WHERE OUR HEROES LIE BURIED

Pte. S. G. Barter Writes Touching Description of Graves of Hartland Boys

France, Feb. 10.

Mr. and Mrs. G. O. Orser:—I will write to you today of something dear to your hearts, for I have just come back from the British Soldiers' Cemetery of Etaples, where your dear son Archie sleeps his last long sleep in a true hero's grave. I just found out a few days ago that he was near me, and the Sergeant of our company kindly gave me the day off to go personally to see the graves of our noble boys. I found a Sergeant has charge of the cemetery. In his office he keeps books and records of every grave. The cemetery is divided into sections, which are marked very plainly from A to Z and each grave has a number. Archie's is Sect. V, No. 212, and by his side to the right lies Pte. Brock of 3rd Canadians, and on his left lies Gen. Evans of the Royal Navy, an Englishman. Pte. Lee Grandemire is in Sect. B, No. 95. My brother Percy was with me, and we brought back with us a small stone and some earth from Archie's and Lee's graves, so you, their parents, can see the kind of soil your loved ones rest in. It is a very large burying ground, and faces the English Channel, and looks out over the Atlantic, west towards Canada and the setting sun. Oh! my comrades how my mind went back to the old happy days in Windsor as I stood by the grave of Archie, the Boy Hero. I looked out over the English Channel and watched the white horses racing into the sandy beach. I thought of you parents at home and it seemed to me that if every white tipped wave was tipped with love it could not express all your love for your boy, and as little as I could do would be to write and tell you all about how he was surrounded. Here I found privates, non-commissioned officers, officers, doctors, and nurses' graves and all in the same cemetery and all marked with a neat little wooden cross and name, Reg. No. and Batt. printed on a metal plate R. I. P. (Rest in Peace) on each cross.

English, Scotch, Irish, Canadians, South Africans, Newfoundlanders, New Zealanders and Australians in the cemetery intermingled, and on two graves were small American flags flying. The crosses over graves are all alike. Graves are well kept, early spring plants are already sending forth their sprouts where beautiful flowers, and dusty green will soon flourish. The graves are well dug and are as deep as we usually dig them at home. Each grave is built up, well moulded and kept.

Ten young ladies with spades, wheelbarrows and suitable tools were busy fitting up each mound. They use a wooden frame to perfectly mould or shape the grave. Soldiers dig the new graves. Our noble British young women keep the cemetery and all graves neat, and as I saw them using shovel and wheeling dirt in the wheelbarrow, all cheerful and tenderly careful of each individual grave, I could not help saying "God bless our women," and as long as British men and boys will volunteer and fight for right, and our young women will volunteer to

go out and work in a strange land like this, our Empire is safe. Trust you will be pleased to have this close description and sample of soil I am sending. Percy was to write to John Crandemire and I to you. No need for me to try and express my sympathy to you for you already know all I can say, but God sees all and a life is not great by abundance of years, but by well doing, and your young hero has gone all the way in duty, even as his Saviour did. He gave his life that we might live. It's an honour, and only to our heroes dead, can such an honour come. May God grant you both health, and may we meet again in my closing wish.

Your true and old friend,
S. G. BARTER

Archie B. Orser enlisted in March 1916, before he was 16 years old. He went to France in September 9, 1917, and made the supreme sacrifice Nov. 11, when he was 17 years and 6 months.

Private W. G. McIsaac is the son of Mr. and Mrs. James McIsaac of Wicklow. He is 25 years old and enlisted with the 104th in November, 1915, but was transferred to the 5th C. M. R. upon arriving in France. After serving at the front for ten months he was wounded on Oct. 30, 1917, suffering a slight gunshot wound in the thigh.

