Martins — Search Now For
Second Band — Anxious Mother
Eagerly Awaits News

That the authorities are taking steps to round up bands of Gypsies, who were camped about St. John during the last week or ten days and who, some think, may have kidnapped little Ronald Totten, three and a half year old son of Mr. and Mrs. Frank J. Totten, of 85 Lombard street, is evinced from the fact that this morning a band en route to Sussex were caught and held. Despite a rigid search through both caravans, no trace of the child could be found, but the Gypsies are being held on a charge of stealing.

German Naval Writer Says There
Must Be General Sea Battle Be-
fore Submarine Menace Ended

Copenhagen, June 21.—The steady continuation of the submarine campaign, despite the decrease in destroyed tonnage admitted in the admiralty reports for May, will, in the opinion of Captain Kuehlewetter, naval expert of the Berlin Loket Anzeiger, ultimately force a general naval battle between the British and German fleets as the only means of ending the submarine menace.

INTERESTING STATEMENTS
RE THE PAPER TRADE

Matters Brought Out at Inquiry
Being Held by Commissioner
Pringle

Ottawa, June 21.—Some very interesting developments characterized the sessions of the fifth hearing in the newspaper investigation under Commissioner H. A. Pringle, K.C., which is now in session here. The manufacturers of newsprint papers were under cross-examination in regard to statements of cost of production, selling price, profits, etc., which they had submitted in response to a question sent out by Commissioner Pringle. H. A. Stewart, K.C., of Brockville, is counsel for the Dominion government, W. N. Tilley, K.C., represents the daily and weekly newspapers and there is quite an array of counsel representing the manufacturers.

THE ROUNDHOUSE EXTENSION

The announcement of the award of the contract for the extension of the C. P. R. roundhouse at Bay Shore, which was made yesterday, was premature, H. Groot, the general superintendent, announced today. Although the permitting the encroachment on a portion of the highway has been passed by the legislature the company is waiting for permission before proceeding with the work and the county councilors have not yet dealt with the matter.

AT CLARENDON STREET

The public works department has commenced the excavation work required to level the southern end of Clarendon street to provide a connection with Douglas avenue. Preparations are being made to commence work on the construction of the concrete retaining wall tomorrow.

New York, June 21.—A Highland regiment for service with the British army is expected to be mustered here about August 1, according to a statement issued today by the British recruiting mission. The regiment will be known as the 79th Highlanders. So many recruits applied for enlistment with this unit that it is possible another regiment will be organized.

GERMANY WORRIED
OVER ENTRY OF UNITED
STATES INTO WAR

Jules Cambon Says Unrest in Ser-
ious — Points to German Intrigue
in Russia

Paris, June 21.—Jules Cambon, general secretary in the ministry of foreign affairs, declared today that the entry of America into the war had caused serious unrest in Germany. In the course of an interview with a correspondent of the Associated Press today, he said: "A feeling of serious unrest was caused in Germany by the entry into the struggle of a country which brings to the allies, together with its strength, a freshness and ardor which have not been diminished by three years of war. Germany feels that the Americans, once engaged in the struggle, will not give up. It is to prevent this cementing of close ties that it is multiplying its efforts to spread dissension among the allies."

BOSTON TRAIN TO BE CON-
TINUED

A report that the Boston train would be withdrawn is entirely without foundation, said H. C. Groot, general superintendent of the C. P. R. New Brunswick division, this morning. The new time-table will go into effect on Sunday, and the only change being made is that the Boston train will arrive in St. John at 11:50 a.m. instead of 12:30. The Montreal train will arrive and leave St. John on schedule time on Sundays.

SOLDIERS' PAY

Commenting on the fact that the cost of living has nearly doubled since the war began and that wages and salaries have been considerably increased to meet this condition, Mayor Hayes this morning pointed out that one class of men who have not shared in the increase of income are the soldiers. He did not see why they should be treated less generously than the laborers, while they are risking their lives in the country's service, and suggested that the time has come when this matter should receive attention.

EXTENSIVE CHANGES AND IMPROVEMENTS

F. W. Daniel & Co's Premises, King and Charlotte Streets, in New Dress and Arrangement

F. W. Daniel & Company, Ltd., London House, corner of King and Charlotte streets, ever mindful of the interests of its patrons, have made extensive improvements to the interior of their store. All four floors have been affected in the well planned improvements, and today this dry goods and costume store is equipped with all modern arrangements and up-to-date displays in commodious and spacious apartments. The entire store has been painted from top to bottom in soft grey French, a color that is being much used in fashionable display stores in New York and other large cities. This forms a pleasing effect as a general background for the splendid display of dry goods, costumes and all sorts of dainty and up-to-date wearing apparel.

The entire second floor is now devoted to women's ready-to-wear, costumes, coats, dresses and fancy blouses. With the soft grey walls as the setting, the garments are tastefully displayed. A feature of the improvement of this floor is the installation of two luxurious and spacious internal show windows, artificially lighted, for displaying blouses. There are also two bright and up-to-date fitting rooms on this floor, probably unexcelled in the city. For roominess and telling effects, they are all that can be desired. With the walls done in soft French grey in uniformity with the rest of the store, there is nothing that can interrupt the effect of a gown being displayed on the purchaser.

The third floor is easily accessible by elevator, and has been made an exceptionally attractive store in itself. Particular attention has been made to the lighting and other general improvements have worked out with a view to general convenience of both patrons and clerks. Here the new white wear and children's departments are to be found.

The drapery department has also been removed to the third story of the building and has been additionally lighted and newly fitted up, affording greater opportunity for exhibiting all sorts of house furnishings.

Very attractively finished with all the latest and most modern conveniences for the public, the store is a credit to owners and to the city.

