Judge Advocate: Major A.W.Embury, D.J.A., Cdn. Corps.

Officers under instruction :-

Capt. K.R. Mackenzie, R.C.A.M.C.

Lieut. J.W.W. Cook. R.M.R. (MG)

Prosecuting Officer: Lieut. M.A. MacPherson, HQ, Cdn. Corps.

Defending Officer: Lieut. W.H.Heffernan, R.C.A.S.C.

Court Stenographer: No.B.93703 S/Sgt. Warren, J.F. Cdn.Corps.

The Order Convening the Court, the charge sheet and the Summary of Evidence are laid before the Court.

The Court satisfy themselves as provided by Rules of Procedure 22 and 23.

The accused is brought before the Court.

The trial commences at 1015 hours.

Q.1. J.A. Are you number B.84490 Private Dunnigan Frank?
A.1. Yes Sir.

The Judge Advocate read the Order convening the Court.

Q.2. Do you object to be tried by me as President, or by any of the Officers whose names you have heard read over?
A.2. No Sir.

The President and members of the Court and Judge Advocate are duly sworn.

Officers under instruction are duly sworn.

Q.3. Do you object to the Shorthand Writer, S/Sgt. Warren?
A.3. No Sir.

Shorthand Writer duly sworn.

Charge Sheet read over by the Judge Advocate.

Q.4. Are you guilty or not guilty of the First charge against you which you have heard read?

A.4. Defending Officer. Gentlemen of the Court, the accused pleads guilty, but at a later time I am going to discuss these charges. I am not going to call any witnesses but I am going to show the Court that the accused should not be convicted of these charges.

Q.5. J.A. Are you asking for an adjournment?
A.5. No Sir, I am entitled to speak on behalf of the accused, and I think the Court should deal with the accused according to the circumstances, in other words, the accused has pleaded guilty but I am going to show why the accused should not be convicted on these charges, and by so doing I am saving the Court a lot of time.

Q.6. J.A. What you mean is, that there are circumstances under which that money was taken which should be taken into consideration in mitigation of sentence.

A.6. What I am going to contend is that the accused, acting as Pay Sergeant, handled money, and the accused should not have been allowed to pay any men. I have served on the Field Cashier a questionaire and the answers are as follows:-

Defence Officer read the questionaire and the replies,

and that basis I am going to contend that the accused was doing these things and he was doing something that he should not have been allowed to be doing. I admit he took the money.

Q.7. J.A. Are you asking the Court to record a finding of not guilty?

A.7. I admit he is guilty, but I am entitled to argue.

Q.8. You cannot say that the Court cannot find him guilty.

A.8. No. Other facts are that he was arrested on the 6th. February and we are now at July 10th. Temptation was put in his way and he took this money for other reasons, and the responsibility was the Paymaster's.

Q.9. But this is an arguement in mitigation?
A.9. Surely.

R.P. 35(B) complied with. The Judge Advocate explained this Rule in detail and the accused stated that he fully understood it.

Prosecuting Officer :- I wish to withdraw the other 63 charges.

Judge Advocate read the Statement of the Paymaster, (Capt. Fairbank) and the Summary of evidence.

Q.10. J.A. Has this statement been checked as to total?
A.10. Capt. Gill. I have checked it Sir.
Q.11. Who are you?
A.11. I am the Auditor Sir.

J.A. One thing seems to be omitted from the statement, is that while he failed to account for the deficiencies, the accused does say that he took the money and applied it for some other purpose. The accused admitted the above on Lang, ankel. I am going to advise the Court to accept the accused's plea of guilty in accordance with Section 56 Sub. para. 2. and to record a finding of guilty of "Fraudulently misapplying the sum of £120.0.0 (One hundred and twenty pounds)", instead of embezzlement.

Q.13. Do you wish to make any statement in mitigation of punishment?

R.P. 35(c), Charges Nos. 2 to 64 are withdrawn by the Prosecuting Officer.

A.13. May it please the Court, I will try to be as short as possible, but I want to put before the Court everything possible and I want to start with a sequence of events. This young man Dunnigan first worked in the Bank of Commerce for about two years, there seems to have been no complaint about his work there. Then he left there and went to Detroit where he worked for some time until his mother took sick when he came back. He got another job but after a time he was let out because it was slack. There was not much doing so he took a job at Child's restaurant in Toronto at twenty five cents per hour because he had to support his mother. The war came along and he enlisted in September 1939 and came over here in February 1940 and served under Captain Fairbank as Pay Sergeant and there had been no complaint about his work. Capt. Fairbank the Paymaster had been handing him money with which to pay certain men, and it is very significant that about this time the Air Raids started, and the accused was very nervous about these Air Raids and he started drinking whiskey to stimulate his nerves, and in order to get this he took the easy way out by misapplying the money. John Brown would come in for money and Dunnigan would put £1.0.0 on the Acquittance Roll and in the man's pay book and the equivalent in Canadian Funds would be left out of the Acquittance Roll. After the man had signed the Acquittance Roll and left, the amount was changed and the Canadian equivalent put on the Roll. During December he was doing a lot of drinking and this together with his carrying out this misappropriation of money was too much for him and he broke down, and tells the Pay Sergeant what he had done and told Sergeant Hyde the Pay Sergeant to tell the Paymaster. The amount of this is £120.0.0, there is a Court of Inquiry and the accused goes before the Court and he was told that if he helped them nothing would be done. The accused then arranged with the Sergeants'of the Unit to pay the money but the Pay Force refused the offer.
His nerves were bad, and no one can tell how they would act under gun-fire and we cannot say how he would behave under the strain. -------
This is an important part so far as mitigation of punishment is concerned, the accused has been in

arrest since the 6th. of January, he has only been out of here about three times since, he had worked from August to January without leave, they ~~xxx~~ never saw fit to give him leave, and now we have him on July 10th. without leave and facing a Court martial and the stigma of it, and I say to the Court that this young man should not be given a heavy sentence. We have come into Court with clean hands; we admit the offenses, come with clean hands and ask for leniency. ----
I have here a letter which I addressed to the Corps Field Cashier asking certain questions and I have his replies to those questions, I am going to read them and then I will turn them into the Court.

Defence read the letter, (EXHIBIT "D") and the reply, EXHIBIT "E".

I would like to read to you Article 561 F.R.&.I.(O) referred to by Major Evans in his reply.

This man was under orders of the Paymaster, temptation was placed in his way, are you the Court of Officers going to send this young man to gaol?
We know that the N.C.O. of a Service Unit or any other Unit has to carry on if the Officer is killed, but there is nothing which says that the Pay Sergeant should take the place of the Paymaster.

I would like to read Para. 38 on page 23 of M.M.L.
(This para. 38 was then read by the Defending Officer.

Now this young man stands before you to-day; temptation was put into his way and if you send him gaol he is ruined.
Para 2(e) of my letter to the Field Cashier, I asked that question for the reason that a Paymaster gets $6.25 per day and Dunnigan was getting Sergeants' Pay and he was doing these duties from November to January on Sergeants' Pay.

Now I would like to read Article 580 F.R.&.I.(O).
(The Defending Officer laid great stress on the sentence commencing "The Officer who pays out the money".

Judge Advocate — Is it quite correct to say that? Captain Fairbanks says that he afterwards signed the Pay Books.

Defence. — I am coming to that Sir, now the next question (g) in the letter. (This was read to the Court). I file both these letters for the Court) EXHIBIT "D" and "E"

My contention is that if the Paymaster had checked the Acquittance Rolls with the Pay books the very first month he would have found them; there is negligence right there; he has allowed the Pay Sergeant to do his own duties.
Coming before a Court martial is quite a stigma on a man's character and reputation. This man has been doing a job over here and he has fallen foul of the law, but I think you should give him the benefit, you have sworn to try this case without partiality, favour or affection. He has paid for this, his has lost his stripes and has suffered mental strain because it is well known that he has been charged with this offense, and I ask you to ask yourselves, are we doing right in sending this man to gaol? I say no!
This young man worked in a Restaurant even when things were tough to support his mother and I ask you to

consider these things. He has been in arrest since January. He has been under a very great strain, the army put this temptation in his way and now want to send him to gaol. I am going to ask you to allow this young man to go free.

Court closed to consider the finding.

Court re-opened.

Pros. I wish to call Capt. Rollet.

Capt. Rollet, Adjutant Cdn. Corps Tps. Amn Coy. is duly sworn.

Q.14. You are Capt. Rollet, Adjutant of the Cdn. Corps. Tps. Amn Coy?
A.14. Yes Sir. I produce A.F.B. 296 and M.F.M.6.
Q.15. These purport to apply to the accused Private Dunnigan?
A.15. Yes Sir.
Q.16. Are they true extracts from the Regimental Books?
A.16. Yes Sir.

Q.17. To Defence, Do you wish to cross-examine?
A.17. No Questions.

A.F.B.296 was read by the Judge Advocate.

Q.18. What was the offense on 6 January?
A.18. Drunkenness.
Q.19. First offense, drunkenness, twenty seven days detention?
A.19. Yes Sir.
Pros. There was something about taking a car without permission.
Q.20. How many days has he been in confinement?
A.20. Capt. Rollet. He has not been in confinement at all Sir.

Q.21. Do you wish to make any statement?
A.21. He has nothing further to say Sir.

The Court closed to consider the sentence.

Summary of Evidence in the case of No.B-84490, Pte. Dunnigan, F., Canadian Corps Ammunition Park, R.C.A.S.C., Canadian Army (Overseas).

1st Witness for the Prosecution

Captain P.E.Fairbank, Royal Canadian Army Pay Corps.

A written statement of this witness's evidence purporting to be signed by him has been read to the accused and is included in this summary of evidence.

Statement by Capt. P.E.Fairbank, Paymaster, in the case of B-84490, Former Pay Sgt.Dunnigan,F.

1. Sgt. F. Dunnigan, who had been pay Sergeant since his enlistment in Canada, came overseas in that capacity with the Cdn. Corps Ammunition Park, R.C.A.S.C., and had been looking after the pay office work of the 12 Troop Carrying Coy., R.C.A.S.C., since their formation in September, 1940.

2. The 12th Troop Carrying Coy., had always been a considerable distance from the other units that I paid and it had been my custom to leave up to Fifty Pounds, (£50) with that Sergeant so that he could pay any men going on leave on short notice without delay or inconvenience.

3. In order that the men could have their pay books with them when they left it was the custom to enter the amounts they received in their pay books at the same time that they signed the Acquittance Roll and they received their money. I would then sign these entries on their return from leave or at the next regular pay parade.

4. On my visits to this unit, which usually amounted to two a week, I would check his cash and the Acquittance Roll he had been using. I did not, however, always check the amount that had been entered in the man's pay book with the amount he had signed for on the Acquittance Roll.

5. In January, 1941, when auditing the accounts of this unit, I found that, starting in September, 1940, it had been the habit of this Pay Sergeant to make the correct entry for the money paid out in the man's Pay Book and also on the Acquittance Roll which the man would sign and then make an alteration on the Acquittance Roll such as changing a 1 to 4, or adding ten shillings to an even number of pounds and then fill in the Canadian Equivalent for the increased amount in that column which had been left blank while it had been signed. In this way nothing irregular could be seen with the Acquittance Roll unless a close check with the pay book had been made.

6. The completed audit showed that approximately One Hundred and Twenty Pounds (£120) had been added to the Acquittance Rolls over and above the amount which had been paid to the men and charged to them in their pay books.

20 May, 1941

(Sgd.) P.E.Fairbank, Capt.,
Paymaster.

Having regard to the exigences of the service and the loss of time involved the attendance of this witness cannot in my opinion be readily procured.

R.C.P.Nickle, Lieut.,

The accused does not demand the attendance of this witness for cross-examination.

Other Witnesses for the Prosecution

The accused is advised that on his trial there will be called as witnesses, producing their Pay Books, to testify that the amount as shown in their Pay Books, was the amount received by them and the amount shown on the Acquittance Roll was not the amount received by them, those named and shown on the list attached and marked Exhibit "A"

Having regard to the exigences of the service and the loss of time involved the attendance of these witnesses cannot in my opinion be readily procured.

R.C.P.Nickle, Lieut.

The accused does not demand the attendance of these witnesses for cross-examination.

The accused, having been duly cautioned, in accordance with Rule of Procedure 4 (E), reserves his defence.

Certified that Rule of Procedure 4 (C) (D) (E) and (G) have been complied with.

Taken down by me in the presence and hearing of the accused this 20th day of May, 1941, at Milton Mount College, Worth, Sussex.

(b) Did Sgt. Dunnigan have the authority of your office to make these payments to this personnel.

(c) Did Capt. Fairbanks have the authority to delegate the right for Sgt. Dunnigan to make payments to the personnel of the 12th Troop Carrying Coy.

(d) Was you office at any time aware that Sgt. Dunnigan was making payments to the 12th Troop Carrying Coy., if so did you take any steps to revoke this authority if you knew it was not according to military orders.

CHARACTER WITNESS

Capt DD HARPER, 2 CARU, having been duly sworn, states:

I recognize the accused. In the fall of '41 I joined the 1st LAA Regt of which the accused was a member, and he was in my bty and I had him with me until the fall of '42. He was an excellent soldier as a DR and he worked for me in diff capacities while I was a Tp Comd and he was always our most trustworthy DR, and he often made long and dangerous journeys. He accepted his responsibility on the whole as being one of the better men in the bty ------ he was always clean about his machine and had one of the best machines in the bty as far as cleanliness about it went ----a matter of fact I always borrowed it when I wanted a MC. The accused was always regarded in the highest by all the other offrs he came in contact with also.

Q. Have you seen him since '42?

A. I haven't, but I have seen other offrs who have, particularly Capt CODY just recently, and he told me he was much surprised when I told him the accused was AWL, and he couldn't understand it, he being such a trustworthy lad in his opinion.

Statement of the Defending Officer in the case of the Court Martial of F 71027 Gnr. Dunning E.R.

This has been brought forward & Character witnesses in this man's defence both have testified under oath that for certain periods of time prior to this man's offence he was a good and reliable soldier. To further back up their statements there is his exceptional crime sheet. The award of a good conduct stripe in 41 which has up to now remained secure. However, recently certain changes took place, certain factors, these have caused the plight of the soldier that now exists. Let us examine these factors that caused this man to want to go A.W.L. made him willing to go A.W.L. and to stay A.W.L. Before going into these factors let us deal very shortly with

This history.

He came over here in Dec of 40 having enlisted in July of that year. He remained in a light A.A. Battery until Sept of 43. At that time he volunteered for a Signal course to become a Dr. Operator in his Battery. After 3 months of this course he was found to be unable to absorb the difficulties of Buzzer reading and was returned to his Holding Unit. Withdrawn At. # 3 CARU. He was given permission to marry and did so in Feb of 44. It was about this time also that he was boarded L4 on account of an N.C. accident sustained while he was still with his Bty. He was informed that he could be going back to Canada shortly after his reboard - there his family matters were arranged accordingly. 2 Weeks later he was told there would be a delay in his going to Canada so they had sent

sent as a Driver to 3 Div HQ followed by another job at Army HQ.
It was while on this job on 16 Aug that he went A.W.L.

Now are our factors for this decision to go A.W.L. Firstly - General Anxiety for his wifes health. Secondly - The collapse of his sense of responsibility towards the Army.

The first case:- Anxiety for his wifes health - caused by the ordeal of the flat she lived in - from which previously it had been damaged - she had put up with this being faithly strong and of the constant opinion that she wanted us going to Canada. However "Canada" did not materialize, and she found herself "expectant". She put up with a cold, drafty, leaky room however she had to - she was unable to get anything else. Combined with this she lived a Crumbly - on the very path of the Buzz bombs.

Dunning had not seen his wife since [redacted] before May. With no command he was unable to get any kind of pass to see his wife. Eventually accepting the responsibility of a husband and potential father, he made his decision to help his wife while she was going through this period. He did this by changing his residence and living with her as much as he could without letting his boss in Base A.O.C. as was becoming suspicious. Realizing however that if he [redacted] he would not be able to help her or be with her at all in her pregnancy, nor be any comfort during the Buzz Bombing, he remained A.W.L. till apprehended by the civil police.

To deal with the factors that enabled him as a soldier to make this decision we have the fact that he was categorized, unable to go into action. The only one of the [redacted] eight for action service who was not

a mere accident, he had been barred

joining the army had been taken from him.
The army offered nothing for him mentally
and also to this, what work was
he doing? - Upon May of 44 and after
the invasion of his Signal career he was
only used on Miscellaneous fatigues;
picking up paper, cleaning, and dumping.
This was followed by a temporary stint
of driving and was again to be replaced
by fatigues. Thirdly that for 2 months
he had waited expectantly to go home.
His wife had made arrangements - old
furniture. He had been informed of a delay
but still waited. Not until he was
sent and ~~for~~ on another job did he
realize what a distant hope moved

Normal, natural & woeful form of life.
From these facts he felt that
he no longer was a soldier and his
domestic worries overruled all reasons
why he should continue to be one.

Bearing in mind these facts there
are certain considerations I wish
to bring forward. Firstly that of this
man's present medical category C4 S5.
In brief his family history is that
documented by the aforesaid situation,
and its lack of letters, parcels and interest.
The last letter was received in Feb of last
year. The brothers and sisters feel no
family bond. The wife has had no letter
from the family as a whole and has never
seen them. That is more or less the
background of his S.E. The foreground is
one of his present trials.

I took the opportunity back to the
Psychiatrist & one of his main thoughts is

4/71 CIA 170

PLEASE WRITE ON BOTH SIDES

he fit for this trial. The chances you are. However we must bear in mind what reasoning power this man has left if he is now S.S. No one can really say - but obviously an unbalanced mind is not likely to produce balanced actors. Further who is to say how and when this S.S really exists or when it existed - At no time have we are not pursuing a man for a mental injury sustained while he was in the army. I submit the Psychiatrists report as Appdix A.

Now I must go into this situation from the wife's point of view. As I said Downing did not tell her that he was A.W.L. for fear it'd make her worry. I have interviewed the wife and found that this was the case. (I would have brought the wife as a witness but she has been sent to hospital early - I submit a Doctors certificate as to Downing wife's condition as App B). The wife did suspect and on enquiring always was given a lie.

Hannah Dennis had to live, and by fair means & foul he did so on his wife's savings and army allowance, also making use of some food coupons. His wife became rather bitter and mistrusting and on day after a somewhat bitter argument over this matter with her husband she made a secret enquiry at the police station - this led to his apprehension. Unfortunately due to their current finances of living mostly on her allowance alone, this was the only solution - Hannah after his query this fornation she received a letter from Acton telling her that the allowance had been cut and she was to be forfeit approx 4 months allowance.

Now I come to our ~~third~~ Second Corroboration. Dennis had been notified that his wife's allowance would be stopped while he was A.W.L. therefore he thought his wife would be alright financially. Mrs Dennis did not know he was A.W.L. nor did she know the fact that the declaration of

his being A.W.L. him declared at the earnest time, about 3 of those months would never have existed as A.W.L.

The Declaration of Dennis's A.W.L. was posted in D.O. 258 on 5 Dec 44. and thus financially no charge took place in the Dennis account till that date.

The third consideration I would like to present is what would such a severe punishment have on Denis personally and on his family.

From the Psychiatrists report as stated - "a long term imprisonment would be detrimental to his future health". Physically. And on his family will fall the financial burden. His wife at present is destitute and entitled to the Canadian Government of $70 - the happy thought during her confinement for the future she intends to send the baby to a home and go back to work as soon as possible. In spite of this

She hopes to carry on as During-ago with how this family can exist as such is a sever enough problem without the further financial burdens of this man's punishment.

So far I have referred to this case in the light of the particular & story to the light of generalities you are faced with a certain decision. Is this punishment to be meted out; as an example to prevent other Canada soldiers in following this course ~~[illegible]~~ or as an example to show our men whose main purpose in life is to be demobilized (due to circumstances that they cannot control) that each and every one of their cases will receive the understanding and sympathy that you have found and is due after their many years of voluntary absence living

In such a case a telegram should be despatched to the Officer Commanding the Man's Unit** in the case of soldiers and in the case of airmen the O.C. the station at which the airman last served, notifying that he has surrendered, and stating the number, rank, name and unit of the man, and that officer will at once arrange to send an escort for the man to be taken into military or Air Force custody. Where an absentee's unit is stationed overseas (outside Great Britain, Northern Ireland District and the Channel Islands) the telegram will be despatched to the O.C. Regimental Depot in the case of a soldier and in the case of an airman to the O.C. No. 1 R.A.F. Depot, Uxbridge, who will arrange escort. This certificate will be handed to the escort on arrival.

PLEA OF MITIGATION BY DEFENDING OFFICER

In making a plea for mitigation of sentence for the accused I would like to enlarge on his service overseas.

Spr. Dunnington came overseas in June 1940, since that time he has been in several Engineer units; 2 Cdn Road Construction Coy., 6 Cdn Construction Coy., and RCE Detachment 85 Cdn Bridge Coy RCASC. In these units he has been employed at work of a sedintary nature, which he was not emotionally adapted for. He has proven himself capable of doing his work in the units he has been with, but has lost interest as soon as he had learned all he could.

During his time overseas, he has tried to get transfered to a Parachute Battalion, but was turned down for medical reasons. He also tried to get to a field Coy., and on failing that, on a draft to Italy, but was not sucessful.

He left this Detachment on an overnight pass, having given thirty shillings to his Sgt to keep for him. I beleive any person with any intention of going A.W.L. would have taken the thirty shillings with him.

This mans crimes have all been absence without leave, and during the last year have increased both in frequency and length of absence. They have always been connected with abnormal use of liquor, suggesting an unstable nature. He is obviously of an extremely nervous temperment.

I suggest that either a Personnel Selection Officer or some competant Physchologist interview Spr Dunnington, to see if his troubles might not be lessened if he was given more active and exacting work in the Cdn Army.

T.A.L.

PLEA OF MITIGATION

by the defending Officer -

Lieut J.R. Smith.

As the Court can see by the crime sheet all previous offences have been for A.W.L. - Between periods of A.W.L. the accused has done his normal duties and has been a good soldier. This crime was not premeditated, for the accused had a Christmas cheque which he deposited into his Paybook to get himself out of his financial difficulties.

If he had intended to go A.W.L. he would have kept this money. As the accused has stated, alcohol has been his downfall.

He intends to be a good soldier until he starts drinking.

Since coming to this Coy with the exception of this time he has made every effort to be a good soldier.

