"TWIN BROS."

"TWIN BROS."

IMPROVED
DRY HOP YEAST.

The "TWIN BROTHERS" after many years' successful business in the Dominion, are desirous of expressing their sincere thanks to their Customers and the Public for past favors.

They refer with pride to the unexampled preference shown to their Yeast. During the last few years Canada has been inundated with various brands of so-called yeast, among which we may enumerate :

Mrs. Churchill's Yeast.

The Diamond Yeast.

The Dominion Yeast.

The Star Yeast, &c.

DEAD AND BURIED THROUGH THE ACKNOWLEDGED SUPERIORITY OF THE 'Twin Brothers' YEAST.

All these worthless Trade Marks are now bankrupt, and their offspring out of the Market; the superior qualities of the "Twin Brothers" Yeast having completely killed them. The country knows them no more. The little remaining on storekeepers' hands is so much rubbish, and we warn all against it.

Our Agents are now going through the country taking up Old Stock and replacing it with the "Twin Brothers" Latest Improvement. The Yeast we are now placing in the Market is guaranteed to be, without exception, THE BEST ARTICLE EVER INTRODUCED to the public, and makes the SWEETEST and LIGHTEST BREAD ever known.

For sixteen years the "Twin Brothers" Dry Hop Yeast has enjoyed the confidence of the Trade, and to-day stands without a rival. It is the only article that has commanded such universal satisfaction, and has a World-Wide Reputation.

At the late World's Fair in Vienna it received the Gold Medal and honorable mention from the Committee.

We ask everyone to give it a fair Trial, feeling assured that when once properly used no household will be without it.

ASK YOUR GROCER FOR IT. AND SEE THAT HE GIVES IT TO YOU FRESH

TO THE PUBLIC.

The "ISOLATED RISK FIRE INSURANCE COMPANY" having been established solely with the view of Insuring against loss or damage by Fire, the owners of ISOLATED or NON-HAZARDOUS Properties, the Directors therefore respectfully direct the attention of Insurers to the following: It will adjust all losses without delay, and pay over the CASH AT ONCE. It being the first Stock Company to give REASONABLE RATES, and not impose on those whose Properties are NON-HAZARDOUS the burden of making up the losses by those whose Properties ARE HAZARDOUS, the Directors would, with every confidence, look to the public for support.

THE ADJUSTABLE

CORK BOSOM PAD.

TALLMAN'S PATENT.

Patented in Canada, June, 1876.

GRACEFUL!—Its perfect shape renders it indispensable for the exact fitting of a dress; and secures a graceful figure.

HEALTHY!—Being made of CORK, it is light and porous, and so adds to the growth and development of the body, instead of checking its normal functions.

THE CORK BOSOM PAD is made of thin Cork, neatly covered, gives a graceful shape to the figure, and neither breaks nor gets out of order. It is strongly endorsed by medical men, and entirely supersedes the old rubber pad, which was unhealthy, heating to the body, and is superior to the wire pad, which rusted with heat, and was dangerous from its liability to break. **ONCE TRIED NO LADY WILL EVER BE WITHOUT IT.**

THE MONTREAL TELEGRAPH COMPANY.

This popular Company, which has its wires laid along the line of railways and connections, was incorporated in the year 1847, with a capital of $60,000, and began its operations with 12 or 15 offices between Montreal and Quebec. Its history has been an uninterrupted success from the start, its lines having been extended to the remotest sections of the country wherever they can be maintained, and offices opened in nearly every village and hamlet throughout the country. Its capital stock has been increased to $2,000,000, its miles of lines to 22,000; and its number of offices to 1,450. Extensions are constantly going forward into newer and remoter sections of the country as routes opened up, and new offices are almost daily being opened.

This Company is apparently unaffected in its prosperity by rival schemes, having outlived several in the course of its history. No country in the world is probably better served in the matter of telegraphic communication than Canada. The great abilities and enterprising spirit of Sir Hugh Allan, the President of the Company, have been as serviceable in developing the organization we are now describing as in founding the magnificent system of Oceanic communication with which his name is so familiarly identified. An enterprising, but at the same time shrewd and far-seeing policy has, in fact, characterized the Company's operations from the very out-set. In this respect, and in all questions demanding liberal and comprehensive action, this company has been greatly assisted by possessing in Mr. H. P. Dwight, the superintendent of the Western District, a gentleman who has had regard not so much for an immediate return for the work undertaken as the certain, steady expansion of business in a corresponding ratio with the increase of trade or population. Mr. Dwight's management extends over the most important section of the Company's territory.

PREFACE.

