The Sarnia Chamber of Commerce is making an effort to get that early mail train from the east on the G. T. R. restored. It was taken off two or three years ago. It left Toronto at 11 p.m. With the present train schedule Sarnia people do not get Toronto papers and letters until nearly noon which is a detriment to the business of the city.

In the Cong'l church the pastor, Rev. T. DeCourcy Rayner is preaching two series of sermons. On Sunday mornings "Great Questions of the Ages", and on Sunday evenings "Life Problems." The topics for Sunday are 11 a.m. Great Questions No. 2, "Life's Greatest Problem." 7 p.m. Life Problems No. 2, "The High Cost of (not) Living." You are invited to hear these messages.

Mr. Robert Hamilton died at his home in Port Huron on Thursday last, March 9th, aged 75 years. He was born on the fourth line of Warwick and left here when a boy about ten years old. He was one of a family of fourteen children, only four of whom are left, two brothers and two sister, namely, William Hamilton of Towas, Mich.; Davis Hamilton of Watford, Mrs. Kinney of Port Huron and Mrs. Jenney of Towas, Mich. He also leaves a wife and three sons to mourn his death. The funeral was held on Saturday at Port Huron. His brother Davis and niece, Mrs. Fred Just, of Watford attended the funeral.

The way people now-a-days do their entertaining and spend social evenings reminds one of the old-fashioned Quaker meeting houses with the women on one side of the aisle and the men on the other. The ladies will have a whist drive some evening by themselves while their husbands or other male relatives stay at home. They, probably the next evening the men will have a sag euchre at the club and the ladies will stay at home. Twenty years ago a man and wife would be invited together to spend a social evening at a neighbor's and some eight or ten couples would spend an evening of real sociability.

"SAFETY FIRST"

"Safety First," a very interesting and humorous farce comedy in three acts, will be presented under the auspices of the Young People's Society of the Presbyterian church, Watford, on the evenings of Tuesday and Wednesday, March 21st and 22nd, in the Lyceum. Splendid musical entertainment between acts. Reserved seats 50 cents, admission 35 cents.

Times ain't like they use to be. In the old days the men put powder in their guns and went out to hunt the deer; but nowadays the 'dears' put powder on their faces and go out to hunt the man.

The regular monthly meeting of Lambtons 149 I.O.D.E. was held at the home of Mrs. Adams on Tuesday, March 14th. There were sixteen members and two visitors present. The Regent, Mrs. Adams, being hostess, Mrs. Pritchett, vice-president, presided. The meeting opened by singing the National Anthem, followed by prayer, after which the business of the order was proceeded with. Five additional shares in the Rink were purchased. Mrs. Fuller was appointed a delegate to attend the annual meeting of the Provincial Chapter at Hamilton, the 27th and 28th inst. The Chapter intend having a dance during Easter week also on Watford Fair night. Dainty refreshments were served and the meeting then closed with "God Save the King."

Worries of the business men of the town and city are again started, for the income tax forms, for the year are now available at the post office. According to the regulations, these forms must be secured and filled out by April 30th; in the case of individuals and incorporated companies and March 31st in the case of estates and trustees, employers and companies reporting dividends. Copies of some of the forms have been mailed direct to those who have made returns of this kind last year, but a small supply is available at the post office. It is not known whether there will be a supply of pamphlets or booklets of information available this year, but any person desiring to have any particulars regarding the filling of these forms are requested to apply direct to the inspector of taxation, London.

The Women's Institute of Watford had a very pleasant and enjoyable meeting at the home of Mrs. H. Restorick, Wednesday evening, March 8th. President presiding. 24 members answered to roll call. There were also nine visitors present. Minutes of previous meeting read and approved. \$5.00 was voted towards buying a silk flag for the Memorial Tablet at the High School. The Institute will also have the School Fair again this year. The program was as follows: Miss May Reid, a reading, and Miss McRae a solo, an instrumental solo by Gertrude Fulcher, also a short address by Mrs. K'ncaid, each number was enjoyed very much. Several selections were also played on the Victrola. The hostess serving a nice lunch at the close. A hearty vote of thanks was given to all those that took part with the program and also to the hostess. Next meeting at the home of Mrs. McKercher.

WARWICK

Millinery Opening—Friday and Saturday.—A. Brown & Co.

Ed. Graham, Regina, who has spent the winter in Watford and Warwick with relatives returned this week to the West.

W. D. McKenzie's sale of registered stock, etc., on Tuesday was well attended and good prices were obtained. The bidding was sharp and the interest held throughout the sale. J. F. Elliot, the veteran auctioneer, wielded the hammer.

George Parker, Sarnia, was home for the week-end.

In Zion Congregational church the pastor, the Rev. T. DeCourcy Rayner is preaching a series of sermons on Life Problems on Sunday afternoons at 2.30 p.m., the topic for Sunday being: "Life Problems No. 2, "The High Cost of (not) Living." You are invited to hear these messages.

Miss Hope Taylor, who gave up her school in Saskatchewan some months ago to be with Mrs. George Baird, who is in poor health, and with whom she made her home for many years, received a telegram to return to her school March 1st, and she left Tuesday of last week for the West to resume her duties as teacher.

Mr. Joseph Doan, a former Birnam cheesemaker, who has been in the hospital at Woodstock following an operation which he underwent a month ago, was the recipient of a copious postcard shower a week ago last Tuesday, on his forty-fourth birthday by friends and relatives here.

Ontario county's veteran Crown Attorney and County Clerk, Col. J. E. Farewell, K.C., has just celebrated his eighty-second birthday. The Colonel is spending the winter in Cuba. In honor of the anniversary Oshawa and Whitby visitors at Havana tendered him a dinner at the Belvidere Hotel. Despite his advanced age, Col. Farewell enjoys the best of health. He is one of the best known members of the Ontario Bar, and is a Bencher of the Law Society. Col. J. E. Farewell is a cousin of Mrs. W. H. Luckham of Warwick.

The members of the Senior Adult Bible class, Bethel S. S., with their wives and husbands, making a company of 25, were pleasantly entertained last Monday evening at the home of Mr. and Mrs. George Smith, 12 Sideroad. The evening was spent in social intercourse with a program of games, speeches and music, after which a light lunch was served by the ladies. Mr. Smith, who is secretary of the class, was instructed to order class pins selected that evening and after other matters relative to the work of the class was discussed a hearty vote of thanks was tendered Mr. and Mrs. Smith for their hospitality.

