An Act respecting the Provincial Debt guaranteed by the Imperial Government.

[Assented to 26th March, 1859.]

**W**HEREAS Her Majesty's Government in England have Preamble. consented to the reduction hereinafter mentioned on the yearly rate of the payments to the Sinking Fund for paying off the Provincial debt of one million five hundred thousand pounds sterling, guaranteed by the Government of the United Kingdom under the provisions of the Act of the Parliament thereof passed in the session held in the fifth and sixth years of Her Majesty's Reign, and intituled, *An Act for guaranteeing the payment of the interest on a Loan of one million five hundred thousand pounds to be raised by the Province of Canada*, and have agreed to certain other arrangements with respect to the said loan advantageous to this Province, to which it is desirable to give the sanction of the Provincial Legislature: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. Notwithstanding any thing to the contrary in the Act of the Legislature of this Province, passed in the session held in the tenth and eleventh years of Her Majesty's Reign, and intituled, *An Act to facilitate the issue of Debentures, and for other purposes therein mentioned*, or in any other Provincial Act, the sum to be set apart by the Governor in Council out of the Consolidated Revenue Fund of this Province, yearly and in every year until the whole amount of the said debt shall be paid off, and to be applied as a Sinking Fund for paying off the said debt, shall be such sum as will be equal to two per centum on the amount of the said debt, instead of four per centum on the said amount as provided by the said Act, the other provisions whereof shall apply to such reduced percentage as they have heretofore applied to the said rate of four per cent.

Amount payable yearly to the Sinking Fund under 10, 11 V. c. 2, reduced.

Premium received on guaranteed Debentures renewed, to go to Sinking Fund.

2. If upon any of the Debentures forming part of the said debt which may hereafter be renewed with the guarantee of the Imperial Government, for such term as may be necessary for their redemption by the operation of the said Sinking Fund as modified by this Act, any premium shall be received by this Province by reason of such renewal, such premium shall be paid into the said Sinking Fund.

A higher rate may be agreed on and paid as the debt is reduced.

3. Provided always, that as the said debt is from time to time reduced by the redemption of Debentures forming part thereof, the Governor in Council may agree with the Lords Commissioners of Her Majesty's Treasury for the payment into the said Sinking Fund of such increased percentage on the portion of the said debt then unpaid, as will, after allowing for such renewal as aforesaid, ensure the sufficiency of the said Sinking Fund to pay off the said debt when due; and such increased percentage shall be paid accordingly out of the Consolidated Revenue Fund of this Province.

Penalty for not complying with the said section.

2. If any Clerk of a Municipality in Upper Canada shall omit, neglect or refuse to complete or deliver the said lists on or before the first day of October in each year, according to the directions of the fourth section of the said Act, or to perform any of the obligations or formalities therein required of him, such Clerk for each such omission, neglect or refusal, shall incur a penalty of two hundred dollars.

Payments in produce, &c., to be reckoned part of the rent.

2. And whenever the rent, or any part of the rent of any real property is made payable in produce, or otherwise than in money, or any premium is paid, or any improvements are to be made by the tenant, or any other consideration is stipulated in favor of the owner, in reduction of the rent,—the Assessor or Valuator shall take into consideration and allow for such produce,

4. Every Valuation or Assessment Roll, every revised Valuation or Assessment Roll, and every List of Voters, made under the provisions of this Act, of the Acts hereby amended, or of any other Act, shall be subscribed or attested by the person or persons making the same, and by any person employed under the authority of the second sub-section of the sixty-fifth section of *The Lower Canada Municipal and Road Act of 1855*, if any such person be so employed, and attested by his or their oath or affirmation, in the following form :

Valuation or Assessment Rolls to be attested on oath.

“ I, \_\_\_\_\_ (or, we severally and each for himself,) do swear (or solemnly declare) that to the best of my (or our) knowledge and belief, the above (*here insert title of document as Valuation or Assessment Roll, revised Valuation or Assessment Roll, or list of Voters, as the case may be.*) is correct, and that nothing has been improperly and fraudulently inserted therein, or omitted therefrom.”

The oath.

And such oath or affirmation shall be made before a Justice of the Peace who shall attest the same ;—and the wilful making of any false statement in any such oath or affirmation, shall be wilful and corrupt perjury, and punishable as such, as provided by the Interpretation Act, which shall apply to this Act.

Before whom to be made.

False statement to be perjury.

5. If at the time of any election, no list of voters for the current year shall have been made or shall exist, the Returning Officer and Deputy Returning Officers for such election shall be furnished with the list of Voters last made or existing and shall govern themselves thereby, and such list shall have the same effect as if it were the list for the current year.

If no List exist for any year, the then last List to be taken.

6. Whenever the name of any voter entitled to have his name entered on the Valuation or Assessment Roll, or on the revised Valuation or Assessment Roll, is omitted from the list of Voters, in consequence of its having been omitted from any such Roll or revised Roll, it was and is the intention of the Act herein first above cited and amended, that such person should have the same right of complaint and of appeal in order to have his name placed on the said list of Voters, as if it had been omitted from the said list after having been inserted in such Roll or revised Roll.

Persons omitted from the List because they are not on the Assessment Roll, &c., may complain and appeal.

7. If the Clerk or Secretary Treasurer of any City or Municipality in Lower Canada does not furnish to every Deputy Returning Officer acting in such City or Municipality, or in any Ward or Division thereof, a true copy or copies of the proper list of voters, or of so much thereof as relates to the locality for which such Deputy Returning Officer is to act, or as required by the eighth sub-section of the fifth section of the said first cited

[Assented to 4th May, 1859.]

Preamble.

WHEREAS it is expedient to amend the Act hereinafter mentioned: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

The Provincial Stock under 22 V. c. 84, may bear any rate of interest not over 5 per cent.

When it may be paid off.

After what notice.

Bonds may be issued instead of Stock.

When they may be paid off.

May be exchanged for Stock.

Governor in Council may authorize Finance Minister to dispose of Stock or Bonds.

1. Notwithstanding any thing to the contrary in the Act passed in the twenty-second year of Her Majesty's Reign, intitled, *An Act to make more advantageous provision for the redemption of Provincial Debentures and the Consolidation of the Public Debt, and for other purposes*, the Canadian Consolidated Stock therein mentioned shall bear such rate of interest, not exceeding five per cent per annum, as the Governor in Council shall deem most advantageous for the Province: and such Stock shall not be paid off in less than twenty years from first day of July, one thousand eight hundred and fifty-nine, but may be paid off at or after the expiration of that term at the option of the Provincial Government, provided previous notice of not less than three nor more than six months, shall have been given to that effect in the *London Gazette*, in England, under an Order of the Governor in Council, authorizing such notice.

2. For any purpose for which the said Stock may under the said Act be disposed of or issued to any party, the Governor in Council may, instead of such Stock, cause Provincial Bonds to be issued bearing interest payable half yearly at a rate not exceeding five per cent per annum, but the principal whereof shall not be paid off in less than twenty years from their respective dates, but may be paid off at or after the expiration of that term at the option of the Provincial Government, provided previous notice of not less than three nor more than six months shall have been given to that effect in the *London Gazette*, in England, under an Order of the Governor in Council authorizing such notice; and the holder of any such Bond shall always be entitled to have it exchanged for an equal amount at par of the said Provincial Stock, allowing for interest then accrued on either.

3. The Governor in Council may authorize the Minister of Finance to determine from time to time the terms upon which the said Provincial Stock or Bonds may be disposed of or exchanged for outstanding Provincial Debentures, as mentioned in the second section of the Act hereby amended, having due regard to the market value of such Debentures and the period at which they are respectively redeemable.

4. The Governor in Council shall set apart yearly out of the Consolidated Revenue Fund, a sum equal to one half of one per centum on the amount of Provincial Stock and Bonds issued under this Act and the Act hereby amended, and then outstanding, and shall cause such sum to be invested in the said Stock or Bonds, or in such other manner as he may deem most advisable, as a Sinking Fund for the redemption of the said Stock and Bonds.

Sinking Fund for redemption of Stock or Bonds.

5. So much of the third section of the Act hereby amended as requires that the purchase of Municipal Loan Fund Debentures thereby authorized, be made by tender under such conditions as may be determined by the Governor in Council, and of which due notice shall be given in the *Canada Gazette*, is hereby repealed; and the Governor in Council may authorize the Minister of Finance to accept Municipal Loan Fund Debentures in exchange for such Stock or Bonds as aforesaid, and to determine the terms upon which such Debentures shall be purchased or accepted in exchange for such Stock or Bonds or other Provincial securities or other funds that may be available.

