Statement of Defending Officer re Mod. of Punishment appendix B.

With this there has been no defence offered in this case, it has been pointed out to the court, before they consider sentence, that, of the five cases of AWL appearing on the conduct sheet, four took place in Canada. The last occurred in this country on 8 Oct 41. The accused in that case has had nearly a year with no entries. Further, I would like to point out that the accused was married on 23 May 42, and has gone straight, so to speak, since that time. He's been, to the best of my knowledge, a good soldier, confirmed Bdr on 7 Aug 42. There may have been, prior to this case, some trouble of a personal nature at home, that the accused does not wish to use in his defence, and, while we realize that such things as that are no defence, unless duly brought out, I think we can realize that everyone is human, and I would ask the court in considering sentence to take notice of the good record of the accused for the past twelve months.

Exhibit E3/
Pleas of mitigation on behalf of D-12128 Pte
Duffie HR. RCASC.

On Feb. 1945 Pte Duffie was serving a sentence in No 56 Br. military Prison in Brindisi Italy.

On the morning of 10 Feb. 1945. Duffie, along with some other prisoners, was escorted to No 98 British General Hospital to undergo hospitalization.

On arrival at the Hospital they were refused admittance, and were then escorted to another hospital. en route the British military Police escort turned them over to some British Soldiers proceeding on leave from Italy. They were escorted from Bari to Naples. On the train they were all drinking. The morning Duffie awoke in Naples, he was in a different compartment with a Lieut of the escort and two American Officers.

They got off the train & find the rest of the escort, but they had left.

The Lieut had no document and did not know where Duffie was to report, and as he was proceeding on leave he told Duffie to find his way to No 5 Can Gen Hospital in Rome.

Duffie proceeded to Rome, but found on arrival that No 5 Can. Hospital had left Italy. He then proceeded to No 104 British Gen Hosp on the advice of the Sgt at the Canadian leave centre NAAFI in Rome.

Duffie reported into 104 British General Hospital, but did not tell them that he was from prison, because he did not want to go into the detention ward.

On 30 March 45 the British military Police came to the hospital and questioned him. He told them he was from No 56 British military Prison. They removed him to the detention Ward.

In submitting this plea I would like to draw the courts attention to the fact that the persons, who accompanied Duffie from No 56 Br. military prison to hospital, have since returned to Canada and therefore that we could not be granted from them to substantiate the facts.

of events I have just related. and what although Duffie is charged with being absent from 13 Feb 1943 until 30 March 1943 part of that time must have been spent under escort while en route to hospital and he would therefore not be absent without leave for that period and also, when Duffie reported into 104 Gen Hospital his absence could then would no longer be voluntary but became involuntary and therefore he could not be deemed absent without leave for that period, according to sec 15 (1) subpara c of the AA.

Therefore I ask the court to consider these facts in passing sentence and I duly submit a further plea for leniency.

JW Thomson Lt RCA

Plea of mitigation on behalf of D-121284 Pte Duffie AA RCASC

On the 10th Dec 45 Pte Duffie proceeded on 9 days embarkation leave from 3 Cdn Repat Depot. He was on C.D. 69.

He proceeded to Thurso Scotland with a girl he had been going with since Dec 1942. They were planning on being married when his divorce became final.

In Scotland he told her that this would be his last leave in England and that he would be returning to Canada after he finished his leave.

She took this news quite hard and told him that she was pregnant and that he couldn't leave her. She also threatened to kill herself if he did.

That night they went out to a Dance and on returning home Duffie to purchase some coffee + sandwiches when he arrived back at the house he found her lying on the bed in pain. Some women were with her and they told him she had taken a bottle of disinfectant mistaking it for a bottle of coffee. They said they had called a Doctor. As there was no one to care for her Duffie had to remain until he could contact her parents.

He thought she would be well in a few days and would be able to go home. But as she did not recover as quickly as he thought, he was required to overstay his leave.

As she first she was told she had a miscarriage and was quite sick again. As Duffie still had two months to contact his parents he had no alternative but remain with her.

Fortunately he was able to contact his parents, who came and took her home. He then returned to 3 Cdn Repat Depot.

Duffies PULHEMS shows an S3 and according to the Psychiatrists report on his discharge is due to nervous frustration. His nervous trait in Duffie together with the chain of events I have just related caused him to do what he thought was right at the time even if it meant missing his draft to Canada.

I therefore ask the court to consider these facts in passing sentence and I hereby submit a further plea for leniency.

H W Yawman Lt. USN

I certify that I have this morning examined D/21284 PTE. DUFFIE H.R. 8 REPAT. DEPOT, and in my opinion he is fit to undergo trial by Court-martial.

PLEA IN MITIGATION OF SENTENCE Pte DUFFIE H.R.L. "WHP"

On making the plea in mitigation of sentence Driver DUFFIE volunteered for active service, he is entitled to wear the 39-43 star and CVSM.

The court has heard details of this mans previous misdemeanors and it will be seen that since joining the army he has been found Guilty on numerous occasions of absenting himself without leave, and twice of breaking arrest, apart from this he has only been on one other charge for a comparatively minor offense.

The accused then is an hibitual absentee, and his deliquencies have been brought about by a sense of grievance which however misplaced was nevertheless undoubtedly real in the accuseds' mind.

His first crime occurred under the following circumstances, when he received a telegram from his common-law wife telling him that their child was seriously ill, he was paraded to the commanding officer of the Basic Training centre and refused permission to to to his wife, he immediately went absent and upon arrival home found his child dead and his wife really sick, to add to his worries he learned that his wife who already had two children by another man and whose upbringing he had undertaken prior to volunteering, was not receiving any dependents allowance, and it was only after several months that she started to receive her reduced allowance

---

"WHP"

OF $20.00 per month, and nothing for the children.

This man in my opinion is mentally sick from constant worry for his wife and children, and after three and a half years of army life, it has become an obsession with him. If it please the court I would suggest that detention in his case is neither, an adequate punishment or a remedy, and from the man's condition I would respectfully suggest that he be given an opportunity of seeing a psychiatrist and receive the medical care due a Canadxian soldier; perhaps also instruction in a trade might help to relieve his bitterness and give this man a fresh start.

Plea in Mitigation of sentence Pte Duffie H.R.L.

On making the plea in mitigation of sentence Driver Duffie volunteered for active service, he is entitled to wear the 39-43 star and C.V.S.M.

The court has heard details of the man previous misdemeanors and it will be seen that since joining the army he has been found guilty on numerous occasions of absenting himself without leave, and twice of breaking arrest, apart from this he has only been on one other charge for a comparatively minor offence.

The accused then is an habitual absentee, and his delinquencies have been brought about by a sense of grievance which however misplaced was nevertheless undoubtedly real in the accused's mind.

His first crime occurred under the following circumstances, when he received a telegram from his common-law wife telling him that their child was seriously ill, he was paraded to the commanding officer of the Basic Training Centre and refused permission to go to his wife, he immediately went absent and upon arrival home found his child dead and his wife really sick, to add to his worries he learned that his wife who already had two children by another man and whose upbringing he had undertaken prior to volunteering, was not receiving any dependents allowance, and it was only after several months that she started to receive her reduced allowance

2/ of $20.00 per month, and nothing for the children.

This man in my opinion is mentally sick from constant worry for his wife and children, and after three and a half years of army life, it has become an obsession with him. If it please the court I would suggest that detention in his case is neither, an adequate punishment or a remedy, and from the man's condition I would respectfully suggest that he be given an opportunity of seeing a psychiatrist and receive the medical care due a Canadian soldier; perhaps also instruction in a trade might help to relieve his bitterness and give this man a fresh start.

Plea For Mitigation of Sentence

Mr.President,members of the court,I plead for mitigation of sentence for the accused A.22322 Private Ethyl Wilson Duffield.This soldier has been known to me for some months past.He was in my platoon for several weeks last summer at #3 Cdn.Inf.Rft.Unit.He was always a good soldier during that time and was very anxious to be placed on an overseas draft.It was not possible so to place Pte.Duffield at that time and I was able to send him to this unit instead of his former unit. This was done at his own request since he felt that his chances for action would be better with this unit.As you will see his record whilst serving with this unit has been spotless until the time of his absence at 2300 hrs.8 November 1943.This absence occurred at the end of a seven day priviledge leave,which Pte.Duffield had spent with his wife ,in London. Pte.Duffield married in this country on the I November 1941.The marriage has not been a happy one and during the early part of this year his wife instituted divorce proceedings.However a reconciliation took place in July of this year and the divorce proceedings were dropped by his wife. Pte.Duffield arranged to have leave with his wife the first of last month and the couple lived together until the last day of that leave.That day they quarrelled and in his worry over these family difficulties Pte. Duffield entered a public house and began drinking.Through drink he missed the opportunity to return to his unit on time and from that time on he kept putting off his return from day to day.During the time of his absence he repeatedly called Mrs.Duffield and tried to see her so that they could adjust their affairs to the satisfaction of both parties.Mrs. Duffield refused to discuss matters either with a view to reconciliation or divorce.I submit that Pte.Duffield,in his anxiety over family troubles, took leave of absence,he is a good soldier and is very anxious to see action.I plead for leniency in sentencing this soldier so that he may at the earliest opportunity return to his military duties,and play his part in action with the Canadian Army.

(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. (1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.(1)

(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

PLEA IN MITIGATION

Sir and Members of the Court.

I wish to present a plea for mitigation of sentence in defense of A 22322 Private Duffield C. W. of the Highland Light Infantry now on the strength of No 3 Canadian Infantry Training Regiment.

This man was on active service on the Continent for nearly a year. During that period of service he did not get back to England to see his wife until May of this year. Private Duffield volunteered for the Canadian Far East Force at the first opportunity. He desires to continue his service for his country as soon as possible.

The Officer Commanding No. 3 Canadian Infantry Training Regiment, Canadian Army, England received a letter, which, sir, you have in front of you from Mrs Mary K. Duffield, the wife of Private Duffield. She takes most of the blame for her husbands absence because:-

She had not seen her husband for nearly one year. Private Duffield had volunteered for the Canadian Far East Forces and his wife would probably not see him for a considerable length of time. Mrs Duffield is leaving for Canada in a short time and thus she admits that she did her best to keep her husband with her as long as possible.

In conclusion, I request extreme leniency in Private Duffields case because he desires to get into action with the Canadian Far East Force and is eager to continue serving his King and Country. The

Medical Officer's Certificate. 40/25

and in my opinion, he is fit ..... to undergo trial by Court Martial.

Proceedings on Plea of Guilty

*To be struck out in case no plea of "Not Guilty" has been proceeded with.

*[The Court having been re-opened, the accused is again brought before it, and the charges to which he has pleaded "Guilty" are read to him again.]

The accused

is found guilty of both charges.

*The summary ~~(or abstract)~~ of evidence is read, marked B 3, signed by the President, and attached to the proceedings.

Question to the accused. Do you wish to make any statement in mitigation of punishment?

Yes sir

Answer. The accused in mitigation of punishment says:—

Statement in mitigation of punishment by finding guilty

~~[or hands in a written statement, which is read, marked [illegible] by the President, and attached to the proceedings.]~~

With reference to the first charge I wish to draw the attention of the Court to the fact that on a recent leave the accused was engaged to be married. On or about the 16 Oct last this girl's mother was taken suddenly ill and was in need of constant attention. In addition the accused's fiance was working long hours per day. The accused's fiance was the only member of the family then at the home.

Instruction.

* If there is no summary or abstract of evidence, sufficient evidence to enable the Court to determine the sentence, and to enable the confirming officer to know all the circumstances connected with the case, will be taken on a separate sheet in the same manner as on a plea of "Not Guilty."

If from the statement of the accused, or from the summary or abstract of evidence, or otherwise, it appears to the Court that the accused did not understand the effect of his plea of "Guilty," the Court shall alter the record, and enter a plea of "Not Guilty," and proceed with the trial accordingly.

DD

I submit that the absence of the accused was occasioned entirely by anxiety for his fiance and her family. I would like to point out to the court that the accused was not apprehended but returned to his unit as soon as these difficulties had been cleared up. In relation to the 2nd charge I would like to point out that only five minor articles are listed as deficiencies. I would also like to draw the attention of the court to the nature of the deficiencies. These may be classed generally speaking as underwear which is very easily misplaced or worn out.

Do you wish to give evidence yourself or to call any witnesses as to character?

Question to the accused.

No.

Answer.

Evidence as to character.

Sentence

The Court sentence the accused to undergo detention for Sixty (60) days and to be put under stoppages of pay until he has made good the sum of £0-11-8½

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP* 35 *fn* 3. *2. MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans. N O - I N (5)

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP* 60(*C*), *114, 115.*)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither?
Ans. ..... Do you intend to call witnesses on your behalf?

Plea for Mitigation 28 Aug 43

Sapper Duffield

E-3
WW

Spr. Duffield's wife, who lives in Canterbury is suffering from a serious kidney disorder as the medical certificate shows. She wrote Spr. Duffield that she was suffering, had been confined to bed for a week, but told him not to worry. She was obviously very agitated. She wanted to know when he could get leave to see her — Quote part of letter —

At that time there was of course no prospect of leave at all. Canterbury is on the buzz-bomb path. It was only natural that Duffield should be disturbed to the point of desperation and wish to see his wife.

— Quote Minister's letter —

The second part of my plea deals with Duffields Crime sheet. I would like the court to disregard it from the following point of view.

His last four crimes are set out as follows.

Apl. 43 — 9 hours A.W.L. — not a serious offence.

Aug 43 — 10 days A.W.L. He had good reason for this offence since at that time he got married and was awaiting his wife's discharge from the Hospital and the WAAFs. on medical grounds

Dec 43 — Sold a pair of army gloves to a fellow soldier & H.C. A — might be done by almost anyone.

July 41 :- A.W.L less than 2 days - not a serious charge.

I submit that Duffield's crime sheet shows his intention of turning over a new leaf. His last four crimes are minor ones and widely spaced; and show a vast improvement over his record of one and a half years ago. At that time he was planning to get married and had decided that the best way to be a good husband was to be a good soldier too.

A cursory glance at his crime sheet does not show these facts up and Duffield has been rounded for a sheet which is really a year and a half old.

He is in the Holding Unit for 8 months - he is without leave - his wife is dying - he becomes thoroughly browned off - He goes A.W.L. with good reason - he returns and gives himself up properly dressed and sober (Summary of Evidence) - The C.O. reviews the case - sees the crime sheet and at once, "Court Martial" for an offence that would not normally require one.

I therefore ask leniency of this court to give Duffield a fighting chance to live down his record and become a useful member of the army again.

I hereby certify that as the Parish Priest of the R.C. Church of St. Thomas, Canterbury, I have known Mr. William Melling of 25 Thanington Road, Canterbury, for five years and testify that he is a man of good standing and reliable character. I also know his daughter, Mary, who was married to Sapper C. Driffield in this Church. For some time she has been suffering from bad health, had to be under hospital treatment as an "in" patient and was eventually discharged from the W.A.A.F. on grounds of ill health. I saw her discharge papers. I can therefore understand her husband's anxiety about her health.

I have known Spr.Duffin for some time and I will say that the man's character is good. He is a good soldier and well qualified as a sapper. He is at present employed as a DR and his work there is, I think, a little better than average. The accusedis a Scotchman by birth; he left Scotland in 1929 at the age of 18. He was up in Scotland on leave at the time of going AWL. He has a great many relatives there and he was around visiting them and the temptation to stay overtime could not be resisted, but he came back of his own free will and reported in the correct manner to the SqnSM. When he came back he was correctly dressed and clean and looked like a smart soldier.

Summary of evidence in the case of M-54552 Spr. Robert DUFFIN, 10th Field Squadron R.C.E., Canadian Army Overseas, charged with Absence without leave from 12 Sep to 5 Oct 42.

The Commanding Officer directs that the evidence be taken on oath.

First Witness

M-5151 L/Cpl Trotter, D.R., No. 7 Sec., No. 2 Tp, 10th Field Squadron R.C.E., sworn, states:

I was on the 12th of Sep 42 and was until 4 Oct 42 acting N.C.O. in charge of No. 7 Section, No. 2 Tp., 10th Field Squadron R.C.E. I am well acquainted with M-54552 Spr. Duffin, R. whom I recognize here as the accused who has been a member of my section for the past six weeks. At 1700 hours on the 12th Sep 42, knowing Spr. Duffin should have returned at this time from his third Privilege Leave I made a search of the lines and his billets and was unable to locate him. At tattoo roll call at 2300 hours 12 Sep 42 I called the roll of my section and the accused did not answer his name. I searched his barrack room and was unable to find him. I have called the roll on all subsequent parades of No. 7 Sec., No. 2 Tp., up to and including the 4th Oct 42, and at no time did the accused answer his name. I first saw the accused at 1730 hours 5 Oct 42 while he was under custody in the mess hall.

The accused declines to cross examine this witness.

Duffin, R., who I recognize as the accused, and who has been a member of my section for the past six weeks. I took over the command of No. 7 Section on the 5th Oct 42. L/Cpl. Trotter, D.R. informed me when I took over from him that Spr. Duffin, R. was absent. At 0630 hours, 5th Oct 42 I called the roll of my section and the accused did not answer his name. I did not see Spr. Duffin until approximately 1600 hrs., 5th Oct 42. He was in his barracks. I put him under close arrest on orders from Sqn HQ.

The accused declined to cross examine this witness.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans Not guilty .(5)

B5. The Summary of Evidence is marked Ex "H", initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). Third Witness.

I am 6135088 Pte Thorne, Wk. of No 8 sec. In the late afternoon of 19 Jan. the accused came in the section quarters. I could see that he had been drinking. I went out of the house and saw no disturbance at that time. The next time I saw ~~him~~ the accused was about 0300 hrs 20 Jan. He came in the room, pretty well drunk, and told everyone to shut up or he'd beat up the whole bunch of you. He did not strike anybody. Shortly after, he must have gone to sleep, as I heard no more until Pte Delamont was trying to wake him up at about 0500 hrs.

Question: Did you see the accused strike anyone, or threaten anyone with arms, during the whole of the unpleasantness on the afternoon of the 19th

Ans: No.

L/Pte W. Thorne No 2.

The accused declines to cross-examine the witness.

The accused is asked: "Do you wish to make any statement or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing."

but failed to do so, because he was "passed out".
I then took his guard. At 0200 hrs I told
the boys to let him sleep. At approx 0500
hrs, I came in and found the accused up. I
~~told him~~ placed him under open arrest. He
then said "Since I'm under charge, I might as
well make it a good charge". He threatened to fight
me, but I talked him out of it.

The accused declines to cross examine the witness.

Question: At 1630 hrs, 19 Jan, was the accused drunk?

Ans: No, but I could see that he had been imbibing.

Question: Did you see the accused strike Spr. Grafton?

Ans: I did not see the start, but I saw them sparring around.

Question: About 1630 hrs 19 Jan, and during the subsequent guard, in what manner was the accused threatening?

Ans: He did not lay hands on me, but he threatened to "get" me, and "get" my "freks". He recalled a previous charge I had made against him.

accused with it if he didn't stop hitting
me. Shortly afterwards, Sgt Alberton and I
~~returned~~ went away in the truck.

Question: What was the accused's condition?

he was shaky, but he took a few swipes
at me, and became unruly. W.G. Grafton

The Commanding Officer directs that the evidence be taken under oath.

1st Witness.

I am K 29340 Cpl Nott, D. D., second of No 8 Sec, 2 pl, and the accused's sec cmd.

On the 19th Jan 45, my sec took over the ISCOMANDER bridge guard. Our meal supply was low, and the accused offered to get the cook. That was at about 1500 hrs. He returned at approx 1600 hrs, in a fighting mood, and just prior to going on his guard at 1630 hrs, the relief arrived, with Spr Graptin & Sgt Atherton. A word & blow led by Sgt Atherton, a fight started between the accused & Spr Graptin. I tried to separate them, and got them to go outside. Spr Mac Elroy persuaded the accused to stop. Shortly after I asked the accused if he was ready to take over his post at guard. He replied that he had arranged for another sapper to do his guard. I told him that each sapper must do his own guard. He argued with me about this, and finally I told him to either take his post or refuse. He went to his post, voicing threats & continued to voice threats from the lorry which was nearby.

About 0330 hrs 20 Jan 45, I was awakened by noise from the room below, and I recognized the accused's voice and judged him to be under the influence of liquor. He was threatening everyone. Eventually everything quietened down. Next, I was awakened by Spr Delamont, shortly after 0530 hrs. He reported that he was unable to arouse the accused for his turn at guard. I then

Statement of the accused 11 5-45-52

Spt. Duffin, R.:—

I joined the army, 12 Feb 41, and stated a common law wife at that time. There were some difficulties arose as to whether she was entitled to dependents allowance, so I had an interview with a legal advisor. I explained to him our union and with his knowledge of army regulations, he informed me that my common law wife was entitled to dependents allowance. Since then there has been a good deal of trouble getting it thru, and finally the allowance was cut off. I made representation to my present OC and the OC previous to him. I received no information and could get no satisfactory explanation as to why it should be cut off. Only two weeks ago Lieut Reynolds have been the OC concerning the problem, and told me that the OC gave as his reason for the allowance being cut off was because she was working. This problem has been on my mind and has given me no end of worry.

23 January 41.

Proceedings of F.G.C.M. in the case of C4108 PTE. DUFFY, A.E., of the Hastings and Prince Edward Regiment. Court assembled at "Woodlands", Woodlands Way, Kingswood, Surrey on the 4th February 41.

Court is convened accordingly and the accused brought in to stand trial.

The Order convening the Court is read to the accused.

The accused was then questioned by the President of the Court.

Q. Have you any objections to the Order convening this Court, which you have just heard read?
A. No Sir.

Q. Do you object being tried by me as President of this Court or to any other members of the Court, whose names you have heard read out to you?
A. No Sir.

All members of the Court, including the waiting member and stenographer are duly sworn in; there being no objection by the accused that the waiting member be present at the trial.

The two charges and also the alternative charge is read out to the accused by the President of the Court.

The accused was then questioned by the President of the Court.

Q. On this first charge, which you have just heard read against you, do you plead guilty or not guilty?
A. I plead "not guilty" Sir, due to extenuated evidence.

Q. On the second charge against you, which you have just heard read out to you, do you plead guilty or not guilty?
A. I plead "not guilty" Sir.

Q. On the alternative charge against you, which you have just heard read out to you, do you plead guilty or not guilty?
A. I plead "not guilty" Sir.

At this point, the President of the Court stressed the fact to the accused that in the case of extenduating evidence on the first charge he, the accused, would either have to plead "guilty" or "not guilty", if the case was to proceed; otherwise adjourn until such times as the evidence can be produced.

Q. Do you wish to apply for an adjournment on the grounds of extenuated evidence?
A. No Sir. I am satisfied to proceed with the trial.

The accused, Private Duffy, elected to do without the services of a defending officer and was allowed to proceed in his own defence.

The accused wished to be tried on all three charges concurrently.

The Prosecuting Officer, Capt. L. Bethery, Hastings and Prince Edward Regiment didn't care to make an opening address and with permission of the Court, proceeded to examine the 1st. witness.

1st. Witness

Lieut. J. E. Morgan, of the Hastings and Prince Edward Regiment, is duly sworn, after which is questioned by the prosecutor.

Q. You are Lieut. J. E. Morgan, of the Hastings and Prince Edward Regiment?
A. Yes Sir.

KLS

Q. You are a platoon commander of No. 4 platoon of this Regiment?
A. Yes Sir.

Q. Do you know the accused to be No. C4108 Pte. Duffy, A.E. of this Regiment?
A. Yes Sir, I do.

Q. Now Pte. Duffy is charged with using threatening and insubordinate language to a superior officer on the 14th January 1941 and also conduct to the prejudice of good order and military discipline etc. on the same day. What, if anything, do you know about this case relating to these charges?
A. On the morning of January 14th., 1941, at about fifteen minutes after twelve, I, being orderly officer that night, heard a lot of hollering and shouting, etc., downstairs in the main hall. I went downstairs and investigated the matter. A number of troops were coming home from a dance. I noticed Private Duffy running about the hall, shouting and hollering about his greatcoat and his cap. I didn't say anything at the time. He continued to make a noise and because noisier, I then told the Guard Commander, Sergeant Stormer to place this man under close arrest, which he did. Later on I went back to the Orderly Room and went back to bed. Approximately half-an-hour elapsed when Private Duffy came into the room, switched on the lights, grabbed me by the feet and said, "I'm looking for Mr. Morgan". I said, "Thats me". The accused said, "Well, I want to know why I was placed under close arrest". I said to him, "For creating a disturbance". He then said, "If you get up and come outside, I'll show you whether you can put me under close arrest or not". I told him then to get out. He started to go up the second flight of stairs and he hollered, "I'd like to talk this thing over" and then said, "You go fuck yourself".

Question by Prosecuting Officer:

Q. How far was he away from you when he said this to you?
A. About from here to that wall. (about twelve or ten feet).

Lieut. Morgan continued:

When I heard that remark, I turned around and he said to me again, "Go fuck yourself". Before that time, Sergeant Stormer came out of his room which is under the first flight of stairs. It was somewhat of a struggle in getting this man upstairs and I noticed that a railing in the banister had been kicked out.

Question by Prosecuting Officer:

Q. How do you account for this railing being kicked out?
A. It was behind the two men that were escorting Duffy.

Q. Was anybody notified in connection with this disturbance?
A. I went by the Battalion Headquarters Detention and told them to send over an R.P. (regimental policeman), which they did.

Prosecutor finished examining the 1st. witness.

President of the Court questioned the accused:

Q. Do you wish to cross-examine the 1st. witness, Lieut. J.B. Morgan?
A. Yes Sir, I do.

Accused questions Lieut. J. B. Morgan, 1st. witness:

Q. Mr. Morgan, you admit that on the night of 14th January 1941 you placed me under close arrest?
A. Yes.

Q. What was the nature of the disturbance down in the hall that made

Q. (cont'd).

you think that I should be placed under close arrest?
A. You were shouting and hollering, etc. and continued to do so.

Q. You knew that my greatcoat and respirator had been stolen?
A. That is what you were making the noise about.

Q. At the time of my arrest, did I see you and did I come in contact with you?
A. That I don't know. I seen you.

Q. There were quite a number of fellows coming in the door with me wasn't there?
A. Yes, there were.

Q. At the time of my arrest, where did you have the two guards take me?
A. I did not have them take you any place. I told the guard commander to put you under close arrest. Where you are put is up to him.

Q. Are you aware of the fact that the guards took me up to my room?
A. Yes.

Q. When I went into the Orderly Room and asked for you, you said, "I'm right here". You then said that I was put under close arrest for being drunk and disorderly?
A. No.

Accused: "But you stated so in your summary of evidence?"

Q. Mr. Morgan, did you say, "for being drunk and disorderly" or "creating a disturbance after tattoo"?
A. For creating a disturbance. You had a midnight pass.

Q. The only crime then was just "creating a disturbance"?

This question was ruled out by the Court.

Q. How many times did you state that I said to you, "Go fuck yourself"?
A. Twice.

Q. Where was Sergeant Storner at the time when I said to you, "Go fuck yourself"?
A. He was right at the foot of the stairs that you were going up.

Q. I started up the stairs and went to my room and you say I kicked out the banister?
A. I said the banister was kicked out but I didn't say you did it.

Q. Did I object to the two guards for taking me up to my room?
A. That I couldn't say.

Q. I never said anything more to you after I started up the stairs?
A. Not that I know of.

Q. Was it not possible that the banister had been kicked out by one of the guards escorting me up to my room?
A. It might have been you or one of the guards.

Accused to the President:

That is all Sir.

Prosecuter questions 1st. Witness, Lieut. J.S.Morgan:

Q. At the time Private Duffy came into the Orderly Room, was he in such a condition as to say he was staggering?
A. No sir, he was not staggering.

JCS

The prosecutor calls on the 2nd. witness, Sgt. Cornish, A.E.

2nd Witness:

Sgt. A. E. Cornish, after having been duly sworn, is questioned by the prosecuting officer.

Q. You are Sergeant A. E. Cornish of the Hastings and Prince Edward Regiment?
A. Yes Sir.

Q. I understand that you are in charge of the regimental police of this unit?
A. Yes Sir.

Q. Do you know the accused, Pte. Duffy?
A. Yes Sir, I do.

Q. Pte. Duffy is charged with using threatening language to a superior officer. What, if anything, do you know about this case, relative to this charge?
A. As regards to this charge, on the 14th January 1941 at 0145 hrs. I received instructions to proceed to Headquarters, which I did. I found the guard commander and asked him where the man was he said was to be placed under close arrest. He said he was in the barrack room asleep. We proceeded to the barrack room and I awakened Private Duffy and told him that he was under close arrest. He immediately got up out of bed, put on his clothes and I took him back over to the Battalion Headquarters Detention Room, as instructed.

Prosecutor questions the 2nd witness:

Q. Did you have any conversation with Private Duffy at that time?
A. No Sir, just casual talk. No conversation relating to this trial.

President of the Court questions the accused:

Q. Do you wish to cross-examine this witness?
A. Yes Sir.

Accused questions Sergeant Cornish:

Q. Where did you find me when you came to arrest me?
A. Right in bed.

Q. During my conversation with you, when we were going from Headquarters to the Battalion Headquarters Detention Room, did you notice that I was intoxicated and not in a sensible frame of mind?
A. Well, I wouldn't state you were. You had been drinking but you knew what you were saying.

President of the Court desires no further information from this witness.

Prosecutor to the Court:

I have only one other witness, Sgt. Storey, who is at present in the hospital.

President of the Court: adjourned the court at 1106 hrs. 4 February 1941, awaiting further evidence for the Prosecution.

Evidence given by accused NS 5 & C

PLEA- - Not guilty due to extenuating circumstances.

First of all Sir, I wish to prove to you that at the time of my arrest I was under the influence of liquor. Proof of this is contained in the fact that at the time of my arrest for using threatening language and insubordination (the charges that I am now being tried on) I was also charged with drunkenness and since that time have been taken up, found guilty and punished with a fine of $10.00 by the C.O. of my regiment. May I repeat again that at the same time as I was charged with the crimes that I am now being brought up on, I was also charged with drunkenness, have been taken up, found guilty and punished. Therefore my guilt of drunkenness at the time of committing these crimes cannot be disputed. In spite of this fact I was brought up on the charge of insubordination and using threatening language which according to Art. 47 Chapter 111 of M.M.L. is the improper charge. In this article it states "that mere abusive and violent language used by a drunken man as a result of being taken into custody should not be used as a grounds for framing a charge of using threatening and insubordinate language to a superior officer." Therefore it would seem that the charges against me were improperly laid. ~~Now with your permission, would like to have Mr Morgan take the~~

NS.

As to Mr Morgans' statement that I said to him "Go fuck yourself" Mr Morgan admits that at the time this statement was made he was standing in the Orderly Room door, whereas I was going upstairs which would necessitate my back being towards him and also my escort was between Mr Morgan and myself. Besides this from the relative position of the Orderly Room door to the stairs, it would be very difficult for anyone to even see a person going up the stairs from the door. Is it not possible Sir that this statement was not made directly to Mr Morgan but merely as an expression of disgust because on being asked to repeat it by Mr Morgan I did not do so showing that it was not meant with the actual intentions of insubordination.