SERIOUS FIRE AT CERTREVILLE

Home of Albert Simonson Destroyed on Saturday

About 10 a.m. Saturday the people were alarmed by the cry of fire at the residence of Albert Simonson. A large crowd quickly got together and went to work. The fire caught in the upper storey probably from the flue, and worked down. It had made good headway before being discovered and it was seen at once that no effort on the part of the workers could save the house. The goods and furniture down stairs were all removed but very little from the upstairs was taken out. The house was connected with the barn by a shed about 30 feet long. The only way to save the barn was to tear down the shed. Willing workers chopped this to pieces and it was pushed down piece by piece by teams, and the barn was saved. A. C. Giberson's house is only a few feet from the barn and they had all the goods packed and almost all removed. It is needless to say that "Sandy" was delighted to see the fire stopped. The Simonson house was built by Dr. Hovey about 50 years ago and was a large two story structure with old fashioned heavy timbers. It has been repaired and built over by both Gordon Hovey and Mr. Simonson and was in good repair. The air Saturday morning was very heavy and there was not a breath of wind. This accounts for the workers being able to confine the fire to the house alone. If the customary north west wind had been blowing probably four other houses would have burned. The loss is heavy as there was no insurance. Mr. and Mrs. Simonson are at present staying with Mr. and Mrs. James O'Hara and their plans for the future are yet indefinite.

Storm and blow March 4 blocked the Valley track and regular train was cancelled. This Sunday it has snowed a good deal all day and night. The roads are all blocked with drifts. The Valley train which left for Fredericton Sunday morning was not able to get back as an extra is snowed under at Meductic. However, we should worry July is coming and we will forget all about having two winters in one. The early spring prophets don't have a look in. We expect a big freshet when it does thaw as there is a lot of snow and very thick ice in the streams.

Great is the power of The Observer. A few weeks ago we suggested a donation for the Baptist pastor here. Last Tuesday evening about 80 assembled at the parsonage and spent a pleasant evening with music, recitations, speeches and refreshments. The pastor, Rev. St. Johnston, was richer by \$45. at the close of the evening.

The Oddfellow Lodge is beginning to revive nicely. Monday (Continued on last page)

New Pastor Has Arrived

On Saturday evening Rev. E. A. Trites arrived from Lowell, Mass., and on Sunday began his duties as pastor of the United Baptist church. Despite the storm a large congregation attended the Sunday evening service and all seemed favorably impressed with the new minister's first sermon. Mr. Trites is not an entire stranger, as some months ago he was here and preached to the congregation.

A Lowell paper says in reference to the new pastor: Rev. E. A. Trites, who is soon to leave the Chelmsford Street church to go to Hartland, New Brunswick, has had a successful pastorate of five years, during which time the church has flourished in every way. The past year was one of remarkable activity, ninety new members being added and the sum of \$4,200 having been raised for the church entering upon the new year with all bills paid. Five members have been received since the beginning of 1918. Mr. Trites has endeared himself to his people and his leaving is a matter of deep regret to all.

Miss Grace Tompkins has been visiting in the village, but has now gone to Boston.

Mr. McFadden is visiting his daughter, Mrs. F. T. Atkinson.

Miss Gertrude Boyer of the N. B. Telephone staff is ill. Mr. and Mrs. Alonzo Milbury are also on the sick list.

The Methodist parlor social held at Mrs. John A. McLean's last week was very successful, about 20 were present. The time was spent in games and music. Miss Barbara Semple sang a solo very sweetly, and Cecil Semple also sang very nicely the song "Where do we go from here?" The next social will be held at the home of Mrs. Somerville in Bristol on Thursday, March 21.

Men went to work on Monday and fixed up the floor of the hall again on Tuesday evening the play was given free, but only a certain number being allowed into the hall. The play was very good.

all the actors and actresses seemed to know their parts well and performed them splendidly.

Mrs. Hedley Jewett has been called to Fredericton on account of the illness of her mother, Mrs. Thomas Wandless, who we regret to hear, died last Saturday night. Mr. Jewett went down on Monday to attend the funeral.

The local Red Cross Society met at Mrs. Ed. McCain's on Wednesday afternoon. A supper was provided by the hostess for anyone who liked to attend 25 cents was the charge. The ladies are also giving a Poverty Social on Friday, Mar. 15, at Mrs. Holland Estey's. A program is to be given and refreshments served. Admission 35 cents.

