, Mr. and Mrs. John Williams, Elmwood avenue.

Mrs. J. B. Stapleton of the staff of child welfare nurses, is back in town after a happy three weeks' vacation spent in Grand Bend at the summer cottage of her mother, Mrs. Grieve of this city.

Miss Eleanor Reynolds, the popular bride-to-be of this week, was married at a shower at the home of Mrs. Florence Graham on Friday evening. A number of her girl friends spent a very enjoyable evening.

Mr. and Mrs. Charles H. Elliott, Elmwood avenue, South London, motored to Port Huron Monday, this week, with their grand-daughter, Miss Margaret Elliott of Lansing, Mich., returning on Tuesday. Miss Elliott left for her home Wednesday morning.

Upon returning home from Quebec, where they enjoyed a three weeks vacation, Rev. Canon G. B. Sage and Mrs. Sage were delightedly surprised to find that during their absence the congregation of St. George's Church, West London, had made various improvements in the rectory.

Mrs. E. C. Bowker and small son, John, leave Thursday for Gordon Bay, Muskoka, where they will be guests in the summer home of Prof. H. W. Auden and Mrs. Auden. Later, Mr. Bowker will join Mrs. Bowker in Muskoka for a visit in the summer home of Mrs. W. B. McMurrich of Toronto, on Lake Joseph.

Rev. Dr. D. L. McCrae and Mrs. McCrae left Monday afternoon for Hamilton and St. Catharines to visit friends, also combining church work with pleasure. They will return at the end of the week. Dr. McCrae will occupy the pulpit of the First Presbyterian Church on Sunday in the absence of Dr. Beattie, who hasn't yet returned from England.

Miss Marjorie Morton, for the past twelve years general secretary of the Regina Young Women's Christian Association, arrives in the city Thursday to assume her new duties as general secretary of the local association. She has been holidaying for the past few weeks at Milford Bay, Muskoka.

A charming affair, given in honor of Misses Ora White and Jean McCrimmon, whose marriages take place next month, was the handkerchief shower and tea, given by Mrs. Ross Johnston Tuesday afternoon. At the tea hour, Mrs. George Fraser and Mrs. Ora Newton presided at the attractive tea table. The handkerchiefs presented to the guests of honor, in dainty baskets, lined with mauve and pink streamers.

One of the summer season's jolly events was enjoyed by a number of young people at the home of Mr. and Mrs. Thomas Copp, Worsley road, when their daughter, Miss Edith, gave a shower in honor of her friend, Miss Heather Wilson, whose wedding takes place the latter part of this week. As the guests arrived, Miss Norris played Lohengrin's Bridal Chorus, and in marched a wee bride of three years, accompanied by the young groom, aged five. Little Doris Parker impersonated the bride, demure in conventional wedding costume, the frock, with its long train veiled in lace, caught with orange blossoms. Master Clifton Worth made a dignified diminutive groom, in full dress suit and carrying a silk hat. They were followed by Master Worth's little white woman, who drew in a little while a woman overflowing with beautiful gifts for the real bride-elect. Miss Wilson responded in a graceful manner amid the congratulations of her friends. A dainty supper was served in the dining-room, where a pink and white color scheme in decoration was carried out with artistic effect.

MAIL-BOX RULES.
1. Write on one side of paper only.
2. Sign name and address on back.
3. Include stamped envelope when asking for patterns, recitations, etc.

SAYS THANK YOU.
Dear Miss Grey,—May I come in for a few minutes? I just wish to thank you for the splendid and complete answer to my question regarding a layette. I do think that the Mail-Box does quite a wonderful work apart from its share in the hospital. I am sending parcel and vegetable to the hospital, but as the party did not sign a pen name, I do not know if she is a Boxite. Am enclosing HAPPY.

Did someone write and ask for the vegetables, happy? It must have been one of the boxites, as no one else would know where to send for them. It is very good of you to share your vegetables with the less fortunate. Many thanks for remembering our hospital fund with the generous mite.

CAMPBELL BECHER CHAPTER, I. O. D. E.
Dear Miss Grey,—I thought I must drop you a little note to let you know that I received such a splendid layette on Monday from the Campbell Becher Chapter, I. O. D. E. Everything is already cut out. I am just so delighted with it that I cannot express to you how really thankful and grateful I am.