CHARACTER -

STATEMENT BY ACCUSED -

This is not a plea for forgiveness for I fully realize I must be punished. I have had many small crimes but have worked to the satisfaction of all my platoon officers.

On my first F.C.C.M. with 60 days detention I spent all the time in my unit continuing my own work.

Alcohol has been responsible for me doing these things. I realize that I cannot beat the Army but when AWL was scared to come back. I was under close arrest when I case to France, it was fate that I should be absent 3 hrs when under arrest. I was employed as a polling clerk in the Saskatchewan election to the satisfaction of the Officer i/c. After that job I came to this unit and have not had any trouble since coming here until 2 Jan, which was my day off.

I volunteered for guard duty on the 1 Jan and that is why I had the day off. I went to a party on that day at which there was too much liquor for all concerned.

The next day I tried to straighten up but just couldn't - alcohol had it's grip on me - and I just couldn't come back. I finally forced myself to come back and surrendered myself to my own platoon.

That is all I have to say for myself.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jun 45 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply *so far as practicable*, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 60(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or J A* (*RP 40 fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(C).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP 40 fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP 40 fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP 40(E), KR Can 563(a).*)

(vii) Summing up by *J A, if any.* (*RP* 42.)

Plea for mitigation in case of F 32664 Pte. G. Dunphy.

There is no question but what Pte. Dunphy is guilty of the charge. He has not tried to conceal his guilt, nor clouds the issue with technicalities. But, before you decide what his punishment shall be, I ask this Court to examine the circumstances leading up to this trial. Pte Dunphy is young. He enlisted in October 1942 at the age of 17½ years and waited 1½ years until he was permitted to come overseas. His elder brother was wounded at Dieppe, and Dunphy arrived here, in April of this year, anxious to get into action. Events unfortunately, seldom work out as we plan them. At the conclusion of his basic instruction here he was sent, not as he had hoped and expected, to Cdn company, but to "B" company for a refresher course as a clerk. He was disappointed, and lacking the judgment of the more mature went away on a foolish fit of resentment. It is easy to go away, sentimen, but very difficult to come back. Pte. Dunphy is ready to take his punishment. I ask that you take into consideration the fact that the absence was not that of a crafty coward or a shirker, but the impulsive gesture of a young fellow, disappointed in not getting to the front, and temper your judgement accordingly.

NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(C)), any objections (*RP* 95(B)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accd in Court is Pte Smith. About 1400 hrs on 15 Jan 42 I ordered the accd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—" I've had enough parades ".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the pars in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 60(C), 87(C), 92(C) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(*C*).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP* 40 *fns* 8-12, 87(C), 92(C) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(C), 92(C) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 563(*g*).)

(vii) Summing up by JA, *if any*. (*CF* 42.)

ASSEMBLY AND DISPOSAL OF RECORD AFTER TRIAL.

1. All deletions and alterations in printed and written record MUST BE INITIALLED by President or JA, *if any*. RECORD FORMS B, C OR D NOT USED MUST BE DELETED BY A DIAGONAL LINE AND INITIALLED.

2. All loose sheets of record and exhibits comprising the proceedings of the trial MUST BE INITIALLED by President or JA, *if any*, and then pinned by top left corner to p 3 of CF A 96 in following order:

(i) Charge Sheet. (*On top.*)

(ii) Convening Order with any declarations made by Convening Offr under RP 104, 106, 107, 114.

(iii) Medical Certificate(s). (*KR Can* 557.)

(iv) Addresses, statements and evidence in order taken during trial, pages being numbered and on both sides when both sides used.

(v) Exhibits numbered Ex A, Ex B, etc. (*As to admitting in evidence a certified copy in lieu of original see KR Can* 560. *As to certified copies of regimental books see AA* 153 (1) (*g*) (*h*).)

(vi) Summary of Evidence, if not already an exhibit.

3. Any report or remarks by President or Court for attention of Confirming Offr will be attached to p 4 of CF A 96 and not form part of record of proceedings. (*RP* 95(*D*).) A recommendation for mercy will be inserted in Part I of Schedule on p 8 after intimation of sentence awarded. (*AA* 53(*F*), *RP* 118(*C*), *MML p* 759.)

4. The President or JA, *if any*, will return proceedings promptly with covering letter sent in an envelope marked "Confidential", or as otherwise directed.

Plea for mitigation in case of F 32684 Pte. J. J. Dunphy.

There is no question but what Pte. Dunphy is guilty of the charge. He has not tried to conceal his guilt, nor clouds the issue with technicalities. But, before you decide what his punishment shall be, I ask this Court to examine the circumstances leading up to this trial. Pte Dunphy is young. He enlisted in October 1942 at the age of 17½ years and waited 1½ years until he was permitted to come overseas. His elder brother was wounded at Dieppe, and Dunphy arrived here, in April of this year, anxious to get into action. Events unfortunately, did not work out as we plan them. At the conclusion of his basic instruction here he was sent, not as he had hoped and expected, to Essex company, but to "B" company for a refresher course as a clerk. He was disappointed and lacking the judgment of the more mature went away on a foolish fit of resentment. It is easy to go away, regardless, but very difficult to come back. Pte. Dunphy is ready to take his punishment. I ask that you take into consideration the fact that his absence was not that of a crafty dodger or a shirker, but the impulsive gesture of a young soldier, disappointed in not getting to the front, and temper your judgment accordingly.

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 85(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP 95 fn 1.*) If the evidence is taken by him in narrative form, RP 85(B) should be complied with. If taken verbatim, RP 85(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the page in CF A 96, under which it is taken. Both sides of paper should be used.

(i) Opening address by Defending Offr. (*RP 60(C), 87(C), 92(C) (D).*)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA (RP 40 fn 19)*), or evidence by accused, as to facts or his character or both. (*See RP 41 fn 3, 46 fn 1, 80.*)

(*See RP 40 fns 8-12, 87(C), 92(C) (D).*) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP 61.*)

(vi) Closing address by Prosecutor. (*See RP 40 fn 7, 87(C), 92(C) (D). Prosecutor has no right to address Court on subject of sentence except as provided by RP 46(E), KR Can 562(a).*)

TRIAL OF

M.60640 Pte JOHNSON RS 2 CGRU

STATEMENT BY ACCUSED
(ON OATH)

I joined in Jan 42 with the 8 Cdn Recce Regt, and went into action with them and while in action I was sent to hosp with rhumatism and arthritis. I was later sent to the UK and was sent to CASCRU, transferred, although I don't know why. I had difficulty about leave, tried to get paraded to the CO, and then I went AWL and I came back and saw the Col who told me about my case, and he saw the MO who gave me an excused duty chit. Before going on Christmas leave I had a letter from my wife in Can wanting to break up our marriage. While at CASCRU I was still troubled with this rhuematism and arthritis, and was waiting on a reboard. I went to see my friends on the south coast while on leave and got treated by them for the illness I had. While there I also met a girl. She was going to have a child as a result of our acquaintance, and I thought I'd stay near her and give her help. She eventually went north to her parents. I came back to the Army in the hopes that I would get my affairs straightened out to bring up this child.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

Sir - The evidence given before you has proven (a) that the accused was wounded in his right foot and not by enemy action, but by a comrade.

The first steps of initiating training are the care and handling of weapons. Of which the rifle is the first taught. Accidents such as these occur only through carelessness and neglect. Being a trained man - as he is having reached the field of action - I consider his other alternative of the court seems to find him guilty.

W Barbour
Capt

The first two witnesses were not at the time of the accident at the house of Kaffrath.

The third witness was also brought here the Monmouth and thought the Accused [illegible] saw the flash of a rifle [illegible]

[illegible]

But according to this witness the Accused did not have a rifle at the time. Therefore there was only one shot fired. The rifle they saw the flash from was by only one that could have wounded the Accused. And it was not in the possession of the Accused at that time.

E1 Evidence for the Defence E1
on Question before Sentence

First Witness for the Defence. K 70675 Cpl Stephen Harvey Dunsdon, HQ RCASC 4 Cdn Armd Div. Sworn:

I am the accused. At approx 0930 hrs 24 Nov 44 while proceeding to 4 CABB Coy Where I was on duty I saw a jeep in a bombed out garage on a street in Oldenzyl. Several times later during the day I noticed the vehicle in the same position. I contacted Sgt Kennedy and we decided that if the vehicle was still there that evening that it was likely abandoned and should be turned in to the HQ. After picking the vehicle up that evening we decided that it should be fixed up. We took it to Mr Brieds garage. We did some work on it but could not get it finished that evening. I was placed under arrest at approx 0030 hrs 25 Nov 44. I know that Sgt Kennedy has been tried on the same charges and it is as a result of his trial that I am pleading guilty.

I wish to ask the Court to note that if higher authority should give any further consideration to Sgt Kennedy's case that my case also be reviewed. ✓

Cross-exam: None

Exam by the Court: After we had the vehicle fixed up we hoped to be able to use it as a battle-use vehicle for a period of time. I have never had any serious charge against me before and I have been on active service since 1 Oct 41. I have been overseas since Aug 42 and with the Contingent since July 44. I have been an NCO since Feb 42 when I was made a L/Cpl and in July 43 I was made ~~acting~~ Cpl. I am married in Canada. I have one child. My age is 28 years.

RP 83 (B) complied with.

Second Witness for the Defence Capt D. A. Harper, HQ RCASC. 4 Cdn Armd Div. Sworn:

I am adjt of HQ RCASC. In my capacity as adjt I have known and had close dealings with the accused who has been employed at my HQ for the past year as NCO i/c transport. His

appointment carried a very great responsibility much more so than that of the average section Corporal. He has carried out his various duties at all times in a most efficient and highly satisfactory manner. I have known no occasion during which he has let down either myself or his other superiors. He has been a example to other NCO. as well as to the men of the unit in efficiency, conduct, behaviour, punctuality and close attention to his duties in every respect and I have never had occasion to check him for any disciplinary reason. this Conduct Sheet is clear as his previous good behaviour would indicate. I would request the Court to consider this NCO's previous good record in dealing with this his first lapse in conduct.

Cross exam : none

RP 93(B) complied with.

E3. Plea in Mitigation E3

Mr. President and Members of the Court: In view of the result of the previous trial of 13084 Sgt. J. J. Kennedy. the accused has pleaded guilty to the two charges under A.A. Sec 40. the Court has heard the evidence of the character witness and has before it the conduct sheet and particulars of service of the accused. The offences, as indicated clearly in the summary of evidence are of a rather minor character and the wrongdoing is not that the usual strictly criminal or felonious type. There is obviously no attempt on the part of the accused to deprive the Army of the use or services of equipment. It is obvious also that the accused had every intention of using the veh in the course of his duties as W.T. Corporal at formation HQ. Any other conclusion would be very remote and unfair under the circumstances. Thus it amounts to this: that a highly efficient and satisfactory N.C.O. backed up by three years voluntary service, including more than two years overseas o

service (in the United Kingdom and on the Continent) ~~and~~ as stated to have gone ~~AWOL~~ temporarily ~~and~~ of a trivial offence, ~~& more or less~~ ~~a minor infraction~~. (By the way no Special Act of the Parliament of Canada was required to make him a "volunteer").

In addition I would like to stress the fact that no harm or damage has been done to anyone - in fact a benefit has accrued to the Army in the shape of the recovery of an abandoned rifle before it could come to harm.

I therefore appeal to the Court on behalf of the accused to consider the above-mentioned facts and circumstances and to temper justice with well deserved mercy in favour of the accused.

SUMMARY OF EVIDENCE

In the case of K-70675 Cpl Dunsdon, S.H., HQ RCASC 4 Cdn Armd Div, Canadian Army Overseas, charged with improper possession of WD Veh No. M5537466 and defacing said veh by scraping off WD identification marks from same, on 24 Nov 44.

The Commanding Officer directs that evidence will be taken on oath.

FIRST WITNESS:- William Ernest Marie BRIEDE, Klompmen No. D327, OISTERWIJK, sworn, states:-

On 24 Nov 44 the accused whom I recognized came to my house with a Dutchman. The Dutchman whose name is A Paayman an acquaintance of mine. The Cpl asked if he could use my garage. He said he had a motorcycle he wanted to put in the garage. He also said it was not necessary for other people to know about it. He said he was pleased to use the garage and he said he would bring me some parafin oil. I asked him if he would buy me some cigarettes then he went. About six oclock in the evening A Paayman came to my house and said the Cpl would give him a tin of petrol and could he leave it at my place. I said it was alright. About seven oclock in the evening the Cpl came with a Sgt. I had not seen the Sgt before. They came together in a "jeep". They came to the door and asked me if I would open the garage. I did so. They put on the light from the jeep. The Cpl said that we had to work in the garage. I blackout the garage windows and then went into my house. Everything did not seem quite right to me so I went out to the garage again and saw they were burning off the numbers on the jeep. At the moment two neighbors of mine arrived and when I came back to the house I told them what was going on. We decided that something was wrong. My friends and I went out to the garage so that my friends could also see what was taking place. We then invited the Sgt & Cpl in for a cup of tea. When I introduced them they said their names were Steve & Jack. The Cpl was Steve and the Sgt was Jack. Just before they came in the house a motorcyclist came to the lane. He stopped one house away and whistled. The Cpl put out the lights and peered around the garage door to see who it was. The Cpl went to see who it was. The Cpl went to the motorcyclist. The Sgt in the mean time was in my garden. When the Cpl came back I asked him what it was about. He said the motorcyclist was looking for a girl. After they had tea the Sgt & Cpl went back to the garage. The Sgt & Cpl said that they were so pleased about getting the garage that they would bring us candy, cheese and other articles tomorrow.

After the Sgt and Cpl went back to the garage I decided things were wrong so I immediately went to the town major where I reported the incident. I was accompanied by my two neighbors. I told the town major that they were Cdn Army Service Corps. The town major then took me to the HQ of the Service Corps where I told my story.

Cross-examined by the accused

Q What kind of a veh did I say I wanted to use your garage for?

A A motorcycle.

(Signed) W.E. M. BRIEDE

The above statement has been read back to the witness. WEB.

SECOND WITNESS:-

Gerben Van WYNGAARDEN, Klompenmaker No. D323 OISTERWIJK, sworn, states:-

On 24 Nov 44 about seven oclock in the evening I went to Mr Brude's home. After I had been there a few minutes Mr Brude came into the house. He told me there was something happening in the garage that he was worried about. He asked me to come with him so I could form my opinion. I went with him into the garage . I saw a "jeep" with the top taken off I also noticed that the numbers had been removed from the jeep. The accused whom I recognize was there. Mr Brude and I went back into the house and he asked me my opinion. I told him that the soldiers have their own garage to work in and could see no reason why they should use a civilian garage. The Sgt and Cpl came in for a cup of tea. The Cpl promised Mr Brude cigarettes and chocolate for the use of the garage. After the Sgt and Cpl had gone back to the garage Mr Brude, myself and another friend went to the town major and told him the story.

The accused declines to cross-examine this witness.

(Signed) G.V. Wyngaarden

The above statement has been read back to the witness.

THIRD WITNESS :-

Lieut. C.D. Glover, Att HQ RCASC 4 Cdn Armd Div, sworn, states:-

At about 2100 hrs 24 Nov 44 Lieut.-Colonel Douglas instructed me to proceed with a civilian, a Mr Brude, to his home to investigate suspicious circumstances regarding a WD veh. From the facts given us by Mr Brude I expected to find at least two soldiers at his home and so took RSM Wilson and a guard with me. We were taken to the small garage belonging to Mr Brude and found a WD veh 5 Cwt. Before noting anything further on the veh we searched in the house and on the property for the person who were responsible for the jeep being there but could find none. On checking the 5 Cwt thoroughly I found that it was "mobile" back. The canvas top was removed and in the back seat, the WD numbers had been removed from engine hood by means of scraping and burning. One small plate on the dash board had been removed and one other partially removed. One "seal beam" light was connected with the battery and was lying on the fender. This light was out. Curtains had been placed over the garage windows evidiently to make a "blackout". Between four and six jerricans filled with petrol were on the floor or in the jeep. A hammer was lying in the front of the jeep. I then removed the rotor from the veh and returned to report to Lieut.-Colonel Douglas who instructed me to place a guard, preferably myself, at the house. RSM Wilson, myself returned to Mr Brude's house where we obtained description of two soldiers involved. Mr Brude also told us the names that the soldiers had given and from all this we were able to make a guess to their identification. As description filled Cpl Dunsdon of HQ RCASC I came back in order to bring him to Mr Brudes' house. We intended to use him as a guard if he was not either of the two concerned. At Mr Brude's house he was identified as the Cpl who had been working on the 5 Cwt in Mr Brude's garage. Cpl Dunsdon, RSM Wilson and myself return to our HQ area and Cpl Dunsdon was placed under close arrest. From further facts obtained from Mr Brude and RSM Wilson we ascertained that the second man was Sgt Kennedy of 4 Cdn Armd Div Tps Coy RCASC. I reported this to Capt Harper, adjt of CRASC and instructions were sent to have Sgt Kennedy placed under arrest.

From the rear bumper markings of the jeep identified the vehicle as M 5537466.

On the morning of Nov 25 1944 while in the company of two other Sgts and two Cpls, Sgt Kennedy was picked out by Mr Briede as the Sgt who had been with Cpl Dunsdon at his home.

Cross - examined by the accused

Q Were the W.D. numbers removed from both sides of the hood?

A I am certain it was fully removed from one side but I would'nt be sure of the other side.

Q Had the plate on the dash board been removed recently?

A The marks where they had been were quite clear.

The above statement has been read back to the witness. J.C.

FOURTH WITNESS :- K-75465 R.S.M. Wilson, G.E., HQ RCASC 4th Cdn Armd Div, sworn, states:-

I was on the night of the 24 Nov 44 and still am the RSM of HQ RCASC, 4th Cdn Armd Div. Between 2100 & 2200 hrs of the night of the 24 Nov 44 Lieut Glover instructed me to proceed with him to the house of Mr Briede in Oisterwijk to investigate the defacing of a jeep by two NCO's wearing 4 Cdn Armd Div RCASC patches. On our arrival we found all the numbers had been removed from the jeep but no one was present in the garage. We returned to HQ and further instructed to wait see if any one came back to the jeep. During ourwait Mr Briede described the two NCO's to us, and gave us their names. It was thought at the time that one description fitted Cpl Dunsdon. Glover returned to the mens lines & brought Cpl Dunsdon back to Mr Briede's house. Mr Briede identified Cpl Dunsdon immediatley by saying"hello Steve". We left the house and on being question Cpl Dunsdon said Sgt Kennedy had been with him when he took the jeep to the house. On instruction from Glover I placed Cpl Dunsdon under close arrest. On the morning of the 26 Nov 44 I was a witness at an identification parade at which six or eight NCO's and OR's were placed in a room. Mr Briede identified Sgt Kennedy as the other party who had been with Cpl Dunsdon.

The accused declines to cross -examine the witness.

(Signed) G.E. Wilson, R.S.M.

The above statement has been read back to the witness. J.C.

The accused was warned as follows:- " Do you wish to make any statement or give evidence upon Oath? You are not obliged to say anything or give evidence unless you wish to do so, but what you say or any evidence you give will be taken down in writing, and may be given in evidence."

The Accused:- I have nothing to say at this time.

He said he had a motorcycle he wanted to put in the garage. He also said it was not necessary for the people to know about it. He said he was pleased to use the garage and he said he would bring me some petrol. I asked him if he would bring me some cigarettes then he went. About six o'clock in the evening H Paagman came to my house and said the Cpl would give him a can of petrol and could he leave it at my place. I said it was alright. About seven o'clock in the evening the cpl came with a Sgt. I had not seen the Sgt before.

They came together in a "jeep". They (2)
came to the door and asked me if
I would open the garage. I did so.
They put on the light from the jeep. The
Cpl said that me had to wait in the
garage. I blacked out the garage windows
and then went into my home. Everything
did not seem quite right to me so
I went out to the garage again
and saw they were shutting off the
numbers of the jeep. At that moment
two neighbours of mine came and when
I came back to the house I told them
what was going on. We decided that
something was wrong. My friends and I
went out to the garage so that my
friends could also see what was going
place. We then invited the Sgt & Cpl
in for a cup of coffee. When I
introduced them they said their names
were Steve & Jack. The Cpl was
Steve and the Sgt was Jack. Just
before they came in the house a motor-
cyclist came to the door. He stopped the
house engine and waited. The Cpl
went to the motorcycle put out the light
and peered around the garage door to
see who it was. The Cpl went to
the motorcyclist. The Sgt in the mean
time was in my garden.

When the Cpl came back I asked him what it was about. He said the motorcycles was looking for a girl. After they had tea the Lt & Cpl went back to the garage. The Lt & Cpl said that they were so pleased about getting the garage that they would bring us candy, chocolate and other articles tomorrow.

After the Lt & Cpl went back to the garage I decided things were wrong so I immediately went to the mayor town major & reported the incident. My report was accompanied by my two friends. I told the town major that they were Chinese Army Service Corps of the Chinese Corps when I told my story. The town major then took us to the H.Q. Cross-examined by the armed

On 24 Nov 44 about seven o'clock I went to Mr Briedés home. After I had been there a few minutes Mr Briedé came into the house he told me there was something happening in the garage that he was worried about he asked me to come with him to [illegible] form my own opinion. I went with him in the garage. I saw a "jeep" with the top taken off I also noticed the numbers on the jeeps had been That the numbers had been removed from the jeep. The accused whom I recognize was there. Mr Briedé and I went back into the house and he asked me my opinion. I told him that the soldiers have their own garage to wash in and could see no reason why they should use a civilian garage. The Sgt + Cpl came in for a cup of tea. The Cpl promised Mr Briedé [illegible] and chocolate for the use of the garage. After the Sgt + Cpl had gone back to the garage. Mr. Briedé myself and another friend went to the town major and told him the story. The accused broke to [illegible] three minutes. The above statement was read back to the witness.

duly sworn States.

At about 2140 hrs 24th Nov
44 Hol Douglas instructed me to proceed
with a civilian, a Mr Brudé, to his home
to investigate suspicious circumstances
regarding a W.D. vehicle. From the facts
given us by Mr Brudé I expected to
find at least two soldiers at his
home and so took R.S.M. Hobbs as a
guard with me. We were taken to
the small garage belonging to Mr Brudé
and found a W.D. vehicle 506 exh.
Before doing anything further on the
vehicle we searched in the house and
on the property for the person who was
responsible for the jeep being there but
could find none. On checking the vehicle
thoroughly I found that it was "nobbled".
The canvas top was removed & in the
back seat, the W.D. numbers had been
removed from the other side of the
engine hood by means of scraping and
burning. The small plate on the dash
board had been removed and one
other partially removed. One "slash" hand
light had been removed and was
connected with the battery and was
lying on the fender.