The Odd fellows were at home to a large number of ladies and gentlemen last Wednesday evening. Cards and dancing were indulged in, and a nice lunch was served. A very pleasant evening was spent and everyone seemed to enjoy themselves.

Mrs. Geo. Gray and her son Gerald spent Monday with Mrs. Alex. Ritchie at Greenfield.

Lorne Hume, Fred Taylor, and Andrew McCain have gone to Fredericton on business.

Miss Zola Giberson went to Florenceville on Monday to visit relatives there.

Farmers Organize at Florenceville

There was organized at Florenceville on March 2 a branch of the United Farmers of N. B. and the following officers were elected: T. W. Caldwell, president; C. W. Boyer, vice president; E. L. Hume, sec.-treas.

A second meeting was held at Florenceville on March 9 at which there was a large attendance of farmers from Centreville, Summerfield and Wicklow as well as from the immediate vicinity of Florenceville, and it seemed to be the unanimous opinion of the farmers there assembled that this organization would fill a long felt want. C. L. Smith of Woodstock was present and addressed the meeting at some length, setting forth in a very clear and forcible manner

the advantages this organization would be to all if properly carried out.

There was arranged meetings for Centreville on Friday, March 15, at 2 p.m., Summerfield Friday, March 15, at 7 p.m., and Bath, Saturday March 16, at 2 p.m. C. L. Smith was invited to address those meetings by the farmers from the different sections who were at the Florenceville meeting with a view of having branches organized in different sections.

Among the other speakers at the Florenceville meeting was H. H. McCain, the pioneer produce merchant of Florenceville, who is a large farmer as well. Mr. McCain believes it would be a good thing for the farmers to organize for various reasons. He also reviewed the growth of the produce business of this section of N. B. since the time when one hay press did all the hay pressing, some thirty-odd years ago, until the present time when it took a score or more presses to press the hay of this section alone.

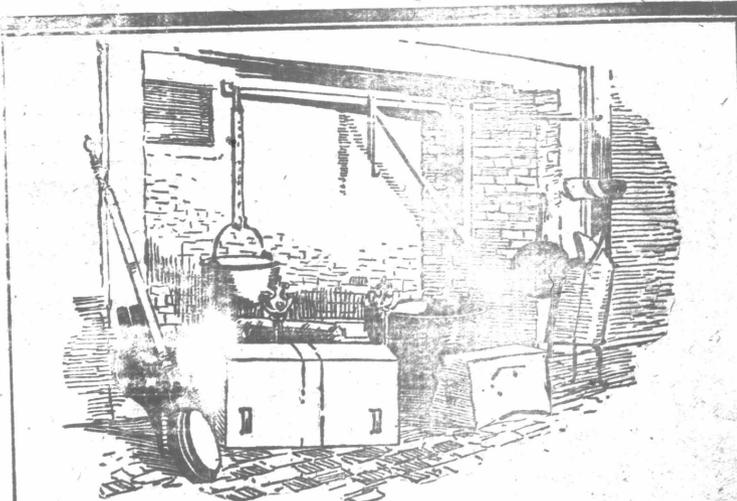

T. W. Caldwell, the president was elected a delegate to the meeting of the Farmers' and Dairymen's Convention which meets in Fredericton on March 12 to 13.

The United Farmers of N. B. will meet at Florenceville the third Saturday in every month beginning with April 1918.

Baking Day in Grandmother's Kitchen

GRANDMOTHER did her baking in tin kitchens set before the fire. Sometimes she baked a sponge cake in an iron kettle, browning the top with hot coals heaped on the lid. On baking day the kitchen was filled with delicious fragrance because Grandmother made her cakes and pies with old fashioned brown sugar.