St. Mary's Journal:—"Mr. William Hall, Ex-warden of Lambton County, spent a day with Engineer Empey during the past week looking over the work accomplished on the Provincial Highway in this direction. Mr. Hall is a farmer on an extensive scale, he and his family working several hundred acres, upon which are large herds of cattle, splendid modern stock buildings and barns, the latest machinery and farm equipment. He has no less than fifty horses and they seldom use less than four in any work. He speaks of the splendid work being accomplished on the Highway through their part of the country by Engineer Empey and his workmen."

In the talk on the culture of tobacco at a short course in Blenheim last week, D. D. Wiggs, superintendent of the Harrow Experimental Station, declared that better tobacco can be grown in this part of Canada than in the tobacco growing areas of the United States. Some of the best types of tobacco for the foreign markets are being grown in this part of Ontario to-day, he said.

IN MEMORIAM

oving memory of Annie Sharpe, who entered into rest on March 15th, 1920.

not back the dear departed, bored safe where storms are o'er; the borderland we left her, not ask us if we miss her, we'll meet to part no more.

we e'er forget the footsteps and the dear familiar face. —Mother, Sisters and Brothers.

nder and loving memory of St. Jackson, who died March 5, 1920, (two years ago to-day). His faithful son leaves golden memories of broken hearts. —A Lonely Mother.

oving memory of James Saunders who died March 12th, 1912. Times when nights are lonely, we're sitting all alone, or hearts there comes a longing, only could come home.

we miss our loved one, we long for him each day, God thought best to take him, one word we must not say, we pray to meet our loved one, hat far off distant shore, re there'll be no pain and sorrow parting is no more.

LESLIE OKE WANTS AMENDMENT TO JUDICATURE ACT

Mr. Leslie Oke, of East Lambton, described as a farmer's bill, made its appearance in the legislature Tuesday and judging from the interest the members showed in Mr. Oke's explanation, the bill should provoke a tidy debate.

WHAT TO EAT TO BE HEALTHY

Dr. Woods Hutchison, a prominent New York physician, has an article on the above subject in Collier's containing much information. He says that the chief problem for the travelling men to solve is that of food, and this is by no means so difficult as it was some years ago. The average quality of restaurants throughout the United States and Canada has greatly improved since the dawn of the twentieth century, as a result of pure food laws and more rigid inspections. The danger of poisoning through dirty kitchens and decaying food has almost disappeared. There is still a danger of a chef, even in a large hotel, or more likely in a dining car, trying to dress and season meat, probably where it ought to be thrown out. Dr. Hutchison counsels every traveler to apply the nose test to food and instantly reject any that does not meet it. "Always give your stomach the benefit of the doubt," he advises. Spoiled meat will cause you far less trouble in somebody else's stomach. For this reason never eat any made-over meats when traveling, such as hash, steaks, ragouts, croquettes, etc., unless you know the cook personally. Those who are fond of meat will be glad to learn that Dr. Hutchison thinks the best food of all is meat, which includes also fish, chicken, oysters and cheese, because it is highly nutritious, gives you more pep to the ounce than any other two foods, and, contrary to silly old superstitions, does not clog the liver or leave any poisonous residue. And of meats, the best is either roast beef or broiled beefsteak. It is almost impossible to wholly spoil beef by cooking, he says; it can be readily digested by any half-decent stomach, and unless it smells to high heaven, can be considered sound. Its worst fault will be toughness, and if it is tough it is seldom badly tainted. Bread is Not the Staff of Life Dr. Hutchison insists strongly that bread is not the staff of life. One might better make a staff of almost any other food. Bread is a fuel and should be eaten sparingly when one is not doing hard work. He says there is no merit whatever in a light meal, since one makes up for abstinence at the next one, or suffers for it. He advises a good breakfast and suggests ham and eggs, a dish that is equally at home in a city mansion or a camping shack, and which both satisfies the appetite and nourishes the body. Fish, after being thoroughly examined by fork and nose, and chops and sausages are also recommended. Dinner should be the heaviest meal after the day's work is over and one has time to linger over it and peacefully digest it afterward. For lunch he suggests oysters or fish or cheese, fruit or preserves, but warns against ice cream following fish. He also mentions that milk and cheese do not hit it off any too well. One of the most effective vermifuges on the market is Miller's Worm Powders. They will not only clear the stomach and bowels of worms, but will prove a very serviceable medicine for children in regulating the infantile system and maintaining it in a healthy condition. There is nothing in their composition that will injure the most delicate stomach when directions are followed, and they can be given to children in the full assurance that they will utterly destroy all worms.

A PRACTICAL IDEA

Mr. Jos. Hackett, reeve of Ennisville township, attended the Good Roads convention in Toronto last week, at which he and Mr. J. T. Sproule of Oil Springs, represented the County of Lambton. The most important business transacted from a local standpoint was the proposal of Reeve Hackett to the Hon. E. G. Biggs, that the province take over certain roads in the county now included in the county system of road building and place them under the County provincial system. By so doing the province would pay sixty per cent of the cost. The roads mentioned were the County Road, from Dawn Centre to the 19th line of Ennisville, thence west through Petrolia to the Plank Road and along the Plank Road to Sarnia. While the scheme as outlined was heartily endorsed by the Minister of Highways it must first be endorsed by the County Council at the June session and representatives of the interested municipalities must stand four square behind the reeve to put it through. The use of the 10th line under the county provincial system would mean the including of our Main street pavement for which the province would allow this municipality sixty per cent of the cost of a strip twenty feet wide. The idea has excellent possibilities and no doubt would mean the doing away with the toll gates on the Plank Road. The scheme should receive the endorsement of Petrolia Council.—Petrolia Topic Advertiser.

FOREST

Mr. and Mrs. Angus Morrison returned to Forest on Friday after spending the past three months in Seattle, Oregon, Vancouver, Calgary and other places in the Western provinces.

The "Excelsior Club" of the St. James' Church, who put on the play entitled "The Country Schoolma'am" a short time ago are working upon another humorous play entitled "The Hoodoo," to be put on about April 1st, the same cast enlarged are to be used.

The death occurred in Gladwin, Mich., on Friday, March 3rd, of William Hetherington, a brother of Mrs. John Shipley Sr., of this town, at the age of 75 years. Deceased lived near Theford before his removal to Michigan. One other sister, Mrs. George Gale of Ailsa Craig, survives.

There is a movement on foot to organize a Boy's Scout Corps. It is to be hoped that parents will put themselves behind such a good and useful organization. The committee in charge are Revs. A. R. E. Garrett, H. D. Cameron, chairman; A. E. Salisbury, Scout Master and Mr. Hector Cowan, Sec.-Treas.

KERWOOD

(Too late for last week.)

A very pleasant time was spent at the open meeting of the W. M. S. in the basement of the church when Miss Nellie Forman of Stratford gave an address on her work in Regina among the new Canadians. A program of music, readings and songs was also given and lunch was served and a social time time spent over the teacups.