Part of section 3 of 22 V. c. 84, repealed.

As to exchange of Municipal Loan Fund Debentures.

6. The Officer heretofore called the Inspector General of Public Provincial Accounts shall hereafter be and be called the Minister of Finance; but such change of name shall not in any way affect his rights, powers or duties; and whenever in any Act, instrument or writing the Inspector General of Public Provincial Accounts, or the Inspector General, is mentioned, the Minister of Finance shall be understood to be intended when this Act shall be in force.

Inspector General to be hereafter styled the "Minister of Finance."

An Act further to amend the Consolidated Municipal Loan Fund Acts.

[Assented to 4th May, 1859.]

**W**HEREAS by an Act passed during the present session of the Provincial Parliament, it has been declared that, certain sums shall be payable in final settlement of certain claims arising out of the abolition of the Seigneurial Tenure in Lower Canada; And whereas it is expedient that provision should be made to charge any such sums upon the unappropriated Consolidated Municipal Loan Fund of Lower Canada, and for this purpose to restrain the issue of Debentures by the Municipalities in Lower Canada, under the authority of the said Act; And whereas it is also expedient to amend the Acts relating to the Consolidated Municipal Loan Fund, that is to say, the Act passed in the sixteenth year of Her Majesty's Reign, chapter twenty-two, intituled, *An Act to establish a Consolidated Municipal Loan Fund for Upper Canada*, as extended and amended

Preamble.

16 V. c. 22.

amended by subsequent Acts, so as to afford relief to the Municipalities which have raised money by Debentures issued under the said Acts, and at the same time to secure the ultimate redemption of such Debentures by the Municipalities respectively liable: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

Except as herein mentioned no further loan to be raised on the said Consolidated Municipal Loan Fund, &c

1. Except as hereinafter provided,—no loan shall, after the passing of this Act, be raised by any Municipality under the said Acts, nor shall any Debentures be thereafter issued under them to any Municipality: But whenever the principal of any Debentures issued upon the credit of the Consolidated Municipal Loan Fund either of Upper or Lower Canada becomes due, the Receiver General, if he has then in his hands no sufficient funds appropriated to pay the same, may, with the consent of the Governor in Council, raise such funds by the issue of other Debentures upon the credit of the said Fund, redeemable at such time as he deems expedient: but nothing in this section shall prevent the effect of any enactment authorizing the redemption of any such Debentures by the issue of Provincial Stock or Debentures: Provided always, that nothing in this Act shall be construed to prevent the issue of Debentures under By-laws, which have received the sanction of the Governor in Council before the passing of this Act, but under which Debentures have not been issued to the parties entitled to receive the same;—And provided further, that it shall be lawful for the Governor in Council to authorize the issue, under the conditions of the said Acts, of Debentures on the credit of the Consolidated Municipal Loan Fund for Lower Canada, to an amount not exceeding in the whole four hundred thousand dollars, in addition to the amount issued before the passing of this Act, or agreed to be issued, under By-laws sanctioned as aforesaid before that time.

Proviso: as to By-laws already sanctioned.

Proviso: a further sum not over \$400,000 may be borrowed.

Sum or rate to be paid yearly to the Receiver General by the Municipalities which have raised money under the said Fund

2. A sum equal to the amount of five cents in the dollar on the assessed yearly value, or a like percentage on the interest at six per cent per annum on the assessed value, of all the assessable property in every Municipality which has raised money by Debentures issued under the Acts mentioned in the preamble, shall be paid by such Municipality to the Receiver General on or before the first day of December, in the present year one thousand eight hundred and fifty-nine, and every year thereafter, unless and until the total amount in principal and interest payable by such Municipality to the Receiver General under the said Acts by reason of such loan, shall have been paid and satisfied, or a smaller sum shall be sufficient to satisfy the same in any year, in which case such smaller sum only shall be so paid:

Proviso: such sum not to

2. Provided always, that the sum to be raised under this Section in any Municipality, shall never be less than the sum which

which the said percentage on the assessed value of the assessable property in such Municipality, according to the assessment Rolls for the year 1858, in the same Municipality, would have produced ;—but if in any year the assessed value of the assessable property in such Municipality shall be less than it was in the year 1858, the rate to be paid under this Section to the Receiver General shall be so increased as to make the sum so payable equal to what it would have been at the rate hereinbefore mentioned on the assessed value of the year 1858,—but the said rate shall always be payable on any increased assessed value over that of the year 1858 ;

be less than the rate would have produced on the assessed value of 1858.

3. The said sum shall be the first charge upon all the funds of the Municipality, for whatever purpose or under whatever By-law they may have been raised, and no Treasurer, or other officer of the Municipality shall, after the first day of December, in this present year one thousand eight hundred and fifty-nine, pay any sum whatever out of any funds of the Municipality in his hands, until the sum then payable by the Municipality to the Receiver General under this Act, has been paid to him : And if any such Treasurer or municipal officer pays any sum out of the funds of his Municipality, contrary to the provision hereinbefore made, he shall be deemed guilty of a misdemeanor, and shall moreover be liable for every sum so paid, as for money received by him for the Crown ;

Such sum to be a first charge on the Funds of the Municipality.

Penalty on any Municipal Officer contravening this section.

4. The sum aforesaid shall be instead of the payments which the Municipality would otherwise be bound to make to the Receiver General under the said Acts : But if it be not paid as hereinbefore required, the Municipality shall be held to be in default, and shall be liable to be dealt with in the manner provided by the said Acts, with regard to Municipalities in default ;

To be instead of payments required by other Acts.

5. Nothing in this Act shall prevent any Municipality from raising a higher rate than herein mentioned for the purpose of paying the sums payable by such Municipality to the Receiver General, or from paying a larger sum to him in any year than that hereby required ;

Municipality may pay a larger sum in any year.

6. The Receiver General shall charge interest in his accounts with Municipalities under the said Acts, at the rate of six per centum per annum, on all moneys paid by him for any Municipality whether as principal or interest, until the same are repaid.

Interest to be charged.

3. Instead of the special rate mentioned in the sixth section of the Act first cited in the preamble, there shall, in the present year one thousand eight hundred and fifty-nine, be levied upon all the assessable property in every Municipality which has raised money by Debentures issued under the Acts aforesaid, a rate of five cents in the dollar upon the assessed yearly value, and

Rate to be levied instead of that required by sect. 6 of 16 V. c. 22.

and a like percentage on the interest at the rate of six per cent per annum of the assessed value of such property, and a like rate in each year thereafter until the total sums payable as principal or interest to the Receiver General by reason of such Debentures, shall be paid off, or until a reduced rate shall be substituted by Order in Council as hereinafter mentioned :

How to be levied.

2. Such rate shall be levied by virtue of this Act, but shall be entered on the Collector's Rolls and collected and paid to the Treasurer of the Municipality in the same manner as ordinary rates imposed by municipal By-laws, and whether any other rate is or is not imposed in the Municipality in the same year ;

Application of proceeds.

3. The proceeds of such rate shall be applied by the Treasurer exclusively towards the payment of the sum payable by the Municipality to the Receiver General in each year, if such sum be not then already paid, but if it be then already paid or there be any surplus of the said rate after paying it, the rate or surplus may be applied to the other purposes of the Municipality, in like manner as the proceeds of other rates ;

Penalty on Municipal Officers not complying with this Act.

4. Any Treasurer, Collector or other municipal officer or functionary, or any member of the Municipal Council, wilfully neglecting or refusing to perform or concur in performing any official act requisite for the Collection of the said rate, or misapplying or being a party to the misapplication of any portion of the proceeds thereof, shall be held guilty of misdemeanor, and such Treasurer, Collector, or other Municipal Officer, member or functionary and his sureties shall moreover be personally liable for any sum which, by reason of such neglect, misconduct, refusal or misapplication, shall not be paid to the Receiver General at the time required by this Act, as for moneys received by such Member, Treasurer, Collector or other municipal officer or functionary for the Crown.

Governor in Council may allow a lower rate, whenever it shall be found sufficient.

4. Whenever it appears to the Governor in Council, upon the Report of the Receiver General, that a lower rate in the dollar, than the rate aforesaid in any Municipality will be thereafter sufficient to pay the interest and contribution to the Sinking Fund payable by such Municipality in each year, under the Acts aforesaid, such lower rate may be substituted by order in Council for the rate aforesaid, for all the purposes of this Act.