I never have experienced such kindness, and I do hope that they understood how much I appreciated it, and dear Miss Grey, I should never have received all this kindness, had it not been for you. Such a big burden has been lifted from both myself and husband. Yours truly, HOPE.

The Campbell Becher Chapter, I. O. D. E., has been more than kind to the boxites. Hope, I am so pleased to hear that you have received such a lovely layette, and to think that they were all cut out ready to make. I am delighted to think that I was able to obtain assistance for you. We will be interested to know how you are getting on, so will be pleased to hear from you from time to time.

CHOOSES A NEW NAME.
Dear Miss Grey,—I wrote a few weeks ago and enclosed a letter for Berkshire Lass, and it was returned to me, not known, so there must have been a little mistake somewhere, but I thought if I didn't "grunt" too hard she would be sending in "aqueal" for me, so now would you kindly let me have her address?

So you thought my penname not very "classic," and so maybe

CARMEN DOES IRON MAN STUNT WITH TWO WINS

Listless Games Mark Last Appearance of Wolves Here This Season and Slight Gain On Hams.

LEFTY CARMEN southpawed all over the Wolves yesterday answering the roll call with two wins, 4-2, and 3-1, to sweep the series marking the farewell appearance of the Pack here this season, and one of the leanest visits they ever made here.

All the scoring with one exception was done by the Tecs after two men were gone. The Wolves, lulled into a trusting state, fell ready victims to this wily sort of an attack in both the games, featured as they were by more or less listlessness on the part of the visitors. It wasn't until the late innings that the Pack displayed, but they couldn't seem to break away from a "when-do-we-can't" brand of play, and each morning looking at the standing and the number of games still to play cannot exactly fill them with fighting spirit.

Ancient History.

Anyway, harking back to two years ago, these same Wolves nipped Carmen for the only two defeats he suffered that season. He has had partial revenge a number of times since, but after yesterday's two wins over the subdued Pack he can wipe the slate clean. With Koecher and Hereford off the line-up the Wolves don't stalk the big game any more, and they feel they're lucky if they run across a few half-starved rabbits or even a few old hairy Beavers once in a while.

Zeigler opposed Carmen in the first, and Heitzman in the second, and both were the victims of opportune swats, whereas the hits the Wolves achieved didn't harmonize with runs. Malmquist's double and Schaefer's single in the first frame of the afternoon after two were gone produced the first Tee run.

Again in the second Cogan delayed the ordinary procedure after two were gone by stirring a two-bagger to right. Carmen followed with a hit at short and stole second. Both scored when Stimpson's smash almost tore the corner off third base and landed him on second. That was half of them. They varied the attack slightly in the fourth, getting out two up hitting Stimpson and Cogan. Stimpson sacrificed Cogan and Cogan singled to left. Tate dropped Malmquist's fly, and the two runners came in.

Guest's double in the eighth came in as a run when Knoll got his second hit of the game, a single to middle.

Heitzman got through the first inning, and had Schaefer and Mackey away in the second, thanks to Hargis' fine catch of the left's liner, when he made the mistake of walking. Gadsby's Simon's had throw on Boyle's grounder advanced him to second, from where he scored on Cogan's single to right. Getting no response from the Wolves, the Tecs led two more in the fifth, singled by Stimpson and Butler and a walk to Malmquist, filling the bases. Schaefer's long single to centre was the proper caper at this moment.

The Pack threatened to expose their fangs in the sixth. Heitzman started it by handcuffing Boyle with a wicked smash that took the Londoner off his feet as well. Hargis sent one down at second which Gadsby traveled over so fast to get that he was set to make the throw at second, and hesitated about first until it was too late. Knoll drew a walk. Whaley, next up, lifted a long sacrifice fly to centre to score Heitzman. Carmen struck out the next two.

Tate, who didn't get a hit in the series, would have departed with one and probably started something with his hot smash in the seventh, but Buck Boye marvellously knocked it down and Carmen got the putout at first. Matuzak singled, but Guest was an easy groundout, and Heitzman, all ready to leave the park with his sweater on, took the role of dumb waiter and watched three go by.

LEAFS BLANKED, 8-0 BY DUNN CREW

TORONTO, Aug. 29.—Baltimore defeated the Leafs here today by 8 to 0. Farnham was in great form, allowing only five hits, three being in the last two innings. Lawry hit two home runs. President Tiede attended and witnessed some rare, wrangling with the umpires. He fined Anderson \$25, and Umpire Phyle accused Farnham the same amount for foul language.

