REPORT OF DIRECTORS
— OF THE —
Montreal Amateur Athletic Association.

FOR PRESENTATION TO THE ANNUAL MEETING, MAY 17TH, 1886.

GENTLEMEN:—

Your Directors take much pleasure in presenting to you a very satisfactory report of the past year's proceedings.

There has been no slowing off in the progress and forward march of the Association. We are becoming more popular, and the benefits derived from being a member of a body of this kind are apparently more and more appreciated every year.

The Financial Statement, of which every member has been supplied with a copy, shows an excess of revenue to the amount of \$4,183.76, thus raising the capital account to \$20,289.81, and of the \$9,000 mortgage on the building, \$8,000 has been paid, and the balance, together with the outstanding current accounts, are the only liabilities the Association has.

During the year a new roof has been put on the building, and the reading room has been remodeled, and refurnished with new carpet, chairs, clock, window shades, and gas fixtures, and a number of new periodicals have been added to the list. A portion of the room was partitioned off for a secretary's office and Board Room, and a new safe, desk, table, chairs, and stove purchased. Awnings have been placed on all the front windows, and add much to the appearance of the building. A large flag was presented, and a new flag-staff erected. A handsome trophy case was placed in the reading room, and also a supply of chess-men and tables. The ventilation of the billiard room has been considerably improved; a new rifle was purchased for the shooting gallery; and young trees planted in front of the building.

The following figures show the present membership :

	Life.	Paying.	Increase.	Decrease.

Early last spring, the Directors having found that there were several imperfections in the Constitution and By-Laws of the Association and affiliated clubs, a committee on revision was appointed, consisting of one member representing the Association and each affiliated club.

Their efforts resulted in the presentation of new Constitutions and By-Laws, which were adopted at special meetings held on March 2, 1886.

We had an agreement with the Turkish Bath for members to have the use of them for the sum of 50 cents, but the management stated that it did not pay them at that rate, and cancelled the arrangement. Members can now get a bath for 75 cents, on presentation of their certificate of membership in the Association.

A minstrel show was given in the gymnasium hall on the 6th and 7th of May, and, thanks to the untiring zeal and energy of the gentlemen who took part, proved a success every way.

A new feature of amusement was inaugurated in the shape of a Moonlight Excursion, held on August 25th, and would, no doubt, have been a greater success than it was had not the weather been remarkably cold for the season of the year.

An entertainment was given by the Dramatic Club, on the 4th and 5th of March, which was well attended both nights. Great credit is deserved by the members for the efficient manner in which they carried out the programme, and the thanks of the Association are due to the lady members of the club, who took part.

The Cinderella Club held two "At Homes" on the 11th Dec. and 19th March, which proved as great successes as before.

Mr. Doig was re-engaged as gymnastic instructor, and has given great satisfaction. Four prizes and a Green prize were offered for competition, and resulted as below :

| 4th " | . | . | . | H. W. Reynolds. |

Green Prize, H. W. Reynolds ; 2nd, G. D. Cottingham.

The season closed with an Assault at Arms, and was very successful.

In the Billiard Department, the following competitions were held and resulted as below :

The four ball tournament is not yet finished.

The Bowling Department has had a very successful season, as will be seen by the following results of competitions :

In the Shooting Department, the interest seems to be falling off, but new attractions are proposed, which, it is expected, will assist this interesting part of the Club House attractions to regain its old-time popularity. Below are the results of competitions :

LARGE TARGET,	G. Cooke.
SMALL TARGET,	E. C. Haviland.

BAYLIS TROPHY.

SMALL TARGET,	E. C. Haviland.
-------------------------	-----------------

In the Out-Door Sports, the usual Spring and Fall Games were held. A cross-country steeplechase, for the championship of Canada, was held by permission of the A.A.A.C., and won by J. W. Moffatt. Representatives of the Association competed at the championship meeting of the A.A.A.C. at Toronto, and succeeded in winning first and second places. A team was also sent to New York to compete for the cross-country championship of America, but was not successful. Delegates were sent by the Association to the Annual Convention of the A.A.A.C. in Toronto, and Messrs. W. L. Maltby and J. A. Taylor were elected on the council.

Early in March, Mr. H. S. Tibbs gave notice of his intention to resign his position as Secretary-Treasurer.

The Directors regret very much that this "tide in the affairs of man" should carry Mr. Tibbs away from the Association, and wish to express their high appreciation of the untiring energy with which he has always worked for the Association, and have much pleasure in bearing testimony to his sterling qualities as a business man, and his valuable assistance and co-operation in all their plans.

We are sure, gentlemen, that you will join us in sincerely wishing Mr. Tibbs unqualified success and prosperity in all his future career.

Mr. Robert Lloyd has been appointed to the vacancy caused by the resignation of Mr. Tibbs.

The Association regret the removal by death of Mr. J. E. Fallon, J. C. Hendrie, Thos. Phillips, Jr., J. H. Samuel and C. G. Hyde.

During their term of office your Directors have held 52 meetings, attended as follows :

Mr. Angus Grant,	49	Mr. J. N. Fulton,	26
" W. L. Maltby,	31	" J. D. Miller,	33

CHAIRMEN OF DEPARTMENT'S REPORT.

MONTREAL, May. 1886.

To the Board of Directors of the M. A. A Association.

GENTLEMEN :

I have again the honor to present the Annual Report of the Gymnasium Department of our Association—the fifth in its history and of my term of office.

The past season of 1885-86 has been the most successful since the Association assumed its present corporate form, and will compare favorably with any in the past history of the Institution, under the old regime.

A judicious expenditure was incurred for two new mattresses, altering and improving the old horizontal ladder into a bridge, and putting up a stair to ascend the stage; the purchase of a most attractive and useful piece of apparatus, the German horse; also additional Bar Bells, Dumb Bells, Single Sticks, etc., and putting up some twenty new lock boxes in the dressing rooms. These, together with a few minor improvements in the arrangement of the apparatus, make the equipment now most complete, and a matter for congratulation.

The marked improvement in the classes, with regard to attendance, progress in physical development, and proficiency in the exercises taught has been most noticeable; their performances at the entertainments given by the class in October and April being creditable alike to themselves, the instructor, and the Association. The shining "lights of other days," whose brilliancy was wont to dazzle the eyes of fair admirers, on the occasions of their public appearances in days gone by, need have no fear but that the present votaries of the healthful, manly exercises of the Gymnasium, are doing their utmost to uphold the traditions of the Institution; and if the older members

Medals were offered for competition under [the following conditions :

(A).

1st Prize,—GOLD MEDAL.—“GYMNASIUM CHAMPIONSHIP.”

2nd Prize,—GOLD AND SILVER MEDAL.

3rd Prize,—SILVER MEDAL.

4th “ “ “

“Green” Prize “

RULES:

1.—Unless *three-fourths* of a possible score is obtained the “CHAMPION” Medal will be withdrawn, and the winner awarded 2nd prize. Winners of prizes in gymnastics are debarred from taking the 4th prize. Only members who have not prior to October 1st, 1885, taken part in gymnastic classes, are entitled to compete for the “GREEN” Medal.

2.—Only those members attending at least *twenty* regular classes after November 30th, shall be entitled to compete. *Entries free* and will close one week before date of competition.

3.—All competitors will be required to perform, in rotation, such exercises as may be selected by the Judges, at their discretion, from a list furnished by the Instructor of those in use, on the following apparatus: parallel bars, horizontal bar rings, inclined and bridge ladders, flying trapezes and vaulting horse; also, jumping, vaulting, peg pole, climbing rope and the regular class exercises with dumb-bells, clubs and bar-bells. In addition, competitors will be allowed *three minutes each* for a series of advanced exercises of their own choosing, on each of the following apparatus, viz: parallel bars, rings and horizontal bar.

4.—Three judges, to be named by the chairman, will have entire control of the competition, subject to these rules, and their decision shall be final and without appeal.

The competition took place, as usual, the last week in March, the judges being Messrs. J. A. Taylor, Fred. W. Barlow and Saml. M. Baylis, with the following result :

JUDGES : { JAMES A. TAYLOR,
FRED W. BARLOW,
SAM'L M. BAYLIS.

Although Mr. Rodden's actual marking fell 4 p.c. short of the required three-fourths, the judges recommended, in view of his exceptionally creditable all round performance, that he be awarded the Champion Medal. Mr. Reynolds objected to the award of the judges in allotting him the 4th prize, he as a "green" man, claiming the Green Medal awarded to Mr. Cottingham, who ranked next lower, the judges on this point following a precedent and a general understanding that one man should not receive two prizes. The matter having been referred to the Board, the Directors held that, in the absence of any special rule to the contrary Mr. Reynolds was entitled to the 4th prize, and "green" prize *as well*, and decided that as Mr. Cottingham had been awarded a medal, that a *special 2nd Prize*, "Green" be made for him.

Some newspaper discussion arose on the publication of the report of the competition, the sporting editor of the *Gazette*, and one of his correspondents agreeing in criticizing one of the rules requiring attendance at a certain number of classes to qualify for entering. This, together with some reflections on Mr. Doig's style of exercises, which the correspondent characterized as child's play, etc., I deemed it my duty to reply to, as I consider this particular rule very useful in keeping the members at work when other attractions might have a tendency to draw them away; and the principle of allowing only those who by their attendance show their interest in the gymnasium, to compete for the prizes offered, I consider a good one. I would, however recommend that no restrictions be placed on the *Championship*, further than that a certain standard of excellence be required, (say 75% of a possible), and that the competition list be selected from the exercises taught by the instructor and in regular use.

We have to deplore the sad and sudden death, during the past season, of Clarence G. Hyde, one of our most promising young members, and winner of the "Green" Medal in season 84-5.