Seigniorial Amendment Act of 1859, cited.

5. Whereas by the Act passed during the present session, intitled "The Seigniorial amendment Act of 1859," it is provided,— that a sum of money bearing the same proportion to that which under the provisions of the said Act will be payable yearly to the Seigniors in Lower Canada, as the population of the Townships of Lower Canada shall, by the Census of one thousand eight hundred and sixty-one, be found to bear to that of the Seigniories,—

Seigniories,—shall be payable yearly, out of Provincial Funds, to the credit of the Lower Canada Municipal Loan Fund, but for the benefit of the Townships only :—And whereas it is necessary to provide for the application of the said sum, to the purposes contemplated by the said Act, therefore,—

1. The said sum shall be divided among the several Townships in Lower Canada and the Town of Sherbrooke, in proportion to their respective population as shewn by the said Census of one thousand eight hundred and sixty-one ; and in the meantime advances may be made yearly to each of them, according to such approximate estimate as the Governor in Council, according to the best information obtainable, may sanction, subject to adjustment in account so soon as such proportion shall be established ;

How the sum given to the L. C. Townships shall be divided.

Advances may be made.

2. It shall be lawful for the Governor in Council to direct the Receiver General to pay the Capital of the yearly sum coming to any such Townships or to the said Town, at the rate of seventy-five per cent. of such Capital, in discharge of the whole ;

Capital may be paid at 75 per cent.

3. It shall be lawful for the County Council of any County in Lower Canada including within its limits any Township or Townships, and for the Town Council of the said Town of Sherbrooke, to pass By-laws with the approval of the Governor in Council for appropriating the said yearly sum or capital or any part of either, for any public improvement or improvements within the County or Town ;—Provided that in Counties including a Seignior or Seigniories, the County Councillors representing Municipalities composed of Townships or parts of Townships, shall alone be entitled to vote on any By-law for such appropriation, and such Councillors or the majority of them shall, as regards such By-law, form a Quorum of the Council, whatever be their number ; And provided also, that if such appropriation be not made by the Council of any such County within twelve months from the passing of this Act, the several Local Councils in such County, with the like approval, may pass by-laws for appropriating to the like use their share of such yearly sum or capital ; and payment of such yearly sum or capital shall be made for the purposes of such appropriation only ;

County Councils may appropriate such sums by By-law.

Proviso : who may vote on such By-laws.

Proviso : if the County Council do not make the appropriation within a certain time.

4. Any Municipality having the powers as well of a County Council as of a Local Council, shall be held to be a County Council within the meaning of this Act.

As to certain Municipalities.

6. So long as any sum of money is payable to the Receiver General by any Municipality under the Acts aforesaid, he may always retain in his hands any sum of money which would otherwise be payable by him to such Municipality, crediting the same to it, in his accounts with it under the said Acts.

Receiver General may retain money due to the Province.

Interpretation of certain words used in this Act.

7. In this Act the word "Treasurer" includes every Secretary-Treasurer, Chamberlain, or other municipal officer or person, entrusted with the custody of the funds of any Municipality, the expression "Assessment Roll" includes Valuation Rolls,—and the Roll which is to serve for any year is the Roll for that year whatsoever be the year in which it was made,—the expression "Collector's Roll" includes any Roll or document shewing the amount to be collected from each rate payer,—the word "Collector" includes the Secretary-Treasurer in places where that officer collects the Municipal Taxes ;—and the word "Municipality" includes incorporated Cities and Towns.

Act not to legalize any Debentures, &c., not otherwise valid.

8. Nothing in this Act shall be interpreted as legalizing any by-law or proceedings had under the Acts hereby amended, nor as legalizing the issue of any Debentures on the credit of the Consolidated Municipal Loan Fund in consequence of such by-laws or proceedings.

**17.** The Master or Owner of every Steamboat, shall cause the hull, boilers and machinery thereof to be inspected at least once

once every year, and shall deliver to the Collector of the Port where such inspection is made, or at which such Steamboat shall arrive next after such inspection, where it has not been made in port, a duplicate certificate thereof, and for every neglect to cause such inspection to be made, and a duplicate thereof to be delivered to the proper Collector, such Master or Owner shall incur a penalty of one hundred pounds, and such Steamboat shall be liable for and chargeable therewith.

to be inspected once a year:—and duplicate certificate delivered to collector.

Penalty for default.

**18.** The Inspector who inspects any Steamboat in the manner required by this Act, shall, after thorough examination of the Hull, Boilers and Machinery, make a certificate in which shall be stated the age of such Steamboat, when and where originally built, the length of time she has been running, whether each Boiler is sound and fit for use, its age and the heaviest pressure of steam to which it may be safely subjected, as well when the Vessel is stationary as when running, thereby establishing a maximum rate of pressure in each of those cases, the period during which such inspection is to apply, whether the machinery is sound and fit for use and whether such steamboat is sound and in all respects seaworthy and fit for the transport of freight and passengers, and he shall not make such certificate unless such steamboat be provided with such steam-guage as is hereinafter required; And duplicates of such certificates shall be delivered to the Owner or Master of the Steamboat, one of which such Master or Owner shall deliver to the Collector as aforesaid, and the other he shall keep and cause to be posted up in some conspicuous part of the Steamboat for the information of the public.

Boiler to be tested by hydrostatic pressure, &c.

Certificate not to be given without such test.

**20.** In subjecting boilers to the hydrostatic test aforesaid, the Inspectors shall assume one hundred pounds to the square inch as the maximum pressure allowable as a working power for a new boiler forty-two inches in diameter, made of the best refined iron, at least one quarter of an inch thick, in the best manner and of the quality herein required,—and shall rate the working pressure of all boilers, whether of greater or less diameter, according to this standard; and in all cases

the test applied shall exceed the working pressure allowed, in the ratio of one hundred and fifty pounds to one hundred, using the water in such tests at a temperature not exceeding sixty degrees, Fahrenheit; But if any such Inspector is of opinion that any boiler, by reason of its construction or material, will not safely allow so high a working pressure, he may, for reasons to be stated specifically in his certificate, fix the working pressure of such boiler at less than two thirds of the test pressure; And these rules shall be observed in all cases, unless the proportion between such boilers and the cylinders, or some other cause, renders it manifest that their application would be unjust, in which case the Inspector may depart from these rules, if it can be done with safety; but in no case shall the working pressure allowed exceed the proportion hereinbefore mentioned, as compared with the hydrostatic test; And no valve under any circumstances shall at any time be so loaded or so managed in any way as to subject a boiler to a greater pressure than that allowed by the Inspector at the then last inspection thereof; and no boiler or pipe shall be approved which is made in whole or in part of bad material, or is unsafe in its form, or dangerous from defective workmanship, age, use or any other cause:—And no boiler made after the passing of this Act, shall be made of boiler plate which has not been stamped or marked with the name of the maker thereof, nor shall a certificate be granted with respect to any boiler made wholly or in part of plate not so marked.

2. The Act passed in the twenty-second year of Her Majesty's Reign, Chapter ten, extending to the first day of January next the time fixed in the said fourth clause for the operation of the said clauses, is hereby repealed. Act 22 V. c. 10, repealed.

## CAP. XXXIII.

An Act to extend the provisions of the Act for the abolition of Imprisonment for Debt.

[Assented to 4th May, 1859.]

**W**HEREAS it is just to extend to decrees and orders in Chancery and rules and orders of the Common Law Courts for the payment of money, the relief granted to parties in actions at law under the Act for the abolition of Imprisonment for Debt; and to abolish imprisonment for debt in the Division Courts; and to make further provisions for the relief of parties and the punishment of frauds, in respect as well of debts affected by the said Act, as of the other debts embraced in this Act: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows: Preamble.

## CHANCERY.

1. No order shall be granted for a writ of *Ne exeat Provincia*, (to be hereafter called a Writ of Arrest,) unless the party applying for the writ has a cause of suit to at least such an amount, and shows by affidavit such facts and circumstances, as the Act for the abolition of imprisonment for debt requires in the case of a special order for holding a party to bail under that Act. In what cases only a Writ of Arrest shall be granted.

2. In case an order is made for a Writ of Arrest, in a suit for alimony, the amount of the bail required shall not exceed what may be considered sufficient to cover the amount of future alimony for two years, besides arrears and costs, but may be for less at the discretion of the Court. Limit of bail in suits for Alimony.