The score: R.H.E. Baltimore 001 010 240—8 5 1 Toronto 000 000 000—0 0 0 Farnham and Styles; Thompson and Vincent.

One-Eyed Connelly Has Traveled 200,000 Miles To See Fights and Never Paid a Cent

ONE-EYED CONNELLY

Have you ever heard of James "One-Eyed" Connelly, the world's champion gate crusher? A famous guy is James. He has seen every important prize fight since 1887 and has never paid a cent—never paid a cent and that time he lost his seat. He has traveled more than 200,000 miles to see these various battles, and never dished out a penny for fare.

Connelly is an old fighter. He fought back in the gladiators as a student under Lowell Jimmy Gardner. His career was blighted by half blindness, dating from a ring battle in which the lace of his glove struck the pupil of his left eye, destroying the sight. But the love for the game is still in him, and if he doesn't see a fight "there won't be none."

Connelly began his "gate crushing" system in California. It was a particular fight in Vernon, some 200 miles from Los Angeles, that he found that a scum of bullies had commandeered his seat and he had to take the best he could get, a tree-top far from the ringside. Right then and there he tore up his ticket and resolved he'd never buy another—and he hasn't.

He traveled over 11,000 miles of ocean to see the Johnson-Burns argument, which was a real passer that he went and he was at the ringside as Burns' second. He saw the Willard-Dempsey fight, after the bucks had been passed all over the place. It looked dark for Connelly for a while. Gamblers were giving odds as to whether "One-Eyed" would be on hand or not. But he said he would, and when the song sounded—he was. He saw Dempsey battle Carpenter. Richard fixed him up. He planted him at the end of the arena, as Connelly puts working his way down the pine boards, however, was kicked from seat to seat, and finally, when the song sounded—he was at the ringside.

U.S. PAIR TURN BACK PATTERSON-WOOD

Tilden, With Molla Mallory, Gets Mixed Doubles Title.

BOSTON, Aug. 29.—The United States national championship in lawn tennis doubles remains in the United States. The Australian invasion, which had as its triple objective the Davis Cup, the doubles title and the singles championship, was defeated in its second phase today when W. T. Tilden II. and Vincent Richards, playing through tired, turned back Gerald L. Patterson and Pat O'Hara Wood, anti-podean stars, after losing the first set. The score was 6-4, 6-3, 6-4.

The match had a double significance because of its bearing on the doubles play in the forthcoming Davis Cup tourney for which the contenders of today have been regarded as the probable nominees.

Against the rush of Tilden's booming service, Richards' smashing volleys and their complete court-covering, the individual effort of O'Hara Wood availed little, although it shone at times. Patterson had an off-day. One of the greatest servers in the tennis world, he lost as many service games as he won.

YANKEES HIT WALT JOHNSON FREELY

Homers Necessary To Win, Though, 3-1.

NEW YORK, Aug. 29.—The New York infield gave Sam Jones remarkable support today and the American League champions defeated Washington 3 to 1. The Yankees hit Johnson freely, especially in the early innings, but the latter's 27th of the season, to score two of their three runs.

The score: R.H.E. Washington 100 000—1 6 0 New York 011 100 000—3 1 1 Johnson and Pincus; Jones and Schang.

UHLER BLOWS UP.

CLEVELAND, Aug. 29.—After holding the Browns to one hit in seven and walking two hitting another and allowing four hits, all of which reduced five runs and gave St. Louis a 6 to 3 victory.

The score: R.H.E. Cleveland 001 000—6 5 1 St. Louis 010 100—3 9 2 Kopp, Van Gilder and Severide; Uhler, Edwards and O'Neil.

TILLIE'S 32ND.

PHILADELPHIA, Aug. 29.—Gallo-way's homer in the tenth inning gave Philadelphia a 6 to 5 victory over Boston today. Clarence Walker made his thirty-second homer of the season.

The score: R.H.E. Philadelphia 010 300 010—6 5 1 Boston 020 000 000—5 12 0 Tillie and Chaplin; Rommel and Perkins.

WHITE SOX NICK TIGERS.

DETROIT, Aug. 29.—Sheeley's home-run over the scoreboard with Johnson on base won a ten-inning game for Chicago here today, 5 to 3.

