Which is Your Choice?

Sloppy, leaky wooden troughs,
or clean, durable Concrete?

Wooden drinking troughs are about
as reliable as the weather.

They are short-lived and require re-
placing every few years—not to mention
continual patching to keep them in repair.

The best of wood cannot withstand,
for long, constant dampness and soaking.
Its tendency to rapid decay soon shows
itself in leaks and stagnant pools of
water around trough.

Contrast with this the durability,
cleanliness, and well-ordered appearance
of Concrete.

The dampness which destroys lumber
only intensifies the strength and hardness
of Concrete.

You can impair a wooden trough with
comparatively little use; but it takes a
powerful explosive to put a Concrete water
tank out of business.

Which

is your choice—expense-producing Wood,
or money-saving Concrete?

We'd be glad to send a copy of our
book, "What the Farmer Can Do With
Concrete,"—Free—if you'll ask for it.
It tells the many uses of Concrete in plain,
simple language—tells how to make it.

FEAR DIGBY MAN WAS MURDERED

Search for Missing Edward
McGregor Without
Result.

John Tebo, Jr., Taken Into Custody
Charged With Theft of Money
From Much-Sought Man.

Digby, N. S., Oct. 31.—John
Tebo, Jr., was arrested in Digby by
Chief of Police Cowles this after-
noon on suspicion of stealing
money from Edward McGregor,
the missing man. His preliminary
examination will commence to-
morrow morning before Stipen-
diary Magistrate Harvey.

The mysterious disappearance
of McGregor, a story of which ap-
peared in Friday's Telegraph, is
now the talk of the town. Your
correspondent accompanied the
chief of police on a thorough search
of the missing man's premises late
Saturday afternoon. It was
learned that McGregor left in his
working clothes, that he had evi-
dently had no intention of being
gone for any length of time. It
was also learned that he had saved
up considerable money while living
alone, which he continually carried
on him, the supposed amount
ranging, according to various
stories, from \$250 to \$600.

A large searching party again
went through the woods yesterday
and today, but no signs of the
body could be discovered. That
he met with foul play is now the
opinion of almost everybody in
that vicinity as well as the people
of this town.

All sorts of stories, of course,
are being told, but only a regular
investigation by the proper author-
ities will bring out the facts. St.
John Telegraph.

SAVED CHILDREN BUT LOST HIS LIFE

Beverly Railway Employee
Ran Down Track to Scare
Little Ones off the track
and was Killed.

Lynn, Mass., Oct. 31.—To save
three small children, who had
wandered on to the railroad tracks
in front of an express train,
Stephen Jones, a Boston & Maine
carpenter, gave up his life today.
The children were crossing the
tracks near the Chatham street
grade, when Jones spied them.
Shouting, he ran toward the spot
and succeeded in scaring the chil-
dren so that they ran out of dan-
ger, but in his excitement and
anxiety the man failed to notice
how close the train was upon him-
self and the engine struck him. He
was almost instantly killed. Jones
was fifty-five years of age, married,
and lived at Rialside, Beverly.

ONTARIO BAPTISTS ASSIST CAMPBELLTON

Toronto, Oct. 25.—The afternoon
and evening sessions of the Baptist
convention on Friday were marked
to enthusiastic demonstrations of
missionary enthusiasm. This en-
thusiasm took the form of dollars and
cents.

In something like two hours, in the
latter part of the afternoon and in the
evening, a sum exceeding \$40,000 was
contributed chiefly toward defraying
expenses of the foreign and home
mission work of the church. Nearly
thirty thousand dollars was raised in
the afternoon.

The contributions began coming in
immediately after the reading of the
annual report of the foreign missions.
The report itself was somewhat
lengthy, and the reading occupied a
large part of the afternoon. It dealt
especially with the work being
carried on in the Telugu at Cocanada
in India. The Vizagapatam mission
had been taken over from the London
Mission Society, thus bringing to-
gether the Baptist missions in India.

At 8 p. m. the meetings were con-
tinued, when Bloor street church was
crowded. The proceedings opened
with a song service, under the direc-
tion of Rev. W. E. Boyer, B. A.

The Rev. Dr. Stobo, vice-president
of the convention, presided, and in-
troduced the Rev. Mr. Schurman of
Campbellton, N. B. Mr. Schurman
gave a brief outline of the devastation
caused by fire in Campbellton, and
made a strong appeal for funds to re-
build the church and other buildings.

