RYAN—O'NEIL

A very pretty wedding was solemnized in St. Mary's R. C. church on Wednesday morning, October 8th, at 9 o'clock, when the Rev. Father Padden united Mary Frances, eldest daughter of Mr. and Mrs. J. C. O'Neil 221 Darling street, in the holy bonds of matrimony with John P. Ryan of this city.

The bride entered the sacred edifice to the strains of Lohengrin's wedding march, played by Miss E. Phillips. The bride, who was attired in white charmeuse satin entrain opening over silk shadow lace, and wearing a bridal veil of orange blossoms and carrying a shower bouquet of yellow mums, was given away by her father, Miss Annie O'Neil, sister of the bride, attired in white marquisette over white satin, acted as bridesmaid, Louis Ryan, brother of the groom, was best man. During Mass, Miss Eva Deringer, of La Salette, sang sweetly "Ave Marie," and during the signing of the register, Miss Anna Flannagan of North Bay, rendered a sacred solo. After the wedding, in the guests returned to the home of the bride where a dainty wedding breakfast was served, after which a reception was held. The young couple left on an evening train for Buffalo and other points to spend their honeymoon, and on their return will reside at 124 William St. The bride's travelling suit was of fawn Irish poplin, with hat to match.

A PETITION TO TIME

Touch us gently, Time!
Let us glide adown thy stream
Gently, as we sometimes glide
Through a quiet dream.
Humble voyagers are we—
Husband, wife and children
three.
One is lost—an angel fled
To the azure overhead.
Touch us, gently, Time!
We're not proud, nor soaring
wings.
Our ambition, our content,
Lies in simple things.
Humble voyagers are we.
O'er life's dim, unshrouded sea,
Seeking only some calm cove.
Touch us gently, gentle Time!

Bowling

The final games in the novice series of the Heather tournament were played yesterday afternoon which brought to a close one of the most successful club tournaments which has ever been held.

In the semi-finals, Mr. D. Morrison won out after a close game with Mr. E. Sweet, and in the final game against Mr. A. F. Wicks was again the victor by a good margin. The prize for the winner was a pair of bowls, presented by Mr. F. E. Tobias. Mr. Wicks was given a pair of golf cuff links and Mr. Sweet a gold tie pin.

Two rinks of Heather bowlers went over to Paris yesterday afternoon and had a fine game with the local bowlers, but had to be content with the short end of the score.

In the finals last night at the Dufferin Club, for the Harry Cocksutt trophy, the rink skipped by R. D. Dymond, won from the rink skipped by O. Morris by 5 shots. The game was close throughout and the trophy was won in the last two rounds. The skip was a runner-up in the games for this trophy last year. The following is the personnel of the rinks: F. Chaffin, lead, E. A. Hughes, second, Hugh Howie, third, R. D. Dymond, skip; T. J. Hurley, lead, A. Carman, second, Harry Sills, third; O. Morris, skip.

The first year the trophy was won by a rink skipped by C. Cuthbertson and last year by a rink skipped by N. Creech. The date on which the trophy will be presented has not been decided.

At the Y. M. C. A.

Mr. W. F. Whelen, general manager of the Park-Davis Drug Co., Buffalo and a prominent Buffalo churchman was the speaker last night at a reception given by the Y. M. C. A. to pastors, men's clubs and brotherhoods with gentlemen and lady friends. The auditorium was well filled. Mr. Whelen spoke on the relation of the Y.M.C.A. to the church. Mr. C. Cook was the chairman. Rev. Llewellyn Brown led in devotional exercises.

The musical program was provided by the Colborne St. choir which rendered very acceptably, "Come Let Us Join" by Churchill and "Great and Marvelous" by Farmer. Mrs. Leeming rendered "The Lord is My Light" by Allites. The musical program provided was very excellent and the work of the choir spoke for the excellent training given by Mr. G. C. White, leader and organist. Previous to the program the visitors were escorted through the building.

"BULLET" JOE BUSH BEAT THE GIANTS

Mask's Colt Pitcher Had Terrific Speed and Sharp Curves.