I have much pleasure in placing on record my unqualified approval of the manner in which the duties of instructor have been fulfilled by Mr. Doig, since they were assumed by him; the success of the classes during the past season, may be attributed in a great measure, to his efforts. His personal good qualities, enthusiasm for his work, and friendly interest in the members, combined with a proper regard for discipline, have made him popular and respected; and his success with beginners has been most marked. I would recommend that his salary be increased.

The addition of a pair of improved stirrup pattern rings, leather covered and swivel mounted, would prove an attraction, and add to the comfort of the members using them.

The privilege of a medical examination by Dr. Gurd, either in connection with the pulley-weight system, or merely as a preliminary to general work, was continued to members, but not largely used. The system, while lacking that spirit of emulation to be found in class work, is, in my opinion, of great value to those desiring a less severe course of exercise, and is esteemed by many as one of the greatest attractions of the gymnasium.

I would again impress upon the members, the immense benefits to be derived from the proper use of the gymnasium, especially to those entering the Association at an early age, a continuous course of exercise judiciously taken in their early manhood, would find them at the end of the few years they could hope to devote to it, infinitely better men. Our athletes in active training, and our lacrosse and foot ball teams, would find a few hours a week devoted to work in the gymnasium of untold value in building up a development impossible of attainment, where, as in running, one set of muscles only is used, and while this would undoubtedly ensure greater success in contests on turf or cinder, on broader grounds than a mere *training to win*, the time so devoted to their own physical culture would be well spent, and the effect soon apparent.

Respectfully submitted,

SAML. M. BAYLIS,

Chairman Gymnastic Committee.

REPORT BILLIARD ROOM COMMITTEE.

MONTREAL, 1st May, 1886.

To the President and Directors of the Montreal Amateur Athletic Association.

GENTLEMEN :—

I have much pleasure in submitting a report of the Billiard Room Committee for the past year.

In my report last year, I drew your attention to the want of more tables to accommodate the increasing number of members who patronize this department, and during the past year this want has still more severely felt.

Although the rule of not allowing members to use the tables for more than one hour, when others are waiting, has been strictly enforced, many of our members, especially the older ones, have had to go away without being able to enjoy a game, thus causing some dissatisfaction.

I would therefore ask the incoming Board of Directors to give this matter their earnest consideration, and try and devise some means to overcome this difficulty.

The tables are in very good order, but it is necessary that a lot of the old cues be replaced by new ones of a better description. It is necessary to have a new set of balls for the American pool table, also a new set of 3 balls for the English table; the pyramid set also wants overhauling. With these additions the appurtenances of this department will be pretty complete.

By the treasurer's statement you will see that the expenditure has been kept within the revenue, which, I think, is quite satisfactory.

The usual handicap tournaments were held, the entries being more numerous than in former years, and the competitions throughout were keen and well contested, resulting as follows:—

3 Ball.—1st prize	won by	Mr. E. B. Ibbotson.

REPORT BUILDING COMMITTEE.

To the Directors of the M. A. A. A.

GENTLEMEN:—

The work of my department the past year has resulted in considerable improvement to the building, and likewise added considerably to the comfort of the members.

The first work of consequence was the changing of the Directors' quarters and Secretary's office from the rooms on the ground floor, to the reading room above, the removal of the mercantile library books and cases leaving ample space for a very commodious and well lighted reading room, and private office for Secretary and Directors. The next substantial improvement has been the introduction of ventilating shafts direct from the billiard and bowling room, up through the roof, which has given complete satisfaction, and a flag staff has been placed on the top of the building for use on red letter or gala days of the Club, and lastly, awnings have been placed over the front windows to protect from the sun's rays.

The above, along with the fitting up of the present Secretary's, Director's and reading rooms, new safe, stove, &c., has necessarily entailed considerable outlay.

I would also bring before your notice the fact that very soon, to accommodate our growing membership, more space will be needed. This can be easily got by raising the present roof to allow another range of rooms above the present Gymnasium and reading rooms.

It will give enough space for a billiard room nearly one-half larger than at present and also a large room for boxing and fencing. The present billiard room could be utilized by adding two more bowling alleys, and whenever found necessary a long plunge bath, or whatever is thought most desirable.

The expense will, of course, be heavy, but these improvements will enable us to increase our membership to one-half more without being any more overcrowded than we are now, and give additional value to our noble building, of which we are all so justly proud.

The whole respectfully submitted,

W. L. MALTBY,
Chairman.

REPORT READING ROOM COMMITTEE

MONTREAL, May 7th, 1886.

To the President and Directors of the M. A. A. A.

GENTLEMEN :—

It gives me much pleasure to present the report of the Reading Room and Club Rooms Committee.

What was last year the reading room and club rooms combined has now been made into a club room proper, and the room upstairs has been renovated and fitted up as a reading room and library. The room has been tastefully decorated, furnished and carpeted. Chess tables have been added, also a handsome case to hold trophies, etc., and we think we are justified in saying that the whole forms one of the most commodious and thoroughly equipped reading rooms on the continent. It is abundantly supplied with papers, the list of which would be too long to mention here, suffice it to say that in it can be found any English or American paper or periodical of well-known literary worth, as also, almost all the sporting papers of the day.

Amongst the pictures added to the rooms are :—

A photograph of the Champion Lacrosse team for 1885.

A photograph of the Champion Football team of 1884.

A photograph of the Tuque Bleue Band.

A photograph of the Junior Lacrosse team.

A photograph of Mayor Beaugrand.

The room, it is needless to remark, is always well filled with members, and is, no doubt, one of the greatest attractions the Association can offer.

R. STIRLING,

Chairman.

REPORT GROUND COMMITTEE.

MONTREAL, 7th May, 1886.

To the Directors of the M. A. A. A.

GENTLEMEN:—

As Chairman of the Ground Committee I have much pleasure in giving your committee's report for the season just closed.

The grounds were kept in good order during the entire season, the grass being cut once a week, which was much appreciated by the lacrosse players.

A fresh layer of ashes was put on the track, making the bed of the track as good as it is possible to get it.

The pavillion was painted last summer, which adds much to the look of the grounds.

The fences were also repaired as far as was actually necessary.

New ticket boxes are now being built, and the stands are being overhauled, and when completed, your committee are of the opinion that the grounds will then be in as good a state of repair as is necessary for the present. The caretaker, R. Marlin, gives every satisfaction.

The whole respectfully submitted,

THOS. L. PATON, *Chairman.*

JAS. A. TAYLOR, *Lacrosse Club.*

R. LAMPLOUGH, *Football Club.*

J. D. MILLER, *Bicycle Club.*

REPORT BOWLING DEPARTMENT.

MONTREAL, May 1st., 1886.

The President and Directors of the M. A. A. A.

GENTLEMEN :—

In making my report it gives me very much pleasure to be able to show the department to be in by far the most flourishing condition since the incorporation of the Association.

The competitions have been more numerous and have had larger entries, there has been a greater number of prizes given, and the receipts from the bowling have been greatly in excess of any previous season.

During the season there were six regular monthly competitions in ten pins and four in cocked hat, which, with a preliminary sweepstakes for each in September, makes seven competitions in ten pins, with an average of 26 4-7 for each, and five competitions in cocked hat, with an average of 25 4-5.

In prizes, there were given for ten pins, seven firsts, three seconds, two thirds, one aggregate and one record ; for cocked hat, five firsts, three seconds, one third, one aggregate and one record, in all 25 prizes, amounting to the value of \$101.00, which is about double that of any previous season, as far as can be found out from records fyled.

The value of the prizes, as usual, has been made up with the entrance fees for the monthly competitions, with the exception of the two record prizes, value \$5.00 each, which are given by the Association, the aggregate prizes being made up by taking a proportion from the monthly entrance fees.

A list appended gives a full memorandum of the prize winners in each competition, with their scores and amount of value for each prize.

The receipts from the alleys show an increase of nearly 50 per cent. on the best year recorded.

The expenses also have shown an improvement, being much lower in proportion, thus enabling the Association to derive a net receipt from the department of nearly 100 per cent. more than the best year on record.

A list appended will show the receipts and expenditures since 1881-2.

During the season improvements were made in the department by two new gas jets, with shades over the pins, four new sets of ten pins, the leather buffers repaired, and two new, large balls, also two blue Jerseys, with belts, for the alley boys.

The general bowling during the season has been very good, although not quite equal to some of the previous years, notably, season 1881-2, when an average in ten pins of 188 2-5 for five strings was made by R. Summerhayes, and 39 2-5 for five strings in cocked had by A. T. McPherson.

The records for single strings, however, have both been satisfactorily beaten this season, 258 in ten pins being made by Fred. Cushing, and 55 in cocked hat by W. G. Robertson, the best previous scores, 237 in ten pins and 49 in cocked hat, being made by G. R. Starke in season 1882-3, therefore, taking into consideration that the alleys are now not so good, this season's bowling is very creditable.

If the Directors can see their way clear, I would strongly recommend the alleys being renewed, as the present ones are anything but perfect, and not at all in keeping with the rest of the Institution.

I would also suggest that the Directors appoint a committee for the purpose of framing a new set of rules for the department, and have them printed and hung up in the alleys.

I would also strongly recommend the keeping up of the monthly competitions, as they certainly were the main cause of the present successful season. and that prizes be continued to be offered for the aggregate scores, as good bowlers have very little chance of winning the monthly prizes from scratch.

Furthermore, I would recommend the continuing of the present season's large handicaps, as it helps very materially to work in new bowlers, and also to swell up the entries.

I have the honour to be, gentlemen,

Yours very truly,

FRED CUSHING,
Chairman Bowling Department.

ANNUAL REPORT OF THE SHOOTING COMMITTEE,
1885-6.

The President and Directors of the M. A. A. A.

GENTLEMEN :—

In submitting the report of the Shooting Committee for the season of 1885-6, I regret to have to call your attention to the fact that the interest evinced by the members of the M. A. A. A. in this department is year by year steadily decreasing. What the causes of this are I am not prepared to say, but it is an undeniable fact that the shooting competitions are not what they should be, or what they have been in past years.