May I now refer you Sir to Art. 451 of K.R.& O which deals with the proper procedure of placing a private soldier under close arrest. It states that when a private soldier is placed under close arrest, he will be placed in the barrack guard room, all weapons etc. taken from him, or if this is not possible, should be placed under guard. In my case Sir this was not done as is shown in the summary of evidence which you have in your possession. The procedure that was used in placing me under close arrest was by being escorted to my room by two guards who informed me that I had been placed under close arrest for creating a disturbance after tatoo. At this point they left me at my liberty to wander around the barracks. It is not my intention Sir, of bringing this evidence forward merely to show someone elses mistake, but to show the court that every opportunity was afforded me of going to Mr Morgan or any other superior officer and bringing upon myself the more serious offense, while under the influence of liquor, whereas if I had been placed under guard or in the detention room which was the proper method, it would have been impossible for me to come in contact with Mr Morgan while drunk and therefore would not have subjected myself to the charges for which I am being tried today.

NS

President: You have heard all the witnesses, we can hear your summing up of evidence. We can hear Mr. Davidson on his behalf later. Do you wish to go ahead with summing up.

Prosecution: Yes. This charge is laid under A.A. 8 (2) I submit that the evidence shows that the accused did in fact use threatening language to a superior officer.

In Note (3) to A.A. 8 it states that the court should be satisfied that the accused knew the person with respect to whom the offence was committed to be a superior officer.

In Note (5) to this section it states that the words used must be with insubordinate intent, I submit that they were in that Mr. Morgan was Duty Officer on duty at the time and had issued an order that was disobeyed and insubordinate language used to further aggravate.

If by his defence the accused would have the court think that the words used were not intended to be overheard, and thus seek to nullify the offence, the evidence shows that the words were used once, and either used a second time, or the words "you heard me" were used in such a manner that there can be no doubt that the accused intended them to be heard by the officer concerned.

The accusedmay say that under Chapter 3 Sec. 47 he used the language complained of while drunk and therefore there were no grounds for C.M. charge, however Sec. 48 states that it is a principal of English law, that drunkeness is no excuse for crime, also Lt. Morgan, who in his former civil avocation was connected with the police and is well qualified to judge whether a man is drunk or not, states, that the accused was not so far under the influence of drink that he was incapable knowing what he was doing or saying. Further if the accused were to be let off lightly because it was considered that he was to any degree under the influence of liquor, the a precedent would be established by which any soldier, who planned to be insubordinate in any way to any officer would only have to go out and get drunk, then commit the offence, and escape punishment because he had the forethought or cunning to get intoxicated before commiting an offence.

The accused also tried to convince the court that as under Chapter 5, Sec. 71 the language used was a mere expletive thrown out in a moment of irritation, but I submit that the summary of evidence shows that it was a planned thing, that the accused may have drunk too much to start with, that the putting him under a restraint sobered him up and then as he thought about it, he suffered from a persecution complex, the more he thought about it the more angry he became and worked himself up to such a pitch that he came out of his room and went into the orderly room for the express purpose of having it out with Mr. Morgan, and when the officer rightly refused to discuss the matter uhtil morning he became more angry, and deliberately offered insult by the way of threatening and insubordinate language, because he had been frustrated in his desire to convince

HKS

the officer that he shoud not be under arrest.

The accused states he wasn't placed under arrest properly but I submit that it has no bearing on the fact that all he had to do was to submit to arrest and when he was brought up before Major Sutcliffe, acting Commanding Officer of this regiment, he could have complained. His evidence doesn't show he made any complaint of being placed under arrest by wrong procedure.

President: You may make a statement in reply. Have you anything to say.

Defendent: Yes.

President: You may bring in no fresh evidence.

Defendent: He states that there was a minor article of wrong procedure the reason was that I was drunk and disorderly. Mr. Morgan naturally laid the charge. I came up under three charges of drunk and disorderly and I was given a fine of ten dollars which I think leaves no loop hole in the fact that I was drunk

Mr. Morgan said I was under close arrest which I was later, but he let me go up to my room while I was still under the influence of liquor. I lay on my bed and smoked a cigarett and wondered why I was placed under arrest. The guards didn't stay with me.

President: Can you clear up this point? HLS

Prosecution: Due to the fact that the companies are in billets it is difficult to find proper space for a detention barracks in each company area.

Defendent: There is a guard room convenient to the billets. Up to that time I had only committed one crime. If they had used the proper procedure I wouldn't be here before you to-day. As it is I have been under detention for 55 days scrubbing floors and suffering that humiliation. I feel that I am right and not responsible directly and wouldn't be before you to-day if the proper procedure had been used.

President: Have you anything to add HLS

Prosecution: Two observations. The officer concerned may have and did think he was giving the accused a chance in not putting him under arrest on account of his former convictions. The accused states that he lay on his bed smoking and thinking which merely proves that he planned to go down and have it out with Mr. Morgan and he perhaps had a persecution complex.

I do not think that liberty is any excuse to commit the offence.

President: The court will be cleared.

President: The court will assemble

President: Have the statement as to character and particulars of service of the accused.

The following statement of character and particulars of service was read by the Adjutant of the Hastings and Prince Edward Regiment, Capt. C.S. Nickle.

Evidence of witness for defence: Lieut R.L. Davidson, Platoon Commander, No. 2 Pl. Hast. & P.E.R. states:

I took over No. 2 Platoon on December 24 and before that of course I didn't know Pte. Duffy as I came from "A" Coy.

I have found Pte. Duffy always willing to take an order promptly, his appearance is always the best and he has been a very good soldier. That is all, Sir.

Plea in Mitigation

Defendent: On the 14th of January, in the morning, at 0200 hrs I was placed in detention and 2 days later I was brought up. I was convicted on one charge and remmanded for an F.G.C.M. on the other two.

Since that time, Sir, I have spent 55 days in detention. That report says 53 but I think it is 55. I have gone through the humiliation of being detention. It isn't very nice having to scrub floors and so on and I feel that I have suffered enough for any crime that I have committed.

Summary of Evidence in the case of C.4108 Pte. Duffy, A.E. the Hastings & Prince Edward Reg't C.A.S.F. 6

By direction of the Commanding Officer this summary of evidence is taken on oath.

First Charge
1st. Witness for the Prosecution

Lieut. J.B. Morgan, Pln. Comdr. No. 4 Pln. Hast. & P.E. Reg't having been duly sworn states:

I am Pln. Comdr. No. 4 Pln. Hast. & P.E. Reg't.
At Wynthurst Manor on the morning of 14 Jan. 41 at approximately 0045 hrs. Pte. Duffy burst into the H.Q. Coy. Orderly Room, turned on the light, took a hold of the end of the bed apparently thinking that I was asleep, and he was going to wake me up, saying that he was looking for Mr. Morgan. I said, "What's me right here". "Why did you come in here in this manner"? Pte. Duffy said, "I want to know why I was put under close arrest". I said "For being drunk and disorderly, now get out of here and get back upstairs to bed". Pte. Duffy said "Come outside and I'll show you whether you can put me under close arrest or not". "I will not go to bed until I've got this straightened out". I said "I am not talking to you to-night - go to bed. I will deal with this in the morning". By this time we were at the door of the Orderly Room, where Pte. Duffy started to argue. I told him once more to get upstairs to bed. Pte. Duffy then said "You go fuck yourself". He had started up the stairs to his room. Having evidently made this remark behind my back which I overheard, I asked him again "What was that you said"? Pte. Duffy said, "You heard me, go fuck yourself". At this time Sgt. Strobe appeared at the top of the stairs with two men, so I told him to take Pte. Duffy upstairs and to keep him quiet, which they did, but on the way up he kicked out a railing in the bannister and was very noisy, doing a lot of shouting and talking and continued to do so until the Regt'l Police arrived.

Q.1. Did the Regt'l Police take Pte. Duffy to Bn. H.Q. Guard Room then?
A.1. Yes, they did.
Q.2. What time was it when the Police took Pte. Duffy?
A.2. About 0130 hrs. but I don't know for sure if it was Pte. Duffy who made the noise that was going on after he went upstairs.

The accused cross-examines the witnesses.

Q.3. Sir, How many times did I tell you to go and fuck yourself?
A.3. Twice.
Q.4. Sir, Would you say I was intoxicated beyond reasoning at the time I was put under close arrest and during my conversation with you?
A.4. At the time he was put under close arrest, he was put under arrest for creating a disturbance after tatoo. At the time of our conversation I noticed that he had been drinking but in my opinion he was not drunk beyond reasoning.
Q.5. Did I tell you to go fuck yourself while you were down at the first landing?
A.5. No.
Q.6. Where was it?
A.6. I was standing in the door of H.Q. Orderly Room.
Q.7. Did I not say to you, when you asked me, after you had descended the first flight of stairs, "What did I say?
A.7. No.
Q.8. I said, "You heard me" but I did not repeat "go and fuck yourself, at least not to my knowledge.
A.8. Pte. Duffy did say "go fuck yourself".
Q.9. Do you remember the exact position that I was in upon being escorted up the stairs on the way to my room?
A.9. No.
Q.10 Do you say that I kicked that railing out of the bannister intentionally?
A.10 No.
Q.11 Do you know definitely if I was the cause of the disturbance, after being escorted to my room?
A.11 No.

J.B. Morgan (Lieut.)

2nd. Witness for the Prosecution

Sgt. A. Storms. A/C.S.M. of H.Q. Coy. Hast. & P.E. Regt. having been duly sworn, states:

I am the Acting Coy. Sgt-Major of H.Q. Coy.
At Mynthurst Manor on the morning January the fourteenth I heard a disturbance in the hallway. I came out of my room and Mr. Morgan was standing at the H.Q. Coy. Orderly Room door, and Pte. Duffy was part way up the stairs. I heard Pte. Duffy say "Go fuck yourself" and Mr. Morgan said "What was that you said" and Pte. Duffy said "You heard me."

Q.12 Did you hear Pte. Duffy tell Lieut. Morgan to go and fuck yourself - once or twice?
A.12 Once.

The accused cross-examines the witness.

Q.13 Where was Mr. Morgan and myself standing, when you appeared on the scene?
A.13 Mr. Morgan was standing at the Orderly Room door and Pte. Duffy had started up the stairs but I couldn't swear how many steps.
Q.14 Was it then that you heard me tell Mr. Morgan to go and fuck himself?
A.14 Yes.
Q.15 When Mr. Morgan asked me to repeat myself after he had left the Orderly Room door, did I say "You heard me", or did I say "You heard me go fuck yourself?
A.15 I am only prepared to swear that I heard Pte. Duffy say it the once.
Q.16 Did I make any unnecessary noise outside of conversing with the guards while ascending to my room?
A.16 Loud talking to the guards.
Q.17 Was I threatening to resist being put to bed while talking to the guards, or was I discussing with them about my respirator, greatcoat, soft cap being stolen at the dance from which I had just come home, or insulting Mr. Morgan - the guards or yourself?
A.17 I turned to go in my room, so I don't remember.
Q.18 Did you hear or see Pte. Duffy kick out the railing?
A.18 I heard someone kick the railing but I didn't see Pte. Duffy do it.

3rd. Witness for the Prosecution.

Sgt. A.E. Cornish, Regt'l Provost Sgt, Hast. & P.E. Regt., having been duly sworn, states:

I am the Sgt. in charge of the Regt'l Police of the Hast. & P.E. Regt. At Ravensleigh, Bn. H.Q. I received a message on the morning of the 14-1-41 at about 0125 hrs. to say that there was a disturbance at H.Q. Coy. Myself and two of my men proceeded to H.Q. Coy. by truck. I arrived at H.Q. at about 0215 hrs. I am not very sure of the exact time. I met the Sgt. of the Guard, asked him what was the matter, he told me Mr. Morgan had placed Pte. Duffy under close arrest. Upon asking him where Pte. Duffy was he said he was in bed, sleeping. I proceeded to Pte. Duffy's room and woke him up. He asked me if he was under close arrest and I told him "Yes". He got right up out of bed, dressed himself, and we proceeded to Bn. H.Q. where I locked him up in detention

Pte. Duffy cross-examines the witness.

Q.19 Did I make any resistance or threats of not going along with you after awakening me and on our way to the detention room at Bn. H. Q.?
A.19 No.

Proceedings of F.G.C.M. (D) against Pte Duffy
A. E., C 4104 on 11 Apr. 45.

Statement by accused

I the accused Pte Duffy A. E. C 4104 make the following statement:

When I was on the advance party approximately 18 miles from a friend of mine whom I intended to visit I should have asked for permission before going. Although admitting this I do not believe I can be fairly charged for being A.W.L. for 2 days 1½ hrs. but at the most for 6 hrs for this reason - I was given the above by the Military Police at the scene of an accident I had with my vehicle whether I wished to go with my vehicle to the repair shop or be taken back to the base. I chose the former because of the equipment in my truck and the desire to be with it. I do not feel that I should be ~~prolonged~~ charged for the above which was made 6 hrs after leaving camp.

Qrs by court. (2)

Qrs 1 Did you endeavour to inform your unit of your location?

Ans — Yes sir. I asked the M.P. to inform my unit.

B1. The President ~~or JA, if any~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans YES .....(5)

Part I of the Schedule is amended accordingly.~~

B4. On the charge(s) to which the plea(s) of Guilty ~~is~~ (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A , initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans ..... Do you intend to call witnesses on your behalf ? Ans ..... Are they witnesses as to character only ? Ans .....

PROCEEDINGS OF FGCM AGAINST PTE DUFFY, A.E., C-4108 on 11 Apr 45

STATEMENT BY ACCUSED

I, the accused, Pte Duffy, A.E., C-4108, make the following statement:-

When I was on the advance party approximately 18 kilos from a friend of mine which I intended to visit I should have asked for permission before going. Although admitting this I do not believe I am being fairly charged for being AWL for 2 days 1½ hours, but at the most for 6 hrs for this reason - I was given the choice by the Military Police at the scene of an accident I had with my vehicle whether I wished to go with my vehicle to the repair shop or be taken back to the bn. I chose the former because of the equipment on my truck and the desire to be with it. I do not feel that I should be penalized for this choice which was made 6 hrs after leaving camp.

Ques by Court

Ques 1. Did you endeavour to inform your unit of your location?

Ans Yes sir, I asked the M.P. to inform my unit.

E.1 - EVIDENCE AS TO CHARACTER Re:C-4108 Pte DUFFY, A.E.

To Whom it May Concern:

I have known Pte Duffy for the past two and half years, and found him a capable soldier. He came through the Sicilian Campaign and till this occasion did his job well and was dependable. Since my regime as HQ Coy Commander I had no trouble with Pte Duffy and he did a good job for me. Causing no trouble and kept his vehicle in A-1 condition. This action on his part was hard to believe.

OC Hdqs Coy

Accepted by Court - Capt S.R. Walker absent on duty

PLEA OF MITIGATION ON BEHALF OF C-4108 Pte DUFFY A.E. of HQ Coy HPER, a soldier of the Canadian Army placed on Active Service Overseas.

The following points, it is felt, should be submitted to this Court as they are to the credit of the accused; one, he joined among the earliest of active men in September 1939, two, he landed among those in SICILY as early as August 1943, and three, during the whole of his time in ITALY he had no crime written against him in his MFM.6

Respectfully submitted

E.2

"C G Case" Lieut
HPER, CAO

Summary of Evidence in the case of C4108 Pte Duffy, A E of HQ Coy, HPER a soldier of the Canadian Army placed on Active Service Overseas, CMF.

By order of the Commanding Officer this Summary of Evidence is taken on on oath.

1st Witness for the prosecution

Lieut C R Bird, Transport Officer of the HPER having been duly sworn states.

I am Lieut C R Bird, Transport Officer of the HPER. On the evening of the 25th of February 1945 the HPER moved into a concentration area. The vehicles were assigned to a car park. At approximately 1030 hrs 26th of February 1945 after Sjt Fleming had made a check of all vehicles in the car park he informed me that Pte Duffy was AWL and that his vehicle No L5927326 was missing. I made a thorough search of the immediate area and I had the Sjt of the Regimental Police make a search of the towns in the surrounding area but these searches were of no avail. Pte Duffy had no permission whatever to leave the area or to take his vehicle from the car park. All drivers had been warned that they were confined to barracks and that they could not move a vehicle from the car park without written authority.

The accused declines to cross examine the witness.

2nd Witness for the Prosecution

Capt S R Walker, OC of HQ Coy, HPER, having been duly sworn states:

I am Capt S R Walker, OC of HQ Coy, HPER. On 28th of Feb 45 I was appointed by my commanding officer to go to Ortona and pick up Pte Duffy, who was AWL and to make arrangements for the repairs of his vehicle No L5927326. When I arrived at the Workshop where the truck was I found Pte Duffy with his vehicle. This was at approximately 1200 hrs. At this time Duffy related to me how the accident occured stating that he was making a level head onto a Bailey Bridge and that the steering of the truck was stiff thus failing to make the turn onto the bridge. After making arrangements with the Workshop I brought Duffy back to camp with me and he was placed under arrest.

The accused declines to cross examine the witness.

The accused was cautioned "Do you wish to make any statement or give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

The accused declines to make any statement or to give evidence.

Certified that Rules of Procedure 4 (c)(d)(e) and (f) have been complied with.

Taken down by me in the presence and hearing of the accused this 7th day of April 1945.

Reporting Officer.

This accused has been a good soldier and has a clean crime sheet — no crime at all since he has been O.S.

He is now 21 yrs of age and has been with the Army for 3 yrs. He has attained his manhood actually in the Army.

He is has been a good soldier in action, has carried out his duties

On night of 9 August when Offence Trooper Hall, the accused had been drinking in Act 2 area Holland Tce. Local activities hereabouts very few. After a few drinks he thought of more social activity. The Regt International entered Great Parade - Rolled away. The International pub had all left. He decided that any vehicle would be a International one. He took the vehicle and drove it 70 or 80 kms. along canal and drove it in. He was alone. He was severely wounded. He spent 11 days in hospital.

He did not want to steal vehicle but get somewhere for refreshments by means of same.

A Court will take each of his ages, his services in action, his character in civilian life and not be too severe in passing sentence.

Summary of Evidence

2/9 Aust Armd Recce Regt (S Aust R)

The Commanding Officer directs the evidence be taken on oath:

FIRST WITNESS

#102261 Spr Mc Eachern JC having been duly sworn states:

I am #102261 Spr Mc Eachern JC and on 5 Aug 45 I was on guard at the gate of Regt HQ 29 Cdo Armd Recce Regt. At approx 2100 hrs 6 Aug 45 I was standing at my post at the gate when a jeep approached me from the vicinity of the house - that is leaving the Regt HQ area. I signalled the jeep to stop in order to carry out my duty of checking the work tickets. The vehicle did not slow down and I was forced to jump out of its path in order to avoid being struck down. I then saw it disappear down the road.

Q Could you identify the jeep as it passed?

A I remember that it had a yellow gas can on the back and I caught a glimpse of the driver. Spr Duffy

Q When did you next hear anything of the incident

A At about 2145 hrs when Sgt 184636 Sgt Halsey and AC came in the gate and told me Spr Duffy had been in an accident at Raalte with a jeep.

J-6 Mc Eachern

The accused declines to cross-examine the witness.

SECOND WITNESS

Supervisor hS Elliot CAWS 9Cdn Fd Sqn RCE having been duly sworn states:

I am Supervisor hS Elliot CAWS and on 5 Aug 41 between 2000 hrs and 2100 hrs I was standing by my HVP on the marketstreet roadway between the market Square and the scene of the accident. A dutch civilian told me there was a Canadian soldier in the canal. I drove immediately to the canal. When I arrived there I saw a large crowd of civilians had gathered. I saw a jeep in the canal partly submerged in the water and a soldier lying face downward on the bank. Civilians who apparently had taken him out of the water were attending him. I dispersed the crowd and ~~took a note~~ taking note of the situation I observed that the Tactical number on the veh was 15. The soldier was semi-conscious. He knew that he could move his arms and legs and that his hair was being pulled. I asked him how he felt internally and he replied that he was ok but could not see. I noticed that his left eye was badly swollen and that his face was covered with blood. I recognize C M10039 Spr Duffy SC ~~whom~~ as the soldier who was injured. A Sgt of the SAHs ~~he~~ arrived and asked me if I knew the unit to which the soldier belonged. I pointed out the tactical number on the veh. The Sgt stated it was from his unit. I then asked him to take charge which he did and I departed having previously sent for a medical Officer.

Q Would it be possible to name any of the civilians who had seen the accident?
A No, there were too many present talking profusely in Dutch

hS Elliot Spr CAWS

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement ? Ans. No Sir.(5)

SUMMARY OF EVIDENCE
in the case of

M107039 Trooper Jack Charles DUFFY
29 Cdn A rmd Recce Regt (S Alta R)

CHARGE: AA Sec 40

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS: M102261 Tpr McEachern J C, 29 Cdn Armd Recce Regt (S Alta R), having been duly sworn, states:

I am M102261 Tpr McEachern JC and on 5 Aug 45 I was on guard at the gate of Regimental HQ 29 Cdn Armd Recce Regt (S Alta R). At approximately 2115 hrs I was standing at my post at the gate when a jeep approached me from the vicinity of the house, that is, leaving the Regimental HQ area. I signalled the jeep to stop in order to carry out my duty of checking work tickets. The vehicle did not slow down and I was forced to jump out of its path in order to avoid being struck down. I then saw it disappear down the road.

Cross-examined by the Court

Q.1 Could you identify the jeep as it passed?
A.1 I remember that it had a yello w gas can on the back and I caught a glimpse of the driver, Tpr Duffy.

Q.2 When did you next hear anything of the incident?
A.2 At about 2145 hrs when L84636 Sgt Halkyard AE came in the gate and told me Tpr Duffy had been in an accident at HAALTE with a jeep.

The Accused declines to cross-examine this witness.

SECOND WITNESS: Supervisor M S Elliot, CLWS att 9 Cdn Fd Sqn RCE, having been duly sworn, states:

I am Supervisor M S Elliot CLWS and on 5 Aug 45 betweem 2000 hrs and 2100 hrs I was standing by my HUP on the Marketstraat midway between the Market Square and the scene of the accident. A Dutch civilian told me there was a Canadian soldier im the canal. I drove immediately to the canal. When I arrived there, I saw a large crowd of civilians had gathered. I saw a jeep in the canal partly submerged in the water and a soldier lying face downwards on the bank. Civilians, who apparently had taken him out of the water, were attending him. I dispersed the crowd and taking note of the situation I observed that the tactical number of the vehicle was "45". The soldier was semiconscious. He knew that he could move his arms and l legs and that his hair was being pulled. I asked him how he felt internally and he replied that he was OK but couldn't see. I noticed that his left eye was badly swollen and that his face was covered with blood. I recognise M107039 Tpr Duffy JC as the soldier who was injured. A Sgt of the RAFs arrived and asked me if I knew the unit to which the soldier belonged. I pointed out the tactical number on the vehicle. The Sgt stated it was from his unit. I then asked him to take charge, which he did, and I departed, having previously sent for a Medical Officer.

Crossx-examined by the Court

Q.3 Would it be possible to name any of the civilians who had seen the accident?
A.3 No, there were too many present talking profusely in Dutch.

The Accused declines to cross-examine this witness.

Plea in Mitigation by Defending Officer. "EEW"

The accused has been a good soldier and has a clean crime sheet no crime at all since he has been OS. It is not 21 years of age and has been in the army for 3 yrs. He has attained his manhood actually in the amy. He is has been a good soldier in action. has carried out his duties. On nite of 5 Aug 45 when offence took place, the accused had been drinking in SHQ area Holland Gin. Social activities here are very few. After a few drinks he thought of more active social activity. The Regt recreational centres are at Halle - 20 km away. The recreational veh had all left. He decided that any vehicle would be a recreational one. He took the vehicle and drove it 7 or 8 kms along canal and drove it in. He was alone. He was seriousaly injured. He spent 11 days in hospital. He did not want to steal vehicle but get somewhere for recreation by means of same. I hope court will take account of his age, his services in action, his purpose in stealing vehilce and not bee too severe in passing sentence.

Dated at Bordon,

day of Nov., 1941.

To be tried by Field General Court Martial

(F.R. Phelan) Brigadier

This 13th day of Nov 41.

H-24119, GNR J.F. DUFFY, No. 1 CAMU
C- 5685, GNR W.J. BUTCHER, do.
C- 5686, GNR. E. PESTEL, do.

Tried by Field General Court Martial at BORDON, Hants. on the 18th day of November, 1941.

The order convening the Court, the charge sheet, summary of evidence and medical certificates are laid before the Court.

The Court satisfy themselves as provided by R.P. 22 & 23.

The accused are brought before the Court.

Prosecutor: Lieut R.M. Evans, No. 1 CAMU.
Defending Officer: Lieut. S.B. Shepe, No. 2 CAMU.

At 1100 hrs the trial commences.

The order convening the Court is read, signed by the President, and attached to the proceedings.

The names of the President and members of the Court are read over in the hearing of the accused, and they severally answer to their names.

Q1. Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1. DEFENCE: No, sir.

The President, members and Judge Advocate are duly sworn.

The officers under instruction are duly sworn.

Q2. Do you object to No. S-66985, Sgt. T. Byburn, R.Regt.C., acting as shorthand writer?
A2. No, sir.

The shorthand writer is duly sworn.

The charge sheet is signed by the President and annexed to the proceedings.

The accused are arraigned upon each charge in the above mentioned charge sheet.

Q3. Are you guilty or not guilty of the first charge against you, which you have heard read?
A3. DEFENCE: Not guilty.
Q4. Are you guilty or not guilty of the second charge against you, which you have heard read?
A4. DEFENCE: Not guilty. There is some question whether the plea on the first charge covers the second one or not.

JUDGE ADVOCATE: If they had pleaded guilty to the first charge it would have been within the power of the prosecutor to withdraw the second charge, but as they have pleaded Not Guilty to the first charge the second one must be proceeded with.

Q5. THE COURT: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?
A5. DEFENCE: We are moving for an adjournment on the grounds that the officer detailed this morning as prosecutor has had a hand in the defence and has knowledge of certain facts in the strategy of the defence, and as such it would be prejudicial to the accused to proceed on the

present basis. Lieut Langille, the legal officer at No 1 CAHU, is ill and cannot be here, so I would ask for an adjournment so as to enable Lieut Langille to act as prosecutor and not Lieut Evans.

THE COURT: The Court allow the defence motion, and this trial will be adjourned until a time to be set by the Court.

AT 1115 HRS THE COURT ADJOURNED SINE DIE.

ON THE 25th DAY OF NOVEMBER, 1941, AT 1000 HRS, THE COURT REASSEMBLE, PURSUANT TO ADJOURNMENT: PRESENT: THE SAME MEMBERS AS ON THE 18th DAY OF NOVEMBER, 1941.

The accused are brought before the Court.

Prosecutor:- Lieut. G.C. Langille, No 1 CAHU.
Defending Officer:- Lieut. S.H. Sheps, No 2 CAHU.

Q6. THE COURT: The last time the court sat the charges were read to you and you each pleaded Not Guilty to the first and second charges. Do you wish to change your pleas?

A6. ALL ACCUSED: Not Guilty to the first charge, sir.

Q7. And the second charge?

A7. Guilty to the second charge, sir.

Q8. Perhaps I had better start over again if you are going to change your pleas. I will read the charge sheet again.

The accused are again arraigned upon each charge in the above mentioned charge sheet.

Q9. Are you guilty or not guilty of the first charge against you, which you have heard read?

A9. ALL ACCUSED: Not Guilty.

Q10. Are you guilty or not guilty of the second charge against you, which you have heard read?

A10. ALL ACCUSED: Guilty.

The accused having pleaded Guilty to the second charge, the provisions of R.P. 36(2) are here complied with.

Q11. Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?

A11. No, sir.

PROSECUTOR: I think the case will unfold itself as the witnesses are called, so I won't make any introductory remarks.

1st witness for prosecution) LIEUT. H.P. THOMSON, No. 1 Canadian Artillery Holding Unit, being duly sworn, is examined by the prosecutor:-

Q12. Give the court your rank, name and unit, please?

A12. I am Lieut H.P. Thomson, Mess Sec'y, St Lucia Officers' Mess.

Q13. Do you recognise the accused men?

A13. Yes, they are Gnr Duffy, Gnr Butcher and Gnr Postel.

Q14. These soldiers are charged with the theft of a cash box and contents. Will you tell the court the story connected with this: how you came upon it?

A14. It happened after the bar closed on the 31st of the month, and our usual routine is that the auditors come in then and check everything, check our cellar stock, bar stock and cash after the day's business at the end of each month. On this particular occasion we had been working in my office for some little time until about quarter after 11 or something like that on the 31 Oct 41. The auditor and I went down to the basement to check the cellar stock. We left our office, went

L.G.P.

out of the door into what we call the "glass room," which is an adjoining room where the stairs lead to the basement: it is only a one room basement specially designed for the storage of beer and spirits and other things. On our way through there the lights were lit. We proceeded to take an inventory of our stock there, and I had occasion to come up to our office for some papers, and on coming up through that room I noticed the light was out.

Q15. What time was that?

A15. Between 11.15 and 11.30, but I am not sure of the exact minute. The room was so situated that there was a table like here (indicating), with two iron trestles and a sink over there, with a passage between. On coming up, one of these trestles was across this passage and I naturally stumbled into it in the dark: I thought it odd at the moment and then I turned the light switch on and there was no bulb in the socket. Then I got suspicious that something was wrong. When I got into my office the cupboard door was open and the cash box was missing. It is possible I had left the cupboard door unlocked because I had been in there several times during the evening: the cash box is kept on a shelf in the cupboard and the door is locked with a hasp and a padlock. When I discovered the cash box was gone, I knew the C.O. was in the billiard room, and I was on my way to my room to get a torch to look around and see if I could find any sign of anybody who had taken the cash box. I reported to the C.O. that the cash box was missing and I went into my room to get a torch and then decided to look in the back area. I quickly assumed if anyone had taken it and were trying to get away they would go to the rear of the mess rather than the front, where it is quite open and where people are coming home frequently at that time. We have an ice box cut in the side of the hill, that is the first place I looked, and then I looked into the garages, which were open. When I got to the N.E. corner of the Mess I met Gnr Jeffrey, a cook in the officers' mess, and I told him what had happened and said, "Come along with me." There is a little hill there about 40 or 50 ft high, at the top of which are some concrete shelters. When we got up to that point I looked around, and there was nothing there, but we looked further up the hill and could see three silhouettes, soldiers apparently, and we immediately proceeded up there. They were about 50 or 60 or 70 ft outside the officers' mess enclosure. As we approached these three figures one left the group and started on further up the hill. When we got up to the other remaining two one of them was Gnr Pestel and the other Gnr Butcher: I didn't know who the third man was, but I had called "Halt!" to that man. He didn't halt: in fact on the order to "Halt!" he started to double, so I followed him up over the top of the hill and on the way there was a crash - I didn't know at that time what it was - and when we got opposite the point where we heard this crash we looked in the bushes and Gnr Jeffrey found the cash box and handed it to me.

Q16. Can you identify that cash box?

A16. Yes, this is the cash box, but at that time the key was not in it; the key to this cash box was on my ring.

Q17. What did that cash box contain?

A17. £16.11.4. I have the money here in my pocket.

--- EXHIBIT 1 - Cash Box.