Miss Mae Fonger of Springfield, spent a few days the guest of Mr. and Mrs. M. C. Morgan.

Miss Thelma Brunt and Miss Emily Williams of Windsor visited Mr. and Mrs. J. M. Brunt over the week-end.

Mr. John Richardson of Petrolia visited his parents, Mr. and Mrs. John Richardson Sr.

Mrs. Canon of Strathroy spent a few days with her daughter, Mrs. H. Glover.

The funeral of Mrs. Selina Foster took place on Sunday from the family residence, 6th line, and was very largely attended, the pastor, Rev. C. J. Moorhouse conducted the service. Interment was made at Strathroy cemetery.

Mr. Shepperd of Michigan, attended the funeral of the late Mrs. Foster.

Mrs. Bourne of Alvinston has returned after spending a few days with her parents, Mr. and Mrs. Richardson.

PETROLEA

Mr. Stephen Richardson, an old Petrolia resident passed away at his late residence in Sarnia on Thursday March 2nd, at the age of 75 years.

While standing alongside his motor on the Plank Road making some repairs on Tuesday Wynne Merrill was struck on the foot by a passing car. The driver did not stop to ascertain what damage he had caused.

Mr. Thos. Rose, the well-known Petrolia chicken fancier has trained his hens in up-to-date business methods and derived \$20.56 from eggs laid by thirty-five hens. The cost of food was \$5.10 leaving a net profit of \$15.45. It pays to attend to four chickens.

There was a pretty house wedding at the home of Mr. Robt. Palmer Wingfield St., Petrolia, on Wednesday afternoon, March 8th, when Mrs. Mary J. Saunders of Petrolia, was united in the holy bonds of matrimony to Mr. Dan Tompison, of Brigidon. The ceremony was performed by Rev. J. D. Richardson, M.A., in the presence of a number of friends.

Mrs. Roma Veersmeersch, the 8th line Belgian woman who has twice stood trial in Sarnia, once for attempting bribery of an officer of the law and once for keeping liquor for sale, being acquitted on both counts, has been served with an appeal against Magistrate Jarvis' decision dismissing the last named charge. The appeal will be dealt with by Judge Taylor.

Mrs. John C. Sonnerberg, 323 S. 6th Ave., Saginaw, Mich., has written Chief Ferguson as follows: "Will you kindly help me to locate Anna-Liza Jackson, daughter of John Cogswell Jackson. The latter is a man of seventy or past and his daughter between forty and fifty. Mr. Jackson and his people lived in Marthaville many years ago. A great surprise awaits the daughter and any information regarding her will be greatly appreciated." If any of our readers know anything of this family kindly write to Mrs. Sonnerberg.

INTERESTING NEWS AND OPINIONS FROM FAR AND NEAR

Acting on a suggestion from the Chamber of Commerce, Hon. W. G. Kennedy, Minister of Railways, will ask the Postoffice Department to allow a two-cent postage rate between all the border municipalities. Persons living in Windsor now pay three cents to mail a letter to Walkerville and Sandwich, although the municipalities adjoin. Letters mailed in Detroit for Windsor cost two cents but vice versa the rate is three cents.

Nova Scotia municipalities, like many in Ontario, are protesting against what they claim is unjust treatment by the Provincial Government in the matter of fines and taxes. The claim is advanced that an undue proportion of such funds is exacted by the Government. Many Ontario municipalities feel that they are similarly being imposed upon, and the protests promise to become more insistent and widespread as time goes on.

Declaring that he doubted much the cry "Better the movie than the bar," Dr. J. Gordon Lang, dean of the faculty of arts of McGill University, Montreal, delivered an attack upon popular magazines, which he asserted were destroying a taste for good literature on a meeting of the Principals' and Teachers' Association of Suburban Schools in Montreal. Dr. Lang affirmed that the schools merely followed the popular trend, the goal being pointed out to the young of financial success, and "the schools have adapted their courses to the popular demand."

Windsor police are looking for the meanest woman in Windsor, who victimized Joe Clements, a blind news-vendor, at his stand at Ouellete avenue and Sandwich street in that city Saturday afternoon. "Give me a paper for this dollar," Clements told the police the woman said to him. He gave her a paper and 98 cents change. When the day's proceeds were totalled up it was found that the alleged dollar was a piece of folded paper. An Ottawa man, reading of the swindle, sent Joe a dollar bill in a letter, saying he hoped many others would do the same.

ALL WHITE STAR DOMINION LINE SHIPS NOW PUBLISH DAILY NEWSPAPERS AT SEA

An indication of the progress made during the last twenty years in providing travellers by sea with every available comfort and facility is the practice recently put into effect of publishing miniature daily papers on board some of the big trans-Atlantic liners. Years ago such a feat would have been considered well-nigh impossible, and, indeed, such a thing has been possible only quite recently on the very largest steamers, but now even the moderate size liners are publishing their own newspapers. Arrangements have lately been completed by the White Star Dominion Line for the publishing of a daily newspaper on all its Canadian service steamers. The new journal is known as "The Ocean Times", and is made up of items of news sent out by the big trans-Atlantic wireless stations and picked up by the ships at sea. The Ocean Times, which is usually about five pages, contains all the latest international news, with especial attention to Canadian happenings. The latest financial quotations are carried, as well as sporting events on both sides of the Atlantic. The paper is edited and printed during the night, and when passengers sit down to their breakfast copies are found under their plates. This service is appreciated not only by business men who are anxious to keep in touch with events, but by everyone who desires to keep posted on world news.

The White Star-Dominion Line has been issuing such a publication on the Megantic for many years, but it will be a novelty on its cabin steamers, the Regina, Canopic and Canada.

The Wall of China

In 214 B.C., the Chinese commenced building the Great Wall, which isolated their country from the rest of the world and helped retard their national progress.

The business man who maintains a wall of "dignified reserve" towards the buying public is just as surely retarding his own business growth.

People like to buy from the store that shows its appreciation of their business, gives good value, and courteous, kindly service, with a "come again" invitation.

Your advertisement in "The Guide-Advocate" would be a standing invitation to your store. When our readers open up their paper do they see your "bid"?

NERVOUS AND RUN DOWN

Relieved by Taking Lydia E. Pinkham's Vegetable Compound

Cobourg, Ontario.—"For many years I have had troubles with my nerves and have been in a general run-down condition for some time. I could not do my work half the time because of it every month. I was told of Lydia E. Pinkham's Vegetable Compound by friends and advised to try it. It has done me good and I strongly recommend it. Since I have taken it I have been able to do all my own work and I also know friends who have found it good. You can see these facts as a testimonial."

