No. 4.--The Chamber of Commerce.

TO HIS EXCELLENCY ARTHUR EDWARD KENNEDY,
 COMPANION OF THE MOST HONORABLE ORDER OF THE BATH,
 GOVERNOR AND COMMANDER-IN-CHIEF OF THE COLONY OF
 VANCOUVER ISLAND AND ITS DEPENDENCIES, &c., &c.;

The humblo Address of the Chamber of Commerce of the City of
 Victoria.

May it please your Excellency :

We, the members of the Chamber of Commerce of the City of Victoria, avail ourselves of the auspicious occasion of your Excellency's safe arrival and of your assuming the reins of Government, to assure you of our devoted attachment and respect to her most gracious Majesty the Queen, and our feeling that in the appointment of a gentleman of your Excellency's tried experience and ability in colonial administration, her Majesty has furnished us with a convincing proof that distant and comparatively unimportant as it is amidst the vast dependencies of the British Empire, even this Colony partakes of her Majesty's fostering care and attention.

Under the enlightened free-trade policy inaugurated by your Excellency's respected predecessor, and which has attracted hither merchants and other immigrants of all nationalities, this city has already attained an importance, which the most sanguine could not have anticipated at the time of its foundation, and it is our unanimous conviction, that by a faithful adherence to that policy alone, can we look forward to its becoming the chief distributing commercial depot of the North Pacific.

The enterprises heretofore contemplated for the development of the material resources of the Colony, such as telegraphic communication

with the Atlantic seaboard, a British mail line to Panama, a graving dock at Esquimalt, a more extensive opening of our coal fields and mines of precious and the baser metals, our agricultural lands, valuable timber forests and inexhaustible fisheries, are retarded by the want of means to put them into successful operation, and we hope that under your Excellency's auspices British and foreign capital may be invited and encouraged hither, and that all projects tending to the benefit of the Colony will receive your Excellency's countenance and protection.

In conclusion, we trust that your Excellency may long enjoy health and happiness, and that under your administration you may have the satisfaction of witnessing the successful progress of British commerce on the Pacific Ocean in connection with the Colony of Vancouver Island.

No. 8,---St. Andrew's Society.

TO HIS EXCELLENCY CAPTAIN ARTHUR EDWARD KENNEDY,
C. B., GOVERNOR OF VANCOUVER ISLAND. &C., &C.:

SIR :--

The brotherhood of St. Andrew, to which we belong, desire to offer you their congratulations upon your arrival in this Colony, and to express to you, as the representative of their Sovereign, the undying feelings of loyal reverence and deep love for their fatherland which animate every true Scotchman in this remote dependency of Britain.

Our Society was originally formed to aid in keeping alive such wholesome sentiments as well as to minister to the relief of necessitous fellow-countrymen.

It is now in the fifth year of its existence.

Its older members have seen the gradual rise and increase of this City from a very small beginning to a position of importance and prosperity that promises yet greater things.

The energy and perseverance of Scotchmen—we are proud to say of a Scottish ruler—have largely contributed to bring about this result.

It is our confident hope that under your auspices these promises will be amply realized, and that you will find, in the sons of Scotland, men ever ready to aid your endeavors to promote the moral and material well-being of the people committed to your charge.

(14)

Accept, Sir, this expression of our respect towards yourself and the high office that has been conferred upon you, as well as of our hearty wishes for the health and happiness of your family in this their new home amongst us.

We have the honor to be, Sir,

We, the members of the Fire Department of the City of Victoria, ever animated by a proper sense of respect for, and duty to her most gracious Majesty's representative in this Colony, do most sincerely congratulate your Excellency on your safe arrival amongst us, and pray that your administration may be blessed with such results as will reflect honor on yourself and give satisfaction to all.

May this City long be preserved from that devastating element we have volunteered to watch over and arrest ; but though our services have been little required hitherto, we trust that if the day should unfortunately arrive when there would be need of a vigorous display of them, we shall not be found wanting, and that the institution will be deemed by your Excellency not to have been unworthy of the care hitherto bestowed on it, and deserving a continuance of the same.

No. 11,---Pioneer Rifle Company.

TO HIS EXCELLENCY ARTHUR EDWARD KENNEDY, C. B.:

May it please your Excellency:

We, the members of the Victoria Pioneer Rifle Company, beg leave to express our thankfulness and gratification at the safe arrival of your Excellency and family, and our unaltered devotion to the person and Government of her most gracious Majesty Queen Victoria.

Our only regret is that in the general rejoicing over your Excellency's arrival we were precluded, on account of an anti-English prejudice against our color, of doing ourselves the honor as well as pleasure of taking part in the procession as a military company—a company whose highest aim is to be of service to Her Majesty, and whose greatest privilege is to be her Majesty's most loyal subjects.

To your Excellency's predecessor, Sir James Douglas, is due the organization of this company, which, with all its imperfections, is at least the only representative of the British volunteer element in the Colony.