Q18. All right: you heard this crash?

A18. Yes, and we proceeded further on, looking in the gorse and bracken, but it was rather hopeless. The fact was I had the cash box in my possession, apparently unopened, and we only continued our search for three or four mins. It would be quite easy for a person to be in that underbrush and be only about three ft from you and for you still not to know it. I proceeded back and reported to the Col that the cash box was found. In the meantime I told Gnr Pestel and Gnr Butcher to remain where they were, and on my return I instructed Gnr Jeffrey to take them to the kitchen. I immediately telephoned to the R.P. and had them up to search these two, and they were placed under arrest.

Q19. What condition were they in?

A19. Gnr Pestel was drunk; he couldn't stand still. Gnr Butcher was, well, I would just classify him as drunk.

Q20. Is there any way in which you can describe it?

66?

A21. One indication of the condition of Gnr Pestel was that when I was talking to him at first he bumped up against me and he said, "Give me a match," which was hardly the way to ask an officer for a light, and he was quite drunk; but Gnr Butcher didn't say anything, he didn't do anything to give you a clear indication of whether he was very drunk or only partially drunk.

Q22. How did he walk?

A22. I couldn't see.

Q23. All right, continue, please?

A23. During an evening like this at the mess we allow a little laxity amongst the staff there, they are allowed to purchase drinks, beer only, through the officers' mess bar on pay days and on the occasion of mess dinners and things like that, and I had noticed that Gnr Duffy was around there during the evening and was apparently doing some drinking, so I imagined he might be the third man. I proceeded to St Lucia House, where he works as night fireman, and he was in the room of an officer talking, sitting on the end of the officer's bed; this was about one o'clock in the morning. I questioned him as to his movements and he gave an explanation that was satisfactory, although he seemed to be a little worried as to why I was asking him questions, and I didn't tell him. That is all that was done. The following morning Gnr Duffy was placed under arrest.

Q24. In what condition was Gnr Duffy at one o'clock in the morning?

A24. Apparently sober.

Q25. How long did he talk to you?

A25. For a total of 10 mins; I stayed in for four or five mins, then I went away and came back in there for a couple of mins.

Q26. How long were you in the basement before you found this trestle placed across, and the light out?

A26. Not over 15 mins.

Q27. Now the third person who ran, can you describe that run, was it bright enough to notice how he ran?

A27. It was bright enough to notice he was running with some speed.

Q28. With steadiness or not?

A28. The following morning when checking the foot prints they were in a straight line.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q29. What were these men doing that afternoon and evening in the mess?

A29. Gnr Pestel works in the glass room, I think he was a bus boy then. Gnr Butcher was a batman in St Lucia. Gnr Duffy had worked for some considerable time in the mess as bus boy, moving the dishes from the door of the mess room down to where they are washed. That door of the mess room is probably 10 ft from the door of my office.

Q30. Were Butcher and Duffy working in the mess that day?

A30. That evening, yes.

Q31. This privilege of buying drinks in the officers mess, that would be extended to them?

A31. Oh, yes.

Q32. Do you know how long they were working that day or how long they were in the mess?

A32. It was a mess dinner and I don't know, but normally they would be there from the time the dinner started or probably a little before until the dinner was finished.

Q33. What time did the dinner start that evening?

A33. I don't remember.

Q34. Would it be six o'clock, seven o'clock, or what?

A34. I am trying to think. I am getting confused with another dinner. I will say seven o'clock or a little after. We had a guest and he had forgotten about it and we telephoned him.

Q35. How long before the dinner started would you have people such as these who were employed in the mess?

A35. Well, it depends on their job. If they were waiters they would have to be there some time ahead; if they were washing glasses they would not normally have to be there if the glasses were cleaned until they were dirty. The whole staff would probably be there about half an hour before the meal started.

Q36. That would be about 6.30?
A36. Or even before that.
Q37. How late would they have to stay there, until their wo
up? How late on that night, do you remember?

ing they did and the amount of chattering they did.
Q39. Did you notice much chatter from these three men that night
A39. There was chatter from all the staff; no more from these th
from the rest of them.
Q40. You said they were given the privilege of buying beer only; w
say they did not exceed that privilege?
A40. I wouldn't swear to it.
Q41. Would it be possible for them, in exceeding that privilege, to
spirits, or spirituous liquors against beer?
A41. It is possible, but if I knew about it somebody would be in trou
Q42. Would it be probable, to your knowledge?
A42. I would say improbable. Certainly if they were served with anyth
other than beer I wouldn't know about it; the man in the bar would
know I wasn't around at the time of serving it because it is a def
rule they get nothing but beer.
Q43. But there is a strong possibility they might have got something els
besides beer during those four hours?
A43. I could not deny that at all.
Q44. You said you were downstairs not over 15 mins?
A44. Yes.
Q45. Did you notice these three men when you went out of your office?
A45. Not particularly, no.
Q46. Were there any men around in the glass room or hallway?
A46. Yes, but there was nobody in the glass room when we went through.
Q47. In the hallway?
A47. There may have been, but it is only 10 ft from my door into the hall
and then into another door, so there might have been 10 people in the
hall and I might not even have looked at them.
Q48. About 10 mins after you went downstairs you came back upstairs, dis-
covered the lights out; now, from the time you discovered the lights
out until the time you discovered the cash box missing, about how long
would that take?
A48. I would say about 20 secs.
Q49. Then you went to find the C.O. and report to him?
A49. Yes.
Q50. And you went to get your torch?
A50. Yes.
Q51. How long did that take?
A51. Not very long. I may have talked to somebody, in fact I think I did,
one of the barmen; it would be under 5 mins.
Q52. From the time you went downstairs to the cellar until the time you went
outside would be a total of about 20 mins?
A52. It wouldn't be over that. I cannot swear to the number of mins I was
downstairs, but that is much the larger portion of the time.
Q53. Now, after you got outside you looked around the ice box let into the
hill and you met Chr Jeffrey, and then you went to look into the air
raid shelters; how long did that take you?
A53. Two or three mins.
Q54. Would you say that would add up to 25 mins from the time you left your
office?
A54. I imagine about that.
Q55. What sort of night was it - moonlight?
A55. A clear moonlight night.
Q56. You looked up and saw three figures silhoutted on the hill?
A56. Their background was the ground.
Q57. They were part way up the hill, were they?
A57. Yes.
Q58. I thought you said the three figures were silhoutted against the sky?
A58. No, but I had a fairly clear view. They were probably 100 ft from me
when I noticed them, but you could distinctly see three people.

Q36. That would be about 6.30?
A36. Or even before that.
Q37. How late would they have to stay there, until their work was cleaned up? How late on that night, do you remember?

Q55. What sort of night was it - moonlight?
A55. A clear moonlight night.
Q56. You looked up and saw three figures silhoutted on the hill?
A56. Their background was the ground.
Q57. They were part way up the hill, were they?
A57. Yes.
Q58. I thought you said the three figures were silhoutted against the sky?
A58. No, but I had a fairly clear view. They were probably 100 ft from me when I noticed them, but you could distinctly see three people.

Q59. About how far from the mess were they?
A59. From the nearest part of the mess to the gate would probably be 150 ft; they were 50 to 60 ft outside the gate.
Q60. A total of about 200 ft from the exit of the back entrance of the mess?
A60. Probably a little more than that.
Q61. Certainly not much more than about 35 or 40 yds?
A61. As the crow flies.
Q62. You came outside about 40 or 50 yds away from the mess after wandering around and making a certain amount of noise in the dark, and you saw three figures standing there out in the open?
A62. Yes.
Q63. Did they look as though they tried to conceal themselves?
A63. No.
Q64. Did they look as if they were trying to get away?
A64. No.
Q65. In other words there were three fellows who got up there with something in their hands and they stayed there until you called?
A65. Until I approached them.
Q66. And when you approached them, one of them started to walk away?
A66. Yes.
Q67. You called to him to halt and he doubled?
A67. That is right.
Q68. How much money is there ordinarily in that mash box?
A68. Well, it varies from day probably seldom less than £10 and very seldom over £50.
Q69. Would you suggest, as far as they were concerned, there might have been nothing in it?
A69. No.
Q70. You are satisfied they knew there was a certain amount of money in it?
A70. Quite.
Q71. How many people have access to the cash box?
A71. One -- myself.
Q72. Would they get that information from you then, as to the contents of the cash box?
A72. No, it is that they study the routine. If the bar is open we do a certain amount of business and the money from the time it is handed to me and taken to the bank is kept in the cash box, and I would say these men knew that.
Q73. It would be impossible for them to think there was no money, or a very small quantity of money, in it?
A73. I hesitate to think that.
Q74. When you found the cash box, had it been opened at all?
A74. No.
Q75. Any signs of it having been attempted to force it open?
A75. Absolutely none.
Q76. The box was intact, was it?
A76. Intact.
Q77. You say Pestel was very drunk?
A77. Yes.
Q78. Butcher didn't say anything and did nothing to give any indication of exactly how drunk he was?
A78. That is right.
Q79. He could have been very drunk, too, so far as you know?
A79. He could have been.
Q80. Duffy you saw about two hrs later or one and a half hrs later, and you talked to him for about 10 mins and you suggest he was not very drunk?
A80. He was quite normal at 1.00 in the morning.
Q81. Are you acquainted with Duffy's drinking habits? By that I mean his reaction to quantities of liquor?
A81. I suggest you ask your client for an answer to that.
Q82. Do you know Duffy well enough so that you could distinguish between his normal conduct and his conduct when he had had quite a bit of drink?
A82. Yes.
Q83. And you are satisfied that his conduct at 1.00 in the morning was closer to his normal one?
A83. Yes.
Q84. Would you care to hazard an opinion as to what his condition was one hour or two hours earlier?
A84. I wouldn't; I wouldn't know.

RE-EXAMINED BY THE PROSECUTOR

Q85. What time did the mess dinner start, do you know approximately?
A85. I don't; I imagine it would be about 6.15.
Q86. Were you in the mess from 6.15 until the time you discovered this loss?
A86. All that time.
Q87. Did you see any of the accused during that period?
A87. Yes.
Q88. Did you notice them drinking anything but beer?
A88. I didn't notice what they were drinking.
Q89. Did you know they were drinking?
A89. I didn't actually see them take a drink of anything, but it was obvious they were drinking.

As we stopped these two men, one of them was Pestel and one was Gnr Butcher, and Lieut Thomson started after this man than ran, and he threw the box away and I picked up the box and gave it to Lieut Thomson. (3rd witness) LIEUT. D.K. REA, No. 1 Canadian Artillery Holding
for) Unit, being duly sworn, is examined by the prosecutor:-
prosecution)

Q123. Please give the court your rank, name and unit?
A123. I am Lieut. D.K. Rea, No. 1 CAHU.
Q124. Do you recognise the accused?
A124. I do (indicating three accused).
Q125. Do you recognise these documents (producing documents)?
A125. I do.

THE COURT: What are they?

PROSECUTOR: The confessions which Lieut Evans was to produce and I gave notice to the defence that they would be produced. This witness is the officer who took them.

THE COURT: Just have this witness swear that he took them, and we will read them ourselves.

Q126. PROSECUTOR: Tell the court the procedure and how it was carried out when you took these confessions?
A126. I was orderly officer on the day on which these confessions were taken, and I was approached by Lieut Evans, who was going on leave commencing the following Monday, the 28th. As I understand the confessions, they had already been signed before him, but not wishing to delay his leave he asked me if I would explain to the accused that he was leaving and obtain their signatures to duplicate documents exactly

the same as the ones he had taken, which I agreed to do. I then had the accused paraded before me and cautioned them that they need not sign this. I explained the circumstances as I have explained them to you, as to why they were signing them again, also Gnr Butche stated that Lieut Evans had already explained the situation to him. They agreed there was no reason why they should not sign them again, and voluntarily did so in my presence.

Q127. Will you produce these confessions to the court?
A127. (Witness produces documents which are filed as exhibits).

--- EXHIBIT B - Confession of Gnr Duffy.
--- EXHIBIT C - Confession of Gnr Pestel.
--- EXHIBIT D - Confession of Gnr Butcher.

No cross-examination.

The prosecution is closed.

Q128. THE COURT: Do the accused apply to give evidence themselves as witnesses?
A128. DEFENCE: Yes sir, all three of them.
Q129. Do they intend to call any other witness in their defence?
A129. Yes, sir.
Q130. Is he a witness as to character only?
A130. Yes, sir.

R.P. 40 & 41 duly complied with.

1st witness for the defence) The Accused, No. C-5686, GNR E. PESTEL, No. 1 CAHU, being duly sworn, is examined by the defending officer:-

Q131. How long have you been working at the officers mess?
A131. Approx about 10 mos.
Q132. On the 31 Oct 41 did you draw any pay?
A132. Yes, sir.
Q133. Did you get any other money?
A133. Yes sir, it wasn't pay day, but I got paid my mess fees for working in the officers mess.
Q134. When had you drawn your pay?
A134. The day before, on Thurs.
Q135. Had you had anything to drink during that day?
A135. Yes, sir.
Q136. Tell the court what you had to drink and when you had it?
A136. The amount I had I couldn't exactly say, but I started around noon and they closed down again at two o'clock. After that the bar opened again at 4.30 and I started drinking again from then on.
Q137. Did you drink fairly steady between 12 and 2?
A137. Yes, sir.
Q138. What?
A138. Beer mostly.
Q139. At 4.30 what did you have to drink when you started drinking again?
A139. Mostly beer, and as far as I remember I had a gin or two, maybe more, but I couldn't say exactly.
Q140. How were you feeling about 10.30 or 11 that night?
A140. I couldn't say.
Q141. Don't you know how you felt then?
A141. I know I felt pretty good, sir.
Q142. Explain to the court what you mean by feeling "pretty good?"
A142. I was in higher spirits probably than I would be in the ordinary course of events.
Q143. With regard to this box, Exhibit 1, tell the court exactly what you remember about that box?
A143. All I remember is we were all working up at the officers mess on the 31 Oct, and I am pretty sure that Gnr Butcher and Duffy were working up there around 2.30 or 3 in the afternoon getting every-

E.P.

thing prepared for the mess dinner at night, and when I came back from the laundry there were there and they were also there at two to get their mess fees also.

Q144. Had they been drinking with you?
A144. Yes.
Q145. Do you know what they had to drink?
A145. We were all drinking together but I couldn't say exactly what we had.
Q146. All right, continue?
A146. The first thing I really knew about a cash box was when we were all up on the hill, I was drunk enough and yet something in my mind seemed to - well, in the first place if I hadn't been drunk the whole thing would not have happened, but anyway, I coaxed them to come back and we were heading back towards the mess with the cash box when Lieut Thomson came along, and when Lieut Thomson shouted "Halt" I know I had two bottles of beer in my hand and I dropped them, and we were heading towards the mess when that happened.
Q147. Do you know what was in that cash box, how much was in it?
A147. No sir, no idea.

CROSS-EXAMINED BY THE PROSECUTOR

Q148. Did you try to open the cash box?
A148. I believe we did kind of play with the handle, sir.
Q149. You say the first thing you remember you were up on the hill: do you remember any of your actions before that?
A149. I remember Gnr Butcher coming from the office down the hall.
Q150. Where were you then?
A150. In the hall cleaning glassware.
Q151. That is just beside the office?
A151. Yes.
Q152. Did you know Gnr Butcher had gone in?
A152. I didn't know he had gone in, no sir.

Q153. THE COURT: In connection with the cash box, at any time in your work in the officers mess have you actually seen money in the box or have you seen money go into the box?
A153. Yes, sir.
Q154. You have perfect knowledge that the cash box was used to put cash in?
A154. Yes sir, I have, and probably 30 men working there have the same knowledge, around the kitchen - bus boys, waiters and so on.
Q155. You knew that box was used to contain cash?
A155. Yes, sir.

2nd witness) for) defence.) No. H-[illegible]119, (accused), GNR J.F. DUFFY, No. 1 CARU, being duly sworn, is examined by the defending officer:-

Q156. How long have you been working at No 1 CARU?
A156. For about five mos in the officers mess, until I got this job as night fireman.
Q157. At whose request were you made fireman?
A157. I got it through Lieut Thomson.
Q158. But did you ask for it or what?
A158. I wanted to get a change, and I went to Lieut Thomson: I went to the Sgt first and then to Lieut Thomson.
Q159. So it was at your request you changed from the mess to your fireman's job?
A159. Yes, sir.
Q160. What was your job on the 31 Oct 41?
A160. My duty was night work, but I was asked to go and work as bus boy in the officers mess on the 31 Oct.
Q161. How long were you there that day?
A161. We went over about two o'clock for our mess fees and then we had the silverware to shine and polish and little odd jobs to do.
Q162. You were collecting your fee for being night fireman?
A162. Yes, sir.

Q163. Had you anything to drink that day?
A163. I started about 4.30 when the bar opened.
Q164. What did you have to drink?
A164. I can't tell you how much, but quite a bit; I had a lot of Old English Ale and also some gin.
Q165. Any idea how much gin?
A165. I couldn't say exactly.
Q166. How much do you think you had?
A166. I had several drinks of gin.
Q167. How late did you keep up the drinking? When did you stop that day?
A167. There was no time I was looking at, and I couldn't be exact as to when we did finish, but according to other people, we were drinking pretty late.
Q168. Can you give any indication to the court as to what time it was you stopped drinking?
A168. It is quite possible I drank as long as the bar was open, and it was open until ten anyway.
Q169. What sort of shape were you in about 11 that night?
A169. Pretty tight.
Q170. Were you sober?
A170. No sir, I wouldn't consider myself sober.
Q171. Can you give any indication to the court about how tight you think you were?
A171. It just depends how people look at a person drinking.
Q172. From the way you look at it?
A172. It is pretty hard for me to remember that. The best I can say is that I was pretty tight, in my own estimation.
Q173. Can you tell the court whether or not you know clearly what you were doing that night?
A173. No sir, I can't remember everything I was doing, really.
Q174. Can you tell the court whether in your opinion your actions were normal that night? By that I mean were they the actions of a normal, sober person?
A174. It is pretty hard for a man to answer for himself when he is drinking; other people can see it different to what you can yourself, sir.
Q175. Do you suggest you were in no shape to know how you were?
A175. I figure I was pretty tight, pretty well away.
Q176. That box, Exhibit A, will you tell the court exactly what you know about that box, what happened to it on the 31 Oct?
A176. Well sir, I didn't have anything to do with it until we got outside, up on the hill.
Q177. Then what did you do?
A177. I had it in my hand on the hill.
Q178. Then what happened?
A178. We found out it was locked and we had nothing to open it with, and therefore didn't open it.
Q179. What were you thinking about when you were on that hill with that box in your hand?
A179. I didn't realise that I was doing really; had I been sober it would have been different; it wouldn't have happened as far as I am concerned.
Q180. You heard Lieut Thomson say you broke away when he came up?
A180. Yes, sir.
Q181. Any explanation for that action?
A181. It was because I got confused and didn't realise what I was doing.
Q182. What did you do after you left the group on the hill?
A182. I went back to St Lucia House and I had some fires to look after, and it was in St Lucia House I was talking to this officer.
Q183. How long after you left the group on the hill did you next see Lieut Thomson?
A183. I couldn't say, sir, because Mr Bond, who I was talking to, had no time on him either.
Q184. What sort of shape were you in when talking to Lieut Bond?
A184. I had a kind of talking jag on; I was doing a lot of talking, I guess.
Q185. Were you in any better shape than you had been in about 11.30?
A185. I figured I was because I had been out in the air considerably.
Q186. Were you doing any work in the interval?
A186. Yes sir, I fixed up three or four fires.

CROSS-EXAMINED BY THE PROSECUTOR

Q187. What time was it that you took this box out of the office?
A187. I couldn't say.
Q188. Before or after you put the trestle across the passage way?
A188. I didn't do that either, sir.
Q189. Do you remember leaving the mess with the cash box, the three of you?
A189. It is like a dream to me, sir, a kind of a haze.
Q190. Where was the cash box when you saw Lieut Thomson approaching?
A190. On the ground beside us.
Q191. Then you ran?
A191. Yes, sir.
Q192. Why did you run?
A192. I got confused and I ran.
Q193. You thought you had done something wrong?
A193. Yes sir, I realised I was in the wrong.
Q194. You were not too drunk to realise you had done something wrong then?
A194. I fell two or three times when getting away.

RE-EXAMINED BY THE DEFENDING OFFICER

Q195. You say you realised you were in the wrong when you ran away. When did you first realise you were in the wrong?
A195. Right then, when Lieut Thomson came up towards us.

A196. I don't know what made me do it, sir.
Q197. Did you do anything that night and not remember doing it?
A197. I couldn't say to that, sir.

3rd witness) No. C-6668, GNR. W.J. BUTCHER, No. 1 CAMU, being duly sworn, is examined by the Defending officer for the defence)

Q198. How long have you been at No 1 CAMU?
A198. Just going on about 18 mos.
Q199. Did you work at the officers mess before the 31 Oct 41?
A199. I did.
Q200. As what?
A200. Bus boy.
Q201. What were you working at on the 31 Oct?
A201. I was batman at that time, and I got orders to go up to the officers mess, that was about 2 o'clock, to work up there for the day.

A203. I did.
Q204. What did you have to drink?
A204. I didn't have anything, sir, from 2 to 4.30.
Q205. Did you have anything before 2 o'clock?
A205. No, sir.
Q206. At 4.30 what did you have?
A206. Some beer and some double gins, I don't know just how much.
Q207. When did you have the gin?
A207. When the bar opened so I had a double gin and a pt of beer.
Q208. Were Duffy and Pestel working with you?
A208. Yes, sir.
Q209. How late did you keep up the drinking?
A209. I can't remember, I got so drunk.
Q210. What was the last thing you did in the mess that night, of which you have a clear recollection?
A210. I helped them to serve the supper from the kitchen to the dining room.
Q211. About what time was that?
A211. After 7 o'clock.
Q212. Did you help to clear up afterwards?
A212. Yes, sir.

Q213. Do you remember doing that?
A213. No sir, I don't.
Q214. Now, that box on the table: tell the court exactly what you remember about that box on the table that night, the cash box?
Q215. All I remember about that box is when I was on the hill and Lieut Thomson came along, and that is really the first I remember about the box at that time.
Q216. You heard Pestel say that he saw you walking out of Lieut Thomson's office: do you remember that?
A216. No sir, I don't.
Q217. Do you remember what you were doing up on that hill?
A217. No sir, I can't remember, sir.
Q218. Did you see Lieut Thomson come up the hill to you?
A218. No sir, I can't remember, sir, not until he got right up, he was pretty close but I don't know just how far he would be.
Q219. What were your thoughts at that moment?
A219. So far as I can figure, sir, we were on our way back to the mess at that time.
Q220. Why?
A220. Well, we had the cash box, sir, and we were going to take it back to the officers mess and put it back where we got it.
Q221. Have you any knowledge of that intention?
A221. Now that it is spoken about I have.

CROSS-EXAMINED BY THE PROSECUTOR

Q222. Do you remember talking over with the other two about taking back this cash box?
A222. No sir, I don't.
Q223. And you don't remember Gnr Duffy grabbing the cash box?
A223. No, sir, I don't.
Q224. Do you remember saying that he did, in this confession you signed?
A224. That was after Lieut Thomson came up, sir.
Q225. You said, "Gnr Duffy and myself went into Lieut Thomson's office and Gnr Duffy grabbed the box from the office, and Pestel was keeping watch to see that nobody was coming down the hall."
A225. That is what I understood we did, but now I don't just remember who got the box or who went in after it.
Q226. What time of the night did this happen?
A226. I don't remember.
Q227. Was this done before or after you put the trestle across the passage way?
A227. I never put no trestle across there.

A231. No, sir.
Q232. So apparently your services were quite satisfactory to the mess for the evening?
A232. As far as I know, yes sir.
Q233. Then as far as the mess steward is concerned you were sufficiently sober to do your work?
A233. I never heard anything about it, sir.

1st witness for prosecution) LIEUT H.P. THOMSON, No. 1 Canadian Artillery Holding Unit, being previously sworn, is recalled and examined by the defending officer:-

Q234. As mess sccy did these three men come under your direction, both as being employed at the mess and as batmen?
A234. Yes, they were directly under my supervision.
Q235. How long have they been under your supervision?

A235. They were all there when I took over in Aug of this year.
Q236. Could you indicate to the court what their general character is as you know it from your connection with them?
A236. All their characters as I know it have been lacking in nothing; they are very good workmen, each one doing his particular job. I don't know of Butcher first hand, but I understand he is a very good batman. I do know that Duffy is a very conscientious worker, he always did his job and was always on the job, and the same with Gnr Pestel; he was always there and always did very good work.
Q237. Since your connection with them has there been any occasion on which their honesty has been questioned?
A237. No, sir.

No cross-examination.

Q238. THE COURT: Have you ever had any trouble with them so far as drinking goes?
A238. No, sir.
Q239. Were these men kept working on the table after consuming so much liquor from two o'clock?
A239. None of these men were acting as waiters; they were assisting at the mess dinner, but not as waiters.
Q240. They were quite capable, though, of handling their job?
A240. So far as I know, and it was a very busy evening for me, and nothing was said by anybody else as to their incapability of the job they were on.

Upon completion of closing addresses by the prosecutor and defending officer, and summing up by the judge advocate, the court was closed for the consideration of the finding.

The Court being reopened, the accused is again brought before it.

The Prosecutor, LIEUT G.C. LANGILLE, No. 1 Canadian Artillery Holding Unit, being duly sworn, is examined by the Court:-

Q241. Have you any evidence to produce as to the character and particulars of service of the accused?
A241. Yes sir, I produce in the case of each of the accused AF B-296 and certified true copies of their MFM-6.

The above statement is read, signed by the President, and annexed to the proceedings.

Q242. Is the accused in each case the person named in the statement which you have heard read?
A242. Yes, sir.
Q243. Have you compared the contents of the above statement with the regimental books?
A243. Yes, sir.
Q244. Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A244. Yes, sir.

No cross-examination.

THE COURT: Do you wish to address the court?

DEFENDING OFFICER: In arriving at the sentence on this charge I would ask the court to take into consideration first of all the circumstances of this offence. We have here three men who obviously had been drinking considerably, and as laid down in the A.M.L. I would ask the court to follow the suggestion therein contained that such drunkenness goes far in mitigating the offence. It was not a cold-blooded criminal act on the part of these three men, but it was rather in the nature of a

stupid bungle which they did only because they were drinking. I ask the court to take into consideration also the records of these three men. Pestel has had one and three-quarters year service with exemplary conduct, with no offences of any kind. Butcher has had one absence of two days about a year and a half ago out of a total of one and three-quarters years service. Duffy's conduct in the last 12 mos has been exemplary, with no offences of any kind; he had three offences of drunkenness at the end of 1939 and the beginning of 1940, over a year and a half ago, and two short periods of absence in Mar and Jul 40. Would the court also consider as well that these men have been in custody under close arrest, for which they will forfeit their pay, for a period of 24 days.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE.

SUMMARY OF EVIDENCE in the case of Gnrs. Butcher, Duffy, and Pestel, Royal Canadian Artillery, on the strength of No. 1 Canadian Artillery Holding Unit, Canadian Army, (Overseas).

Statement of 1st Witness: Lieut. H.P. Thomson, No. 1 Canadian Artillery Holding Unit, having been duly sworn deposed as follows:

I am Lieut. H.P. Thomson, No. 1 Canadian Artillery Holding Unit, St. Lucia Officers' Mess, and I am Secretary of the Mess. Between 1030 and 11 P.M. on Friday 31 Oct 41 I put the cash box away in the cupboardin my office. I then left the office about 11.15 P.M. to go to the celllar with Lieut. A.M. Campbell, a member of the Unit Audit Board. Approximately 10 minutes later I had the occasion to go back to my office. I then discovered that the light in the Glass Room was out and a table trestle placed cross ways in the passage. I then became suspicious and proceeded to the light switch and turned it on, but no light came, and I found the cupboard door open and the cash box was missing. I reported the matter to Lieut.-Col. J. Roberts. I then went out to the back of the Officers' Mess, and began to search with my torch. It was a bright moon lit night and at the North West corner of the building I saw Gnr. Jaffrey of the same unit. He joinedm me in the search. About 75 ft. on the North side of the fence we saw three soldiers. On approaching them one broke away and the other two were Gnrs. Pestel and Butcher of No. 1 Cdn Artillery Holding Unit, whom I recognize. I called on the man who had broken away to halt, and then he ran. Gnr. Jaffrey and I both chased him and after going a short distance we heard a crash coming form the direction of the man who was running away. Here we found the cash box. Gnr. Jaffrey picked it up and we found that it had not been opened, and the contents, £16-11-4 still intact. We searched further for this man without any success, and then I returned to the Mess with the cash box. Gnr. Pestel and Butcher remained at the place where I had first seen them, as I had ordered them to stay there. Gnr. Jaffrey brought the 2 men back to the kitchen of the Mess. These men were later placed under close arrest by the Regimental Police. About 1 A.M. on the 1st. I saw Gnr. Duffy talking to Lieut. Tom Bond of the same unit, in the latters room, at St. Lucia House, Bordon, Hants. I questioned Duffy as to his movements. He said, "I left the Mess to fix the fires at the P.O. House, and then came over here". I said, "where did you leave Gnrs. Pestel and Butcher?" He answered, "I left them in the Officers' Mess. I suggested that this story did not agree with the other 2, he then said, "I left them at the corner of the Mess, outside the building". In my opinion Gnr. Pestel was very drunk. He was so drunk that he had difficulty in standing. Gnr. Butcher was drunk, though not as much as Pestel. When I saw Gnr. Duffy at 0100 hours 1 Nov 41 he was apparentlysober.

The accused soldiers each declined to cross- examine this witness.

Statement of 2nd
2nd Witness: F-14319 Gnr. Jeffrey, F.H., "HQ" Bty. No. 1 Canadian Artillery Holding Unit, having been duly sworn deposed as follows:

I am F-14319 Gnr. Jeffrey, F.H., of "HQ" Battery, No. 1 Canadian Artillery Holding Unit, St. Lucia Barracks, Bordon, Hants. About 2330 hours, 31 Oct 41 I was returning to the Officers' Mess where I was employed as a cook, when Mr. Thomson stopped me at the back of the Mess. He asked me to go along with him to search for a stolen cash box. About 50 ft. inside the gate behind the Mess I saw 3 soldiers standing. We were about a 100ft. away. As we approached one of the soldiers ran. The 2 who remained were Gnr. Butcher and Gnr. Pestel, whom I recognize, and we chased the third man whom I did not recognize. I heard a noise and when I got there I found the cash box on the ground. We went back to Pestel and Butcher, and on Mr. Thomsons orders I took them to the kitchen. I would'nt say Gnr. Butcher was drunk. Pestel was very drunk, and I had to help him along.

The accused soldiers each declined to cross-examine this witness.

I am R-21859 Gnr. McMaster, R.L., "HQ" Battery, No. 1 Canadian Artillery Holding Unit, St. Lucia Barracks, Bordon, Hants, employed as waiter in the Officers' Mess. I was returning to the Mess shortly before 0300 hours on Nov 1, 1941 when I met Gnr. Duffy whom I recognize, at the west side of the Mess. He was leaving the premises. I did not have much chance to observe him, but I think he was sober. He did'nt talk like he was drunk, nor was he staggering while walking.