Any woman in this condition should take the Vegetable Compound, for it has helped other women and so it should help you.

For nearly fifty years this good, old-fashioned root and herb medicine, which contains no narcotics nor harmful drugs, has been the standard medicine for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

Lydia E. Pinkham's Private Text-Book upon "Allments Peculiar to Women" will be sent you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Mass.

CHEMISTRY AND AGRICULTURE
The Reading Habit

The hope of the future of Canada depends in a very large measure, in the fact that our farmers as a class are readers of articles, bulletins and reports dealing with matters pertaining to the science and practice of agriculture. Furthermore, we venture to say they are for the most part readers with open minds, anxious to learn and, as far as circumstances permit, to put into practice that which appeals to them as sound teaching. These statements may appear to some as decidedly optimistic but they are not extravagant nor wide of the mark in the opinion of one who for more than thirty years has had an excellent opportunity of learning at first hand the thoughts and aspirations of the Canadian farmer.

If statistics could be obtained, it would most probably be found that the volume of the agricultural literature in active circulation, Canada, considering her farming population, stands ahead of all countries. And there would not be this large output if there were not a demand for it. It is such as the case we may conclude that apart from economic considerations, our prospects for progress, for more efficient and more profitable farming are good.

The purpose of these few paragraphs is to stimulate and encourage the reading habit and particularly the reading by the young men and young women on the farm of matters pertaining to the chemistry of agriculture. The facts that chemistry reveal bear directly on foundation problems, such as the maintenance and increase of soil fertility, the economic production of larger yields of farm crops, the nutritive value of forage plants and feeding stuffs, the nature and use of manures and fertilizers etc., etc. There is scarcely a question in connection with soils, crops and stocks that chemistry does not throw some light upon. The more one reads the more one is impressed with the fact that chemistry offers most valuable information on practically every phase of farming and that this information may be made use of in a very direct way by the man on the land to his profit and advantage.

Our plan therefore, is for more reading, careful, thoughtful reading. Acquire the habit of devoting fifteen minutes a day to the bulletins and reports of our agricultural institutions and the more educational articles and papers in the agricultural press. This material, in which this Dominion abounds, can be readily understood by any intelligent person it does not call for a scientific education to unravel its meaning. Much of it can be obtained for the asking. Its perusal will make farm work more interesting and, if put into practice, more lucrative. Acquire the habit and you will never regret it.—Dr. Frank T. Shutt, Dominion Chemist.

THE WORLD'S GREATEST HEALER

THE ORIGIN OF JAZZ MUSIC

An explanation of the origin of jazz comes from John Philip Sousa, who says that when the efforts of the performers of the travelling minstrel show failed to convince the audience, they resorted to a kind of musical bambocce, or the extravagant taking of the instruments known as jazz, in the slang of the hunt cork. Thus the word originated. The jazz orchestra now consists of traps (the main solo performer), trombones, saxophone, trumpet, clarinets, violin, piano, banjo, mandolin, all-instruments, one observer says, upon a musical joy ride. Jazz is a kind of ragtime with its interminable, unrepeatable, plus all manner of peculiar sounds, some of which can only be described as noises since they have no regular vibrations. James Francis Cooke, editor of Etude, a musical authority who is widely recognized, says that the monotonous frequency of the syncopation robs jazz of any claim for recognition as a basic element for real artistic musical work.

"Jazz and the dances of to-day are Siamese twins," he says. "Kill one and you cripple the other." The probability that this is true is indicated by the fact that it is impossible to imagine an audience sitting placidly through a whole concert of jazz. The impulse is to get up and shimmy. All its origins come from the various dances, says Mr. Cooke. It is an attempt to combine in one piece the tom-tom incantations of the Congo, the whine of the Orient, the squeak of the Chinese pipes, the sensuous purr of Iberia, the intoxicating syncopations of the gypsy, the plectral pep of the negro's banjo, the skirl of the Highlander's pipes, the Irish breakdown and the hilarious dances of the American western frontiers or the Canadian logging camps. This mongrel origin of jazz would seem to decide finally against its ever being developed into national and distinctive music like the music of Germany, of Italy, or of Scotland. On the other hand the general testimony is that the public cannot get enough of it, which suggests to some critics the certainty that it possesses human elements which master-composers may employ in their works in the future.

Muscular Rheumatism Subdued

When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. Let the rubbing be brisk and continue until ease is secured. There is more virtue in a bottle of it than can be fully estimated.

HELD THE WHIP HAND

A salesman sold a bill of goods to a merchant in a small town. They were returned as not satisfactory. The wholesale house undertook to collect anyway, and drew a sight draft on the bank at the customer's town. The bank returned the draft unpaid. Then the house wrote to the village postmaster and asked if the merchant was good for the amount of the bill. The letter was returned O. K'd at the bottom. Next the postmaster was asked to put the bill in the hands of a local lawyer for collection. The answer received by the wholesalers ran as follows: "The undersigned is the merchant on whom you tried to palm off your worthless junk. The undersigned is also president of the bank that returned your draft. The undersigned is the postmaster to whom you wrote, and also the lawyer whom you tried to get to collect your bill. And if the undersigned were not also the pastor of the local church, the undersigned would tell you to go straight to the devil."

WHICH ARE YOU?

The trouble with so many people is that they have no vital interest in the church till they are dying, when they send an urgent message to the preacher to visit them, and they expect him to pray them into Heaven. What position, please, do you occupy in the church? Are you:
An attender, or an absentee?
A pillar, or a sleeper?
A wing, or a weight?
A power, or a problem?
A promoter, or a provoker?
A giver, or a getter?
A goer, or a gadder?
A doer, or a deadhead?
A booster, or a knocker?
A supporter, or a sponger?
A soldier, or a slacker?
There with the goods, or off with an excuse? Ask yourself the question Which am I?

SO EASY TO BE WELL AND STRONG

Take "Fruit-a-Dives" The Wonderful Fruit Medicine

I suffered terribly from Constipation and Dyspepsia for many years. I had pains after eating, my head ached, my stomach was full, and I could not sleep at night. I was getting so thin that I was frightened. At last, a friend advised me to take "Fruit-a-Dives," and in a short time the constipation was banished. I had no more pain, headaches or dyspepsia, and now I am vigorous, strong and well.

Take a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-Dives Limited, Ottawa.

ABOUT THE TELEPHONE

I am a telephone. While I am not broke I am in the hands of a receiver. I have a mouthpiece but unlike woman I never use it. "Follows" usually to make dates with his and with us—me to break his date. Husband call up wives over me and wives call their husbands down over me. I never get to go anywhere, but sometimes the company takes me out; if all depends on whether you pay your bill or not. I am not a bee, but often buzz in your ear. I am the bell of the town, and while I don't get jewelry, I often get rings. Whether I do anything or not, a lot of people often nail me to the wall. I like music, but the music I hear is chin music. I get all the popular airs, and the most popular one is box air.