This light was out. Curtains had been placed over the garage window evidently to make a "blackout". Four Between four & ten jerry cans filled with petrol were on the floor or in the jeep. A hand was lying in the front of the jeep. I then removed the tailor from the vehicle and returned to report to Lt Col Douglas who instructed me to place a guard properly myself, at the house. PS Mc Wilson & myself returned to Mr Bridé's house where we obtained descriptions of two soldiers involved. Mr Bridé also told us the names that the soldiers had given and from all this we were able to make a guess to their identification as deserters who had filled Gpl Hendson of HQ RCASC. I came back in order to bring him to Mr Bridé's house. We intended to use him as a guard if he was not either of the two concerned at Mr Bridé's house he was identified as the Cpl who had been working on the 700 unit on Mr Bridé's garage. Gpl Hendson PS Mc Wilson & myself returned to our HQ area and Gpl Hendson was placed under close arrest from further parts obtained from Mr Bridé. and Corporal [redacted]

(Then the two jeeps loadings of the jeep)

said Pte Nielsen we ascertained that the second man was Sgt Kennedy of Div Sps Coy. I reported this to Capt Harper, adj of CRASC, and instructions were sent to have Sgt Kennedy placed under arrest.

On the morning of Nov. 25 1944 while in the company of two other Sgts two Cpls. Sgt Kennedy was picked out by the Provo as the Sgt who had been with Cpl Winsdon at his home.

Q Were the W.D. numbers removed from both sides of the boat.

A. I saw where it was fully removed on one side but I wouldn't be sure of the other side.

Q Had the plate on the dash board been removed readily.

A. The marks where they had been were quite clear.

On our arrival we found all the inmates had been removed from the jeep but no one was present in the garage. We returned to HQ and were further instructed to wait to see if any one came back to the jeep. During our visit Mrs Brodie described the two MP's to us, and gave us their first names. It was thought at the time that one description fitted Cpl Dunsdon. Mrs Glover returned to the scene but it proved Cpl Dunsdon back to Mrs Brodie's house. Mrs Brodie identified Cpl Dunsdon immediately by saying "hello Steve". The light in the garage and on being questioned Cpl Dunsdon said Sgt Kennedy had been with him when [illegible] he took a

B63681 Pte Dunsford J.E.R. Can Lt's York R
4 Bn 1 C.B.R.Rep having been duly sworn
& states:—

I joined the army active June 1940 &
went overseas in July 41. I landed in
Africa as a reinforcement in July 43.
I joined the army to fight. Before leaving
for Africa I was sent to 48th Highlanders
as a Dr stretcher reinforcement. When I went
to the Can Lt's York Regt, I asked numerous
people in authority the reason for this.
I spent from July 43 to Nov 43 with the
York Regt. I landed in Italy in the latter part
of Nov. All personnel that were with me
have gone out & this fact is kept. I
went to 4 Bn 1 C.B.R.Rep now & I sent. I was
still with them when I went A.W.L. on the
8 Mar 44. I met numerous lads who
had been up to the field & back again thru
the hospital & numerous remarks were
made to me about not going up. The
next day I went A.W.L. When I tried to
get to Ypres Sector. I couldn't get there
so I came back & met an American
Jeep at first on 2 wheel drive. I spent the
last 25 days of my A.W.L. fighting the
germans with the American Jeep unit.
I don't tell the when I was fighting for the
Americans but I was fighting under shield
here I turned me in.

In the case of B 6346 1 Pte Dunsford S.E.R.

Plea in mitigation.

The accused, Pte Dunsford, joined the army on the 12th of June 1940 — four years ago. During that four years he has had not one crime — think of that gentlemen, — not one crime !! His conduct sheet and statement as to character are absolutely bare.

The Accused joined the Army four years ago to fight the enemy. He wanted as some of us have wanted, to get into the fighting part of this war. But the Army, with normal bad man-management, put some poor blighter that had no desire to fight at all up in the line and kept the accused out; probably if his conduct sheet had been full instead of clean he would have got his wish.

The Army never properly allotted the accused to a unit. Latterly he was listed as Carleton & York but has never been anywhere near that unit. He was brought to Africa and later to Italy as reinforcement C.I.C and spent ~~few~~ months in this theatre without getting to the line.

Gentlemen the accused went A.W.L because he was heartily sick of the whole thing. He wanted to fight Jerries and he had waited four years, eight months of it in this theatre, without getting his wish. He went A.W.L, his first crime in four years, with the avowed intention of fighting Jerry. He was only away six weeks. During that time he ~~found~~ tried to cross to Yugo Slavia to fight with the partisans, he spent some time with the British Navy and he fought for three weeks with the American Army. He finally returned on his own volition and it is now his hope,

Re the case of 6364 Pte Dunsford S.E.R. Scathyn Army Pleas in mitigation.

The accused, Pte Dunsford, joined the army on the 12th of June 1940 — 5 years ago. During that 5 years he has had not one crime — think of that gentlemen, — not one crime !! His conduct sheet and statement as to character are absolutely bare.

The Accused joined the Army 5 years ago to fight the enemy. He wanted as some of us have waited, to get into the fighting part of this war. He met the Army, with normal bad man-management, met some poor sergeant that had no desire to fight at all up in the line and kept the accused out, probably if his conduct sheet had been full instead of clean he would have got his wish.

During that time he found to cross to Yugo Slavia to fight with the partisans, he spent some time with the British Navy and he fought for three weeks with the American Army. He finally returned on his own volition and it is now his hope,

and mine, to see him accomplish in the navy, [illegible] what he set out to do some years ago — fight with a Canadian front line unit.

This is the accused's first and only crime in the Army — an A.W.O.L after some years service, — unfortunately not a very often beaten record. He went A.W.O.L for a purpose that, while contrary to military law is, — must be — morally acceptable to any of us.

I have defended a good many courts martial but of them all I feel most behind the accused in this one — I believe his story of what he did during his A.W.O.L and I would like to see the Court award a suspended sentence and recommend Dunsford's return to a field unit at the front at the earliest possible opportunity.

Plea in Mitigation of Sentence of M36999 Gnr. Dupilka [redacted] Jr. for Douglas major President

Sir

I submit the following reasons for asking mitigation of Sentence of the accused.

1.

He has had no leave since 31st Oct.1942. This naturally would tend to brown off any soldier.

He claims the reason for this is due to the fact that he has had entries on his F.F.M. 6 since then, and could not get leave for this reason. Though leave is a privilege to be granted at the discretion of a soldiers C.O., it has caused him to feel that he was being punished unfairly as he had already paid the penalty for his crime and this caused him to justify to himself acts he normally wouldn't do.

2.

The man claims the work he has been doing the past few months is of no interest to him, that he has always wanted to learn a trade, and thus he has been further disatisfied.

3.

The accused claims hesuffers from chronic back trouble and that it has been aggravated by the work he was doing, that is kitchen fatigue, because of the dampness and continual bending over required. He claims the M.O. at 1 C.A.R.U. excused him from this type of duty telling him that he was not fit for it. This work has made him feel sick.

4.

In summing up I would ask that the courts martial consider these facts from the stand point of the accused , that there was no premeditation in to this crime rather only one of impulse caused by the accuseds feeling of frustration and persecution. Further I would draw your attention to the fact that though he has beenpunished in the past few months a considerable no. of times and rather severely, for this same type of minor crime it has in no way deterred its re-occurence. I wish to draw the courts attention to this in order to show that it will be the placing of this man in work he likes and is physically capable of doing that will make him an efficient soldier rather than punishment. I would also like the court to recommend, in order to satisfy the soldier in his own mind as to his physical health, that he be given a medical re-board.

H.W. Purcell Lieut.
Defending Officer.

*Illustration.—If by reason of the nature of the offence of the accused in a deserter, mutiny, or otherwise, the finding of the Court renders him liable to any exceptional punishment in addition to that to be awarded by the Court the prosecutor must call the attention of the Court to the fact, and the Court must inquire into the nature and amount of that additional punishment.]

SUMMARY OF EVIDENCE in the case of M.36999 Gunner DUPILKA, Joseph R.C.A. / Posted to No. 6 (C.W.) Wing, C.T.S.

On the demand of the accused the evidence was taken on oath.

1st WITNESS FOR THE PROSECUTION

K.9053 Cpl Elgie, G.H. No. 1 C.A.S.C.R.U. (Catering Wing) / Posted to No. 6 (C.W.) Wing, C.T.S. having been duly sworn, states :-

"I am the NCO i/c of the cookhouses of No. 6 (C.W.) Wing, CTS. On Friday morning , 7 May 43 Gnr Dupilka reported to me at the Men's Kitchen for kitchen duty and I told him that his duties were the washing of pots and pans, meat block, and table he would use to put his pots and pans on. I also told him he was to prepare any vegetables other than potatoes. Gnr Dupilka carried out his duties on Friday and Saturday. At approx 1115 hrs on Sunday, 9 May 43 the C.S.M. came to the Mess Hall and asked where Gnr Dupilka was. I told the C.S.M. that Gnr Dupilka had left a short time ago and had probably gone to wash. I was told by the C.S.M. to check Gnr Dupilka's whereabouts. I detailed Pte Martin T. to go to the hut in which Gnr Dupilka slept, and see if he was there. On the return of Pte Martin he told me he couldn't find Gnr Dupilka. I then went myself to the sleeping quarters and not finding Gnr Dupilka there, went to the ablution hut checking thoroughly, but he was not there. The C.S.M. returned to the kitchen at approx 1210 hrs and I reported Gnr Dupilka absent."

At approx 1205 hrs when it came time to serve the noon meal Gnr Dupilka did not appear and I sent Gnr Blondin to tell him to come to the kitchen. Gnr Blondin returned in a few minutes and advised me that Gnr Dupilka's working clothes were lying on the bed and his dress clothes were gone. I reported Gnr Dupilka's absence to Cpl Elgie.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge, call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP* 35 *fn* 3. *2. MML p* 34 *para* 47.)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge[1]. If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans. No [5]
(*1. RP* 37(*B*). *2. RP* 37(*D*) *fn* 6. *3. RP* 35(*B*) *fn* 3 *para* 3, *MML p* 34 *para* 47. *4. See para* E3 *of Record Form E.*
5. Statement, if any, recorded per Notes.)

B3. ~~The Court considers the accused's statement (i) The Court decides (not) to advise accused to change his (their) plea(s) of Guilty to Not Guilty as to charge(s). The accused is (are) so informed, and he (they) (change(s) his (their)) plea(s) as to charge(s). Part I of the Schedule is amended accordingly.~~
(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge to which the plea of Guilty is (was) not changed the President records findings of Guilty in Part I of the Schedule.[1]
(*1. RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex "A", initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.[1]
(*1. RP* 37(*A*) (*ii*).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.[1]
(*1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras* D1 *to* D8 *inclusive in Record Form D on p* 3 *and making an appropriate record thereof on a separate sheet.*)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? Ans. .....[1]
(*1. If "yes", see RP* 39(*A*) *for procedure. Statement or evidence, if any, is recorded per Notes.*)

D2. The Prosecutor makes (an) (no) opening address.[1]

(*1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP* 40 *fn* 1. *See MML p* 72 *paras* 12-14 *and p* 81 *para* 4. *4. Delete part not used. If accused acquitted on all charges, use second alternative in para* D8.)
NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP* 60(*C*), *114, 115.*)

D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[2] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[3] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans. ..... Do you intend to call witnesses on your behalf ?

(*1. AA* 54(*7*) (*d*), *RP* 45, 120(*A*). *2. AA* 54(*5*), *RP* 45, 120. *This alternative announcement is not applicable when there are pleas of Guilty outstanding and dealt with under Record Form B or C.*)

D9. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E below.

RECORD FORM E—PROCEEDINGS ON CONVICTION BEFORE SENTENCE.

The Prosecutor produces Statement[1] as to Character and Particulars of Service[2], ~~and certified true copy/copies of Conduct Sheet(s)~~[3], purporting to refer to the accused, which he submits to the Defending Offr for examination, and then to the Court for admission in evidence. The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. Admitted in evidence and marked Ex "B" ~~and Ex ..... respectively~~.[4]

This soldier has been three months in action with the F M R, has been wounded, and while at the Convalescence depot, his wound not being healed completely, thought he might wait for a future draft, unfortunately the Provost caught up with him, and he admits it. He is anxious to go back with his unit. I ask the court to deal lightly with him.

D 3. 1st Witness for Prosecution

Capt. W. L. Stewart 11 CBR Bn - duly sworn states

At approx 1415 hrs 30 oct 44 I called a muster roll of personnel selected for a draft - the accused was on this draft responded properly to the roll & fell in with the draft Party. I then warned them for draft as follows " you have been selected to proceed on draft and you are now warned that you must be present and ready to leave when the draft is fallen in - any unauthorized failure on your part to fall in with this draft when it leaves will result in a charge of desertion on Active Service - later you will be called on parade and the exact date & time of departure will be told to you. I then warned this draft they were confined to Barracks & that they would parade at 0900 hrs 31 oct 44 ready to march out. To ensure complete understanding I instructed Sgt Gauthier to repeat these warnings in French - this was done in my presence. After ensuring to ensure that all present heard & understood these warnings the accused signed an acknowledgement of the draft - I produce original draft warning which the accused signed in my presence. The handwriting below the typewritten headnote is my handwriting. draft Warning initialled & marked E.4"

At approx 0900 hrs 31 oct 44 I called the roll of this draft on their marching out parade. The accused whose name was on this roll did not answer his name. Just before this draft moved off a further check revealed the accused was still absent & he did not move off when the draft left at approx 0900 31 Oct 44

D3

Cross Examn – I instr Sgt Gauthier to repeat my warnings in French & this was done in my presence. I do not understand French very well. From my knowledge of previous warnings given in French I am satisfied that Sgt Gauthier carried out these instructions.

RP 83(b) complied with

2nd witness for the Prosecution

B-130507 Sgt Gauthier J – 11 CBR On duly sworn states –

At approx 1415 hrs 30 Oct 44 I was draft Sgt & was present when the draft was being warned by Capt Stewart. The accused was present on the draft parade. On instr from Capt Stewart I read the draft warning in French – the witness identifies Ex "A" as the warning having exactly the same wording ~~duly read in French~~ by him which was read by him in French.

Pte Dupont was the only one on parade not understanding English. I stood beside him & read out the warning in French – and I informed him for a draft parade at 0900 hrs 31 Oct 44 and he understood the warning.

Cross Examn – I am not sure whether I read in English & translated it or whether I read a French warning but I am sure I warned the accused in French in the same words as in Ex "A". I cannot say it is in exactly the same wording. I read the warning as I was standing beside Pte Dupont.

D 3

By the Judge Advocate —

In order to avoid any misunderstanding please state to the Court the Warning that you say you gave the accused on 30 Oct 44.

Ans. I warned the accused - "you have been selected to proceed on a draft - any unauthorized failure to be present when the draft is due to depart will result in a charge of desertion W.O. H.S. Prior to the departure of the draft there will be a parade called & all personnel on draft must be on it. The day is C.B until moving out orders - There will be a parade the next morning (Oct 31 44) at 0900 hrs - a marching parade with full pack ready to go". All this was said in French and I am sure the accused heard & understood it. I am sure of the wording of the draft generally as I am draft Sgt and give the same Warning or words to the same effect at all draft parades.

(in the case of E33007 Pte Dupont F.)

Mr President, Members of the Court:-

You have just heard the evidence & are aware of the important facts that surround the case. What I wish to do is merely sum up these facts & bring up some points for consideration.

First of all - the accused is charged with desertion but it is a special type of desertion. It is not a question of leaving the army & intending never to return. This is the type of desertion where by a soldier having been duly warned to proceed on a draft absents himself without leave ~~with intent~~ to avoid proceeding on that particular draft. This type of desertion may not be as common but it is every bit as serious, and with the evidence that the court has before it I am certain that there can be no doubt that the accused is guilty of this type of desertion.

There is no doubt that the accused was warned for draft. He was warned by Capt Stewart & the warning translated into French by Sgt Gauthier. Being the only soldier on that parade who did not understand Eng. Sgt Gauthier stood beside him & warned him personally - the accused heard & understood that warning & signed an acknowledgement of it.

Having been duly warned the accused absented himself without leave. When the draft parade was

called the following morning the accused was not present. An effort was made to locate him but he could not be found & the draft was taken to the assembly area without him. I maintain that the only reason he could not be found was because he intended to avoid proceeding with the draft.

The defence is dubious as to the exact words of the warning. To my mind the exact words of the warning are not important. I do not believe it makes any difference whether the warning was read or translated as long as the significance of the warning is made known to the accused. Lt Fournier states beyond any doubt that the accused knew he was on draft & that the accused was warned he would be charged with desertion if unauthorized he failed to proceed with the draft; & that the draft would parade at 0900 hrs the next morning 31st Oct ready to move off; & that they were confined to barracks until that time. Aware of all this the accused absented himself without leave & not only did not show up in the morning but stayed away until night. I maintain that he stayed away all day in order to make certain that the draft for which he was warned moved off without him. The ~~defence~~ accused claims he ~~did not~~ that

there is no witness to corroborate that Sgt Gauthier stated the time that the draft would move ~~to~~ to. I would like to point out that Sgt Gauthier gave his evidence on oath & has nothing to gain by this evidence. The accused has a lot to gain. Whenever the accused was in a room with other personnel warned for same draft & they proceeded with this draft.

I am certain that there can be no doubt in the eyes of the court & that the court will find the accused guilty of the charge against him.

In the case of Pte Dupt. ~~Dpt~~ the draft warning was given in English and some additional writing were added to the draft warning as written by Capt Hamel. Sgt Gauthier is not sure if he handed the same warning card for the English speaking personnel as issued a French Form. For as a French Form there is no additional writing. The property not adding. Sgt Gauthier and officer were present when warnings were given and Sgt Gauthier have no witness to prove that he gave a complete warning with the hand written addition.

C.S.M Jackson is present but he don't understand French

The soldier was called 3 months ago as soon as he had been in action for 60 days and he was examined by the hospital. He don't understand the English language and he said that I was received from Sgt. the date and date of the draft departure.

Sir, then nothing was done that the soldier was duly warned in the language he understand, I will ask the court to find him guilty

D6p6 E.D.

The Judge Advocate Sums up

The accused is charged with a special type of desertion - namely avoiding a draft after having been duly warned for said draft.

The criterion between desertion & A.W.L. is intent but the intent to be proved in this case is not whether the accused intended to return to the army but whether he intended to avoid the draft for which he was allegedly warned.

The court should carefully weigh all the evidence before it and decide on that evidence whether the prosecution has proved

(a) That the accused was warned for draft
(b) That the accused heard & understood the warning
(c) That the accused was A.W.L. with the intent to avoid proceeding on said draft
(d) That the draft proceeded without the accused.

The accused is presumed innocent until proved guilty. In other words it is for the prosecution to prove the accused guilty & not for the accused to prove himself innocent.

The accused is entitled to the benefit of any reasonable doubt. A reasonable doubt being a doubt which under similar circumstances any reasonable man would entertain & not an imaginary or fanciful doubt.

In this matter the court may find any one of the following verdicts

(a) not guilty of any offence, or
(b) not guilty of desertion, but guilty of A.W.L., or
(c) guilty of desertion

D6p7

That is all I propose to say unless the President, Pros or Def Officers desire me to advise the Court further on any matter

EE 8 E.3.

23 Plea in Mitigation

The accused has been in the army 37 months and spent 60 days in action & evacuated by reason of sickness. I ask the court to consider his previous good record, his service in action & the fact that he is ready to go into action again.

SUMMARY OF EVIDENCE

In the case of E-23007 Pte Fernand DUPONT (R de Mais) 52 Coy, 11 CBR Bn., a soldier of the Canadian Army Overseas charged with desertion.

By direction of the Commanding Officer the evidence is taken on oath.

Lieut. G.P. LEGERE having been duly sworn acted as interpreter.

FIRST WITNESS:

Capt. D.L. Stewart, 52 Coy, 11 CBR Bn having been duly sworn states:

"I am acting Coy commander of 52 Coy 11 CBR Bn. At approx 1415 hrs, 30 Oct 44, I called a muster roll of certain personnel who had been selected to proceed on draft. Pte Dupont whose name on that draft roll responded properly to the muster and fell in with draft party. I then warned this draft in the following terms: "You have been selected to proceed on draft and you are now warned that you must be present and ready to leave when the draft is despatched. Any unauthorized failure on your part to proceed with this draft when it leaves will result in your being charged with desertion on Active Service. At some time previous to the departure of this draft a parade will be called on which you must be present and at which the exact date and time of departure will told to you." I then warned this draft that they were confined to barracks until such time as their draft left and that they would parade at 0900 hrs, 31 Oct 44, ready to march out. In order to ensure understanding, I instructed Sgt Gauthier to repeat these warnings in French. This was done in my presence and Pte Dupont then signed the acknowledgement of the draft warning in my presence. This is the draft warning acknowledgment as singned by the accused which I now produce.

"At approx 0900 hrs, 31 Oct 44, I called the roll of this draft at the marching out parade for which they had been duly warned. Pte Dupont did not answer his name and was not present. A further check made as this draft moved off revealed that Pte Dupont still was not present and did not proceed with this draft."

1st Witness for Prosecution

Capt D.L. Stewart 11 CBR Bn - duly sworn states

At approx 1415 hrs 30 Oct 44 I called a muster roll of personnel selected for a draft - the accused was on this draft responded properly to the roll and fell in with the d aft party. I then warned them for draft as follows"you have been selected to proceed on draft and you are now warned that you must be present and ready to leave when the draft is despatched. Any unauthorized failure on your part to proceed with this draft when it leaves will result in a charge of desertion on active service - later you will be called on parade the the exact date and time of departure will be told to you. I then warned this draft they were confined to barracks and that they would parade at 0900 hrs 31 Oct 44 ready to march out. To ensure complete understanding I instructed Sgt Gauthier to repeat these warnings in French. this was done in my presence. After questioning to ensure that all present heard and understood these warnings the accused signed an acknowledgement of the draft - I produce original draft warning which the accused signed in my presence. The handwriting below the typewritten headnote is my handwriting. Draft Warning initialled & marked Ex 'A'. At approx 0900 hrs 31 Oct 44 I called the roll of this draft on their marching out parade. The accused whose name was on this roll did not answer his name. Just before this draft moved off a further check revealed the accused was still absent & he did not move off when the draft left at approx 0930 31 Oct 44.

