The Attention of the ladies is particularly directed to the request that
Mite Boxes be sent in next Tuesday. The Convention year is near its
1:1-1: and the money must be in the hands of the treasurer. "Freely ye
:20: e received, freely give."

The Association by resolution recommended the use of the Individual
Communion Cup in all our churches. Three Baptist Churches in the Mari-
e Provinces have adopted them and speak their praise in the highest
ns. It is hoped that the number will be greatly increased before another
sociational meeting. The change is sure to come about in all our
arches. It is only a matter of time with those who move slowly. The
18th Church is not behind in any good work and may always be expected
lead.

This is the last regular Sunday for Convention offering, and an effort
will be made to day to have the contributions as large as possible. It
All will be impressed on each that a united effort is required to make up the
deficit, and that the books for the current year are closed on the 31st inst.