3. The bail or security required to be taken under a Writ of Arrest shall not be that the person arrested will not go or attempt to go out of Upper Canada, but shall merely be to the effect that the person arrested will perform and abide by the orders and decrees made or to be made in the suit, or will personally appear for the purposes of the suit at such times and places as the Court may from time to time order, and will, in case he becomes liable by law to be committed to close custody, render himself (if so ordered), into the custody of any Sheriff the Court may from time to time direct. Conditions of Bail-bond under Writ of Arrest.

## GENERAL PROVISIONS.

Process of contempt for non-payment of money, costs, &c., abolished.

Same affidavit required for an arrest in such cases as for a *Ca. Sa.*

But not when a Writ of Arrest has issued.

Conditions of Bail-bond under Writ of *Ca. Sa.*—or of Attachment under sect. 4.

Persons heretofore arrested may surrender themselves or substitute new security.

4. Process of contempt for non-payment of any sum of money, or for non-payment of any costs, charges or expenses, payable by any decree or order of the Court of Chancery or of a Judge thereof, or by any rule or order of the Court of Queen's Bench or Common Pleas or of a Judge thereof, or by any decree, order or rule of a County Court or of a Judge thereof, is hereby abolished; and no person shall be detained, arrested or held to bail for non-payment of money, unless a special order for the purpose is made on an affidavit or affidavits establishing the same facts and circumstances as are necessary for an order for a writ of *capias ad satisfaciendum*, under the Act for the abolition of Imprisonment for Debt; and in such case the arrest when allowed shall be made by means of a writ of attachment corresponding as nearly as may be to a writ of *capias ad satisfaciendum*.

5. But in case a party is arrested under a Writ of Arrest, issued after the passing of this Act, it shall not be necessary before suing out a writ under the preceding section of this Act to obtain a Judge's order therefor, or to file any further affidavit than those on which the order for the Writ of Arrest was obtained.

6. Persons who may hereafter give bail under a writ of *capias ad satisfaciendum*, or under a writ of attachment under the fourth section of this Act, shall not be bound to remain or abide within the gaol limits, but may depart therefrom at their discretion; and when a person desires to give bail under such a writ, the bond to the Sheriff shall not contain that part of the usual condition which provides that the debtor shall remain and abide within the limits of the gaol or shall not depart therefrom unless discharged from custody by due course of law; but the condition shall provide that the person arrested shall observe and obey all notices, orders and rules of the Court touching or concerning the debtor or person ordered to pay, or his answering interrogatories, or his appearing to be examined *viva voce* or otherwise, or his returning and being remanded into close custody; and the party or his bail shall not be entitled to claim longer time for so observing or obeying than he would have been entitled to if the party had remained on the limits as heretofore, but the Court may, notwithstanding, grant further time if the Court is of opinion that the same may be done without substantial injury to the interests of the party to receive the money.

7. Persons who have heretofore given bail or security under a Writ of *ne exeat* or *capias ad satisfaciendum*, may surrender themselves into custody, or may substitute for their bonds or other security heretofore given under the writ, a bond or other security to the effect and amount mentioned in the preceding sections

sections of this Act; and thereupon in either case the existing bail or security shall be discharged or released.

8. A person arrested under a writ of *capias ad satisfaciendum*, or under a writ of attachment, though he is not confined to close custody but has given bail, may apply for and obtain his discharge in the same manner and subject to the same terms and conditions, as nearly as may be, as an execution debtor who is confined to close custody.

Person on bail may obtain discharge, &c., as if in close custody.

9. In case a person has been heretofore or may be hereafter arrested and committed to gaol in any other County than that in which he resided or carried on business at the time, or in case a person is surrendered by his bail to the Sheriffs of any County other than that in which he resided or carried on business at the time, such person shall be entitled to be transferred to the gaol of his own County on prepaying the expense of his removal; and the Sheriff in whose County he was arrested may, if he is satisfied of the facts, transfer him accordingly; but if the Sheriff declines to act without an order of the Court or a Judge, such an order shall be made on the application of the prisoner and notice to the opposite party.

Person arrested out of his County may be transferred to it, paying the cost.

10. Every person who is now in custody or on bail under process of contempt for non-payment of costs, shall be entitled to be discharged therefrom; and no person shall hereafter be liable to arrest for non-payment of costs.

Imprisonment for non-payment of costs abolished, and those now imprisoned to be discharged.

11. Every person who is now in custody or on bail under a Writ of *Ne Exeat* or who is now in custody or on bail, whether to the limits of any gaol or otherwise, under process of contempt for non-payment of money under any award, order, decree, or other proceeding whatever other than costs, charges and expenses, shall be entitled to be discharged, but shall be liable to be detained, or after such discharge to be again arrested, by virtue of any such special order as mentioned in the first or fourth section of this Act.

Persons now in custody under *Ne Exeat*, &c., to be discharged, subject to this Act.

12. For the purpose of enforcing payment of any money or of any costs, charges or expenses payable by any decree or order of the Court of Chancery, or any rule or order of the Court of Queen's Bench or Common Pleas, or any decree, order or rule of a County Court, the person to receive payment shall be entitled to writs of *fieri facias* and *venditioni exponas* respectively, against the property of the person to pay, and shall also be entitled to attach and enforce payment of the debts of or accruing to the person to pay, in the same manner respectively and subject to the same rules, as nearly as may be, as in the case of a judgment at law in a civil action; and such writs shall have the like effect as nearly as may be, and the Courts and Judges shall have the same powers and duties in respect to the same and in respect to the proceedings under the same,

Decrees, &c., in Equity to be enforced by Writ of *Fi. Fa.*, &c., as at law.

Same Rules, &c., to apply as in other cases.

and the parties and sheriff respectively shall have the same rights and remedies in respect thereof, and the writs shall be executed in the same manner and subject to the same conditions, as nearly as may be, as in the case of like writs in other cases; but subject to such general orders and rules varying or otherwise affecting the practice in regard to the said matters, as the Courts respectively may from time to time make under their authority in that behalf.

Power of sequestration not taken from Court of Chancery, &c.

**13.** As to the Court of Chancery, that Court may also issue writs of sequestration as hitherto or in such cases as by general or other orders the Court may think expedient; and nothing in this Act shall be construed to take away the jurisdiction of the Court under or by means of such writs; and no writ shall issue from Chancery against the lands of the person to pay, but if the decree or order is registered, the Court may enforce the charge thereby created upon real estate, according to the practice of the Court in the case of a charge on real estate created by other means.

**14.** Every decree or order of the Court of Chancery, and every rule or order of the Court of Queen's Bench or Common Pleas, and every decree, order or rule of a County Court, directing payment of money or of costs, charges or expenses, shall, so far as it relates to such money, costs, charges or expenses, be deemed a judgment, and the person to receive payment a creditor, and the person to make payment a debtor, within the meaning of the Act for the abolition of imprisonment for debt; and the said persons shall respectively have the same remedies, and the Courts and Judges and the officers of Justice shall in cases under this Act have the same powers and duties, as in corresponding cases under the said Act.

Person having carriage of the decree, &c., to be deemed the plaintiff.

**15.** In case a decree or order in Chancery, or of a County Court in the exercise of the equitable jurisdiction of such County Court, directs the payment of money into Court or to the credit of any cause, or otherwise than to any person, the person having the carriage of the decree or order, so far as relates to such payment, shall be deemed the plaintiff within the meaning of the said Act.

Trustees for public or charitable purposes liable under 22 V. c. 2.

**16.** If any person being a Trustee of any money or other property for the benefit either wholly or partially of some other person, or for any public or charitable purpose, converts or appropriates the same or any part thereof to or for his own use or purposes, or otherwise wilfully disposes of the same contrary to his duty, so that such money or other property is not forthcoming and paid or delivered when such person is ordered or decreed by the Court of Chancery or other Court having jurisdiction in the matter to pay the same, he shall be deemed to have converted or disposed of the same with intent to defraud within the meaning of the Act twenty-second Victoria, chapter two.

**17.** Every rule or order of the Court of Queen's Bench or Common Pleas or of a Judge thereof directing payment of money other than costs, and every rule or order of a County Court directing such payment, may be registered in the Registry Office of any County, and such registration shall be on the certificate of the same officer and shall have the same effect as the registration of a judgment of the same Court.

An Act to secure to Married Women certain separate rights of property.

[Assented to 4th May, 1859.]

Preamble.

**W**HEREAS the law of Upper Canada relating to the property of Married Women is frequently productive of great injustice, and it is highly desirable that amendments should be made therein for the better protection of their rights: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

A woman married after this Act, may hold her property free from the debts or control of her husband.