I find by referring to the reports of former chairmen that the number of entries has been steadily dwindling down, until at last it is now a difficult matter to procure enough entries to pay for the prizes.

The committee have done all in their power to revive the interest of the members of the Association in this department, but I regret to have to report that their efforts have been for the most part of no avail. Complaints were made about the rifles being old and leaded, and a new rifle was at once purchased, which, I have reason to believe, is really a very good one; but though there was a slight improvement in the entries for a short time after this, they again fell very short of what the Committee had hoped and expected to see.

Nothing now remains, in my opinion, but to have something entirely new for next season, and I would respectfully suggest that in place of the targets now in use, a moving, or a drop target be substituted, the moving target to be in the form of a man, or some living object. In this way, I think a new interest might be awakened, and I trust my suggestions will receive your serious consideration.

The following are the results of the monthly handicap competitions, with the names of the winners and the number of points scored.

The prizes for the highest scores were won by Mr. Geo. Cooke, at the large target, with a score of 73 points, and Mr. E. C. Haviland, at the small target, with a score of 43 points.

The whole respectfully submitted,

ROBERT CAMPBELL,

Chairman.

REPORT OUT-DOOR SPORTS COMMITTEE.

To the Directors of the M. A. A. A.

GENTLEMEN :—

As Chairman of Out-Door Sports Committee, I beg to make the following report for the season just terminated.

The Annual Spring Games were held on Saturday, June 6th, and whilst the entries were not as numerous as could be wished, competition, on the whole, was good. Out of eleven events, members of the Association, or affiliated clubs, won seven first places. An encouraging feature of the meeting was the presence of competitors from several of the surrounding towns and villages. Representatives from Cornwall, St. Johns, Hemmingford, Lachute and Brockville being present.

On June 28th, Messrs. J. S. Robertson and D. D. McTaggart competed at Toronto in the Spring Meeting of the Bank Athletic Association, the former gentleman winning the hundred and two hundred and twenty yard races, and the latter winning the mile in 4 min. 38 2-5 sec., lowering the Canadian record 4 3-5 seconds.

The Annual Championship Games of the A. A. A. of Canada, were held in Toronto, on the 26th of September, our Association being represented by four of our members.

From the fact that a representative Irish team were among the competitors, this meeting was endowed with special interest, but notwithstanding the large number of entries, our men won three first and two second prizes. J. W. Moffat winning the half mile and mile in 2min. 11-5 sec, and 4 min. 36 sec., respectively, latter time now being the Canadian record for the distance. D. D. McTaggart won the two miles in the handsome time of 10 min. 5 sec. J. S. Robertson winning second place in both the 100 and 220 yard races, from a large field of competitors.

Our Annual Fall Games took place on Saturday, 3rd October, on the Club grounds.

Notwithstanding the disagreeable weather, the stand was very fairly filled with spectators, and the games pushed through on time.

Out of fourteen events our men won eight first and four second places.

This Association having been authorized by the A. A. A. of C., to hold a Cross Country Run for the championship of Canada, the race came off on the 24th October, the course being from the head of Durocher street to Peloquin's hotel, Back River, and was won by J. W. Moffat, M. A. A. A., over an exceptionally heavy track, in 38 min. 47 sec.; R. Larkin, Shamrock, J. G. Ross, M. A. A. A. third, in 39 min. 3 sec. In the Cross Country Run for the championship of America, held at New York, on the 3rd November, we were not so fortunate, neither of our men being placed.

Interest in our races seems to be steadily growing among our members, and your Committee look for a considerable increase in the number of competitors during the coming season.

Respectfully submitted,

J. A. TAYLOR,

Chairman.

FOR THE SEASON OF 1885.

ANNUAL REPORT
OF THE
MONTREAL LACROSSE CLUB.
FOR THE SEASON 1885.

MONTREAL, April 7th, 1886.

GENTLEMEN :

It is my pleasant duty to present the report of your committee on the work of the past season of 1885.

A season never to be forgotten in the annals of our club, distinguished by a succession of hard fought and brilliant victories, and ending with our club holding the proud title of

“CHAMPIONS OF THE WORLD.”

At the annual convention of the National Amateur Lacrosse Association, held at Montreal last April, a proposition was carried, by which the winning of the championship was to be decided by a majority of matches won, in a series to be played between the first-class clubs. This system to be given a trial for two years; but your committee are of the opinion that the rules in regard to this system are, as yet, defective (where defaulting clubs are concerned,) and, in order to ensure its proper working, some changes should be made and the matter, we trust, be brought up at the next convention meeting.

Some difficulty was experienced at the beginning of the season in obtaining field captains; but at a meeting of the committee and players, held on May 2nd, Messrs. D. E. Bowie and F. M. Larmonth were appointed. Shortly afterwards Mr. Bowie resigned and upon Mr. F. M. Larmonth devolved the position, which he held to the

entire satisfaction of the team and club throughout the season. As it is necessary, in accordance with our by-laws, to have two field captains, our President, Mr. W. H. Whyte was prevailed upon to accept the vacant position.

The Lacrosse season was inaugurated by our team defeating the Caughnawaga Indians on the 16th of May, by 2 games to 0. Messrs. Percy Gorman, E. Sheppard, W. D. Aird, N. J. Fraser, S. Struthers, T. Carlind, D. Paterson, J. Graham, A. Urquhart, J. Baird, J. Grant, T. L. Paton, representing the Montreal Club, with Mr. F. M. Larmonth, captain.

On May 25th, we met and defeated, by 4 games to 2, a picked team of St. Regis and Cornwall Island Indians, our team being as follows: Messrs. T. L. Paton, W. J. Cleghorn, W. D. Aird, E. Sheppard, J. Michaud, J. Paterson, D. Paterson, J. Louson, T. Carlind, S. Struthers, J. Grant, N. J. Fraser. F. M. Larmonth, captain.

On May 29th, our team journeyed to Toronto to play on the 30th their first match in the Championship Series, with the Toronto Lacrosse Club, but owing to over confidence, wet weather and new uniforms, came home with a whitewash to their credit, being defeated in three straight games in half an hour's actual play. The following gentlemen represented the Montreal Lacrosse Club: Messrs. T. L. Paton, W. J. Cleghorn, J. Louson, E. Sheppard, J. Michaud, J. Paterson, D. Paterson, T. Carlind, N. J. Fraser, W. C. Hodgson, J. Grant, J. Baird. F. M. Larmonth, captain.

The severe defeat given our team by the Torontos had evidently its benefits, for the players at once settled down to hard practice; and on June 13th, met the Shamrocks (champions) on our grounds, in the second match in the Championship Series, resulting in our team winning the match by 3 games to 2, after a lengthy struggle and a magnificent exhibition of Lacrosse. The following composed the Montreal Twelve: Messrs. Percy Gorman, W. J. Cleghorn, J. Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, T. L. Paton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

On June 20th, the same team who defeated the Shamrocks on

the preceding Saturday, met the Ontarios on their Grounds in Toronto, (Championship Match,) and succeeded in beating them by 3 games to 1.

About this time a sub-committee reported on the advisability of forming a "Young Montreal Lacrosse Club," but as yet, no steps have been taken in regard to its organization.

The Toronto Team paid us a visit on June 27th, in accordance with championship arrangement, but without success, as our boys won the match by 3 games to 2. The following players represented the Montreal Club on that day: Messrs. W. D. Aird, W. J. Cleghorn, J. Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, J. L. Paton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

At an invitation from the citizens of St. Albans, a team from the Montreal Lacrosse Club, accompanied by about 40 members, visited that city on the 4th of July, and played an exhibition game with the Caughnawaga Indians, defeating them by 3 games to 1, after a magnificent exhibition of Lacrosse.

A most enjoyable day was spent, and too much praise cannot be given to the citizens of St. Albans for their kindness and attention to our representatives.

On July 11th, our team met the Shamrocks on their grounds, the match resulting in a victory for our club by 3 games to 2, and the manner in which our boys disposed of their old adversaries, was a source of great congratulation. The following members composed our team: Messrs. W. D. Aird, W. J. Cleghorn, Jno. Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, T. L. Paton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

During the progress of this match, Mr. T. Carlind was seriously disabled, and his place had to be taken by Mr. R. A. Elliott.

The annual match, Duffers vs. Buffers, took place on Saturday, July 18th, in which the Buffers were vanquished in 3 straight games. For the winning team, Messrs. G. D. Baillie, W. Slessor, C. Spragge, and Frank Ruhe played well; while Messrs. D. Besserer, H. S. Tibbs and the Gardner brothers vainly strove to avoid a defeat for the losers.

The ice cream banquet after the match was a most enjoyable one.

On the 25th July, (civic holiday, return of volunteers from North-West,) our team met the Ontarios of Toronto, on the club grounds, and after a splendid exhibition of combined team play, our boys won the match by 3 straight games. The following players upheld the honor of the club: Messrs, W. D. Aird, W. J. Cleghorn, John Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, T. L. Paton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

During the forenoon the visiting team were entertained to a drive around the Mountain Park and through the city.

A breathing space now ensued for the Team as there were no further Championship Matches on hand until September 5th; however, practice was kept up at intervals, and two exhibition matches were arranged for August 22nd, one with the St. Paul Lacrosse Club, champions of the United States, and one with the Caughnawaga Indians immediately after. The St. Paul Club were defeated by 3 games to 2, and the Indians by 3 games to 1. The following players represented the Montreal club: Messrs. W. D. Aird, W. J. Cleghorn, J. Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, A. E. McNaughton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

During their stay in Montreal, the St. Paul Lacrosse Club were entertained to a drive to Lachine, and given a good send-off by the members of our club.