Cross Exam - I instr Sgt Gauthier to repeat my warnings in French & this was done in my presence. I do not understand French very well. From my knowledge of previous warnings given in French I am satisfied that Sgt Gauthier carried out these instructions.

RP 83(B) complied with.

2nd Witness for the Prosecution

B.130507 Sgt Gauthier J - 11 CBR Bn duly sworn states.

At approx 1415 hrs 30 Oct 44 I was draft Sgt & was present when the draft was being warned by Capt Stewart. The accused was present on this draft parade. On instr from Capt Stewart I read the draft warning in French & the witness identifies Ex 'A' having exactly the same wording which was read by him in French. Pte Dupont was the only one on parade not understanding English. I stood beside him & read out the warning in French - and I warned him for a draft parade at 0900 hrs 31 Oct 44 and he understood the warning.

Cross Exam - I am not sure whether I read in English & translated it or whether I read a French warning but I am sure I warned the accused in French in the same words as in Ex 'A'. I cannot say it is in exactly the same wording. I read the warning as I was standing beside Pte Dupont.

By the Judge Advocate

In order to avoid any misunderstanding please state to the court the warning which you say you gave the accused on 30 Oct 44.

Ans. I warned the accused - "you have been selected to proceed on a draft - any unauthorized failure to be present when the draft is despatched will result in a charge of desertion W.O.A.S. Prior to the departure of the draft there will be a parade called & all personnel on draft must be on it. There will be a parade the next morning (~~six~~ Oct 31st) at 0900 hrs - a moving off parade with full pack ready to go". All this was said in French and I am sure the accused heard & understood it. I am sure of the wording of the draft generally as I am draft Sgt and give the same warning or words to the same effect at all draft parades.

RF 83(B) complied with.

3rd Witness for the Prosecution

K.62361 CSM Jackson H - 11 Bn
duly sworn states.

On 30 Oct 44 at 1415 hrs I was present when Capt Stewart warned the accused that he had been selected for draft & that the draft would proceed at 0900 hrs the following day. Capt Stewart instr Sgt Gauthier to translate the warning in French. On 31 Oct 44 at 0900 hrs, the draft was called to proceed forward - the accused's

name was called, he did not answer and he did not proceed with the draft. I then had a search made of the Coy lines for the accused but did not locate him. At 2200 hrs 31 Oct 44 the accused reported to me & I placed him under arrest the following morning.

Cross Exam - I do not understand French and I am not sure whether the warning which Sgt Gauthier gave the accused was the same warning as given by Capt Stewart in English

4th Witness for the Prosecution

B.63755 Sgt Hemmings F.

This witness is called by the Prosecution on the request of the accused and is cross-examined by the Def Officer.

Q. Were you present on the 30 Oct 44 when Capt Stewart warned the draft incl the accused
A. No sir.

The prosecution does not call the witness Sgt Barstow a witness in the summary & the Defence does not request that he be called.

Prosecutor Address.

(in the case of E.23007 Pte Dupont P)

Mr President, Members of the Court:

You have just heard the evidence & are aware of the important facts that surround the case. What I wish to do is merely sum up these facts & bring up some points for consideration.

First of all - the accused is charged with desertion but it is a special type of desertion. It is not a question of leaving the army & intending never to return. This is a type of desertion where a soldier having been duly warned to proceed on a draft, absents himself without leave with intent to avoid proceeding on that particular draft. This type of desertion may not be as common but it is every bit as serious, and with the evidence that the court has before it I am certain that there can be no doubt that the accused is guilty of this type of desertion.

There is no doubt that the accused was warned for draft. He was warned by Capt Stewart & ~~the~~ by Sgt Gauthier. Being the only soldier on that parade who did not understand Eng Sgt Gauthier stood beside him & warned him personally - the accused heard & understood that warning & signed an acknowledgement of it.

Having been duly warned the accused absented himself without leave. When the draft parade was

called the following morning the accused was not present. An effort was made to locate him but he could not be found & the draft was taken to the assembly area without him. I maintain that the only reason he could not be found was because he intended to avoid proceeding with this draft.

The defence is dubious as to the exact words of the warning. To my mind the exact words of the warning are not important. I do not believe it makes any difference whether the warning was read or translated as long as the significance of the warning is made known to the accused.

Sgt Gauthier states beyond any dount that
1 the accused knew he was on draft, 2 that the accused was warned he would be charged with desertion if unauthorized he failed to proceed with the draft, 3 that the draft would parade at 0900 hrs the next morning 31st Oct ready to move off; 4, & that they were confined to barracks untill that time. Aware of all this the accused absented himself without leave & not only did not show up in the morning but stayed away untill night. I maintain that he stayed away all day in order to make certain that the draft for which he was warned moved off without him. The defence claims that

there is no witness to corroborate that Sgt Gauthier stated the time that the draft would move off. I would like to point out that Sgt Gauthier gave his evidence on oath & has nothing to gain by this evidence. The accused has a lot to gain. Moreover the accused was in a room with other personnel warned for same draft - they proceeded with this draft.

I am certain that there can be not doubt in the eyes of the court & that the court will find the accused guilty of the charge against him.

EEP

In the case of Pte Dupont.
The draft warning was given
in English and some
hand writing were added
to the draft warning and written
by Capt Stewart. Sgt Gauthier
is not sure if he translated
the same warning read for the
English speaking personnel ~~in~~or
used a French Form. But
in a French Form there is
not adding hand writing. The prosecuting
officer never proof which kind
of warning was given and
Sgt Gauthier have no witness
to prove that he gived
a complete warning with
the hand written adding.
C.S.M. Jackson is present
but he dont understand
french

this soldier enlisted 37
months ago. A clean record.
been in action for 60 days
and he was evacuated to
ths hispital. He don't
understand the English
language and he ~~s~~aid
that I never received from
Sgt the time and date of
the draft departure.
Sir, has nothing was
proof that this soldier was
duly and completely warned in the language
he understood, I ~~w~~ ll
ask the court to find him
not guilty.

EOP

The Judge Advocate Sums up

The accused is charged with a special type of desertion - namely avoiding a draft after having been duly warned for said draft.

The criterion between desertion & AWL is intent but the intent to be proved in this case is not whether the accused intended to return to the army but whether he intended to avoid the draft for which he was allegedly warned.

The court should carefully weigh all the evidence before it and decide on that evidence whether the prosecution has proved.

(a) That the accused was warned for draft.
(b) That the accused heard & understood the warning.
(c) That the accused was AWL with the intent to avoid proceeding on said draft.
(d) That the draft proceeded without the accused.

The accused is presumed innocent until proved guilty. In other words it is for the prosecution to prove the accused guilty & not for the accused to prove himself innocent.

The accused is entitled to the benefit of any reasonable doubt. A reasonable doubt being a doubt which under similar circumstances any reasonable man would entertain & not an imaginary or canciful doubt.

In this matter the court may find any one of the following verdicts.

(a) Not guilty of any offence, or

(b) Not guilty of desertion, but guilty of AWL, or

(c) Guilty of desertion.

That is all I propose to say unless the President, Pros or Def Officer desire me to advise the court further on any matter.

Plea in Mitigation

This accused has been in the army 37 months and spent 60 days in action & evacuated by reason of sickness

I ask the court to consider his previous good record, his service in action & the fact that he is ready to go into action again.

Exhibit 'A' D.3.

(i) You have been selected to proceed on a draft, and you are now warned that you must be present and ready to go when the draft is despatched.

(ii) Any unauthorized failure on your part to go with the draft when it leaves will result in you being charged with desertion on active service.

(iii) At some time prior to the departure of the draft a parade will be called on which you must be present, and at which the exact date and time of departure will be told to you.

30 Oct 44
This draft is 'CB' until the draft leaves for its destination
I have read and understand the above warning.

Lieut G.P. LEGERE having been duly sworn acted as interpreter.

FIRST WITNESS

Capt D.L. Stewart, 52 Coy, 11 CBR Bn having been duly sworn states :

I am acting Coy commander of 52 Coy 11 CBR Bn. At approx 1415 hrs, 30 Oct 44, I called a muster roll of certain personnel who had been selected to proceed on draft. Pte Dupont whose name on that draft roll responded properly to the muster and fell in with draft party. I then warned this draft in the following terms: "You have been selected to proceed on draft and you are now warned that you must be present and ready to leave when the draft is despatched. Any unauthorized failure on your part to proceed with this draft when it leaves will result in your being charged with desertion on Active Service. At some time previous to the departure of this draft a parade will be called on which you must be present and at which the exact date and time of departure will told to you. I then warned this draft that they were confined to barracks until such time as their draft left and that they would parade at 0900 hrs, 31 Oct 44, ready to march out. In order to ensure understanding, I instructed Sgt Gauthier to repeat these warnings in French. This was done in my presence and Pte Dupont then signed the acknowledgement of the draft warning in my presence. This is the draft warning acknowledgement as signed by the accused which I now produce.

At approx 0900 hrs, 31 Oct 44, I called the roll of this draft at the marching out parade for which they had been duly warned. Pte Dupont did not answer his name and was not present. A further check made as this draft moved off revealed that Pte Dupont still was not present and did not proceed with this draft.

This warning was in English. Under Capt Stewart's instructions I read the draft warning in French. Pte Dupont was the only French speaking soldier on the parade who did not understand English so I stood beside him and read the warning in French to him. Pte Dupont signed an acknowledgement of the draft warning.

Plea of Mitigation of Punishment

of

D 118850 Gnr. Arthur DUPUIS.

1) The accused has been charged with being A.W.L for 52 days 23 hrs. 35 mins. and he pleads guilty to the charge.

2) Gnr. Dupuis realizes, that he will be punished and does not expect his personal reason for going A.W.L to excuse him, but would ask the court to consider it before passing sentence.

3) Prior to going A.W.L Gnr. Dupuis had received a letter from a young girl by the name of Mlle. Genevieve Voivenel of F 76 Rue de Caen, Lion Sur Mer. telling him that she was sick and as he had been on most intimate terms with her, he suspected that she was in the family way. This worried him a lot, he did not know what to do. He wanted to go down to see her but knew he could not get away.

While waiting at BRA Branch in Antwerp for an Officer to turn up so he could drive him to Eindhyke he went down town to see Antwerp. He went into a Cafe and had a few drinks, he met some English Soldiers who drank with him & they told him, they were going in the direction of Paris. He went along with them and went to see his girl friend at Lion Sur Mer. He found out that everything was alright with her, this relieved him greatly.

4) The above was quite a worry to Gnr Dupuis & that is the reason he went A.W.L in the first place, if he had asked for, or received proper advice all this would not have happened.

Lt G. M. H. Hodges
Defending Officer.

Accused realizes he was wrong in being A.W.L. I just wanted in my address to explain why he went away in first place. Once he found girl O.K., he was so relieved he decided ~~kx~~ he would stay over Xmas. Realizes he should have come straight back but as he knew was A.W.L. he decided to stay over Xmas.

PLEA OF MITIGATION OF PUNISHMENT

of

D-118850 Gnr Arthur DUPUIS

The accused has been charged with being A.W.L. for 52 days, 23 hrs and 35 mins, and he pleads guilty to the charge.

Gnr Dupuis realizes, that he will be punished and does not expect his personal reason for going A.W.L. to excuse him but would ask the court to consider it before going passing sentence.

Prior to going A.W.L. Gnr Dupuis had received a letter from a young girl by the name of Mlle Genevieve Voivenel of P76 Rue de Caen, Lion sur Met, telling him that she was sick and as he had been on most intimate terms with her, he suspected that she was in the family way. He wanted to go down to see her but knew that he could not get away.

While waiting at D.R.A. Branch in Antwerp for an officer to turn up, so he could drive him to Eisendyke he went down town to see Antwerp He went into a cafe and had a few drinks, he met some English soldiers who drank with him and told him, they were going to the direction of Paris. He went along with them and went to see his girl friend at Lion sur Met. He found out that everything was alright with her, this relieved him greatly.

The above was quite a worry to Gnr Dupuis that is the reason he went A.WL. in the first place, if he had asked for, or received proper advice all this would not have happened.

Defending Officer.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans.....(5)

TRIAL OF

D.77629 Pte Fernando DUPUIS 4 CMP&DB

PROSECUTION

By way of an opening address I simply wish to point out that the disturbances at Headley Down continued for the 8th,9th and 10th of May this year, and these Charges are concerned with events on each of those three days.

With the consent of the Defence I will file the plan of the Detention Bks.

PLAN OF DETN BKS IS PRODUCED, ACCEPTED BY THE COURT, AND MARKED EXHIBIT "1"

The only alteration to bring the plan up to date is that the hut desi nated B2 is now used as a living hut, and at that time it was used for something else.

FIRST WITNESS for Prosecution: K.672056 Sgt GAVINS J. 4 Cdn Mil Prison and Detn Bks, being duly sworn, is examined by the Prosecutor:

Q Will you give the Court your number, rank, name and Unit?
A. K.671 67 Sgt Gavins J. on staff of 4 Cdn Mil Prison & Detn Bks sir.

Q Were you on the staff at Headley Down Detn Bks on 8th,9th and 10th May 45?
A Yes sir.

Q And had duties in "A" Compound?
A Yes sir.

Q Do you know the accused?
A Yes Sir.

Q Did you see him on 8th May 45?
A Yes sir.

Q. What time did you see him?
A At approximately 1800 hrs sir.

Q Where were you?
A At his cell door sir.

Q Which is where?
A Cell block 5 sir.

Q I believe that is on the north side of the parade square?
A This is correct sir.

Q What were you doing at that time?
A I was removing the equipment from the cells as ordered by one of our offrs.

Q Will you describe to the Court the set up in the cell block?
A You go in the front door of the cell block and there are two rooms, one on either side. One is a guardsmens room, where we keep our books, and the other is just a store room where we put the clothes of the GUF at night. On the left hand side you have cells 1 to 7 and immediately accross from 7 to 14.

Q They are individual cells?
A Yes sir.

Q I believe there is a corridor that runs between the cells?
A Yes sir.

Q What was it you were doing on this occasion?
Q We were removing everything but blankets and pallaisses out of the cells so the SUS could not use them for banging on the doors and windows sir.

Q Did you see the accused on this occasion?
A. Yes sir.

Q Where was he?
A He was in his cell sir.

Q Was there anything unusual when you saw him?
A When I opened the cell door and asked for his equipment he immediately started breaking his bed board to pieces and handing them out to me. The rest of his equipment was intact.

Q What exactly is his bed board?
A It is 6 ft long by 3½ to 4 ft wide, and stands 6" off the floor on legs.

Q Did you see him breaking this?
A Yes sir, he broke it right in front of me.

Q What was the condition of the rest of the cell block?
A The rest of the cell brlock was fairly quiet, nothing else was broken and everything was handed out intact.

Q Was everything normal in the rest of "A" Compound?
A Everything was quiet, except for some yelling. The first breakout had been calmed down and the second one had not started.

Q What time was the first break you mention?
A Approximately 1905 hrs sir.

Q Was it a break by the SUS?
A Yes sir, from the living huts.

Q Approximately how many were involved?
A Approximately 50 sir.

Q Then you mention another break - what time was that?
A About 1930 hrs sir.

Q How long before that one was it you were near the accused's cell?
A It was approximately 1800 hrs that I was in cell block 5 sir.

Q Did you see any other unusual thing happen around cell block 5?
A No sir nothing.

Cross-examined by the Defending Officer:

Q Is it not possible that the bed legs of the accused's bed were actually broke before you got into the cell?
A It is very unlikely sir.

Q But it might be possible?
A I might have been, but he should have reported it and had it fixed.

Q Suppose they might have been cracked?
A They may have been cracked, but they would still have been serviceable.

Q Did you see the accused on that evening cause any trouble outside of this incident?
A No sir.

Re-examined by Prosecutor:

Q Do you know if the accused in fact ever did report his bed being broken?
A No sir. I was 2 i/c and took over at 1700 hrs. Nothing was reported on the Count.

Questioned by the Court:

Q Just exactly was the extent of the damage - how thick is the bed board?
A It is similar to the floor, a half an inch thick and about 5 inches wide, there are about 9 or 10 of them.

Q They are separated?
A They form together just like the floor sir.

Q What did you see the accused do to the boards?
A He pulled off 3 or 4 slates and then I took the rest of them.

Q Is there any routine inspection of these cell blocks?
A No sir, except for the lay o-t they have, they have their beds laid out and we go along and check them.

Q When does that check take place?
A In the morning sir.

Q You do not check to see if there is any damage?
A No sir. The day staff does that, and when you take over at 1700 hrs you just count heads.

Questioned by Judge Advocate:

Q Did you accused hand you the articles that were broken, or throw them at you?
A He handed them to me sir.

Q To your knowledge he did not do any more damage that day?
A No sir, not to my knowledge.

SECOND WITNESS for Prosecution: A.34001 S/Sft Semple P.J. of 1 Cdn Detn Bks, being duly sworn, is examined by the Prosecutor:

Q Will you give the Court your number, rank, name and unit?
A I am A.34001 S/Sft Semple P.J. on staff of 1 Cdn Detn Bks.

A No sir, not on the 8th May.

Q Did you see him the 9th May?
A Yes sir.

Q What time did you see him?
A Between 0800 and 0900 hrs. He was in his cell at 0800 hrs.

Q Where were you at the time?
A I was in the cell block checking up on the staff and the books, and getting the count from the staff in charge. Everything was alright then.

Q Which cell block is that?
A Cell block 5 sir.

Q Did you see the accused after that on the 9th May,
A I did not see him until after they got out of the cell block. I did not see him come out, I saw him on the parade square.

Q What was he doing there?
A He was walking around the parade square when I saw him.

Q Was he carrying anything?
A Not at that time sir.

Q Did you see him later on the 9th May?
A [illegible] between the hours of 10 and 11, after I had returned to the Compound from the outside, after the escape.

Q At that time where was he?
A Walking around the cell blocks and on the parade square. He was alone at that time.

Q Was he carrying anything then?
A No sir, not then sir.

Q Were there other SUS about then?
A Shortly after there was a parade formed. I found out they were headed towards Kit stores. The accused was there just with the rest of the men - some 40 to 50 of them.

Q What time was it you saw that parade forming?
A About 1030 sir.

Q What happened then?
A Then men walked in a body towards the Kit Stores. That is where they keep all the kits of the SUS. I saw the accused in that gathering of men.

Q Will you point out on the plan where this Kit Storage is?
A (Witness indicates living hut in the S.W. part of the plan. One of a group of 3 huts, the right hand hut being designated as living hut.)

Q What happened after that?
A I spoke to two SUS outside 10 cell block and asked them where the men were parading to and they said to the Kit Stores. The accused was in the rear of the group at that time. He was carrying no weapons. I asked the two SUS to assist me, and they ran ahead of the men and spoke to them and managed to stop the parade. They then returned to the parade square. There was no damage done during that parade.

Q Did you see the accused again on the 9th May?
A I saw him shortly after dinner and periodically. Each time I saw him he was alone. He was walking around the square with his denim pants on and minding his own business, not mingling with any of the rest of the men.

Q Did you see him the 10th May?
A I saw him the 10th May shortly after the GOC's speech, that was the morning of the 10th.

Q Approximately what time did you see him?
A About 1000 hrs sir.

Q Where did the GOC speak to the men?
A He spoke to the men just opposite living hut 2 sir.

Q What did he say to the men?
A He had them all around, asking them their complaints and they said what they missed most was cigarettes and other privileges.

Q Did you see the accused after this speech?
A I did sir.

Q Where was he at that time?
A A body of men had broken off and formed a parade - 20 to 30 men in all. Some headed in the direction of the Sanitary block at the S.W. corner of "A" compound. (witness indicate building called Sanitary block at the S.W. corner of "A" compound)

Q How long after the General's speech was it when you saw this group?
A About ten minutes after the General had left the Compound.

Q Did you yourself go towards the Sanitary Block?
A I was opposite cell block 5 at that time looking towards the parade, and I headed around towards the sanitary block as I thought they were going to the fence.

Q What did you see?
A By the time I got there I could hear smashing and breaking of glass in the sanitary block.

Q What was inside that block?
A Urine bowls, and pipes and so on.

Q What sort of bowls - latrines?
A Yes sir, latrines.

Q About how many?
A About 15 to 20. I never took any count.

Q Do you know what condition that block was in before the General spoke?
A It was in fairly good condition. There was some damage done the night of the 8th. A little damage such as a few panes of glass broken, but after the speech there had been considerable damage done when I went in. It was alright in the morning when I inspected.

Q Did you inspect it that morning before the General spoke?
A Yes sir, we make occasional trips in there to see if anyone is in the place.

Q Did you go near this sanitary block after the General spoke?
A Yes sir, I went up the steps a short distance from it. The steps are outside living hut 1 and the latrine is only a short distance from it, about 20 ft. I was standing there at the time the men were in the sanitary block.

Q Where were you when you saw the accused?
A I was close to the sanitary block. The accused was on the outside he was not in it.

Q Then what happened?
A I heard some of the men call here's the staff and the smashing stopped. I shouted to the men to come out, and about half of them came out and the others stayed in.

Q How many would there be around the building?
A About 20 sir, some had iron bars, I could see them, but I could not identify anyone in there, it was dark.

Q Did you see the accused inside at any time?
A No sir.

Q Did you go inside the block yourself?
A I went inside afterwards, about 20 minutes after they had all

gone, and I saw considerable damage done to the windows which were smashed, there were several iron bars lying on the floor, and the place was flooded with water. The pipes had been broken and the water system was pulled down from the wall.

Q When you saw the accused there how close were you to him?
A Only a few feet from him at the time sir.

Cross-examined by Defending Officer:

Q When did you see the accused first on the morning of the 9th May 45?
A It would be between 10 and 11 hundred hours sir.

Q Where was he then?
A He was outside the cell block.

Q On the parade square?
A Just walking around idle sir.

Q You did not see him doing any damage to the cell block?
A No sir. The cell block was in good condition. The locks had been broken off with a screw driver. There are only four small screws holding the locks in place, and they can be taken off quite easily.

Q Did you see the accused trying to excite others on the 9th May to cause trouble?
A No sir, I did not.

Q What time was it on the 9th that you saw the accused with a bar?
A I saw him with what I thought was a bar, it might have been a piece of the window blackout, many of the men were carrying them in their hands.

Q Did you see him do any damage?
A No sir.

Q Was the accused just following the rest of the men?
A Yes sir, they were called by the leaders, and the others just followed along.

Q On the 10th May did you see the accused carrying a club or bar?
A No sir.