We all ran up the hill, at the back of the Officers' Mess. We were standing and it was not long before Lieut. Thomson came out. I heard Lieut. Thomson shout, and I recognised his voice. The box was then on the ground. I took the box and threw it and then ran away into the bushes, and down the road. I went from there to the P.C. 1. Attachment of eyepieces - (facepiece Mark V) When the facepiece, Mark V, is folded as for replacement in the haversack it may appear in some cases that the rubber tends to pull away from the eyepieces.

The same effect may be noticed when the facepiece is turned inside-out for airing.

This does not indicate that the facepiece is in any way defective or that it is not gas-tight.

The eyepieces are held in place by binding wire and rubber tape.

It is therefore important that, when the facepiece is turned inside out for airing, such strength should not be used on the eyepieces as to force them out of their seating as the facepiece then becomes beyond local repair.

2. Application of anti-dimming compound. In order to maintain the respirator in a fit condition for immediate use, the insides of the eyepieces must be treated with anti-dimming compound at least once a week, and in any case before the facepiece is returned to the haversack after use. To reduce

The attention of all ranks will be drawn to the effects of such treatment, which may result in the air inlet slots becoming closed, thus restricting breathing and possibly reducing the protection afforded by the container. In particular, respirators must not be thrown about or dropped on hard surfaces.

EVIDENCE GIVEN BY DEFENDING OFFR ON BEHALF OF M-63127 PTE WRIGHT, H.M. & G-47400 PTE DUFFY, M.G.

G-47400 Pte Duffy, M.G.

With your permission Sir may I on behalf of the accused G-47400 Pte Duffy M.G. say a few words regarding the position this man was in in respect to the offences for which he has admitted full guilt. Pte Duffy was somewhat depressed owing to the lack of social entertainment and when his friend M-63127 Pte Wright, H.M. suggested having a couple of drinks to celebrate New Years Eve he was in a most acceptable frame of mind as it appeared to be the most satisfactory way to do something a little different. I also ask the court to consider that this man has been in the army approx two years and up until this time has had a perfect record. His senior offrs are well satisfied with his ability as a soldier and he has apparently made a very satisfactory contribution to the army in general. I also ask the court to consider that his present age of 21 years is an age at which an occasional amount of entertainmet must be blended with hard work and monotonous routine in order to "carry on". For the reasons already mentioned if for none other may I ask the court to consider this mans position when awarding sentence.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. Nil Stet.(5)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex [illegible], initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? (1. Delete remainder of this para, if submission not made. 2. Arguments on submission, answer and reply are recorded per Notes. 3. RP 40 fn 1. See MML p 72 paras 13-14 and p 81 para 42. 4. Delete part not used. If accused acquitted on all charges, see second alternative in para D8.)
NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans..... Do you intend to call witnesses on your behalf? Ans..... Are they witnesses as to character only? Ans.....

Evidence in the case of
D 135648 Pte. J J M Dufort Inf. M.R.
Irish witness. – CSM Hamlet M Stalker:–
I am D 61002 CSM Hamlet M
CSM of D Coy Inf. M.R.

Q. Do you recognize accused.
A. Yes Sir. Pte Dufort.
Q Will you tell the Court exactly what happened on 19 Mar 44 at approx. 1330 hrs.
A. On 19 Mar 44 one of my cpls asked Pte Dufort to do some fatigues (wash dishes). and then the cpl reported to me the cpl – that the pte did not want to work in the kitchen. So I asked the cpl to bring the pte to my office and I gave him an order to go to the kitchen and wash dishes. He refused the order. So I explained to him that it was an order and he replied "I don't care. I don't want to wash any dishes". I had him arrested and put in the guard room.

Remained by defence.
Q CSM Hamlet in the statement you have just made, I notice that it differs to quite some extent from the statements which you gave in the Summary of evidence previously in this case. In the Summary of

evidence there is no illusion to any of your ops involved. You pay the Duffold. You went to the kitchen & put your work that he replied "NO". Smith to state that the Pte Duffold left report to the kitchen for fatigue work; then in the summary of evidence again you state; "I explained to him that it was an order and he replied" I know" which is quite different to the reply which you give in your statement before the court today, as he having said "I won't wash any dishes & I don't care if it is an order. There was no question of washing dishes in the fact that you told him to report to the kitchen for fatigue work. C. S/M Merrill told the Duffold.

A. Not when I gave him the order. He said he did not want to go down to work in the kitchen and he did not want to wash any dishes.

Q. Did the accused refuse work of any kind in the kitchen.

A. Well, he refused when I asked him to work there.

Q Did he actually say "I don't want to work in the Kitchen

A. He said "I don't want to work in the kitchen. I don't want to wash any dishes." Those were his exact words.

Q. As soon as the Duffold said "I will not wash any dishes" you placed him under close arrest.

A. When he said that to me yes.

Q. Being under close arrest he could Struck out by court & When the accused received his order from you was he given ample time to make his decision before he was placed under close arrest.

A. Certainly When a man refuses an order he refuses an order, I placed him under close arrest.

Recalled Robinson.

Major J.A. Dextraze. Has Mr Robinson been duly sworn? I am Major J.A. Dextraze, sc

A. Yes Sir.

Q. Do you recognize the accused before the court.

A. I do.

Q. Will you tell the court what you saw & overheard on the 19 Nov 44 at approx 1830 hrs.

A. On that day at approx 1330 hrs. I was in my car of Pte. There were quite a number of O/Rs present in the Office at that moment. Before who was brought in to the Office by one

Pvt my cpls acting as CQs flatly refused an order ~~which~~ given by the CSM which order was "Go you to the kitchen & wash dishes". The accused said "No I don't wash any dishes. Then CSM Nantes explained to him that it was an order. Dupois replied "I don't care if it is an order, I'm not washing any dishes." Up to that time I had not said a word. I then told Dupois "Why don't you want to wash any dishes" I'm not washing any dishes that's all". I then said "you deliberately refused an order, he did not reply to that. Then the CSM put him under close arrest, which time I approved knowing for a fact that Dupois had previously been taken to the kitchen by my cpls acting CQs. This Cpl was bringing Dupois to the kitchen for washing dishes.

Q. You overheard the whole conversation
A. I came up to the Office in time to hear the start of things.
Q. Do you think the CSM gave the accused plenty of time to consider.
A. There was plenty of time given. There were too many people in the Office, I couldn't have allowed any more time to make any further ~~~~ decisions

A4 - Yes. I was sitting out when one of the soldiers asked if I would dance with a friend of his, as this friend could not speak English When I found out that this man could not dance I sat down and I finished the dance with another soldier. As this other soldier wa escorting me back to my seat after the dance I saw the accused.
Q5 - Do you recognize him here?
A5 - I do. Q6 - What then?
A6 - I saw him hand my hand bag to another soldier. I took it and to them it was my bag. I came back to look for the other man but h was gone. I reported it to Staff Sergeant Fisher and he went to Lieut. Simons, and later on we found the accused and Pte. Paradi

Q15 - Will you please tell the court in your own words what happened on the night in question?
A15 - I was detailed on Police duty at the Mens dance. During the course of my duties a complaint was made by one of the girls attending the dance that she recognized two men going through her bag. She said that one man had a scar on the back of his hand. We looked around and she pointed out the accused, whom I recognize. I questioned him but found he didn't understand, as he didn't speak English, so I called the officer in charge of the dance, as he speaks French, and I heard him asking the questions to the accused. The officer's name was Lieutenant Simons. I judged from the way they spoke that the accused had mentioned some other man, so I was sent over to the Men's quarters in company with the accused to find this man. On the way over I saw him put his hand in his pocket and drew something out and try to drop that something on the floor. I recognized this as the wallet which is in this count. I took it off him. The accused was placed under arrest by the officer.
Q16 - You are absolutely certain that the accused is the person who tried to dispose of the wallet?
A16 - Yes.
Q17 - And when you got that wallet just exactly where did you find it?
A17 - In his hand. He had taken it out of his pocket.

Cross-examination by Defending Officer.
Q18 - You say that a girl came over and informed you that she had noticed two soldiers going through her bag?
A18 - Yes.
Q19 - And she said there was a man with a scar on the back of his hand?
Q20 - When you found Pte. Dufour with the wallet was that in the dance hall?
A20 - He denied that he was in the dance hall.
Q21 - Had he been drinking?
A21 - Yes, but he didn't appear to be drunk.
Q22 - When you saw him being questioned by Mr. Simons did you hear what was said?
A - No, I don't speak French. Of course, I heard the words, but didn't know what they meant.
Q - So all you can say is that you saw him trying to dispose of the w
A - Yes.
Q - Would you say that he might have felt embarrassed having such a thing in his possession and might have been trying to dispose of
A - I don't know.
WITNESS IS EXCUSED.

Prosecution closes.

SUMMARY OF EVIDENCE IN THE CASE OF 14532 Pte Dufour, A.
OF No.3 Coy, No. 1. R.C.A.S.C. HOLDING UNIT, Cdn: ARMY (O-S).

THE COMMANDING OFFICER DIRECTS THAT EVIDENCE SHALL BE TAKEN ON OATH.

1st WITNESS. Miss Doris Wright of 16, Town End St, Godalming, Surrey having been duly sworn - states:-

I came over to the dance of the R.C.A.S.C. at the N.A.A.F.I, on the night of March 28th, 1941. I was sitting out when a French Canadian came up to me and spoke and asked me in English if I would dance with a friend of his, but when I got up to dance I found out that his friend could not dance - so I sat down again and another soldier asked me to dance, which I did. On returning to my seat I saw Pte Dufour, whom I recognise, with my handbag open and on my approach I saw Pte Dufour hand the bag to Pte Paradis, whom I recognise. I immediately took my bag from Pte Paradis and looked to see if anything was missing and found everything gone - but one letter. Missing was one wallett with Pictures, one leather address book and a green compact and purse with approximately 7/9d in it and one letter, also some Canadian change. The Wallett and Pictures produced here in this Court I recognise as mine. I reported the theft to the Provost Sergeant.

Doris Wright

Accused declines to cross-examine this Witness.

2nd WITNESS. S/Sgt: Fisher, A. of No. 1. R. C. A. S. C. Holding Unit, Canadian Army (O-S) having been duly sworn, states:-

On the day and date mentioned I was Provost Sgt: on duty at the men's dance, held in the N. A. A. F. I. One of the girls at this dance reported to me that she had seen two soldiers going through her handbag. I asked the girl if she could identify either of them - or both -. She stated that one of the soldiers had a sore or a scar on the back of his left hand. On looking for this man she recognised Pte Dufour as being one of the soldiers concerned. I questioned the accused and found out that he did not understand English. I then called the officer in charge of the Dance, Lt: Simons, who questioned the accused in his own language. After Lt: Simons had finished questioning him - we proceeded to the men's quarters. On the way to the quarters the accused Pte Dufour tried to dispose of a Wallet - which I recognise as Exhibit "A". Pte Dufour stated that this wallet had been given to him by Pte Paradis. He was placed on charge by the Corporal of his Section - which was done on Lt: Simon's order.

Accused declines to cross-examine this witness.

3rd.WITNESS. E-14500 Pte Paradis,J.M. of No.1.R.C.A.S.C. HOLDING UNIT.Cdn.Army (O-s).,having been duly sworn states:-

I left the Barracks at 1930 hrs,Friday 28th of March,1941.,and went to the Beer Canteen and stayed there for 2 hours,at approximately 2130 hrs I went into the dance. Not knowing how to dance Pte Perron started to show me how,after dancing with Pte Perron I sat down with Pte Dufour and there were girls on both sides of us. I got up when the next dance started and and danced with an English soldier (I dont know his name or number) it was then that I saw the purse,- not the wallet in question-lying on the floor beside the band. I picked it up as I was dancing by and not seeing anyone nearby who seemed to own it I threw it to Pte Dufour,as he was the nearest person to me that I knew. I did not see Pte Dufour again that evening. That is all I know about the case.

The accused declines to cross-examine this witness.

(J.M.Paradis)Pte.

4th Witness, Lieut. E.A.D. Simons, No. 1 R.C.A.S.C. Holding Unit, Cdn. Army, (O), having been duly sworn states:-

On the night of March 28th, 41, at about 2200 hrs, I was called to the bar at the NAAFI where I found S/Sgt. Fisher speaking to two ladies and Pte. Dufour, whom I now recognize,

Miss Wright, one of the ladies, identified Pte. Dufour as being one of two men she had seen handling her purse in the Dance Hall. She told me that on approaching them the two soldiers left, leaving her with the empty purse. I questioned Pte. Dufour in French and he denied any knowledge of the affair and said he had a chum who could prove it. This chum being Pte. Paradis, whom he said could be found in his quarters. Pte. Dufour, S/Sgt. Fisher and myself proceeded to the men's quarters to locate Pte. Paradis, en route Pte. Dufour attempted to throw away in the darkness the wallet marked as exhibit "A" which he had apparently concealed in his Battle Dress blouse. S/Sgt. Fisher saw the attempt and took charge of the wallet. On arrival at the men's quarters we were unable to locate Pte. Paridis whereupon S/Sgt. Fisher placed Pte. Dufour under open arrest and left him in charge of the Barrack Room N.C.O.

Miss Wright also told me that her handbag was one of several which had been placed on top of one of the radiators against the wall being underneath all the others, and she does not believe it could have fallen to the floor. ~~Several articles were missing from the other handbags as well.~~ Her handbag was out of her sight for no longer than 10 minutes.

No search was made of Pte. Dufour nor was the money claimed to have been missing ever found. That is all I know in regards to this case.

(E.A.D.Simons)Lieut.

The accused declines to cross-examine this witness.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. PLEA OF MITIGATION

Re: E-13173 Pte DUFOUR, Andre.

Mr President, Members of the Court,

The accused, Pte Dufour, A., has pleaded guilty to both charges laid against him but before any decision is reached as to his sentence, I pledge the court to consider his long time of good service with the unit and the willingness he put at the fulfillment of his duties.

This man joined the R de Chaud on the 13th of August 1940, with it he landed in France and served to the best of his ability throughout the French campaign until seven months after D-day.

On the 28 Jan his unit was resting and feeling that his services were not required for the time he took the leave that many times was refused to him.

This man believing that he still has a debt toward his country has signed for service in the Far East hoping to repair his fault!

I beg the court to take all those points into consideration before punishing too severely a man who is repentant, who is ready to prove it.

It's his first offence and I believe that the accused should be given the chance to repair his fault!

Defending Officer

Questions to Accused:

President to accused - Do you wish to make a statement?
Accused - I do.

President to accused - Do you wish to make your statement under oath?
Accused - Yes, I do.

E-13173 - Pte Dufour, Andre being duly sworn states:

I joined the unit on 13 Aug 40. I went to England with them and have been with them ever since. I landed with the unit on D-day

I asked for my leave. They said my turn would come but I never heard anything about it.

This is the first time that I have been in trouble. I have volunteered for the Far East and am quite willing to go there as soon as possible.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

The statement made is not exactly correct. Despite the warning at the top, there was nobody, Lt Kenyon, who asked me a lot of questions first. Later he took me to the civil jail where I was identified by the 2 civilians. Then took me to his H.Q. On the way, I said I had better watch myself or the white Brigade would shoot me. He said the civil court had already condemned me to 20 years imprisonment for. homosexual relations. This was about something quite different from the old business. He said I made a statement. My hand was cast at the time. A Br. soldier had asked me to interpret for him to sell his load of oil. I found a civilian & went to his house & we unloaded the oil there. I had not been drinking & would not have done it. I gave the statement because the officer said that what I said would be

Statement of: E-14045 Pte. DUFOUR, A.J.
36 Can. Repl. Depot Camp. Bay, R.C.O.C.

I have been cautioned by Sgt. J.B. Sherwood of No. 7 S.I.S. First Can Army that I do not need to say anything unless I wish to do so, that whatever I do say will be taken down in writing and may be used as evidence

When I arrived in France I was with 36 Comp. Bay then I was attached to Unit #290 R.A.S.C. (Q) with 4 Cpl. King, Ptes, Martin, Kulagy & Schaefer. I drove a 3 ton truck hauling all types of supplies.

We moved to Malines about 18 days ago where I was hauling supplies from the station to the dumps. One day, I think it was Tuesday or Wed. a week

Then over

ago, I went to the cafe where my girl friend worked. A civil I had seen before, buy me a drink and then offer me three bottles of cognac for six jerry cans of gasoline. About that time the driver Martin came up to the pub in his truck for get me back to the unit for duty. I told Martin my truck was stuck & I needed petrol, which was not true. I asked him to lend me six cans of petrol, and he said he would and then Martin drove me & the civilian to a house where I said I wanted the petrol left until morning. I received three bottles of cognac from the civilian. Martin knew nothing about this.

Last Wed. night I was hauling supplies from the station. I was drinking all day. In my

Sworn

drunkenness I thought I will stop at the cafe & see my girl friend, at this time I had a load of oil, about 95 cans, of all different kinds of oil. I drank with a few men in the cafe. Some told me I could share a good deal on that. I asked one who I know, if I could put it in his house until I found a customer, he said yes. I was hard up for money.

I put it in his house that night with the help of the civilian & a Fr. soldier who asked me for a lift, I know nothing about him. I told him, the civilian, not to get less than 140,000 Frs. for the load. Then I left. That morning they told us we were moving back to my unit, ~~[illegible]~~ I slept at the cafe the night before and Martin came down that morning to tell me & any others of our band.

Spencer

that the next morning. My truck was broke at the camp. I asked him to stop at the house where I had left the oil the night before as it is on the way back to camp. I didn't get any money then and I wanted to take the oil away, but I wasn't able to as we left too soon for the unit. That night I came back from Gent with my truck and the morning after I went to the house and they gave me 3000 Frs for the oil. I was very drunk and don't remember what I told the civilian about the rest of the money, that I left the oil there.

I don't remember ever selling any other petrol or oil.

I have had this statement read over to me & it is true.

EXHIBIT "A" - Statement by Marcel Van der WINCKEL of the Town of Malines, Belgium.

9 Oct 44

Marcel Van der WINCKEL, at present in Civil Prison, Malines, Belgium, having been sworn, states through an interpreter: PC 63 - Jan Seyers, Malines Town Police:

I am Marcel Van der Winckel, and I live in the Town of Malines, Belgium. I am at present in the Civil Prison, Malines, Belgium, awaiting trial for illegal possession and selling of petrol.

On Wednesday 4 Oct 44 at about 1400 hrs, a soldier who I have now recognized, brought a tipper lorry loaded with cartons (94) of petrol. He asked me if I would like to buy petrol and I asked him why he had been so late as I had arranged with him to let me know a week in advance. I had made this arrangement when talking tohim in the cafe Nieuwe Hock about the end of September. I had heard the soldier asking several people if they wished to buy petrol and I told him that when he had any I would buy it. I agreed to buy the petrol, then I jumped in the lorrywith him and went to look for a place to hide the petrol. We went to several places and eventually hid it in a garage in Lemmens Street, owned by Kero. We counted 102 cans and I agreed to pay him 125 Frs. per can. I paid him 14,750 Frs. The soldier then left with the lorry. Between 2000 hrs and 2100 hrs same evening I saw the soldier whom I now recognize as Pte DUFOUR. I told him that I had bought petrol from KING and had given him 2000 Frs too much. DUFOUR then went over to KING and in the cafe asked him to pay back the 2000 Frs. KING then paid me back the 2000 Frs.

The same night about 2300 hrs I left the cafe in company with my wife and child when I heard DUFOUR arguing with another person in a foreign language. I crossed over and I thanked DUFOUR and then asked him what he had on his lorry and DUFOUR then asked me if I would like to buy oil and I said yes but I have no more money left. DUFOUR consulted some other person and came back to me and said, you can have the oil and pay for it when you are able. I agreed to buy the oil and arrange the price later. I then got in the truck and accompanied him to the house of Mme. Vleminckx, where we unloaded the truck, there were between 63 and 67 barrels and DUFOUR asked that I pay 150 Frs. per barrel. Not having the money to pay then I arranged to pay later.

On Thursday morning my wife went to look at the oil and found that some of it was other fluid. On Friday the 6 Oct 44 between 0900 hrs and 1000 hrs DUFOUR came to my house alone and told me he was going away to the front line and wanted the money, he asked me for 3000 Frs, I paid him this sum and DUFOUR went away in the lorry.

SUMMARY OF EVIDENCE in the case of E.14045 Pte DUFOUR, A.G., 36 Cdn A Tps Comp Coy, a soldier of the Canadian Army Overseas, charged with improperly and without lawful authority selling to a civilian, Marcel Van der Winckel, public property as follows:(About 95 cans of oil, vsrous types. (A.A.Sec. 40).)

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS: Lieut. A. KENYON, O.i/c #59 C.M.Police Detachment, Malines, Belgium, having been duly sworn, states:

I am Lieut. A. KENYON, O.i/c #59 C.M.Police Detachment.

As the result of information received on 4 Oct 44, accompanied by Inspector Opdebeck of the Malines Town Police, I proceeded to the home of Marcel Van der WINCKEL, Fransh Ola, Yest No.35, Town of Malines, Belgium, to search for Canadian Military petrol and oil, suspected of being illegally stored in the above-mentioned house. As the result of this search I found the following [redacted] Military property in the premises occupied by Marcel Van der Winckel:

13 - 4 gal tins of petrol
9 -10 gallon containers of Flame-Thrower fuel
3 - 5 gallon drums of oil

I confiscated this Cdn Military property and removed it to the Detachment HQ in the Town of Malines. Marcel Van der Winckel was then cautioned by PC Seyers of the Malines Town Police in my presence, and made a statement which involved a Pte. DUFOUR and a Pte (L/cpl) KING, both of 36 Cdn A Tps Comp Coy, which I now produce as Exhibit "A".

Sjt. Sherwood of the SIS Cdn Provost Corps was present at the time the statement was made by Marcel Van der Winckel, and after which he proceeded to the HQ of 36 Cdn A Tps Comp Coy at my request, to have the above two personnel returned to this office for further questioning in this case.

Sjt. Sherwood returned with all the above-mentioned personnel as requested, and after being duly warned in accordance with R.P.4(e), the accused made the following statement, which I produce as Exhibit "B".

After making the above statement, Pte. DUFOUR was shown the statement made by Marcel Van der Winckel, which I now produce as Exhibit "A", and as a result of this, made the following additional statement, which I now produce as exhibit "C".

The accused declines to cross-examine this witness.

SECOND WITNESS Marcel Van der WINCKEL, at present in Civil Prison, Malines, Belgium, having been sworn, states through an interpreter; PC 63 - Jan Seyers, Malines Town Police:

I am Marcel Van der Winckel, and I live in the Town of Malines, Belgium. I am at present in the Civil Prison, Malines, Belgium, awaiting trial for illegal possession and selling of petrol.

On Wednesday 4 Oct 44 at about 1400 hrs, a soldier who I have now recognised, brought a tipper lorry loaded with cartons (94) of petrol. He asked me if I would like to buy petrol and I asked him why he had been so late as I had arranged with him to let me know a week in advance. I had made this arrangement when talking to him in the cafe Nieuwe Hoek about the end of September. I had heard the soldier asking several people if they wished to buy petrol and I told him that when he had any I would buy it. I agreed to buy the petrol, then I jumped in the lorry with him and went to look for a place to hide the petrol. We went to several places and eventually hid it in a garage in Lemmens Street, owned by Kero. We counted 102 cans and I agreed to pay him 135 Frs. per can. I paid him 14,750 Frs. The soldier then left with the lorry. Between 2000 hrs and 2100 hrs same evening I saw the soldier whom I now recognise as Pte. DUFOUR. I told him that I had bought petrol from KING and had given him 2000 Frs too much. DUFOUR then went over to KING ~~and~~ in the cafe and asked him to pay back the 2000 Frs. KING then paid me back the 2000 Frs.

The same night about 2300 hrs I left the cafe in company with my wife and child when I heard DUFOUR arguing with another person in a foreign language. I crossed over and I thanked DUFOUR and then asked him what he had on his lorry and DUFOUR then asked me if I would like to buy oil and I said yes but I have no more money left. DUFOUR consulted some other person and came back to me and said, you can have the oil and pay for it when you are able. I agreed to buy the oil and arrange the price later. I then got in the truck and accompanied him to the house of Mdme. Vleminckx, where we unloaded the truck, there were between 65 and 67 barrels and DUFOUR asked that I pay 150 Frs. per barrel. Not having the money to pay then I arranged to pay later.

On Thursday morning my wife went to look at the oil and found that some of it was other fluid. On Friday the 6 Oct 44 between 0900 hrs and 1000 hrs DUFOUR came to my house

460

SECOND WITNESS (Cont'd) alone and told me he was going away to the front line and wanted the money, he asked me for 3000 Frs, I paid him this sum and DUFOUR went away in the lorry.

Statement of Pte DUPOUR.

The statement I made is not exactly correct. Despite the warning at the top, there was somebody, Lt Kenyon who asked me a lot of questions first later he took me to the civil jail where I was identified by the 2 civilians. Then he took me to his HQ. On the way he said I had better watch myself or the while brigade would shoot me. He said the civil court had already condemned me to 20 years imprisonment, for housebreading and stealing. This was about something quite different from the oil business He asked me to make a statement. My hand was in a cast at the time. A Br soldier had asked me to interpret for him to sell his load of oil. I found a civilian and went to his house and we unloaded the oil there. If I hadn't been drinking I wouldn't have done it. I gave the statement because the officer said that what I said wasn't true.

Second Witness for Pros.

Marcel Van der Winchel duly sworn states.

I live in the town of Malines Belgium about a week before this incident I saw the accused DUPOUR in a Cafe. I became friendly with him. On 4 Oct about 11 in the evening I saw DUPOUR talking with 2 men at a lorry in Malines I went to thank him for something he had done for me. I asked him what he had on his lorry. He said he had oil and that he would like to give it to me get payment later as I had no money left. after talking to the other men. DUPOUR suggested to sell me 40 drums at 1500 frs per drum but later agreed on less. DUPOUR said there were 60 drums. I found later there were about 68 . On Friday 6 Oct DUPOUR came and asked for some of the money I gave him 30000 frs and asked when he would return again. Accused said he might be back in a fortnight.

Defence declines to X-examine

R.P. 82(3) is complied with.

Third witness for prosecution

307524 Lt[illegible] Kenyon CS CMP police detachment duly sworn
On 7 Oct 44 I visited the home of Marcel Van der Winckel in Malines and found on his premises 13-4 gal tins of 87 D Petrol
9-10 Gal containers of Flame Thrower fluid.
About 4 [illegible] drums of oil.
The accused Pte DUPOUR was brought to my office on 8 Oct 44. I cautioned him and he denied all knowledge of the offence. On 9 Oct Marcel Van der Winckle made a statement which I produce as Ex "A". In the presence of the accused I translated it to him. He cautioned him after which he told me he clearly understood the statement and my caution. He then made a statement which I produce as Ex "B". Accused and Def officer say they are not objecting to admissibility of Ex "B".

X-examined.
When I cautioned Dumoun the caution was in accordance with RP.
By the JA.

1. The drums of oil I found were clearly marked HQ 30 US Navy. that means oil purchased under lease lend. The petrolwas clearly marked MT 100 and were the English lettering on the carton TOP. The flame thrower fuel was marked in English and had a WD arrow. In my opinion it was definitely WD property. It may have been issued to the Can forces but I can't tell if it was.

R.P. 83(b) is complied with.

Accused duly sworn states.

On the night of this incident I was drinking since noon. I had been working day and night. We went to Le Havre. Worked from 6 in the morning until 8 or 9 at night. We moved up in convoy to Belgium. and I had no spare driver. I was very tired and sleepy. It took 2½ days to reach Malines. We then moved up to here and were working very hard from there. I was drinking in order to keep going. My had was poisoned and I went on sick parade. It was out could never see the doctor. I had a civilian downtown lance it for me. Because of my hand I was excused duty verbally by the SJT for the day and went to see my girl friend.

I ~~xxxis~~xxx wanted to get married but found I couldn't so went on a drunk. This was the 4 Oct. I spent all afternoon in a Cafe drinking with 2 civilians. After supper we returned to the cafe. I drank cognac and drank a lot of it. I spent the night in the cafe Marcel Vande Winelke was there and about1030 a soldier came up to me and asked me if I could find someone who would buy his load of oil. I went out and looked at his load. Then Van der Winckle came up and I was arguing with the soldier about how much a fee would be for helping him He said he would give me about 50%. Vander Winckle asked me what I had in the truck. He said he had not any money so I went and told the soldier so. He said he didn't mind and we drove around for a while and finally went to Vander Winckle's house where he said we had better unload the oil. I asked the soldier how much he wanted and he said 150 frs per barrel Vander Winckle agreed on the price and said he would probably pay in the morning. I told the soldier I would try to collect and arranged to meet him at the cafe to give him the money. We took me back and left me at the pub where I slept. In the morning I returned to my unit, still partly drunk. On the Friday I returned to Vander Winckle's house. I asked him for some money and he gave me 3000 frans I returned to the unit but apparently had lost the 3000 fr on the way.

X-examined. had
It was really the other soldier who/the oil but I sold it for him.
The price I asked was 150 fr per barrel or drum.

By the J.A. The soldier was a Br soldier . I presumed it was public property as the army is the only place you can get oil. The lorry on which the oil was was a Br military vehicle. We unloaded the oil at Vander Winckle's I took part in the unloading.
R.P. 83(3) is complied with.

Summing up.
The prosecutor . The evidence shows the accused guilty of the offence. Defending Officer declines to sum up.

I am Marcel Van der WINCKEL, and I live in the Town of Malines, Belgium. I am at present in the Civil Prison, Malines Belgium, awaiting trial ofr illegal possessio n and selling of petrol.

On Wednesday 4 Oct 44 at about 1400 hrs, a soldier who I have now recognized brought a tipper lorry loaded withcartons (94) of petrol, He asked me if I would like to buy petrol and I asked him why he had been so late as I had arranged with tim to let me know a week in advance. I had made this arrangement when talking to him in the cafe Miewue Hock about the end of September. I had heard the soldier asking several people if they wished to buy petrol and I told him that when he had any I would buy it. I agreed to buy the petrol, then I jumped in the lorry with him and went to look for a place to hide the petrol. We went to several places and eventually hid it i n a garage in Lemmens Street, owned by Kero. We counted 102 cans and I agreed to pay him 125 Frs. per can. I paid him 14750 Frs. The soldier then left with the lorry. Between 2000 hrs and 2100 hrs same evening I saw the soldier whom I now recognise as Pte DUFOUR. I told him that I had bought petrol from KING and had given him 2000 frs too much. DUFOUR then went over to KING and in the cafe asked him to pay back the 2000 frs. KING then paid me back the 2000 Frs.

The same night about 2300 hrs I left the cafe in company with my wife and child when I heard DUFOUR arguing with another person in a foreign language. I crossed over and I thanked DUFOUR and then asked what he had on his lorry and DUFOUR then asked me if I would lke to buy oil and I said "Yes" but I have no more money left." DUFOUR consulte d some other person and came back to me and said, "You can have the oil and pay for it when you are able", I agreed to buy the oil and arrange the price later. I then got in the truck and accompanied him to the house of Mdme Vleminckx, where we unloaded the truck, there were between 65 and 67 barrels and DUFOUR asked that I pay 150 Frs per barrel. Not having the money po pay then I arranged to pay later.