The fall season opened by our Team defeating the Torontos on the Rosedale grounds in Toronto, on September 5th, by three straight games. About 90 outside members accompanied the team to Toronto, and it was very gratifying to the men on the field to know that so many friends were watching their movements from the grand stand. The following players upheld the honors of the Scarlet and Grey. Messrs. W. Aird, W. J. Cleghorn, J. Louson, E. Sheppard, J. Michaud, N. J. Fraser, D. Paterson, T. Carlind, J. Paterson, T. L. Paton, W. C. Hodgson, J. Grant. F. M. Larmonth, captain.

The final match played by our team in the Championship Series, was against our old opponents, the Shamrocks, and took place on the Shamrock grounds, September 12th. The match resulted in our boys inflicting a most crushing defeat on the Shamrocks in three straight games, notwithstanding very rough play on their part, in which several of our players were injured, particularly Mr. J. Louson, who was laid up for some weeks owing to injuries sustained, and who deserves the sympathy of the club for the plucky manner in which he played out the match, while crippled. The following gentlemen so successfully battled for the honor of the winged wheel on that memorable day: Messrs. W. D. Aird, W. J. Cleghorn, J. Louson, J. Michaud, N. J. Fraser, D. Paterson, J. Paterson, T. L. Paton, W. C. Hodgson, E. Sheppard, T. Carlin, J. Grant. F. M. Larmonth, captain.

Due notice was given us by the Secretary of the Ontario Club that they would not be on hand for the match on September 19th, preventing a chance of our club scoring another victory. Thus by their default the matches they had played for the championship were forfeited and struck from the score of the winning teams. The Toronto Club defaulting in like manner with the Shamrock Club, left the contest between our old rivals, the Shamrocks and ourselves. It is to be regretted that clubs should have been allowed to default in this manner without any penalty being attached to them for such conduct, while, by such actions, an injury could be done to those clubs who honorably carried out the programme laid down for them by the National Association.

Thus closed the Championship Series, and as stated at the beginning of this report, with our club holding the most envied title of "Champions of the World."

Out of eight matches played, seven were won by our team, the only match lost being the first one of the season. Twice we defeated the Ontario Club, the last time, three straight games.

Twice, out of three matches played, we defeated the Toronto Club, the last match in three straight games.

Three successive times we defeated the Shamrock Club, the last match in three straight games.

Probably never before in the history of Lacrosse has a club had a more brilliant record, and your committee think that the captain and team are most deservedly worthy of the thanks and esteem of the members in general, for the admirable manner in which they upheld the honor of the "Old Club" during the past season.

Arrangements for an American tour were now completed for the Champion Team, to take place in October, and as an appreciation of their services on the field, several influential members of the Club raised a guarantee fund to cover the cost of their travelling expenses while away, in the event of the gate receipts not being sufficient. The following players under Captain Larmonth left Montreal on October 3rd: Messrs. W. D. Aird, J. Allen Lowe, Percy Gorman, E. H. Brown, D. Paterson, T. Carlind, W. J. Cleg-horn, G. D. Baillie, T. L. Paton, E. Sheppard, J. Paterson, J. Grant, N. J. Fraser, and after a succession of victories in Baltimore, New York, Boston, and Cambridge (Harvard College), and visiting Washington and Philadelphia, arrived home again on October 15th, having most thoroughly enjoyed their holiday.

Messrs. Jas. Sutherland, Alex. Stewart, G. W. Clarke, D. W. Allen, Wallace Stroud, Dan. Stroud, jr., and J. E. Bulmer, accompanied the Team, and added to the pleasure of the trip.

Invitations were received to play matches during the season, from the Kingston Lacrosse Club, at Kingston, Caughnawaga Indians, at Caughnawaga, St. Hyacinthe Turf Club at St. Hyacinthe, and Ottawa Lacrosse Club at Ottawa ; but had to be declined owing to want of time.

Some correspondence was had in the fall, with Mr. J. Sinclair, of Belfast, in reference to a proposed tour to Canada during 1886, of a representative Irish Lacrosse Team, but as yet, nothing definite has been settled.

As a closing event to such a victorious season, it was decided to have a Club banquet, at which our Champion team would be guests. The banquet took place in the Windsor Hotel, on the evening of November 10th, about 130 members sitting down. During the evening the team and captain were presented with medals

and clasps from the Club, commemorative of the Championship Matches won during the season.

Long and enthusiastic applause ensued when the President announced that a summary of matches played during the year, showed 17 won out of 18 played by our team.

The summary of events being as follows :

The number of members on the roll is now 28 life, and 1426 paying members, being a total of 1454, an increase of 417 since this date last year.

During the year your committee provided a new outfit for the players. At the President's suggestion a Club Saratoga was purchased. Each uniform had the player's name attached, and after each match,

was handed back to the Secretary. By this means your team appeared on the field at every match clothed in the same uniform, complete.

Early in the season the President was appointed to act for this Club on a Board of Revisors, to revise the By-Laws of this Club and the several Clubs composing the M.A.A.A. After many months of arduous work, the new By-Laws were submitted to the Club at a General Meeting called for that purpose, on the 2nd of March last, and were unanimously adopted. On the same evening the various sister Clubs composing the Association, as also the Association, adopted new and revised Constitution and By-Laws.

The National Lacrosse Association meets this year in Toronto, and your committee would suggest that your delegates be instructed to bring before that body the advisability of the Association appointing a special committee to revise the laws and rules of the game, to make them as short and comprehensive as possible, and to do away with, as at present, different conflicting laws.

Your committee have to announce with sincere regret the resignation of the popular Secretary-Treasurer of the M.A.A.A. and treasurer of this Club, Mr. Horace S. Tibbs. They wish to add their testimony to many services rendered this Club, and to the ready interest evinced in all its affairs during the past four years, by Mr. Tibbs. The Board of Directors have filled the vacancy by the engagement of Mr. R. Lloyd.

Though your team played more matches than usual, the large majority were played off the Club grounds, the receipts, therefore, as a consequence being less than in former years.

Your committee, however, have endeavored to lessen the expenditure, and a balance, \$309.00, will therefore appear to our credit, as will be shown in the Treasurer's statement.

During their term of office your committee have held 31 meetings attended as follows :

W. H. Whyte, <i>President</i> ,	22
Wm. Cairns, <i>1st V. P.</i> ,	19
R. B. Ross, <i>2nd V. P.</i> ,	14
H. S. Tibbs, <i>Treasurer</i> ,	30

J. W. Woods,	28
G. R. Marler,	0

As Past Presidents :

Angus Grant,	18
H. W. Becket,	3
A. W. Stevenson,	1
Dr. Beers,	1

As Field Captains :

ANNUAL REPORT

OF THE

MONTREAL SNOW-SHOE CLUB,

SEASON 1885-6.

ANNUAL REPORT
— OF THE —
MONTREAL SNOW SHOE CLUB.
FOR THE SEASON 1885-6.

GENTLEMEN:

Another season's work has been completed, and it now becomes the duty of your committee to lay before you the Forty-fourth Annual Report of the Club's doings.

In taking a retrospective glance at the past season, one is struck with the peculiar freaks which a Montreal winter sometimes takes, as it was the end of January before we were able to take a cross-country tramp, so sparsely was the snow distributed over the ground during the earlier part of the season.

But although the tramping was not as good as that of many previous years, it may safely be asserted that the evenings of the first year spent in the new Club Room were most enjoyable, and the remembrance of these pleasant occasions will remain deeply imprinted in the memory of those who had the pleasure of being present.

We took our first tramp on the 25th of November, when eight members crossed the mountain on shoes and 145 walked out by the road to Lumpkins, where they spent their last evening at the resort which for years has been our rendezvous on Wednesday evenings.

On the following Wednesday we spent our first evening in the Athletic Club House, when about 200 members were present. During the season we took sixteen evening tramps, with an average attendance of 182.

On Saturday afternoon, the 30th of January, we took our first cross-country tramp, when twelve members, led by the President, wended their way to the Back River.

During the season only two other afternoon tramps were taken, each being a detour around the top of the mountain to the Athletic Club House.

The average attendance at these tramps was 26, and the average number of trampers, 15.

On Wednesday evening, the 13th of January, the Green Steeplechase was run, Mr. R. Starke winning in 21' 10". The following were the competitors :

1	R. Starke,	21' 10"	6	S. Brodie,	24' 42"
2	H. M. Paterson,	23' 54"	7	W. J. Baillie.	
3	A. G. Gardner,	24' 09"	8	A. G. Costen.	
4	W. Cooke,	24' 17"	9	F. A. Rodden.	
5	J. Turner,	24' 30"	10	J. M. French.	

The following Wednesday Mr. J. G. Ross won the Annual Club Steeplechase in 18' 23"

The following were the competitors :

1	J. G. Ross,	18' 23"	6	J. Turner.
2	J. Baird,	19' 25"	7	A. G. Costen.
3	R. Starke,	20' 08"	8	J. Bruce.
4	W. Kerry,	21' 09"	9	W. J. Baillie.
5	H. M. Paterson,	11' 40"	10	F. A. Rodden.
			11	D. Bremner.

On Wednesday, the 27th of January, the members entertained their lady friends at the Athletic Club House. There were over 1000 people present, and your committee think that the crowded state of the room fully justified their action in refusing to admit strangers on that occasion, although it was considered arbitrary by some members. They would also suggest, either that the entertainments take place on some other than Wednesday evening and tickets sold, or that we have two nights, taking members from A to

M on one night and those from N to Z on the other, in order that the crush of the last entertainment may be avoided.

On Tuesday, the 2nd of February, the members gave an entertainment in the Academy of Music, representing an evening with the "Old Tuque Bleue," which turned out a most brilliant success, the house being filled with an appreciative audience. The first scene represented the "Muster of Club," the second "Up the Gully," and the third the "Club House at Cote des Neiges."