NOTE AND COMMENT

We have given up eating cabbage and onions during Lent—we never did like the darned things.—The St. Thomas Times-Journal.

Kitchener Record:—We venture to say with the greatest confidence that not one Canadian in one hundred can sing even one verse of "O Canada", our characteristically Canadian national song. Can you?

It will be necessary to add lady reporters to the press gallery at Ottawa. The men scribes do not know whether to designate Miss McPhail's dress as a gown or a frock. It would be a good idea to let the dress go and listen to what she has to say.

"Egypt is free, but remains within the sphere of the British Empire. No friend of the Egyptians could wish it otherwise" says the New York Herald, summing up the result of the termination of the British protectorate. It declares that "England is progressing with her dream of Empire."

Orillia Packet:—How many readers of this page, one wonders, remember the old-fashioned "rope bed"? At an auction sale, at Welcome, near Port Hope, last week, one was put up. One is almost ashamed to say that there was only one bidder and only one bid. The ancient piece of furniture was sold for 25 cents.

LUCAS—COWAN

The marriage of Meta Aileen eldest daughter of Mr. and Mrs. Isaac J. Cowan, to Mr. Clifford H. Lucas, of Warwick Township, was solemnized at the home of the bride's parents on the 6th concession, on Saturday, March 11th, Rev. S. P. Irwin officiating. The bride was attended by her sister, Miss Evelyn Cowan, and Mr. Burton Lucas was his brother's groomsmen. Miss Alfreda Mitchell played Mendelssohn's wedding march. Mr. and Mrs. Lucas left on a short wedding trip, and upon their return will reside on the 6th concession, S. E. R., Warwick.

EDGAR—LUCAS

A wedding of much local interest was solemnized at the home of Mrs. Elizabeth Lucas, at high noon on Wednesday, March the eighth, when her daughter, Gertrude Florence was united in marriage to Mr. Allan Lorne Edgar of Brooke. Rev. S. P. Irwin of Watford performed the ceremony, while Miss Irene, sister of the bride, played the wedding march.

The bride, who was given away by her brother Sanford, wore a gown of ivory tulle with a richly embroidered in silk, with veil caught with orange blossoms, carrying a bouquet of pink and white bridal roses; her only ornament being a string of pearls, the gift of the groom.

After the signing of the register, the bridal couple led the way to the dining room tastefully decorated in pink and white; the guests numbering about forty sat down to a sumptuous wedding repast. The usual toast to the bride was proposed by Rev. S. P. Irwin, responded to by the groom and Capt. E. E. Showler of Alvinston.

The groom's gift to the pianist was a pearl ring. The young couple were the recipients of many beautiful and costly presents.

Mr. and Mrs. Edgar left on the evening train amid showers of rice and confetti for Hamilton, Toronto and other points east, the bride traveling in a navy tricotine suit with hat and veil to match and sable choker.

The happy young couple will be at home to their friends after April the fifteenth, at their home, 10 line, Brooke.

WEST ADELAIDE

The Ladies' Auxiliary met at the home of Mrs. J. Wiley on Thursday March 2nd, with an attendance of 23 members and 4 visitors. Ladies' Aid collection \$2.75. The next meeting will be held at the home of Mrs. J. L. Pennington on Thursday, April 6th.

The Y. P. S. are busy preparing their play "Uncle Ephraim's Summer Boarders," and the tableau "Rock of Ages" to be given Thursday evening, April 13th, in West Adelaide Presbyterian church.

KERWOOD

Mr. Millard Smith of B. C., has returned home owing to the severe illness of his mother, Mrs. W. R. Smith.

Miss Edith Hughes of Sarnia paid a short visit to Kerwood friends. Mr. James Becton has returned home from a delightful trip to Chicago and California.

Rev. Dr. Barbour of Toronto will give an address in the Methodist church next Sunday evening on "Educational Work." Service to commence 7.30.

The Mission Circle spent a pleasant afternoon last Saturday at the home of their leader, Mrs. Geo. Johnson. Readings were given by Miss Freda Richardson and Miss Pearl McLean, a solo by Miss Eva Wright and a piano solo by Miss F. Richardson, the rest of the time was spent in working at their quilt. A very dainty luncheon was served by the hostess. The next meeting to be held at the home of the President, Miss Annie McLean and the Easter thankoffering will be taken.

On Thursday evening of this week all the men are invited to attend a meeting in the basement of the church where a social time will be spent. Rev. Norton of London will be present and give a talk, there will also be an impromptu program.

Luncheon will be served by the gentlemen at the close of the meeting.

Epworth League every Tuesday evening in the basement of the church at 8 o'clock. Come and spend a pleasant and profitable hour with the young folk.

INWOOD

Mrs. Clayton Johnston and daughter, Blossom, spent the week end with Mr. and Mrs. Vosbury at Brigidien.

Rev. A. MacVicar was in Sarnia last Monday. Mr. and Mrs. R. J. Warner were Sarnia visitors recently.

We are pleased to report that Miss Katherine MacVicar who underwent a serious operation at Victoria Hospital, London, on March 7th, is improving nicely. Her mother, Mrs. A. MacVicar, came home Saturday evening and returned to London on Wednesday to be with her daughter. Mrs. T. A. Leitch was in Sarnia recently.

Mr. Clayton Johnston attended the funeral of Mr. Davis at Aughrim last Friday.

Mrs. Charles Singer of Sarnia called on friends here last Friday.

Mrs. Fred Hill spent a couple of days last week with her mother, Mrs. McMahon of Alvinston. A large number from here attended the funeral of Mrs. Elizabeth Hartley Jardine, 4th con. Enniskillen last Thursday. Mrs. Jardine lived in Inwood for about two years, before her marriage and was a general favorite with a large circle of friends. We extend to Mr. and Mrs. Thos. Hartley our deepest sympathy in the death of their daughter.

Messrs. J. H. Morrison, A. R. Chapman and Clarence Atkin were in Alvinston Saturday.

Mr. and Mrs. Merle Gibson of Sunnyside were Sunday visitors at the home of Mr. Fergus McNally. Mr. James Smillie was in London a few days recently.

B. & E. TOWNSHIP

Miss Annie Vanatter returned home from Detroit last week.

Miss Mattie Sawyers of the B. & E. township returned home after spending a couple of weeks on the tenth line.

Mr. Eli Taylor lost a valuable cow last week.

Quite a number on the Brooke and Enniskillen townline attended the box social and jitney dance which was held at Mr. Ed. Ironsides' on the twelfth line last Thursday evening in aid of the Farmers' Club. A very enjoyable evening was spent.