On Thursday morning my wife went to look at the oil and found that some of it was ot er fluid. On Friday the 6th Oct 44between 0900 hrs and 1000 hrs DUFOUR came to my house alone and told me he was going away to the front line and wanted the money, he asked me for 3000 frs. I paid him this sum and DUFOUR went away inthe lorry.

Statement of S-14045 Pte DUFOUR A.G. 36 Cdn A Tps Comp Coy RCASC.

I have been cautioned by Sjt J A Sherwood of No. 1 SIS First C Cdn Army that I do not need to say anything unless I wish to do so but that whatever I do say will be taken down inwriting and may be used as evidence.

G DUFOUR.

When I arrived in France I was with 36 Comp Coy then I was attached to Unit #200 RASC (Br) with L/Cpl King, Ptes Martin, Kulac, and Schacter. I drove a Demis truck hauling alltypes of supplies. We moved to Waline about 18 days ago where I washauling supplies from the station to the dump. One day, I think it was on either Sun or Mon a week ago, I went ot the cafe where my girl friend worked. A civie I had seen before, buy me a drink and then offer me three bottles of cognac for six jerry cans of gasoline. About that time the driver Martin came up to the pub in his truck for get me back to the unit for duty. I told Martin my truck was stuck and I needed petrol, which was not true. I asked him to lned me six cans of petrol, and he said he would and then Martin drove me and the civilian to a house where I said I wanted the petrol left until morning. I received three bottles of cognac from the civilian. Martin knew nothing about this.

Last Wed night I was hauling supplies from the station. I was drinking all day. In my drunkenness I thought I will stop at the cafe and see my girl friend at this time I had a load of oil, about 85 cans, of all different kinds of oil. I drank with a few men in the cafe. Some xx told me I could have a good deal on that I asked one who I knew, if I could put it in his house until I found a customer, He said yes. I was hard up for money. I put it in his house that night with the help of the civilian and a Br soldier who asked me for a lift. I know nothing about him. I told him the civilian, not to get less than 14000 Frs for the load Then I left. Next morning they told us we were moving back to my unit I slept at the cafe the night before and Martin came down that morning to tell me and any otheresof our bunch that we were moving My truck was broke at the camp, I asked him to stop at the house where I had left the oil the night before as it is on the way back to camp. I didn't get any money then and I wanted to take the oil away, but I wasn't able to as we left too soon for the unit. That night I came back from Sect with my truck and the morning after I went to the house and they gave me 5000 frs for the oil I was very drunk and don't remember what I told the civilian about the rest of the money, but I left the oil there.

I don't remember ever selling any other petrol or oil.

I have had this statement read over to me and it is true.

Statement of PteDUFOUR. 34A

The statement I made is not exactly correct. Despite the warning at the top, there was somebody, Lt Kenyon who asked me a lot of questions first later he took me to the civil jail where I was identified by the 2 civilians. Then he took me to his HQ. On the way he said I had better watch myself or the white brigade would shoot me. He said the civil court had already condemned me to 20 years imprisonment, for housebreading and stealing. This was about something quite different from the oil business He asked me to make a statement. My hand was in a cast at the time. A Br soldier had asked me to interpret for him to sell his load of oil. I found a civilian and went to his house and we unloaded the oil there. If I hadn't been drinking I wouldn't have done it. I gave the statement because the officer said that what I said wasn't true.

Second Witness for Pros.

Marcel Van der Winchel duly sworn states.

I live in the town of Malines Belgium about a week before this incidetn Isaw the accused DUPOUR in a Cafe. I became friendly with him. On 4 Oct about 11 in the evening I saw DUFOUR talking with 2 men at a lorry in Malines I went to thank him for something he had done for me. I asked him what he had on his lorry. He said he had oil and that he would like to give it to me get payment later as I had no money left. DUFOUR suggested to this after talking to the other men. DUFOUR asked 150 Frs per drum but later agreed on less. DUFOUR said there were 95 drums. I found later there were about 68 . On Friday 6 Oct DUFOUR came and asked for some of the money I gave him 5000 Frs and asked when he would return again. Accused said he mightbe back in a fortnight.

Defence declines to X-examine
R.P: 83(B) is complied with.

Third witness for prosecution

307524 Lt A Kenyon 59 CMP Police detachment duly sworn
On 7 Oct 44 I visited the home of Marcel Van der Winckel in Maline and found on his premises 13-4 gal tins of W D Petrol
9-10 Gal containers of Flame Thrower fluid.
About 4 ~~barrels~~ drums of oil.
The accused Pte DUFOUR was brought to my office on 8 Oct 44. I cautioned him and he denied all knowledge of the offence. On 9 Oct Marcel Van der Winckle made a statement which I produce as Ex "A". In the presence of the accused I translated to him. We cautioned him after which he told me he clearly understood the statement and my caution. He then made a statement which I produce as Ex "B". Accused and Def Officer say they are not objecting toadmissibility of Ex "B".

X-examined.
When I cautioned DUFOUR the caution was in accordance with RP.
By the JA.

1. The drums of oil I found were clearly marked HQ 30 US Navy. that means oil purchased under lease lend. The petrolwas clearly marked MT 100 and wore the English lettering on the carton TOP. The flame thrower fuel was marked in English and had a WD arrow. In my opinion it was definitely WD property. It may have been issued to the Can forces but I can't tell if it was.

R.P. 83(b) is complied with.

Accused duly sworn states.

On the night of this incident I was drinking since noon. I had been working day and night. We went to Le Havre. Worked from 6 in the morning until 8 or 9 at night. We moved up in convoy to Belgium. and I had no spare driver. I was very tired and sleepy. It took 2½ days to reach Malines. We then moved up to here and were working very hard from there. I was drinking in order to keep going. My had was poisoned and I went on sick parade. 3 t mes but could never see the doctor. I had a civilian downtown lance it for me. Because of my hand I was excused duty verbally by the Sjt for the day and went to see my girl friend.

I ~~xxxxxxxx~~ wanted to get married but found I couldn't so went on a drunk. This was the 4 Oct. I spent all afternoon in a Cafe drinking with 2 civilians. After supper we returned to the cafe. I drank cognac and drank a lot of it. I spent the night in the cafe Marcel Vande Winclke was there and about1030 a soldier came up to me and asked me if I could find someone who would buy his load of oil. I went out and looked at his load. Then Van der Winckle came up and I was arguing with the soldier about how much my fee would be for helping him He said he would give me about 50%. Vander Winckle asked me what I had in the tmuck. He said he had not any money so I went and told the soldier so. He said he didn't mind and we drove around for a while and finally went to Vander Winckle's house where he said we had beater unload the oil. I asked the soldier how much he wanted and he said 150 Frs per barrel Vander Winckle agreed on the price and said he would probably pay in the morning. I told the soldier I would try to collect and arranged to meet him at the cafe to give him the money. He took me back and left me at the pub where I slept. In the morning I returned to my unit, still partly drunk, On the Friday I returned to Vander Winckle's house. I asked him for some money and he gave me 3000 francs I returned to the unit but apparently had lost the 3000 fr on the way.

X-examined.
It was really the other soldier who had the oil but I sold it for him.
The price I asked was 150 fr per barrel or drum.

By the J.A. The soldier was a Br soldier . I presumed it was public property as the army is the only place you can get oil. The lorry on which the oil was was a Br military vehicle. We unloaded the oil at Vander Winckle's I took part in the unloading.
R.P. 83(B) is complied with.

Summing up.
The prosecutor . The evidence shows the accused guilty of the offence. Defending Officer declines to sum up.
JA Sums up. 1. Reviews evidence.
2. Onus of proofs and reasonable doubt.

EXHIBIT "A" Statement by Marcel Van der Winckel
of the town of Malines, Belgium
9 Oct 44.

Marcel Van der WINCKEL, at present in Civil Prison, Malines, Belgium, having been sworn, states through an interpreter: PC 63 Jan SEYERS, Malines Town Police:

I am Marcel Van der WINCKEL, and I live in the Town of Malines, Belgium. I am at present in the Civil Prison, Malines Belgium, awaiting trial ofr illegal possessio n and selling of petrol.

On Wednesday 4 Oct 44 at about 1400 hrs, a soldier who I have now recognized brought a tipper lorry loaded with cartons (94) of petrol. He asked me if I would like to buy petrol and I asked him why he had been so late as I had arranged with tim to let me know a week in advance. I had made this arrangement when talking to him in the cafe Mlewue Hock about the end of September. I had heard the soldier asking several people if they wished to buy petrol and I told him that when he had any I would buy it. I agreed to buy the petrol, then I jumped in the lorry with him and went to look for a place to hide the petrol. We went to several places and eventually hid it in a garage in Lemmens Street, owned by Kero. We counted 102 cans and I agreed to pay him 125 Frs. per can. I paid him 14750 Frs. The soldier then left with the lorry. Between 2000 hrs and 2100 hrs same evening I saw the soldier whom I now recognise as Pte DUFOUR. I told him that I had bought petrol from KING and had given him 2000 frs too much. DUFOUR then went over to KING and in the cafe asked him to pay back the 2000 frs. KING then paid me back the 2000 Frs.

The same night about 2300 hrs I left the cafe in company with my wife and child when I heard DUFOUR arguing with another person in a foreign language. I crossed over and I thanked DUFOUR and then asked what he had on his lorry and DUFOUR then asked me if I would like to buy oil and I said "Yes" but I have no more money left." DUFOUR consulte d some other person and came back to me and said, "You can have the oil and pay for it when you are able". I agreed to buy the oil and arrange the price later. I then got in the truck and accompanied him to the house of Mdme Vleminckx, where we unloaded the truck, there were between 63 and 67 barrels and DUFOUR asked that I pay 150 Frs per barrel. Not having the money po pay then I arranged to pay later.

On Thursday morning my wife went to look at the oil and found that some of it was ot er fluid. On Friday the 6th Oct 44 between 0900 hrs and 1000 hrs DUFOUR came to my house alone and told me he was going away to the front line and wanted the money, he asked me for 3000 frs. I paid him this sum and DUFOUR went away in the lorry.

FIRST WITNESS

Lieut A KENYON, Oi/c #59 C.M. Police Detachment, Malines, Belgium, having been duly sworn states:

I am Lieut A KENYON Oi/c #59 C.M. Police Detachment.

As the result of information received on 4 Oct 44 accompanied by Inspector Opdebeck of the Malines Town Police, I proceeded to the home of Marcel Van der WINCKEL, Franshols, West No. 35. Town of Malines, Belgium, to search for Canadian Military petrol and oil, suspected of being illegally stored in the above-mentioned house. As the result of this search I found the following Military property in the premises occupied by Marcel Van derWinckel:

13 - 4 Gal Tins of petrol
9 - 10 Gallon containers of Flame thrower fuel.
3 - 5 galon drums of oil.

I confiscated this Cdn Military property and remived it to the Detachment HQ in the Town of Malines. Marcel Van der Winckel was then cautioned by PC Seyers of the Malines Town Police in my presence, and made a statement which involved a Pte DUFOUR And a Pte (L/Cpl) KING, both of 36 Cdn ATps Comp Coy, which I now produce as Exhibit "A".

Sjt Sherwood of the SIS Cdn Provost Corps was present at the time the statement was made by Marcel Van der Winckel, and after which he proceeded to the HQ of 36 Cdn A Tps Comp Coy at my request, to have the above two personnel returned to this office for further questioning in this case. Sjt Sherwood returned with all the above-mentioned personnel as requested, and after being duly warned in accordance with R.P. 4(e) the accused made the following statement, which I produce as Exhibit "B".

The accused declines to cross-examine this witness.

A Kenyon Lieut,
Oi/c #59 C M P Det.

SECOND WITNESS

Marcel Van der WINCKEL, at present in CIVIL Prison, Malines, Belgium, having been duly sworn states through an interpreter: PC 63 JAN SEYERS, Malines Town Police:

I am Marcel Van der Winckel and I live in the Town of Malines, Belgium. I am at present in the Civil Prison, Malines, Belgium, awaiting trial for illegal possession and selling of petrol.

On Wednesday 4 Oct 44 at about 1400 hrs a soldier who I have now recognized, brought a tipper lorry loaded with cartons (94) of petrol. He asked me if I would like to buy petrol and I asked him why he had been so late as I had arranged with him to let me know a week in advance. I had made this arrangement when talking to him in the cafe Nieuwe Hoek about the end of September. I had heard the soldier asking several people if they wished to buy petrol and I told him that if they wished to, when he had any I would buy it I agreed to buy thepetrol, &hen I jumped in the lorry with him and went to look for a place to hide the petrol. We went to several places and eventually hid it in a garage in Lemmens Street, owned by Kero. We counted 102 cans and I agreed to pay him 125 frs per can. I paid him 14750 frs. The soldier then left with the lorry, Between 2000 hrs and 2100 hrs the same evening I saw the soldier whom I now recognize as Pte DUFOUR. I told him I had bought petrol from KING and had given him 2000 Frs too much. DUFOUR then went over to KING and in the cafe asked him to pay back the 2000 frs. KING then paid me back the 2000 Frs.

The Same night about 2300 hrs I left the cafe in company with my wife and child when I heard DUFOUR arguing with another person in a foreign language. I crossed over and I thanked DUFOUR and then asked him what he had in his lorry and DUFOUR then asked me if I would like to buy some oil and I said "Yes" but I have no more money left". DUFOUR consulted some other person and came back to me and said "You can have the oil and pay for it when you are able". I agreed to buy the oil and arrange the proce later. I then got in the truck and accompanied him to the house of Mdme Vleminckx where we unloaded the truck, there were between 65 and 67 barrels and DUFORU asked that I pay 150 Frs per barrel. Not having the money to pay then, I arranged to pay later.

On Thursday morning my wife went to look at the oil and found some of was other fluid On Friday 6 Oct 44 between 0900 hrs and 1000 hrs DUFOUR came to my house alone and told me he was going away to the front line and wanted the money. he asked me for 3000frs I paid him this sum and DUFOUR went away in the lorry.

G DUFOUR.

When I arrived in France I was with 36 Comp Coy then I was attached to Unit #290 RASC (Br) with L/Cpl King, Ptes Martin, Kulag, and Schacter. I drove a Denis truck hauling alltypes of supplies. We moved to Maline about 18 days ago where I washauling supplies from the station to the dump. One day, I think it was on either Sun or Mon a week ago, I went ot the cafe where my girl friend worked. A civie I had seen before, buy me a drink and then offer me three bottles of cognac for six jerry cans of gasoline. About that time the driver Marin came up to the pub in his truck for get me back to the unit for duty. I told Martin mh truck was stuck and I needed petrol, which was not true. I asked him to lned me six cans of petrol, and he said he would and then Martin drove me and the civilian to a house where I said I wanted the petrol left until morning. I received three bottles of cognac from the civilian. Martin knew nothing about this.

Last Wed night I was hauling supplies from the station. I was drinking all day. In my drunkenness I thought I will stop at the cafe and see my girl friend at this time I had a load of oil, about 95 cans, of all different kinds of oil. I drank with a few men in the cafe. Some one told me I could have a good deal on that I asked one who I knew, if I could put it in his house until I found a customer, He said yes. I was hard up for money. I put it in his house that night with the help of the civilian and a Br soldier who asked me for a lift. I know nothing about him. I told him the civilian, not to get less than 14000 Frs for the load Then I left. Next morning they told us we were moving back to my unit I slept at the cafe the night before and Martin came down that morning to tell me and any otheresof our bunch that we were moving My truck was broke at the camp. I asked him to stop at the house where I had left the oil the night before as it is on the way back to camp I didn't get any money then and I wanted to take the oil away, but I wasn't able to as we left too soon for the unit. That night I came back from Gent with my truck and the morning after I went to the house and they gave me 3000 frs for the oil I was very drunk and don't remember what I told the civilian about the rest of the money, but I left the oil there.

I don't remember ever selling any other petrol or oil.

I have had this statement read over to me and it is true.

PLEA FOR MITIGATION OF SENTENCE

AGE 30 - SINGLE ENLISTED 12 MAR 42
CAME IN ENGLAND 18 MAR 43
CAME IN FRANCE 6 JULY 44 — 2 NOV 44 (4 MONTHS) WITH UNIT

The accused had some trouble with one of the N.C.O. of his unit while he was in England, and when they came in France this N.C.O. never missed an opportunity of pinning him down, in ordering him to all sorts of duties and furthermore taking him from Unit orderly that he was to change him to further duties. The accused never refused any order as short was not much he could do about it. But on true the accused suffered from shell shock and was not sent to the war for a rest. The accused never took a leave during all the time he was in action and came a day when he could not endure any more and decided to desert.

So far as he knew his unit, company is "F".

The accused is willing to join back his unit at the earliest opportunity. He just ask to be treated fairly.

(*I. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. Nil. (5)

(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by one of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans I wish to give evidence. Do you intend to call witnesses on your behalf ? Ans Yes. Are they witnesses as to character only ? Ans No Sir.

Produces Coy. records and reads. Ex.
Accused signed for rifle No. 18 L 6073
Charged again with rifle No. 29 L 7758 which
he has now in his possession. He has
now rifle No. 29 L 7758 and could not
produce rifle No. 18 L 6073 on 1st inspection.

1 St Bn. Cross Scots
Procedure on checking rifles following
scheme Harlequin and result —
Upon return to Camp from scheme, a check
was made by all Coys. R.S.M.'s to determine
lost and switched weapons within regiment.
Each Coy. R.S.M. turned into the R.S. list of
rifles not belonging to Coy. They were
checked against other ledgers and returned
to owners. It was found that accused was
holding a rifle belonging to another soldier
and returned to rightful owner. Result of
check found rifle 18 L 6073 rifle still missing.

Cross examined by Defence.
Def — Any rifle lost by Sp. Coy.
Wit — Yes.
Def — Do you remember on scheme, C.S.M.'s reporting loss
to you of rifle 18 L 6073?
Wit — Don't remember for sure.
Def. — You checked all rifles in Bn. at Camp some
days later?
Wit — Yes sir. We also had rifles switched between Ex.

units and brought back four rifles from from other units. 5 S R & Royal Regt were units concerned. Did not receive rifles from any other units.

Witness No. 3. (Prosec)

A. 76119 Pte Harnock H. M. Essex Scots.

Pros - What happened at noon 3 Sept 43 on scheme Harlequin?

Ans - Accused and myself dined together with some other fellows whom I didn't know. Accused placed his rifle at the end of the table while I put my Sten Gun on table beside me. There were other rifles leaning on table with accused's rifle. After dinner accused started to leave but accused found the rifle left there was not his. He noticed this mistake and reported it to the C.L.M.S. immediately. We were the last ones at table therefore there was only the one rifle left (which was not his).

Cross Ex by Defence:-

Barrack tables lined up in rows. Did not know men who dined with us. We were by the tent wall. Accused was sitting in centre of bench which meant that there was a man between him and his rifle. I did not go with him to report his loss.

Witness No. 3. (Prosec)

Capt. T. A. Wilston Adjutant Essex Scots.

On 25 Aug 43 Coy (Ex Scots) were in area of Hiltonbury Camp during scheme Harlequin. Verbal order from Bde H.Q. personal arms to be carried by everyone at all times

except on walking out. Order conveyed to troops verbally through Coy. Cmdrs. and carried out.

Cross Ex by Defence.

I attended some meal parades and saw all men carrying rifles to mess tents and some piled them at end of dining table. I knew of accused's loss. Upon checking rifles on returning to Camp after Haulgum, accused had same rifle he had piled up on scheme in place of his own.

Defence Officer submits evidence that prosecution does not establish a prima facie case against accused on following grounds.

Sec 24 - 2 A.A., the fact that a soldier cannot produce arms etc upon inspection is evidence of loss by neglect but the producing of evidence by the accused or on his behalf showing that neglect was not culpable and that it was mere carelessness is complete answer to charge under this section. That statement will be found in notes to Sec 24 2. In this case, I submit that the Prosecution has not shown anything greater than carelessness as has been testified by the Asst that troops were required to carry arms to meals by Bde order — was common practice at meals to pile arms at end of table — also testified that loss was reported as at Hiltonbury Camp. — Pte Hamack testified that accused reported loss of weapon immediately after meal and during meal, only one man separated accused from his rifle and that immediately

Q.

upon picking up weapon, left at table recognised it was not his own. I submit that all the evidence is not consistent with finding of culpable neglect and does not even show Carelessness on accuds' part. At meal, he followed common practice of placing rifle at end of table, was familiar enough with his own rifle to notice it wasn't his own and was conscientious enough to report loss immediately and also looked after rifle left him which is seldom done in many cases. As prosecution, Court should feel justified in dismissing case against accused.

Court:- No Prima Facie Case proved. Not proven Carelessness no neglect but the fact that he did not have arms upon inspection is reason enough for Court to have it proved that weapon was not lost by neglect or Carelessness

Witness No 1. for Defence

Capt. Burgess Sp. Coy 7th Cdn Scots.

I am Coy Cmdr. of Sp. Coy and was with Coy on scheme Harlequin. On 3 Sept 43 after the noon meal parade accused came and reported loss of his rifle to C.S.M.S. At this time he had another rifle in place of his own. I reported loss to Adj. immediately and held a check in my Coy. suggesting a similar check be made in other Coys. Found two rifles missing in my Coy one of which was the accused's. The check was not made in rifle Coys. until after the scheme and we were back in

D

Camps. therefore a period of several days had lapsed before a check of all the rifles in the Bn. was made. In Harlequin it was common for men to place rifles at end of table as I saw them doing it on my meal inspections. It was possible for more than one coy to be eating in the same tent at one time during this scheme. I know that the rifle which accused found in place of his own on 3 Sept 43 remained in his possession until claimed by a rifleman in a rifle Coy of that unit.

2nd Witness for Defence (Questioned by Def. Off)

(Accused evidence on oath.) A 116547 Pte Dufour R.E. Ex Instr
On 3 Sept 43 I was eating in mess with Pte Harnack and other men but don't know who other men were nor what unit they belonged to. Some were at table when we arrived and some came later. I knew it was not my rifle by the rust on the barrel so looked it over carefully then reported to my C. Q. M. S. immediately.

Cross by Prosecutor.

Were you in habit of placing your rifle at end of table during scheme?

Answer — Yes Sir.

Defending Officer's Address

I submit that the prosecution has failed to establish the degree of neglect necessary to justify conviction under AW 24(c). The neglect, as a matter of fact, must start at some particular time and if we examine Pte Dupont's conduct up to the time he got up from the table and found his rifle missing and another one in its place, we find that he had done only what was common practice in the unit. That is, pursuant to brigade order, he carried his rifle on meal parades, and in common with all other riflemen, piled his rifle at the end of the table in the mess hall while he was eating. The evidence establishes that he could not have been more than three feet away from his rifle at any time as he was seated in the middle of an ordinary table folding.

I would also like to point out that Dupont's actions after he found his rifle missing were consistent with those of a reasonable and careful soldier in that he immediately reported the loss to his C.Q.M.S. and took care of the rifle that had been left in place of his, until it was claimed by the man charged with it, several days later.

I therefore respectfully submit that the onus imposed upon the defence when the prosecution established that Dupont could not produce the rifle charged to him, has by the above evidence, been shifted to the prosecution and that the prosecution has not adduced any proof capable of neglect or even carelessness on the part of the accused.

SUMMARY OF EVIDENCE

In the case of A 116547 Pte. Dufour, Louis Edward, 1st Bn., The Essex Scottish Regiment, a soldier of the Canadian Army (Overseas)

The accused is informed of his rights.

The Commanding Officer directs that the evidence be taken on oath.

First Witness For the Prosecution

Capt. J.W. Burgess, Officer Commanding, Support Coy 1st Bn., The Essex Scottish Regiment, being duly sworn states:

"On 3 SEP 43 while the Bn was on Exercise Harlequin after the noon meal, C.Q.M.S. Duignan reported to me that A 116547 Pte Dufour of the Mortar Pl had reported the loss of his rifle in the mess tent during the meal hour. I immediately reported the loss to the adjutant and told him that to prevent further complications I was having all rifles in Support Coy checked at once and suggested that if the rifle coys would also have a rifle check the missing rifle would in all probability be located. All rifles in Support Coy were checked that afternoon and it was found that only Pte. Dufour and one other person were in possession of rifles whose numbers did not correspond to the numbers of the rifles charged to them in the coy rifle register. I do not believe the rifles in the rifle coys were checked until after the completion of the scheme Harlequin and the Unit had returned to the Unit camp. On this check Pte Dufour's rifle was not located, but someone claimed the rifle then in Dufour's possession. I do not consider that Pte Dufour was in any way negligent in the loss of the rifle charged to him and think that all reasonable steps were taken immediately upon the loss of the rifle to effect the recovery."

I had a Sten Gun and laid it on the table beside me. Pte. Dufour had his rifle and left it at the end of the table on a pile with several other rifles. After eating Dufour and I each had a cigarette and were the last to leave the table. When Dufour picked up the only rifle left, he

This 12th day of May 41.

Aubrey Wrought Major
President.

No. E-4127, Pte. DUFOUR M., No. 2 Canadian Infantry Holding Unit, tried by Field General Court Martial at WITLEY, Surrey, on the 9th day of July, 1941.

The order convening the Court, the charge sheet, summary of evidence and medical certificate are laid before the Court.

Prosecutor:-	Lieut. J.H. Chicoine	No. 2 CIHU.
Defending Officer:-	Lieut. M. Cote	No. 2 CIHU.

At 1000 hrs the trial commences.

The names of the President and members of the Court are read over in the hearing of the accused and they severally answer to their names.

Q1 Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1 No, sir.

The President and members are duly sworn.

Q2 Do you object to B66944, Sgt. T. Pyburn, R.Regt.C., Canadian Base Units, acting as shorthand writer?
A2 No, sir.

The shorthand writer is duly sworn.

The charge sheet is signed by the President and annexed to the proceedings.

The accused is arraigned upon the charge in the above mentioned charge sheet.

Q3 Are you guilty or not guilty of the charge against you, which you have heard read?
A3 Guilty, sir.

R.P. 35 (B) is complied with by the Court.

The summary of evidence is read, signed by the President and annexed to the proceedings.

THE COURT: Do you wish to make any statement in mitigation of punishment?

DEFENDING OFFICER: I merely wish to say, sir, that the civil police gave him no chance to defend himself. They said he stole some blankets in a shelter and he does not understand English very well and he asked for an officer of this Regiment to defend him in the civil court and they gave him six weeks.

THE COURT: You say Pte. Dufour was arrested on a civil charge?

DEFENDING OFFICER: Yes, and he was AWL when he was arrested, and when he was arrested for theft of the blankets he had no chance to defend himself. He asked for an officer from this Regiment and they refused him, and according to British law a man accused of a crime has a right to defend himself, and I would like the Court to take into consideration the fact that he has served six weeks in a civil prison.

THE COURT: As President of this Court, I doubt very much that any man who cannot understand the evidence is going to be sentenced until he has a proper chance of understanding.

19

DEFENDING OFFICER: He asked for an officer to represent him and the only thing one heard was that he was going down for six weeks. We asked the regiment if they had received any news that Pte. Dufour was arrested and they said the only news they had was that he had received six weeks in the civil jail. He went away AWL.

THE COURT: Your plea in mitigation of punishment is that Pte. Dufour was sentenced to six weeks by a civil power and he had requested an officer of his regiment to defend him and the regiment did not receive any such request?

DEFENDING OFFICER: Right. He has been in the detention barracks since 9 May 41 and I have the Sgt. to testify as to his character, and I would like the Court to hear him.

THE COURT: You appreciate that if you bring in a character witness in favour of the accused you at the same time allow his past record, if any, to be brought out?

DEFENDING OFFICER: Yes, sir.

THE COURT: In other words, witnesses who will give evidence of good character can be offset by records or any kind of evidence which will show the accused had a record?

DEFENDING OFFICER: I would like the Sgt to testify as to the character of Pte. Dufour since the time he has been in detention.

THE COURT: The second part of your plea is that the man has been undergoing detention since 9 May 41?

DEFENDING OFFICER: Yes, sir, since he was brought back from Wandsworth Prison.

THE COURT: Now you wish to have the Sgt of the Provost Corps brought to tell the Court of the character of the witness?

DEFENDING OFFICER: Yes, sir.

THE PROSECUTOR: May I have an opportunity of replying to this address?

THE COURT: You will have an opportunity in a minute.

No. G45801, Sgt. E.W. ALLEN, No. 2 Canadian Infantry Holding Unit, being duly sworn, is examined by the defending officer:-

Q4 Give the Court your name, number and unit?
A4 No. G45801, Sgt. E.W. Allen, Provost Sergeant, No. 2 CINU.
Q5 How long has Pte Dufour been in your custody?
A5 About a month.
Q6 What have you to say regarding his work and character during that time?
A6 Very good, sir; no trouble whatever. He has always worked when requested and his general conduct has been good.
Q7 In other words, he was a good soldier?
A7 Yes, sir.

CROSS-EXAMINED BY THE PROSECUTOR

Q8 Did you know Pte Dufour before you had him in detention?
A8 No sir, I did not.
Q9 Then the only knowledge you have of him is that period of one month he spent with you?
A9 Yes, sir.

18

CLOSING ADDRESS OF THE PROSECUTOR

I merely wish to draw attention to the fact that the defending officer in his address to the Court did not help to clarify the matter. The accused man was brought up before a civil court. He was arrested by the civil power whilst AWL from Taplow Hospital. The man was tried, a man to translate was appointed, and they even had the man examined: I remember seeing the papers for a mental test. I submit when the defending officer says the man did not receive justice, it is going a little too far. The evidence before the Court shows that the man was absent for so many days. We are not concerned with the fact that the accused has served some time for another offence: he is not being tried here for that offence.

THE COURT: The Court is well aware of that. What, if anything, have you as to this man's past record?

THE PROSECUTOR: I have the usual form AF B296 and MFM 6.

The Prosecutor, Lieut. J.H. CHICOINE, No. 2 Canadian Infantry Holding Unit, being duly sworn, states:-

I am Lieut. J.H. Chicoine, Royal 22e Regt., attached to No. 2 CIHU. I have been detailed as Courts Martial Officer. I have here and wish to produce AF B296 and certified true copy of the regimental conduct sheet, MFM 6.

The above documents are annexed to the proceedings.

The defending officer declines to cross-examine this witness.

THE COURT IS CLOSED FOR THE CONSIDERATION OF THE SENTENCE.

I, H-33049 Pte. N. Morrison, R.C.A.M.C.
declare that on March 4, 1941 I was on duty as orderly in ward 14, No. 5 General Hospital, Taplow. At about 1230 hours on March 4, 1941 Pte. M. Dufour came to me and asked if he could go out for a walk. I found it rather strange that he should borrow a respirator to take a walk, I nevertheless gave him permission to go out. I did not see Pte. Dufour again. I furthermore declare that Pte. Dufour was wearing a great coat, the property of one Pte. Ford, who has since left the hospital. He was also in possession of 1 hospital shirt, 1 red tie, 1 blue suit, 1 pair pyjamas.

PRESIDENT:	Major J.C.Q. Bown,	1 CSRU.
MEMBERS:	Capt. R.J. Smallian,	1 CERU.
	Capt. H.E. Patrick,	1 CASCRU.