The appeal was not in vain may
be gathered from the fact that from
the collection alone he received \$337,
while other donations during the
evening were granted to the pastor
and congregation amounting to \$750
or in all \$1,087.

Mr. Schurman, in thanking the
assembly for their generosity, re-
marked that the first cheques he re-
ceived after the great fire in Camp-
bellton were from Baptists of the city
of Toronto, and now they had come to
the front with an even greater proof
of their generosity.

HARRY J. BAIG, A SUICIDE AT MONCTON

Arrested for Strange Con-
duct on Train. Hanged
Himself in Lock-Up.

Moncton, N. B., Nov. 1.—Harry
J. Baig a Jewish junk dealer of St.
John, hanged himself in the Mon-
cton police lockup this morning be-
tween five and half-past five o'clock.
Baig had been taken off No. 9
train on its arrival here from Am-
herst and was locked up, charged
with cutting and destroying seats
in the car. Shortly after 5 o'clock
when Thomas Donnelly, night call
man, had occasion to visit the cells,
a shocking sight met his gaze. As
he flashed a light into the steel
lattice cell occupied by Baig he
was horrified to see the prisoner
suspended by a rope from the top
of the cell apparently lifeless. The
man who had been placed in the
cell about an hour and a
half before was cold in death. Con-
stable Donnelly notified Coroner
Purdy of the occurrence a few
minutes after his discovery.

When the night express from
Halifax arrived at Moncton at
three o'clock this morning, the con-
ductor reported Baig for creating
a disturbance on the train and cut-
ting the seats. Officer Dryden at
once took the man into custody
and found him apparently suffering
from some mental trouble. The
I. C. R. officer telephoned for the
city police patrol and had the man
sent to the lockup. Upon arrival
at the police station, Baig was
searched and \$97.67 and a flask of
whiskey were found on him. He
told the police he was going to St.
John. The unfortunate man was
about 35 years of age. A piece of
rope was used by Baig to end his
existence, but where he got it the
police say they are unable to un-
derstand. An inquest will be held
by Coroner Purdy.

St. John friends of the unfor-
tunate man were greatly shocked
to hear of his suicide. It is said
he was a temperate man, but that
he had been acting strangely for a
month or more. He leaves a wife
and six children, living on Pond
street.

DEATH AT CHATHAM OF MRS. CATHERINE O'SHEA

Chatham, N. B., Nov. 1.—After
an evening spent in Halloween
games with her grandchildren, Mrs.
Catherine O'Shea, aged 72, widow
of William O'Shea, retired to bed
and was found by her daughter,
Mrs. James McLaughlin, a few
minutes later with her hands crossed
upon her breast and sleeping
her last long sleep. Dr. Duffy was
at once notified, but nothing could
be done. Mrs. O'Shea and her
husband were natives of Ireland,
and emigrated first to the States
and then to Prince Edward Island.
Eleven years ago they settled in
Chatham, and about seven years
ago Mr. O'Shea died. Mrs. O'Shea
leaves a daughter, Mrs. James
McLaughlin, with whom she lived,
and two sons, John and Patrick, in
the States. The funeral will be
held to-morrow morning.

THE SINGLE TAX.

At the present time the press of the Dominion from Atlantic to the Pacific are discussing the single tax question. Throughout the west the question has been a live issue, and at a recent election in Vancouver a large majority of the Aldermen elected were pledged to make this reform.

At the present time the same question is being discussed in St. John. Saturday's Telegraph says: "Why do so many people with money leave St. John? Why is it so difficult to get people to invest money in local enterprises? Would the exempting of municipal bonds help the difficulty?"

These questions embodied in a letter sent out on October 15 by Mayor Frink to bank managers and capitalists in the city, asking for an expression of their opinions,

have resulted in a number of replies, suggesting various reasons for the adverse conditions, and also suggesting possible remedies. Practically all agree that the present system of taxation is the great fault.

The opinion of one of the most prominent bank men was that the city should go in for a single tax; that real estate should bear the load and especially the unimproved real estate in St. John. Block after block of land is held unimproved, he claimed, while the growth of the city is going westward (toward Lancaster and Fairville), outside the reach of the assessors. He contends that the present system of taxation encourages the holding of land unused, to the detriment of the neighborhood; it bears hard upon the salaried man and discourages families from settling up a home.