The Publishers, in presenting this their Fourth Edition of THE TORONTO DIRECTORY to the Public, take this opportunity of expressing their gratification at the success that has thus far attended their efforts in giving the Public a trustworthy and comprehensive guide to the City, embracing everything necessary to render such a work complete. Our Subscribers will notice that Mr. Fisher has left the firm, and that Mr. Might has taken his place. This change will in no way affect the publication of this Directory, which in future, as in past years, will be promptly and regularly submitted to the patronage of the Public, to whom the firm herewith beg to tender their thanks for the support accorded them in the past. In taking leave until another year, the Publishers beg to thank the Public for their very generous support, and all those who aided in supplying information.

Chocolate Confectionery is become a household word with nearly all doctors and mothers of families, for their children. When manufactured pure, it is one of the best and most wholesome of confections.

Messrs. Jeffery & Co's Chocolates have been awarded the highest honors wherever exhibited, and well they deserve it. They are, without doubt, the best ever produced on this continent. They have done much good in introducing an article of so much benefit to the public generally.

The Cocoa is also a delicious beverage, and is well deserving the patronage of Cocoa consumers.

Fire Alarm Telegraph.

DIRECTIONS TO KEY HOLDERS.

Upon positive information of a Fire near your signal box, unlock the signal box door, and if you hear a ticking in the box, count the number struck; if the number struck is the number of any box near the fire, you may conclude that the alarm was given by some person before your arrival. If no ticking is heard in the box, pull the brass hook all the way down, about two inches—once only—and let it go; or if it be a brass knob and not a hook, pull the brass knok upwards and around as far as it will move, then let it go, then wait a minute, and if you hear no ticking in the box or alarm on the bells, go to the nearest box to the fire, and pull the hook or knob in that box. On no account should the hook or knob in any box be pulled until after the ticking in the box has ceased for at least fifteen seconds, and no alarm should be given for a chimney only on fire.

Never open the box, or touch the hook or knob, except in the case of fire.

BARBER & ELLIS, 53 YONGE STREET—STATIONERS AND PAPER RULERS.

Never give an alarm except from the box nearest the fire, unless you have first ascertained that the box nearest the fire will not work.

The key used in opening the box cannot be taken out without another key, called a relief key, and no person should try to take the key out until a person having a relief key takes it out. Be sure the box is locked before leaving it.

Never let the key go out of your possession unlesss to some responsible person for the purpose of giving an alarm, or when called for by the Superintendent or Engineer of the Fire Department. The Key should be kept in one certain and secure place, out of the reach of children or strangers, but readily and easily got at when required.

LEGAL AND JUDICIARY.

Supreme Court of the Dominion and Court of Exchequer.

The Supreme Court, as a high Court of Appeal, constituted by Dominion Statute, 38 Vic., cap 2, assented to 8th April, 1875, is composed of a Chief Justice and five Puisne Judges, and has appellate civil and criminal jurisdiction within and throughout the Dominion of Canada. The Judges reside at Ottawa, where the Supreme Court holds annually two sessions, beginning respectively on the third Monday in January and in June. The Exchequer Court, presided over by the same Judges, possesses concurrent original jurisdiction in the Dominion in all cases in which it is sough, to enforce any law relating to the revenuet and exclusive original jurisdiction in all cases in which demand is made or relief sought in respect of any matter which might in England be the subject of a suit or action in the Court of Exchequer on its revenue side against the Crown, or any officer of the Crown.

Hon. William Buell Richards, Chief Justice

The Law Society of Ontario.

The Law Society was first established in 1797, by the Act 37, George III., c. 13, which enabled the then practitioners of the law to form themselves into a society and make rules for its government. By the act of 1822, 2. George IV., c. 5, "the Treasurer and Benchers of the Law Society" were formally incorporated; and under these and other statutes the Society has continued to be governed by a Board of Benchers, in the same manner as the various Law Societies of England. By the act 34 Vic., c. 15, the Benchers theretofore appointed from time to time by their own body, are made, exclusive of *ex officio* members, elective by the Bar, the *ex officio* consisting of the Attorney-General for the time being, and all members of the Bar of Ontario who have at any time held the office of Attorney or Solicitor General of the former Province of Upper Canada, and any retired Judge of the Superior Courts of Law or Equity of Ontario; the *elective*, thirty in number, being chosen by ballot, for a term of five years, by the members of the Bar, in manner prescribed by the Act. Vacancies during the term are filled by the remaining Benchers. The Judges of the Superior Courts are visitors of the Society, and, on the first day of Easter Term, annually, the Benchers appoint one of their body to be Treasurer, who is also President of the Society. The Benchers sit in convocation every term for the call of Barristers, the admission of Attorneys and Solicitors to practice, and of Students to enter the Society, the fees paid by whom form the revenue of the Society. Osgoode Hall, appropriately named after the first Chief Justice, is the Ontario "Inn of Court," or headquarters of the Society, in which is provided accommodation for the Courts of Equity, and for the sittings in term of the Superior Courts; with a valuable and extensive library.