The order convening the Court, charge sheet, summary of evidence and medical certificate are laid before the Court.

The Court satisfy themselves as provided by R.P. 22 & 23.

The accused is brought before the Court.

Prosecutor:	Lieut. J.R. Turner,	1 CDIRU.
Defending Officer:	Lieut. R. Dumais,	1 CDIRU.

At 1500 hrs the trial commences.

The order convening the Court is read, signed by the President, and attached to the proceedings.

The names of the President and members of the Court are read over in the hearing of the accused, and they severally answer to their names.

Q1. Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?

Accused objected to present Court, and requested trial by a court composed only of French speaking officers.

The Court was closed to consider application of accused.

The Court being re-opened, the accused was again brought before it.

THE COURT: The Court have decided to proceed with your trial, and you will have an interpreter to translate for you.

DEFENDING OFFICER: The accused says he wants to have a French court, or he will not say a word. He says he does not trust an interpreter either.

THE COURT: You might explain to him that we will have an interpreter, and he may object to the interpreter if he wishes, but the court is going to carry on.

The President, members and Judge Advocate are duly sworn.

LIEUT. J. BARIBOU-HARDY, 1 C.D.I.R.U., was duly sworn as Interpreter.

Q2. Do you object to No S-66944, A/Sgt T. Pyburn, H.Q., C.R.U., acting as shorthand writer?
A2. No, sir.

The shorthand writer is duly sworn.

The charge sheet is signed by the President, and annexed to the proceedings.

The accused is arraigned upon the charge in the above mentioned charge sheet.

A3. Not Guilty.

Q4. Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity for preparing your defence?
A4. No, sir.

PROSECUTOR: The charge here arises out of a court martial held on 14-15 Apr 42, and the first witness will be Sgt Pyburn, who will give evidence as to a statement made by the accused on oath before that court martial. This statement will indicate the fact that the accused stated that he had, when apprehended in London by L/Cpls Good and Flowers of the CPC, only 1/6. To further questioning he replied in such a way as to definitely indicate to the court that he had 1/6, and no more, and that that was the only money he had in his possession. L/Cpl Flowers will give evidence that he was offered a sum of money in excess of 1/6 and that he actually had that money. L/Cpl Good will also state that he saw the money as it was being offered to himself and L/Cpl Flowers; he actually saw money in possession of the accused in excess of 1/6. I expect Cpl Chenery, who, following the arrest booked the accused in at HQ, No 6 Prov Coy and took his possessions from him, will give evidence as to the actual amount of money taken from the accused and signed for by him.

DEFENCE: The accused object to my defending him; he says he asked for another officer to defend him and it was not me.

JUDGE ADVOCATE: Who detailed you to act?

DEFENCE: The Coy Comdr.

JUDGE ADVOCATE: Who does the accused want?

PROSECUTOR: The accused requested the services of Lieut. R. Archambault if he was available. That information was immly passed on to Bde Wing, and Lt. Archambault was not available, and when that happens the Bde detail someone else to defend the accused.

JUDGE ADVOCATE: Mr. Interpreter, you might explain that to the accused.

The accused signifies his consent to LIEUT. R. DUMAIS defending him.

"Q. Would you tell the court where you got the 1/6 that you had in your
"pocket at that time when you gave it to the Prov Corps for disposal?

"A. Yes, sir.
"Q. And further, that you offered also another 2/- to L/Cpl Good at that "time when they were taking you down to the road to the HQ of the Prov "Corps?
"A. I could not give them both 2/- because I only had 1/6 in my pocket.

Q6. What do you know of the apprehension of Pte Dufour M. on 23 Mar 42, with particular reference to anything you know of what money he had in his possession?
A6. On 23 Mar 42 I was on duty in the Marble Arch area in the vicinity of Edgeware Rd and Hyde Park. At 1345 hrs I met the accused on Edgeware Rd at the corner of a street. On questioning him, he did not have a pass, nor his pay book. I informed him I was taking him to HQ for further investigation. L/Cpl Good was accompanying me. Pte Dufour put his hand in his pocket and pulled out two 2-shilling pieces, offering one to L/Cpl Good and the other to myself.
Q7. Did you see the money?
A7. Yes sir, I am just coming to that now. As L/Cpl Good didn't take the money, Pte Dufour passed me the two 2-shilling pieces. I accepted that money in my hand and was going to mark it for evidence. L/Cpl Good being senior, told me to give the money back to the accused, which I did. Then again, proceeding in the truck from the corner of Edgeware Rd to Police HQ, Pte Dufour gave me 4 shillings again and wanted me to take them for a drink and let him go. At the detn quarters, when I turned him over, when Pte Dufour turned his personal belongings out I saw at least 6 or 7 shillings in silver. Cpl Chenery searched the accused after he had handed over his personal belongings and locked him up.

A10. On 23 Mar 42, in company with L/Cpl Flowers, I was on foot patrol at Marble Arch. Pte Dufour was checked for his pass, which he could not produce. We were escorting him down Edgeware Road to a telephone from where I could phone HQ for tpt. He offered us each 2-shillings, which was refused.
Q11. How did he offer it to you?

Q21. You may refresh your memory. By the way, what record book is that you have with you?
A21. Book No. 12, charge book.
Q22. Is that a book in which you made entries in this case in question?
A22. Yes, sir.
Q23. Would you tellthe court what property you took from Pte Dufour, using the book to refresh your memory?

Q30. What happened to the property?
A30. It was placed in a bag and put back in the safe.
Q31. Did you get a signature for it?
A31. No sir, not at that time.
Q32. Then what happened when it was time for him to go?
A32. He recd his property and signed the book again.
Q33. Would you refresh your memory by looking at the book?
A33. Yes, sir.
Q34. Beside this property which you have told the court about, how many times does the signature of Pte Dufour appear?
A34. Three times, sir.
Q35. I don't think the court are just sure of the reason for 3 signatures, rather than two?
A35. The first signature is written when I took the property from him; the second signature when I handed the property to him; and the third signature when I handed the property to him again the second time before he left.
Q36. Do you recognise the accused?
A36. Yes, sir.

Q47. Are the signatures of Pte Dufour appearing on p. 46 in his handwriting made in your presence?
A47. Yes, sir.
Q48. There seems to be a couple of lines drawn through a couple of the signatures there; is there any explanation of that?

A46. No explanation, only that he did it himself when writing, sir.

The prosecution is closed.

Q49. JUDGE ADVOCATE: Has the defence any application to make at this time?
A49. DEFENCE: No, sir.

R.P. 40 & 41 duly complied with.

The Accused, No E-4127, PTE DUFOUR M., No 1 CDIRU, not being sworn, made the following statement:-

On Sat morning I asked for a pass to Guilford. In the afternoon I went to take a bus, the bus was full and I could not get on it. Then I got down the road next to 102, then crossed over and looked for a lift. I got a lift and went to Guilford and the driver told me he was going to London, so I carried on with him. I had some money in my pocket then, 1/6, and there was a restaurant when we had a cup of tea and something to eat, and we stopped and both of us had a cup of tea, and I spent my 1/6 that way. Then we arrived in London and I went to my girl friend's and I spent the night at her home, and the next day also. In the evening we went to the Marble Arch Park. We spent the evening there. Then we came back to her home and the next day, in the afternoon, I asked if they had any button polish and she had none. She took 1/6 from her purse and gave it to me to get some polish. I went to go to a restaurant(sic) to get some polish and I met two MPs. They asked me for my pass and I told them I had none. They took me back to the corner of Marble Arch and one of them phoned; the line was busy, so we went across the street where there were six different boxes. The same one who phoned or tried to phone went to one of the boxes; he tried to get through and could not get the number. The smaller MP of the two told the taller one to watch me because he was going up the street to check a Sgt's pass. Then he got through to HQ, Prov Corps. We walked from where we were to the Marble Arch corner. Two soldiers were walking alongand they were both checked for their passes. The MP who checked them came back and a truck arrived. One of them asked the driver if I could get in front with the driver and him, and the driver wouldn't allow it. Then one of them got in the back of the truck and the other one in front and we went to the Prov Corps office in London. When we arrived they asked me to empty my pockets. I took sixpence in pennies and a one-shilling piece out of my pockets. I also had a few pictures, a few prayer books, which they took, too. Then they asked me to take off my boots and sent me to one of the cells downstairs. The next day, in the morning, they called me upstairs. They gave me my effects, I signed for them, and then I was sent downstairs again, and it was about 1300 hrs. They asked me to come upstairs again to take a train to the station. We took the train and they sent me to the Regt. That is all.

DEFENCE: I wish to call one other witness for the defence.
JUDGE ADVOCATE: You were asked that question before and you said you had no further witnesses.
DEFENCE: I am sorry, sir, I misunderstood you.

2nd witness for the defence) No. G-615[illegible], L/CPL. W. SEXSMITH, No 1 CDIRU, being duly sworn, was examined by the defending officer:-

A58. Yes, sir.
Q59. Who paid for the food?
A59. Pte Dufour paid for it all.
Q60. What did you have?
A60. Just lunch, sandwiches and a cup of tea and cake.
Q61. Do you remember the cost of that lunch?
A61. No sir, I don't, but Pte Dufour paid for the lunch, but I couldn't say how much it was.
Q62. Have you any idea?
A62. I would imagine it would be around 3 shillings.
Q63. And you came straight from there to the station here, did you?
A63. Yes.
Q64. Did anyone speak to him before he landed in this detention?
A64. No, nobody I know of.
Q65. No-one at all?
A65. There might have been somebody in the same coach on the train, but that would be all.
Q66. But on thestation?
A66. No sir, I phoned the Adjt for a truck and it met us and picked us up.
Q67. When he arrived in the detn room did you see anyone approach him?

Q70. JUDGE ADVOCATE: Do you know how much money the accused had on him on the day you approached him and brought him back here?
A70. No.
Q71. Did you have any conversation with him?
A71. Yes sir, I did.
Q72. In French or English?

Q73. Could he speak English fairly well?
A73. Yes, sir; fairly well, sir.

PROSECUTOR: Sir, Pte Dufour, after being apprehended in London and later released from No 6 Prov Coy, he was not brought right here to this unit, but went down to the Fd Unit, and L/Cpl Bexsmith here, on the staff of our R.P., went from here to the Regt to bring him back here.

JUDGE ADVOCATE: Who got him from the Prov Corps in London?

PROSECUTOR: A L/Cpl Dolan.

No closing addresses.

JUDGE ADVOCATE: I think in view of the facts before the Court, I can very well dispense with a summing up, with the Court's permission.

The Court is closed for the consideration of the finding.

The Court being re-opened, the accused is again brought before it.

The Prosecutor, LIEUT. J.R. TURNER, 1 C.D.I.R.U., being duly sworn, is examined by the Judge Advocate:-

The witness identifies himself.

Q74. Have you any evidence to produce as to the character and particulars of service of the accused?
A74. Yes sir, I produce AF B296 and copy of MFM-6.

The above statement is read, signed by the President, and annexed to the proceedings.

Q75. Is the accused the person named in the statement which you have read?
A75. Yes, sir.
Q76. Have you compared the contents of the above statement with the regtl books?
A76. I have.
Q77. Are they true extracts from the regtl books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A77. Yes, sir.

No cross-examination.

THE COURT: Do you wish to address the court?

DEFENCE: I just wish to draw the attention of the court to the fact that the accused is already undergoing one year's imprisonment.

PROSECUTOR: I would like to point out to the court the seriousness of the offence. From the statements made by the accused on the first day of the trial, when only two witnesses were available, it became obvious that someone in court was lying and it was considered necessary and in the best interests of the service to clear the matter up, and for that reason I would like to point out the seriousness of the charge as laid against the accused.

The Court is closed for the consideration of the sentence.

STATEMENT OF B66944, SGT. T. PYBURN, HQ, CRU.

IN THE CASE OF NO. E-4127, PTE. DUFOUR M.,
NO. 1 C.D.I.R.U.

I am No. B-66944, A/Sgt. Thomas Pyburn, H.Q., Canadian Reinforcement Units. On the 14th and 15th days of April, 1942 I attended a Field General Court Martial held at Witley, Surrey, for the purpose of trying No. E-4127, Pte. Dufour M. of No. 1 C.D.I.R.U. At the trial I was duly sworn as shorthand writer, and recorded in shorthand a verbatim report of the proceedings. Pte. Dufour M. was warned by the Judge Advocate (Capt. A.H. Friedgut, HQ, C.R.U.) in accordance with R.P. 40 & 41, and the provisions of the said Rules of Procedure were fully explained to him. The accused elected to be sworn and to give his evidence under oath. Below are excerpts, transcribed from my shorthand notes taken at the trial, of questions asked by the defending officer (Lieut. J. Gourdeau, No 1 CDIRU) and statements made by the accused under oath:-

"A. ..... We came to the Provost Corps H.Q. They asked me to empty my pockets. I had sixpence in pennies and a one-shilling piece, and they had taken my pay book before I reached the H.Q. when they asked me for my pass. Then they took me to the cell.

1st witness for prosecution) No. B-85602, L/CPL. R.J. FLOWERS, No 6 Coy, Cdn Prov Corps, being duly sworn, is examined by the prosecutor:-

The witness identifies himself.

Q8. Will you be good enough to tell the court in your own words what you know of the case of Pte Dufour as it took place on 23 Mar 42 in London?
A8. Yes, sir. On 23 Mar 42 I was on duty in the Edgewear Road-Marble Arch district when about 1345 hrs I met Pte Dufour standing at the corner of Edgewear Road and a side street. I was in coy with L/Cpl Good of No 6 Prov Coy. We approached Pte Dufour and asked to see his pass. Pte Dufour did not have a pass and he said he had left it at his room, 26 Oxford St. I then asked to see his pay book and he only had Pt I of his pay book with him. He said he was on leave but had nothing to substantiate the statement. I asked him for his Pt II pay book and he said it was at the Paymaster's office. I asked him to go with us to the Cdn Mil Police HQ to verify whether he had a pass or not. Pte Dufour then offered two shillings to L/Cpl Good and two shillings to myself as a bribe to let him go.
Q9. Can you remember what he said when he offered you the money?
A9. He put his hands in his pockets and pulled out two shillings in each hand, and offered one to L/Cpl Good and one to myself, and L/Cpl Good would not take it, and then he offered the four shillings to me and I took it and was going to use it as evidence, but L/Cpl Good, who was the senior, said, "No, give it him back," so I did. The accused said, "Give me a break, let me go." The action of offering us a bribe definitely showed that something was wrong, so we placed him under arrest and took him to a police box. As I was phoning L/Cpl Good brought Pte Dufour into the police box, saying he had attempted to escape. We detained Pte Dufour in the box until the arrival of the police van. L/Cpl Good went in front with the driver; I was in the back with Pte Dufour. On the way from the police box to Police HQ Pte Dufour again offered me four shillings as a bribe to let him go.
Q10. What did he say to you the second time?
A10. He said, "Here, take this for a drink and let me go." We handed him over to the NCO i/c cells at Henrietta St., where he was charged. I was then informed the next morning ---

Q11. JUDGE ADVOCATE: Was the accused present then?
A11. No, sir.
Q12. Well then, you know that is hearsay, don't you, Cpl? You should be familiar with that rule of evidence and not attempt to give it here.

Q13. PROSECUTOR: Can you recognise Pte Dufour in this court room?
A13. Yes sir (indicating accused).

CROSS EXAMINED BY THE DEFENDING OFFICER

Q14. You said Pte Dufour offered you and L/Cpl Good some money?
A14. Yes, sir.
Q15. Who did he offer it to?
A15. Separately in the first place, and then he handed the four shillings to me
Q16. In the first place who did he speak to?
A16. He turned to me and spoke to me, and then he spoke to L/Cpl Good. He offered it to us in both hands, a coin in each hand, and offered one to each of us.

Q17. Did he speak to you in French or English?
A17. In broken English.
Q18. Did you actually see the pieces of money yourself?
A18. I had them in my hand at one time, sir.
Q19. Did you always accompany Pte Dufour, or did you leave him at one time?
A19. The only time I left Pte Dufour was when I went into the police box to make a phone call.
Q20. And you did not actually see Pte Dufour trying to escape; you were told about it?
A20. No sir, I didn't see Pte Dufour attempting to escape. All I know was that L/Cpl Good said he tried to escape.

Q21. JUDGE ADVOCATE: When L/Cpl Good said to you that Pte Dufour tried to escape, was that in the presence of Pte Dufour?
A21. Yes sir, Pte Dufour was agitated, rather excited.
Q22. What did he say?
A22. He turned around and said he hadn't attempted to escape, and L/Cpl Good said, "You certainly did try to escape," and he answered, "I only walked off."

Q23. DEFENCE: Did you notice if L/Cpl Good was at that time holding, or had hold, of a respirator?
A23. He had hold of Pte Dufour's respirator from the back, sir.

2nd witness for prosecution) No. A-3692, L/CPL. E.F. GOOD, No 6 Coy, Canadian Provost Corps, being duly sworn, is examined by the prosecutor:-

The witness identifies himself.

Q24. Will you tell in your own words what you know of the apprehension of Pte Dufour in London on 23 Mar 42?
A24. On 23 Mar 42 I was on duty at 1?hc hrs in coy with L/Cpl Flowers at the Marble Arch beat. L/Cpl Flowers accosted Pte Dufour and asked him for his pass, which he could not produce. He had Pt I of his pay book, but not Pt II. It was on Edgewear Road and we were taking him down Edgewear Road to the police box to phone for a van, to check to see whether he was on leave legitimately. As we were going down Edgewear Road the accused offered us each two shillings, which we refused.
Q25. Do you remember what he said when he offered you the money?
A25. He was asking us all the way down the street to let him go.
Q26. When he held out the money to you did he say anything in particular to you at that time?
A26. I don't remember exactly what he said. L/Cpl Flowers went to the police box to phone for the van and I was left with the accused. The accused again offered me ten shillings to leave him go. I would not accept that proposition.
Q27. What did he say?
A27. He said, "Here is ten shillings if you will let me go." He made four or five quick steps away from me, saying he was leaving. I caught him by the respirator sling and retained him and held him in the police box until the arrival of the van. We then proceeded to Prov Corps HQ.
Q28. Do you recognise Pte Dufour in this court room?
A28. Yes sir (indicating accused).

CROSS EXAMINED BY THE DEFENDING OFFICER

Q29. When you first addressed Pte Dufour did you put him under arrest?
A29. L/Cpl Flowers was dealing with him; he checked him for his pass, which is the usual procedure, and when he did not produce one - well, we usually check up to see if they are on legal leave or not.
Q30. I understand you were walking on Edgewear Rd?
A30. Yes, sir.
Q31. Walking on each side of him?
A31. Yes, sir.
Q32. Did you have hold of Pte Dufour?
A32. Not at that time, sir.
Q33. When L/Cpl Flowers left you to go to the telephone box, did you have hold or did you have a grip on the accused's respirator?
A33. No, sir.

Q34. When he attempted to walk away, what was his physical condition then? Was he out of breath or something like that?
A34. He turned around and started away.
Q35. Did he run?
A35. A very quick march.
Q36. Did he look at you again?
A36. I ran after him and caught hold of his respirator sling; I went after him about three or four steps.
Q37. Did he actually look back at you?
A37. I didn't notice whether he did or not -- no, he was on his way away; he started away; he was heading away from me.
Q38. You said a few moments ago that he mentioned something to you. Did he look back at you? When he spoke to you and offered you the ten shillings did he look ---
A38. When he offered me the ten shillings he waited a few seconds with his hands behind his back, and then he said he was leaving.
Q39. When he said these things did he look back at you? He must have been making his way out.
A39. He was making his way out, yes sir.
Q40. Do you remember the accused handing over or offering some money with both hands?
A40. Yes, sir.
Q41. When?
A41. When coming down Edgewear Rd, when escorting him to the police box.
Q42. What was he handing over?
A42. Two bob in each hand.
Q43. What did he say then?
A43. He was continually wanting us to turn him loose, all the way down to the police box.
Q44. When did you put him under arrest, do you remember?
A44. Actually when we started to bring him in; he had no pass and was AWL as far as we were concerned.
Q45. Did you tell him he was under arrest then?
A45. Not at that time, no sir; I don't know whether L/Cpl Flowers did or not; I don't know.
Q46. Did he speak to you in French or English?
A46. Broken English.
Q47. When you took him to HQ, where were you in the truck?
A47. Sitting in front with the driver.
Q48. Who was in the back with the accused?
A48. L/Cpl Flowers.
Q49. Was L/Cpl Flowers alone with the accused?
A49. Yes, sir.

Q50. PROSECUTOR: You say he spoke in broken English?
A50. Yes, sir.
Q51. Is there any doubt about what he was trying to say to you?
A51. No sir, he was definitely offering us money to turn him loose.

Q52. JUDGE ADVOCATE: As you started down Edgeware Rd and were walking with the accused between you and just before starting out, did you tell him what you were going to do with him?
A52. We told him we were taking him to the Prov Corps HQ.
Q53. Was he then free to go anywhere on his own?
A53. At that time, no sir.
Q54. Do you remember, at any time during the conversation, while you were taking him from Edgeware Rd up to the time L/Cpl Flowers telephoned, do you remember if there was any conversation on the part of either you or L/Cpl Flowers when either of you said this man was under arrest?
A54. I didn't say it myself; I don't know whether L/Cpl Flowers said it or not.

1st witness for prosecution) No. B-65602, L/CPL R.J. FLOWERS, No 6 Coy, Cdn Prov Corps, being previously sworn, is recalled and examined by the Court:-

Q55. You are still under oath?
A55. Yes, sir.

Q56. JUDGE ADVOCATE: When, if at any time, was the accused put under arrest and made so he was not free to go on his own?

A56. At the time he was brought by L/Cpl Good into the police box. We were taking him in for interrogation originally, and when he offered the brib of ten shillings we placed him under arrest then.
Q57. The moment of arrest, then, was at the time the accused was brought into the phone box by L/Cpl Good?
A57. Yes, sir.

Q58. THE COURT: Did you inform the accused of the fact he was under arrest?
A58. Yes, sir.

Q59. DEFENCE: Who put him under arrest and in what words?
A59. He said, "Why can't I go?" and I said, "You are under arrest."
Q60. You said, "You are under arrest?"
A60. Yes, sir.

Q61. PROSECUTOR: After you had asked him for his pass and pay book and so on, then you have stated you decided to take him to HQ for questioning?
A61. In a case like that we take them to HQ and HQ phone their unit and verify whether they have a pass or not.
Q62. After you had decided to take him in, was it all right then for him to walk away and say, "I refuse to go?"
A62. No sir, we would not have allowed him to go; we had him in custody then.

Q63. JUDGE ADVOCATE: When they cannot identify themselves you take them to some place where you can get in touch with a source where you can get verification of their story?
A63. Yes, sir.
Q64. If they come along voluntarily all right, and if they don't I take it you arrest them?
A64. That is right, sir.
Q65. In other words then, strictly speaking this accused was not in custody until in the phone box after his attempt to escape?
A65. That is quite correct, sir.
Q66. Then during the attempt to escape he was not really in custody; he was not actually in arrest?
A66. There was no force used whatever until the moment he attempted to get away.
Q67. You mean the moment after he attempted to get away?
A67. Yes, sir.

Q68. PROSECUTOR: Did you explain to him what you were going to do after you had checked his pay book?

DEFENCE: That question has been raised and explained to the court.

A68. THE WITNESS: I explained all that, sir, in a very definite way, too.

Q69. THE COURT: It came out in evidence he does not understand English very well. Did he understand you all right?
A69. We took our time and went over it two or three times, so he fully understood what we said.
Q70. When he spoke to you in broken English did he express himself well enough so that you could understand?
A70. He did.

The prosecution is closed.

DEFENCE: I have just had a last talk with the accused, sir, and I have just discovered the possibilities of having another witness here who might help the accused and testify that the accused, when he was taken to HQ, had empty pockets except for 1/6: his possessions were taken off him and he only had 1/6 in his possession at the time. I think in all justice to the accused I should have this witness present. The witness will most likely be a member of the Prov Corps at HQ.

JUDGE ADVOCATE: Have you a witness you want to call?

DEFENCE: I think it might be a good thing to call this witness for the defence, sir.

JUDGE ADVOCATE: What is the name of the witness?

DEFENCE: I don't know, sir.

JUDGE ADVOCATE: Then how can we call him? Can you suggest any way in which we can call a witness whose name you don't know?

PROSECUTOR: Is there any possibility that the two witnesses we have had from the Prov Corps were present at the time of the booking in of the accused? Is it possible they might have some knowledge of it?

JUDGE ADVOCATE: Have you any application to make now that the two charges should be dismissed without hearing any more evidence?

DEFENCE: Yes sir. When the accused supposedly walked away from the L/Cpl of the Prov Corps he was not under arrest and not in lawful custody, and he did not think it would matter if he walked away for five or six paces and then come back. That is all I have to say in connection with the third charge. On the second charge, the accused did not have that amount of money on him at the time.

JUDGE ADVOCATE: There is no evidence on that point, therefore you cannot argue it at this time. When were you instructed to take this defence?

DEFENCE: At 11 o'clock yesterday morning, sir.

JUDGE ADVOCATE: Who detailed you to defend the accused?

DEFENCE: I received a telephone call from 3 Bde and I was detailed to report to Lieut. Turner at the Courts Martial office.

JUDGE ADVOCATE: I should, sir, make this comment, that the defending officer should have more notice than that. It seems to me it is easy enough for him to get that notice. There is no reason why, as soon as application is made for a C.M., the accused should not be given a copy of the summary and asked if he wants a defending officer, and having asked for one, the defending officer should be detailed as early as possible. The prosecutor has some advantage in that quite often the summary is taken by the prosecutor and is acquainted with the facts of the case, and it seems only fair there should be a little more time given to the defending officer. The rule is at least 24 hrs, but that does not mean only 24 hrs.

PROSECUTOR: In our unit it is considered the responsibility of the coy to provide a def officer, and as soon as application is made the Bde is notified. There has, in the past, been quite a delay between the forwarding of the application and the actual trial, and officers change so rapidly that the coys are rather hesitant at putting an officer on the case until definite word has been recd that the trial will be held. In this case I was informed about nine o'clock Mon morning that the case would go on.

JUDGE ADVOCATE: I cannot understand why you should not get more notice.

PROSECUTOR: I was, however, on week-end pass, sir: possibly that has some bearing on the matter.

JUDGE ADVOCATE: As Judge Advocate it is my duty to see that the accused gets a fair trial and to assist his def officer in matters of law and advice. The argument presented by the def officer in connection with the third charge equally applies to the second charge. If he was not in lawful custody at the time, then there is no need for him to escape, so the money, although the accused may have had something in mind, was not in law a bribe to allow him to escape from lawful custody. I am not saying that argument is valid, but that argument is open to the defence. That is what I had in mind when I asked you if you had an argument on the second charge. The motion will be taken as presented.

The Court is closed to consider their decision.

The Court being re-opened, the accused is again brought before it.

THE COURT: The Court have decided to grant your application as regards the third charge, and put you on your defence in relation to the second charge.

Q71. Do you apply to give evidence yourself as a witness?
A71. Yes, sir.
Q72. Do you intend to call any other witness in your defence?
A72. Yes, sir.
Q73. Are they witnesses as to character only?
A73. No, sir.

R.P. 40 & 41 duly complied with.

1st witness for the defence) No. B-85602, L/CPL R.J. FLOWERS, No 6 Coy, Cnd Prov Corps, being previously sworn, is recalled and examined by the defending officer:-

Q74. When you took the accused to the HQ where he was to be detained, will you tell the court what happened there?
A74. At HQ we left him i/c of the Sgt who placed him in the cells below.
Q75. Could you give me the name of the Sgt who was i/c then?
A75. I couldn't: I don't know the name of the Sgt off-hand, but either Sgt Johnston or Sgt Crowe, one of the two.
Q76. To your knowledge did the accused empty his pockets when he was in custody?
A76. Yes sir, in my presence the accused emptied his pockets.
Q77. Could you tell the court the exact contents of the accused's pockets?
A77. That I couldn't say, sir: they keep a list of all that at HQ, everything is listed in a book there.

CROSS EXAMINED BY THE PROSECUTOR

Q78. Did I understand you to say you were there when his pockets were turned out?
A78. I was standing in the room talking at the time, when the accused turned out his pockets.
Q79. Were you in a position to know anything about the contents of his pockets at all?
A79. No, sir.

DEFENCE: L/Cpl Flowers said, "in my presence."

Q80. JUDGE ADVOCATE: Was there any money among the contents of the accused's pockets?
A80. Yes sir, there was some money, but how much I couldn't say.
Q81. Was it paper or silver?
A81. I heard the money falling on the table, sir, but whether there was any paper money or not I don't know, but I saw the silver money with my own eyes.
Q82. At least how much did you see with your own eyes?
A82. Around six or seven shillings: I saw that with my own eyes.

2nd witness for the defence) No. A-3692, L/CPL. E.P. GOOD, No 6 Coy, Canadian Provost Corps, being previously sworn, is recalled and examined by the defending officer:-

Q83. When you took the accused to your HQ or whenever you were taking him to be detained, will you tell the court in your own words what happened then, when he actually arrived at the place?
A83. The usual procedure took place. He was booked and detained to be sent back to his unit.
Q84. Will you explain what the usual procedure is?
A84. The number, name and unit is taken down in a book and his possessions are taken off him and kept for him and he is put in a cell to be detained for our office in the morning.
Q85. Now, one more question: When his personal belongings are taken - let me put it this way, were you there when the accused's personal possessions were taken off him?

A84. I was in the office, but that was not part of my work and I didn't take particular notice.
Q85. Did you see anything or hear anything about the accused depositing money on the said table or the said place?
A85. No sir, I don't believe I did.
Q86. I would like to know for sure, yes or not?
A86. No, sir.

No cross-examination.

Q87. JUDGE ADVOCATE: Did you at any time during your dealings with the accused that day see the accused with money in his possession?
A87. Yes, sir.
Q88. What was the most?
A88. Four shillings.
Q89. You referred to ten shillings that were offered to you?
A89. Yes, sir.
Q90. Did you see the ten shillings?
A90. No, sir.
Q91. And this ten shillings was offered to you before the accused started to walk away at a quick pace?
A91. Yes, sir.
Q92. Was any offer made to you after that?
A92. No, sir.

DEFENCE: I would like to ask for an adjournment to call for Sgt Johnston or Sgt Crowe to give evidence, who took the belongings from the accused.

JUDGE ADVOCATE: Do you realise you are asking for an adjournment in order to get these men who are on duty, who would have to come at some expense and time and trouble? Do you realise you have, as defending officer, certain responsibilities in this connection? Have you sufficient basis on which to ask for an adjournment, as you are doing?

DEFENCE: No, sir.

JUDGE ADVOCATE: I think you had better make sure, because these things are not lightly done.

DEFENCE: May I ask for an adjournment while I make a personal investigation?

JUDGE ADVOCATE: I think you should. So far we have had no sworn statement from the accused to the facts you have indicated. The accused himself has not sworn that is all he had. Why does he not tell that to the court under oath? If he makes a statement under oath that he handed over 1/6, and two witnesses come after and say that he handed over more somebody will be in trouble for perjury: you must consider that as well. We will grant a short adjournment in order that you may talk over the matter with the accused and receive his instructions, and then you may renew your application, keeping in mind what I have said.