The thanks of the members are due Miss Blanche Loeb, Master A. Milne, Messrs. R. W. Maraber, R. Lloyd, W. C. Hodgson, F. Cushing, J. K. Reid, N. J. Fraser, J. C. Allan, the Messrs. Holland, and the Harmony Male Quartette, for the manner in which they performed their respective parts; to Mr. J. A. Lowe for the two choruses, "Tramping across the Snow" and "Band of Snowshoers," written specially for this occasion, and especially to Mr. R. Lloyd for the able manner in which he filled the position of conductor, and on whom the success of the entertainment largely depended.

On the following evening, Wednesday, the 3rd of February, we had the St. George Snowshoe Club as our guests, they having cancelled their tramp, which should have taken place, on the evening of our entertainment in the Academy.

On Saturday, the 13th of February, we held our Annual Races on the Lacrosse Grounds.

It was a most miserable day, and the rain which fell all the morning left the track in a wretched condition.

The following was the result of the races :

In the evening the Annual Dinner was held at the Windsor Hotel, when about 125 sat down, the guests present being Mayor Beau-grand, A. Grant, C. P. Sclater, J. D. Purcell, W. Cuthbert, J. M. Fortier and S. Beaudin. The chair was occupied by the President, Mr. J. K. Whyte, and the vice-chairs by Messrs. T. L. Paton, F. Cushing and R. D. McGibbon.

On the 25th of February over 100 members of the Tuque Bleue, on an invitation from the Burlington Carnival Committee, visited that place to take part in their sports.

The members left Montreal about 9.00 a.m., and arrived in Burlington at 1.00 p.m., when a splendid reception was given them by the Burlington Coasting and the Iroquois Snowshoe Clubs.

In the afternoon four snowshoe races were held, all of which were won by members of the Montreal Snowshoe Club.

In the evening a torchlight procession took place through the principal streets, the Tuque Bleue Band leading. After the procession came the event of the Carnival—namely, the concert given in the Howard Opera House by the members of the Montreal Snowshoe Club.

The house was crowded with an enthusiastic audience, who were not slow to show their appreciation of the entertainment provided.

The following was the

GOD SAVE THE QUEEN!

It will be seen by the programme that the concert was almost a repetition of the one given in the Academy, but as regards merit far surpassed it.

On Tuesday, the 2nd of March, a special meeting of the Club was held, when the new Constitution and By-Laws, as recommended by the revising committee, were read and adopted.

Wednesday evening, the 3rd of March, was the date set apart for the life members, and on that occasion a large number of the "old boys" turned out to have an evening's amusement with the younger members.

On Wednesday evening, the 10th of March, the band had a special night and provided an entertainment for the members.

The thanks of the Club are due to the gentlemen who form the band, for the pleasing manner in which they enlivened many an evening at the Club House, and many a march to and from it, and especially to Mr. H. J. Ross, who, as leader, has devoted a large amount of time in bringing it to its present state of perfection.

During the winter Mr. C. S. Watson offered a silver cup for a series of steeplechases to the Athletic Club House, the cup to be won twice before becoming the property of any competitor. The first race took place on the 9th of March, when Mr. J. G. Ross won, and the second on the 17th of March, when Mr. Ross again won, the cup thereby becoming his property.

At a meeting, held in January, of the local executive committee of the A.A.A.C., with the delegates from the different snow-shoe clubs forming part of the A.A.A.C., the following clubs were

Towards the close of the winter a series of five mile races, advertised for the "championship of Canada," for a medal given by R. K. Fox, of New York, (the medal to be won three times before becoming the property of any competitor) took place.

These races being unauthorized by the Amateur Athletic Association of Canada, none of our members competed for the medal.

The total number of open races run during the season was 26, of which 2 first and 5 second were won by the members of the Tuque Bleue, showing that the Club still retains the foremost position.

The only snow-shoe record broken during the winter was that for 440 yards, which Mr. J. Baird lowered from 1 min. 9 4-5 sec. to 1 min. 7¾ sec., at the annual races of Le Trappeur Snow-Shoe Club.

The thanks of the club are due Messrs. J. K. Whyte, J. Elliott, Mayor Beaugrand, D. W. Allen, G. H. Patterson, A. D. Nelson, J. L. Gardner, W. L. Maltby, T. E. Hodgson, G. W. F. Carter, M. B. Davis, G. W. Clarke, R. J. Tooke and (Mrs. Blake, Mrs. Le Mesurier and Miss Bethune, donors of the Hughes' cup) for prizes presented during the season.

During the season your committee held 16 meetings, which were attended as follows :

A. Grant,	9	J. G. Ross,	11
J. K. Whyte.	15	H. J. Ross,	15
T. L. Paton,	8	J. L. Gardner,	15
F. Cushing,	15	G. W. Gardner,	15
H. S. Tibbs,	15	N. Fletcher,	11
D. D. McTaggart,	16	G. D. Baillie,	13
R. Starke, 16.			

Before closing the report, we would refer to the pleasing manner in which our membership is increasing, the total number now being 1191, made up of 71 life and 1120 paying members, also to the satisfactory state of our finances, it only being necessary, during the past season, to draw the small sum of \$74.05 from the funds of the Association.

Respectfully submitted,

D. D. McTAGGART,

THE EIGHTH ANNUAL MEETING, APRIL, 1886.

REPORT OF COMMITTEE
OF THE
MONTREAL BICYCLE CLUB,
SEASON 1885.

The retiring officers have much pleasure in presenting their Annual Report for the season of 1885, to the Eighth Annual Meeting of the Montreal Bicycle Club.

A very successful season opened on the 2nd of May with a ride to Blue Bonnets, and was attended by 28 members.

During the season the Club wheeled out 78 times, 22 fixtures being cancelled ; all on account of rain.

The Club mileage was 1,071 miles for the season (the Club record) ; and the total attendance 868, or an average of over ten.

The largest muster was 29 members.

“ smallest “ “ 22 “
“ longest ride “ 103 miles.
“ shortest ride “ 2 “

The following table of individual club mileage speaks for itself, as well as the preceding figures, and shows an improvement over the two previous seasons, during which time, as the reports for those years express it, the individual mileage had been growing “ beautifully less.”

J. H. Robertson,	739 $\frac{3}{4}$	miles.

These figures show a satisfactory state of things, but it might be well to draw the attention of the members to the poor attendance at the morning rides, which will be found not the least enjoyable of the Club runs.

Your committee held 28 meetings during the past season, of which

The Fourth Annual Parade and Race Meeting of the C. W. Association will be held this year in Montreal. It will be necessary for all our members to bestir themselves to make this event at least equal to any that preceded it, and it is the earnest wish of your committee that our members will so manage affairs as to make this meet one long to be remembered for its success.

Capt Scales was elected Aug. 13th and W. G. Ross acted in the absence of J. B. Ostell in the North-West.

The 28 weekly meetings of the Club have been attended by 512 members, or an average of 19.

There is now a good track in Montreal, and we feel ourselves in a position to hold a first-class race meeting, and look forward with confidence to the approaching C.W.A. meet in Montreal.

The present badge was adopted early in the season, and has been much admired.

The practice of giving medals for mileage was discontinued early in the season, with good results; and your committee consider it inadvisable to introduce personal competition into Club rides.

A new departure was the fixing of a weekly Club run to Blue Bonnets, every Tuesday, which was very successful, and should be continued.

A feature of the season was the number of all-day rides that were held, and which were found very enjoyable—especially the tour of the Island, and the St. Johns and Chambly tour.

The C.W.A Meeting at Woodstock was attended by a number of our members, but owing to the distance, and the sudden call home of Mr. W. G. Ross, the Club did not win its usual share of races.

Mention might be made of the pluck shown by Mr. G. S. Low, who travelled all the way to Woodstock, to remain there just long enough to run off his race, and won the half-mile dash. Mr. A. T. Lane won the tricycle championship.

On July 4th was held the first handicap road race to the new Club House at Cote des Neiges, for which there were ten entries.

The following was the order at the finish :

1	W. A. Murray,	4 min.	28 min. 48 sec.
2	G. S. Low,	Scratch.	20 min. 49 sec.
3	W. McCaw,	"	21 min. 40 sec.
4	F. G. Gnædinger,	4 min.	26 min. 40 sec.
5	H. M. Ramsay.	1 min.	24 min. 3 sec.
6	E. P. C. Guy,	2 min.	25 min. 13 sec.
7	J. A. Mooney,	3 min.	27 min. 50 sec.
8	Geo. Darling,	3½ min.	28 min. 37 sec.
9	J. H. Robertson,	1 min.	26 min. 43 sec.
10	J. A. Douglas, met with an accident and did not finish.		

Messrs. McLeod, W. G. Ross, and R. F. Smith were judges and time keepers ; and Mr. J. D. Millar acted as starter.

A very enjoyable time was spent at the opening of the Club House grounds ; but on the return, Capt. McCaw met with a painful accident while coasting the Cote St. Antoine hills, and which necessitated his giving up bicycling. He had been a very active rider, and at the time of the accident led the Club's mileage, having attended every ride.

On August 1st, the next racing event, the 5th annual road race to Valois, came off, seven prizes being presented and won by the first seven of the following :

1	Geo. Darling,	7 min.	1 hr. 9 min. 32 sec.
2	J. T. Gnaedinger,	5 min.	1 hr. 10 min. 23 sec.
3	W. A. Murray,	4 min.	1 hr. 10 min. 45 sec.
4	G. S. Low,	Scratch.	1 hr. 7 min. 23 sec.
5	A. J. Darling,	7 min.	1 hr. 14 min. 27 sec.

6	H. M. Ramsay,	4 min.	1 hr. 12 min. 00 sec.
7	A. T. Lane,	6 min.	1 hr. 18 min. 20 sec.
8	L. J. Smith,	18 min.	1 hr. 31 min. 30 sec.
9	W. T. Rodden,	18 min.	1 hr. 31 min. 30 sec.
10	F. D. Scott,	9 min.	1 hr. 39 min. 15 sec.
11	W. G. Robertson,	15 min.	2 hr. 03 min. 25 sec.