The present system of taxation, in the opinion of this man, restricts people coming to the city and compels a large number to leave each year. He goes on to say that he believes there is no lack of capital in St. John for industries worthy of it. He also advocates strongly the sale of all city leasehold property and contends that the growth of the city is retarded by its ownership.

In Campbellton there has been much dissatisfaction and complaint in regard to the assessments of the past. Now that we are erecting a new town, why not embrace a new system. The single tax reform is the most up-to-date and we see no reason why Campbellton could not adopt it for its next assessment.

The Doctors Question.

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Relax Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Relax Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c and 10c. Sold only at our store—The Rexall Store—T. Wran.

TAINTED LARD POISONED NORTH SHORE FAMILY.

Dalhousie, N. B., Oct. 30.—As a result, it is believed, of the use of tainted lard compound in the preparation of fish for dinner on Friday last, Mr. and Mrs. Joseph Barthe and two of their children were made quite ill. The members of the family who ate the fish were stricken so suddenly that Dr. A. G. Ferguson had to be hurriedly called and while they are out of danger are still ill.

TOWN COUNCIL HELD MEETING

Resolution of Thanks to Union of N. B. Municipalities.

The Town Council met Tuesday afternoon and among other business passed the following resolution.

Moved by Coun. M. M. Mowat, seconded by Coun. A. McG. McDonald—That the Town Clerk be instructed to communicate to the Union of N. B. Municipalities through J. W. McCready, Hon. Sec.-Treasurer of the said Union, the sincere thanks of this Council for their very generous donation of one hundred dollars towards the funds of the corporation. Carried unanimously.

A largely signed petition from ratepayers was read praying that Sugarloaf, from Gerrard to the River be not cut off. This was laid on the table.

The committee in charge was instructed to proceed at once with the erection of a suitable lockup on the town lot.

The meeting was adjourned with the understanding that another meeting be held Thursday.

DALHOUSIE JCT.

Dalhousie Junction, Oct. 27.—The home of Mr. Wm. Draper was the scene of a happy social gathering on the evening of the 24th inst., when a number gathered to bid farewell to the catechist, Mr. A. McKay.

After spending a short time in social intercourse the following address was read and presented by Miss Margaret Shaw.

Mr. Alexander McKay, Dear friend

We have met here on this eve of your departure from among us to bid you farewell. While we regret that the pleasant intercourse we have enjoyed together as preacher and people is about to cease and duty separates our ways, we shall not soon forget your faithfulness and unfailing kindness toward us, your thoughtfulness and sympathy among our afflicted, and the many ways in which you have endeared yourself to us during the past six months. We ask you to accept this purse as a small token of our esteem and we pray that as you go forth to resume your studies the Great Teacher Himself may be yours, that you may continue to grow in all grace, until at last you attain that perfection of which he alone is the source.

Signed on behalf of the people of Dalhousie Jct.

The address was accompanied by a purse of \$20. Mr. McKay replied in a few well-chosen fitting words. He felt that the generosity of the people exceeded his deserts. He had done nothing more than his duty. He also hoped that the strong bond of friendship which had been established might continue to exist.

This is the second time the people of Dalhousie Jct. have remembered their student. It speaks volumes of the kindness and generosity of the people towards their ministers, and also of the ability and popularity of Mr. McKay. For two summers he has laboured faithfully in this field and the results of his work are plainly apparent. In the spring of 1911 he graduates from Pine Hill college into the sacred calling of the ministry. We wish him all success in his chosen life work.

CEMENT RESIDENCE

Contractor W. H. Wallace has erected a handsome cement block residence on his lot, lower Water street. The basement is made absolutely fireproof, and the residence itself is a handsome piece of work and adds much to the appearance of this end of the street.

THE ONE FLAG FOR SAFETY.

A detailed story of the Portuguese rebellion, published in European newspapers just a hand, shows better than could any patriotic sermon, the feeling of Europe towards the British Empire.

The revolutionists, once the revolution was accomplished, devoted their entire diplomacy to having Britain acknowledge the new republic, knowing that nothing would be secure until that happened; and that once such recognition was agreed upon other European nations would follow suit.