The Court adjourned in order to enable the defending officer to consult the accused.

The Court being re-opened, the accused is again brought before it.

DEFENCE: The accused will take the stand as a witness, sir, and will be sworn.

The Accused, E-4127, PTE. M. DUFOUR, No 1 C.D.I.R.U., being duly sworn, is examined by the defending officer:-

The accused identifies himself.

Q93. Will you in your own words tell the court exactly what happened after you had been asked by the Provosts to go with them on Edgeware Road in London on 23 Mar 42 at approximately 1345 hrs?

A93. I was going along the road to buy some "Bluebell" polish for my greatcoat. There is a kind of jewellry store not very far from there. I saw the two Provost Corps coming along. They stopped me just at the corner of the street. They asked me for my pass. I answered that I had no pass. Then they took me to a civil police box. One of the two entered into the telephone box. The tallest one held me by the respirator, then I asked him to release his grip because he had enough of the respirator to hold. Then I pulled my respirator around to the front of my body. The one who went into the box to phone could not get the number. They went on the other side of the street where there were civilian public phones. They phoned again and the line was still busy. The smallest one of the two then went to check two other soldiers who were coming along and turned to the tallest one and told him to watch out for the telephone call. After he had checked the other two soldiers he came back, went into the phone box and phoned again. Then he came out of the telephone box and took me to the Marble Arch doors. Two other soldiers came along and one of the two Provosts started running after them and they were about 100 yds away from there and he ran after them and asked them for their passes. Then a little truck came along and one of the Provosts asked if one of them could get in the front seat and the driver said No. Then L/Cpl Flowers got in the rear of the truck and the tall one got into the front. We came to the Provost Corps HQ. They asked me to empty my pockets. I had sixpence in pennies and a one-shilling piece, andthey had taken my pay book before I reached the HQ when they asked me for my pass. Then they took me to the cell.

Q94. Would you tell the court where you got the 1/6 that you had in your pocket at that time when you gave it to the Prov Corps for disposal?

A94. I was at my girl friend's and I asked them if they had any button polish and she said No. Then she took her purse and gave me 1/6 to buy some polish.

Q95. Before she gave you the 1/6 did you have any money?

A95. No.

Q96. Did you have any money in your pockets?

A96. No.

Q97. That is quite understood, is it?

A97. Yes, sir.

No cross-examination.

Q98. JUDGE ADVOCATE: When did you leave camp, from your unit?

A98. I left camp Sat afternoon but I can't remember the date.

Q99. Did you have any money on you when you left the unit that Sat afternoon?

A99. Yes, I borrowed money from a soldier there.

Q100. How much money did you borrow?

A100. I had one shilling in my pocket and he lent me sixpence.

Q101. When you left your unit did you go to London?

A101. I asked for a pass to go to Guildford.

Q102. Did you go to London?

A102. I left for Guildford and I missed by bus so I went to the other road and a car came along and the car stopped and the driver asked me where I was going to and I told him I was going to Guildford.

Q103. From Guildford where did you go?

A103. The driver was a member of the R.A.F. and told me he was going to London, so instead of stopping at Guildford I just went with him to London.

Q104. Did you pay anything for your ride?

A104. Further than Guildford we stopped at a tea shop where we had tea, and that is where I spent my 1/6.

Q105. Then you had no money left at all?

A105. No.

Q106. And this man took you into London, did he?

A106. Yes, to Oxford Circus.

Q107. And then what did you do?

A107. Then I only had to cross the street and I was at my girl friend's.

Q108. What time did you arrive at your girl friend's?

A108. It was about half past four.

Q109. Did you go out that night?

A109. Yes, we went to Hyde Park - not on Sat night but only on Sun.

Q110. I asked you about the night you arrived?
A110. No.
Q111. You have heard the evidence of L/Cpl Flowers that you offered him two shillings?
A111. Yes, sir.
Q112. And further, that you offered also another two shillings to L/Cpl Good at that time when they were taking you down the road to the HQ of the Prov Corps?
A112. I could not give them both two shillings because I only had 1/6 in my pocket.
Q113. Did you hear the evidence given by the Prov Corps?
A113. Yes, I understand.
Q114. Now what do you say as to that evidence?
A114. I never offered money to these Prov Corps.
Q115. At any time?
A115. No, sir.
Q116. Did you hear the evidence of L/Cpl Flowers that he saw handed over by you and taken from you as part of your possessions at HQ, Cdn Prov Corps in London a certain amount of silver which he estimated to be six or seven shillings?
A116. Yes, sir.
Q117. What do you say about that?
A117. I only had 1/6 - a one shilling piece and sixpence in pennies.
Q118. Did you take the money out of your pocket to give to the Provost people there in London?
A118. I took the money from my pocket and put it on the table, six pennies and one shilling.
Q119. Did you receive that money back again?
A119. Yes, when I left the next afternoon they gave me back all my personal belongings, including this money, 1/6, also some pictures.
Q120. And did you sign for it?
A120. Yes, I did.

JUDGE ADVOCATE: Do you wish to call any other witnesses?

DEFENCE: No sir, but if the prosecution wish to call Sgt Johnston or Sgt Crowe, all right, but I don't see any necessity to do it myself. I would make a motion that the second charge be dealt with in the same way as the third, because of lack of proof produced by the prosecution.

PROSECUTOR: The evidence shows that even after the accused was put under lawful arrest, money was offered to one of the Provosts in order that the accused be allowed to escape.

No. B-85808, L/CPL R.J. FLOWERS, No 6 Coy, Cdn Prov Corps, being previously sworn, is recalled by the Court and examined by the Judge Advocate:-

Q121. You stated in evidence that during the trip in the police car to HQ, No 6 Coy, Cdn Prov Corps, the accused offered you some money?
A121. Yes, sir.
Q122. For what?
A122. If I would let him go.
Q123. Did you see any money at the time?
A123. Yes sir, he gave it to me in my hand.
Q124. Did you look at it?
A124. There were two 2-shilling bits.
Q125. Are you sure of that?
A125. Positive; I looked at it.
Q126. He has stated in evidence that he only had a one-shilling piece and six pennies when you first accosted him and that is all he had when he handed over the contents of his pockets at HQ, 6 Prov Corps?
A126. As far as the amount goes at HQ, there is a record kept in a register of everything taken off the accused.
Q127. What do you say as to his statement that that is all he handed over at HQ of Cdn Prov Corps?
A127. I say it is definitely wrong.
Q128. And you say there is a record kept?
A128. Yes sir, a record of everything taken off a prisoner, and he signs for it, and he signs again when he gets it; he signs when he hands it over and he signs when he receives it.

Q129. In this case who checked over it?
A129. I am almost positive in this case it was Cpl. Chenery; I don't know his initials.
Q130. Would Sgt Johnston or Sgt Crowe have anything to do with that?
A130. Usually the Cpl does the checking and the Sgt is there.
Q131. Is Cpl Chenery still there?
A131. Yes sir, they work on various shifts and he was on that shift.
Q132. Do you think he would be available tomorrow?
A132. That I could not tell you, sir, but it could be ascertained by phone.

Whereupon the Court adjourned at 1730 hrs.

On the 15 Apr 42 at 1600 hrs the Court reassemble, pursuant to adjournment; present the same members as heretofore.

No. R-74166, CPL. A.R. CHENERY, No 6 Coy, Cdn Provost Corps, being duly sworn, is examined by the prosecutor:-

The witness identifies himself.

Q133. How are you employed?
A133. I am i/c detention cells at 30 Henrietta St, London.
Q134. What are your duties in connection with prisoners brought in?
A134. As a man is brought in he is handed over to me; I enter the charge in the charge book and his property, which I take from him.
Q135. Do you search him?
A135. Yes, sir.
Q136. Do you recall No. E-4127, Pte Dufour M. being booked in on 27 Mar 42?
A136. Yes, sir.
Q137. Do you know Pte Dufour? Do you recognise him in this room?
A137. Yes sir (indicating accused).
Q138. Have you any record of the property that you took from him when he was booked in?
A138. Yes, sir.
Q139. Will you produce that for the court?

The witness produces large register containing information in connection with soldiers detained at Cdn Prov Corps HQ, London.

JUDGE ADVOCATE: I would suggest he give his evidence without putting in the book if possible; he may use the book to refresh his memory if he made the entries at the time or shortly after the time the signing in was done.

Q140. PROSECUTOR: When you booked in the accused and took his property from him did you enter it up in your record book?
A140. Yes, sir.
Q141. Was that entry made at the time you took his property?
A141. Yes sir, article for article, as listed in the book.
Q142. Will you give the court a list of what he had in his possession that you took from him?
A142. If I may refer to the book, yes sir.

Q143. JUDGE ADVOCATE: What is that book?
A143. The charge book and the property book, sir; this is Charge Book No.12 in use at No 6 Cdn Prov Coy, 30 Henrietta St, London.
Q144. You are now refreshing your memory from entries you made yourself at the time?
A144. Yes, sir. - Respirator; F.S. Cap; Scarf; a strap; a £1 note; eight shillings in silver; sevenpence in bronze.
Q145. Would you tell the court the procedure when this property was taken; did the accused sign anything at the time indicating that was turned over?
A145. Yes sir, he signed here in the property book at the time I took his property (indicating in register).
Q146. That is, he was signing that that was the property taken from him?
A146. Yes, sir.
Q147. When it is time for him to be returned to his unit what is the procedure?
A147. He is brought in front of the desk and his property is issued back to him and he signs again for it.

Q148. Did you take care of that when the property was returned to the accused?
A148. In this case, yes sir.
Q149. How much money did you return to him at that time?
A149. £1; eight shillings in silver; and sevenpence in bronze.
Q150. Did you get a receipt for that?
A150. His signature is the receipt.
Q151. Where is the signature recorded?
A151. In this book.

CROSS EXAMINED BY THE DEFENDING OFFICER

Q152. Will you look at the accused. Face the accused. Now, could you state that this man is the man who actually signed at the place in this book where you looked to refresh your memory?
A152. Yes, sir.
Q153. You stated in your declaration that the accused gave you a £1 note?
A153. Yes, sir.
Q154. The accused gave you eight shillings in silver?
A154. Quite right.
Q155. And he also gave you seven pennies?
A155. Yes, sir.
Q156. Will you explain to the court in your own words the denominations of the coins in silver?
A156. I couldn't do that, sir.
Q157. You don't know whether the coins were 2/6 or 2/- pieces or 1/- or sixpences?
A157. No, sir.

Q158. JUDGE ADVOCATE: Was the accused's signature made in your presence?
A158. Yes, sir.

Page 48 of the above mentioned Charge and Property Book, the property of No 6 Coy, Con Proy Corps, London, is read by the Court, signed by the President, and accepted as an exhibit by the Court. The aforementioned exhibit was filed with the Court in compliance with the request of the Defending Officer.

Q159. DEFENCE: With regard to this signature you have in this book, will you give the court exactly what happened so far as this signature is concerned? It is not very plain.
A159. The man came up and signed for his property, sir, and then he was returned to his cell again, and when he came back the second time he signed for it again.
Q160. Could you point out on that sheet exactly where he signed the first and second time?
A160. The first time he signed on the top line, the second time underneath, and the third time underneath that again. When he was brought in he signed here, the second time here, the signature being taken the next morning at 1150 hrs, and for the third signature I have no record of the time but it was only a few moments after (indicating signatures of accused in register).
Q161. Who scratched over one of those signatures?
A161. I don't know; that is the way he wrote himself.
Q162. How can you explain that? You don't know who struck out this signature - how do you explain that if you were present beside him when he signed it?
A162. The book is handed the man and he signs his signature, and that is all there is to it.
Q163. Did you or did you not see him sign?
A163. Yes sir, I did.
Q164. Then I request a full explanation to my question.

JUDGE ADVOCATE: He has answered it.

DEFENCE: He says he saw the man actually signing it but says he does not know when this was scratched out.

JUDGE ADVOCATE: He said this part is part of the man's signature, the lines across are part of the man's signature.

Q165. THE COURT: Is that exactly the way the book came back to you?
A165. Yes, sir.
Q166. With those marks on it?
A166. Yes, sir.

JUDGE ADVOCATE: Have you a specimen of the accused's signature anywhere?

PROSECUTOR: Yes, sir.

The Prosecutor, LIEUT. J.R. TURNER, No. 1 CDIRU, being duly sworn, states:-

I produce in evidence a form that I had the accused sign, certifying that he received his copy of the summary of evidence and charge sheet. This was signed in my presence in No 2 Detention Room at Algonquin Camp on 9 Apr 42, and it bears two signatures of the accused.

The above mentioned certificate is examined by the Court, signed by the president, and attached to the proceedings.

Upon completion of closing addresses by the prosecutor and defending officer, the Judge Advocate makes the following summing up:-

JUDGE ADVOCATE:- I think I should say that this is perhaps the first court martial in which I have seen such a direct conflict of evidence. The accused, if not exactly in these words, has testified to the fact that all the Provost witnesses are lying when they say he offered them a bribe of money. He said in effect that he could not have offered them the money they say he offered them, that is L/Cpl Flowers and L/Cpl Good - they stated he offered them two shillings each in two-shilling pieces - because he, the accused, only had one shilling in silver and sixpence in coppers. He said that was all the money that was taken from him at the time he was brought into HQ of No 6 Prov Coy on Wennietta St. In effect then he says that L/Cpl Flowers, who states on oath he saw at least seven shilling in silver in possession of the accused, was wrong. We now have the evidence of Cpl Chenery, who made the note at the time in the book kept for the purpose, of the amount of money he took from the accused and subsequently handed back to the accused, who says among other money there was eight shillings in silver. There you have a direct conflict of evidence. Somebody is lying under oath. It will be a matter of concern to someone to see what remedies will be sought in connection with this lying under oath, or perjury, but it is for the present court to decide which of the conflicting stories they will believe. In that connection it is not for me to influence you. As Judge Advocate I am only here to advise you in matters of law and in matters of procedure. It is for you alone to find the facts. Charge No. 2 reads that the accused offered money to L/Cpl Flowers and to L/Cpl Good while he was in lawful custody, to allow him to escape. There is no evidence that he was in lawful custody at the time he offered money to L/Cpl Good. The evidence is there, however, if you believe it, that he did offer money to L/Cpl Flowers while he was in the vehicle which conveyed him from Edgewere Rd to Wennietta St. You will recall the evidence of L/Cpl Flowers that he offered him four shillings if he would let him go. I say as a matter of law you may make a special finding under the circumstances, if you are so inclined, finding the offer of money to L/Cpl Flowers only. If you have any doubt, the accused is entitled to the benefit of such doubt, but it must be a real doubt, not a fanciful one. The onus is on the prosecution to prove the case. The accused is innocent until he has been proven guilty by the prosecution beyond any reasonable doubt. The accused has pleaded Guilty to the first charge and I need not say any more about it. The third charge has been disposed of by your allowing an application to dismiss it made by the defending officer at the end of the prosecution's case.

The Court is closed for the consideration of the finding.

The Court being re-opened, the accused is again brought before it.

The Prosecutor, LIEUT. J.R. TURNER, being previously sworn, is recalled and examined by the Judge Advocate:-

Q167. Have you any evidence to produce as to the character and particulars of service of the accused?
A167. Yes sir, I produce AF B206 and copy of MFM-6.

The above statement is read, signed by the President, and annexed to the proceedings.

Q168. Is the accused the person named in the statement which you have heard read?
A168. Yes, sir.
Q169. Have you compared the contents of the above statement with the regimental books?
A169. Yes, sir.
Q170. Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A170. Yes, sir.

No cross-examination.

Q171. Do you wish to address the Court?

A171. DEFENDING OFFICER: I would just like to mention to the court the fact that the accused was, just before this trial, released from eight mos detention. He went AWL in London, not with the intention of doing anything wrong, but from the time he came out of detention until he went AWL he had become a very good soldier and he had every intention of becoming a good soldier. I ask the court to take that into consideration. After he finished his detention he declared his intention of wishing to become a good soldier. I would like also to point out to the court that the accused has already undergone a good part of his army career in detention and he was AWL only one day. He assures me that in future his conduct will be nothing but good.

The Court is closed for the consideration of the sentence.

Statement of **EVIDENCE** in the case of
B-418? Pte. Dufour,M.

Sir;

At London on the 23-Mar-42 at about 1345 hrs. I was on duty at the Marble Arch, London, in company with L/Cpl. Good, where I saw the a/m soldier. I approached him and asked to see his pass. He stated that "he had one but had left it in his room at Oxford St.". He was not in possession of his M.B.I. Part 2 saying same was in possession of his paymaster. I decided to take him to No 6 Cdn. Prov. Coy. Hqrs, where I could check on his statement advising him of what I was going to do. The a/m then offered to give L/Cpl. Good, and myself 2/shillings each. I then placed him under arrest and when phoning for the Van he attempted to escape by running away but was frustrated. When on the way to No 6 Cdn. Prov. Coy. Hqrs. he again offered to pay for to be allowed to get away. Both these offers of money were refused. On arrival at Hqrs. I turned him over to the N.C.O. i/c of cells to be detained.

The prosecutor proceeds to call witnesses.

First witness for prosecution. Canci Michele

being duly sworn, is examined by the prosecutor.

Q: What is your name and place of residence?
A: I am Canci Michele, a resident of San Appolinari.

Q: Do you recognize the accused as being Pte Dufour?
A: I recognize him as one of the soldiers who were there that night.

Q: Will you relate to the court what you know about this case of Pte Dufour.

A: There were three soldiers who knocked at the door and came into the house and closed the door behind them. One of soldiers stayed at the door. One of the soldiers was in the centre of the room and a third was trying to make a proposition with Ballerina Angela. Another woman in the room wanted to go out to call the police. The soldier at the door struck her twice with his fist. This same lady then tried to climb the stairs when the third mentioned soldier climbed after her. After climbing three or four steps with a machine gun he passed the gun to the accused and keeps on climbing the stairs after the woman trying to stop her from yelling. While this was going on I saw the accused shoot Gucci Donato.

Q: Do you recognize the accused as the one who shot Gucci Donato?
A: Yes.

Cross-examined by the defence:

Q: At what time did this occur?
A: Around 1030 to 1100 o'clock.

Q: Had the accused ever been to the house prior to that time?
A: This was the first time.

Q: Where was Gucci Donato at the time of the shooting?
A: Near the hearth.

Q: Where is the hearth?
A: In the kitchen of the second floor of the house.

Q: Did Dunato struggle with the accused?
A: He did not struggle with the accused.

I am E4750 Sgt Langlois R. Medical Sgt. R22eR. At approx. 2300 hrs beginning of Februrary, I don't remember the date, while the unit was in San Appolinari, I was called upon to give first aid to an Italian civilian. he had some through and through wounds in the right arm. After applying the necessary dressings I called the Regimental M.O. but the Italian refused to receive treatment from the M.O. and wanted to get his own Italian doctor. Therefore I made the Italian sign a paper to the effect that he was refusing treatment from an army doctor. Unfortunately that paper was destroyed in the R.A.P.

Q: When you applied treatment did you notice the seriousness of the wounds and how in your opinion were they caused?
A: They were gun-shot wounds and they were serious as one of the bones had been injured.

Closing Address - Prosecution: "BAK"

The Prosecution feels this case has been proved and that an example should be made. It is incidents like this which go to bring discredit on the Canadian Army, and in bringing ill-feeling between the civilian population and the Army of Occupation, perhaps hinder the prosecution of the war.

'BAK'

Closing Address bydefending officer Capt. L. Cannon: -

I cannot believe that Dufour was in full possession of his senses, on the night of 5 Feb 44. The prosecution would have us believe that Dufour shot Donato in cold blood, without provocation or motive. That would be the act of a thug and gangster and surely we can't say that Dufour is either one or the other. I am certain that the act was committed under the influence of liquor and while blind drunk, and that the accused has no recollection of shooting Donato. He might have fired the TSMG but I don't think he was responsible for anything he did that night, as he admits drinking all that day.

being duly sworn, is examined by the prosecutor.

Q What is your name and place of residence?
A. I am Cucci Michele, a resident of San Appolinare.
Q Do you recognize the accused as being Pte Dufor?
A. I recognize him as one of the soldiers who were there that night.
Q Will you relate to the court what you know about this case of Pte Dufor.
A. There were three soldiers who knocked at the door and came into the house and closed the door behind them. One of soldiers stayed at the door. One of the soldiers was in the centre of the room and a third was trying to make a proposition with Palleria Angela.
Q Another woman in the room wanted to go out to call the police. The soldier at the door struck her twice with his fist. This same lady then tried to climb the stairs when the third sentinel soldier climbed after her. After climbing three or four steps with a machine gun he passed the gun to the accused and kept on climbing the stairs after the woman trying to stop her from yelling. While this was going on I said the accused shot Cucci Renato.

Q Do you recognize the accused as the one who shot Gucci Dunato?

A Yes.

Cross examined by the defense:

Q At what time did this occur?

A Around 10:30 to 11:00 o'clock.

Q Had the accused ever been to the house prior to that time?

Closing Address by presiding officer Capt. L. Cavanagh:—

I cannot believe that Dupont was in full possession of his faculties, at the time of the 3rd Feb 1944. The prosecution evidence tends to show that Dupont shot Donato in cold blood, without provocation or warning. That would be the act of a thug and gangster and does by no means say that Dupont is either one or the other. I am certain that his act was committed under the influence of liquor and under a blind impulse, and that his accused has no recollection of shooting Donato. He might have paid his TSMA but I don't think he was responsible for anything he did that night, or he wouldn't shoot Pete all that day.

6th Witness for Prosecution

E.4750 Sgt. Langlois R. having been duly sworn states:

I am and was at all times material hereto a sergeant in charge of R.A.P., Royal 22e Regiment.
While the Unit was in San Apolinare, Italy, approximatly and to the best of my knowledge a month and a half ago, I was called upon to render first aid to an Italian civilian. He was suffering from several GSWs of the wrist and arm. As the wounds had a serious appearance to me, I endeavoured to call the Unit Medical Officer but the injured Italian insistently refused asking to be treated by an Italian Doctor which came in a short while after. I made the Italian Doctor sign a certificate to the effect that his patient refuses free treatment by an Army doctor as offered. This certificate was put in R.A.P's file. It was unfortunatly destroyed by E.4490 Cpl. Hamel G. which however read and clearly remember its content.

The accused declined to cross examine the witness.

He refused to do so stating that he did not feel capable of it. I then told accused the consequences of quitting just prior to attack we were going to make. I talked to him about promises he made on 17 Sep 44 that day. That day he was paraded before me because he had quit in the previous attack and I gave him the

President to accused: You will now proceed with your defence on the Second charge. You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross examination. You may, however, make a statement without being sworn, and you will not be subject to cross-examination. But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony. You may call witnesses in your defence, and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself, make a statement, or do neither. Ans. Do neither. Do you intend to call witnesses on your behalf. Ans. No.

Summing up by Prosecuting Officer

The accused left his company in the face of the enemy on 15 Sep 44 dispite orders to stay. He claims to have gone back on his own initiative to see the F.C.O. but brings in no evidence to support this. When the F.C.O. went forward the accused did not go with him.

He returned and was posted to 13 Pl at 0830 hrs 18 Sep 44. As soon as another attack was broached, he left his pl and told his coy comdr. he refused to go on.

It has been proved that on two occassions the accused deserted in the face of the enemy.

Statement in Mitigation of Punishment in the case of D118872 Pte Dufresne, A.

The accused when enlisted was only 18 yrs old. He volunteered for C A O S and later on for this theatre of war although he didn't have to as he was suffering from an hernia. He fought with the Regt on the Hitler line and the Gothic lines and as always accomplished his duty. Still very young I feel that a long sentence would probably be the start of many troubles in the future.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Plea in mitigation is attached

10 July 1943.

Statement of mitigation of punishment in the case of H-17022 Pte Dufresne G.

In my plea for mitigation, may I give a short statement of the accused past record.
Pte.Dufresne was an American, who came to Canada to enlist in the Canadian Active Service. He enlisted with the R.H.R. in December 1941. He was made an Instructor at Huntingdon Quebec, and from there went on a course. Returning from the course he was placed with the 2nd Bn. R.H.R. as a Corporal Instructor.
He still wanted to come overseas and finally took down his stripes to do so. He arrived at a Reinforcement Unit and was with the Transport as a driver, There he was personal driver for Col.Hervay, and was entirely satisfactory and reliable, no charges against him whatsoever. Then on the reorganization he came to 5 CIRU, but could not get back into transport. Naturally he was rather discontented and disappointed He has had recently another charge of A.W.L. for 7 days for which he was rather severely punished; More so than several other cases of more serious offences. This made him all the more discontented.
Now may I point out, (1) Pte Dufresne admits his guilt and now realizes his actions in no way helped him to get where he wants to be. (2) he voluntarily gave himself up to the Canadian Provost Corps, in other words he came back of his own accordand own free will. (3) Pte.Dufresne is Category "A" young,keen and intelligent, and from his past record is anxious to fight, and do all in his power to further our war efforts Considering these facts and the present condition in Europe, I humbly ask you to answer this question. Would it not be for the best interests of the Service to have Pte.Dufresne available for the field at the earliest possible moment, so that he can finish his task ?

I went overseas at the end of July 1944 as a reinforcement arrived in the U.K. on the 20th of July. I stayed there for until Sept 7th or 8th where I did some training, then I came to France as a reinforcement joining the Royal Winnipeg Rifles on the 15th of September 1944 and remained with them in action until this happened on the 17th Oct. I had rests during this time periods. I was a Rifleman. I fired my rifle without much success. I helped take prisoners in company with other Soldiers. I never requested a transfer from the regiment while I was with the R.W.R's. There were other French speaking persons in this Regt and in my Platoon. I had one

there when I left.

If I got a chance to return to the line

Point in Mitigation by defending officer

You have already heard read the psychiatrist's report ~~on~~ to the effect that the accused is Psychopathic Personality M2 S3. This report makes it quite clear that this man should be re-allocated. He is of inadequate personality for the task in hand. He has been tasked to do a job for which he has no capabilities. You can see through his life history what qualities of fortitude and capabilities suited him for active service conditions. I suggest that there is not one of the qualities necessary for service in this or any theatre of war possessed in this man's makeup. He is another instance of that fobbing on the part of the people back home who send overseas men who are willing to serve but do not possess the qualities necessary to carry out such a trust. Typical example of another one from the assembly line. How long this will go on, I do not know. This should be brought to the attention of the provincial premiers from coast to coast ~~to~~ this awful state of affairs, and stop this nonsense forthwith and prove to men in the line that their brethren at home who have the capabilities are behind them 100%. Give those men whom I say are capable of leadership command in

a theatre of war. No need for this isolation on the part of Canada. Let us take our full share of responsibility alongside the other nations and prove ourselves worthy of membership of such a league. This is the basis of the philosophy in these cases. In this case this man was never fit for this kind of duty. This man should be considered as M2 S3 and dealt with accordingly.

Déclaration du numéro Régimentaire D-107507, soldat Gérard Dufresne, du Régiment Royal Winnipeg Rifle, Cie (B) peloton (17) 8me brigade, 3ie division d'Infanterie Canadienne, attaché à l'Hopital Générale Canadienne numéro (8).

Il déclare: "J'ai été mis en garde par le Lieut. J. R. Bell, S. E. S. Privaté Canadienne de la manière suivante: "Voulez-vous faire une déclaration? Vous n'êtes pas obligé de rien dire à moins que vous ne le désiriez mais tout ce que vous direz par écrit et pourra servir de preuve." Je comprends le sens de cette mise en garde et je fais volontairement la déclaration suivante, que sont mes seules promesses ou faveurs.

Signature - Gérard Dufresne

Je suis numéro Régimentaire D-107507, soldat Gérard Dufresne, je suis âgé de 23 ans. J'ai reçu mon appel militaire au mois de juin 1942 et je m'ai signé actif au mois d'avril 1944. J'ai fait deux mois d'entraînement au Camp de St. Jérome et trois autres mois à Valcartier, P.Q. Je suis allé en Angleterre au début de juillet 1944 comme renfort d'infanterie, c'est-à-dire avec le Régiment de Montmagny. Je suis allé en France (Caen) le 10 septembre 1944 avec cinquante autres soldats de mon Régiment comme renfort général d'infanterie, et nous sommes allés au numéro 21 de B. R. C. Le 15 septembre 44, je suis parti avec plusieurs autres soldats de mon Régiment pour aller joindre le Régiment Royal Winnipeg Rifle, qui à cette date là se trouvait près de Boulogne. Je suis resté avec mon Régiment jusqu'au 17 octobre et j'ai pris part à des attaques. Le 17 octobre nous étions environ un mille de l'autre côté du canal de Liefold dans une position défensive. Le 16 octobre j'ai trouvé un [illegible] allemand P-38 et le 17 mes [illegible] j'ai décidé de le nettoyer. J'ai enlevé le magasin et avec un linge j'ai enlevé toute la rouille qu'il

y avait une le canon et la détente, et après j'ai enlevé le cran de sureté et c'est en enlevant le cran de sureté que le coup a parti. A ce moment là j'étais debout et la balle a frappé juste au dessus de la première jointure de la grosse orteille du pied gauche.

Voici je suis ombragé bien de vous dire la vérité. J'ai enlevé le magasin et j'ai laissé une balle dans le canon et me suis servi de cette balle pour me tirer dans le pied gauche. La raison pour laquelle je me suis blessé intentionnellement j'étais devenu très nerveux et ne pouvais plus dormir, et de plus je n'aimais pas le Régiment parce que je ne comprends pas l'Anglais et que la majorité des officiers et sous officiers étaient tous de langue Anglaise.

Aussitôt que je serai mieux je suis content de retourner au front mais cette fois-ci avec un Régiment Canadien Français.

J'ai lu ma déclaration et tout ce que j'ai dit est la vérité. Je l'ai fait volontairement sans menaces promesses ou faveurs et je signe mon nom ci-après.

STATEMENT of: Reg.No. D-107507, Pte. Gerard DUFRESNE, Royal Winnipeg Rifles, "B" Co'y, 12 Pln., 8th Bde., 3 Cdn. Division, Cdn. Infantry, attached 8 Cdn. Gen. Hosp.

WHO STATES: I have been warned by Lieut J.R. Barre, S.I.S., Cdn. Provost Corps, as follows: " Do you wish to make a statement? You are not obliged to say anything unless you wish to do so, but whatever you do say will be taken down in writing and may be given in evidence." I understand the meaning of this caution and I make the following voluntary statement without threat, promise, or favour.

(Sgd) Gerard Dufresne

I am Reg.No. D-107507, Pte. Gerard Dufresne. I am 23 years of age. I was called up for my Military Service in June, 1942 and went "active" in April 1944. I did two months training at Ste. Jerome Camp and three more months at Farnham, Que. I arrived in England at the beginning of July, 1944 as an Infantry Reinforcement, that is to say, with the Regt de Montmagny. I arrived in France 10 Sept 44 with 50 other soldiers from my Regiment as General Reinforcements for Infantry, and we went to No.2 C.B.R.C. On 15 Sep 44 I left with many other soldiers of my Regiment to join the Royal Winnipeg Rifle Regt, which at that time was near Boulogne. I stayed with my Regiment until 17 Oct and took part in 10 attacks. On 17 Oct we were approximately a mile on the other side of St. Leopold Canal and were in a defensive position. On 16 Oct I found a German revolver, a P.38, and on the 17th at about 11.00 hrs. I decided to clean it. I took the magazine off and with a rag I cleaned all the rust off the muzzle and trigger, and then I took the safety catch off, and in doing so the weapon fired. At that time I was standing up, and the bullet penetrated just above the first joint of the large toe of my left foot.