F. D. Scott ran over a dog in Lachine and got a bad fall.

J. R. Scales took a header at the Bridge Works, and J. H. Robertson did not finish.

Time was taken by Messrs. H. S. Tibbs and W. G. Ross. J. D. Millar and R. F. Smith acted as judges at the start and finish.

The residents of Valois with their usual hospitality entertained the members, and a very pleasant time was spent boating and dancing, and all returned regretting that there could not be several annual road races to Valois.

Mr. J. R. Scales was elected captain on August 13th, and has proved to be the man for the position, and universal regret is felt that we are to lose him as our captain and a racing man.

On Thursday, Aug 18th, Mr. Horace Joyce entertained the club at Outremont, when a very pleasant time was spent. This was the occasion of the reappearance of Mr. J. B. Ostell among us, on his return from the campaign in the North-West.

As a slight return for the many kindnesses of the Valois people, your committee presented a cup as a prize at their annual regatta.

The chief racing event of the season was the 5th Annual Race Meeting, held on August 29th, on the Shamrock Lacrosse Grounds.

The Track was splendid, and the weather perfect ; but owing to a combination of unavoidable circumstances, chief among them being the small pox scare, which kept away outside entries and reduced the interest in the races, the meeting was not the success that was expected.

The field officers were as follows :

Referee,—H. S. Tibbs.

Judges,—Prof. C. H. McLeod, J. K. White, J. D. Millar.

Starter,—T. L. Paton.

Timekeepers,—Messrs. H. W. Becket, J. A. Taylor, T. A. Adkins.

Clerks of the Course,—D. D. McTaggart, J. L. Gardner.

Scorers,—W. G. Ross, J. W. Davis.

The events were as follows :

Two Miles, (2nd Class), five starters.

Won by J. R. Scales, in 7.37; Geo. Darling, second, in 7.38.

Half Mile, (in heats), six starters.

Won in two straight heats by G. S. Low, in 1.35 3-5; J. H. Robertson a good second, in 1.36 1 2

Three Mile, for Roadster Machines, weighing 40 lbs or over.

Won by H. M. Ramsay, in 11 min. 13 sec; F. W. S. Crispo, second in 11 min., 14 sec.

One Mile, 4 starters.

Won by G. S. Low, in 3.29 1-2; E. C. P. Guy, second in 3.38 4-5.

Half Mile Dash, (without hands), 2 starters.

Won by H. M. Ramsay, in 2.4 1-2; J. T. Gnædinger, second in 2.17 1-8.

One Mile, (4th Class) 6 starters.

Won by N. L. Lusher, in 3.33 1-4; F. W. S. Crispo, second in 3.40 1-4.

Three Mile Record, 3 starters.

G. S. Low won by seven laps, in 6 min., 20 sec.; E. C. P. Guy, second in 6.59.

One Mile, (3rd Class), 6 starters.

Won by G. R. Angus, in 3.25 3-4; J. H. Robertson, second in
3.26 1-2

Five Mile, 3 starters.

Won by J. R. Scales, in 19.13 1-2; E. C. P. Guy, second in 20.25.

Mention should be made of the tour of the Island, which extended over three days; and Mr. T. Morrison's ride to Toronto—the first time the whole distance has been made in one stretch.

The Gymnasium Hall has been granted for riding practice on Thursdays during the month of April, and it is hoped there will be a large attendance to inaugurate another successful season.

Mention should be made of the Club Photograph taken by Notman, which has been universally admired.

An extract from the regular accounts of revenue and expenditure, which, with balance sheet, will be presented with those of the affiliated Clubs, at the meeting of the M.A.A.A., in the month of May, is on the table.

The whole respectfully submitted on behalf of the committee.

ANNUAL REPORT

— OF THE —

Montreal Junior Lacrosse Club.

SEASON 1885.

ANNUAL REPORT
OF THE
Montreal Junior Lacrosse Club
FOR THE SEASON 1885.

GENTLEMEN :

It affords me great pleasure to present to you the Sixth Annual Report of this Club.

The past season has been a most successful one, our Club sustaining but one defeat.

We were enabled last year to have three teams in the field, all of which did excellent work, as will be seen by the summary of matches played and won.

We commenced the season on the 30th May, defending the District Championship vs. our old opponents, the Junior Shamrocks, and were successful in winning by three straight games. This match was one of great moment to us, as it showed that our new players were able to take the place of those who had left us and joined the senior team.

The following upheld the honor of the Juniors :—

J. Findlay,	R. Norman,	J. Brown.
R. Bell,	J. Graham,	R. C. Drysdale,
W. H. Brady,	W. Herbert,	J. G. Cornell,
W. Elliott,	W. Hamilton,	W. Geraghty.
	Captain J. K. Whyte.	

Our second match took place on the 27th June, when we met the Dominion Bridge Lacrosse Club of Lachine, in a match for the District Championship, and whom we defeated in three straight games in about as many minutes.

The following represented our Club :

Findlay,	Norman,	Brown,
Elliott,	Drysdale,	Graham,
Wilson,	Herbert,	Brady,
Bell,	Hamilton,	Geraghty.

Captain J. W. Woods.

On the 1st of August our third twelve played their first match, their opponents being the Metropolitans, and won an easy victory by three straight games in less than one-half hour's actual play.

The following are the names of our players :

King,	Paterson,	Mathewson,
Eaton,	McFarlane,	McKenna,
Moffatt,	Hart,	Glennie,
Stewart,	Watt,	Anderson.

Captain Allan Cameron.

On the 8th of August we again crossed sticks with the Dominion Bridge Lacrosse Club of Lachine, and were again successful in defeating them by three straight games.

The following composed our team :

Findlay,	Cameron,	Norman,
Elliott,	McKenzie,	Graham,
Herbert,	Gauthier,	Hamilton,
Brown,	Drysdale,	Geraghty.

Captain J. W. Woods.

August 22nd our 2nd twelve played their first match at Cote St. Antoine, playing the Club of that place, and defeated them by winning three straight games.

Our team was as follows :

Paterson,	Cooke,	Michaud,
Wilson,	McFarlane,	Beard,
Simpson,	McKenzie,	McDougall,
Glennie,	Rodden,	Gauthier.

Captain A. Cameron.

The same day on our grounds our third twelve played the Mutuals, which, after a very hard tussle, resulted in a draw, each club scoring two games.

The following composed our team.

Sheridan,	McKenna,	Watt,
Moffatt,	Hart,	Baird,
Mathewson,	Waldron,	Anderson,
Drysdale,	Eaton,	Cunningham.
	Captain ———.	

A match had also been arranged for this date between our first twelve and second twelve of the Montreal Club, but owing to the sudden death of one of the members of our team, (Mr. T. R. Bell), whose loss we deeply feel, as he was always at his post and performed his duty well, the match was postponed indefinitely.

August 29th was our next appearance on the field, this time in Sherbrooke, where we played the club of that place, who defeated our team by three games to one, after a very hard match. Our boys played hard, but as they had not been practising for some time previous to this, were not in condition, and the result was our first and only defeat of the season.

The following represented our team :

Findlay,	Cameron,	McDougall,
Drysdale,	Graham,	McKenzie,
Brady,	Cornell,	Beard,
Elliot,	Wilson,	Cooke,
	Captain J. W. Woods.	

On the 5th of September our third twelve again met the Metropolitans, and were successful in winning by three games to one.

Our players were as follows :

King,	Little,	McKenna,
Glennie,	Hart,	Moffatt,
Harriss,	McFarlane,	Spaulding,
Watt,	Mathewson,	McGibbon.
	Captain J. Findlay.	

Immediately after the above match our second twelve came on the field and played the Crescents, defeating them by three games

to two, after a very hard struggle; both teams being well matched and playing lacrosse as it should be.

The following composed our team :

W. P. Sheridan,	C. King,	J. McDougall,
A. Paterson,	J. Glennie,	R. C. Simpson,
A. E. Gauthier,	W. Cooke,	W. Wilson,
D. Drysdale,	H. McKenzie,	D. Michaud.
Captain Allan Cameron.		

Our next match was played on the 19th September, for the District Championship, the Dominions of Point St. Charles being our opponents, and resulted in a complete victory for our team, who won in three straight games.

Our team was composed as follows :

Findlay,	Cameron,	Norman,
Drysdale,	Drysdale,	Graham,
McNaughton,	Herbert,	Brady,
Elliott,	Hamilton,	Geraghty.
Captain J. K. Whyte.		

On the same day our second twelve played the Crescents, and were successful in defeating them by three games to one, after a very fine exhibition of lacrosse.

The team was represented by

Sheridan,	McDougall,	Glennie,
McKenzie,	Simpson,	Rodden,
McFarlane,	Gauthier,	Pierce,
Paterson,	Wilson,	King.
Captain A. Cameron.		

September 26th, in accordance with instructions received from the Secretary of the N.A.L.A. of C., we met and played the Victoria Lacrosse Club of Valleyfield (Champions of Southern Quebec), for the Provincial Championship and Pennant, which we succeeded in obtaining, defeating them easily by three games to one.

We now have two flags in our possession, having won the District Championship of Quebec in 1884, from the White Stars of Quebec, who made default, and we trust that still another will be added this present season.

Our players were as follows :

J. Findlay,	A. Cameron,	R. Norman,
C. King,	A. Paterson,	J. McDougall,
W. Elliot,	R. C. Drysdale,	W. H. Brady,
J. Graham,	G. Pierce,	W. Geraghty.
Captain J. W. Woods.		

This closes the record of a very successful season, our Club having met with but one defeat, and the team are to be congratulated on their success.