**1.** Every woman who shall marry after the passing of this Act without any marriage contract or settlement, shall and may, notwithstanding her coverture, have, hold and enjoy all her real and personal property, whether belonging to her before marriage, or acquired by her by inheritance, devise, bequest or gift, or as next of kin to an intestate or in any other way after marriage, free from the debts and obligations of her husband and from his control or disposition without her consent, in as full and ample a manner as if she continued sole and unmarried, any law,

law, usage or custom to the contrary notwithstanding; provided that this clause shall not extend to any property received by a married woman from her husband during coverture. Proviso.

2. Every woman already married without any marriage contract or settlement, shall and may, from and after the passing of this Act, notwithstanding her coverture, have, hold and enjoy all her real estate not yet taken possession of by the husband, by himself or his tenants, and all her personal property not already reduced into the possession of her husband, whether belonging to her before marriage or acquired by her after marriage, in any way free from his debts and obligations contracted after the passing of this Act, and from his control or disposition without her consent, in as full and ample a manner as if she were sole and unmarried; any law, usage or custom to the contrary notwithstanding. A woman already married may hold property not yet reduced to possession of her husband.

3. Provided always that nothing herein contained shall be construed to protect the property of a married woman from seizure and sale on any execution against her husband for her torts; and in such case, execution shall first be levied on her separate property. Proviso: Act not to prevent seizure in execution in certain cases.

4. Provided further that no conveyance or other act of a wife in respect of her real estate shall deprive her husband of any estate he may become entitled to as tenant by the curtesy. Proviso: not to affect tenancy by curtesy.

5. Provided further that no married woman shall be entitled to her earnings during coverture without an order of protection under the provisions hereinafter contained. Proviso: order of protection required as to earnings.

6. Any married woman having a decree for alimony against her husband, or any married woman who lives apart from her husband, having been obliged to leave him for cruelty or other cause which by law justifies her leaving him and renders him liable for her support, or any married woman whose husband is a lunatic with or without lucid intervals, or any married woman whose husband is undergoing sentence of imprisonment in the Provincial Penitentiary, or in any gaol for a criminal offence, or any married woman whose husband from habitual drunkenness, profligacy or other cause, neglects or refuses to provide for her support, and that of his family, or any married woman whose husband has never been in this Province, or any married woman who is deserted or abandoned by her husband, may obtain an order of protection entitling her, notwithstanding her coverture, to have and enjoy all her earnings and those of her minor children, and any acquisitions therefrom free from the debts and obligations of her husband and from his control or dispositions, and without his consent, in as full and ample a manner, as if she continued sole and unmarried, any law, usage or custom to the contrary notwithstanding. ## CAP. XXXIX.

An Act to enable certain Municipal Corporations in Upper Canada, to aid in the establishment of internal means of communication.

[Assented to 4th May, 1859.]

**W**HEREAS that section of the Peninsula of Western Canada lying north-westerly from the Town of Guelph, and embracing the greater part of the Counties of Wellington and Bruce, as well as portions of the Counties of Grey, Perth and Huron, is entirely destitute of proper facilities for communicating with the produce markets of the Province; And whereas the Reeves of the Municipalities of Fergus, Puslinch, Normanby, Brant, Elora, Minto, Pilkington, Saugeen, Arthur, Nichol, Kinloss, Howick, Greenock, Culross and Kincardine, and many others, have by their petitions prayed that those Municipal Corporations desiring a means of communication may be enabled to aid in the establishment of the same, and may be empowered to distribute any liability which they may see advisable to incur thereby, over the various sections of each Municipality incurring such liability, in an equitable proportion to the benefits which they may derive from the improvements, or so far as it is practicable so to do; And inasmuch as the construction of Railways and of other roads has been found to enhance to the largest amount the value of property within easy access of these lines of traffic, and it is believed that the various degrees of additional value given to property within the influence of these works may be taken as a fair standard by which to measure the different degrees of benefit received from their establishment; And whereas it is expedient to empower the various Municipalities aforesaid to aid in the promotion of their own prosperity in accordance with the equitable principle expressed in the prayers of the petitioners: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. On and after the passing of this Act, and so soon as at least three-fourths of the rate-payers in any Municipality, being *bona fide* owners of at least three-fourths in value of the real property in such Municipality, have by a requisition (agreeable to form A setting forth in general terms the character of the improvement they desire, and the rate per cent. for assessment purposes they are willing to bear,) required their Municipal Council or Councils, to incur any such liability as by this Act they are empowered to incur, it shall be lawful for the County Council of Wellington, the Provisional County Council (or in process of time the County Council) of Bruce, and any lesser Municipal Corporations either in or adjacent to these Counties, to guarantee to give

give a yearly bonus to any Company or Companies, party or parties who shall undertake to build and complete a Railway, or a gravel or other improved road or roads through or along or across any of the Municipalities aforesaid; Provided always, that such guarantee shall be limited as hereinafter pointed out.

Proviso.

To what amount such bonus shall be limited.

2. Any bonus guaranteed to be given under this Act shall be the aggregate proceeds of a rate to be prescribed by the rate-payers' requisition aforesaid, levied (except in the case provided for by the fifth section) on the future increase of the assessed value of real property in such Municipalities or sections of Municipalities, as aforesaid, which rate is not to exceed one per cent. annually on the increase of the assessed value, and which increase is to be taken to mean the difference between the assessed value of real property in the year during which any such guarantee may be given, and the assessed value in each year after the contemplated improvements are in operation or in use.

When such communication is opened, rates to be levied according to the guarantee.

3. Each Municipal Corporation giving such guarantee as they are by this Act empowered to give, shall annually so soon as the gravel roads or railways or both, shall be made and in use, assess and levy upon the rateable real property within the limits prescribed by the guarantee, situate within fifteen miles of the railway or of such part of it as may be in operation, or within five miles of any gravel road or roads which shall be made and fit for use, such rate or rates as may be determined upon as aforesaid, not exceeding one per cent. per annum on (except in the case provided for by the fifth section,) the increase as aforesaid; but the rate or rates shall not be levied on any property situate more than five miles from any gravel road, nor more than fifteen miles from any Railroad or such part of it or them as may be then in operation, whether or not the said property be within the Municipality or section of the Municipality which has concurred in giving the guarantee.

How the special rate for paying such bonus shall be assessed and levied.

4. So soon as it shall be necessary to levy any special rate on the increase of the assessed value of any of the Municipalities which may under authority of this Act undertake to aid in carrying out internal improvements, it shall be the duty of the Clerk of the Municipality to procure a plan verified by some Provincial Land Surveyor, showing the exact position of the improvements then in use, and also the relative position thereto of all taxable real property situate within the limits prescribed as aforesaid; And he shall from this plan and from the Assessment Roll for the current year, make out a special Collector's Roll, or make an addition to the ordinary Collector's Roll, having opposite the names of all taxable persons and property within the specified distance of the improvements, the information mentioned in the Schedule B; and the various amounts calculated on the increase, at the special rate determined by the rate-payers' requisition and the guarantee, and set down in the

the last column, according to Form B, shall be collected in addition to all other local rates and taxes in the manner provided by the Assessment Laws of Upper Canada, all the provisions of which, not inconsistent with this Act, shall be so applied as to carry out the true intent and meaning of this Act.

5. Should the total assessed value of real property within the limits prescribed as aforesaid in any Municipality aiding under the authority of this Act in the construction of such works, be found on their completion to have increased less than fifty per cent. over the total assessed value within the same limits at the time the guarantee was entered into, then, and in that case one half the rate determined as aforesaid by the Rate-payers' requisition, shall be calculated on the whole assessed value of real property within the limits aforesaid and levied accordingly; and such half rate on the whole assessed value within the limits aforesaid, shall continue to be assessed and levied until the total assessed value within the limits referred to exceeds the original total assessed value by fifty per cent. thereof: But whenever the total assessed value of real property in a Municipality within the limits aforesaid, exceeds by fifty per cent. or upwards the original assessed value within the same limits, then the whole rate shall be assessed on the increase only, as described in the previous section.

Provision if the increase in value be less than 50 per cent.

But if it afterwards amounts to 50 per cent or upwards.

6. All gravel roads constructed by any Company, under the guarantee of an annual bonus from a Municipality, shall be kept in reasonably good repair and shall be free from toll or other charges within the limits of the Municipality, so long as the bonus continues to be paid; and it shall be competent to the Municipal Corporation, to bargain and agree with the Company, either for a reduction of the bonus or the rates aforesaid, or their suspension at a fixed period, for the transfer of the roads to the management of the Municipalities, or for their continuance free of toll and kept in repair by the Company, under a modified bonus; Provided always, that the rate to be levied shall not in any case exceed the maximum rate consented to by the rate-payers.