(Continued from page 7)

Giants for the first time and realized how much depended upon him. With more than 35,000 fans ready to cut bedlam loose in case he wobbled. Bush needed the advice of Schang and the infielders, who told him to shoot the ball over and see what would happen. Bush, accordingly, steamed the first ball over for Herzog and it was a strike. Herzog fouled the second one, two strikes. The third was a curve that was just inside of the plate, and Riegler called it a ball. The fourth strike, but Riegler couldn't see it. The fifth was a wizzer over the middle of the pan, and looked like a third strike, but Riegler couldn't see it that way. Bush, however, cut the plate with another and Herzog grounded to Barry, who threw him out. Bush pitched the first two balls wide to Doyle, and got the third over for a strike. Doyle hit the fourth out, and the ball bounded out of Bush's hand as he reached high for it. Captain Larry receiving a scratch hit. The yelling of the crowd was enough to rattle any youngster, and when Fletcher came to the plate the Athletics were urging the young pitcher to keep cool. He had two strikes and a ball on Fletcher when a fast in-shoot struck Fletcher on the wrist, and he took his base. A fearful racket dinned in Bush's ears as Burns walked up to the plate and the youngster delivered two wide balls, one of which was marvelously dug out of the earth by Schang, who probably prevented a wild pitch. Burns fouled the third ball, and hit the fourth one on a line to Collins, who caught it and then tossed it to Barry for a double play that retired the Giants. Bush looked relieved as he went to the bench, where Mack and the other players complimented him for his steadiness, a form of jollying

which produced disastrous results for the Giants later on. When Bush finished the game Collins grabbed him around the waist and hugged him. Barry, Baker, Schang and McInnis surrounded the youngster near the visitors' bench and patted him on the back. Mack congratulated him heartily, and then a mob of Quaker fans fairly hid him from view as they escorted him in triumph off the field.

Mack Was Delighted

Mack was so delighted with the success of Bush that it was said before he left here for Philadelphia last night that unless he changed his plans he would send either Bob Shawkey or Carroll Brown against the Giants at Shibe Park to-day. Mack seemed to think, so the Athletic players said, that it would be wise to save Chief Bender for Saturday's game at the Polo Grounds. Bender, the players stated, would be able to pitch to-day in case of an emergency, but inasmuch as Mack now has an edge on the Giants with two out of three games, he would be more inclined to take a chance with another youngster, believing that McGraw would fall back upon Mathewson on Saturday. As for the Giants, it was firmly believed last night that McGraw would use Demaree to-day. Tesreau probably was more surprised than anybody when the Athletics found his curves so easily, but there was a reason. From the Athletic camp came the interesting information that Chief Bender, sitting on the bench or standing on the coaching lines, had tipped off Tesreau's intentions to the various batsmen. It was not claimed that Bender read the signals, but that he noted several peculiarities as to Tesreau's methods of delivering each ball, so that he was able to tell the Mackmen how to know in advance whether the big Giant pitcher intended to use a spitter, a fast, slow or curve ball. It was admitted freely, however, that the crafty Indian, although he tried his best, could not fathom the methods of Christy Mathewson at Shibe Park on Wednesday, and for that reason the Athletics were at the mercy of the old master.

Must Win Two More Games

When Connie Mack was asked what he thought of the series as it stands at present, he replied: "We must win two more games to come out on top and we are going to try mighty hard to accomplish the feat between now and Saturday evening. But baseball is so uncertain that I do not care to make a prediction. Let us play one game at a time. Bush certainly pitched beyond my expectations. After the first inning he had

the Giants on the hip. I never saw a more confident youngster. Every time he came to the bench after an inning he said that he knew he had the Giants' measure. Schang handled him superbly. The only fault that that could be found with Bush was the start he allowed several Giants to get when they tried to steal. Schang had to throw some difficult balls, and that perhaps was the reason why he missed a couple of stealers. My boys hit the ball on the nose, and that tells the story."