Gone are the cranes and bellows and tin kitchens but we still enjoy Grandmother's favorite dishes. Mince pies, plum puddings, cakes and many sweets and beverages are much better made just as she made them with soft brown sugar. It is easy to get both the recipes and the sugar with which to make them up. Lantic Old-Fashioned

Brown Sugars come in three kinds—Light, Brilliant and Dark Yellow—and are for sale by grocers throughout Canada. Brilliant Yellow is particularly good for baking. Grandmother's Recipes have been reproduced in a delightful little book which we will send to you for a 2c. stamp to cover cost of mailing.

Lantic Old Fashioned Brown Sugar

is put up only in 100-lb. bags with the well-known Lantic trademark from which your grocer will serve you any quantity you require. Our booklet tells you among other things how to keep brown sugar fresh, moist and ready for use.

Lantic Old-Fashioned Brown Sugars are made by the same firm that makes the famous Lantic "FINE" Granulated.

National STOCK FOOD

Of the many Stock Foods on the market many are good, some are not so good. But in NATIONAL Stock Food are combined nutritive and tonic elements to a higher degree than any other. The results quickly show the difference between NATIONAL and all other stock foods. The tonic properties of NATIONAL operate upon the animal system, not only creating an appetite for them to eat more, but what is more important improves digestion and assists the assimilation of all the nutrition in the fodder.

For Horses, Cattle, Sheep, Hogs, and especially for breeding animals no tonic-food is so good as NATIONAL. It may cost more than some, but it is better than any.

Kilburn News

Mrs. John W. Grant of Kilburn, N. B., recently received a letter from a chum of her son, the late Lance Corporal Robert Grant of the 46th Batt., which will prove of interest to his friends:

France, Feb. 3, 1918

Dear Mrs. Grant:—I have often thought of writing to you and know that I should have done so, I had lots of time while in the hospital but was not sure of your address and the rest of the time it was just neglect. I know that Pte. Stonebridge writes to you, and he often lets me read your letters.

As you want to know, Mrs. Grant, I can tell you Bob was killed with a machine gun bullet in the head. It was a fatal place and he did not suffer at all. I did not see him afterward for I was in a different section, immediately on his right, but one of the boys stayed with him a few minutes. He was not disfigured at all, only a small hole.

If Bob sent you any pictures while we were in camp, you will likely have one of me. If you have no late pictures of him I could get my mother to send you one. I left nearly all of my photo's at home, so I have not one of him here.

The weather has been very kind to us lately, but two weeks ago the mud was awful. Mud and wet weather are so depressing to one's spirits that I will gladly welcome the summer.

Pte. Stonebridge and I are in the same section. We are runners, or messengers.

I like to read your letters, Mrs. Grant. They are so much like those I get from my mother. They very often drive away a fit of the blues. I really don't know what we would do out here if it were not for the mail. Encouragement from real friends is such a helping hand.

My youngest brother enlisted some time ago and mother was very much put out about it. He is only 17 and I hope he will take my advice and go home for awhile, at least of course, mother could claim him but she thinks perhaps that is not her duty. I would mind if father was living, but it leaves her so lonely.

I am sure you know what a noble son you had in Bob, and I can say that everything I knew of him was absolutely to his credit. He was a man among men in the Battalion.

I will close for now as I am a very poor hand at writing a letter. I would like to hear from you if you have time to write. I am sure mother would have written if she had known your address.

Your Sincere Friend,
Pte. Archie W. Smith.