NO MEETING TODAY Owing to the lack of a quorum, no meeting of the common council committee was held this morning.

PTE. W. M. HENDERSON NOW REPORTED KILLED Gallant St. John Soldier Had Been Listed as Missing Since Sept. 28

John Henderson, of M.R.A. Ltd., King street, received word last evening from Ottawa that his brother, Pte. William M. Henderson, previously reported missing, was now officially reported killed in action. Pte. Henderson was reported as missing on September 28, but indirectly the relatives here had word that he had fallen on the field of battle in the severe fighting at Courcellette. Private Henderson was one of the original members of the "26th," and if that battalion received its name as the Fighting 26th, it was through such men as Private Henderson. He was a thorough soldier and one who, like so many others, has died for his country. He was thirty-three years of age and had been gassed when he enlisted. He had been employed with the C. P. R. as an engineer when he enlisted. He had been with the C. P. R. in this city for fifteen years. He was a son of Mrs. Martha Henderson of 8 Richmond street. Two other sons of this family are at present fighting in France, Gunner Alfred with a siege battery and Gunner Herbert Henderson with a field artillery. Both have been through some heavy fighting and have so far escaped injury.

RECENT WEDDINGS. Kelly-Burns. The beautiful little Sacred Heart church at Bathurst was the scene of a pretty and fashionable wedding on Tuesday afternoon when Rev. Father Wheaton united in marriage Anna Gertrude Burns, daughter of Mrs. P. J. Burns, of Bathurst, and George Louis Kelly, son of John T. Kelly, St. John.

Gunter-Hayward. The marriage took place yesterday morning at Riverside, Albert county, Miss Edna, daughter of Mr. and Mrs. Jarvis Hayward, of that place, principal of the manual training school. The ceremony was performed by Rev. P. R. Hayward, of Fairville, at the home of the bride's parents. The bride was formerly a teacher at the Consolidated school, Riverside and several of her associates were present to witness the ceremony, together with the immediate relatives and friends of the contracting parties. The happy pair came to St. John last night and will take up their residence here.

Quigley-Moore. The wedding took place in this city yesterday of Samuel Quigley and Francis B. Moore, both of Truro. Rev. R. H. Nobles performed the ceremony at his home, 41 Cedar street. The pair was unattended. The bride wore her traveling suit and after the ceremony Mr. and Mrs. Quigley left for a honeymoon trip up the St. John river. Mr. Quigley is an employee of the I. C. R. and he and his bride have a host of friends who wish them every happiness.

Thorne-Lasky. A very pretty wedding took place last evening at 8 o'clock at the home of Mr. and Mrs. George H. Laskey, being the marriage of their daughter, Bertha K. Laskey, to Ralph P. Thorne. The bride was beautifully attired in blue silk. The wedding ceremony was performed in the presence of a large number of relatives and friends in a room tastefully decorated for the occasion with evergreens, apple blossoms and flowers. Rev. S. B. Culp of the Coburg street Christian church officiated. The happy pair will make their home in this city. The bride is an esteemed member of the Coburg street church.

Cuthbertson-Mitton. At the First Baptist parsonage, Moncton, Rev. Bowley Green officiating, on Thursday evening, Miss Hattie Cora Mitton, daughter of Ralph Mitton, was united in marriage with Frank A. Cuthbertson, formerly of Amherst, but now of the C. G. R., of Moncton.

Hayward-Yeomans. Last evening at the residence of the officiating minister, Rev. F. Patrick Dennison, 137 Wright street, Edward S. Hayward, son of Newton Hayward, of Goshens, Albert county, was united in marriage to Mary Yeomans, daughter of William Yeomans of this city. The pair were unattended and after their wedding trip will reside at Glen Falls.

WOMAN SUFFRAGE

It is greatly to be regretted that there are in the legislature of New Brunswick twenty-four men who are not willing to grant to women the right of suffrage.

The legislature has lost a great opportunity to prove itself progressive. The Foster government would have gained great credit for itself if it had made woman suffrage a government measure.

As the case stands, New Brunswick is out of step with Ontario and all the western provinces. A more trivial set of arguments could hardly be imagined.

ment is looked after by a special committee." It is one of the pitiful consequences of the war that thousands of Belgian children would die but for the work of the committee which is at work in Holland, receiving the starving little ones for a time and building them up so that they can live through another period of want and hunger.

The Belgian Consul General, Mr. Gooz, at Ottawa, has consented to receive and transmit all contributions, which should be specially earmarked "Oeuvre de la Sante de l'Enfance Belge" or (Belgian Children's Fund in Holland.)

There is great encouragement in the following declaration by the Russian foreign minister when he received the American mission headed by Mr. Elihu Root—"The Russian people consider war inevitable and will continue it. The Russians have no imperialistic wishes. We know that you have none. We shall fight together to secure liberty, freedom and happiness for all the world. I am happy to say that I do not see any moral idea or factor between America and Russia to divide us. ST. JOHN COUNTY MEETINGS; TEACH THE CANNING OF FOODS

Series Arranged—Instruction by Miss Bertha Boyer—Letter from Secretary of Agriculture

When in Frederickton recently Warden McLellan and County Secretary Kelley interviewed W. R. Reek, secretary for agriculture, relative to a series of meetings in St. John county to instruct women in canning vegetables, etc. The following from Mr. Reek gives full information:—

Department of Agriculture, Frederickton, June 19, 1917.

Dear Sir:—I am enclosing the dates for the meetings in Saint John county, which will be held by Miss Bertha Boyer, of St. John.

I informed you by telephone that our division supplied all materials, but I have learned later that they expect the local people to supply these. While it is quite a long list, it is not a very formidable one. I trust this information will be satisfactory.