We hope, under your Excellency's administration no occasion may arise requiring our military services; if, however, the time should come when internal or external dangers should threaten the country, we hope to prove by deeds that the arms we carry are in no unworthy hands, and that the allegiance which we owe to her Majesty we are ready with our lives to pay.

It is to us a source of extreme satisfaction to know that your Excellency's opinions agree with that basis upon which the greatness of the British law is built—the non-recognition of distinction in class, creed, color, or nationality—principles that found in your great

Curran so eloquent an expounder in days gone by, and which have placed Great Britain in the van of liberty, Christianity and civilization.

TO HIS EXCELLENCY ARTHUR EDWARD KENNEDY, COMPANION
OF THE MOST HONORABLE ORDER OF THE BATH, GOVERNOR AND
COMMANDER-IN-CHIEF OF VANCOUVER ISLAND AND ITS
DEPENDENCIES :

May it please your Excellency :

We, the undersigned, Clergy of the United Church of England and Ireland in Vancouver Island, beg to express our heartfelt congratulations on the safe arrival of yourself and family in this Colony, and take the earliest opportunity of expressing to you, as her Majesty's representative, our profound respect.

As members of that church of which, through the providence of God, her most gracious Majesty is the temporal head, we desire to convey to your Excellency the assurance of our entire loyalty and attachment to her Majesty's person and Government, as well as of duty to your Excellency, as her tried and honored servant.

We trust and believe that your Excellency will ever find in the clergy and members of the Church of England in this Colony, as a body, the order and loyalty which good government ever tends to inspire, and which the principles of our church so especially inculcate. As citizens, we feel entitled to avail ourselves, as occasion requires, of those rights and liberties which it is the happy privilege of British subjects to enjoy. As Christians we wish to be instrumental in promoting that tone of public sentiment and private virtue which we are persuaded that nothing but the Scriptures on which our ministry is based can generate or maintain : and as churchmen, while viewing

with satisfaction and without envy, good works by whomsoever done we desire to hold fast for our own guidance, unmolested and unreprieved, those principles which have singularly blessed our nation, and which we sincerely believe, when rightly applied, are pre-eminently conducive to the diffusion of sound religion.

In contemplating the arduous charge imposed upon your Excellency, we feel, notwithstanding your Excellency's well-known ability and experience, how much need you still have of that wisdom which cometh from above; and trust that we shall never cease, by our heartfelt prayers to implore that such aid may be abundantly vouchsafed.

May it please your Excellency :

As representatives of the First Presbyterian Church of Vancouver Island, we desire to approach your Excellency with feelings of profound respect.

Taught from early life to entertain loyalty to the Throne, and a high opinion of the Imperial Constitution, under which we enjoy our civil, social and religious immunities, we esteem it a duty and privilege to pray and labor for the peace and prosperity of the Empire at large, especially of the infant Colony with which our interests are identified and to which we welcome your Excellency.

While it would become us to hail with high respect the advent of any regal representative whom our most gracious Sovereign might be pleased to appoint, we beg to assure your Excellency of the great pleasure your acceptance of office has afforded us, and since by a kind Providence you have been brought in safety to our shores, we rejoice to see you take hold of the helm of state, and promise to aid you in our respective spheres, to promote the interest of the people, while we confidently look forward to a successful administration under the auspices of your Excellency.

TO HIS EXCELLENCY ARTHUR EDWARD KENNEDY, ESQUIRE,
COMPANION OF THE MOST HONORABLE ORDER OF THE BATH,
GOVERNOR OVER THE COLONY OF VANCOUVER ISLAND AND ITS
DEPENDENCIES, &C., &C., &C.:

May it please your Excellency :

We, her Majesty's dutiful and loyal subjects Ministers of the Vancouver Island and British Columbian Mission District, under direction of the Wesleyan Methodist Church in Canada, in connection with the British Conference, beg to tender our sincere congratulation on the safe arrival of your Excellency and family, and upon the assumption of the administrative functions vested in your Excellency by our most gracious Sovereign.

To the Throne and institutions under which it is our privilege to live, we assure your Excellency of our devoted attachment. To "fear God" and "honor the Queen" are Scriptural duties obligatory upon every resident in the British Empire, and which we fail not everywhere to inculcate upon the people committed to our pastoral charge.

From the early existence of the Colony it has been our aim and effort to promote the moral and religious interests alike of the colonists and the aborigines and we have confidence that in the prosecution of our arduous work we shall continue, under your Excellency's administration, to receive, in common with other branches of the Christian Church, equal and impartial protection and countenance.

Our fervent prayers are offered to Almighty God that His signal favor may rest upon your Excellency and family; that in your Excellency's public administration you may be under the constant guidance of His unerring counsel; and that by His blessing upon the application of your acquired experience and known ability this Colony, so successfully founded, may continue to advance in piety, intelligence, industry, wealth and all that can contribute to the glory of the great Empire of which it is a constituent part.

Signed by order and on behalf of the District Meeting.

EPH'M EVANS, D. D.,
Chairman of V. I. and B. C. District.