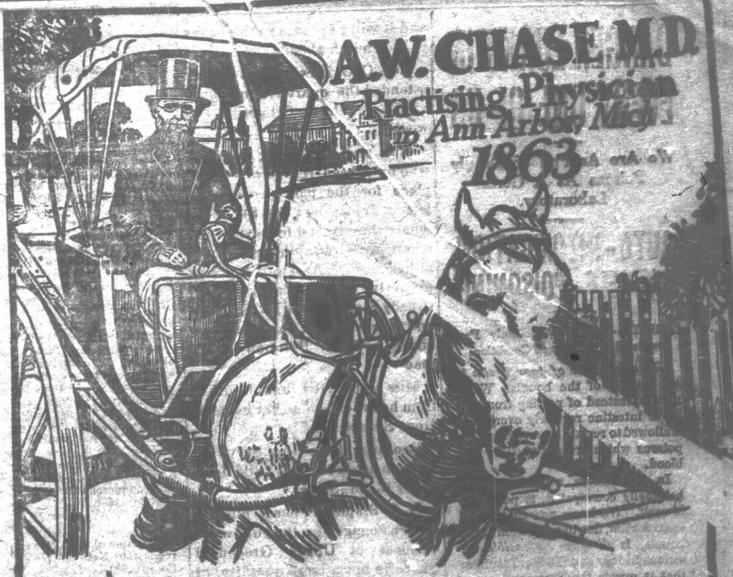

Mrs. Grant has also received a letter from Pte. Stonebridge stating that a monument has been erected on Vimy Ridge in memory of the men of the 46th Battalion, who fell in action there last April.

Nothing Can Compare With It

Mr. Fred Adams, New Rise, S. writes:—I have tried many medicines for coughs and colds but never found anything compare to Dr. Chase's Syrup of Linseed and Turpentine. We have had the greatest satisfaction with the medicine for it never fails to relieve a cough or loosen

"WHO IS THIS DR. CHASE?" we are sometimes asked by persons who know his medicines, but are not familiar with his interesting life story.

The boyhood days of Dr. A. W. Chase were spent in the vicinity of Buffalo, N.Y., and as he had early decided to be a medical doctor, he took the first opportunity of attendance at the University of Michigan, located at Ann Arbor.

After graduation he began the practice of medicine in Ann Arbor, Mich., and at the time represented in the illustration, his reputation as a physician of exceptional skill had spread far beyond the confines of his State, and people came to him for treatment from many miles around.

As he was accustomed to travel across western Ontario to his native city of Buffalo he frequently stopped over at Canadian towns and cities for special consultation, and in this way made many friends in Canada. The character and personality of Dr. Chase was such that to

know him was to love him. He merited confidence and respect, and made lasting friends wherever he went.

And thus it happened that when the illness placed his most successful prescriptions on the market, so that the people might obtain them more readily, they met with a reception in Canada as well as in the United States.

This letter from Mrs. Grant will give you an idea of how Dr. Chase's medicines became known throughout Canada.

Went to Dr. Chase in 1897

"In the year 1897 I was very bad with my kidneys. I could not walk or stand for any length of time. I was lame, sore and painful all the time. I carefully followed the directions of one of his doctors. He was unable to do me much good. At this time Dr. A. W. Chase was secondarily known as an especially successful physician, and on the advice of my uncle, Charles Williams, I went to Dr. A. W. Chase at Ann Arbor, Michigan, and he gave me a box of his pills for kidney disease.

You can scarcely imagine how much good they did me. They helped me so much that I went back to the doctor and bought a dozen boxes. In my mind there is not a medicine half so good as Dr. A. W. CHASE'S KIDNEY-LIVER PILLS for kidney trouble and headache. We always keep them in the house as a family medicine, and I would not think of using any other. Dr. A. W. Chase, Surgeon Gen. Ont.

Note that the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, are on every box of his medicines.

We Are As Full of Deadly Poisons As A Germ Laboratory.

AUTO-INTOXICATION OR SELF-POISONING

"FRUIT-A-TIVES" Absolutely Prevent This Dangerous Condition.

The chief cause of poor health is our neglect of the bowels. Waste matter, instead of passing through the bowels regularly every day, is allowed to remain there, generating poisons which are absorbed by the blood.

In other words, a person who is habitually constipated, is poisoning himself. We know now that Auto-intoxication, due to non-action of the bowels, is directly responsible for serious Kidney and Bladder Troubles; that it upsets the Stomach, causes Indigestion, Loss of Appetite and Sleeplessness; that chronic Rheumatism, Gout, Pain In The Back, are believed to occur as the bowels become regular and that Pimples, Rash, Scabies and other Skin Affections disappear when "Fruit-a-tives" are taken to correct Constipation.

"Fruit-a-tives" will protect you against Auto-intoxication because this wonderful fruit medicine acts directly on all the eliminating organs.