Yours very truly,

'Ripper's' Werk Found on Body Of Ruth Gruger

Autopsy Shows Death Due To Crushing of Skull and Use of Long Knife

No Accomplice Suspected

Efforts Beat Upon Getting Cocchi Back From Italy — Swann To Ask Wilson's Help — Police Under Three Inquiries

New York, June 20.—An autopsy, made at Bellevue Hospital, proved that Ruth Gruger was the victim of a murder of the "ripper" type. A long knife wound was found in the abdomen, extending to the spinal column. This wound was inflicted, in the opinion of Dr. Otto H. Schultz, medical assistant to the district attorney, after the blow which had crushed the skull, but before death.

A thorough search of the basement of Alfredo Cocchi's bicycle shop at 542 West 127th street, made under the direction of Police Captain J. J. Gray, showed that, before digging the pit in which the body was buried, the murderer had started to excavate in another part of the basement, but had encountered solid rock at a depth of eighteen inches. A large locker was found, where it was thought that Cocchi hid the body until he completed the second pit in the basement. The body was probably in this locker while the police were questioning Cocchi on the floor above on Feb. 14 and when Cocchi was inquiring that he had seen the girl leaving the shop on the day before with her skates under her arm.

This statement by Cocchi is the strongest evidence against him from his own mouth, as the skates and the shoes to which they were attached were found yesterday in the pit from which the body had been removed. The investigation of the basement showed that Cocchi tolled desperately on the nights of Feb. 13 and 14 to cover the evidences of the crime which must have been plentiful in the basement at the time the police first interrogated Cocchi on the street floor. By the time the first investigation of the premises was made on the night of Feb. 15, after Cocchi had disappeared, the traces of murder had been so well effaced that the police saw nothing out of place.

Swann to Appeal to Wilson

District Attorney Swann has decided to go to Washington to see President Wilson to ask that a special and urgent request for the delivery of Cocchi be made to the Italian government, which has consistently refused to surrender men charged with murder, except on the stipulation that the death sentence should not be imposed. As a war ally of this country, it is believed that Italy will in this case grant the request which has been denied in other cases.

Mrs. Grace Humiston of 80 East Forty-second street, a lawyer, whose efforts were solely responsible for the finding of the body, made a statement appealing for a thorough investigation of white slave gangs in this city, which are alleged to make a practice of spitting girls away. She said she knew of nine cases of missing girls which called for immediate inquiry, and that she knew of twenty-two basements in this city where girls had been trapped. When she was asked why she had not turned this information over to the police she replied:—

"Because I was afraid if that were done, the girls would be spirited away or murdered."

Mrs. Humiston is convinced that Cocchi had accomplices and that they will eventually be found. It is said, however, that there is no assistance on record where more than a single individual has been implicated in a murder of the "ripper" type.

The most recent of previous "ripper" crimes in this city were the killings of five-year-old Lenora Cohn at 370 Third avenue on March 19, 1915, and of Charles Murray, four year old, at 270 First avenue, on May 3, 1915. The murderers of these children were never caught. These crimes may be traced to Cocchi, as men addicted to crimes of this nature are extremely rare. Persons guilty of such acts are invariably those whose minds have been impaired by long depravity.

There will probably be three investigations of the failure of the police to make an adequate search of the premises where Ruth Gruger was last known to be alive. The grand jury will receive evidence against Cocchi today, and Assistant District Attorney Babas said that it would be within its province, if the grand jury so desired, to investigate the case and make a presentment.

MISSIONARIES SAFE, SO TURKEY REPORTS

Mission Buildings Are Also Said to be Intact — Armenian Relief Work

Boston, June 19.—Assurances from the Turkish government as to the safety of missionaries and mission property in Constantinople and mission work in Armenia were given out by the board tonight said the Swedish Legation at Constantinople had learned from the Turkish Foreign Office that buildings of American institutions would not be occupied by the Turks, and "that it desired in everything to act as gentlemen toward the United States government."

It was further announced that American workers in the interior provinces could come to Constantinople and that arrangements were being made for their traveling in groups.

The despatches further say that missionaries at all localities are reported safe and well. The colleges at Constantinople and Beirut are now open and at work again. Three of the American boards fifteen centres of work in Turkey, Harpoot, Tala and Brousa, are now abandoned and their staffs are at Constantinople or on the way to that city. Applications are pending for another missionary party to leave Constantinople, following the ones that have already safely arrived at Berne.

At the time the Berne despatches were sent, important plans were being made to continue relief work for Armenians in Turkey through helpers from the Swiss committee. It was said, however, that unless funds amounting to \$100,000 a month could be assured, the work must soon cease, resulting in the withdrawal of all missionaries.

"Any rags? Any old iron?" chanted the dealer, as he knocked at the suburban villa. The man at the house himself opened the door.

"No, go away," he snapped irritably. "There's nothing for you. My wife is away."

The itinerant merchant hesitated a moment, and then inquired: "Any old bottles?"—Tit-Bits.

BIG BILL HART AND HIS 445 IMPERIAL THEATRE SCORED HIT WITH NEW STAR.

Who says that women folks don't like "bad men"—that is good bad men? Why they actually applauded Bill Hart, the "Triangle star," in the "Square Deal Man" at the Imperial yesterday.

Hart was merely a homely, honest-hearted, child-loving cowboy. He quit gambling because the paragon told him he was a parasite. Bill had to get "Broadway Jake" to tell him what that meant before it soaked in. Then he threw his cards away.

STATE OF CROPS OF WORLD MAY 1

Report of International Institute of Agriculture on Conditions

As the season advances there is a proportionately growing anxiety for all possible information with regard to the coming cereal harvest.