We played during the season twelve matches, ten of which we won ; one being lost, and one drawn, as follows :

First twelve played six matches—

	WON.
May 30th, vs Junior Shamrocks, - - - -	3 to 0
June 27th, " Dominion Bridge L.C. (Lachine), -	3 to 0
Aug. 8th, " " " " " -	3 to 0
" 29th, " Sherbrooke, - - - -	3 to 1
Sept. 19th, " Dominions, - - - -	3 to 0
Sept. 26th, " Victoria L.C. of Valleyfield, <small>(For Provincial Championship)</small>	3 to 1

Second twelve played three matches :—

Aug. 22nd, vs. Cote St. Antoine, winning by -	3 to 0
Sept. 5th, " Crescents, - - - -	3 to 2
" 19th, " " - - - -	3 to 1

Third twelve also played three matches :—

Aug. 1st, vs. Metropolitans, - - - -	3 to 0
" 22nd, " Mutuels, (draw) - - - -	2 to 2
Sept. 5th, " Metropolitans, - - - -	3 to 1

Our thanks are due to the M.A.A.A. for the use of room in which to hold meetings, and to the Montreal Club for the privileges enjoyed, and for use of grounds on several occasions.

We are also indebted to the retiring treasurer, Mr. H. S. Tibbs, for the interest he manifested in promoting the welfare of this Club.

We have this year on the Membership Roll over 75 names, and by the Treasurer's statement shortly to be submitted, we carry over a much larger balance (\$17.57), than in any previous year, which is very gratifying.

A special meeting was called for the 5th of April last, to appoint delegates to attend meeting of the N.A.L.A. of C., held in Toronto, and your club was represented by the following gentlemen: Messrs. R. Norman, W. H. Brady, W. Geraghty.

All of which is respectfully submitted.

ANNUAL REPORT
OF THE
TUQUE BLUE TOBOGGAN CLUB.

GENTLEMEN,—

I have the honor of presenting to you the 3rd Annual Report of the above Club.

The past season shows that the exhilarating sport of Tobogganing is getting more popular every year ; and, even though there was no Carnival held this season, the attendance at the slide was quite up to the average.

A new feature was introduced in the shape of a turn at the foot, the slide being built a little more to the south-west corner of the field, in order to give toboggans an easy turn, at the end, towards the east. The committee considered this somewhat safer than the last year's style, as well as making the slide considerably longer, and the venture proved to be a great success.

Two extra electric lights were also placed at the slide, and the benefits derived therefrom fully justified the extra expense.

The second race meeting took place on Saturday, February 8th, and was attended by a large number of spectators. The entries were good, and some of the trials very close.

The events were as follows :

1. SINGLE ; A Leroux. 40 entries.
2. LADY AND GENT. ; Mr. Jas. and Miss Paton. 25 entries.
3. 6 FT. TOBOGGANS WITH LOADS OF 5 ; D. Macfarlane. 25 "
4. LOAD AS YOU PLEASE ; R. J. Clarke. 20 entries.

The following were the officers of the day :

Judges at Start, J. Sutherland, Fred. M. Larmonth.

" Finish, E. B. Busteed, J. F. Scriver, J. L. Wiseman.

1885.

MONTREAL FOOTBALL CLUB,

Gentlemen,

The 15th Annual Meeting was held on March 26th, 1886. Mr. R. Esdaile in the chair.

Owing to the presence of smallpox in the city, the Club was unable to get on as many matches as was expected.

In the Autumn the first fifteen did not play one foreign match, as Clubs were afraid to play any team from Montreal.

The following is a list of matches played in 1885.

First Fifteen.

ANNUAL REPORT.

— OF THE —

MONTREAL HOCKEY CLUB.

SEASON 1885-6.

ANNUAL REPORT
— OF THE —
MONTREAL HOCKEY CLUB.
— FOR —
SEASON 1885-6.

GENTLEMEN,

I have much pleasure in presenting the Report of your Committee for the second season's work.

The second season of the Club has not been as successful as the first,—we lost the championship this season to the Crystals,—and I think the principal cause is the trouble and inconvenience the Club has in the way of getting ice to practice on. If we had ice of our own to practice on I think we could make a better showing; as it is now, our boys only get one or two—at most—practices a week, whereas they ought to have ice where they could skate every day; as it is in skating that most of our players are backward.

The membership of the Club is not as large as it should be—only 25—but I trust it will be largely increased next season. I think Hockey should be encouraged, as it takes the place of Lacrosse in the winter, and is very healthy exercise and quite exciting.

The season opened with the Crystal Championship Tournament, and it fell to the lot of our team to play against the Victoria Hockey Club, on the Crystal Ice, on Friday evening, 15th January; play two half hours; which was won by the Vics, after 1 hour and 20 minutes'

play ; the puck being put through the goal by one of the Vics, and unopposed by any of our players, after an offside had been claimed by one our team. The referee, on being appealed to, gave the Vics. the game. Our team was composed as follows : T. L. Paton, F. M. Larmonth, W. C. Hodgson, D. McIntyre, R. A. Smith, T. Crispo and F. W. Barlow.

On January 29th our team again faced the Vics. to play the 2nd match of the Tournament, and won by 3 games to 1. The team was the same as played on the 15th, with the exception that W. D. Aird played in place of Crispo.

On February 7th, our team faced the Vics. again to play the 3rd game of the tournament, and which was won by us by two games to one. Our team was the same as played on the 29th January.

On February 26th we sent a team to the Burlington Carnival, to compete for 7 gold medals, which they won by defeating the Crystals and the Burlington Club, the former by one goal and the latter by three goals. The team was composed as follows : T. L. Paton, goal, W. C. Hodgson, D. McIntyre, R. Smith, F. W. S. Crispo, G. S. Low and J. T. Barlow, jr.

On February 19th the 1st game of the finals of the Championship Tournament was played. Crystals vs. Montreal, and was won by the Crystals by 3 to 0. Our team was the same as played in the previous games.

On the 5th inst., the second, and as it proved, the final game of the Championship ties, was played at the Crystal Rink, between the Crystals and our team, and was won by the Crystals by 4 to 2, the Crystals thus winning the Championship.

A match was played in the Victoria Rink, with the Crystal team, for the Championship of Canada, which we held from last season, and was won by the Crystals by 4 goals. In this match we could only get up a scratch team, as follows : Lockerby, goal, McIntyre, point, Low, cover-point, and Smith, Crispo, Hodgson and Barlow, forwards.

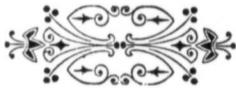

Our second team played two matches ; the 1st in the Victoria Rink with the Victoria's 2nd team, which they lost by three goals to two. The second was played in the Crystal Rink with the Park Avenue Club, which they also lost.

I trust that this season we will be able to give a better account of ourselves, and that the membership will be at least doubled, as as it is far too small at present. The great drawback the last two years has been getting the necessary practice with so small a membership, and I trust some new players may be induced to come out this season, and so keep the Club along. I think we ought to be able to get a team together that would take some beating.

Respectfully submitted,

FRED. W. BARLOW,

Hon. Sec.-Treas.

REPORT ENTERTAINMENT COMMITTEE.

May, 1886.

To the Board of Directors of the M. A. A. A.

GENTLEMEN :—

I have much pleasure in submitting a Report of the Entertainment Committee for the year ending May, 1886.

During the past winter two very successful "At Homes" were held by the "Cinderella Club." The first event took place on the evening of the 11th of December, 1885, and was attended by about 100 couples. Gruenwald's orchestra added to the enjoyment of the evening, and dancing was heartily indulged in until the regulation hour—twelve o'clock.

The lady patronesses on this occasion were: Mrs. A. W. Stevenson, Mrs. W. H. Whyte, Mrs. Angus Grant, Mrs. Fred. Massey, Mrs. F. A. McIndoe and Mrs. F. W. Larmonth.

The second "at Home" was held on the evening of the 19th of March, Patton's orchestra furnishing the music for about 90 couples. Pretty faces, handsome toilets, good music, and the efforts of the Committee in decorating the Gymnasium Hall with floral and other attractions, have made these gatherings of the Cinderella Club events that are looked forward to with pleasure by the members and their lady friends.

Several improvements were made at these entertainments. In the Club Room, occupied by the ladies as a dressing room, shelving and counter were arranged to facilitate the keeping of out-door wraps, and in the Gymnasium Hall, gilt moulding and heavy maroon curtains were purchased, which were not only ornamental, but added to the comfort of the guests.

The lady patronesses on this last occasion were : Mrs. W. L. Maltby, Mrs. C. W. Hagar, Mrs. F. E. Nelson, Mrs. T. E. Hodgson, Mrs. C. L. Shorey and Mrs. F. S. Vaughan.

Three of the previous year's committee resigned, and the committee for the year was composed as follows :—

Messrs. Will. H. Whyte, chairman ; H. S. Tibbs, treasurer ; Geo. D. Baillie, hon. secretary ; and N. J. Fraser, F. W. Larmouth, and Tom. Fraser. It is suggested that the custom of three of the Committee retiring each year and being replaced by others, be still continued.

These entertainments have not only added to the enjoyment of the members of the M. A. A. A., to whom this Club is exclusively confined, but have helped considerably as an attraction to the Association.

On the 4th and 5th of March, the M. A. A. A. "Dramatic Club" held two very successful performances in the Gymnasium Hall. On both occasions the Hall was well filled, and the members of the Club did credit to themselves and the Association. The daily papers were very profuse in their praise of the performance, and as amateurs, the club is not to be excelled, if, indeed, equalled. The play placed on the boards was by Sir W. L. Young, Bart., entitled "Time Will Tell." Mr. Wm. Bruce filled the duties of stage manager, and the following artists took part : Miss Phemie Allan and Miss Annie Ritchie; Messrs. Horace S. Tibbs, J. B. Ostell, S. M. Baylis

J. D. Millar, Lionel J. Smith, Geo. W. Gardner, W. T. Rodden and F. B. H. Rickaby. The ladies deserve great credit, not only for their acting, but for their valuable assistance to the Club.