The fugitive king and royal family took refuge under the British flag at Gibraltar, and have now landed in England, the only country in Europe that could give them shelter in their exile, without risking a disturbance among its people.

The American consul at Lisbon, when the bombardment was at its hottest, abandoned his consulate and took refuge on a British ship, under the British flag.

In Lisbon, during the bombardment, a large monastery of Portuguese, Spanish and Italian monks, in order to save their property, hoisted the British flag on their buildings—and the republicans even in the first flush of their victory respected everything beneath its folds.

In time of trouble, when ordinary support and safety fails, the Union Jack seems to be a mighty good banner under which to take a stand. The fact that men of half a dozen different world powers preferred it to their own flag, when trouble arose in Lisbon, is about as flattering and convincing a proof as the most skeptical would require.—Ottawa Journal.

Seventy Nine Years Young

"Fruit-a-tives" Keeps Health Perfect

OTTERTOWN, Ont., July 8th 1910.

WILLIAM PARSONS, Esq.

Obstinate Constipation, Paralysis of the Bowels and Stricture of the Bowels can never be cured by common purgatives, salts, senna, "liver pills" and oil. They have positively no action on the liver. They do not increase the secretion of Bile, which nature provides to move the bowels. They merely irritate the membranes lining the intestines. One may as well try to cure a headache by pounding one's head against a stone wall, as to try to cure Constipation with common purgatives. "Fruit-a-tives" is the only true liver stimulant. "Fruit-a-tives" is fruit juices and nerve tonics, and will always restore the liver to its proper condition and cure the most obstinate cases of Constipation. See a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

DOMINION GOVERNMENT MAKES AMENDMENT

Ottawa, Nov. 1.—It is understood the government will shortly deal with Campbellton's application for aid.

Campbellton asked for the government to undertake for a number of years the payment of interest on some \$200,000 of municipal debt.

It is understood that the dominion government is willing to extend aid, in view of the unusual nature of the catastrophe, but prefers to do so finally this year.

Therefore, instead of assuming the interest on the municipal debt for a number of years, the government will ask parliament to vote a lump sum for the relief of Campbellton. Probably \$80,000 will be the figure.

Give Children Good Bread and Butter

YOU may say bread is bread and all children want plenty of it. In a way, that's true.

But it makes considerable difference whether the bread you give your children now counts just as a "filler" or whether it counts for future health. For there is a vital difference between breads made from different flours.

The most healthful as well as the cheapest food in the world is bread made from

Royal Household Flour

This bread isn't merely something to fill a hungry stomach. It is a perfectly balanced food, rich in strengthening, blood-making material.

It counts for long life. It counts for a vigorous constitution. It counts for bone and muscle making and good rich blood.

And this because "Royal Household" is made from the finest wheat in the world—the famous Red Fife—richest in high quality gluten, most in demand, and most valued in all the markets of the world.

Growing children thrive on bread made from "ROYAL HOUSEHOLD". It gives them just the nourishment their systems need and is the most digestible and tempting food.

And it is natural food. It takes the place of meat, at one quarter of the cost, and is more quickly assimilated.

There is no better flour in the world than "ROYAL HOUSEHOLD", it is best and most economical for Bread, Pies, Cakes, Rolls, Muffins, Biscuits, and all family baking.

WANTS HER LETTER PUBLISHED

For Benefit of Women who
Suffer from Female Ills

Minneapolis, Minn.—"I was a great
sufferer from female troubles which
had caused a weakness and broken
down condition of the system. I read
so much of what Lydia E. Pinkham's
Vegetable Compound had done for
other suffering women I felt sure it
would help me, and I must say it
did help me wonderfully. My
pains all left me, I
grew stronger, and within three months
I was a perfectly well woman.
I want this letter made public to
show the benefit women may derive
from Lydia E. Pinkham's Vegetable
Compound."—Mrs. JOHN G. MOLDAN,
2115 Second St., North, Minneapolis,
Minn.

Thousands of unsolicited and genu-
ine testimonials like the above prove
the efficiency of Lydia E. Pinkham's
Vegetable Compound, which is made
exclusively from roots and herbs.

Women who suffer from these dis-
tressing ills peculiar to their sex should
not lose sight of these facts or doubt
the ability of Lydia E. Pinkham's
Vegetable Compound to restore their
health.