Q Did you see him doing any damage inside the sanitary block?
A No sir.

Q About what time did the GOC finish his talk?
A About ten o'clock, I am not certain sir.

Q Is ten o'clock not the time he started?
A About that time sir.

Q How long did the speech last?
A I was there for most of the speech, but I was not there at the start, I came shortly after.

Q Approximately how long would you say the GOC spoke?
A About 15 minutes sir.

Q You say you saw the accused on the 10th May outside the sanitary block, and that you saw him inside the cell block as well?
A I did not see him inside the cell block sir.

Q On the other hand in the Summary of Evidence you said you saw the accused inside the cell block?
A I know in the Summary of Evidence, but I did not see him inside the Sanitary block.

Q Since it happened a long time ago you cannot actually swear if you did see him there at all?
A I cannot swear to it, it is quite a long time ago, nearly three months sir.

Q If at that time you thought you saw him inside, and now you think it was outside, maybe you didn't see him at all?
A I did not see him inside at any time. I know the accused and never had any trouble with him.

The Prosecutor declines to re-examine.

Questioned by Judge Advocate:

Q Did the accused have any duty to do on the parade square the 9th May at any time?
A No sir.

Q Did you see him opening any cell blocks on the 9th May?
A No sir.

Q Do you recall saying previously that you did see him in a group assisting?
A I saw him in the group, but I did not see him open any of the cells.

Q Do you recall saying in the Summary "The accused was agitating and instigating as one of the leaders in bringing the group together"?
A He was among the party as the groups formed up to march around the west end of the fence. I spoke to the accused at one time along with Kelly and other SUS. They were calling for cigarettes, and I gave them a direct order to return to the parade square, which they did.

Q To your knowledge was there any additional damage done in the Sanitary block after the OC's speech when some personnel went inside?
A Yes sir. The damage of the latrines, the pipes and the water system.

Q Had they been damaged previously?
A No sir.

Q Did you actually see the accused go in?
A I did not see him go in sir.

Questioned by the Defending Offr through the Court:

Q Was it a fact that on the 9th May cell blocks 1,2,3 were opened and that the SUS were milling around the square?
A I got permission to let one cell out, cell block 3, to stop damages. I got permission from the Orderly Offr that day to open the cell blocks and when I returned at 1000 hrs from the outside there were a number of men still locked in 3 cell block. The SUS that were from the living huts were milling around with bars to do damage there, and I got permission to open the lock of the grill door to free the men.

Q During the day was there any interference by the staff regarding the SUS milling around the square if they were keeping quiet?
A No sir.

Q It was just taken for granted it was better they were out there?
A Everything was out of control, and nothing could be done, there was such a few staff.

Q You never saw the accused inciting others to cause trouble?
A I just saw him in the group with the leaders. I could not swear he was one of the leaders.

Q Was it proper for this body of SUS to be at the Sanitary Block at this time?
A No sir. The only time they go there is under escort from the staff from the living huts. That sanitary block is only for living huts 1,2 and 3, and they are paraded there 15 at a time, and returned to the living huts.

In the opinion of the Court and Judge Advocate it is not necessary to comply with RP 83 (B)

MOTION THAT NO PRIMA FACIE CASE WAS MADE OUT ON FIRST CHARGE:

The Defence submits there was no evidence brought up before the Court regarding the First Charge of Arson on the 9th May. Therefore the accused should be found Not Guilty and the Charge withdrawn.

REPLY BY PROSECUTOR:

On the evidence as it appeared in Court today as Prosecutor I agree it is not sufficient to support any conviction on that Charge, although the evidence at the Summary of Evidence was sufficient to the laying of the Chrage. So I cannot oppose the motion of the Counsel for the Defence as the evidence is not sufficient.

The Court is closed to consider the Motion.

The Court being re-opened, the accused is again brought before it.

President:

The Court upholds the submission of the Defence with respect to the 1st Charge, so you are therefore found Not Guilty on the 1st Charge. The trial will proceed with respect to the remaining Charges.

The Defending Offr Declines to re-examine.

Questioned by the Court:

Q How far were you two standing from the fire truck as you were talking?
A I could not say exactly, it was on the lawn in front of hut B2.

Q About how far?
A 10 to 15 ft sir.

Q How far were you from the man with the hose when you saw him running?
A We would be towards the front of the hut, and he went from behind it.

Q Where were the 75 to 100 SUS at the moment?
A I would not say how many were around the truck, there were some around the truck and oposite us, and around us.

Q Where as the reel on this fire truck?
A I did not take any particular notice, but presume it was on the back of the truck.

Q How far did you see this man running?
A I just saw a man running with the hose, I could not be definite on how far.

Q What time do you say is the normal meal time?
A 12 o'clock sir, and around 5 sir.

In the opinion of the Court and Judge Advocate it is unnecessary to comply with RP 73(3)

The witness withdraws.

THIRD WITNESS for Defence: D.77662 Pte BEECHOW K.G. presently a soldier under sentence at A CMP&DR, being duly sworn, is examined by the Defending Officer:

Judge Advocate to witness: I must warn you that you need not answer any questions, the answers to which may tend to incriminate you. Do you understand that? Answer: Yes sir.

Q On the 10th May after the GOC's speech where did you go?
A I went down to the cell block and shortly after we had an early dinner and I went up to help bring the dinner down.

Q Where did you go?
A Up to "A" Compound kitchen.

Q Would you show it on the plan?
A Indicates same kitchen as before.

Q When you arrived at the kitchen did you see the accused?
A Yes sir, I saw him. I noticed him because he had sort of a bald head, his hair was shaved off and I mentioned the fact that since we were going to prison he would be right at home.

Q What was he doing there?
A He was there with the other chaps, getting the dinner.

Q As helpers?
A Yes sir.

Cross-examined by Prosecutor:

Q What time was lunch after the General spoke?
A Right shortly afterwards. I could not say, I did not have a watch, but I would say about 15 minutes after. When he finished speaking we walked to the square and had early dinner because we were leaving that afternoon.

Q Where were you going?
A We were being transferred to Reading because the GOC said there was no room to hold us as the place was damaged.

Q Where did you eat your lunch?
A Down around the cell blocks sir.

Q Had you ever seen the accused before?
A Yes sir.

Q Where?
A I met him in Three Rivers in Canada before I came over, and I saw him again at Headley.

Q Had you seen him before this morning of the 10th?
A Yes sir, up in the cook house. I remember him distinctly because he had his hair shaved off, and I cracked a sort of joke that he would be a real convict when he got to prison.

Q What do you mean when he got to prison?
A We were going to Reading prison sir.

Q What about the others did they have their hair shaved?
A No sir, it was up to you, if you wanted your hair taken off you could. You had to keep your hair short anyway.

Q Are you suggesting that the accused only the only one with his hair cut short?
A Oh no, there were quite a number.

Q How many, ten?
A I could not say.

Q Was it at least ten?
A It is possible.

The Defending Offr declines to re-examine.

Questioned by the Court:

Q You mentioned you knew the accused in Three Rivers - for how long?
A 3 to 4 months sir.

Q Were you in the same Regt?
A Yes sir, we were reinforcements.

Q Were you pally?
A No sir, I just knew him.

Questioned by Judge Advocate:

Q Have you seen the accused since he has been at Reading?
A I have seen him around, not to talk to him.

Q You are not in the same cell block?
A I was for about a week, but I see him around working as an orderly.

In the opinion of the Court and Judge Advocate it is not necessary to comply with RP 83 (B)

The witness withdraws.

At 1210 30 Aug 45 the Court adjourns until 1330 hrs.

At 1330 hrs 30 Aug 45 the Court re-assembles, pursuant to minutes of adjournment, present the same members.

The accused is again brought before it.

CLOSING ADDRESS BY PROSECUTING OFFICER:

On the 2nd Charge alternative to the 1st one the Defence submits that the Prosecution failed to prove that the accused was improperly concerned in a disturbance on the 9th May. There is no evidence that the accused was a leader or was exciting other PWS to make trouble. On the other hand S/Sgt Semple said the accused never appeared to him to be a leader or instigator of the trouble. Also there is no evidence that he did do any damage to the buildings or property of the Cdn Detn

Bks on that same day. The evidence regarding the incident in the late afternoon near living hut B2 in connection with the fire truck is contradictory. Sgt McCaffery is not a very strong witness from the point of view of the Defence because he knew the accused only that day, and to prove that he says he remembers seeing the accused on the previous day roaming around the parade square of "A" Compound, while it has been brought up in Court that actually the accused was in his cell all day the 8th May. So Sgt McCaffery certainly mistook someone else on that day for the accused. If he did on the 8th there is no reason to believe he did not do the same thing the 9th May.

I wish to draw the attention of the court to para 19 Chapter 7 of MML page 108. (quotes) The Defence submits that the accused at no time on the 9th May encouraged a disturbance, and although he was like the rest of the SUS roaming around, he did not take any active part, and should not be found Guilty.

On the 3rd Charge the Defence submits the Prosecution has failed to prove that the accused was involved in riotous damage. There is no evidence that the accused did any damage to the sanitary block on the 10th May.

The 4th Charge which is alternative to the 3rd there is also no evidence that the accused was improperly concerned in a disturbance. The evidence discloses that the accused was near the cook house while the damage was done in the Sanitary block. Even if the accused was seen around the Sanitary block - and the Defence is not prepared to accept that - even that does not show the accused was a leader or damaged this building. He might have been there - but there is no evidence to show he took any active part.

On the 5th Charge the accused being charged with being improperly concerned in a disturbance on the 8th May the Defence submits the Prosecution failed to prove the accused was involved in any disturbance. There is contradictory evidence regarding the damage to the bed - the evidence of Sgt Gavins and the accused, and naturally if there is reasonable doubt in the mind of the Court is must be given in favour of the accused. I wish to draw the attention of the Court to the fact that the accused is not charged with damaging any building on the 8th May. For this reason the Defence submits that the accused should be found Not Guilty on the remaining 2nd, 3rd, 4th and 5th Charges.

CLOSING ADDRESS BY PROSECUTION:

May it please the Court. My first remarks are to submit that the Counsel for the defence has this case out of focus. This accused is not being charged as leader or agitator. To say that in everything that happened there, the Prosecution must find this man was leader or agitator is much more than the Prosecution has charged him with. But although he was not a leader or agitator he was not an innocent bystander and that is what the Prosecution's evidence has shown.

First the 3rd Charge of riotous damage - and that will clear the issue. I agree the evidence before the Court today does not establish riotous damage nor identify this accused in the riotous assembly sufficiently to justify a conviction on that Charge, so that I put to the Court that what we have left is the 5th Charge under Sec 40 on the 8th, and the 2nd Charge under sec 40 on the 9th, and the 4th Charge under Sec 40 on the 10th. I submit that the duty of the Prosecution is to establish to the satisfaction of this Court that there was a disturbance on each of these three days, and secondly that this accused was improperly concerned in this disturbance.

As to the disturbance on the 8th we have the evidence of Sgt Gavins that there had been a break out from the living huts, and sometime after that an order was given to remove the removables from the cells of the SUS in cell blocks, and when he went to the accused's cell the accused had pulled 3 or 4 slats from his bed and handed these to him along with one of the legs of his bed. Also there is evidence that

shortly after that time there was again a disturbance in "A" Compound, I submit that the question for the Court to decide is this - are we satisfied there was a disturbance among the SUS in "A" Compound, and are we satisfied this accused was improperly concerned in it. I put it to the Court that the disturbance should be viewed not in the same sense as a riotous assembly in which almost everyone in the group is doing the same thing. But a disturbance is the total of a number of isolated incidents. On this occasion the accused carried out along with other accused acts which were against prison regulations, and all these acts amounted to what this Court may consider to be a disturbance. The identify of this accused in breaking up his equipment and so contributing as part in this disturbance is before the court in the evidence of Sgt Gavins.

Now on the 9th May the disturbance is a fire. There is no question on this - it is very clear. The burning of the watch tower in "A" Compound is a disturbance within the meaning of this Charge, and all that is required is to show that this accused was connected with it in some way. If this accused is the one who ran away with that hose, then it is very clear, and whether that running away with the hose actually interferred with the putting out of the fire is irrelevant, the fact that a person ran away with the hose and thus interferred with the firemen is sufficient to show that he was improperly concerned in a disturbance. So it comes down to this - was the accused the one who ran away with the hose? He says he was not, and calls for his support the witness, Shields. And I think that Shields in part gave his evidence quite honestly. In fact he and the accused did walk away from hut B2 and they were talking as they walked away, but I think the evidence of Sgt McCaffery identifying the accused as the person who ran away with the hose can be accepted by the Court, and this conversation with Shields took place after the fellow had run away with the hose. The evidence of both witnesses can be reconciled that way, and the Court well knows they can accept or reject the whole or any part of any witness. In view of McCaffery's evidence and Shield's evidence in which he says he was with the accused at all times I think Shield's evidence can be rejected and Sgt McCaffery's accepted. He was quite close to him and identified him clearly in Court today.

On the 10th again the Charge calls for the prosecution to show a disturbance, and that this accused was improperly concerned in it. S/Sgt Semple clearly showed in the breaking of the latrines and pulling of the fixtures from the wall that there was a disturbance sufficient within the meaning of the words used in this charge. The question again comes down to one of identify. Was this accused among the group who were doing this damage around--the Sanitary block where it was not their proper place to be? It is not necessary to show that this accused had a bar in his hand and did smash something. But if he should have been having his lunch, as he suggested, then it was improper for him to be at the sanitary block, and we have evidence that the only time they should be there is under escort - and if he is there with the group of SUS then his is improperly there. So if he is there and contributes to their number when this disturbance takes place, then he is improperly concerned in it, and that evidence is before the Court. The evidence which is submitted in Defence is that he was not over there because Beebow saw him in the kitchen. It is well to remember that Beebow is a friend of the accused, who was in the same Regt and who was more or less happy to see him again in this Detn. So again I say to the Court that they can accept or reject all or any part of the evidence given by any witness, and S/Sgt Semple who had nothing against the accused and was well known to him, has identified him as being at the Sanitary block shortly after the General spoke. The accused says he went straight to the cook house. What I suggest is this - after the General spoke he went to the Sanitary block with that mob, and was there while the damage took place and after that when the mob was broken up he went to the cook house and then the times fit in with the proper serving of the meal at the proper time instead of 1100 hrs. There is no evidence submitted by the Defence that he went straight from the parade square to the cook house, other than the accused's own statement. Beebow may well have seen him there after he was at the Sanitary block.

So I say that the issues are plain before the Court. They must be

satisfied there is a disturbance on the 8th,9th and 10th May, and on each of these days this accused was improperly concerned in it.

In accordance with RP 86(d) the Second Witness, S/Sgt Semple P.J. is recalled, and still under oath is examined by the President:

Q What are the normal meal hours at Headley Detn Wks?
A The first meal in the morning is 0600 hrs until 0630 hrs, then again at 1100 to 1200 hrs, and again at 1600 hrs.

Q Was there any special meals laid on the morning that the GOC spoke?
A Not that day...but yes I believe they did have it early expecting the GOC. He was to have come at 9 in the morning, and he did not get there until between 10 and 11 o'clock.

Q What time was that meal laid on?
A Between 1115 and 1130 hrs.

Q Were any of the [illegible] utilized to go to the cook house?
A No sir, the only ones allowed in the kitchen were the SUS employed there. The men from the cell blocks all went to the living huts as the cell blocks were out of commission.

Q What was your system of feeding the men in the cell blocks?
A Each living huts sends out six men under escort who are paraded and marched up to the kitchen where they collect the meals for the cell blocks.

Q Did that system operate the morning the 10th May?
A No sir.

Q Can you tell me who was responsible for the feeding of the personnel in cell block 5 for that day?
A No sir, things were not organised that day sir.

Q Can you tell me if this accused was one of those detailed to collect the meals for this particular cell block on that day?
A I could not say sir. On that day owing to the circumstances they called for men for the kitchen, anyone at all.

Q Even though there was a lack of supervision was everyone paraded up to get the meals from the kitchen?
A Yes sir.

Q So people did not casually walk down to the kitchen and say "I am from the cell block" and get a meal?
A No sir.

Questioned by Defending Officer through the court:

Q Did you actually see these SUS detailed and paraded to the kitchen for this noon meal?
A I saw them paraded from the living huts - there was a mixture of men from both cell blocks and living huts who went up for the noon day meal.

Q Did you see if, the accused was in that lot or not?
A No sir, I didn't.

Q He may have been there?
A Yes sir, but I did not notice him.

Q Did you hear during that day of special meals being laid on for certain personnel who were being moved to Reading Jail?

A N o sir, I didn't hear of any special meals.

In the opinion of the Court and Judge Advocate it is unnecessary to comply with RP 83(B)

The witness withdraws.

SUMMING UP BY JUDGE ADVOCATE:

Since no prima facie case has been established on the 1st Charge the Court must consider as alternative to it the 2nd charge under Sec 40. On that Charge you have heard the witness Sgt McCaffrey and for the Defence two other witnesses, and with regard to this Charge you must decide whether at the time of the fire in the watch tower the accused was guilty of prejudicial conduct.

With respect to the 3rd Charge of riotous damage, the evidence is not very strong, but I feel that I must say something as to what constitutes riotous damage, since the charge is still before the Court. The Charge is laid under Sec 12 of the Malicious Damage Act 1861. The section reads as follows: (quotes: "If any persons....damage"....a number of structures as mentioned incl a house, outhouse...shall be guilty etc") The sanitary block alleged to have been damaged is a structure within the mean of this section. To support the charge of riotous damage there must first of all be a riot. I would refer to the Court the 31st Edition of Archibold page 1235 as to what constitutes a riot. I would point out that it is not necessary that the person actually do the damage himself to be guilty under this section. By Section 56 of the Malicious Damage Act a principal in the 2nd degree, that is one who is present aiding and abetting at the time of the commission of the offence, or an accessory before the facts, that is one who is at the time absent, but who nevertheless counselled or abetted the offender, can be likewise punished in the same way as the principal offender. Now it is for the Court to decide if a riot did take place, whether the accused was one of the rioters, and whether any damage was done in the curse of the riot.

As an alternative to this Charge there is the 4th Charge under Sec 40 alleging that at this time the accused was guilty of conduct to the prejudice within the meaning of Section 40.

The 5th Charge again is under Sec 40 and revolves about the incident on the 8th May when Sgt Gavins asked the accused for his equipment in his cell. In all these Charges under Sec 40 I would remind the Court that to convict they must find the conduct prejudicial both to good order and to military discipline.

The facts in this case are relatively simple, although not in accord, and it is within the function of the Court to believe or disbelieve what they see fit, and to rule on the credibility of the witnesses.

My function as J.A. is to advise regarding the law and to sum up the evidence, if necessary. You as a Court determine both the facts and law, although you should be guided by me with respect to the latter. The accused has come before this Court an innocent man, the onus is on the Prosecution to establish his Guilt, and such Guilt must be established beyond a reasonable doubt. A reasonable doubt is one arising out of gaps or loop holes in the evidence. It must be substantial doubt; one that would make a person willing to face the facts hesitate, and not merely an idle reflection. If you find any reasonable doubt with respect to any of the Charges you must give the benefit of such doubt to the accused when you make your finding from the evidence presented to the Court.

Is there anything further that the Prosecution or the Defending Officer wish me to say? Answer: No sir.

PLEA IN MITIGATION OF PUNISHMENT:

The medical category of the accused is M.4.S.5.

He enlisted in Sept 40 with the Royal Montreal Regt then proceeded in June 41 to Newfoundland as part of the Heavy Artillery Regt. He came back to Canada in June 42 and in Jan 43 proceeded overseas. In July 44 he went to N.W. Europe and joined the Royal Winnipeg Rifles and fought with this Unit until some time in Oct 44 when he went AWL until Dec 45. He was sentenced by FGCM to two years Detention.

He is not married and has a father back in Montreal to whom he has assigned $20.00.

This man is a nervous case and a report of a psychiatrist is submitted showing that he is m.4.S.5.

PSYCHIATRIC REPORT IS PRONOUNCED, ACCEPTED BY THE COURT, AND MARKED EXHIBIT "2"

He is a follower with his low state of will and stability. After several months in action, which certainly did not help his nervous state, he deserves a light punishment in view of his services as an infantryman in the Cdn Army.

I strongly recommend the leniency of the Court and trust that no further drastic punishment be awarded to him, as it will only tend to make this man a nervous wreck and a burden to society.

Precis Case History: Man of dull intelligence with life-long history of inadequacy, emotional instability, temper tantrums and antisocial behaviour. Familial and environmental predisposing factors. Extremely inadequate school record, age 14 to 17 in reform school. Two 1 year jail sentences before joining the army at age 20. Indefinite number of army crimes probably in the neighborhood of a dozen. In Jan/45 was sentenced to 2 years detention for A.W.L. in Europe. Soon into trouble and on bread and water. Violent temper outbursts admitted but described with complete memory and fair insight. He denies fits, faints or black outs. Neurological examination and x-ray of skull are negative. S.P.O. suggests M.4. Subject claims about 3 months heavy action with Winnipeg Rifles which he enjoyed.

It is considered that he is fit to stand trial and serve punishment, but that his new Pulhems grading be implemented immediately on completion of present legal situation.

FIRST WITNESS:

A 34001, S/Sgt SEMPLE, F.J., of No 1 Cdn Detention Bks, Headley, having been duly sworn states:

I am A 34001, S/Sgt SEMPLE, on duty at 0740 hrs, morning of 9 May 45, till 1700 hrs in "A" Compound. After the SUS had broken out of the cell blocks I observed the accused at intervals during the day, he was in the group assisting with the opening of other cell blocks. I then saw the accused in "A" Compound with an implement believed to be a bar from one of the windows. Here the accused was agitating and instigating as one of the leaders in bringing the group together. From there the group with the accused mingled in and moved off to "C" Compound. From then I didn't see the accused until later when he was walking around "A" Compound with the groups by the fence, and encouraged them as a group to go to the parade square which they didn't heed.

On 10 May 45, after the GOC's address, on day duty, I observed a group of 30 to 40 SUS moving towards the latrine near the West end of Living Hut 1. I heard considerable damage being done. I went over and looked in a broken window and observed the accused inside. I told all the SUS inside to come out and quit doing any more damage, though I had not observed the accused doing destruction. When I moved away again damage was then resumed, but I did not notice the accused as one of the SUS with a club at that time. Shortly after I returned and cleared the SUS out of the latrines and noticed them to be badly damaged.