Here, I might as well tell you the truth. I took the magazine off and left a bullet in the breech, and used same to wound myself in the left foot. The reason why I wounded myself is that I had become very nervous and could not sleep any more, moreover, I did not like the Regiment because I don't understand English - and the majority of Officers and N.C.O.'s are all English speaking.

As soon as I am better I am willing to return to the front, but this time with a French-Canadian Regiment.

I have read my statement, and all I have said is the truth. I made it voluntarily, without threat, or promise, or favour, and I sign my name herewith.

I stayed there until 7 or 8 Sep 44, where I did some trg. Then I came to France as a rft, joining the Royal Winnipeg Rifles on 15 Sep 44, and I remained with them in action until this happened on 17 Oct 44. I had reses during this period. I was a rfn. I fired my rifle without much success. I helped take prisoners in company with other soldiers. I never requested a transfer to another Regt while I was with the Royal Winnipeg Rifles. There were other Fr speaking pers in this Regt and in my pl. I had one Fr speaking pal who had trained for two years. He was still there when I left.

If I got a chance to return to the line I would be willing to serve with any Fr-Cdn Regt.

I would like to express my willingness to go back to the line as soon as I can.

I have never had any serious trouble in the army before this nor in civilian life.

I am not married nor engaged. I assign pay to my father, who keeps it for me. This amounts to $12 per month and I am buying a bond. My mother is dead. I have two sisters and three brothers. No one else is in the services besides me. They are all younger except one sister who lives in Abitibi, Quebec.

My category has always been "A". I have never suffered from any serious diseases in my life.

I was fed up and nervous when I did this and in addition I was unhappy and wanted to change my Regt. I didn't seem to be able to make a go of it where I was.

The officers and NCO's always spoke English and I could never understand them. Neither could my chum. We had one NCO who spoke French but he was wounded.

I never asked for a transfer because I didn't think I could get one.

STATEMENT of: Reg.No. D-107507, Pte. Gerard DUFRESNE, Royal Winnipeg Rifles, "B" Co'y, 12 Pln., 8th Bde., 3 Cdn. Division, Cdn. Infantry, attached 8 Cdn. Gen. Hosp.

WHO STATES: I have been warned by Lieut J.R. Barre, S.I.S., Cdn. Provost Corps, as follows: " Do you wish to make a statement? You are not obliged to say anything unless you wish to do so, but whatever you do say will be taken down in writing and may be given in evidence." I understand the meaning of this caution and I make the following voluntary statement without threat, promise, or favour.

(Sgd) Gerard Dufresne

I am Reg.No. D-107507, Pte. Gerard Dufresne. I am 23 years of age. I was called up for my Military Service in June, 1942 and went "active" in April 1944. I did two months training at Ste. Jerome Camp and three more months at Farnham, Que. I arrived in England at the beginning of July, 1944 as an Infantry Reinforcement, that is to say, with the Regt de Montmagny. I arrived in France 10 Sept 44 with 50 other soldiers from my Regiment as General Reinforcements for Infantry, and we went to No.2 C.B.R.C. On 15 Sep 44 I left with many other soldiers of my Regiment to join the Royal Winnipeg Rifle Regt, which at that time was near Boulogne. I stayed with my Regiment until 17 Oct and took part in 10 attacks. On 17 Oct we were approximately a mile on the other side of St. Leppold Canal and were in a defensive position. On 16 Oct I found a German revolver, a P.38, and on the 17th at about 11.00 hrs. I decided to clean it. I took the magazine off and with a rag I cleaned all the rust off the muzzle and trigger, and then I took the safety catch off, and in doing so the weapon fired. At that time I was standing up, and the bullet penetrated just above the first joint of the large toe of my left foot.

Here, I might as well tell you the truth. I took the magazine off and left a bullet in the breech, and used same to wound myself in the left foot. The reason why I wounded myself is that I had become very nervous and could not sleep any more, moreover, I did not like the Regiment because I don't understand English - and the majority of Officers and N.C.O.'s are all English speaking.

As soon as I am better I am willing to return th the front, but this time with a French-Canadian Regiment.

I have read my statement, and all I have said is the truth. I made it voluntarily, without threat, or promise, or favour, and I sign my name herewith.

(Sgd) Gerard Dufresne

Plea in Mitigation by the Defending Officer

You have already heard read the psychiatrist's report to the effect that the accused's Pulhems test is M2 S3. This report makes it quite clear that this man should be re-allocated. He is of inadequate personality for the task in hand. He has been asked to do a job for which he has no capabilities. You can see through his life history what qualities of fortitude and capabilities suited him for active service conditions. I suggest that there is not one of the qualities necessary for service in this or any theatre of war possessed in this man's make-up. He is another instance of that policy on the part of the people back home who send overseas men who are willing to serve but do not possess the qualities necessary to carry out such a trust. He is a typical example of another one from the assembly line. How long this will go on I do not know. This should be brought to the attn of the provincial premiers from coast to coast -- this awful state of affairs -- and stop this nonsense forthwith and prove to men in the line that their brethren at home who have the capabilities are with them 100 per cent. Give those men whom I say are capable of leadership comd in a theatre of war. There is no need for this isolation on the part of Canada. Let us take our full share of responsibility alongside the other nations and prove ourselves worthy of membership in such a league. This is the basis of the philosophy in these cases. In this case this man was never fit for this kind of duty. This man should be considered as M2 S3 and dealt with accordingly.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement ? Ans. No, sir. (5)

D/107507 Pte Gerard Dufresne, Royal Winnipeg Rifles, sworn states:

I was born in Saskatoon, Sask, on 21 May 21. I am 23 years old. My parents were both born in Canada of Fr-Cdn extraction. I went to the fifth grade in country school at Trois Rivieres, Quebec. At 15 years I left. I was then a milkman with my dad at Abitibi, Quebec. When I enlisted I was on a farm. I was called up and enlisted on 30 Jun 42. I trained at St Jerome near Montreal and at Farnham, Quebec. I went overseas at the end of July 44 as a rft and arrived in the United Kingdom on or about 20 Jul 44. I stayed there until 7 or 8 Sep 44, where I did some trg. Then I came to France as a rft, joining the Royal Winnipeg Rifles on 15 Sep 44, and I remained with them in action until this happened on 17 Oct 44. I had reses during this period. I was a rfn. I fired my rifle without much success. I helped take prisoners in company with other soldiers. I never requested a transfer to another Regt while I was with the Royal Winnipeg Rifles. There were other Fr speaking pers in this Regt and in my pl. I had one Fr speaking pal who had trained for two years. He was still there when I left.

If I got a chance to return to the line I would be willing to serve with any Fr-Cdn Regt.

I would like to express my willingness to go back to the line as soon as I can.

I have never had any serious trouble in the army before this nor in civilian life.

I am not married nor engaged. I assign pay to my father, who keeps it for me. This amounts to $12 per month and I am buying a bond. My mother is dead. I have two sisters and three brothers. No one else is in the services besides me. They are all younger except one sister who lives in Abitibi, Quebec.

My category has always been "A". I have never suffered from any serious diseases in my life.

I was fed up and nervous when I did this and in addition I was unhappy and wanted to change my Regt. I didn't seem to be able to make a go of it where I was.

The officers and NCO's always spoke English and I could never understand them. Neither could my chum. We had one NCO who spoke French but he was wounded.

I never asked for a transfer because I didn't think I could get one.

STATEMENT of: Reg.No. D-107507, Pte. Gerard DUFRESNE, Royal Winnipeg Rifles, "B" Co'y, 12 Pln., 8th Bde., 3 Cdn. Division, Cdn. Infantry, attached 8 Cdn. Gen. Hosp.

WHO STATES: I have been warned by Lieut J.R. Barre, S.I.S., Cdn. Provost Corps, as follows: " Do you wish to make a statement? You are not obliged to say anything unless you wish to do so, but whatever you do say will be taken down in writing and may be given in evidence." I understand the meaning of this caution and I make the following voluntary statement without threat, promise, or favour.

(Sgd) Gerard Dufresne

I am Reg.No. D-107507, Pte. Gerard Dufresne. I am 23 years of age. I was called up for my Military Service in June, 1942 and went "active" in April 1944. I did two months training at Ste. Jerome Camp and three more months at Farnham, Que. I arrived in England at the beginning of July, 1944 as an Infantry Reinforcement, that is to say, with the Regt de Montmagny. I arrived in France 10 Sept 44 with 50 other soldiers from my Regiment as General Reinforcements for Infantry, and we went to No.2 C.B.R.D. On 15 Sep 44 I left with many other soldiers of my Regiment to join the Royal Winnipeg Rifle Regt, which at that time was near Boulogne. I stayed with my Regiment until 17 Oct and took part in 10 attacks. On 17 Oct we were approximately a mile on the other side of St. Leopold Canal and were in a defensive position. On 16 Oct I found a German revolver, a P.38, and on the 17th at about 11.00 hrs. I decided to clean it. I took the magazine off and with a rag I cleaned all the rust off the muzzle and trigger, and then I took the safety catch off, and in doing so the weapon fired. At that time I was standing up, and the bullet penetrated just above the first joint of the large toe of my left foot.

Here, I might as well tell you the truth. I took the magazine off and left a bullet in the breech, and used same to wound myself in the left foot. The reason why I wounded myself is that I had become very nervous and could not sleep any more, moreover, I did not like the Regiment because I don't understand English - and the majority of Officers and N.C.O.'s are all English speaking.

As soon as I am better I am willing to return to the front, but this time with a French-Canadian Regiment.

I have read my statement, and all I have said is the truth. I made it voluntarily, without threat, or promise, or favour, and I sign my name herewith.

Plea in Mitigation by the Defending Officer

You have already heard read the psychiatrist's report to the effect that the accused's Pulhems test is M2 S3. This report makes it quite clear that this man should be re-allocated. He is of inadequate personality for the task in hand. He has been asked to do a job for which he has no capabilities. You can see through his life history what qualities of fortitude and capabilities suited him for active service conditions. I suggest that there is not one of the qualities necessary for service in this or any theatre of war possessed in this man's make-up. He is another instance of that policy on the part of the people back home who send overseas men who are willing to serve but do not possess the qualities necessary to carry out such a trust. He is a typical example of another one from the assembly line. How long this will go on I do not know. This should be brought to the attn of the provincial premiers from coast to coast -- this awful state of affairs -- and stop this nonsense forthwith and prove to men in the line that their brethren at home who have the capabilities are with them 100 per cent. Give those men whom I say are capable of leadership comd in a theatre of war. There is no need for this isolation on the part of Canada. Let us take our full share of responsibility alongside the other nations and prove ourselves worthy of membership in such a league. This is the basis of the philosophy in these cases. In this case this man was never fit for this kind of duty. This man should be considered as M2 S3 and dealt with accordingly.

Mr. President
Members of the Court

You have in front of you a case which is a very common one and whose cause is liquor. This man admitted his drunkeness and though that state is not an excuse for the accident he is involved in, that is the answer.

With regards to the same incident, I am bringing to the attention of the Court that Pte Dufresne's record service shows that he has been in the Army for a little more than a year, out of which roughly five months only was spent on the Continent with very little driving experience. His MBM 1 even shows no qualifications as a driver. As far as his character is concerned, this is the first charge of drunkeness that Pte Dufresne has been involved in.

I also want to draw to the attention of the Court that the AFB 296 (WAR) para 4 should be amended to read 24 days as this period of time is covered by the statement of Sgt Hartney.

Gentlemen, in your findings I am asking you to take into consideration the facts brought to your attention, and I do feel that this man should not support the full cost of damages caused to the vehicles and that the sentence against him be the lightest possible.

That is all, Sir.

A/Lieut Capt
Defending Officer

Summary of Evidence in the case of D146694 Pte Dufresne, J of 5 Cdn Base Transport Platoon RCASC attached to 2/3 Cdn Inf Div Troops Coy RCASC (CAOF).

The Officer Commanding directs that the evidence be taken on oath.

First Witness: G6439 Pte Green, C of 5 Cdn Base Transport Platoon, sworn states:-

I am G6439 Pte Green, C of 5 Cdn Base Tpt Pl RCASC (CAOF). At approximately 1230 hrs 25 Sept 45, following an accident I was detailed to tow the accused and his vehicle. I started to tow the accused, and while being towed he started his motor. I stopped and in turning his motor off told him not to run his motor. I started towing again and the accused started his motor a second time. I stopped and and in turning his motor off and paying more attention to the accused noticed his actions in the cab were peculiar and his speech was incoherent. I reported these facts to Cpl Vyvyan my Fed Cpl, and informed him that the accused was drunk and in no condition to drive. Cpl Vyvyan informed, Sgt Hartney Platoon Transport Sergeant. When the accused alighted from his lorry, he staggered and continued to do so until entering Cpl Vyvyan's lorry.
That is all I know of the case, Sir.

The accused declines to cross-examine this witness.

C. Green

Second Witness: B160992 Cpl Vyvyan, H. of 5 Cdn Base Tpt Pl RCASC having been sworn states:-

At approximately 1230 hrs 25 Sept 45 following an accident I was asked by Pte Green, C to inform Sgt Hartney that the accused was drunk and in no condition to drive. I reported this to Sgt Hartney and he ordered the accused to get out of his lorry and into my lorry. The accused, on alighting from his lorry, staggered and continued to do so until entering my lorry. That is all I know of the case, Sir.

The accused declines to cross-examine this witness.

Third Witness: B81196 Sgt Hartney, J.J., Transport Sergeamt of 5 Cdn Base Tpt Platoon RCASC (CAOF) sworn states:-

At approximately 1230 hrs 25 Sept 45 following an accident involving D146694 Pte Dufresne, J., I detailed Pte Green, C., to tow the accused and his lorry. A few minutes later I was informed by Cpl Vyvyan, H., that Pte Green had told him the accused was drunk and in no condition to drive. On checking the accused, I noticed his eyes were glassy and his attempts at speaking were futile. I ordered the accused to leave his lorry and to enter Cpl Vyvyan's lorry. On leaving his lorry, the accused staggered and continued to do so until entering Cpl Vyvyan's lorry. On reaching the RU for dinner I had the accused placed under close arrest and taken back to our platoon lines. That is all I know of the case, Sir.

I gave the signal to slow down and also to halt. While sitting with the brakes on and my arm still out the window, I felt a crash which drove my lorry into the lorry ahead. I got out of my vehicle and looked to see what had happened. I saw the accused D146694 Pte Dufresne, J., sitting in his lorry. It was Pte Dufresne's lorry which had run into my lorry. Sgt Hartney ordered a lorry to tow me to the RU. That is all I know of the case, Sir.

On 3rd Dec 44 I was company Commander of D Company. Lan Ren Scot. On morning of 3rd Dec the company was committed to an attack. At approx 1000 hrs we reached our first objective and after stopping there for sometime we received orders to move up to the Canal Bank. Via CUPA. We took up a position here two platoons up along the bank and one in reserve. While we were in this position we received a fair amount of shelling and mortaring from the enemy. At approx 1400 hrs I returned to TAC HQ so that I could put my C.O. completely in the picture. While there I received further orders to cross the Via Cupa and advance toward the town of Godo. The Zero hour was to have been 1630 hrs. I returned to my company HQ and found that food had arrived and that the company was being fed by sections. I called my platoon commanders in and told them what we had to do. I noticed several men were eating their lunch in the stable attached to the house and I told them to return to their section position as soon as possible so the other men could be fed. Among these men was the accused. He was cleaning his rifle. I told him to get on with the job and return to his platoon immediately. We crossed the VIA CUPA at 1630 hrs and at approx 2200 hrs when we stopped to re-group, the platoon commander reported the accused to be missing. To-day is the first time I've seen the accused since the afternoon of 3rd Dec 1944.

A. Yes, he could have.

EXAM BY COURT:

Q. Who was the Platoon Commander? and why is he not here?
A. Sgt HALL G E was the platoon Commander, and he was killed in action on 13 Dec 44.

PROS PRODUCES CERT OF SURRENDER AND EXTRACT FROM ORDERS (Exh A&B).

D.6 CLOSING ADDRESS DEFENCE.

The charge against the accused is "Desertion when in contact with the enemy". At no time has the prosecution proved this charge. There is a serious lapse of time in which the whereabouts of the accused cannot be shown. By the evidence shown it is quite possible and probable that the accused was still with the company during the action. The accused has never declared any intention of desertion, and it has not been shown that he intended to desert. The fact that he surrendered himself while still in uniform may prove absense but not desertion, and absence only from 2200 hrs 3 Dec 44. He has been serving in this country during all actions and has never been absent before. He has a clean sheet and a good record

Plea in Mitigation of punishment in the case of D.15839 Private DUFRESNE, L.

Sir, Members of the Court:-

This case presents to you a problem of mental instability and not one of army discipline, as such.

Pte. Dufresne enlisted in the army in Sep 1941 and was employed as a cook and has served in this capacity throughout his army career.

He is married in Canada and has three young children. He is devoted to these children and has always been and still is extremely worried about their welfare, because he has had no letters from his wife for a period of eight months. This worry has caused a warping of Dufresne's stability. He goes absent without leave and knows that he will be punished but he simply cannot combat a desire to "get away from it all" for a short period. Please notice the extremely short duration of the time that he was absent on every occassion in England, France and Belgium, each time only a day or two or even only a few hours and then he would return to his unit. He sincerely feels that he is ill and as a result he must go absent. He is convinced of this illness and as a result, although it may all be imagination, he is just as truly ill as one who has contacted a germ.

At the time this offence was committed he was undergoing Field Punishment but had not had his money withdrawn. He had been given a pass to get his glasses which were in the town. While out, because he still had money, was able to have a few drinks and then returned to his unit to prepare supper. After supper, perhaps because of the liquor, he felt the "urge" to leave and went out and stayed with a friend in the town of Herenthals for two days and then returned to receive his punishment.

While in confinement at this unit awaiting trial his behaviour has been excellent and he has, on occasion, helped in the kitchens and done very good work.

He wrote a statement while awaiting this trial and I append it to this plea, as it reflects his mentality. Also appended is a psychiatric report on the accused which shows he is recategorized to a Mentality 2 Stability 4 and suitable for base duties only. On the strength of this report authority has been forthcoming that he be returned to base whenever he has stood trial for this offence.

My plea is, sir, that in the face of this report and the circumstances surrounding this case that he be given as light a punishment as possible for this very short period of absence without leave. Also if he must be given a long term of Field Punishment that his request to serve it with 49 Can Army Tpt Coy be recommended so that his services as a tradesman may be utilized by the army.

I am Pte. Rufresne. L. No H-158389.

Father of two childrens and in Armed service since two years and nine month. I was often lonesome and worrying about my children, which I know my wife can't give to them the proper care. I was with the 3rd Battalion R.C.E. since two years as a cook. I always give them my best satisfaction and no matter what was the hours of the day. I was doing it for my children, but day after day I was feeling sick. I was hoping that after my good work I would be-come promotted and that would be more money to my family. after eight month, without my nerves did not help me, my heart, my nerve and my head. I was often on sick-parade and asking for examination, which I myself did look sick, I am asking you if it is possible to see a Specialist. by myself if I want out as often without permission. it is not I

(OVER)

Had any attention to do Wrong or cause you trouble, sincerely believe me if I did not feel sick I wouldn of done it. or acted that way. because I need it the money for my family.

Etant père de trois enfants, et en service outremer depuis deux ans et demi, je me suis beaucoup ennuyé et eu beaucoup d'inquiétude pour eux car je sais que ma femme est brutal pour eux et quelle ne leur donne pas les soins voulu. Attaché au 1er Bataillon R.C.E depuis deux ans comme cuisinier j'ai donné mes meilleurs services je n'ai jamais failli, négligé les intérêts de mes supérieurs et heureux de travailler que j'ai fait l'effort pour leur donner le meilleur rendement possible. Mais de jour en jour je me sentais j'espérait toujours par mon travail de mériter de avoir une promotion, qui aurait donné à ma famille une somme plus élevé.

Après huit mois sans nouvelles, cela m'a fait connaitre ma maladie mon cœur, mes nerfs et ma tête. Je me suis rapporté chez le M.O., et demandé une examain, mais on croyait que je voulait plaisanté car mon physique ne regardait pas pour être malade. Je vous demanderait, si il serait possible d'avoir un spécialiste. Soyez persuadé que si je suis [illegible] si souvent, sans permission, ce n'est pas dans le but de mal faire, au contraire donner du trouble, en sincerité je crois que si je n'avait pas été malade j'aurais pas agit de cette manière là, car j'ai tout besoin de cette argent pour ma famille.

Summing Up - Prosecution "R. Dufresne

12-11-43

On Oct 11th 1943 the section to whom the accused belongs fell under enemy shelling. The accused at about 1300 hrs left his comrades without permission. He knew without any doubt that they were advancing towards the enemy, and he decided of his own to leave. We know what kind of fellows they are.

On the 22nd Oct he was again advised of a move forward towards the enemy. He failed a second time to behave as a real soldier and failed to fulfill his duty. Consequently according to MML Chap III Sec 20 the accused must be considered a deserter.

Closing up address in the case of

Pte. ROSAIRE DUFRESNE

R. 22e R.

On the 11th of October 1943 nobody saw the accused leaving his section. It might have been anytime before 1800 hrs. At that time enemy activity was practically not existing; A few enemy shells dropping at a long distance. Nobody could say if the accused left during that shelling. His section commander in the evidence he gave states that he did not tell the accused that they were going to meet the enemy. The accused left because he was tired and sick. This is clear.

On the 22nd October, the accused was released from Detention. He was told that with his coy he was to go forward and meet the enemy. No time, whatever, was mentioned. The words of Major Allard who told him that, were related by Sgt. Lebel: "You will go forward but I do not know when." These were the words that were said by Major Allard. On that 22nd of Nov. there was no enemy activity.

It was evident without any doubt that they were advancing towards the enemy, and he evaded his duty to Canada. He knew the risk he would run if he did so.

Record follows they are

On the 27 Oct to 10 Nov aforesaid [illegible] the enemy the [illegible] a superior [illegible] and [illegible] failed to fulfill his duty [illegible]

Consequently according to KRR Chap III Sect 56 the accused must be considered a deserter.

Closing up address in the case of

Pte. ROSAIRE – DUFRESNE. R 22° R

On the 11th of October 1943. nobody saw the accused leaving his section. He might have been anytime before 1800 hrs. At that time enemy activity was practically not existing: a few enemy shells dropping at a long distance.
Nobody could say if the accused left during that shelling.
His section commander in the evidence he gave, states that he did not tell the accused that they were going to meet the enemy. The accused left because he was tired and sick. This is clear.

On the 21st of October, the accused was ~~told that he~~ released from de-tention. He was told that with his coy. he was to go forward and meet the enemy. No time, or whatsoever, was mentionned. The words of Major Allard who told him that, were related by Sgt Lebel: "You will go forward but I do not know when." These were the words that were said by Major Allard.

On that 22nd of Nov, there was no enemy activity.

At the time I was making a report at the police station about an incident which occurred that night but in which Sgt Dufresne was involved. He made the statement in an aggressive tone of voice.

1st Witness for Defence — 019088 Spr Robert Defreese. 10 Coy to Pd Coy. Sworn, States.

At the time in question in the Police Station I said to Capt Mills "I am a married man. I have a family and I just love my trade pay but I have a pass until one o'clock and I want to go back to camp. If I go back to Ld the corporal is strict and maybe I will lose my trades pay if I am late. If I am in trouble I'm going to remember that. You're from Canada the same as I am. I'm going to remember that." I was not drunk but I had a few drinks and it makes me talk a lot. I swear that I did not mean anything by that. I had been there about 5 minutes before I said those words. The Sgt. stood on the way to get back home and he pleadingly and I must have gone guilty.

Cross Examination

I did not say "If you make trouble for me I will get you."

JA It is possible that I said the words "I will get you" but I would be very surprised if I did say them.

CASE OF

C.123697 Private Victor Ernest DUFRESNE, Stormont Dundas and Glengarry Highlanders, a soldier of the Canadian Army Overseas.

OPENING ADDRESS BY PROSECUTOR

Sir, as the facts of this case are rather complicated I will make an opening address. The accused has already pleaded guilty to the charge of drunkenness, and the prosecution intends to prove the accused guilty of the remaining four charges. The prosecution will show that between 1700 and 1900 hours on the 10 June 45 the accused entered a cafe at 131 Van Amstelstraat in Hilversum, Holland, operated by it's proprietress, Dinie Versteeg. In the cafe there were, among others, Mr. and Mrs. Lamfers of Amsterdam and Pte. W.A. Bartlett of 9 Cdn Inf Bde, as well as the father and mother of the proprietress. The accused was accompanied by one, Pte. W.R. Moore. The evidence of the prosecution will show that as a result of the presence of the accused at the Cafe certain disturbances took place, such as fighting, smashing, and that as a result of his pugnacious attitude fright was caused to the guests, and that he actually assaulted one of them. The evidence will also show that at the rear of the Cafe stood two bicycles, belonging to Mr. and Mrs. Lamfers of Amsterdam. One bicycle had on it the handbag of Mrs. Lamfers which contained 400 guilders, which was the total savings of the household money of the two of them. It will be shown that the accused stole that money. After leaving the Cafe the accused proceeded down Van Amstelstraat and three independent witnesses will show that the accused assaulted the Head Agent of the Civil Police of Hilversum, who in the execution of his duty received actual bodily harm at the hands of the accused. Finally the Provost arrived in a Jeep and three witnesses will testify that the accused was arrested by the Provost and put in the back of a 1500 wt. to be taken to headquarters. On the road there two witnesses will testify that the accused leaped out of the back of the truck and ran into a yard and that the Provost gave chase; that the accused was rearrested and taken back to the truck and from there on to the Provost Headquarters. This is a brief summary of the prosecution's case against the accused. I intend giving evidence myself in this case, and according to Rules of Procedure, I forget which section, I should give my evidence immediately after my opening address. I would like to forego giving evidence at this time as at a later time I could make it fit in so much better with other evidence. However, it is for the Court to decide if I will be allowed to do so.

QUESTION BY THE JUDGE ADVOCATE

Mr. Defending Officer, have you any objection to the Prosecutor giving his evidence at a later stage of the proceedings, or, any comments to make?

ANSWER BY THE DEFENDING OFFICER

I have no objections, sir.

JUDGE ADVOCATE

Mr. Prosecutor, you will be allowed to give your evidence when you desire to do so.

CASE OF

C.123697 Private Victor Ernest DUFRESNE, Stormont Dundas and Glengarry Highlanders, a soldier of the Canadian Army Overseas.

1ST WITNESS for the PROSECUTION — Josephine Elizabeth Philipsen, 131 Amstelstraat, Hilversum, (Mrs. Den Enting) Netherlands, having been duly sworn is examined by the Prosecutor:

Q.1 You are Josephine Elizabeth Philipsen, wife of A.J. Den Enting, and residing at 131 Amstelstraat, Hilversum, Netherlands?
A.1 Yes.

Q.2 Will you tell the Court in your own words what happened on the 10 Jun 45, at approximately 5 o'clock in the afternoon?
A.2 At 5 o'clock that day two Canadian soldiers came into the Cafe.

Q.3 Do you either of those Canadians in this room?
A.3 Yes. (Indicates the accused)

Q.4 At what address is this Cafe?
A.4 131 Amstelstraat, Hilversum, Netherlands.

Q.5 Will you proceed with what happened that day?
A.5 The two Canadians came into the Cafe and they would trade cigarettes for gin. My daughter was standing behind the counter and she did not want to trade cigarettes for gin. These soldiers kept on trying so my daughter left the Cafe and went into the back room.

Q.6 What room do you mean by the back room?
A.6 The living room.

Q.7 Then what happened?
A.7 The two soldiers followed her into the small room and then my daughter went to the small bar in the living room and got a bottle of gin. One of the soldiers took two packages of cigarettes out of a box in his pocket.

Q.8 Is the soldier in this room now who took the cigarettes out of his pocket?
A.8 No, he is not not in here, sir.

Q.9 Go on?
A.9 My daughter then went to the kitchen and one of the soldiers followed her.

Q.10 Is that soldier in this room now?
A.10 Yes,(indicates the accused)

Q.11 Go on.
A.11 He took off the kitchen cupboard a bottle of vinegar and then I told him that it was only vinegar but the soldier put it into his pocket. I tried to stop him and asked him not to take it, so, the soldier asked,"what do you want", and then the soldier went into the living room again and my daughter told the soldier to leave the room. I then missed a bottle of gin, or, my daughter missed a bottle of gin.

A.22 Mr. and Mrs. Lamfers and my husband and a Canadian soldier.

Q.23 Do you know the name of the Canadian soldier?

A.579 I saw that they were springing out again.

Q.580 Were there other soldiers in the truck?
A.580 The military police and one or two more soldiers.

Q.582 Who was sitting in the back of the truck with his feet out?
A.582 The accused.

Q.583 Are you sure it was the accused who jumped out of the truck, or, do you think it was the accused who jumped out of the truck?
A.583 I am sure it was the accused.

Q.584 You could definitely recognize him at that distance?
A.584 He was sitting at the back of the truck with his feet out so it could not have been another one.

Q.662 What company is the accused in?
A.662 He is in C Coy, Sir.

Q.663 Will you tell the Court what you were doing on the evening of 10 Jun 45?
A.663 On 10 Jun 45 I was in Hilversum and I was summoned to a disturbance that was being carried on in a street not far from where I live. On arrival at the scene of the disturbance I saw one of my chaps, Pte. Dufresne, having trouble with a Provost corporal. I told him to quit his fighting and to go with the Cpl. I had a little tussle with him but he came to the truck. When we reached the truck he tried again to escape, and there was another tussle, but we managed to get him into the truck. He had two escorts, or three, in the truck with him. The truck proceeded down the street. I came behind in a Jeep. A short distance down the street I was stopped by one of the escort who told me something as a result of which I saw, when I arrived at the truck, that Dufresne was gone from the truck, and had gone down a street into a yard. I went to the yard and again asked Dufresne to go back to the truck. He did so. We then proceeded down the street to Provost Headquarters and Dufresne was taken over by the staff there.

Q.664 When you took Dufresne back to the truck the second time did you sit in the truck with him?
A.664 No, sir, I did not go to the truck.

Q.665 But you saw the accused in the yard?
A.665 Yes, sir.

Q.666 Who was with the accused the first time you put him in the truck?
A.666 A L/Cpl from the Provost, Pte Moore, Pte Dufresne and Sgt Haley, that was all, sir.

Q.667 Did you see anything of any money that evening?
A.667 Yes, sir. The money I saw was lying on the drivers seat of the Jeep which belonged to the Provost Corps. As I was wrestling with Pte. Moore I saw the money on the seat and there was a Jeep from our own company came up, I asked my man to take the money and go away. When I arrived back at Headquarters I asked the man to hand over the money and I took it to the orderly room clerk and asked him to put it in an envelope and to guard it for me.

Q.668 Was there any conversation at all between you and the accused?
A.668 Very little, sir.

Q.669 What did you see the orderly room clerk do with the money after you gave it to him?