MACK HAS THE JUMP ON THE GIANTS NOW

[Canadian Press Despatch] PHILADELPHIA, Oct. 10.—The Athletics have now faced the pitching of Mathewson, Marquard, Crandall and Tesreau, three of whom are the pick of New York's twirling stars, while the Giants have batted against Bender, Plank and Bush. Each of the Philadelphia pitchers finished his game without assistance, but of the New York moundmen only Mathewson, winner of the wonderful ten-inning victory against Plank, completed a game. Manager Mack has Shawkey and Brown in reserve, while McGraw has Demaree, but neither manager has given an intimation who would be used. Mack said that he was "not worrying a bit about pitchers." "The result of yesterday's game bore out my claim that we had young pitchers who could be compared to any on the Giants' staff," said the Athletic manager. "Of course, a club that is equipped with hitters does not have to depend so much on good pitching to win. Mathewson tried a wonderful game against us, but I do not think one pitcher can win a world's series. The other pitchers in our younger set are just as eager to show in the series. Bush was actually disappointed because he had a three run lead when he went in the box. Epoch n

Football

COURIER CUP SEMI-FINAL.

The semi-final game for the Courier Cup will be played at the Agricultural Park to-morrow afternoon, the Y.M.C.A. and the Dufferin Rifles being opposing teams. Both teams are trained right to the minute and the game should be a good exhibition of football. The game last Saturday was witnessed by a large crowd of spectators but the attendance at the game to-morrow will no doubt be very much larger. The collection what ever it will amount to will be donated to a charitable institution.

Y.M.C.A. Notes.

The Y.M.C.A. team will play the Duffs on Saturday in the semi-final of the Courier Cup. A good game is expected. The team will be as follows: Tigwell, T. T. Mason, B. Holland, Harrington or T. Goodrich, C. Roberts, A. Clark, Hilsley, T. Hamilton, J. Holland, C. Foynter, F. Fisher, Reserves, B. Palmer, Vipond. All players are requested to be at the Armouries at 3.15. The game is called at 4 o'clock sharp. T. Roberts is expected to be at this game. The team wishes to share the loss of Mr. and Mrs. J. Holland in the loss of their youngest child.

The Duffs. On Saturday next at Agricultural Park the Y.M.C.A. and Dufferin Rifles meet in the semi-final of the Courier Cup. This will undoubtedly be a great game, both teams being very evenly matched.

Investigation Will Prove That We Give the Most for the Money in Men's Clothing

Sixty years of this finding out process have brought us the largest clothing business in the city, and each year our leadership becomes more pronounced. Now it will be perfectly clear to any man who gives the matter the least thought that such remarkable success could result only from remarkable inducements. We've had to give more for the money and we do. We sell you clothing made in our factory, with but one cost added to the cost of making. In any other store you have to pay two profits—the maker's and the retailer's. This is why the same grade of merchandise costs in other stores 25 p.c. to 33.1-3 p.c. more than our prices. But even this great saving in price wouldn't account for the wonderful growth of our business if our clothing failed to reach the highest standards of style and quality. Investigation has proved these facts to many men and always to their advantage. Investigation will prove them to you. Why not investigate at once? At \$8.50, \$10 and \$12, you can get a new Fall Suit or Overcoat that regularly sells for \$12.00, \$14.00, and \$16.00 elsewhere. At \$15.00, \$16.00 and \$18.00 you can buy a handsome new Fall Suit or Overcoat that regularly sells at \$18.00, \$20.00 and \$22.00 elsewhere. At \$20.00, \$22.00 and \$25.00 you can buy the very best new Fall Suit or Overcoat that regularly sells for \$25.00, \$28.00 and \$30.00 elsewhere.

GATE COMPANY MANAGER IS MISSING; HIS ACCOUNTS SHORT

H. Ralph Steele of Canada Gate Company, Guelph, Alleged to Have Got Away With \$4,000 of the Firm's Money.

GUELPH, Oct. 10.—H. Ralph Steele, Manager of the Canadian Gate Company, is missing and the revelation is made that he is short in his accounts to the extent of at least \$4,000 with the company, of which he has been in charge since its inception some three years ago. Rumors to this effect have been going about the city for several weeks past, but it was impossible to obtain anything authentic until yesterday. Mr. J. B. Clay of Cedar Falls, Iowa, owner of the parent concern of the Canada Gate Company, being approached, stated he did not care to discuss the matter, but on presentation of many salient facts, he admitted their truth. Mr. Clay says that Steele's operations have given him a good deal of worry. He has been at

work some time trying to straighten things out and ascertain just what the situation is. He stated that the customers of the company would be protected in every way, the business was being run as usual, and they will go ahead and operate and pay all debts.