NEW YORK, Aug. 29.—The state boxing commission today announced that Young Montreal of Providence, R. I., and Roy Moore of St. Paul, Minn., bantamweight boxers, had been suspended for 60 days. The action is taken as the result of the disqualification of both at the Knickerbocker Club on Aug. 21.

Recall of Pitchers About Wrecks Hams.

HAMILTON, Aug. 29.—Sam Robertson, president of the Buffalo International League Club, this morning wired both Weenecke and Tomlin to recall the players to Buffalo in time for tomorrow's game. Mr. Robertson feels that he has not been fairly treated by the Hamilton management, as he loaned the two players at a time when Hamilton was badly in need of pitchers, and it was some weeks before he could get the Hamilton Club to file optional agreement, papers required by the National Association. Yesterday Mr. Robertson sent the secretary of the Buffalo Club here for the purpose of arranging for the two players to finish out the season here, as under the agreement they are supposed to be back in Buffalo by Sept. 1, but was informed that Secretary Les Brooks was in Buffalo for that purpose. Brooks had no conference with Robertson, and the result was that the Buffalo president had no other way of protecting himself and the club and had to recall the players.

As Philadelphia has ordered Hamilton to report by September 1, it means that Hamilton will have to send Andy Miller, who is on the sick list at present, and Dick Hughes to finish out the season.

TORONTO MAN LEADS IN PUBLIC LINKS TOURNEY

TOLEDO, Ohio, Aug. 29.—J. F. Christie, Toronto, who represents Canada in the United States public links golf tournament, eliminated the brilliant Harry Scharf of New York in a match which went two extra holes today. As a result, he will compete in the third elimination round tomorrow morning in an attempt to win his way into the semi-finals, to be played tomorrow afternoon.

Christie is paired with Eddie Held, St. Louis, for the morning round tomorrow.

CUBS STRENGTHEN HOLD ON 2ND RUNG

Wed Game, With 34 Players In, Goes To 15-11 Total.

ST. LOUIS, Aug. 29.—Chicago strengthened its hold on second place by defeating St. Louis 15 to 11 in the first game of the series. Thirty-four players participated in the pastime and each side used five pitchers. In the eighth Grimes hit a home run, scoring Terry.

The score: R.H.E. Chicago 100 040—15 14 3 St. Louis 020 000—11 15 3 Alexander, Jones, Stueland, Osborne, Kaufmann and O'Parrell; Pfeffer, arfoot, North, Perlica, Sherdel and Almsmith, Clemons.

ST. MARYS JUNIORS TRIM CLINTON IN O.L.A. PLAYOFF

CLINTON, Aug. 29.—The semi-final game of the O. A. L. A. between Clinton and St. Marys was played here this evening and proved to be an interesting game throughout, and although the score was 11 to 2 in favor of St. Marys, it did not indicate lack of ability on the part of the Clinton team. The field play was very even, but the St. Marys goalkeeper was almost invincible. The line-up was as follows:

St. Marys—Goal, Stephens; point, Yates; cover point, Richardson; first defense, Hueter; second defense, Moss; centre, White; first home, D. Louch; second home, W. Louch; outside home, Bane; inside home, Hobbs; Donald, Brown, Riddle.

Clinton—Goal, McDonald; point, R. Middleton; cover point, W. Mutch; first defense, Carter; second defense, G. Middleton; centre, N. Cook; first home, J. Graham; second home, J. Nediger; outside home, W. Fulford; inside home, H. Lawson; subs, Robertson, Higgins, Ellis.

Referee—H. L. Stewart, St. Marys.

Condition Serious

HON. J. A. STEWART.

PERTH, Aug. 29.—The Hon. J.