During the year the Gymnastic Committee and Class held two Assaults at Arms in the Gymnasium Hall, which were well attended. After creditable performances by the Class, a "Bonnet Hop" was held at the close of each entertainment, and many of the members and their lady friends enjoyed a pleasant hour's dancing.

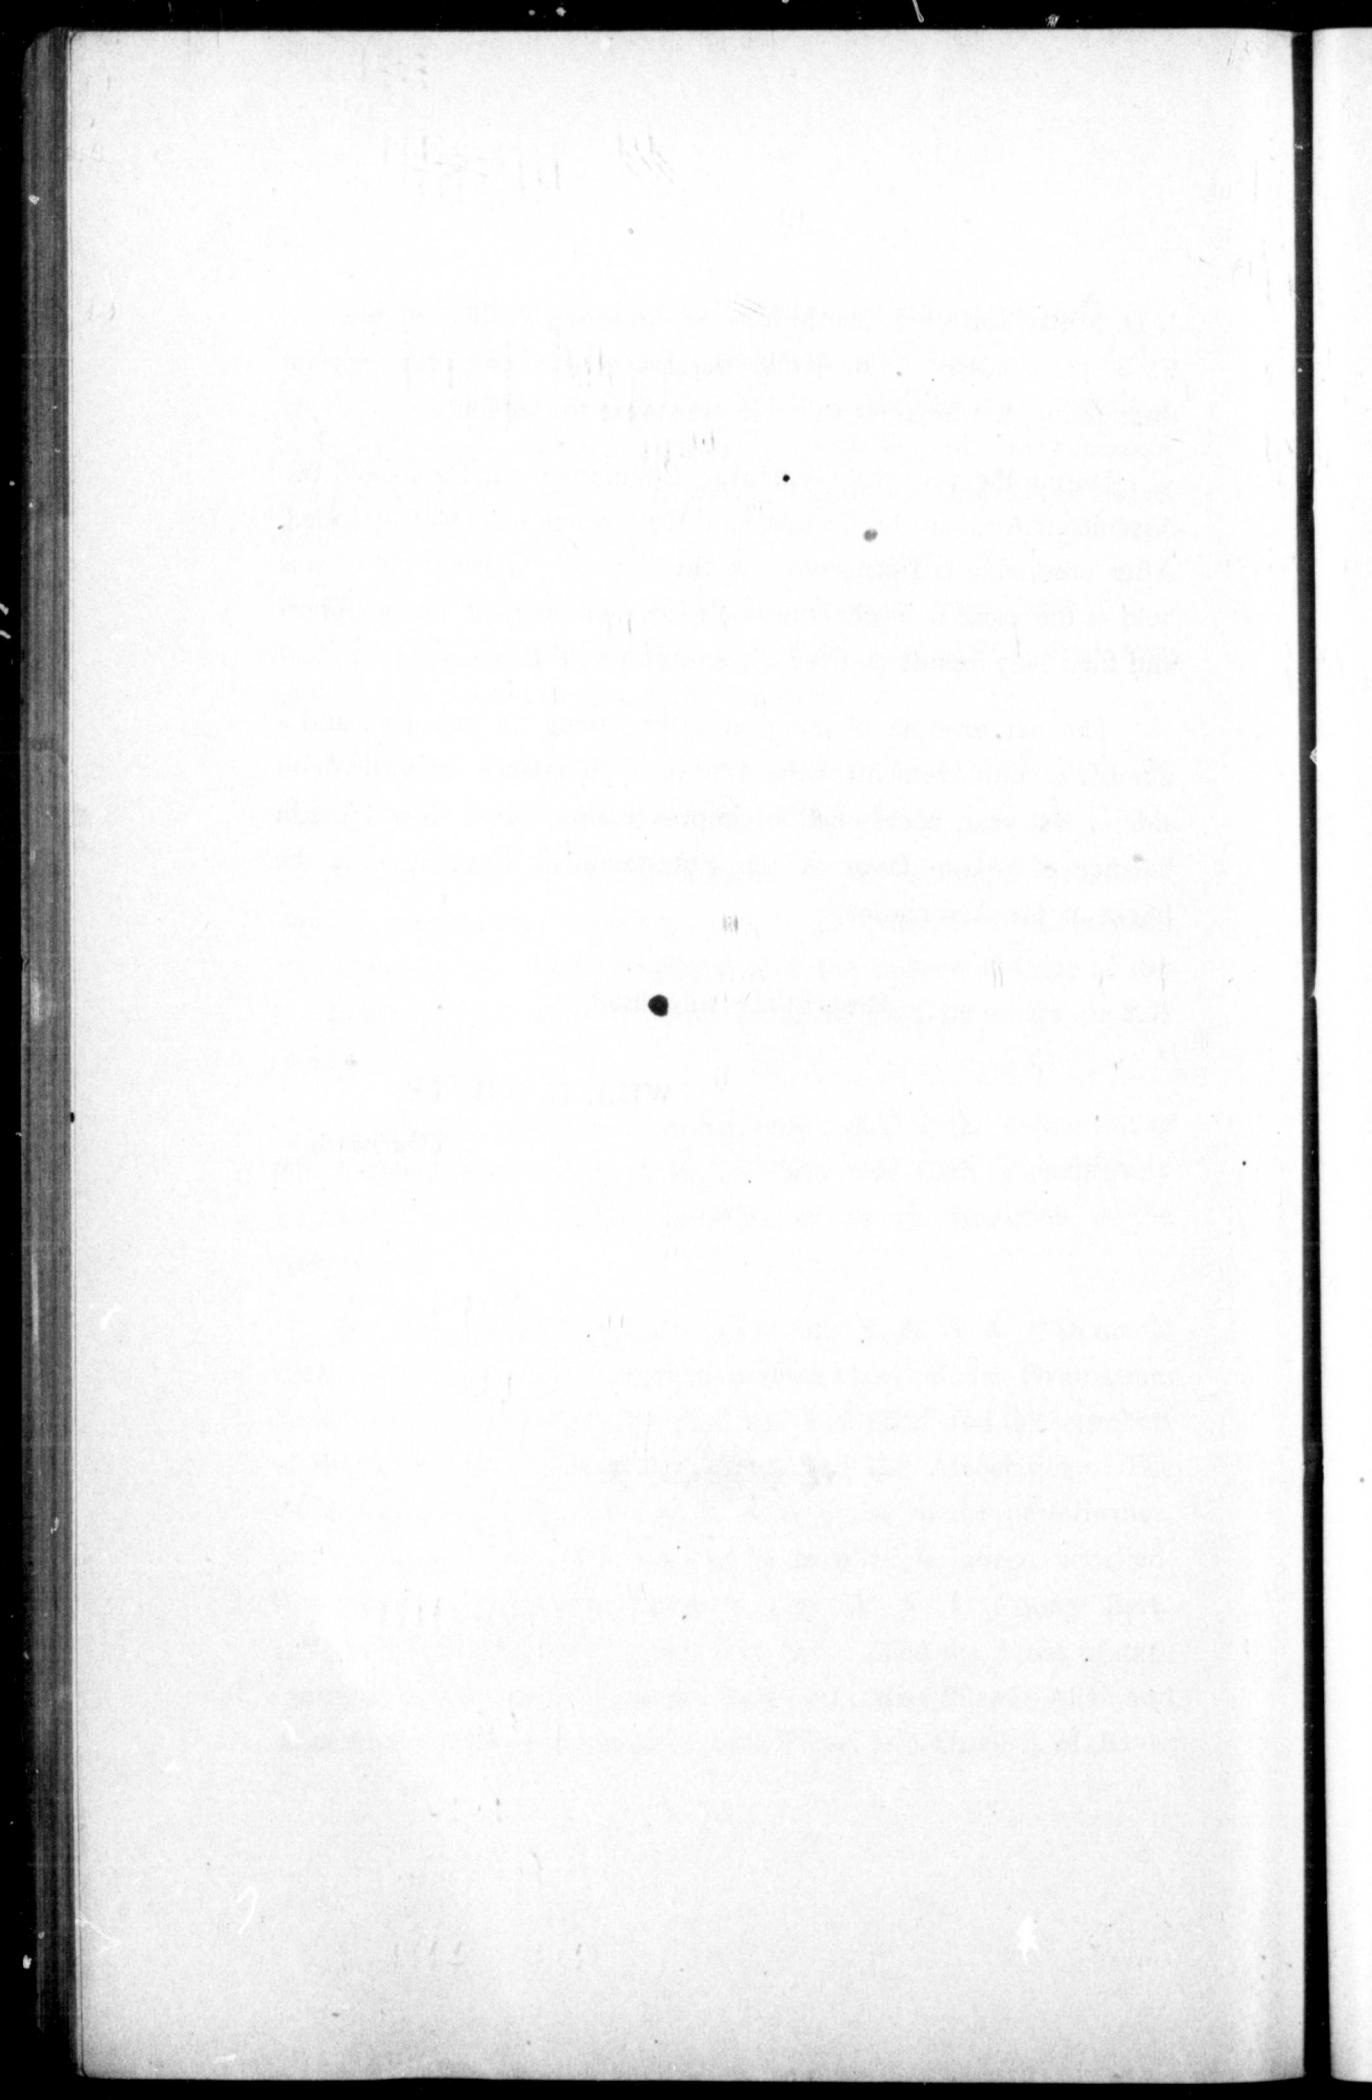

The net receipts of the year, after paying all expenses and a number of improvements, were \$110.54. A balance from the debit side of last year, occasioned by improvements, leaves now a credit balance of \$64 in favor of the Entertainment Committee, in the books of the Association.

Respectfully submitted,

WILL H. WHYTE,

Chairman.