If you want special advice write
to Mrs. Pinkham, at Lynn, Mass.
She will treat your letter as strictly
confidential. For 20 years she
has been helping sick women in
this way, free of charge. Don't
hesitate—write at once.

HAD A NARROW ESCAPE

A young man alighting from the
Maritime Express at Campbellton had
a narrow escape from serious injury.
Before the train had stopped he
alighted, and his foot slipped on the
frost covered platform. Fortunately
he fell towards the station and rolled
under a baggage truck, from which
he emerged not seriously ill.

WASH THAT ITCH AWAY

It is said that there are certain
springs in Europe that give relief and
cure to Eczema and other skin diseases.
If you knew that by washing in these
waters you could be relieved from
that awful itch, wouldn't you make
every effort to take a trip to Europe
at once? Would you not be willing to
spend your last cent to find the cure?
But you need not leave home for
these distant springs. Relief is right
here in your own home town.
A simple wash of Oil of Winter-
green, Thymol and other ingredients
as compounded only in D. D. D.
Prescription will bring instant relief
to that terrible burning itch, and
leave the skin as smooth and healthy
as that of a child.
If you have not already tried it
write the D. D. D. Laboratories, Dept.
C. D. 49 Colborne St., Toronto, for a
free trial bottle, and prove its
wonderful effectiveness. We assure
you of instant relief. For sale by all
druggists.

THAT SANITARY BILL
The relief committee or some mem-
ber of it, in explaining how the mon-
ey sent in for the relief of the Camp-
bellton sufferers had been expended,
stated that nearly \$1000 had been
spent for necessary sanitary arrange-
ments after the fire, and intimated
that this amount should have been
paid for by the Town. If this amount
of money was spent it was money
virtually wasted. The closets were
erected and probably the amount hon-
estly spent but no person was ap-
pointed to look after them and we ven-
ture to say that inside a month not half
of them were in service, while today
there is not one in a fit condition for
a human toilet. The need of such
closets is nearly as pressing today as
it was right after the fire, but no
steps are being taken to remedy this.
We would suggest that the local
Board of Health, which was not con-
sulted in the previous arrangements,
take the matter in hand and see if
satisfactory arrangements cannot be
made without the expenditure of so
much money and the work be in evi-
dence for a longer period of time.

"PROGRESSO" Every Inch An Overcoat

Let that name sink into your mind. It is in your interest to remember it when the need of a new Overcoat suggests itself. It is not easy to find an Overcoat that is a perfect fitting, dressy garment, and at the same time is really serviceable in our changeable winter climate. It is less easy to create one. "PROGRESSO" Overcoats represent the acme of our long experience, and possess that happy combination of style and wear so eagerly sought. Ask your dealer to let you examine the new featured collar, so useful in storm or sunshine, and can only be found in a genuine "PROGRESSO".

REV. A. E. BURKE WAS BOYCOTTED

Toronto, Oct. 24—"Be it resolved that the editor be refused admission to any meeting of the United Irish League in future and that this resolution be published in the daily newspapers of Toronto, the Canadian Freeman, Kingston, the Catholic Record, London, and United Canada, Ottawa."

This was the resolution passed by the local branch of the United Irish League last night, F. J. Roche presiding. The editor in question was Rev. Father Burke, of the Catholic Register. What the league objected to was an article published in the Register following the O'Connor meeting here recently. "Irish affairs often get

into ruts," it said. "There is a small class of professional Irishmen everywhere butting in on these occasions, that is neither good for creed nor country and the decent element of the community is about sick and tired of them and their pretensions. This sort of thing could not fail to have a discouraging effect and the distinguished speaker was quite aware of it himself."

Previous to passing Father Burke's banishment as above there were some warm speeches in which the Register article was quoted as a wanton insult and an outrage to the canons of ordinary journalistic decency.

ABBIE WOOD BEAT FRED CAMERON ON A FOURTH TIME

Outsprints Him at the Finish—Ran Seventeen Miles Instead of Fifteen on Montreal Track—Both run at New York Friday.

Montreal, Oct. 31—Abbie Wood of Montreal, defeated Fred Cameron, of Amherst N. S., in a fifteen mile race at the Jubilee rink here this evening.