A. Stewart, K.C., M.P., ex-
minister of railways, who has
been confined in the Royal Vic-
toria Hospital, Montreal, for the
last few weeks, has suffered a
slight relapse, and his condition
is considered serious.TURKS OPEN BIG
ATTACK IN ASIAApparent Attempt To Force
Decision Before Coming
Venice Conference.Constantinople Cut Off and
Ports On Black Sea
Closed.CONSTANTINOPLE, Aug. 28.—
The Turkish Nationalists are en-
gaging all their well-equipped troops
in a relentless offensive against the
Greeks in Asia Minor, in an appar-
ent attempt to force a decision be-
fore the opening Venice conference
with representatives of the allied
powers.Before the Turks launched their
attacks against Arjunkarahissar
they had neglected nothing to make
sure of the success of their plan. All
ports on the Black Sea had been
closed to navigation, and railways,
telegraphic and postal communica-
tions with Constantinople had been
suspended. These measures gave the
first indications here that an offen-
sive was being planned.The Kemalists, taking special care
to choke any information which
might possibly reach the ears of the
enemy, had even cancelled all per-
mits to Constantinople.Up to the last moment before the
offensive started the Turkish troops
had been massed at points where
the bulk of their forces could be
brought into action. A number of
local actions and feinted offensives
had been carried out a few days be-
fore the offensive started, the idea
being to shatter the Greek front and
harness the Greek defenses. The
Turks made a number of surprise
attacks south of the Meander River,
resulting in the capture of a series
of villages. At the same time groups
of raiders crossed the river and car-
ried out a few successful operations.
Most of the operations were di-
rected against the wings of the
Greek army, although the supreme
effort of the Nationalists, according
to a communiqué, was being di-
rected against the Greek centre.PASSES NEW YORK
STATE FUEL BILLLegislature in Extraordinary
Session Carries Measure
Without Dissenting Vote.ALBANY, N. Y., Aug. 29.—Without
a dissenting vote the New York Leg-
islature in extraordinary session to-
day passed the administration bill,
providing for the creation of a
single-headed fuel administration,
and an appropriation of \$10,000,000
to cope with the shortage due to the
coal strike.Two days after the Legislature
had adjourned Governor Miller en-
acted the measure as law by sign-
ing the bill. In less than 24 hours
after the Legislature had been con-
voked in extraordinary session the
state was thus officially embarked
on a drastic policy of fuel control
to continue during the existent
emergency.Under the authority of the new
law Governor Miller will, within the
next day or two, appoint a state fuel
dictator, armed with a maximum of
power to regulate the use, sale and
distribution of coal within the state,
with further power to control mar-
gins of profit, and to prevent profit-
eering and hoarding.URGES INDIANS IN B. C. BE
GIVEN FULL CITIZENSHIPWINNIPEG, Aug. 29.—"British
Columbia must shake off her old
prejudices and fall into line by car-
rying out the promise made on her
behalf by Hon. Arthur Meighen, then
premier of Canada, at the conference
in London that 'in the interests of
the solidarity of the British common-wealth, the rights of resident Indians
to full citizenship shall be recog-
nized."It may help doubters to point out
in the end that while no increase is
possible to the East Indian popula-
tion here the passage of time will
necessarily reduce it and wipe out the
Indian population in the course of a
generation or two."This was the statement of Right
Hon. V. S. Srinivasa Sastri, mem-
ber of the council of state of India,
when addressing the Canadian Club
at luncheon here today.WILL TRY LONDON
MEN IN SEPTEMBERStates No New Developments
of Crown in Wyoming
Bank Robbery.SARNIA, Aug. 29.—S. B. Gadsden
of the American Trust Company, To-
ronto, who played a prominent part
in the Wyoming bank robbery trials
last June, is in the city today con-
fering with Crown Attorney F. W.
Willson with regard to the trials of
George Anderson, John Yohn and Ed-
ward McMullen, which are expected
to take place at the supreme court
assizes commencing September 25.Mr. Gadsden states there were no
new developments from the crown
side that could be made public, but
indicated that the crown may spring
a sensation when the time arrived.
He stated that touch was being
maintained with Mrs. Olive Keohler,
who is residing in Detroit, and would
be available when required to give
evidence in the case. He said that
Mrs. Keohler received an amount of
about \$300 from the Bankers' As-
sociation as part of the reward
claimed.THIS WEEK