At the beginning of May the condition on the crops was an average one in Spain and the Netherlands, but only mediocre in France, Great Britain, Italy and Switzerland.

We submit the information available up to date:

Table with 3 columns: Country, Area (1916-17), Average (1915-16 to 1916-17)

With respect to the southern hemisphere, where the harvest of 1916-17 is now almost entirely ascertained, the Bulletin of the Institute in Rome includes by way of new information the returns of the crops harvested in Uruguay for 1916-17, decidedly poor in results, since wheat yields only 54 per cent of the crop of 1915-16, oats 84 per cent, and linseed 81.2 per cent.

The current number of the Bulletin from Rome includes also interesting details on live stock statistics for France, Cuba, Tunis and New Zealand.

ASKS CLERGY TO AID IN FOOD CAMPAIGN

New York, June 20.—In a letter sent out to more than 200,000 churches—Protestant, Catholic and Jewish—Herbert C. Hoover, national food director, calls upon the clergy to co-operate with him and the department of agriculture in urging the people of the country to increase the production of food and cut down as much as possible the amount of waste.

With the problem of food saving before the country, railroads and restaurants are engaged in a rigorous revision of their menus and kitchen methods in order to eliminate waste.

PROTECTION OF CROPS

Department of Agriculture, Ottawa, (leaflet).

Crop protection means crop production. Canada loses over one hundred million dollars worth of her staple crops every year through the depredations of insect pests.

Insect pests are not usually noticed or reported until they have caused considerable damage. Therefore it is urged that the closest watch be kept on all crops for the first appearance of any insect pest.

Do not delay reporting insect outbreaks or losses. They should be reported immediately. Write immediately, or telegraph if the outbreak is serious.

TO CONTEST THE \$225,000 VERDICT

John B. Manning, Stunned By Finding, Will Appeal Breach of Promise Suit

Vindicated, Plaintiff Says—Jury Charged Aged Banker With \$25,000 for "Smart" to Miss O'Brien's Feelings

New York, June 21.—The verdict of \$225,000 won by Miss Honora Mary O'Brien in the Queens County supreme court from John B. Manning, the eighty-four year old banker of 81 Riverside Drive, in her million dollar suit for breach of promise, will be contested.

"I am very grateful to the jury for the verdict they have rendered," said Miss O'Brien. "It was never in a court before, and the thought of facing the ordeal of a public trial seemed unbearable."

"The verdict is excessive, and we will make the first effort to have it set aside in the argument before Justice Crosey on Wednesday," said Mr. Littleton.

Woman's Suffrage Bill Defeated in Legislature

After Three Hours' Debate Decision Reached to Hold it Over Until Next Session—Support From Both Sides for the Measure—Maritime Union is Approved

Fredericton, June 20—Woman's suffrage met with defeat in the legislature tonight. The vote stood twenty-four to fifteen. The premier and the leader of the opposition, the attorney-general and Hon. Messrs. Robinson, Murray, Roberts and Baxter voted for the measure. The debate extended over three hours and the vote was taken about 10 o'clock.

Early in the day the important subject of maritime union was voted upon in the affirmative after speeches by the mover and seconder, Messrs. Baxter and Magee. It was purely a non-partisan subject and was dealt with in a thoroughly non-partisan fashion. Both the mover and the seconder have frequently expressed their firm belief in the benefits of the union of the lower provinces on many previous occasions, and only the limited time at the disposal of the legislature, if it is to adjourn this week, prevented many other members from expressing similar favorable views.

The opposition to woman suffrage came from both sides of the house and the vote would indeed have been very much more favorable to it had not Mr. Tilley, of St. John, committed the indiscretion of introducing party feeling into the debate.

Mr. Mersereau, of Sunbury, had moved that action upon the question of woman suffrage be postponed and instead of following the tone of his leader, Hon. Mr. Murray, who explained his changed attitude upon the question and why he was in favor of it today in an exceedingly conscientious and straightforward fashion, Mr. Tilley expressed his great surprise that the motion for postponement should have emanated from the government side of the house from a gentleman who belonged to a "business administration."

These and other remarks from the member for St. John, who himself had vigorously opposed woman suffrage in 1913, converted several of the government representatives who had been persuaded to vote for the measure to vote against it.

In 1914 when through a question asked by Mr. Dugal it was shown that Pitts Carter, a member of the legislature, had received \$100 from the government for appearing in a liquor case and the government was asked what action it proposed to take, their decision was that it was a matter for the courts.

This was the decision of the legislature today, when by an amendment to Mr. Baxter's resolution, they disposed of the question affecting the parliamentary independence of Messrs. Murray and Jysart.

The tax upon moving pictures is exciting some interest through all parts of the province, mainly perhaps because it is not understood. The proposal of the government is to tax admissions to moving pictures where the tickets cost more than five cents. The tax will be a very moderate one, namely, one cent on every ticket costing more than five cents or 25 that twenty-five cents. A tax of 50 cents will be imposed on admission tickets costing twenty-five cents or more than twenty-five cents.

On the ground of urgency the above bills were read the second time.

The committee went into consideration of a bill to amend the game act. The first section proposed to prohibit the shooting of moose under three years old, and having less than five points. Another section fixed the open season for hares from September 1 to December 1, and for partridge, until July 1, 1919, were adopted.

Hon. Mr. Smith explained that he had made a reduction of \$1 in the local income at the request of a large number of people. He added that permission was not given to dealers to place game in cold storage after the season closed. Another section of the bill prohibited the leasing of a hunting license to boys under eighteen years of age.

