BILL 4.

An Act to amend the Customs Tariff.

R.S., c. 44;
1928, c. 17;
1929, c. 39;
1930, c. 13.

HIS Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows:—

1. Section six of the *Customs Tariff*, chapter forty-four of the Revised Statutes of Canada, 1927, as amended by chapter thirteen of the Statutes of 1930, is repealed, and the following is substituted therefor:—

Under-
valuation.

“6. (1) In the case of articles exported to Canada of a class or kind made or produced in Canada, if the export or actual selling price to an importer in Canada is less than the fair market value of the same article when sold for home consumption in the usual and ordinary course in the country whence exported to Canada at the time of its exportation to Canada, or is less than the fair market value or value for duty thereof as determined under the provisions of section thirty-six of the *Customs Act*, or is less than the fair market value thereof as fixed by the Governor in Council under the provisions of section thirty-seven of the *Customs Act*, or is less than the value for duty thereof as determined by the Minister under the provisions of paragraphs (a) and (e) of section forty-one of the *Customs Act*, or is less than the fair market value thereof as fixed by the Minister under the provisions of section forty-three of the *Customs Act*, there shall, in addition to the duties otherwise established, be levied, collected and paid on such article, on its importation into Canada, a special or dumping duty, equal to the difference between the said selling price of the article for export and the said fair market value thereof or value for duty thereof; and such special or dumping duty shall be levied, collected and paid on such article although it is not otherwise dutiable.

Dumping
duty.

Limitation.
Exempted
goods.

Provided that the said special duty shall not exceed fifty per cent *ad valorem* in any case, and the following goods shall be exempt from such special duty, viz.:—

Goods of a class subject to duty under the *Excise Act*.

Provided, notwithstanding, that on importations from Australia under *The Australian Trade Agreement Act, 1925*, the said special duty shall not exceed fifteen per cent *ad valorem* in any case.

Notwithstanding anything in this Act contained the levying and collection heretofore of special or dumping duty in cases where the fair market value of goods was determined by the Minister, acting or purporting to act under the provisions of section forty-seven A of the *Customs Act*, as enacted by section three of chapter eighteen of the Statutes of 1922 (Section forty-three of the *Customs Act*, R.S., 1927), is hereby ratified and confirmed.

When excise duties disregarded.

(2) Excise duties or Excise taxes shall be disregarded in estimating the market value of goods for the purposes of special duty when the goods are entitled to entry under the British Preferential Tariff, Intermediate Tariff, or any tariff more favourable than the General Tariff.

When customs duties of United Kingdom disregarded.

(3) Customs duties of the United Kingdom shall be disregarded in estimating the market value of wines for the purposes of special duty when the same are entitled to entry under the Intermediate Tariff or any tariff more favourable than the General Tariff and are bottled in bond in the United Kingdom and imported direct therefrom.

"Export price."
"Selling price."

(4) 'Export price' or 'selling price' in this section shall be held to mean and include the exporter's price for the goods, exclusive of all charges thereon after their shipment from the place whence exported directly to Canada.

Evasion of special duty.

(5) If at any time it appears to the satisfaction of the Minister that the payment of the special duty by this section provided for is being evaded by the shipment of goods on consignment without sale prior to such shipment, the Minister may in any case or class of cases authorize such action as is deemed necessary to collect on such goods or any of them the same special duty as if the goods had been sold to an importer in Canada prior to their shipment to Canada.

Additional special or dumping duty.

(6) If at any time it appears to the satisfaction of the Minister that any person owning or controlling or interested in a business in Canada and also in any other country, or any person carrying on a business in any other country and owning or controlling or interested in a business operating in Canada, and by reason thereof is enabled to import goods for further manufacture or assembling or for resale, and while complying with the legal requirements on importation disposes of such imported goods, whether in the form as imported or as further processed, assembled or manufactured, at prices below the duty paid value thereof as entered at Customs plus, if any, the cost of processing, assembling or further manufacturing in Canada, the Minister may declare that goods of such class or kind were and are on importation subject to an additional special or dumping

duty not exceeding fifty per cent and authorize such action as is deemed necessary for the collection thereof.

Enforcing
payment.

(7) If the full amount of any special duty of Customs is not paid on goods imported, the Customs entry thereof shall be amended and the deficiency paid upon the demand of the Collector. 5

Regulations.

(8) The Minister may make such regulations as are deemed necessary for carrying out the provisions of this section and for its enforcement."

2. The said *Customs Tariff*, as amended by chapter 10 thirteen of the Statutes of 1930, is further amended by adding thereto the following sections:—

Power to
prohibit
certain
imports.

"17. The Governor in Council may, from time to time, prohibit the importation into Canada of any goods exported directly or indirectly from any country not a contracting party to the Treaty of Versailles, executed at Paris, France, on the 28th day of June, 1919, and any order of the Governor in Council prohibiting the importation into Canada of any goods from any such country shall be published in the next following issue of the *Canada Gazette*. 15 20

Power to
reduce
duties.

"18. In the event of the producers of goods in Canada increasing prices in consequence of the imposition of any duty under the provisions of this Act, the Governor in Council may reduce or remove such duty."