FINDS MAN'S BODY
IN MONO SWAMPFarmer Makes Gruesome Dis-
covery While Searching
For Missing Pig.ORANGEVILLE, Aug. 29.—James
Montgomery, a Mono Township far-
mer, made a gruesome discovery
while searching for a missing sow
this forenoon in a swamp on Herbert
Smith's farm, immediately back of
his place, when he came across the
badly-decomposed remains of a
middle-aged man.In the pockets of the dead man the
coroner and officer found a black
leather bill-fold containing a \$5 and
a \$2 bill and some silver, a silk hand-
kerchief with the letter "L" workedin one corner, a red-covered memo
book with the date 1918 and the name
George W. Long, Montreal, written in
lead pencil inside the cover, a pair of
glasses and gold chain, a tobacco
pouch, knife and other small articles.On the cover of the bill-book was
stamped the words: "Imperial Accident
and Guarantee Company, To-
ronto." The pockets also contained a
Toronto street railway transfer ticket
dated July 25.In a rotten log about ten feet from
the body, the officers found an un-
cooked bottle marked "carbolic acid".
The bottle, which was nearly empty,
had been thrust bottom upward into
the decaying wood and was nearly
buried from sight. Considering it im-
possible to obtain any evidence that
would throw further light on the
tragedy, Dr. Rooney decided that it
would be useless to hold an inquest.The remains were accordingly given
burial in Greenwood Cemetery late
this afternoon.186,000 ATTEND
TORONTO "EX"TORONTO, Aug. 29.—Young
Canada had the right of way at the
national exhibition today, and the
turnout was fair—186,000—in spite of
the cloudy skies and some showers in
the early forenoon. The attendance
for the corresponding day of last
year was 230,000. For the first three
days the attendance this year was
315,500 as against 250,000 for the
same period last year. The premier
of Canada, Right Hon. William L.
Mackenzie King, was a visitor to the
exhibition today.
Children from the Protestant and
Catholic orphanages of the city were
the guests of the fair of the welfare
committee of the Mystic Shriners and
the Knights of Columbus, who pro-
vided food, car-rides, visits to the
midway and other treats.We saw a car on a rough road
hitting on all four—wheels.AUTO HITS BUGGY
AT WALLACEBURGWalpole Islander and Wife
Thrown From Their
Carriage.

Special to London Advertiser.

WALLACEBURG, Aug. 29.—Isaac
Paul and his wife were driving to
their home on Walpole Island when
at the end of Dufferin avenue a
large car attempted to pass them.
The car caught the wheels of the
buggy and overturned it, also the
horse.Mr. and Mrs. Paul were badly
shaken and the buggy was completely
wrecked. It is understood that the
police have the number of the car
and further developments may fol-
low.The Wallaceburg Agricultural So-
ciety is preparing for its fall fair.Offers \$1,000,000 To
Buy Welsh Coal.MONTREAL, Aug. 29.—An
anonymous citizen has
written to the Montreal Board
of Trade, announcing that he
and two associates are willing
to finance the purchase of
Welsh coal to relieve the short-
age in Montreal, caused by the
strike of miners in the United
States, up to \$1,000,000.
The writer says no interest
will be charged on the money.
The board of trade met this af-
ternoon and appointed a com-
mittee to consider the offer.which will be held on Sept. 26 and
27. About 70 special prizes are being
offered, also \$300 race money, which
will be divided in two races—the 2:30
class and the farmers' race. Other
attractions will include baseball and
lacrosse, boys' and girls' races and
a baby contest.
The little daughter of Herb. Tye
was this afternoon knocked down
and run over by a cyclist on James
street. Beyond being badly bruised
and shaken up, her injuries are not
considered serious and she is being
treated by Dr. S. A. Richardson.SHOOT'S DRIVER
OF COLLINS' CARCORK, Aug. 29.—Charged with
having driven the automobile in
which Michael Collins rode to his
death, Edward I. Sherwood, an En-
glishman, was taken from his residence
this morning by an armed band and
shot. His wounds were not mortal,
however, and after feigning death for
several hours he escaped and made
his way to a hospital.
Pinned to his breast was a tag in-
scribed: "Convicted spy. I. R. A.
Beware!"DAKOTA BURLGLARS
SECURE \$3,000 CASHFARGO, North Dakota, Aug. 29.—
Burglars, who last night blew the
locks off the vault doors of the
Farmers' and Merchants' State Bank
at Thorne, Rolette County, escaped
with nearly \$3,000 in cash and a few
liberty bonds. C. MacFadden, sec-
retary of the State Bankers' Asso-
ciation, announced today.ERMINE AND MONKEY.
Ermine and monkey fur is an odd
combination, noted in the fur dis-
plays. The ermine makes the body
of the three-quarters length coat,
and the monkey fur makes the col-
lar and cuffs.