The accused questions this witness:

Q. 1. What time did you see me come out of the cell block?

A. 1. I did not see you coming out of the cell block, but saw you between 0930 and 1000 hrs.

The accused declines to question this witness further.

S/Sgt.

(A 34001 Semple F.J.)

SECOND WITNESS:

K 67057 Sgt GAVINS, J., on the staff of 4 Cdn Military Prison and Detention Bks, having been duly sworn, states:

I am K 67057, Sgt GAVINS, J., At 1630 hrs 8 May 45 I started duty as 2 i/c of 1, 2, 3, 4 and 5 cell blocks "A" Compound. At approx 1600 hrs I was ordered to have all cell blocks under me to be cleared of all equipment, other than blankets and palliasses. When I entered SUS DUPUIS cell, Block 5, he then commenced to break up the articles, bed legs, etc., and handed them out to me. The rest of his equipment was intact.

The accused declines to cross-examine the witness.

Sgt.

(Gavins, J.)

THIRD WITNESS:

H 16836, Sgt McCaffrey, C.J., of Cdn Military Prison and Detention Bks, Alton, having been duly sworn, states:

I am H 16836, Sgt McCaffery, C.J., on duty in "B2" Compound, 9 May. At approx 1845 hrs 9 May 45 a fire truck arrived to put out the fire at the watch tower. I saw the accused with a stick in his hand circling around the truck a few times, then grabbed the end of a hose the had been reeled up on the truck and ran away unreeling the hose when the truck was at "B" Compound. I did not see any further action of the accused that evening.

The accused declined to cross-examine the witness.

STATEMENT OF:

Regt. No. D 77629 SUS DUPUIS, F.
No. 1 Cdn. Det. Bks. (AC 5, Cell 8)

Having been cautioned by S/Sgt NELSON of S.I.S. that I do not have to say anything unless I wish to do so, but that whatever I do say will be taken down in writing and may be given in evidence I wish to state:

On the evening of 8 MAY 45 in AC 5 when the Staff hollered for us to get everything ready to put out of our cells I did so without comment. One leg was already broken on my bed and it fell off when I put it out of my cell. Nothing else was smashed. During the afternoon Sgt GRANT saw my blackout come off. It was loose and fell off when I opened it. He tried to put it back, but it wouldn't go on. I was making and noise and hollering, but no more than anyone else in the Cell Block.

After breakfast at about 0800 hrs on 9 May 45 I was released by another SUS who unscrewed the lock. I don't know his name. I stayed in "A" Compound all that day, and did not go with the crowd to "C" Compound. Neither did I carry a club. S/Sgt ASTON, Sgt GRANT and S/Sgt THOROLD can all say this is true.

I did not commit any damage on 10 May 45 or at any time. I did not carry a club and I did not go near the SUS latrines between AH 1 and AC 1 that day. If they were smashed I don't know who did it.

I have read over the above statement which has been made voluntarily, and it is true.

To be tried by Field General Court Martial:

"J G Sprague Brig"
Convening Officer

On being sworn, 1st witness states:

I am H 41406 Sgt A.F. Richardson Pl Sgt 7 Pl A Coy R.R.R. the accused whom I recognize is in my pl. On 7 Oct 44 while moving up to the Leopold Canal sometime before 0500 hrs we came under 88 MM and Mortar fire when across the Canal on checking my pl. I found that Rfn. Dupuis had left the Mortar Gp. to which he had belonged and disappeared. I checked my pl. from 7 Oct 44 on and Rfn Dupuis has not been present on parade and I have not seen him until this day. I chucked my pl. every day.

Cross-examination by Defending Offr.

Q. On the day in question was it dark or light

A. It was half light

Q. What was the pos. of your pl. in the Coy.

A. It was the rear Pl. followed by 'B' Coy.

Q. Was there any word of a withdrawal by anybody during the advance.

A. Not to my knowledge

Q. What did you do when you came under fire

A. I moved my sec. into the ditch in the same order as we were moving.

Q. Do you know what 'B' did

A. I heard later that they had moved back to the area of the bridge in our rear.

Question by Court

Q. Sgt Richardson can you tell the Court if the accused was in your pl. prior to moving off from the Assembly Area.

A. Yes, Sir

Q. Had your pl. been briefed in the operation they were going to take part in

Q. Yes, Sir.

Re-Examined by Prosecutor

Q. When you came under this mortar and 88 fire how close were you to Rfn Dupuis

Q. I was right beside him

Q. Did you at any time issue orders or hear of any orders to the effect you were to withdraw

A. No, Sir.

R. P. 83(b) Complied with

On being sworn, the second witness states:

I am Major J.S. Carwell, R.R.R. - 2i/c Bn. I was A Coy Cmdr on 6 Oct 44. 7 C.I.B. assaulted across the Leopold Canal on the 6 Oct 44. R.R.R. were to follow through the bridgehead formed by the other two Units. Their success was limited however and it was that night before it was decided to commit two Coy. Sometime shortly after 2300 hrs I left the Assembly Area with my Coy and 'B' Coy under Comd. Before leaving orders had been passed down through usual channels as to the situation on the other side of

the canal and it was common knowledge then and even before then because stories had been coming back and battle noise could be heard that the fighting across the Canal was very bitter. About 0130 hrs 7 Oct 44 we arrived at the Canal and came under heavy Arty fire. We effected a crossing during this in small groups and the remainder followed on when the shelling ceased. It was necessary then to reorganize on the far bank of Canal and when this had been completed at about 0300 hrs Lt. McSkimmings reported to me that two Rfn from his pl. were missing. One of these was the accused, Rfn Dupuis. We then went on and found our Assembly Area being attached by the enemy and we helped stem the attached and put in a counter attach with success and some casualties.

Cross-examined

Q. When you say crossed over in small groups what size groups did you cross in

A. In groups of 6-8

Q. Was it was a bit disorganized up until you formed up on the other side of Canal

A. No, the small groups crossed by Kapoh Bridge and despatched by pl. offs. were supervised by offs. and met on other side by a guide from Coy. H.Q.

R.P. 83(B) Complied with.

On being sworn, the accused states:

I am D77629 Rfn. Dupuis, F. of 7 Pl. A Coy in Pl. H.Q. when we started to go across the Canal we were stopped by SS and mortar fire we then scattered to the side of the road I was in the rear of 7 pl. I remained there for about 30 mins. when an order came to withdraw and B Coy commenced to withdraw and three or four men from A Coy started back and I went with them and crossed back over the Rear Canal and then a Sgt from B Coy told me A Coy was across the Canal and I recrossed the Rear Canal and found nobody there so I went in to a barn and slept there that night. Next morning I went across the Rear Canal again and saw the Sigs. I asked them if it was alright to go fwd to the Leopold Canal and they told me I would have to wait until that night before I could cross. I then went to a Bldg. and slept the remainder of the day. That afternoon I got a lift from a truck and went to Ghent and from Ghent I went to Lille and stayed there. I did not intend to desert His Majesty's Forces nor did I leave with intent to avoid operations against the Enemy.

Cross-Examination by Prosecutor

Q. When you came under Mortar fire who ordered the withdrawal

A. I do not know if it was a Sgt, an offr, or a Rfn, but I know it was someone from A Coy.

Q. Why didn't you follow your own pl. Sgt

A. I didn't see the Sgt as we were scattered on both sides of the road

Q. Did you try to find your Sgt.,

A. No Sir, I thought A Coy would be following.

Q. Did you try to find your Coy anytime after you withdrew

A. Yes Sir

Q. Why did you go to Ghent instead of going back to your Coy.

A. We were promised leave and didn't get it and I was fed up

Q. Did you know your Coy was across the Canal fighting

A. Yes, Sir.

Plea in Mitigation in Case of

D 77629 Rfn Dupuis, Fernando.

The accused has been in action continually since the last of the fighting at Caen. He first se ved with the A/T Pl. and then was transferred to a Rifle Coy 18 Aug 44.

Previous to joining the infantry he had spent 2½ years with the Artillery and was quite happy there. After that period he was re-mustered to Infantry against his will. However, on joining the Unit he found himself still working with guns Altho' they did not compare with Costal guns, and was moderately content. Eventually he was moved to a Rifle Coy where he stayed for two months.

Around the date in question there were many runours of coming rests floating around. The accused was becoming fed up with his lot and on the date mentioned after becoming lost thru' no fault of his own he decided he had had enough of the business and left.

He has served almost five years in the Army and during that time has had no crimes. That shows, I think that he does not misbehave without given provocation. The heavy fighting had tired him to such an extent that when he became lost he gave up trying and decided to take the rest he thought was due to him. He did not intend to desert as is shown by the fact that he surrendered himself.

With regard to the second charge, that of being apprehended in plain clothes. The accused had taken his uniform into a shop to be cleaned and pressed. The address is 66 Roy St. Lille. The proprietor told him it would take a couple of days for the job so the accused borrowed civilian clothes to wear in the meantime. He was picked up the next day by civilian police who turned him over to English M.P. The accused asked to be allowed to return for his uniform but was not given permission. He did the only thing possible and was later apprehended in uniform.

The first time he surrendered he had no money. The last time he was apprehended he had 5,340 francs. This money he had received from his girl friend. I suggest that he would have surrendered when this was spent. I also suggest that had a proper guard been placed on him when he surrendered there would have been no trouble. He and thirty odd other prisoners just walked out of the room and no one stopped them. The accused left at 2000 hrs which means he was influenced by the ease with which the other got away again. If there had been a proper guard on the accused would have been back with his Unit a month earlier.

With these points before them I beg the Court to be lenient in dealing with this case.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans N.D.(5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(E). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A; initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by vir of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

PLEA OF MITIGATION - Pte DUPUIS, J.J.L.

Before the Court closes to pass any sentence which they should consider appropriate for Pte DUPUIS' mistake, I would like to draw their attention to the fact that the accused committed such a mistake due to his stupidity and ignorance of the position he would be placed in as a result.

The inspection of his WFW 6 will show that DUPUIS has had, during his 3 years service with the Cdn Army, very few and minor offences recorded against him. His last offence was committed during occupational duties and cannot therefore be compared to such an act in the face of the enemy.

In passing sentence, would it please the court to keep in mind that a lenient sentence will allow DUPUIS a speedier return to civilian life, which the withdrawal of CAOF has instituted, therefore giving him a fair opportunity to re-establish himself again. I am quite sure that he realizes to what extent he could have been involved had his mistakes been deliberate and not the result of stupidity.

This is to certify that I have this date inspected D139334 Pte. Dupuis, J.J.L. and found him physically and mentally fit to undergo trial by Field General Court Martial.

Evidence in the Case of
D 189334 Pte Dupuis, J.J.L.

First Witness for the Prosecution, sworn, states:
L 108368 Pte Yont, W. H.

I am, L 108368 Pte Yont, W. H. of 13.
C.I.D. T Coy, R.C.A.S.C., G.A.O.#. When I checked the accused kit on 14 June 16, there was just the barrack box that was left with a small amount of web equipment which was turned in as regulated kit. It consisted of cross straps and attachments braces.

Quest I. In your opinion, Pte Yont, would you say that his personal kit was also gone?
Ans I. It was all gone.
Quest II. Was there a lock on the box?
Ans II. The lock was broken, sir.
Quest III. Was the lock itself broken, or just the hasp?
Ans III. Just the hasp.

Cross-Examination:

Quest I. Who handed over to you the barrack box of Pte Dupuis?
Ans I. QM Goodwin was in the inspection and he had the box open I got there.
Quest II. Could you say how long the box had been in store before the inspection?
Ans II. It was in did Tps kits.
Quest III. Did you have in your O.M. Stores a duplicate copy of Pt III Log Book of.

cont'd.

Pte Dupuis?

Ans 12 No Sir.

Quest 13 What scale of equipment did you use to charge Pte Dupuis with deficiencies as shown in the charge?

Ans 13 I don't know.

Quest 14 How did you check the equipment that Pte Dupuis was supposed to be charged with?

Ans 14 They are fully equipped through the QM Stores when they come here. RP 83(B) complied with. pte

Summary by Defence

Pte Dupuis, according to the first charge went A.W.L at 0630 hrs, 7 Nov 44. Before anyone in his Pl came into contact with his personal kit a considerable amount of time had elapsed. The prosecution has not proved that Pte Dupuis was charged with a full scale of equipment. Furthermore, the question of negligence for having lost these articles has never been brought up by the prosecution outside of the charge sheet. It has been established that when the box which was supposed to be the property of Pte Dupuis was turned in to the stores, the lock was broken. I put that there are all possibilities for Pte Dupuis' equipment to have been taken

Cont'd:
away from his room at anytime before the box was turned in to stores. I feel that a great deal of negligence in the way of recording and looking after Pte Dupuis' equipment has taken place on the part of the Administrators of the Pl. he was in. I feel that the negligence for which Pte Dupuis has been charged with hasn't been proved by the prosecution and that the charge laid down should be dismissed.

Plea in Mitigation:

When considering the punishment you will give the accused, I am asking you to check very closely his record of service. I also want you to consider that the ultimate job for which Pte Dupuis enlisted in the army is now over. I further ask you to consider the time that he has already spent in custody.

~~The prosecutor makes an opening statement in a written address which is read, marked~~ signed by the President, and ordered to the proceedings.

The prosecutor proceeds to call witnesses.

First witness for prosecution. Capt D.F. Thomas, RCA, Cdn School of Artillery (O)

being duly sworn, is examined by the prosecutor.

Q 1 Capt Thomas, would you tell the Court what you know about the case of Capt Dupuis?

A 1 On Monday, 18 Sep 44 at 0830 hours I had a parade of all the officers of Q Sty. Capt Dupuis, whom I recognize there (Pointing to accused) was on that parade. I spoke to the captains on the parade separately and told them that I had no further duties for them that day but that a move was imminent and that they would remain in touch with me throughout the day, and that I was going down to HQ of the school rightaway to get further instructions on the move. At 1030 hours in the adjutants office I was given instructions to move the captains to Beachy Head range. After getting the details from the adjutant I went back to my battery office about 11 o'clock, and instructed the orderly officer to inform the captains to be ready to move, and he --------

J.A. "You can only tell us that you gave instructions, and not what was told to you by someone else".

A1 I was going to say what the orderly did, not what he reported to me. I knew he did go around and tell the captains, and he told --------

J.A. "All you can do is tell us what you yourself did, and not what was told you"

A 1 All right. I gave instructions to the orderly officer to notify the captains of the move. At 1345 hours I went back to the Q Sty and gave instructions to Lt Carmichael to take a roll call of the captains. When he called the roll, Capt Dupuis was not present.

J.A. Q 2 How do you know?

A 1 Lt Carmichael reported it to me, and he had searched the grounds and buildings.

J.A. Q 3 But do you know that he was not present from your own personal knowledge?

A 3 Yes sir. I was present when Mr. Carmichael took the roll call and Capt Dupuis was not there. I went to Capt Dupuis' quarters and could not find him. I instructed Mr Carmichal to search the grounds and buildings and report to me whether he found Capt Dupuis.

A 3 (Cont'd) Mr. Carmichale was not able to find Capt Dupuis. At 1440 hours when the captains left Q Bty to go to Beachy Head, Captain Dupuis was not present, but at 1645 hours I saw Capt Dupuis proceeding to Blachington school with other officers to a lecture. After the lecture I spoke to Dupuis in my office, and placed him under open arrest.

Cross examined

Q 4 Whereabouts do you say that the accused was absent from?
A 4 He was absent from the Mess Buildings, the Orderly Room, and his quarters.

Q 5 The Mess buildings, the Orderly Room, and his quarters?
A 5 And the grounds.

Q 6 What grounds?
A 6 The grounds around the buildings.

Q 7 Did you search the grounds yourself?
A 7 No

Q 8 What is the actual boundary of Q Battery?
A 8 There is nothing laid down in Q Battery Orders.

Q 9 Is this laid down at all?
A 9 Not to my knowledge.

Q 10 I understand that this battery is in the process of being formed?
A 10 It is in the process of being broken up.

Q 11 For re-formation?
A 11 The original intention was to make Q Bty a part of the school, and I was to be in charge. Then some of my officers went to infantry, and it was decided to amalgamate Q with P Bty.

Q 12 Q Bty had existed about a week?
A 12 A week, yes.

Q 13 And no boundaries laid down?
A 13 No, not that I know of.

Q 14 Then Q Bty was attached to the CSA?
A 14 Yes

Q 15 Part of the training establishment or a part of the school?
A 15 During the time that I was OC of the battery there was no training carried out.

Q 16 This group of officers came down to the school for training prior to this?
A 16 Not to my knowledge.

Q 17 How long have you been there?
A 17 Two weeks,

Q 18 You do not know what went on prior to that?
A 18 No

Q 19 In the previous week, did the 3 or 4 captains live around this bty?
A 19 Yes

Q 20 Was the accused one of them?
A 20 Yes

Q 21 Any training carried out that week?
A 21 No.

Q 22 Were the captains entitled to go where they liked?
A 22 No, not without my permission.

Q 23 They were entitled to go to Seaford?
A 23 Not without my permission.

Q 24 Was this laid down in orders?
A 24 No.

Q 25 Did they not go to Seaford every day?
A 25 I know some went.

Q 26 If they wanted to come to the school, would they go through Seaford?
A 26 Yes, normally.

Q 27 All the officers do not have batmen?
A 27 That is right.

Q 28 Who would get them stuff from the stores here at the school them?
A 28 They would speak to me, and I would arrange for them to get transportation.

Q 29 Get transportation to come here to the stores to draw, say a toothbrush?
A 29 Officers do not draw toothbrushes.

Q 30 Well, whatever they wanted then?
A 30 They would normally speak to me first.

Q 31 They must have your permission to go to the QM stores?
A 31 No

Q 32 But surely you would not give them transport every time they wanted to come to the stores?
A 32 It would depend on what they wanted. I would normally tell them to walk. There is normally a parade called for officers to go to the stores.

Q 33 These captains had been doing no training all the previous week to this incident of Capt Dupuis?
A 33 Thats right.

Q 34 They were left pretty much to their own devices?
A 34 Yes.

Q 35 This 0830 hrs parade on Monday morning, it was very informal, was it not?
A 35 On the contrary, it was very formal.

Q 36 How many captains were there in your battery at that time?
A 36 Seventeen.

Q 37 Were they all living in the same house?
A 37 No.

Q 38 Some in other places?
A 38 Yes

Q 39 How many were present on that Monday morning 0830 parade?
A 39 They were all present.

Q 40 Everyone was present then on the 0830 hrs parade?
A 40 I do not know for sure. All those who had returned from leave were there. I can get the names of the ones who were there if necessary.

Q 41 I suggest that there were three missing?
A 41 I would not be able to say without looking at the nominal roll.

Q 42 I further suggest that if someone was not present at the moment, someone would say he was in the kitchen or somewhere for a few minutes, and he could get away with not answering his name?

A 42 I deny that. If they were not there, and someone said they were just inside a building or something like that, I would send the orderly to find out where they were.

Q 43 To see if they were there?
A 43 Yes

Q 44 You would not hold up the parade until they got there?
A 44 No

Q 45 Then there were some missing, and you told them to report later?
A 45 There were no cpatains missing

Q 46 You are sure?
A 46 Yes, I took the roll call myself.

Q 47 Can you get this roll?
A 47 I think so.

Q 48 I would like to see it?

Prosecutor "Is this relevant?"
J.A. "I do not think we need the roll call".

Cross examination continues

Q 49 You do not go so far as to say that Capts Janette, Beaudoin and Therriault were or were not on this parade?
A 49 If not there, they were sent for.

Q 50 You sent somebody to tell them to report to you?
A 50 Not on that parade because everyone supposed to be there was present.

Q 51 What did you tell them about the move that morning?
A 51 I told them that there was a move coming up, that I did not know when the move was, or where it was to take place, but that I was going down to the school that morning to get further instructions.

Q 52 But the move you had was simply a move of billets?
A 52 No, Q Bty was being disolved, and I tried to keep them in the picture, and told them they were being moved to P Bty.

Q 53 You and the other officers were going there?
A 53 Yes.

Q 54 Was there some talk of a troop commanders course?
A 54 Yes. I did not know what they were going to do, but I told them Q Bty was being closed down.

Q 55 But the whole thing was only moving billets?
A 55 It was actually a transfer, or re-posting.

Q 56 There was no suggestion that morning of a move to Beachy Head?
A 56 No.

Q 57 You later found there was to be a shoot at Beachy Head at 1030 hrs, which you knew nothing about at 0830 hrs?

A 57 That is right

Q 58 Your statement was that you wanted these people to keep in touch with you?
A 58 Thats right.

Q 59 You did not tell them where they were to stay, or where to report to, where or how to report to you?
A 59 No.

Q 60 Whether to follow you, find you, or anything else?
A 60 No.

Q 61 You yourself came down to the school that morning and did not see any of them until lunch time?
A 61 Thats right.

Q 62 So you were out of touch with them all morning except for the phone, on which you could be called?
A 62 No, definitely not out of touch with them. I maintained close touch with them.

Q 63 But apart from the phone, you could not be in touch with them?
A 63 My officers were.

Q 64 Not you personally?
A 64 No.

Q 65 That morning when you talked about the move, was it not suggested that you would prefer to have the move the next day?
A 65 I told them that I had been informed that a move might take place that day but that I was going down to the school for further instructions but would endeavour to have it put off till the next day.

Q 66 Did you tell them that morning it was being called off that day and it would be the next day?
A 66 I don't remember.

Q 67 Did you tell them on parade that morning there would be no duties that day except to keep in touch with you?
A 67 Yes.

Q 68 I suggest that you told them to bugger off for the day?
A 68 I don't remember.

Q 69 You do not deny it?
A 69 No.

Q 70 You yourself did not search the buildings?
A 70 Just went to the accused's quarters.

Q 71 Did you look in the field immediately to the right of those quarters?
A 71 No.

Q 72 You did not go around and look in all the other buildings?
A 72 No, I did not.

Q 73 There are many buildings belonging to Q Bty are there not?
A 73 Only #4 3.

Q 74 Only 3?
A 74 Yes.

Q 75 The accused was previously quartered at another building, was he not?
A 75 I do not know.

Q 76 How many rooms are there in Bowen house, the house the accused is quartered in, 75 are there not?
A 76 I don't know, but I do not think it is 75.

Q 77 How many captains from your battery are quartered in this house?
A 77 Only one that I can think of.

Q 78 There are many small buildings around this house?
A 78 I suppose so.

Q 79 The technical stores and store rooms are there?
A 79 No, the building they were in is not used now.

Q 80 You do not know whether the tech store room is attached to Bowen House or not?
A 80 There is a building at the side of the field which used to be used for this, but has not been for a long time.