BOSANQUET COUNCIL

Council met on the 6th inst., present, N. Sitter, reeve; R. D. Thomson, C. S. Walden, Chas. Sheppard, councillors.

Minutes of last meeting confirmed. The bylaw for the repair of Coultis drain was provisionally adopted. Mr. Sheppard to serve copies of bylaw. The following orders were given—Municipal World, \$7.98 for election supplies; Arthur Watson, \$151.55 for gravel and N. Sitter, \$8.00, expenses to Sarnia to meet Chamber of Commerce re good roads. Thos. Ross and W. W. Anderson applied to have the Wadsworth drain repaired and Mr. Ross petitioned for a tile drain to drain his land, and the clerk was instructed to write to Burnette Stephenson re getting a road across his land to join Riverside Drive at Port Franks.

Thomson—Walden, that whereas it has pleased the Giver of all good to remove by the hand of death our esteemed fellow-councillor, James Scott, it is hereby resolved that we, now in council assembled, avail ourselves of this opportunity to express our sincere sympathy with the bereaved widow and family and most sincerely trust that the Most High will prove a father to the fatherless and a stay to the widow, that in the midst of their sorrow they may cherish that hope which the world can neither give or take away and which will enable them to rise above all earthly trials and fix their thoughts on the glorious hereafter.

Council adjourned to meet on Monday, April 3rd, at 10 a.m., for general business and at 1 p.m., for a Court of Revision on the Coultis drain and for general business.

George Sutherland, Clerk.

On Monday, Mr. Jas. Dempsey had a ewe that gave birth to four average lambs of which three are living.

The March meeting of the Brooke W. I. was held at the home of Mrs. H. J. Lett. The meeting opened with the singing of the Institute Ode. The minutes of previous meeting were read and confirmed. Roll call was answered by Spring thoughts. The program consisted of a paper by Miss V. Annett on the "Life of Shakespeare", a solo by Miss R. Clark, a talk by Miss K. McEachren on the two weeks' course given at the University of Toronto, a paper entitled "Smile" by Miss R. McLean, followed

by a contest which was much enjoyed by all. The singing of the National Anthem brought the meeting to a close and luncheon was served by the hostess.

CONGREGATIONAL CHURCH HAS GOOD YEAR

The annual meeting of the Congregational church was held on Thursday evening, March 2nd, when a large company gathered to hear the reports of the past year's work. The happy company first took their places around the well spread supper tables and enjoyed to the full the bountiful repast prepared by the ladies of the church under the leadership of Mrs. J. Brown.

Following supper the pastor, the Rev. T. DeCourcy Rayner, took the chair, and after Devotional exercises called for the various reports.

For the Church the reports were presented by the following: Pastor's report—Rev. T. D. Rayner. Treas. report—D. M. Duncan. Forward Movement Treasurer—Joseph McCormick.

Church Renovation Fund—Miss Maude Marwick. Young Worshippers' League—De Courcy H. Rayner.

Sunday School reports: Secretary and Treasurer—Miss Gladys Lamb. Superintendent's report—John Thomas.

"C. I. C." Class—Miss Mabel McNaughton. "Sunbeams" Class—Miss Daisy McNally.

The Ladies' Aid and Women's Missionary Auxiliary reports were both presented by the secretary, Mrs. Hattie Brown.

The Y. P. S. C. E. report was read by Miss Elsie Brown.

The reports indicated a year of good work with real progress made. The Church had been entirely renovated, and new hymn books had been provided, while a new furnace had been installed in the Manse. A grand total of about \$2400.00 from all departments had been raised, being about \$400 in excess of the best previous year.

Resolutions of regret at the loss during the year by death of our oldest church member, Mrs. Mary Ann Morris; and early this year of our Senior Deacon Mr. William Marwick, were unanimously adopted by standing votes, and copies of the resolutions were presented to the bereaved families.

The officers for the year are as follows: Pastor—Rev. T. DeCourcy Rayner. Deacons—Messrs. John McCormick, Stephen Morris and J. Russell McCormick.

Secretary—Miss Maude Marwick. Treasurer—J. Russell McCormick. Financial Secretary—Thomas McCormick.

Forward Movement Treasurer—Joseph McCormick. Management Committee—The Pastor, Deacons and officers, and D. M. Duncan, James Harrower and Cecil McNaughton.

Ushers—Walter Duncan, J. Russell McCormick, Cecil McNaughton and George Morris.

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.

The postmistress at a bush post office was a trifle deaf. A burly farmer rode up, dismounted, pushed his way through people waiting for the mail, and bawled out. "Any letters here for Mike Howe?" The postmistress continued sorting. "Any letters for Mike Howe?" he shouted again. She looked up and said quietly, "There's nothing here for your cow or anyone else's cow."

Acton Free Press:—The assertion by parents is frequently heard in reference to their children's future in the matter of material progress: "Oh, there's no chance for my son, or my daughter, here in this small place; the only way to get on is to go to the city." The city certainly has its opportunities, but where one person wins marked success in the city a thousand never progress beyond the lines of the rank and file. It is safe to say that a large proportion of those who remain in the old home be it the farm or the small manufacturing town, and put forth the effort needful to win success in the city, would be relatively successful in the home environment.

The discussion on township roads at the Good Roads Convention in Toronto brought out some interesting data on the comparative costs of machinery and horse drawn equipment. Tractors, most of the speakers agreed, were far cheaper than horses for grading purposes, even though the average life of a tractor was little greater than four years. Including the cost of an operator and of depreciation, it was estimated, a tractor would cost less than \$25 a day, and in the course of a day it could do far more work than could be done by a horse. One Superintendent found that \$53 a mile was the cost of grading with up-to-date machine equipment, while \$116 was the cost of the same operation when horse-drawn equipment was used.

