fusal of the Council

meeting of Council on the 10th April last and the country will. was " an unfortunate thing for me."-Notes ! for then and there my conclusion was fermed as to the course I should many matters which rendered my deei- to the St. Andrews and Quebec Rail sion to leave, and bear no longer any Road. I would again call Your Excelpart of the responsibility of the acts of leney's attention to it, and further state one to come to. I may here say I desire therein fully conveyed. In addition to ne sympathy from Your advisers-I have had none-I wish non e now.

The simple facts are these: Complaints were frequent and numerous from all understood him. parts of the country that the Debates and parts of the country that the Debates and Journals were not properly delivered by Pest and Way Office keepers. At the epaning of the House I stated that the Department would not be responsible unless better assurance than hereofore of their being properly mailed was given, and that for the session I would not object to the department, whose only efforts in have it properly attended to. I assumed have it properly attended to. I assumed the matter have been in suporting an officer at St. John, whose duties are c. mere for by volunteers; and her consort, Prince for by volunteers. The responsibility, and I believe the duty was attended to in a manner satisfactory to the house and to the country. At the close of the session wishing to pay the parties who performed the labor, all of whom devoted their attention to it, and were exceedingly assiduous in their en' deavors to have the work properly per formed. The expense attending this amounted to £149 7s 7d. I applied for a warrant, when I was told I was extravagant, (certainly such a remark came with ery bad grace from my colicagues;) and it would not be granted unless I handed in a detailed statement. My reply was " that I should do no such thing, and if matters had come to this I would not sit elaim as good a knowledge of the words took my hat and cost and left the room subsequently I returned to the Council Chamber for the parpose of procuring

the salt rheum:

Soap.

Soap.

Wash Boards

The salt rheum.

Where to eight bottles are warranted to cure the worst case of scorfula.

A benefit is always experienced from the first bottle and a yerfect cure is warranted when the above quantity is taken.

Reader, I have peddled over a thrusand bottles of this in the vicinity of Boston.

I know the effect of it in everycase. So sure as water will estinguish fire, so sere will this cure humor. I have never sold a bottle of it but that sold another; after a trial it always speaks for itself. There are two things about this herb that appear to me superising; first that it grows in our pastures, in some places vaite plentiful, and yet its value has never been known within a discovered it in 18 + second, that it should are all kinds of humor. I not give some idea of the salden rise and great popularity of the discovery! I will state that in April, 1853. I peddlied it, and soft about six bottles per day of it. Some of the wadesale Drugsists who have been in business twenty and thirty years, say that nothing in the a anals of patent medicine was over like it. There is a universal profise for humors—but since it is introduction as your like it. There is a universal profise for humors—but since its introduction as your like it. There is a universal profise your and family medicine, great and wonderful the see have been found in it that I never sus peeted.

Several cases of epileptic lits—a disease.

pected.
Several cases of collectio fits—a disease which was always considered insurable, have been cared by a few hottles. O, what a mercy if it will grove effected in all cases of that artful malady—there are but few who have seen more of it than I have.

I know of several cases of dropsy, all of them I know of several cases of dropsy, all of them.

I know of severel cases of dropsy, all of them aged people cared by it. Here they various discusses of the liver, Sick Headache, Dyspepsia, Asthma, Tever and Ague, Pain in the Side, Diseases os the Spine, and particularly in discusses of the Kidney's, '&c. the discovery has done there good than any in dising ever known. No change of Distrever necessary. Lat the best you can get, and enough of it.

Discriming for Usa.—Adults one table spoonful per day—Unildren over ten years dessert spoonful—Grifdren from five to eight years, ten spoonful. As an directions can be a prisable to all constitutions, telle swilcient.

a pplicable to all constitutions, take sufficient to operate on the bowels twice a day.

Ayer's Sarsapar

A compound remedy, in which we bored to produce the most effectual a that can be made. It is a concentrate of Para Sarasparilla, so combined wi of Para Barasparilla, so combined will substances of still greater alterative pure afford an effective antidote for the Sarasparilla is reputed to cure. It is that such a remedy is wanted by the suffer from Strumous complaints, and which will accomplish their cure murof immense service to this large classafficted fellow-citizens. How complete compound will do it has been proven by iment on many of the wirst cases to to of the following amplaints:

— Scroyella and Scroyellous Company of the following amplaints:

PINFLES, BLOTCHES, TUMORS, SALE I SCALD HEAD, SYPHILIS AND SYPHILIS FRITORS, MERCHIAL DISPASS, DENEITY FRIESTA AND INDIGESTION, ENTSITYELAS OR ST. ANTHONY'S FIRE, and indeed the class of complaints arising from IMPUT THE BLOOD.

The Bloop.

This compound will be found a gree moter of health, when taken in the spn expel the foul humors which fester blood at that season of the year. By the ly expulsion of them many ranking diare nipped in the bud. Multitudes of the aid of this remedy, spare themselves the endurance of foul cruptions and useres, through which the system will a rid itself of corruptions, if not assisted this through the natural channels of the by an alterative medicine. Cleanse by an alterative medicine. Cleanse vitiated blood whenever you find its imbursting through the skin in pimples, ere or sores; cleanse it when you find it structed and sluggish in the veins; ele structed and sluggish in the veins' ele whenever it is foul, and your feelings y you when. Even where no particular dis felt, people enjoy better health, as longer, for cleaning the blood. He blood healthy, and all is well; but wi pabulum of life disordered, there can lasting health. Sooner or later som must go wrong, and the great machilife is disordered or overthrown.

Sarsaparilla has, and deserves must reputation, of accomplishing these ends the world has been egregiously decein preparations of it, partly because the alone has not all the virtue that is discripted in the world has been egregiously preparations of it, partly because the alone has not all the virtue that is discripted in the world has been egregiously decein the world has been egregiously decein preparations of it, partly because the soft it, but more because nany preparations to be concentrated extracts.

or any thing else. or any thing else.

During late years the public have beeled by large bottles, pretending to give of Extract of Sarsaparilla for one dollar of these have been frauds upon the sittley not only contain little, if any, Sorilla, but often no curstive properties wer. Hence, bitter and painful disappoints followed the use of the various extra Sarsaparilla, which flood the market and Sarsaparilla which flood the market, uname itself is justly despised, and has synonymous with imposition and cheat, we call this compound Sarsaparilla, and to supply such a remedy as shall resoname from the lead of oblequy which upon it. And we think we have groupelieving it has virtues which are irreby the ordinary run of the diseases it is it and to cure. In order to secure their control of the diseases it is it. eradication from the system, the remedy be judiciously taken according to direct the bottle. PREPARED BY

DR. J. C. AVER & LOWELL, MASS.
Price, 21 per Bottle; Six Bottles fo Ayer's Cherry Pectora

has won for itself such a renown for the certy variety of Throat and Lung Complaint it is entirely unnecessary for us to recousevidence of its virtues, wherever it has been ployed. As it has long been in constant throughout this section, we need not do more assure the people its quality is kept up to the it ever has been, and that it may be relied do for their relief all it has ever been found.