Q 81 But is there not a building near there which used to be used for technical stores?
A 81 That building is empty now.

Q 82 What about the fitter's quarters?
A 82 What do you mean?

Q 83 The fitters had quarters near that building, did they not?
A 83 I cannot remember.

Q 84 On the day of the alleged absence of the accused, where was it his duty to be?
A 84 In his quarters, the Mess, or the orderly room.

Q 85 But that had not been specified to him?
A 85 Idid [redacted]

Q 86 What was there against him being in any other part of the area of Q Battery?
A 86 He had no business being there. It is understood that officers do not go in the stores, mens quarters, etc, so there was no where else he could be except the orderly room, Mess, or his quarters.

Q 87 Is this laid down in writing?
A 87 It is that the kitchen is out of bounds. It is a matter of policy that officers do not go in Mens quarters.

Q 88 Very frequently these officers play tennis, swim and play golf?
A 88 I gave permission to Capt Beaton and 2 Lts to play golf as recreation, but no one else.

Q 89 You knew officers were going swimming?
A 89 No.

Q 90 You did not?
A 90 No. I gave2 Lts permission to go to the beach, but not to swim.

Q 91 You say you saw the accused at 1845 hrs that evening?
A 91 That is right.

Q 92 On his way to a lecture?
A 93 Yes

Q 93 It had been notified in orders that officers would attend that lecture?
A 93 Yes.

Q 94 The accused may have been in billets from 3 that afternoon. You searched the quarters at 1345 and not again until you saw him, did you?
A 94 No, I did not. I gave instructions for them to look out for him.

Q 95 As far as you personally know, you did not know how many times these officers had moved quarters in the prior two or three weeks?
A 95 Dupuis had not moved at all to my knowledge. I know within the past week he had not moved at all.

Q 96 There was a great deal of moving of quarters?
A 96 No. Only one building was closed down.

Q 97 You know nothing of the officers training at the school?
A 97 I had nothing to do with that.

Q98 The medium guns were kept here at the school then?
A 98 I do not know.

Q 100 Is the equipment room here at the school?
A 100 Yes.

Q 101 These officers, during that prior week, were quite at liberty to go to school for using equipment and stuff, were they not?
A 101 Yes, but they should get permission from me before leaving the area.

Q 102 If an officer came here to the school, would he have to come through the town?

(President asks to see location of Q Bty on map. Shown to him, and it is shown to him how officers from Q Bty could get to the school)

Q 103 What were the actual works you said about the captains keeping in touch with you?
A 103 I said, or words to the effect "I told the captains that "There was a move imminent, I think I have no further duties for you today, but remain in close touch with me, and I am going down to the school to get farther instructions on the move".

Q 104 You do not insist that you used the word "Close touch", it may have only been "Touch".
A 104 It may have been.

Q 105 It was to keep in touch with you. That was what you told them. You were coming to the school?
A 105 Yes.

Q 106 Q Bty is part of the school?
A 106 Yes.

Prosecutor re-examines

Q 107 What was your capacity here on the 16 September in Q Bty?
A 107 I was Acting OC of Q Bty, appointed by Col Corlett several days previous to that.

Defending Officer

Q 108 Is it quite permissible for officers to be sleeping in their quarters, and especially on that day?
A 108 Yes.

(In the opinion of the Court and the Judge Advocate it is not necessary to /comply with RP 93(b))

Second Witness Prosecution — Lt H.A. Carmichael, 1 CARU, attached Cdn School of Arty (O), having been sworn is examined by the Prosecutor:

Q 109 Mr Carmichael, will you tell the Court what you know about this case?
A 109 At 1345 hrs, on, I beleive 16 Sep 44, while acting in the capacity of bty captain of Q Bty, I was detialed by the Bty Commander Capt Thomas to check on the whereabouts of 13 captains, who were to proceed on a course to Beachy Head that afternoon. He told me to search the Mess and buildings, and report to him if they were all present or not. On doing so I found that 12 were present and that I could not find Captain Dupuis, and I reported this fact to Capt Thomas.

Q 110 You recognize Capt Dupuis?
A 110 I do (Points to accused).

Q 111 Did you make a thorough search of the buildings?
A 111 I searched the Mess, Mess buildings and the Bowen House, the grounds, and the buildings of Thyme Dean, as well as the grounds.

Cross examined

A 112 I was on parade at 0630 hours.

Q 113 With them?
A 113 Yes.

A 114 The Lts were separated by about 3 paces from the captains?

Q 115 Did you hear the Captains roll call?
A 115 No, I was not listening.

Q 115 You did not know whether all the captains were present or not?
A 115 No, I do not.

Q 116 How thorough a search did you make of these buildings. Did you look in all the rooms of Bowen house?
A 116 No.

Q 117 There are some 75 rooms in that house, are there not?
A 117 Yes.

Q 118 Would it take about an hour to go through them?
A 118 No.

Q 119 You did not go through Cherry Cottage?
A 119 No.

Q 120 It is part of Q Bty?
A 120 Yes, and occupied by the C.Re.

Q 121 It used to be occupied by officers?
A 121 Yes, but not since these captains came here.

Q 122 Bowen House, it is officers quarters?
A 122 Yes.

Q 123 You did not go through all the rooms in your search?
A 123 I did not.

Q 124 There are other batteries in the neighbourhood, P Bty for example?
A 124 Yes.

Q 125 There are officers in Hemefield School?
A 125 Yes

Q 126 What Battery?
A 126 The A Tk Bty.

Q 127 Is it customary for officers to visit back and forth between batteries?
A 127 Yes.

Q 128 You made no attempt at any other battery to find him in the search?
A 128 No.

Q 129 You did not check in the field immediately beside Thyme Dean?
A 129 No.

Q 130 Is there a golf course near there?
A 130 Yes.

Q 131 And a club house near it?
A 131 Yes.

Q 132 The course comes right to the edge of the road?
A 132 Yes.

Q 133 Did you know what these officers had been doing the previous week?
A 133 No, I had been on leave.

MOTION BY THE DEFENDING OFFICER

I would like to move that the Court dismiss this case. I submit that no prima facie case has been made out. The charge is absent without leave, and it is made to appear, it seems, it must be proved that the absence was from some particular place where he was supposed to be. I submit that there is confusion, and that the prosecution has the onus that he was supposed to be some particular place at some particular time. The accused is not charged with that at all, simply absence without leave. It is quite clear that he was not told where to be, how to be there, or how to keep in touch. The first witness says he told them to keep in close touch. In order to keep in close touch, the captains would have to follow him. When he left the parade, the captains had nothing to do but hang around in their billets. It was later that morning that they found out about going to the ranges. It is quite clear from the evidence that there is no intention on the part of anyone else that duty.

The prosecution is in a position where it must do one of two things. It must either show that the accused was to be in a certain place at a certain time, or in a place where he could be got in touch with at a certain time. This it has failed to do. I would like to refer you to the footnotes of Sec 15, on page 441 of the MML, 3rd para of the footnotes (Read to the Court by the Defending Officer)

I submit here that the prosecution must show that it was his duty to be in some particular place and they have not done so. The accused was within his rights if he was in some part of Q Bty area. The last witness said that he did not go in all the rooms of Bowen house. I submit that no case has been made out, that it was not established that the accused was to be in a particular place at any particular time, and it is not established that he was to keep in close touch in any particular time, and in any particular way. The basis of the charge is that he failed to keep in touch, instead of being in some particular place. The prosecution has not established that it was his duty to be in any one part of the camp or area. I submit that no case has been made out. The whole thing is frivolous. Nothing of importance going forward that day was contemplated early in the morning, and it was not until sometime later in the day that the shoot at Beachy Head was arrived at. I submit that if the accused had known of the shoot to be at Beachy Head, he would have been only too glad for the opportunity of going.

PROSECUTOR REPLIES TO THE SUBMISSION OF THE DEFENDING OFFICER

The evidence shows that Capt Dupuis was warned at the morning parade that a move was imminent. Nobody was able to contact him during the day. It would be reasonalbe that an officer warned to keep in touch with a superior officer would endeavour to make some contact during the day with him. The move to Beachy Head was called some hours after the morning parade, and Dupuis did not make any effort to contact Capt Thomas, and no one was able to contact him. The evidence, I submit sir, has been sufficient to show that the accused was absent without leave. No leave was granted to him, and he would normally be in the Mess or quarters, and he was not there.

Court closes to consider the motion of the Defending Officer

SUMMARY OF EVIDENCE in the case of Capt. J.V.M. DUPUIS Royal Canadian Artillery, on strength of No 2 Canadian Artillery Reinforcement Unit, and attached to Cdn School of Arty (O) "Q" Battery, an Officer of the Canadian Army (Overseas)

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS for the prosecution

Capt. D.F. Thomas, on strength No 1 Canadian Artillery Reinforcement Unit attached to Canadian School of Artillery (Overseas) acting OC "Q" Bty having been duly sworn states:

" At 0830 hrs on Monday 18 Sep 44 I had a parade of all Officers of "Q" Bty Cdn School of Arty (O). Capt. Dupuis whom I now recognize was present. I spoke to all the Captains and told them that I had no further duties for them that day but that a move was imminent and that they would remain in close touch with me".
About 1030 hrs that morning I received instructions to move the Captains to Beachy Head Range. At 1345 hrs I instructed Lt. H.A. Carmichael to take a roll call of the Captains. Capt. Dupuis was not present. I went to Capt Dupuis' quarters and could not find him. I instructed Lt. Carmichael to search the mess and mess building. Capt Dupuis was not to be found. He was not present when the Captains moved at 1440 hrs 18 Sep 44 and did not move with them.
At 1845 hrs I saw Capt Dupuis marching along with the other Officers of the Bty who were proceeding to a lecture that was being given that night at Blachington School. After the lecture I spoke to Capt Dupuis in my Office and placed him under open arrest".

Cross examined by the accused:

Question: What is the approximate billeting area of the Cdn School of Arty (O)?
Answer: I do not know but I would say it is about two miles wide.
Question: When you came to my quarters did you look in the garden behind Thyme Dean house?
Answer: No.
Question: Is it possible that I was asleep behind that bldg when you came?
Answer: Yes.
Question: Did you give us definite orders that we were not to go to sleep?
Answer: No.
Question: Was the order definite on the morning parade as to when and where we were to move?
Answer: I did not know to where or when the move would take place and I informed the Captains so. I told them that I was going down to Cdn School of Arty (O) right away to get further instructions on the move.
Question: Did you use the word "close" whenyou said to keep in touch with you?
Answer: I do not know.
Question: Did you give us a special place and time to report or a place to stay?
Answer: No.
Question: What did the Captains normally do during the daytime for the last week?
Answer: As there were only about three Captains there and practically everybody else was on leave I had no duties for the Captains except to appear on parade in the mornings or when called.
Question: Was it possible for you to lose touch with them during that time?
Answer: Yes, if a Captain went away it was.

Exh 23

Question: Were the Captains confined to billets?
Answer: No.
Question: Did you mention Beachy Head at any time on the morning parade or when you saw me at 0930 hrs?
Answer: No, I did not know about it then.
Question: Was it not vaguely understood on the morning parade that as far as the Capts were concerned it was only a change from one building to another that was going to take place that day?
Answer: I tried to keep all Officers in the picture and had explained to them that so far as I had been informed the Battery might move to "P" Bty which is about two miles away but that I was not sure of that. I told them that to the best of my knowledge myself and the subalterns would be taken on strength of "P" Bty and that I did not know what the Capts would be doing as I understood there was a Tp Comds course coming up intthe near future.
Question: Did you tell me the night of 18 Sep 44 why I was being placed under open arrest?
Answer: I do not remember.
Question: During the time you were in charge of "Q" Bty did not any Officer leave the town of Seaford during parade hours?
Answer: To my knowledge no one left without permission from me.
Question: Was it possible for an officer to leave the town of Seaford several times while you were OC of "Q" Bty and get away with it?
Answer: Yes, I placed some of them on their honour.

(D.F. Thomas) Capt., RCA.

Statement of: (Exhibit "A") 10

2154 Gnr Dupuis Romain

In 1941 I was transferd from Division H.Q to 2nd Field Regt. RCA, not by my own choosing. I was not happy in the 2nd Field Regt. I have asked for transfer to No 1 Tunnelling Coy RCE because it is my job in civilian life as a hard rock miner.

when I joined the army I did not know that the Engineer branch of the army existed. After I joined the Artilley I found out I was not happy and wanted to transfer I was at the 3 Field Regt and had asked to transfer to the Engineers. They sent me to Div. H.Q.

I felt I could do more as an Engineer, and also keep up my civilian occupation as well for after the war. Also I can earn trades pay.

I applied to No1 Tunnelling Coy RCE. the CO. 2nd field Regt refused my transfer. I have put in 4 application for transfer the last one being defenitly refused.

the O.C No1 Tunnelling Coy RCE told me that the unit (2 field Regt) was holding my transfer back.

Q. In what way did this Absence without leave have a bearing on your desire to transfer.

A. I wanted to go AWL from this unit so that I would recive a sentence sufficient to be struck off strength of the unit and I could apply to be sent to No1 Tunnelling Coy RCE.

I have worked 4½ years in civilian life as a hard rock miner.

The 2nd field Regt had told me I would have

(Exhibit A continued)

to wait for a vacancy in No 1 Tunnelling Coy RCE.
The OC No 1 Tunnelling Coy RCE had told me that only
the 2nd Field Regt were holding up my transfer.

Exhibit B 12

Evidence given by Capt. F. B. Rolph - 7th Bty. 2nd A.D. Bty, R.C.A. while under oath.

Q1. Before Being Bty Capt am you A Troop Commander IN 2nd Field Regt.

A1 Yes That is correct.

Q2 While you were A Troop commander was Gnr. Dupuis in your troop.

A2 Yes.

Q3. Can you give evidence as to Dupuis Character while he was under your command.

A3 - He was a part time driver and a part time gunner. He was a fair driver and making out to be a fair gunner. When he was interested in a job he would do a good one. From the time he was first in the troop he stated to me he had been trying to get a transfer to the Engineers as he was a hard rock miner by trade and felt he would be more use there as he knew that kind of work and felt he would be more use there. I tried to get him the transfer. As long as he felt it was trying to be arranged he acted well. It was during this period of waiting that I left the troop.

Lt. Col. Randall

Q4. What was his discipline like.

A4 He was a fair soldier. As a general rule good natured and on the whole gave very little trouble.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

STATEMENT BY LT MURPHY - DEFENDING OFFICER
IN MITIGATION OF PUNISHMENT & CHARACTER
WITNESS

The last crime for this man was on 2 Jan 44. This man has four and a half years of service now and he is at the present time only twenty years old. He came overseas a year a half ago and was in my platoon for a considerable time while in Italy employed as a DR. During that time he performed his duties well and did not cause any trouble. This man had no wilful intention of causing any trouble on the morning of the 29th. He didn't know or realize what he was doing and this is the first time, according to his records, that he has been drunk. I hope that the Court will take into consideration that he volunteered for overseas service when he was sixteen and that he hasn't been in any serious trouble and that he didn't realize what he was doing on the morning of the 29th.

Evidence of Pc Dupuy, having been duly sworn
states
(Q) Murphy. On the night of the 29th of June, on
the evening before that when were you?
Ans I was on the last lates all
evening.

(Q) When you drinking that evening?
(A) Yes
(Q) Do you remember going to bed at
all.
(A) No sir I don't remember anything.
(Q) When you woke up in the morning
how were you? Were you sober or
drunk?
(A) Still drunk

(Q) Do you remember striking Sgt. Brooks
(A) I don't remember striking him, or why
I struck him

Mr. Murphy That's all the questions that I have
Sir
Pc 83 B complied

Statement of Character by Lt. Murphy and investigation of punishment also. -

This is the last crime for this man was in 2nd January 944. This man has 4½ yrs of service now and he is at the present time only 20 years old. He came overseas 1½ years ago and he was in my pl for quite a while in Italy as a D.R. During that time he performed his duties well and didn't cause any trouble. This man had no willful intention of causing any trouble in the morning of the 29th. He didn't know he was doing what he was doing, and this is the first time that he has been drunk according to the Army Records, and I hope that the court will take into consideration that he voluntarily enlisted for overseas service when he was 16, and that he hasn't been in any serious trouble, and that he didn't realize what he was doing the other morning. That is all, sir.

Statement of Character by Lt Murphy in Mitigation of punishment

The last crime for this man was in 2nd January 1944. This man has 4½ hrs of service now and he is at the present time only 20 hears old. He came overseas 1½ hrars ago and he was in my pl for wuite a while in Italy as a DR. During that time he performed his duties well and didn't cause any trouble. This man had no wilful intention of causing any trouble on the morning of the 29th. He didn't know or realize what he was doing, and this is the first time that he has been drunk according to the army records, and I hope that this court will take into consideration that he volunteered for overseas service when he was 16, and that he hasn't been in any serious trouble, and that he didn't realize what he was doing the other morning. That is all, sir.

Mr. President & members.

I would like the Court to consider that there is a doubt as to "the lawful command" being a lawful command or not. Since it did not seem to tend to impede, delay or prevent a military duty or proceeding.

Furthermore his superior officer in this case Cpl. Cunningham proved not to be in execution of office since he was not on duty or a member of his platoon staff.

The accuse himself state that he did not know Cpl. Cunningham for a N.C.O. It is upon his being asleep and just woke up being still

F.V.B.

Nov. 11th 1943

A sentry with sleep did not intend to answer back if he did answer back. Even if he may have known that he was talking to an W.C.O.

So I ask the Court to consider these points which prove the accuse of no wilful intent to disobey in such a manner as to show wilful defiance. And shows that the lawful command may not have been lawful as well.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Re: D-83065 Pte. Auguis, T.
and A.A. Sec 9(1)

Thirty-three years ago I was born in the Province of Quebec. At the age of two my family moved to Rhode Island, U.S.A. About 12 years ago my parents became naturalized citizens of U.S.A. I joined the American Regular Army in August, 1935, and remained there until August, 1940, when I was honorably discharged because I had completed my full time of service. During the years of 1936, 1937 and 1938, I was stationed at Honolulu, Hawaii with the 21st Infantry While stationed at Honolulu I became a fully naturalized citizen of the U.S.A. in 1938. In that same year I returned to the U.S.A. and in 1939 was stationed at the Panama Canal Zone, where I stayed until December 1940. Then I was honorably discharged with the option to re-enlist in the American Army. Instead I enlisted with the Canadian Army because I was born in Canada and because I wanted to see action. Of my 5½ years in the American Army I was a Corporal for 4 years and I was honorably discharged as a Corporal with a clean sheet. I enlisted in the Canadian Army on Oct. 2, 1941 at Montreal. In the Spring of 1942 there appeared on Part I Orders a notice that an arrangement had been made between U.S.A. and Canada for the transfer of U.S. citizens in the Canadian Army to the American Army. Because I had been anxious to return to the American Army ever since the attack on Pearl Harbor I immediately filled out the application and handed it in to my Company Orderly Room. A week later I was put on Draft overseas. I was immediately paraded before the C.O. of Bandeau Camp and I told him about the transfer. He said that there was nothing to worry about and that I would get my transfer on the British Isles because the American troops were stationed there.

I arrived overseas in the latter part of April, 1942. At #2 C.R.D. After six months I was made L/Cpl and later Corporal. In the month of October I again made enquiries with regard to my

(Cont'd

transfer to the American Army from the O.C. of my Company. He said that he would let me know. Two weeks later in the same month I went to the American Army Recruiting Station and I explained my case to the Sargeant there. He gave me an application which I filled out. A certificate was needed by the Recruiting Station that there were no crimes against me. I requested the certificate from my Company Commander, but he refused and referred me to the Commanding Officer, and he also refused to give me such a certificate. I still see no reason why this certificate should have been refused me, because there were no crimes whatsoever against my name. In November, 1942, I went to the American Embassy at London and explained my whole case to one of the staff. He told me to report to the American Army Recruiting Station again, and there I told my whole story again from the beginning, which was taken down and signed by me. I was told that I would be notified if anything happened. I was also advised that it would be a good thing if I wrote the Adjutant General at Washington, D.C., which I did. In January, 1943, I received a reply from the Adjutant General explaining that I should immediately see my Commanding Officer and explain my case to him and to take proceedings through the proper channels. I then saw my Company Commander who obtained the proper forms which I filled out and attached the letter from the Adjutant-General. In April of this year when I was in A. Coy of S.C.I.R.U., I enquired from the C.S.M. about my transfer and he advised me that my transfer had been disapproved. I requested to see the letter of disapproval and I was told to see the Adjutant. I immediately went to the B.O.R. and the sargeant on duty told me of the disapproval. I requested to see the letter and I was told

(Cont)

to come back in an hour. I returned a couple of times, but no letter was shown to me. On the same day I explained my whole case to the ~~C.O.~~ O.C. "H" Wing. Two weeks later I went H.W.L. for 21 days in disgust because I was not getting anywhere. On or about the 5th May I returned & was punished. The next day I refused to go on parade and was brought before the C.O. of the unit to whom I explained my whole case and I made a written statement to him regarding my transfer, ~~that I wished to leave~~ and he said that he would see about the transfer. Last month I was warned for draft in the field and I said to the officer present that what was the use of sending me in the field when I am waiting for my transfer. I was afraid that once I was moved to the field I would lose all the progress, if any, I had made with regard to the transfer. I ~~was~~ asked to be paraded before the C.O. and I was advised by him that communication had been made to the American Army ~~and that it was now up to the American Army.~~ I received a 48 hour pass in the beginning of June for the purpose of going to "London" Recruiting Station of the American Army. There I was told to go to C.M.H.Q. I was told at C.M.H.Q. that because my first application ~~was~~ in Canada was made before the dead line that my application was still valid. They told me that I would be advised in the near future. A week later I was summoned to the B.O.R. and filled out some more forms. On July 27th I was again warned for draft into the field and I told the officer in charge that I would soldier in camp but absolutely refused to soldier in the field and ruin my chances for the transfer and instead I would rather be locked up. Whereupon I was escorted to the guardroom

At present I have a brother in the American Army who is in Australia and I want to join him. Since the U.S.A entered the war as a result of the attack on Pearl Harbor my heart is with the American Army and I want to fight with my countrymen. To date I have not been advised whether my transfer has been accepted or refused.

All this is absolutely the truth, so help me God.

Plea in Mitigation by Defending Officer
re: D. 83065 Pte Dupuis T.
and A.A. Sec. 40.