The bill to amend the act relating to compensation for injuries to workmen, which had been referred back to the

The prizes for sports were then presented by A. C. Skelton. The first senior highest aggregate prize was a gold medal and was awarded to F. E. Coster, who held seventeen points. The second senior aggregate prize, a silver cup given by J. D. Page, was won by George Flewelling, with fourteen and a half points. E. Brydone-Jack coming third with thirteen.

F. R. Taylor presented the gold medal given in himself for the highest aggregate in the middle school, which was won by John Cudlip, with twenty-two points; B. N. Goff coming second with eleven, and Douglas Pugsley and S. Jones having for third. The first prize for the junior aggregate was a silver cup given by the Alumnae of Kingshurst and presented by their president, Mrs. W. S. Olive. L. Peters won this, having a total of twelve and a half points, and P. C. Naftel came a close second, being only one-half point behind him. M. Kuhring came third, with five and a half.

Mr. Skelton then continued to present the prizes to the leaders in all the different events for the day, the senior boys each receiving a silver watch fob with the event engraved on it, and the middle school a bronze fob.

The members of the Fifth Form, who will be leaving the school this year, are: Rupert Davidson, Turnbull, Paul Burspee Williams, Ernest Edmund Brydone-Jack, William Donald Rankine, Jr., Walter Bevons Snowball, Jr., John Emery Smith, Alexander Pierce Patterson, Jr., Richard Penniston Starr, Frederick Edwin Coster, Kenneth Portland MacKenzie, Robert Arthur Halliburton MacKenzie, George Frederick Holly, Orvan George Hiinton, Harold F. Christen Albertsen
The death of Christen Albertsen, beloved son of Capt. T. Carl Albertsen and Sophie Albertsen of 225 Sydney street, occurred Wednesday morning from tuberculosis. He was fifteen years of age and was born in Marstal, Denmark, and came to St. John with his mother three years ago to join his father who had been in this country two years. He was an unusually bright and thoughtful boy and much sympathy is felt for the bereaved parents.

Military Medal For Gallant Act

Edgar Bourque Risked Life To Save Munitions

News of the Soldiers

Sydney Wilson Dies in German Prison Camp—Casualty List is Longer

Moncton, June 20—Dr. L. N. Bourque of this city has received a letter from the commander of a Canadian battery at the front stating that his son, Bombardier Edgar Bourque, has won the military medal.

In reciting the instance, in connection with which young Bourque won his distinction, the letter states that a German shell had set fire to a supply of Canadian munitions. For a time there was grave danger that a quantity of Canadian shells would be destroyed in the conflagration.

Despite the danger from further explosions, three non-commissioned officers, one of whom was Edgar Bourque, rushed in and saved the situation, not stopping for a moment to consider their personal safety.

So near did the flames come to exploding the shells that the tarpaulin covering the stores was completely destroyed and the N.C.O.'s who prevented the disaster were badly burned, but stuck to their work until the flames were extinguished. Bombardier Bourque is now in hospital at Bolognes, suffering from burns received during his heroic action. This is but another instance of where New Brunswick blood has shown its staying powers on the battle field of empire.

Gallant Bombardier Edgar Bourque is a nephew of Mrs. Louis Comeau, 85 Elliott row, St. John.

Honor for Another N. B. Boy.

A recent cable from London says that Captain F. A. O'Leary, of Campbellton, now in France, has been honored by receiving the Distinguished Service Order. No details are given as to the circumstances under which he won his distinction.

Captain O'Leary is a brother of Bishop Louis O'Leary, of Chatham, and Bishop Henry O'Leary, of Charlottetown (P. E. I.), and of W. J. O'Leary, electrical engineer and contractor of Montreal. He is a half-brother of Hon. Colonel Richard O'Leary, of Richibucto, who has been closely identified with the voluntary recruiting propaganda in this province and also a half-brother of A. E. O'Leary of the same place. Captain F. A. O'Leary went overseas with the 104th Battalion under Lieut.-Colonel George W. Fowler, and was later drafted into the "Fighting 26th" now commanded by Lieut.-Colonel A. E. G. McKenzie.

Officers Coming Home.

A recent cable from London says that the following officers have been struck off the strength as surplus and are returning to Canada: Lieut.-Colonel C. C. Ballantyne, A. L. Bomysty, J. H. Hearn, A. J. O'Brien, Sir W. Price, J. L. Youngs; Majors W. J. Douglas, D. C. Morton, D. McLennan, G. W. Fink, G. P. Richardson, A. J. Taylor; Captains A. E. Burgess, W. L. McFarland.

Died in Germany

Mrs. S. Wilson of 25 St. Paul street, of this city, received word yesterday that her husband, Sydney Wilson, was a prisoner of war in Germany, having been taken off a torpedoed steamer, had died. Mr. Wilson was employed on the steamer as a cook.

Eight Recruits

Eight recruits were secured in the city yesterday. They were: Melley Waldon, John Mortimer, St. John; William J. McManus, Gibson; Charles V. Norton, St. Stephen; and Wilbur R. Matchette, Bellbank Canadian Engineers; E. Roy Edwards, St. John, Forestry Battalion; F. W. Barnett, Queens county, Machine Gun Draft; and M. Kincaid, Kings county, No. 8 Field Ambulance.

Sussex Men Wounded.

Ottawa, June 20—Maritime casualties were British subjects by birth or naturalization and apparently fit for military service, that was to say they had normal use of their eyes, ears, feet and arms and had not suffered from illness for more than one month during the twelve months preceding the filling in of the cards.

DEATH DUE TO SUICIDE; PRISONERS DISCHARGED

Fredericton, June 20—The preliminary examination of Mrs. Mary Thomas, widow of Marvin Thomas, and Frank Morey, held on suspicion of complicity in the death of Marvin Thomas, which took place last at Fredericton Junction before Magistrate John Murphy, of Blissett, resulted in both Mrs. Thomas and Frank Morey being discharged, the evidence adduced showing clearly that the deceased had committed suicide by drinking carbolic acid.