It is understood that the manipulation of notes at the bank and the concealment of some of the contents of the ledger (which was of the loose leaf system) and entries in Steele's personal account, were the means by which Mr. Clay, who acts as his own auditor, stated he did not care to discuss the matter, but on presentation of many salient facts, he admitted their truth. The Sacred Day Of Atonement

Jewish Sabbath of Sabbaths Begins To-night in Synagogue.

The Day of Atonement, considered to be the holiest day in the Jewish calendar, will be observed by the holding of special services Friday evening at 6 o'clock, and all day Saturday. Sermons on the importance of the occasion will be preached. According to biblical injunction the Day of Atonement is to be observed by confession of sin, but while confession of sin brings forgiveness of sin to man from his Maker, things between man and man are not forgiven until redress is made. The Day of Atonement is therefore the occasion of the cessation of quarrels and feuds, and is known as the Sabbath of Sabbaths when Jews are at peace with all the world. Prayers in the synagogue are intoned in plaintive, penitential, somber tones on this occasion. The Day of Atonement is a fast day, and Jews the world over touch no food from Friday evening till Saturday evening, and spend all of Saturday in the synagogue. For some time the Hebrews of the city have been working on a plan to erect a synagogue for their accommodation, and at last have decided to go ahead with the work. The members of the Jewish community have been doing so, and a good sum of money has been secured by subscriptions. Within a few days an appeal will be made to the general public to assist in erecting a new Jewish church home.

THE LORDS OF THULE.

The lords of Thule it did not please
That Willegis there bishop was;
For he was a wagoner's son.
And they drew, to do him scorn,
Wheels of chalk upon the wall.
He found them in chamber,
Found them in hall,
But the pious Willegis
Could not be moved to bitterness.
Seeing the wheels upon the wall,
He bade his servants a painter call.
And said: "My friend, paint now
for me
On every wall that I may see
A wheel of white in a field of red;
Underneath, in letters plain to be read—
"Willegis, bishop now by name,
"Forget not whence you came!"

The lords of Thule were full of shame.
They wiped away their words of blame.
For they saw that scorn and jeer
Cannot wound the wise man's ear.
And all the bishops that after him came
Quartered the wheel with their arms of fame.
Thus came to pious Willegis
Glory out of bitterness.

ABOUT LAKE ERIE AND NORTHERN

It is Denied That the C.P.R. Owns the Road—Other After it.

The Expositor has made the statement that the Lake Erie and Northern Railway would be likely to be taken over in the near future by the Canadian Pacific Railway.

The statement is just as true as that Mackenzie and Mann of the Canadian Northern may get the line. There is a strongly defined rumor that Barkis is quite willing as far as they are concerned.

It is of course very difficult to get at the bottom of such talk as that going around and all that one of the gentlemen interested would reply when questioned by a Courier man was that whatever might happen public interests would be fully safeguarded and served.

It is certain that the C. P. R. has not one dollar interested in the road and the incident that C. P. R. construction engines are in use on the line, is no evidence to the contrary for the reason that they have been rented from said company, and the Lake Erie and Northern directors are paying the regular rate for their use at the usual rates.

As to motive power there has been a very careful investigation as to the comparative advantages of steam, electricity or gasoline. Either is permissible under the by law and decision has not yet been reached.

It is expected that whatever transpires the line will be in operation to Galt before Christmas and to Port Dover before spring.

It may also be remarked that the Grand Trunk Railway people are rumored to be anxious to get a right of way from their Tilsonburg line on a lower level along the Buffalo and Goderich line to the Eastern part of the city in order to secure better freight in connection with the Cock-shutt, Verity, Adams and other factories. It might be a good idea for the city authorities to look into this matter.

CANNOT ESCAPE BY HUNGER STRIKE

Militants Members of Arson Squad Will Not be Again Released.

LONDON, Oct. 10.—Home Secretary McKenna has availed himself for the first time of the reservation in the "Cat-and-Mouse" Act, under which serious offenders, whose determination to commit fresh crimes if they are released after a hunger strike is certain, will not be released. It was announced today that Mary Richardson and Rachel Peace, members of the "arson squad," will try the hunger strike in vain as a means to obtain their freedom, and they will be forcibly fed.

This announcement of the Home Office implies no change in the administration of the Act as applied to minor offenders.