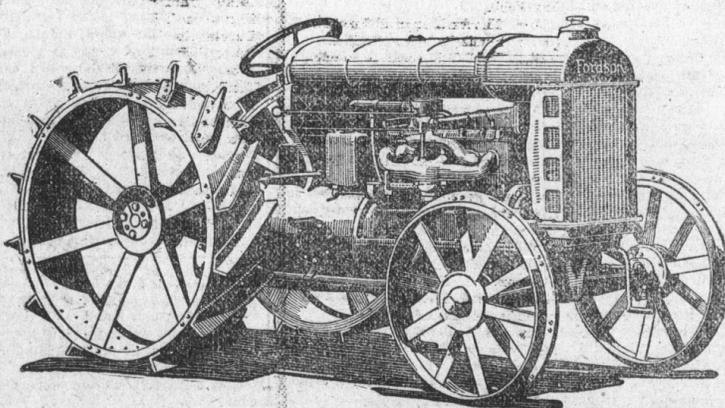

Wireless wonders that are at hand.—The day is coming—the day has dawned—when the citizen in his easy chair at home can attend parliament. At no distant date when Premier Mackenzie King is to make an important speech, a little electric dingy will be placed on his desk in the House of Commons, and the ether will carry his words all over the Dominion to whomever has a radio-telephone—a cheap, simple instrument already—to hear him. Premier Drury will not need to leave Crown Hill in the seeding season. He can address the Legislature with a wireless telephone in his home—aye, and can hear the debates in the House. Bosses can go on vacations to Florida or Temagami, and keep in verbal touch with their offices—not hurriedly, not distressfully over leagues of wire—but leisurely, clearly, stilly, through the illimitable blue. It is going on now. Music played in Pittsburg, Detroit and Chicago is being heard almost any night in Watford. You can dance to-day to an orchestra five hundred miles away. Every Sunday people, sitting at home, are attending church services in Pittsburg. A Presbyterian and an Episcopal church in that city broadcast their services, music, sermon and prayers, over thousands of miles. "Go ye into all the world—!" Spreading the gospel by wireless. A minister's voice reaching further than the whole travels of St. Paul. But, as with the telephone, the telegraph, the radiophone is being developed by amateurs, long before the public realizes its practical value.

10 Reasons why you should buy a Ford

- 1. It costs less than any other car by several hundred dollars. 2. It costs less for gasoline. 3. It costs less for tires. 4. It costs less for repairs. 5. Service is obtainable wherever you go. 6. Its resale or trade-in value is higher than that of any other. 7. Easiest to operate; both hands on the steering wheel all the time. 8. No radical changes in design to make a last year's model appear out of date. 9. Engine power in excess of your needs always available. 10. Quick pick-up—gets away first in a traffic jam.

OPENING OF FEDERAL PARLIAMENT

Ottawa, March 9.—With pomp and display, Canada's fourteenth parliament was formally opened to day by Governor-General Byng and the scenes at the chamber were brilliant. It was enlivened with uniforms of officials and with soft colors of attractively gowned ladies, while sharp and distinct were the red and ermine robes of the judges of the supreme court.

Delivering the King's speech to members of senate and commons, the Governor General, Lord Byng, expressed his sense of the great privilege that had fallen to him. The worst of the industrial depression is over and hope lies ahead, he said. After touching on such subjects as unemployment, leading to continued decline of farm products' values, together with restricted values, the speech went on to declare that adequate market and marketing facilities and reduced transportation and production costs, were at root of the problem, and the government, therefore, was negotiating towards larger foreign markets and conferring with the railways towards reducing freight rates.

PRESBYTERY OF SARNIA MEETING

The regular quarterly meeting of the Sarnia Presbytery was held at St. Andrew's church Wednesday of last week when a number of matters of interest to the church in the district were brought forward for action. The attendance was not as large as it should have been, and for this the award service on the Grand Trunk Stratford line was adjudged responsible, as delegates cannot come to the city for the Presbytery meeting under the present train service, and return the same day. For this reason the moderator, the Rev. George Aitken of Centre Road, was not present and the chair was occupied by the Rev. J. A. Shayer of Stratford.

The first business was the appointment of commissioners to attend the gathering of the general assembly at Winnipeg in June, and these were elected as follows: the Rev. A. Rintoul, Nairn; the Rev. L. Hallwood, Petrolia; the Rev. Dr. Schofield of Point Edward; the Rev. P. M. McEachren of Petrolia and elders John Miller, Burns church; Wm. Sutcliffe, Camlachie; Charles Nisbet, Corunna; R. J. S. Marsh, Forest.

A call made by the Guthrie and associated congregations in favor of the Rev. W. H. Hazelstine, B.A., of Eversley, signed by every member of the congregations concerned, was received, sustained and forwarded to Mr. Hazelstine for his decision. Provisional arrangements were made for his induction at Guthrie on March 21st.

The report of the home missions committee was given by the Rev. A. M. Shannon. Some congregations had not yet brought ministerial salaries up to the \$1,800 minimum, namely Corunna, Bridgen, Camlachie, Inwood, Nairn and Beechwood, West Williams, Wyoming, Guthrie. It was resolved that should these congregations be unable to bring their salaries up to the scale by next fall, help would be given from the funds of the church.

The report of the foreign missions committee was read by the Rev. Wm. McInnis of Theford. He reported on the exchange of pulpits in the interests of foreign missions in the last quarter and announced the intention of the committee to endeavor to have the Rev. Dr. McLeod of Fort Ross, who is on furlough, visit the congregations of the Presbytery.

The report on religious education was in charge of the Rev. John Richardson of Bridgen, who announced that a rally of young people would be held on March 18th in the St. Paul's Sunday school, Sarnia, for the in-

spiration and organization of all the young people of the congregations into a Presbyterian union.

The Rev. Mr. McInnis of Theford was appointed to convey the greetings of the Presbytery to the women's missionary society meeting at Parkhill in the spring. The Rev. F. McKenzie, of Truro, N.S., was nominated for the chair of Apologetics in Westminster hall, Vancouver, and the Rev. E. B. Horne, M.A. D.D., of Renfrew was nominated for the church history chair in Knox College, Toronto.

The subject of the bible text appearing in the daily press came up for commendatory discussion and the clerk was instructed to write to the headquarters of the bureau in Cincinnati, Ohio, for full particulars and report to the presbytery with a view to an expression commending the press in thus propagating the word of God.

The next quarterly meeting will be held at Wyoming in July.

POISON IN CIGARETTE EQUAL TO WHISKEY

"Furfural" is the new wallop in cigarettes, says Lucy Page Gaston of Chicago. She says an analysis shows there is sufficient furfural in one cigarette to deliver a jolt equal to two ounces of whiskey. Because of this furfural, which is an attendant and pleasant punch, the use of cigarettes is increasing at an alarming rate, even among girls in small country towns. The introduction of this poison may explain the passion for pills. Miss Gaston says: "The furfural poison in one cigarette has as much kick as two ounces of whiskey. Young girls do not seem to realize their danger and are smoking as they never smoked before. Conditions are worse than at any time in twenty years."

GRAND ORANGE LODGE OFFICERS

The forty-seventh annual session of the Grand Orange Lodge of Ontario West came to a close in the city hall, Sarnia, late Thursday night with the election and installation of officers and the choice of Owen Sound as the scene of the 1923 convention, with three other cities, North Bay, Kitchener and Brantford bidding. The special committee appointed at the morning session to bring in deliverances on the proposed abolition of appeals to the privy council and the proposed presentation of a stated case by the Ontario government on the school assessment act, and to draft a message to the Orange brethren in Ulster, brought in their deliverances in the form of resolutions which were unanimously adopted.