ENGLAND SHORT OF BEER.

London Saloons Have Hard Work to Obtain Supplies.

London, June 1—(Correspondence)—Beer rationing has set in earnest in the south of England, particularly in the country villages near the big military camps. Saloon-keepers are now receiving only a fraction of their former supply and are being restricted severely in supplies of spirituous liquors.

At the week-end there are now many South of England villages where not a drop of spirits may be had.

London is affected in spots. The most famous eating house in the Strand will serve only half a pint of beer to each customer at luncheon or dinner. Several saloons in the centre of the city had to go for two or three days without beer, and one licensed holder applied to the licensing board to know if it would jeopardize his license if he closed his cafe for a few days, as he had no beer to sell and could obtain no further supplies for nearly a week.

SIR SAMUEL LEVER TO STAY

British Government Induces Him to Continue Financial Services Here.

London, June 21—At the request of the government Sir Samuel Lever, financial secretary to the treasury, who went to the United States some time ago, has agreed to remain here for an indefinite period. Chancellor Bonar Law made this announcement in the House of Commons, saying he considered Sir Samuel's services in the United States would be of the greatest value.

Stanley Baldwin, Unionist member of the House of Commons, will take Sir Samuel's place at the treasury.

1,324,755 SIGNED THE SERVICE CARDS

Ottawa, June 20—Of the national service cards distributed throughout Canada through the agency of the postmasters 1,324,755 were returned to the national service commission with all the questions thereon answered in full. Sir Robert Borden told William Smith, of South Ontario, in the commons today. The cards only partially answered numbered 37,540 and 106,969 cards were returned with all the questions unanswered. In most cases the names of those who sent in their cards numbered were secured.

The prime minister stated that 252,034 single men between the ages of 18 and 45 years of age had indicated that they were British subjects by birth or naturalization and apparently fit for military service, that was to say they had normal use of their eyes, ears, feet and arms and had not suffered from illness for more than one month during the twelve months preceding the filling in of the cards.

MOVE WITH REGARD TO CONSCRIPTION ACT

Ottawa, June 20—The debate in the commons on the conscription of unattached bill today, while devoid of startling developments, went far to indicate the nature of the division which will come on the vote. From present indications more than a score of Liberals will vote against the referendum and for the bill, these will include Guthrie, of Wellington; Pardee, of Lambton; Graham, of South Renfrew; MacLean, of Halifax; probably Carvell, of Carleton; H. H. McLean, of Queens-Sunbury, together with a large proportion of the western members. Several Ontario members will vote with Sir Wilfrid, together with the majority of those from the maritime provinces. But all those who vote against the amendment, and for the bill will do so with the strongly expressed conditional presumption that the principle be extended to all wealth and resources.

Another section was heard from tonight. J. A. Barrette was put up late this evening to express the views of the Nationalist wing of the government. Barrette is one of those who came into the government ranks in 1911 pledged against participation in the empire's

Italians Resume the Offensive

Rome, June 20, via London—The Italians resumed the offensive yesterday. The war office announced the capture of Austrian positions on Monte Ortigara and 936 prisoners.

The Italian attack is a resumption of the fighting begun on June 11 on the Trentino front, southeast of City of Trent, the capture of which is one of the chief Italian objectives. In the first attack the Italians took positions on Monte Ortigara, and carried Agnello Pass.

In St. Peter's Y.M.A. league last evening the Maples defeated the Thistles by a score of 10 to 7. The game was hard fought and was an interesting one to watch despite the high scoring. Errors were made by members of both teams, but nearly all were excusable as the fog was thick and at times the fielders could hardly see the ball after it was hit in the air.

FUN GALORE IN COURT AT GEM; ALSO THROBING PICTURE

Comedy Company in Rich Fun Maker—Kitty Gordon Starred in Great Photoplay

The Gem's Own Comedy Company won new honors, held old friends and made new ones last night by their sprightly specialties and general fun making in "A Day in Court." That's the name of the new playlet. It was written to make audiences laugh and, like its forerunners, has admirably accomplished its mission. All the members of the clever little company take part and they let few minutes pass without each bringing its own jollity. Dick Baird plays the judge, Hugh Conley, the troublous clerk of the court, and Harry McHenry shows new ability in a negro character. The ladies of the company introduce bright specialties. What Judge Baird does in handing out justice, chiefly with the idea of getting some money in fines, is the height of fun. The audiences keenly enjoyed the efforts of all to entertain them and everybody had a good time.

In the picture line the Gem offered a particularly powerful play of Russian revolutionism, "The Crucial Test," starring Kitty Gordon. It is a vivid story of Russian nihilism with its great risks, its fascinating though dangerous and perilous revolutionary plots of assassination against ruling powers, in which this international star, directed by Robert T. Thornby, with a superb cast, has accomplished a photoplay success of wonderful interest, by far one of the best productions seen in St. John recently.

After having conquered the British stage, Kitty Gordon crossed to the United States on an extended pleasure trip. Theatrical impresarios trailed her for weeks, besieging her with offers to play in American musical comedies, to which she succumbed after having refused many tempting engagements. The result was that she had theatre-goers at her feet for years, and became the idol of the light comedy stage. She was induced by William A. Brady to appear in motion pictures.

In this superb photoplay Miss Gordon is surrounded by a very clever cast. She acts with great power, wears some superb gowns and dominates the picture by the quality of her art. It is one of the Gem's big offerings, which are gaining such a name. This programme will be given until and including Friday night, with an entire change with something very big for Saturday afternoon.