Good for the whole family

A good cough remedy is one that can be depended upon to cure coughs. Not one that cures some particular cough, but coughs in general. While the causes of all coughs are primarily the same, yet the condition of the patient makes the difference in the nature of the cough itself. Coughs of healthy persons are easier to cure than the coughs of invalids. The more powerful convulsive cough of a big man is harder to cure than the cough of a baby. If you get a remedy that will cure a big man's cough and yet not be too powerful for the baby, you have a good cough remedy.

Chamberlain's Cough Remedy

is just this kind of remedy. It is good for any member of the family. It relieves coughs of all kinds. It is composed of things which cure easily and soothingly without harming the delicate tissues of the throat, and is the ideal remedy for coughs, colds, croup, influenza and whooping cough.

and it will be placed in the belfry of the church at once.

OVER 40 YEARS ON THE ROAD

The name of W. G. Reid of Hamilton, Ont., is a familiar one to thousands throughout the Dominion. For over forty years Mr. Reid has been service as a commercial traveller. A letter recently received from him indicates how he suffered from Rheumatism, and at last found relief.

Read this letter: Hamilton, Ont. "About four years ago I wrote you of my condition from Muscular and Inflammatory Rheumatism and Kidney Trouble and my efforts through travel and change of climate to rid myself of these unwelcome guests, and how I only found relief in Gin Pills after spending a lot of time and money in foreign lands.

Since then Gin Pills have been my sheet anchor. I find in advancing years a tendency of the kidneys to get out of order more easily than formerly but a few doses of Gin Pills puts them right and wards off other and more serious trouble. I feel it not only a duty but a pleasure to recommend Gin Pills for Kidney and Bladder Troubles to my thousands of personal friends throughout Canada to whom I am well known as a commercial traveller of over forty years' service.

Yours truly, (Signed) W. G. Reid. A sample of Gin Pills sent free upon request to National Drug & Chemical Co. of Canada, Limited, Toronto, or to the U. S. address—N. J. Co. Inc., 202 Main St., Buffalo, N.Y.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Defolious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When poevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs" which contains full directions for babies, children of all ages and for grown-ups.

Rev. P. R. Hayward, Ph. D.

Rev. P. R. Hayward left Fairville last week and will at once enter upon his new duties in connection with the boys' work department of the Y. M. C. A., having his home and headquarters in Toronto. Universal regret is felt in Fairville in respect to his leaving, a regret which is shared by all who have been associated with him in the work of the Kingdom. A little while before leaving Fairfield he received notice that his thesis for the Ph. D. had been accepted by the University of Pennsylvania, in

Sure! High Heels Cause Corns But Who Cares Now

Because style decrees that women crowd and buckle up their tender toes in high heel footwear they suffer from corns, then they cut and trim at these painful pests which merely make the corn grow harder. This suicidal habit may cause lockjaw and women are warned to stop it.

A few drops of a drug called frezone applied directly upon a sore corn give quick relief and soon the entire corn, root and all, lifts out without pain. Ask the drug store man for a quarter of an ounce of frezone, which costs very little but is sufficient to remove every hard or soft corn or callus from one's feet.

This drug is an ether compound and dries in a moment and simply shrivels up the corn without inflaming or even irritating the surrounding tissue or skin. Clip this out and pin on your wife's dresser.

connection with which institution he has been pursuing his studies. The subject of the thesis was Workmen's Compensation Act in Canada. The degree will be formally granted at the next convocation.

FORD DEVELOPMENT IN CARLETON CO.

Owing to the great increase in the number of Ford cars in Carleton County, Mr. Phillips has found it necessary to open several personal salesrooms and service stations. He has selected Woodstock and East Florenceville as being the most desirable points in the county.

At Woodstock, he has leased the Small & Fisher Building on Main Street and Mr. Wm. Montgomery will be in charge of the mechanical work, while Mr. Jas. Cluff will have charge of the salesroom and office.