With the exception of a couple of laps in the second mile, Cameron made the pace all the way until the last lap. Wood hung with in striking distance of him all through, and on the start of the last lap started a sprint that swept Cameron off his feet. At the finish Wood had the race by about thirty yards.

This was the fourth race between the Montreal and Amherst runners, and each time, the Montreal man has won by his speed at the finish. He has been able to hang to Cameron's pace at any distance from ten to fifteen miles, and then outsprint him in the final dash to the tape.

The time of the race was one hour, 38 minutes and 35 seconds, but it was discovered afterwards that the men had run nearly 17 miles. The runners complained when the time for the first mile 5.56, had been hung up that there must be a mistake either in the timing or in the measurement of the track. The error, half way through the race was found to be in the track measurement, but the men finished out the race on the basis of thirteen lap to a mile, and

ran just a fraction under seventeen miles.

Wood and Cameron leave for New York tomorrow where the former will team up with Meadows, and the latter with Holmer in the twenty mile race at Madison Square Garden, Friday night.

Halifax, N. S., Oct. 31—Fifty-six long distance runners from all parts of the maritime provinces competed in the Halifax Herald's annual ten-mile championship road race in Halifax today.

In 1907-8 the race was won by Hans Holmer, and last year Fred Cameron was the winner. Today Michael Thomas, a fleet long-distance Indian from the Abegweit Club, of Charlottetown, captured the race, and is now the amateur champion long-distance runner of the maritime provinces.

Thomas took his lead at the start and was never passed during the ten miles, finishing first. A feature of the race was the large number of Indians entered, four red skins being among the first six to cross the finish line.

The team prize for the first four men to cross the finish line was won by the Cheluctos of Halifax, with the All-St. John team second.

Sterling, of St. John, was looked upon as a winner, but not in condition for today's race and only got fifth place.

The winner's time was 58.52 2-5.

Marriages,

On Wednesday, Oct. 20th, at the St. Paul's Valley church, by Rev. E. B. Hooper, rector, Wm. Fraser Napier, of Campbellton, to Mary Kilgour, only daughter of the late Kilgour Shives.

At Matapedia, on Sept. 28th, by the Rev. C. A. Hardy, Tide Head, Sarah E. Thomas of Robinsonville to George A. Murray of the same place. They will reside in the West.

At Glencoe, Oct. 5th, by Rev. C. A. Hardy, Thomas Long to Phoebe Beebe. They will reside in Glencoe.

At Dawsonville, Oct. 25th, by Rev. C. A. Hardy, Ina G. Gracie, youngest daughter of Thomas Gracie, to James M. Adams of Glenelvit. They purpose living in Glenelvit.

VACANCIES FILLED

Chas. A. Alexander was elected by acclamation to fill the vacancy on the Council board made vacant by the resignation of S. S. Harrison, Councillor at Large, and Mr. Alex. McLennan has been elected by acclamation to fill the vacancy from Ward 3, caused by the resignation of Coun. P. McNichol. The two new councillors are both men actively engaged in business and will doubtless make good councillors.

THE EXILE OF ERIN

Now that Rev. Father Burke, editor of the Catholic Register, has been forbidden to attend the meetings of the United Irish League, he will be able in person to appreciate the feelings of "The Exile of Erin"—Ottawa Journal.

FATHER MORRISCY'S WAY

Of Curing Catarrh is Simple and Effective.

In treating catarrh, some doctors recommend internal remedies, while others pin their faith to external applications. Internal remedies do not produce immediate relief, while external ones do not reach the seat of the trouble.

Father Morrissey's method was to supplement one treatment with the other. His famous prescription, "No. 26", consists of tablets and salve, each skillfully compounded of Nature's own remedial agents. The learned priest did not believe in using dangerous and powerful drugs, when simpler and better remedies were available.

The tablets, to be taken three times a day, invigorate the system, purify the blood, and restore the health and vitality. The antiseptic salve, applied inside the nostrils, soothes and heals the passages and destroys the germs therein.

Attacking the disease from within and without, and working together, the two treatments known as No. 26 quickly cure catarrh and prevent future trouble.

For this tried and true combined remedy, 50c, at your dealer's or from Father Morrissey Medicine Co., Ltd., Chatham, N.B.