CLEAN, wholesome, thrilling, fascinating, with the interest sustained until the very end, is "Mystery of the Double Cross". It is an adaptation of an original story written by Gilson Willets. Pathe has made of it a motion picture serial feature superior to any they have heretofore presented. Each episode adds to the baffling mystery which, at times, seems so profound as to be unsolvable. But it is solved finally and happily, too.

The leading role is portrayed by Mollie King, youngest and most beautiful of serial stars, who is supported by Leon Bary and an admirable cast.

"Mystery of the Double Cross" is different, better, more absorbing than any serial you have ever seen.

Flanagan Gives Advice To U. S. Army Officials

Visits Washington With Former Commander of Sportsmen's Battalion and Explains System of Army Athletics

Washington, D. C., June 18—Canada's athletic training system will be adopted in its entirety by the United States government. This was decided yesterday, when Lieut. Col. "Dick" Greer and Captain Tom Flanagan, of the Sportsmen's Battalion of Toronto, on invitation, came here in response to an invitation and conferred with Commissioner Foulck, in charge of training camps.

"We know all about you and your work," said Commissioner Foulck, as he grasped the hands of the Canadian visitors. "We have been studying the results of your athletic organization in Canada. We are so impressed with the magnificent results that we have already begun work of similar lines, and we will be very glad to have any assistance you can give us. The government has set aside one million dollars for the encouragement of sport in the army."

The commissioner has already begun to organize for the athletic and military training. College coaches and other handlers of athletic men will be used by the government in putting the Canadian camp training system into operation.

Col. Greer, comparing the fighting qualities of the warring nations, said: "The German soldier has no sport, he is a machine; he is rigidly in his place. He can't understand the ideal that fighting is sport to the British. That long line of men charging, laughing and kicking a football along against terrible odds. That is why you read of fifteen hundred or two or three thousand men surrendering in a body, with hardly any resistance. The English and Canadians never surrender like that. They fight while they have a cartridge left or a leg to stand on. It isn't in the game to quit. It's against every principle of sport."

"Why, at the capture of Vimy Ridge the fight was hardly over when the Canadians were clearing ground for a ball field, and forty hours later they were playing the final game in the battalion baseball championship series right on the ground the Germans had occupied. That's the sporting end of it."

MRS. SOL SMITH, ACTRESS, DIES AT 87

"Grand Old Lady of American Stage" Passes Away in Her Sleep at Home

Mrs. Mary Sedley Smith, known as Mrs. Sol Smith, believed to be America's oldest actress, and one who had played a part in the life of the theatre through three generations, died peacefully in her sleep last week at her home, 89 Claremont avenue, New York. She was eighty-seven years old, and had appeared in public as recently as "the grand old lady of the American stage." The last of the famous old actresses before her was Mrs. G. H. Gilbert, who was eighty-

three when she died in Chicago on Dec. 2, 1894, while acting in Clyde Fitch's "Gypsy." After Mrs. Gilbert the next of the veterans was Mrs. Sol Smith. Mrs. Smith was born in Boston, a daughter of William Henry Sedley Smith, himself for many years identified with the early history of the theatre in this country. She was twenty years old when she made her first appearance as a member of a company in the popular play, "The Child of the Regiment," done into an opera by Denzetti, that still holds the boards today. Mrs. Smith played in support of all the old-time stars. As the Nurse in Shakespeare's "Romeo and Juliet," a character long in her repertory, she was seen in the company that acted the play with E. H. Sothern and Julia Marlowe. Her last appearance in a regular production was with a company at the New

Theatre, now the Century, which gave a spring season several years back in the play of "Beethoven," based on the life of the composer. She re-appeared, however, in her old role of Nurse in "Romeo and Juliet" at the all-star testimonial for William Winter, and she was again seen at the Baltimore in April of last year, when she was eighty-six years old, in a performance for the Professional Women's League, of which one of her daughters was secretary.

The widow of Sol Smith, who also was a famous actor and a cousin of Sol Smith Russell, Mrs. Smith had a wide acquaintance with people of the stage. Her birthday was an event that was remembered by stars of the present day all over the country, who each year sent her hundreds of letters and telegrams of congratulation. Among her friends she counted Daniel Frohman, William Gil-

lette, Sothern and Marlowe, and others as well known.

Mrs. Smith was one of the oldest members in the organization of the Actors' Fund of America, as well as one of the most active in the Professional Women's League, of which she was a vice-president. She was also an honorary member of the California Society. She is survived by two sons, Sedley Brown, a stage director, and Edward Brown, associated with a western motion picture concern, and by two daughters, Miss Alice Brown, secretary of the Professional Women's League, and Mrs. Elmer Smith Redding.

WOUNDED FOR SECOND TIME IN A MONTH

Mrs. John King of 91 Newman street, has received the following letter from the Canadian Red Cross Society for action bureau, London, relative to her son, Corporal H. B. King, recently wounded: Dear Madam— I beg to advise you that Corp. H. B. King, No. 644601, who is now at Sycamore Road Military Hospital, Nottingham, Eng., has been seen by an injured Red Cross volunteer who found him suffering from shrapnel wounds in the head, but we hear from his doctor that it is not severe. He will be visited regularly and we would like to report of his condition from time to time. If we can send him any extra comforts, other than those supplied by the hospital, it will be our pleasure to do so. Yours truly, CONSTANCE SCOTT, M. M.

Corporal King has been overseas since June, 1915, and has seen severe fighting. He passed through all until last month. The present is the second wound he has received. Many St. John friends will watch for news of his speedy recovery.