Gravel roads to be kept in repair—Municipal Corporation may enter into certain arrangements with the Company.

7. After a guarantee of a bonus has been given under authority of this Act, with the consent of the rate-payers obtained as aforesaid, and action taken towards the commencement of the improvements contemplated, it shall be valid and binding upon the Municipality; and when the works are sufficiently advanced towards completion, then the rates shall be levied as herein described, and the proceeds without deduction paid over as the first annual bonus to the parties who may make the improvements in good faith.

Guarantee to be binding on the Municipality, &c.

WHEREAS the Royal Institution for the Advancement of Learning, Governors of the University of McGill College, by their Petition to the Legislature have set forth, that under authority of the Act of the Parliament of this Province, passed in the eighth year of Her Majesty's Reign, and intituled, *An Act to enable the Corporation of the Royal Institution for the Advancement of Learning, to dispose of certain portions of land for the better support of the University of McGill College*, they have heretofore alienated certain portions of the lands held by them in trust for the said University, for an annual irredeemable ground rent (*rente foncière*) subject (as by the said Act was required), to an increase of twenty-five per cent. on the original rent, at the expiration of every twenty years, for the term of one hundred years from such alienation; that it has been doubted how far and upon what terms such rents can be by law redeemed, even under the legislation since had with the view of rendering *rentes foncières* redeemable; that for avoidance of such doubts it is desirable that the said Royal Institution for the Advancement of Learning should be by law expressly authorized to agree with the holders of such lands for the redemption of all ground rents (*rentes foncières*) so stipulated, subject to increase as aforesaid; that they the said Royal Institution were under the necessity, during the year one thousand eight hundred and fifty-six, of expending upwards of two thousand five hundred pounds currency, over and above all available revenues of the said University, in and about the re-building of Burnside Hall, one of the buildings of the said University, then recently destroyed by fire, and that to meet the educational

educational wants of the said University they must very shortly expend other large amounts of money over and above its available revenues, in or about the erection or acquisition by purchase of other University buildings; that it has been doubted how far such University buildings can be held to be "productive real estate" within the meaning of the Act of the Parliament of this Province, passed in the twentieth year of Her Majesty's Reign, and intituled, *An Act further to amend the Acts relative to the Royal Institution for the Advancement of Learning, and to the University of McGill College*, whereby the said Royal Institution for the Advancement of Learning were and are required to invest all moneys received by them as purchase money of real estate or in redemption of ground rents, whether on account of McGill College aforesaid, or of any department or branch thereof, of any Institution of Royal Foundation wholly or in part under their control, either in productive real estate or upon security thereof, or in public stocks or securities of the United Kingdom or of this Province; and that it is desirable to remove such doubt and to authorize the investment of such moneys in such buildings or other real estate as may be required for the actual use of such College, or department or branch thereof, or institution as aforesaid;— And whereas, by such their petition, they have prayed for the passing of an Act to amend the Acts touching the said Royal Institution for the Advancement of Learning and the said University, to the intents aforesaid: And whereas it is expedient to grant their said prayer: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. The said Royal Institution for the Advancement of Learning, may agree with any holder of land heretofore alienated by them under authority of the Act firstly above mentioned, in consideration of an irredeemable ground rent (*rente foncière*) subject to increase as aforesaid, for redemption of such rent, on such terms as they may deem expedient, and may take in discharge thereof such redemption money as shall so have been agreed upon, and shall deal with such redemption money as though it were received in redemption of an ordinary ground rent.
 

Royal Institution may agree for redemption of certain *rentes foncières*.
2. The said Royal Institution for the Advancement of Learning may expend not more than two thousand five hundred pounds currency, from any capital now or hereafter in their hands, in discharge *pro tanto* of their present indebtedness incurred by reason of the re-building by them, in the year one thousand eight hundred and fifty-six, of Burnside Hall aforesaid.
 

May expend a certain amount in discharge of indebtedness for Burnside Hall.
3. Any moneys heretofore or hereafter received by the said Royal Institution for the Advancement of Learning on account of any real estate by them alienated or to be alienated, or on

account of the capital of any ground rent, whether for McGill College aforesaid, or for any department or branch thereof, or for any Institution of Royal foundation wholly or in part under their control, may be by them invested in such buildings or other real estate as may be required for the actual use of such College or department or branch thereof, or institution, as the case may be.

Such investments to be included in annual report.

4. The said Royal Institution for the Advancement of Learning, shall at all times in their yearly statements of account rendered to the Governor of this Province, specially and in detail, state all such receipts and all such investments or re-investments as may have taken place under authority of this Act during the year covered by such statement.

[Assented to 4th May, 1859.]

Preamble.

20 V. c. 49.

20 V. c. 32.

**W**HEREAS certain irregularities have occurred in the election of the Officers of Agricultural Societies in Lower Canada, which took place at the period indicated by the Act twentieth Victoria, chapter forty-nine; And whereas an erroneous interpretation of the Act twentieth Victoria, chapter thirty-two, has caused certain Agricultural Societies in Lower Canada composed of more than forty persons, contributors to an amount exceeding twenty pounds currency, to be of opinion that the said Act rendered it unnecessary for them to subscribe to the declaration and form contained in Schedule A of the Act first above cited; And whereas it is expedient to extend the term limited for the organization of Agricultural Societies where such Societies have not already been organized in Lower Canada, and in consideration of the advantages which result from the proper working of the said Agricultural Societies: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, declares and enacts as follows:

Elections held at the period mentioned in 20 V. c. 49,—declared valid.

Proviso.

1. Elections of officers of Agricultural Societies which have taken place in the different counties of Lower Canada at the period enacted by the Act twentieth Victoria, chapter forty-nine, are hereby declared valid, and the said officers shall be entitled to exercise all the powers, and to discharge all the duties, conferred and enumerated by the Act last cited and by the Act twentieth Victoria, chapter thirty-two, with reference to Agricultural Societies in Lower Canada; If however, in any County in which but one Agricultural Society ought to exist, two Societies have been organized in opposition one to the other, that Society which has been admitted by the Board of Agriculture shall be the legally organized Society, and shall enjoy all the rights and privileges conferred upon Agricultural Societies.

Societies so organized must make the declaration under the said Act.

2. The said Agricultural Societies organized as aforesaid in conformity with the provisions of this Act, shall nevertheless subscribe to the declaration in the form contained in the said Schedule A of the said Act twentieth Victoria, chapter forty-nine; and the said declaration shall then be deemed to be subscribed to in conformity with the provisions of the Act last above cited.

3. Notwithstanding the provisions of the Act twentieth Victoria, chapter forty-nine, which enacts and provides that the election of the President, Vice-President and Directors should take place within the three first weeks of the month of January, one thousand eight hundred and fifty-nine, for the current year, it shall be lawful for the inhabitants of any County in Lower Canada, upon conforming to the other provisions of the Act last above cited, to organize an Agricultural Society, and to elect the President, Vice-President and Directors, at any meeting called for that purpose by the Warden or a Justice of the Peace in the County, upon the requisition of at least three persons entitled to vote at the election of the officers aforesaid.

Notwithstanding 20 V. c. 49, the inhabitants of a County may organize a Society and elect officers, in 1859.

4. If on the day and at the hour and place at which such meeting is to be held, the said Warden or Justice of the Peace be absent, any person selected by the majority of the persons present, and entitled to vote at such election shall preside, and shall discharge, in so far as concerns the said election and the Acts relating thereto, all the duties imposed upon the President of any such meeting.

Whoshall preside at the meeting for such election.

5. The proceedings at such meeting shall be transmitted to the Board of Agriculture by the person who shall have presided thereat; and if such person shall neglect or refuse to transmit a report of the said proceedings to the Board of Agriculture, whether such proceedings shall have been had since the first day of January, one thousand eight hundred and fifty-nine, or shall be had after the passing of this Act in conformity therewith, it shall be lawful for not less than three persons who shall have been present at such meeting, to draw up a *procès-verbal* setting forth the result of such meeting, and giving the names of the officers elected for such Agricultural Society, whether the same be for a County or for the Division of a County, as the case may be; And the said *procès-verbal* shall be transmitted to the Board of Agriculture, and shall be considered to be an official report of the proceedings of such meeting; if however it be objected that the said report is false and irregular, the Board of Agriculture shall decide the matter in dispute, and its decision shall be final.