The resolution in connection with the school assessment question denounced the attempt to secure an extension of the rights and privileges conferred by the act of 1853 as "a gross and deliberate breach of faith," and calls upon the government to preserve the non-sectarian educational system and the public funds from invasion and division upon any principle "not now justified by the law of the land." The resolution respecting the proposed legislation abolishing certain appeals to the Privy Council registered emphatic protest against such action, on the ground that it would sever one of the ties which bind the Dominion to the Motherland and Empire and would deprive every British subject in Ontario of his inalienable right as such to bring his grievance to the foot of the throne.

A. A. Gray, of Toronto, was elected grand master by acclamation, moving up from the deputy grand master's chair, and Rev. John Bailey of Walkerville, moved up to the deputy grand master's chair from that of associate deputy grand master after a contest, and the other officers elected were: Chaplain, Rev. Canon W. L. L. Lawrence, Newmarket; grand secretary, W. M. Fitzgerald, Toronto (re-elected), grand treasurer, James F. Harper, Hamilton; grand lecturer, C. M. Carie, Toronto; grand director of ceremonies, Alderman S. S. Ireland, Stratford; deputy grand secretary, William Cook, Menford (re-elected); deputy grand lecturer, J. C. McDonald, Sarnia; auditors, J. B. Moon, Mount Forest, W. H. Taylor, Aurora.

The fund for the Protestant orphanage, Toronto, was swelled by the collection of \$486 among the delegates, the voting of \$3,000 by the lodge, and the receipt of a cheque for \$2,400 from W. H. Banfield, of Toronto, and one for \$50 from Randall Kenny, of Sarnia.

Grand officers announced that the convention with over four hundred voting delegates present was one of the largest, if not the largest, in the history of the organization.

Ladies Benevolent Association Mrs. L. Roe of Toronto was chosen as provincial grand mistress and the other officers were named as follows: Deputy Grand Mistress, Mrs. Brush of Hamilton; chaplain, Mrs. G. TRYING TO RUB OUT YOUR RHEUMATISM

It Can't be Done — The Trouble Must be Treated Through the Blood.

The pain of rheumatism is something you cannot rub out. Every sufferer from rheumatism has been advised to rub this liniment or that on the affected parts, but after all the rubbing the pain remained. Rubbing did not cure it, can't cure it.

Thin blood and rheumatism come together and if they are properly treated they will go together. Rheumatism is in the blood—in poor watery blood. Sometimes cold, damp weather starts the aches and pains, but it is the condition of the blood that is at fault, and only by correcting this, and making the blood rich and red can the rheumatic poison be driven out. This is what is done in the treatment of rheumatism with Dr. Williams' Pink Pills. Acute and muscular rheumatism show improvement as the thin blood is built up, and when the blood has been restored to its normal condition the trouble vanishes. This is proved by the experience of Mr. John A. O'Neill, Port Hood, N.S., who says: "I was a periodical sufferer from rheumatism for years. I tried many remedies, but with indifferent results, and I had about concluded that the trouble was too firmly rooted in my system to be got rid of. While I was suffering from an attack a friend advised me to give Dr. Williams' Pink Pills a trial. I first got three boxes and by the time I had taken them I felt much better. Then I got three more boxes, and when I had taken them not only was the rheumatism gone, but I was feeling better every day. If you suffer from rheumatism I strongly advise a trial of Dr. Williams' Pink Pills.

These Pills are sold by all medicine dealers or will be sent by mail, post paid, at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

OUR DUAL NATURES

Few people realize how common are the Dr. Jekylls and Mr. Hydes in this world. That case was exceptional only because it was so pronounced. Nearly all of us have a dual nature—two sides that could be developed not at the same time but separately, and each development carrying one over very different roads. If you study people you will discover this fact time and time again. You may see a man whose nature seems very coarse and material. You feel that beauty of any kind would have no appeal to him. Yet some day you may see him very much stirred over some wonderful music, or beautiful painting or if you have many opportunities to talk to him you may find he has an appreciation of the beautiful in literature. Possibly this appreciation is so dormant in him he does not realize it himself, but it is an indication that there is that side of his nature which he could have developed if he had tried.

Again you may know someone who seems as near perfection as we ever know it in this world. But occasionally he may surprise you by some word or deed utterly foreign to his nature. That is an indication of the path he might have followed had he not developed the other side of his nature.

The realization of these two natures is given to every one of us. If we get too far along on the road it is a long hard journey to go back to the cross roads and make the start over again so it is well to watch carefully at the start.

CHILDHOOD CONSTIPATION

Constipation—that disordered state of the digestive tract which is nearly always caused by improper feeding—can be readily regulated by the use of Baby's Own Tablets. These Tablets are a mild but thorough laxative. They are easy to take and are absolutely free from injurious drugs. Concerning them Mrs. Joseph Dion, Ste. Perpetue, Que., writes—"I have nothing but praise for Baby's Own Tablets. When my baby was three months old he was terribly constipated but the Tablets soon set him right and now at the age of fifteen months he is a big healthy boy and this good health I attribute entirely to the use of the Tablets." They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GORDON MCGREGOR DEAD

Fatal illness results of injury in Railway Accident.

Gordon Morten McGregor, vice-president, treasurer and general manager of the Ford Motor Company of Canada died in the Royal Victoria Hospital, Montreal, at 3.30 Saturday morning after a long illness and following three operations. Intestinal troubles arising out of an internal injury suffered in a railroad accident some years ago was the direct cause of death.

By common consent Gordon M. McGregor was the most distinguished citizen of the Border Cities. He was

born in Windsor in 1873 and spent his entire life in that community. His business career was spectacularly successful, but did not prevent him from giving freely of his time, energy and ability to numerous enterprises in the public service. The founding and building up of the Ford Motor Company of Canada was, of course, his greatest work. He was a former president of the Essex Border Utilities Commission and a past president of the Automobile Industries of Canada, a director of the Merchants Bank of Canada, also of the Ideal Fence & Spring Co., and was interested in many other financial ventures. He was keenly inter-

ested in war work, charitable and hospital work and other forms of public service. He was a prominent member and the chief financial supporter of St. Andrew's Presbyterian church, Windsor.

The funeral was held on Tuesday. The plants of the Ford Motor Company in River Rouge, Ford and Highland Park were closed all day as a mark of respect. 70,000 men were idle for the day. The Windsor City council attended the obsequies in a body. Thousands of people passed the casket while the body lay in state for a glance at the face of the man to whom Windsor and adjacent municipalities owe so much.