Sir:

As the accused unfolded his story I am sure that there is one impression which was left with you and that is that the accused is obviously the victim of "red-tape", inefficiency and uncooperation. Encountering the red tape and legal technicalities of one country is bad enough, but where, as in this case, a man is forced to encounter the technicalities and red-tape of two countries, and of their respective armies at that, I submit that he must have great persistence and patience. This man is hindered by his inability to speak and write the English language as we know it as fluently as can be desired. Consequently a man in his position invariably eyes with suspicion the numerous forms and red tape which assail him, and of those who occupy official positions. This is particularly so in the case of this man who has tried for almost 1½ years to obtain a transfer to the American Army. The irritating part of it is that anyone tells him anything, gives him any definite and satisfactory reason. To this day he does not know whether his application for transfer will be accepted or refused. In his way of thinking he cannot afford to prejudice his position any further by soldiering out in the field - although he is willing to do so in camp. Any man of weaker character or less bravery would have become resigned to his misfortune. But the accused is a fighter. He prides himself on his

physical fitness and at prowess at boxing. An astounding fact is that he does not smoke. There is no doubt whatsoever that this man wants to fight as is shown in his eagerness to join the Canadian Army rather than take advantage of his option to join the American, because Canada was at war and U.S. was not. As soon as the U.S. entered the war after Pearl Harbor in Dec. 1941, this man wanted to fight alongside his countrymen. Sir, please do not forget that this man is an American Citizen and is such is imbued with the spirit of the Constitution of the U.S. He has taken the famous American Oath of Allegiance to the American Flag.

The Court and other officers and other men concerned in this case are no doubt astounded at the attitude taken and the method adopted by the accused to attain his ends as a result of his failure of almost 1½ years of trying to get back into the ~~Canadian~~ American Army. We are all aware that the Americans have a distinctly abrupt and straight forward manner of accomplishing things — the "I got my rights" attitude. This man was subjected to the American way of life since the age of 2 — for 31 years. Taking cognizance of this fact it is now easier to understand the downright manner the accused adopted. Such penalties and bravery should not go unrewarded. I ask the Court to have compassion with the accused.

I am A/Major C.L. Stuart, The Black Watch (R.H.R.) of Canada, Officer Commanding "P" Company (Draft Company) 5 Canadian Infantry Reinforcement Unit. At about 1330 hours of the 27th day of July 1943 I ordered D-83065 Pte. Dupuis, T., a member of my Company upon I had previously warned for draft, to proceed with Col. McGinness to be medically and dentally cleared for draft. Pte. Dupuis answered, "I won't go", or words to that effect. I repeated the order to Pte Dupuis and he answered, "I won't go on draft to the Field," or words to that effect. I repeated the order a third time and Pte. Dupuis answered, "I won't soldier," or words to that effect. As Dupuis still showed no sign of complying with my order, I had him placed in the Guard Room pending the laying of a charge. Immediately before giving Dupuis the original order I told him that I understood he had refused to obey a similar order during the morning and proposed now to repeat the order. This evidence pertains to the accused whom I now recognize. The accused was offered ample opportunity to comply with my order by did not in fact comply with my order.

I am Lieut. H.S. Duffield, The Black Watch (R.H.R.) of Canada, Administrative Officer of "P" Company (Draft Company) at 5 Canadian Infantry Reinforcement Unit. I was present at 1330 hours on the 27th day of July 1943 when I heard Major C.L. Stuart give Pte. Dupuis the following order. "You will report to the M.O. now." I heard Dupuis reply, "No, I won't go," or words to that effect. Major Stuart then said," For the second time, report to the M.O. now." To this Dupuis replied, "I don't want to go on draft to the Field," or words to that effect. Major Stuart then said, " This is the third time. Report to the M.O. now." Dupuis replied, "I don't want to soldier," or words to that effect. The attitude of Dupuis during this period was sullen and obstinate.

During the morning I had warned Pte. Dupuis for draft according to C.R.O.R.O. 542 and at that time he told me he wouldn't go on draft. I therefore had him placed under close arrest as I thought he may have gone A.W.L. This evidence pertains to the accused whom I now recognize.

I am C-21166 Cpl. McGuinness, P.S., Cameron Highlanders of Ottawa, 5 Canadian Infantry Reinforcement Unit. I am a member of "A" Company. On the 27th day of July 1940, I was ordered by the A/C.S.M. of the Company to get Pte. Dupuis from the Guard Room and see that he passed his kit inspection, also his medical and dental inspection. I got Dupuis and took him to his quarters and made him get his kit to lay out for inspection. He said quite a few times that he did not want any part of this Army. After we got his kit down he refused to lay it out until the C.S.M. gave him the order. When the C.S.M. gave him the order he said he would lay it out just to be a good fellow. Afterwards I told him he was to come with me for his medical and dental. He said he would not pass no medical or dental and I could give him to the Guard Room and look after him. He said he did not care what happened to himself. He said he did not want to get out of this Army. I then took him back to the Guard Room at about 1000 hours. At about 1400 hours Major Stuart asked for Pte. Dupuis who came out. Major Stuart ordered him to go with me to get his medical and dental. He reply was, "No, I don't want to medical or dental," or words to that effect. Major Stuart ordered him for the second time to go and receive his medical and dental and Dupuis answered, "I don't want to go on draft," or words to that effect. Major Stuart gave him the order for the third time and Dupuis answered, "I don't want to soldier," or words to that effect. Major Stuart then returned him to the Guard Room. THE ACCUSED ELECTS TRIAL BY COURT MARTIAL

(1)

SUMMARY OF EVIDENCE In the Case of:

B.134970 Pte. (A/L/Cpl) Wilfred Joseph DUPUIS,
No. 2 Coy, Cdn Provost Corps, a soldier
in the Cdn Army Overseas.

THE ACCUSED is informed of his rights.

THE ACCUSED demanded that the evidence be taken on Oath:

FIRST WITNESS For the Prosecution:

Lieut. H. C. Forbes,
No. 2 Provost Coy, Cdn Provost Corps, Sworn, states:

"At approx 2230 hrs to 2240 hrs 10 Jan 44, I was in "Tannery Cottage", Church Street, preparing to go to bed, when I heard men's voices in the street below. I heard a lot of noise and thought someone was trying to get into the house so I put out the light and drew the blackout aside. I saw two soldiers wrestling in the street below. They were laughing and talking much louder than ordinary conversation. They were creating a lot of noise by throwing their caps down on the street. I saw one, whom I later identified as L/Cpl. Dupuis, lay down on the road, he then sat up and rolled over backwards through a puddle of water, he repeated it, and then got up and staggered over against a hedge. The other one whom I later identified as Pte. Boyd, went over to the hedge. There was some discussion about going somewhere and making 'whoopee'. Pte. Boyd said to L/Cpl. Dupuis, "You're a crazy bugger, you're crazy." They then got out on the sidewalk and threw their caps down loudly again. They made a lot of noise as they were wet. L/Cpl. Dupuis discovered another puddle of water and immediately sat down and rolled over backwards through it. He then got up and staggered over around the corner of the house beyond my vision. I heard a loud bang as if a wet cap had been thrown against a wall. I heard L/Cpl. Dupuis say "Let's go in the house." Boyd said, "No, let's go home." Boyd was laughing loudly. Pte. Dupuis said, "Here's a Henfield house, let's go in a Henfield house." I then saw the two of them stagger up the sidewalk towards the church. It appeared as if Boyd was leading Dupuis away from the house. They then stopped and threw their caps down a few times more, I heard Dupuis say "Some of the boys think I'm stupid, I'm not stupid I just have no sense." Boyd laughed loudly. Finally Dupuis laid down on the grass beside the sidewalk and said, "Let's sleep here." Boyd said, "O.K. we'll sleep here," and laid down beside him. They were quiet for a minute or two, they got up again and continued to make a lot of noise just outside the houses there. I heard the word "Fucking" and the words "Jesus Christ" used, so decided to take action.

I proceeded to Martyn Lodge and got the Orderly Sergeant, Sgt. Oakes to go with me. We went through the church yard to the lane that leads to Henfield House. As we neared the foot of the hill leading from the church we heard voices and loud laughing. I said to Sgt. Oakes, "That's them." When we were about fifteen or twenty yards away Dupuis said, "Who goes there?" We approached them and I said, "Alright come along with me." Sgt. Oakes said, "You are both under 'Open arrest'." I said, "No, Sgt. they are both under 'Close arrest'." We started back to Martyn Lodge, Sgt. Oakes and Pte. Boyd walking ahead, L/Cpl. Dupuis and myself following behind. Neither Boyd nor Dupuis had their caps on. I ordered them to put their caps on. Neither did at that time. Both men were unsteady on their feet, Dupuis particularly so. I noted that Dupuis' uniform was all wet on the back, both men's F.S. caps were wet. I could smell liquor very strongly. After I had placed the two men under arrest and started to the guardroom, Boyd started to sing as we were passing some houses and only quietened down when I told him to shut up. Boyd finally put his cap

on when we were passing the church. I looked at my watch and it was 2250 hrs. Boyd stopped at the exit to the church and I heard Sgt. Oakes saying, "Come along, don't be a fool." Boyd said to me, "Have you got a match Sir?" Sgt. Oakes persuaded him to go along. We took them to the Guardroom and handed them over to the Guard Commander, Cpl. Pelz, H. V. In my opinion L/Cpl. Dupuis was drunk."

FIRST WITNESS For the Defence:

C.102890 Pte (A/L/Cpl) Laporte, J.W.
No. 2 Provost Coy, Cdn Provost Corps, Sworn, states:

"At about 2215 hrs on the 10 Jan 44 I was in the Corporal's room when I heard someone saying there are a couple of friends to see you. I walked into my room and there was Boyd and Dupuis. Boyd was standing against the wall apparently drunk and Dupuis was standing in the centre of the room. I asked them what they wanted at this hour and Dupuis told me they were just dropping in for a visit on their way home. We talked for about 10 minutes and then Boyd left the room and Dupuis told me that he had better go along and take him home. I know Dupuis had been drinking because he told me so himself, but in my opinion he was not drunk because while he was in the room he talked very sensibly and stood with his hands behind his back without staggering at all.

Q.1 Have you known Dupuis Long?
A.1 About two months.

Prosecuting Officer's closing address.

Charge 1. Deserting His Majesty's Services. I contend the accused deserted His Majesty's Forces and had no intention of returning and have established the fact that he travelled to Manchester, Liverpool, Edinburgh and was apprehended in London, dressed in civilian clothing. I also wish to point out, in the defence Pte. Duquette stated that he always wanted to join some branch of the Marines, but he made no attempt to transfer while in this unit. Relative to statement of defence, Pte. Duquette was a cook and requested a cook's course. I don't think that a strong enough reason to desert. The evidence thus summarized carries out my contention that the man tried to desert.

With reference to third charge, it has been established that the majority of these items have been admittedly lost.

The Defending Officer, ~~in mitigation of punishment~~, says:

In cross-examination and in placing the accused on the stand, I have brought out points of his wanting to join the Navy which is only natural as a result of his civil experience. Later his transfer to Ordnance Corps against his wishes. Thirdly his employment as a cook's helper, which, shall we say, was in the form of an apprenticeship, leading to it's logical conclusion, a cook's course, which he was not able to obtain. His late employment at sanitary fatique and refusal upon request of re-employment as cook, the only trade at which he had any knowledge, which might subsequently lead to trades pay. His ignorance of the fact that the Merchant Service was not one of H.M. Forces and his continual effort at joining the Merchant Marine, while absent without leave. His efforts to join a service which offers a little excitement and a change from his present employment. I have proved that the pass issued by Manchester Ship Canal Co. was out of date and that the pass to the S.S. Boreas was an item of insignificance in the wallet left as security for his jacket. Throughout all the above he maintained in his possession his civil identity card. In summing up, I therefore submit that Pte Duquette had no intentions of shirking his duties nor, indeed, in deserting.

As far as the third charge is concerned, the plea of not guilty was rendered because of the inaccuracy of the lists concerned. I submit that the amount of deficiencies should be

1. With reference to the above and marginally-noted, a report dated 19 Nov 42 was received from the Chief Constable, Liverpool, with covering memo. Report reads as follows:

"I beg to report that at 1530 hrs. on Thursday, the 12 Nov 42, L/Cpl.John Ford MORLEY, attached to the Military Police stationed in Liverpool, saw the accused - George William PEARSON, 17 yrs, Seaman, c/o Dr. Barnardo's Home, Stepney Causeway, London, or 29 Clare Street, Cardiff - in Dale Street, Liverpool, wearing the battle-dress of a Pte. in the Royal Canadian Ordnance Corps.

"L/Cpl. Morley stopped PEARSON and asked him for his pass, and after feeling in his pockets PEARSON said "I've lost it." When asked for proof of his identity PEARSON produced a Canadian Militia Soldier's Pay Book and Service Book, both in the name of D-95, Pte. Robert DUQUETTE of the Royal Canadian Ordnance Corps, and stated that they were his. He was detained and then stated to L/Cpl MORLEY that he was an absentee from the R.C.O.C.

'It was later ascertained that he was not Pte. R. DUQUE-TTE, and at 1400 hrs on the 14th instant, I interviewed PEARSON at Argyle Street Military Bridewell. I told him who I was and asked him for his name and address and he said "George William PEARSON, 17 yrs, c/o Dr Barnardo's Home, Stepney Causeway, London. I deserted a ship in Bramley Dock about 2 weeks ago." I asked him to account for the battle-dress which he was wearing and he said, "Me and a Canadian Soldier who is a deserter, swopped uniforms, and papers in the Y.M.C.A. Church Street, last Wednesday". I cautioned and told him that I was going to arrest and charge him with Unlawful Possession of the Battle-dress, respirator Pay Book and Service Book, and he said, "Yes". When formally cautioned and charged he said, "Yes".

"On Monday, the 14th instant, PEARSON was remanded in custody for 7 days until the 23rd instant.

"I made immediate enquiries in the Y.M.C.A. Church St., and other Service Clubs, with a view to tracing Pte. R. DUQUETTE, but without result. I have learned that he did stay at the above Y.M.C.A. on the 10th and 11th instant, and his Army Overcoats and haversack are in the Left Luggage Office at the Y.M.C.A. and should he call for them we will be notified immediately.

'I have also notified the Board of Trade and the Shiping Pool to keep a look-out in case DUQUETTE tries to get away to sea in PEARSON'S name, with the papers he got from PEARSON, and they have promised to inform me at once if he did so.

'PEARSON, who informed me that he has recently been before the Courts at Leeds and Kingston-upon-Hull for theft

D-95 Pte. DUQUETTE, Robert - R.C.O.C.

Para 1. (Police Statement Cont.).....states that about the end of September 1942 he signed on the s.s."Venus" at Barry Dock, Cardiff, and sailed to Bramley Dock, Birkenhead, where he borrowed £2 off the Captain and then deserted.

'I suggest that a copy report be forwarded to the Chief Constable of Cardiff with a view to obtaining the antecedent history of the accused from Dr. Barnardo's Home, 29 Clare Street, Cardiff: also regarding PEARSON deserting the s.s."Venus" (the agents for this ship are, I believe, C.Downing, West Bute Street, Cardiff).

'I also suggest that a copy of this report be forwarded to the Officer Commanding Canadian Provost Corps, H.Q., No.6 Co'y.,St. Peters's Hospital, Henrietta Street, London, and that he be asked for further particulars regarding the absentee Pte. D-95 Robert DUQUETTE.

(Sgd) R.Gardner, Sgt. 36 "F"

2. All available information regarding DUQUETTE was passed to the Liverpool Police and instructions were forwarded by Officer i/c S.I.S. to No.6 Provost Company to have his kit picked up by the first available escort and sent to his unit. This was done.

3. On 17 Dec 42 Pte. DUQUETTE was apprehended by No.6 Provost Company in London. He was dressed as a merchant seaman and was in possession of a Manchester Ship Canal Company Pass No.133136 in the name of J SEABROOK and a typewritten note reading as follows:

"SS. Boreas.
Please allow bearer to pass as he is a member of the above crew."

4. The above mentioned articles together with other property which has been held for enquiry are listed on attached Exhibit and property Report No.73. Thorough enquiry has been made and Pte. DUQUETTE is not wanted by the civil police for questioning or other-wise.

5. On 18 Dec 42, Sgt. CARRIERS, J.R., S.I.S., interviewed the above named soldier, in custody at No.6 Prov. Coy Detention Cells and he made the following voluntary statement:-

D-95 Pte. DUQUETTE, Robert, R.C.O.C., 5th Sec Cdn Arm'd Corps Ord Wksp states:

I have been cautioned and I understand that I need not say anything unless I wish to do so, and that this can be used as evidence.

(Sgd) R. Duquette.

On Nov 9,1942 I left my unit at Godstone and proceeded to Euston Station, London, and then went to Liverpool by truck, arriving at about 9.30 p.m. 11 Nov 42. On the 12 Nov 42 during the afternoon I met George PEARSON. He told me he was a merchant seaman, this was at the Y.M.C.A. He told me that he had been in the Cdn. Ordnance at Barriefield, Ont., and had been discharged from the Army because he was under age. During our conversation it came out that PEARSON wanted to get in the army (Cdn) and I wanted to get in the Merchant Navy; so he asked me to change clothes, and we did. I did not get his identity papers, but I gave him all my Army Pay Book. I was supposed to meet him later to get my shaving kit but I did not see him again.

Around 16 Nov 42, when I was in Manchester, I met S.T. WATTS a man who said he was in the U.S. Merchant Navy. I loaned him my

Manchester - Peter Street. He gave me one wallet containing photos and a couple of Merchant Navy papers, one a pass to s.s. Boreas.

The Manchester Ship Canal Pass No. 133136 was given to me by John SEABROOK so that I could find him if I came back to Manchester. He gave me this at the same Y.M.C.A. in Manchester.

During the time that I was away I stopped in Wigan and Edinburgh. I sent home for some money and asked that £10.0.0 be sent to G.P.O. Manchester, but I did not get it, and for all I know this money might be there for me.

Friday, 18 Dec 42. (Witness) J.R. Carriers, Sgt.

5. The above-named was returned to his unit by escort on 18 Dec 42.

6. It now appears probable that Duquette was never in possession of the Merchant Seaman's papers thought to have been given him by PEARSON since these were found in the possession of another absentee, now apprehended and subject of a separate report.

7. In view of the forgoing it is requested that a copy of this report and attached Exhibit together with the property listed thereon be forwarded to Officer Commanding the unit concerned and this file concluded as far as this section is concerned.

Plea in mitigation of
sentence in the case of
B/18339 Pte. Plugatte, P.E.
by Lt. W.S. Langston
Defending officer

The accused pleads guilty of the charge against him being fully aware that he has committed a serious offence against military law and is ready to receive whatever sentence the Court may award him as the good soldier he normally is. His record of continuous service since the date of his enlistment, May 1942 speaks for itself. He proceeded overseas in June 1943, joining the 6th Regt in Oct 43 serving with that unit throughout Sicily & Italy until wounded 25th May 44.

Since the date of his enlistment the accused has had only two very minor offences recorded against him, three preceding overseas more.

This is surely the record of a good soldier and I submit by agreement that when considering the punishment to be awarded the accused, the Court may be extremely lenient and award only a minimum sentence.

W.S. Langston Lt
Defending Officer.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of B-112839 Private Richard Edward Duquette, Carlton and York Regiment, presently a convalescent at 1 Canadian Convalescent Depot, a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence be taken on oath.

First Witness for the Prosecution

D-61790 Pte. Ledaux, R. 1 Canadian Convalescent Depot having been duly sworn states as follows:-

At approximately 1800 hours 18 Aug 44 I was on Regimental Police duty in company with Tpr. Mehlenbacker. I saw the accused whom I recognize crossing the railroad track, just outside the camp in company with some Italian civilians. We went after them and followed them into a corn field. I saw some soap and cigarettes on the ground in the centre of the group and there seemed to be a slight argument going on between the accused and the Italian civilians. I waited until I saw some money pass from one of the Italian civilians to the accused. At this time I was standing practically shoulder to shoulder to the accused and he did not appear to know that I was on Regimental Police duty. I asked him if he was selling the cigarettes and he replied "Yes". I took the money from his hand and found it totalled Five hundred and sixty (560) lire. I counted the cigarettes and found there were two hundred and eighty cigarettes and five cakes of Lifebuoy soap. I then arrested the accused and the two Italians and conducted them to the Guard Room of the Conv. Depot and I reported this matter.

The accused declines to cross-examine this witness.

R Ledoux

Second Witness for the Prosecution

B-68579 Tpr. Mehlenbacher, A.L. 1 Canadian Convalescent Depot having been duly sworn states as follows:-

At approximately 1800 hours 18 Aug 44 I was on Regimental Police duty in company with Pte Ledaux when we saw the accused whom I recognize walking down the railroad tracks just outside the camp area. He the accuses was accompanied by two Italian civilians. Ledaux and I followed them to a tomato patch and corn field. We came right up to the group. Ledoux stood shoulder to shoulder to the accused and I stood just off and to the side of Ledoux. We saw some soap and cigarettes on the ground and there was a conversation going on between the accused and the two Italians. I then saw one Italian pass some money to the accused. Before the money was passed Ledaux asked the accused if he was selling the cigarettes and the accused replied, "Yes". After the money had passed Ledaux took the money from the accused and he counted it. I saw him count the money and I added it up to Five hundred and sixty (560) lire. Subsequently I counted the cigarettes and soap and found there were two hundred and eighty English cigarettes

Second Witness for the Prosecution

and five cakes of Lifebuoy soap. We took the accused and the two Italian civilians to the Guard Room and reported this incident.

The accused declines to cross-examine this witness.

J.L. Mehlenbacher

Third Witness for the Prosecution

Capt. J.O. Howitt, Adjutant, 1 Canadian Convalescent Depot having been duly sworn states as follows:-

I am the Adjutant of 1 Canadian Convalescent Depot. I produce Daily Order Part One dated 2 Aug 44 and specifically Order No. 464 which, amongst other things prohibits the sale of cigarettes to any person. (Part 1 Daily Order dated 2 Aug 44 and containing said order No. 464 is admitted in evidence and marked Exhibit "A").

This order has been posted prominently throughout the unit in Divisional, Company and Unit lines and the accused is in a position to be acquainted with their contents.

The accused declines to cross-examine this witness.

The accused was asked, "Do you wish to make a statement or to give evidence? You are not obliged to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

The accused declines to make any statement and reserves his defence.

Taken down by me in the Field in the presence of the accused this 21st day of August 1944. I hereby certify that R.P. 4 (c)(d)(e)(f) and (g) have been complied with.