Proceedings to be transmitted to the Board of Agriculture.

6. The Agricultural Societies which have transmitted reports of the proceedings at their meetings to the Board of Agriculture, and of which the proceedings have been declared to be valid by the said Board of Agriculture, are hereby legalized notwithstanding any irregularities in such proceedings.

An Act to authorize the Corporation of the United Counties of Huron and Bruce to levy the rate imposed for Gravel Roads, by a certain By-law of the said United Counties.

[Assented to 4th May, 1859.]

**W**HEREAS the Municipal Corporation of the United Counties of Huron and Bruce did by By-law, passed by the said Corporation on the twenty-first day of June, in the year of our Lord one thousand eight hundred and fifty-six, authorize the issue of Debentures of the said United Counties, to the amount of one hundred thousand pounds, and did, for the payment of the interest thereon, and the sinking fund of two per cent. required by law, in and by the said By-law direct that a rate of one penny and thirteen twenty-fourths of a penny in the pound should be raised on the whole rateable property of the said United Counties, which for the previous financial year had been valued at the sum of one million four hundred and sixty-three thousand seven hundred and seventy-eight pounds; And whereas the sum estimated to be raised on the said value was eleven thousand pounds per annum, which is more than the said rate so directed to be imposed would produce, whereby the said By-law is rendered liable to grave doubts as to its legality; And whereas the present rateable value of the property of the said United Counties is upwards of two millions of pounds, and the imposition of the said rate in the said By-law, is sufficient to produce the said sum of eleven thousand pounds per annum on such valuation; And whereas large sums of money have been advanced by the said United Counties on the credit of the Debentures issued under the said By-law, and the said United Counties are desirous of keeping faith with their creditors, and have prayed for legislative relief in the premises, which it is desirable they should receive: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. For and notwithstanding any defect in the said By-law, there shall be assessed, levied and raised upon the whole rateable property within the said United Counties of Huron and Bruce, for the purpose of providing for the payment of the Debentures issued under the said recited By-law, and the interest thereon, a special rate in each year, during the continuance of the said Debentures, or any part of them, over and above and in addition to all other rates and taxes whatever, that is to say, in each year from henceforth until and ending on the first day of August, one thousand eight hundred and seventy-six, one penny and thirteen twenty-fourth parts of a penny in the pound: and the same shall be applied according to the provisions made by the said recited By-law.

## An Act to amend the Charter of the Society of the Montreal General Hospital.

[Assented to 4th May, 1859.]

Preamble.

Charter of  
30th January,  
1823.

**W**HEREAS the Society of the Montreal General Hospital, by their Petition to the Legislature, have set forth, that on the thirtieth day of January, in the year of our Lord, one thousand eight hundred and twenty-three, they were duly constituted a body politic and corporate, under and by virtue of certain Letters Patent of His late Majesty King George the Fourth, duly issued on that day at the Castle of St. Lewis, in the City of Quebec, under the great seal of the then Province of Lower Canada, and have ever since acted, and still act as such thereunder; that certain of the provisions of the said Letters Patent, more especially in reference to the qualification of the members of the said corporation,—its powers in respect of the holding and alienating of property,—the number, choice and qualification of the Governors thereof, the quorum of Governors for the transaction of business, and the extent of their powers of administration, are found in practice to be highly inconvenient; and that they therefore pray for amendment of their said Charter; And whereas it is expedient to grant their said prayer: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

Who shall be  
Members of  
the Corpora-  
tion.

1. The present Governors of the said Hospital, and all other persons who, during the year to expire on the first Tuesday of May, in the year one thousand eight hundred and fifty-nine, shall have contributed to its funds five dollars or more, are hereby declared to be members of the said Corporation; and hereafter, all persons who, during the current or last expired financial year thereof, shall have contributed to its funds five dollars or more, shall be such members thereof; Provided always, that no person shall be entitled to vote as such member, who shall not have actually paid up such contribution for the then current financial year.

What real-estate the Corporation may acquire and hold.

2. The said Corporation may acquire and hold, by any legal title whatsoever, real estate of a yearly value not exceeding four thousand dollars, as by the said Charter allowed, besides what they may require for the actual occupation of their Hospital; and they may acquire any other real estate, or interest therein, by gift, devise or bequest if made six months or upwards before the death of the party making the same, and may hold the same for a period of not more than five years; but the same, or any part thereof, or interest therein, which may not within the said period have been alienated, shall revert to the party

party from whom the same was acquired, his heirs or other representatives.

3. The present life Governors of the said Hospital shall continue so to be, subject only to the condition of their continuing to contribute to its funds the yearly sum of twelve dollars or more, as heretofore,— but may be declared by vote of the Board of Governors to have ceased so to be, if at any time two years in arrear for such contribution; and any other persons who shall have contributed by donation to its funds one hundred dollars or more, may be constituted such life Governors by vote of the said Board, subject to the like condition of contributing such yearly sum of twelve dollars or more,—and may, in like manner, be declared by vote of the said Board to have ceased so to be, if at any time two years in arrear for such further contribution.

Who shall be life Governors.

4. The present elected Governors of the said Hospital shall also continue so to be until the time of the next annual election of Governors, to be held under the said charter after the passing of this Act, and shall severally be eligible for re-election thereat, if otherwise qualified; and at such next annual election there shall be chosen by the members of the Corporation qualified to vote, such number of elected Governors not exceeding six as may be deemed expedient, to serve for the term of one year and until their successors shall be elected, and a like further number to serve for the term of two years and until their successors shall be elected; and at every annual election thereafter, a like number of not more than six elected Governors shall in like manner be chosen for the like term of two years and until their successors shall be elected to supply the place of those retiring, who, however, shall always be eligible for re-election, if otherwise qualified; and all persons, donors of forty dollars or more, if also contributors of eight dollars or more yearly, to the Funds of the said Hospital, and also all contributors of twelve dollars or more yearly, to its funds, shall be held qualified for election as such Governors.

Elected Governors,—number, qualification, period of service, &c.

5. In case of the death, resignation or disqualification of any elected Governor, it shall be in the discretion of the Board of Governors to name another qualified member of the said Corporation, to serve in his stead for the unexpired remainder of the term for which he was elected.

Vacancies among elected Governors.

6. There shall continue to be elected by the Board of Governors, from among themselves, as soon as conveniently may be after each annual election of Governors, a President and Vice-President of the said Corporation, who shall have such powers and discharge such duties as by By-law in that behalf may be ordained, and shall serve for the term of one year and until their successors shall be elected; and in case of the death, resignation or disqualification of such President or Vice-President,

Proviso: as to investment of proceeds of property sold.

WHEREAS Charles Thompson, late of Summer Hill, in the Township and County of York, Esquire, died on or about the fifteenth day of February, one thousand eight hundred and fifty-eight, having first duly made and executed his last Will and Testament, in writing, dated on or about the thirteenth day of February, one thousand eight hundred and fifty-eight, and thereby appointed his sons-in-law, George Penny Dickson, of Elgin Mills, in the said County of York, miller, and John Coleman Griffith, of the City of Toronto, merchant, executors and trustees thereof, and guardians of such of his children as at the time of his death should be under the age of twenty-one years, and the said Charles Thompson thereby gave, devised and bequeathed unto his said Trustees, and the survivor of them, or the heirs, executors, administrators, or assigns of such survivor, all his real and personal estate, of what kind or nature soever, and wheresoever situate (except such real and personal estate as he might hold as trustee) to have and to hold to the said George Penny Dickson and John Coleman Griffith, and the survivor of them, and the heirs, executors, administrators, and assigns of such survivor, upon the trusts, and to and for the ends, intents and purposes hereinafter declared of and concerning the same, that is to say,—in trust, in the first place, to sell and dispose of so much and such parts of his said real and personal estate as might be necessary for the payment of his just debts (excepting such parts thereof as formed the Summer Hill estate, comprising Lot seventeen, in the second Concession of York, whereon he then resided, and Lot twenty, in the third Concession, with their respective appurtenances, and the household furniture and effects therein, which his desire was, should not be sold, but should be reserved and used as a place of residence for his wife and children, until the youngest of his said children should have attained the age of twenty-one years, or being a girl have married under that age,) and with the proceeds of the same to pay and discharge all his just debts and funeral expenses ;—Secondly, to pay to his wife Lucretia Williams Thompson, until the youngest of his said children should attain the age of twenty-one years, or being a daughter, should marry