Chambers are held each day in Common Law and Chancery by one of the judges of the said Courts, and under recent statutes by the clerk of the Crown and Pleas in Common Law, and by the referee in chambers in chancery, for such business relating to suits therein as may be transacted by a single judge out of court. *Clerk Common Law Chambers*—W. HEIR AND DEVISEE COURT.—Commissioners, the Judges of the Superior Courts, and such other persons as may be appointed by commission under the Great Seal. Their duties are to determine claims to lands in Upper Canada, for which no patent has issued from the Crown in favour of the proper claimants, whether as heirs, devisees or assignees. Sittings at Toronto, first Monday in January and July in each year. Clerk of Commissioners, W. B. Heward.

COURTS FOR THE TRIAL OF CONTROVERTED ELECTIONS.—The nature of these Courts is sufficiently indicated in their title. The Judges of the Court of Appeal and of the Superior Courts of Law and Equity meet annually in Michaelmas Term, and severally select, by a majority of votes, a Judge of their respective Courts to be placed on the rota for the trial of election petitions. In the case of death or illness of a Judge so chosen, the Court of which he is a member meet and elect another Judge. At trials referring to the Dominion Parliament, two Judges preside, and appeals lie to the Supreme Court at Ottawa. At those relating to the Legislature of Ontario, a single Judge presides, and the appeal is to the Court of Appeal of that Province.

COUNTY COURTS.—Presided over by a resident Judge in each county, assisted in some counties by a Deputy or Junior Judge. Their jurisdiction extends to all personal actions where the debt or damages claimed do not exceed $200; and to all suits relating to debt or or covenant or contract, where the amount is ascertained by the acts of the parties or signature of the defendant, to $400; and to all bail bonds and recognizances of bail given in the County Court, to any amount; but not to cases involving the title to lands, validity of wills, or actions for libel, slander, crim. con., or seduction. An appeal lies to the Court of Appeal of Ontario.

COUNTY COURT SITTINGS AND COURTS OF GENERAL SESSIONS.—The County Judge in each county holds a sitting of his Court and a Court of General Sessions in his county semi-annually on the second Tuesday in June and December, except in the County of York, in which county said Court is held four times, commencing on the second Tuesday in March, May, September and December, the latter Courts for the trial of cases of felony and misdemeanor, but treason and capital felonies are exempted from their jurisdiction. The Judge may also, in his discretion, hold additional sittings at such times as may be deemed expedient to expedite business, but only for the trial of issues of fact without a jury.

COUNTY JUDGES' CRIMINAL COURT.—Persons committed to jail for trial, on charge of being guilty of any offence for which they may be tried at a Court of General Sessions, *may with their own consent*, and subject to the provisions of the Act in that behalf, be forthwith tried by the Judge of the County Court and General Sessions without a jury, and if convicted, be sentenced by the said Judge; and the Judge sitting on any such trial for all the purposes thereof, is constituted a Court of Record, and the record in any such case shall be filed among the records of the Court of General Sessions last mentioned.

COURTS OF REVISION.—The County Judges hold annually Courts of final revision of the Assessment Rolls of each Municipality, being in the light of Courts of Appeal from the first Court of Revision held by the Municipality and also Courts for the Revison of the Voters' Lists, being equivalent to the Courts held by Revising Barristers in England.

INSOLVENT DEBTORS' COURTS.—These courts which have reference to traders only, are regulated by the Act known as "the Insolvent Act of 1875," which consolidated and assimi

lated the practice in Bankruptcy and Insolvency in the several Provinces of the Dominion. The County Judges in the several counties preside, and official assignees are nominated by the Governor in Council, and are officers of the Court, having jurisdiction in the county or district for which they are appointed. An appeal lies to the Court of Appeal of Ontario.

SURROGATE COURTS.—The jurisdiction of these Courts relates to all testamentary matters and causes, and to the granting or revoking of probate of wills, and letters of administration of the effects of deceased persons having estate or effects in Upper Canada, and all matters arising out of or connected with the grant or revocation of probate or administration, subject to an appeal to the Court of Chancery. The County Judges are also Judges of the Surrogate Courts. Chief Surrogate Clerk at Toronto—Sir J. L. Robinson, Bart.

DIVISION COURTS for the summary disposal of cases by the presiding Judge, being the County Judge or his Deputy, or any Barrister appointed to hold the same, but a jury of five persons may be demanded in certain cases. Their jurisdiction extends to actions of debt or contract amounting to $100; injuries or torts to personal chattels amounting to $40; and personal actions to that amount, if not excepted from their jurisdiction; but not to actions for gambling debts, liquors drunk in a tavern, or notes of hand given therefor, ejectment, title to land, &c., or any toll, custom or franchise, will or settlement, malicious prosecution, libel, slander, crim. con., seduction or breach of promise, or actions against a J. P., for anything done by him in the execution of his office, if he objects to it. Each judicial district is divided into court divisions, and courts are held once in two months in each division or oftener, at the discretion of the Judge. The divisions are established by the Courts of General Sessions, and in certain cases by the Judges.