THEFT BY BOY; JUNK DEALERS IN COURT

The arrest of a sixteen-year-old boy by Detective Duncan yesterday afternoon on a charge of theft of a quantity of type and pieces of metal from the D. F. Brown Paper Box Company in Canterbury street, brought forth some interesting developments in the juvenile court this morning. One was that a charge of not keeping records of second-hand goods when purchased was laid against Selick & Freedman, junk dealers, in Nelson street.

At the case proceeded Mr. Brown said that he did not wish to prosecute the boy but he would like to have the thefts stopped. His firm had lost in the vicinity of 300 pounds of metal, which was today worth \$1 a pound. There were also some valuable types missing. Mr. Brown had identified many of the types and pieces of metal found in a barrel at the junk store of Selick and Freedman and which the boy had admitted selling to Marcus Freedman, a clerk, who was left in charge of the defendants' store at times.

The boy told the court that he had been taking the metal from the Brown concern, where he was employed, since last winter. He had made as many as nine trips and had been paid about four cents a pound for it. He said he had sold about seven times to an old man in the store, Marcus Freedman, and once to Mr. Freedman, a part owner of the business. The latter purchase was denied.

J. King Kelley appeared for Selick & Freedman. The court said that there was no point remained clear that there was no entry in the firm's books as to when and from whom the metal was purchased. "This should not be," said the magistrate, "if there were no receivers there would be no thefts."

Mr. Brown said that he had not disclosed the boy and was apparently willing to take him back. The court said that this just saved the boy four years in Dorchester penitentiary.

The defendant explained to the court that as the clerk was advanced in years and did not understand English well, he thought it was not necessary to make an entry for so small a purchase. "But the material had been accumulating," said the court, "and should have aroused suspicion."

There was considerable argument between the junk dealers and Mr. Brown as to the selling and purchasing value of the metal in question. The case was taken up again this afternoon.

TO TEACH GIRLS AND OTHERS BEST WAY TO PRESERVE FOODS

Domestic Science Teachers Volunteer so to Spend Their Vacation—Meeting Here Soon

The domestic science teachers of New Brunswick have volunteered to devote half of their coming vacation to teaching the girls and others interested in the province the best methods of preserving and conserving food materials. This is their contribution to the movement for greater production. In order to secure the best results the officers of the education department are now engaged in organizing the girls of all the counties into clubs for summer and fall work. Each club will be visited during the coming season by a household science teacher, who will spend a week or ten days with it. The girls and the teacher will meet in a room to be provided by the local school board. To this room will be brought all manner of native fruits and vegetables, which will be canned or otherwise preserved under the supervision of the expert.

The girls, in addition, will be given talks on food values, possible substitutions that may be made to advantage, the elimination of waste, etc. The boys and girls, under the direction of Mr. Steeves, of the agricultural department, and the inspectors of schools, have this spring been urged and helped to produce large quantities of garden truck. This movement among the girls is designed to make every possible pound of such stuff available for consumption next winter or when it may be needed.

The domestic science teachers who have volunteered for such important work, and who are serving for the time being without any remuneration whatever, are to be congratulated upon the practical form their patriotic effort is to take. They will no doubt be received gladly and sympathetically by all communities to which they may be assigned.

In St. John the domestic science teachers, Miss Bartlett and Miss Northrup, have undertaken the arduous task of helping the numerous girls of the city. A meeting of members of the school board, the girls of grades VII and upward, their mothers and teachers, is to be held soon in the High School. At that time the scheme of canning clubs will be outlined by Supt. Bridges, Inspector McLean, and Director F. Peacock. No doubt several clubs will be formed and the work thoroughly organized.

ONE CAR TRACK IN PRINCE WILLIAM

Outlook For Next Month When Water Main is Being Renewed

It is expected that Prince William street will be stayed by only one street car track next month. This will be due to the operations of the water and sewerage department in renewing the water main through the length of the street. The present main is laid directly under the track on the eastern side. At first mention was made of this line being abandoned and the new main laid on one side of the track, but it was found that there was no room to carry out this plan.

The street railway company was given the alternative of removing one of their gas mains or taking up the track while the pipe-laying operations were in progress, and they chose the latter alternative. The tracks will be removed entirely, thus giving the department an excellent chance to hurry along the work, and, when the water main is completed, the tracks will be relaid.

Tenders for the laying of 5,500 feet of water main renewals will be called for this week or next and an early start made.

THE LANCASTER MAIN

Commissioner Makes Explanation of Change of Plans on Engineer's Recommendation

Inquiries have been made by residents of Fairville regarding the prospects for the renewal of the water main in Main street, in connection with the improvement of the water supply. They mention that merchants and others have been somewhat inconvenienced by the pipes which have lain in the street since last fall, but which they expected to see used in that section for the renewal of the main from Barnhill's corner to the Carleton reservoir. Lancaster people also have been looking forward to the establishment of a pumping station at the reservoir. As it is, the work laid out for this year is the laying of 5,000 feet of pipe from Barnhill's corner out the Manawagonish road as far as James Manchester's property.

In explanation of the change in the plans, Commissioner Wigmore said this morning that the work undertaken this year was being carried on because of the recommendation of Engineer McIntyre. The engineer advised that this section was the more important, both in avoiding the danger of a serious breakdown of the service and also with regard to the improvement of the supply and pressure on the heights. When it was a choice between the two sections, he strongly recommended that which has been undertaken and his recommendation was adopted.

The fact that any work is being done this year is due partly to the fact that the cast iron pipe was purchased last year, before it became so costly. If the prices continue to advance, it is possible that the city may not be able to carry on the work from Barnhill's corner to the reservoir next year, as had been planned.

Meanwhile, good progress is being made and it is expected that about 100 feet of pipe will be laid this afternoon. The water and sewerage department is laying about 200 feet of pipe in Princess street today, bringing the line nearly to the corner of Wentworth.