marry under that age, the interest, rents, issues and profits of such of his personal and real estate as should not have been sold for the payment of his debts, as the same should accrue due, to be applied by her for her and their maintenance, and the education and benefit of his said children, as she might think proper.—Thirdly, upon trust, after payment of his said debts, and of the said interest, rents, issues and profits to his said wife; and when and so soon as the youngest of his said children shall have so attained their said age of twenty-one years, or married under that age, to divide, according to their judgment or the judgment of the survivor of them, the remainder of his estate, into as many equal portions, according to the value and not quantity, as he should have children then living, or having died, leaving a child or children then surviving; and forthwith to assign, transfer and convey to each of his said children, and the child or children of each deceased child or children as aforesaid, his, her, or their heirs, executors, administrators and assigns, one of such equal portions of his estate, the child or children of any of his children so dying, taking the portion that his father or mother would have taken, had he or she been living at the time of such division:—And the said testator by his said Will declared, that it should and might be lawful, subject to the reservations therein contained, for the said trustees or the survivor of them, or the heirs, executors, administrators, or assigns of such survivor, or any substituted trustee or trustees, to sell and absolutely to dispose of all or any of his real or personal estate by private sale or public auction, and for cash or on credit, and upon such securities as to them should seem reasonable, and convey, assign and transfer such real or personal property to the purchaser or purchasers thereof, by such deed or deeds, conveyances or assurances in the law as should or might be requisite for the vesting of such estate in the purchasers or purchaser thereof, in accordance with the contract or contracts respecting the same, and the intention of the parties; And whereas by a Codicil to the said Will, dated on or about the thirteenth day of February, one thousand eight hundred and fifty-eight, the said testator stated that his eldest son Charles Thompson had, for some time then past, been and still then was in the State of California, one of the United States of America; and that he the said testator was desirous that upon his return to this Province, he should be a trustee and executor of his Will and guardian of his children who were under age, in addition to the trustees, executors, and guardians named therein; and that he had determined to nominate and appoint him co-executor, trustee, and guardian under his Will; accordingly the said testator did thereby direct and declare that his said Will should, when and so soon as his said son should return to this Province, be read and construed in the same manner, and should have the same operation and effect in all respects, as if his said son had been named and appointed a trustee and executor thereof, and guardian as aforesaid, together with and in addition to the said George Penny Dickson,

Dickson and John Coleman Griffith ; And in all other respects the said testator confirmed his said Will ; And whereas the said Will and Codicil were duly proved, approved and registered by the said George Penny Dickson and John Coleman Griffith, on the thirtieth day of March, one thousand eight hundred and fifty-eight, in the then Court of Probate for Upper Canada, and the same have since been deposited in the Court of Chancery, pursuant to the Statute in such case made and provided ; And whereas the said Charles Thompson, his son, has not returned to this Province, and is supposed to be still in California, and he has never assumed the performance of the duties and responsibilities of the Trusteeship of the said Will and Codicil ; And whereas since the decease of the said testator, it has been discovered that he the said testator was largely indebted to various parties in mortgage, judgment and simple contract debts ; such debts amounting in the whole to the sum of fifteen thousand pounds, or thereabouts ; And whereas the said creditors are pressing their demands, and threaten and intend to sell the said property, designated as the Summer Hill estate in the said Will, which the majority of them have the power of doing, as well through the said mortgages as by executions, to a large amount, against lands, and writs of *venditioni exponas* have been placed in the hands of the Sheriff, and under which the Sheriff has advertised for sale the said Summer Hill estate, which sale, if forced and effected at the present time, under the authority of the Writs in the hands of the Sheriff, would be attended with great loss, if not total ruin to the estate, and to the great prejudice and injury of the infant children of the said testator, and the other parties, adults, entitled under his Will ; And whereas, under the said Will, the said George Penny Dickson and John Coleman Griffith have no power to sell or mortgage the said Summer Hill estate, but are by the language of the Will restricted from so doing ; And whereas the other property of the said Charles Thompson, the testator, is composed principally of wild lands, and against which mortgages and judgments are registered in the respective Counties in which the lands are situated, and the same are now unsaleable and unavailable ; and even if they could be sold, would be wholly inadequate to pay off the debts of the said testator ; And whereas Isabella Dickson, the wife of the said George Penny Dickson, Walter Thompson, and Olive Stowell Griffith, the wife of the said John Coleman Griffith, are respectively children of the said Charles Thompson, and Legatees under the said Will, and the only other parties entitled and interested under or in the devises and bequests in the said Will are the said Charles Thompson and Doyle Thompson, two sons of the said testator, both of whom are now, and for several years past have been resident in California aforesaid, and Sandford Thompson an infant of the age of eighteen years and upwards, George Clarence Thompson an infant of the age of fifteen years and upwards, Janet McMurrich Thompson an infant of the age of eleven years and upwards, Alice Amelia McGregor Thompson

an infant of the age of nine years and upwards, and James Patten Thompson an infant of the age of six years and upwards; And whereas the said George Penny Dickson, John Coleman Griffith, and the said Lucretia Williams Thompson, the widow of the said testator Charles Thompson, have, by their petition, prayed for the enactments hereinafter contained, and it is expedient to grant the prayer thereof: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

ANNO VICESIMO-SECUNDO

VICTORIÆ REGINÆ.

CAP. CXXXII.

An Act for the relief of John McLean.

Reserved for the signification of Her Majesty's pleasure 4th May, 1859.  
The Royal Assent given by Her Majesty in Council on the 29th July, 1859;  
and Proclamation thereof made by His Excellency Sir EDMUND WALKER  
HEAD, Governor General, in the Canada Gazette of the 27th August, 1859.

**I**NASMUCH as John McLean, of the City of Toronto, Gentleman, formerly Merchant Tailor, hath by his Petition humbly set forth that on the sixth day of February in the year of Our Lord one thousand eight hundred and forty-seven he was duly married to Diana Hewgill, a spinster, then living at the village of Thornhill, in the County of York; that he and the said Diana Hewgill lived and cohabited together as husband and wife from the time of their said marriage until the eleventh day of August, in the year of Our Lord one thousand eight hundred and forty-seven, when unhappy differences having arisen between them, and having agreed to live separate and apart, a Deed of separation was prepared and executed by them; that there has been no issue of the said marriage; that no intercourse has been had between them since the last mentioned time; that the said Diana Hewgill left this Province for the United States of America some time in the month of June in the year of Our Lord one thousand eight hundred and fifty-two; that he had lately discovered that the said Diana Hewgill has for some years past been carrying on an adulterous intercourse and criminal conversation with one Alexander Gallagher, of the village of Castalia, in the State of Ohio, a cooper by trade, and is now living with him in open Adultery; that there has been issue by such adulterous intercourse; that in consequence of the residence of the said Alexander Gallagher being out of the Jurisdiction of the Superior Courts of this Province, the petitioner had been unable to institute legal proceedings against him for such criminal conversation; that the said Diana McLean had, by her adulterous and criminal conduct, dissolved the Bond of matrimony on her part, and that he was deprived  
of

of the comforts of matrimony, and was liable to have a spurious issue imposed upon him unless the said marriage should be declared null and void, and hath humbly prayed, that the said marriage might be dissolved so as to enable him to marry again, and that he might have such other relief as might be thought fit; And whereas the said John McLean hath made proofs of the adultery above recited, and it is expedient that the prayer of the said Petition should be granted: Therefore, Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

Marriage annulled.

1. The said marriage between the said John McLean and Diana Hewgill, his wife, shall be henceforth null and void, to all intents and purposes whatsoever.

McLean may marry again.

2. It shall and may be lawful for the said John McLean, at any time hereafter, to contract matrimony, and to marry with any other woman with whom he might lawfully marry in case the said marriage had not being solemnized.

Issue of any such new marriage to be legitimate, &c.

3. In case of the said John McLean again contracting matrimony with any person or persons with whom it would have been lawful for him to contract matrimony if they, the said John McLean and Diana Hewgill, had not intermarried, and having any issue born to him, the said issue so born shall be, and are hereby declared to be, to all intents and purposes, legitimate, and the rights of them the said issue, and of each of them, and of their respective heirs, as respects their and each of their capacity to inherit, have, hold, enjoy, and transmit all and all manner of property, real or personal, of what nature or kind soever, from any person or persons whomsoever, shall be and remain the same as they would have been, to all intents and purposes whatsoever, if the marriage between the said John McLean and Diana Hewgill had not taken place.