At East Florenceville, he has secured the Masonic Hall Garage, the largest Garage in that section of the County where Mr. R. S. Semple will have charge of the mechanical work and Mr. Fitzgerald of Glasgowville will be in charge of the salesroom and office.

As a general sales organization, throughout the county, Clarence Black will work in the parishes of Woodstock, Wakefield and Brighton. Fred Grant will work in Woodstock, Richmond and Northampton; Geo. E. Wilkinson and Theo. C. Cain will work in Wicklow and Wilmot. Mat Bohan will work in the Parish of Kent.

Torturing, Itching Eczema

Mrs. J. B. Hort, Paspébiac, Bonaventure Co., Que., writes: "Thanks to Dr. Chase's Ointment I have been completely cured of that horrible disease eczema. I was held as if in prison from going among other people, for I was ashamed of the raw, flaming sores. Doctors could do nothing for me and I was almost desperate with suffering when I began to use Dr. Chase's Ointment. In one month I was completely cured and think this was little short of a miracle."

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sour and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

Proof that Some Women do Avoid Operations

Mrs. Etta Dorion, of Ogdensburg, Wis., says: "I suffered from female troubles which caused piercing pains like a knife through my back and side. I finally lost all my strength so I had to go to bed. The doctor advised an operation but I would not listen to it. I thought of what I had read about Lydia E. Pinkham's Vegetable Compound and tried it. The first bottle brought great relief and six bottles have entirely cured me. All women who have female trouble of any kind should try Lydia E. Pinkham's Vegetable Compound."

How Mrs. Boyd Avoided an Operation. Canton, Ohio.—"I suffered from a female trouble which caused me much suffering and two doctors decided that I would have to go through an operation before I could get well."

"My mother, who had been helped by Lydia E. Pinkham's Vegetable Compound, advised me to try it before submitting to an operation. It relieved me from my troubles so I can do my house work without any difficulty. I advise any woman who is afflicted with female troubles to give Lydia E. Pinkham's Vegetable Compound a trial and it will do as much for them."—Mrs. MARY BOYD, 1421 5th St., N. E., Canton, Ohio.

The Red Cross Society met last Friday at Mrs. Orin Haller's. The record for a large attendance being maintained, one very interesting event of the afternoon was the drawing of the ticket on a Red Cross quilt, the owner of the lucky number being Miss Hattie Fowler. This is the 3rd quilt disposed of in this way in 1918. The others going to Mrs. Colman Morehouse and Mrs. B. L. Daggett. These quilts were made from bits of goods left from cutting out pyjama suits, etc., and were pieced by Mrs. William Wright who deserves much credit for her excellent work, which has added \$18.20 to the funds. The older members are certainly doing their bit for our lady in khaki. One member, Mrs. Elizabeth Inman nearly 80 years of age, has knit 72 pairs of socks in the last twelve months. The next meeting will be on March 22 at Mrs. Joseph Davidson's.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

SAYS LEMON JUICE WILL REMOVE FRECKLES

Girls! Make this cheap beauty lotion to clear and whiten your skin.

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

Mrs. James McClary

Twelve years of suffering were brought to a peaceful end when Mrs. Jane McClary entered into the rest that remains for God's people at Lower Brighton at the age of seventy three years:

In her case the grand, old Gospel was vindicated—"My grace is sufficient for thee." Through a dozen years of intense pains, when the lamp of life oft flickered for weary weeks, not a murmur passed her lips, nothing but the breathings of confident faith and love. The beautiful child-like simplicity, the resignation as if resting by the Shepherd's tent, and the hope

that lifted her above the hardness and darkness of her lot to the light and love beyond were an inspiration to those who visited her chamber. But the end came and with it peace, peace. On Tuesday morning February 19th God's chariot descended and the soul that had become too large for the body, passed like a snowflake unsoiled and heavenly to the Savior she loved so well.

She leaves a husband and six daughters to bless her memory—a memory that smells as sweet as a rose.

The funeral service was conducted by her former pastor Rev. George Kincaid, and the large congregation testified more eloquently to the esteem in which she was held than any words the of the preacher could express.
