CARLETON CO. HONORS HEROES OF THE WAR

One Thousand Persons Attend Unveiling of Splendid Memorial at Woodstock—Unveiling by Burdette Harmon

A thousand persons were at Woodstock on Monday when the beautiful memorial to Carleton county's sons was unveiled by Little Burdette Harmon, daughter of Burdette Harmon, who gave his life in the big conflict. Two hundred veterans under the command of Major J. J. Bull took part in the ceremony.

The monument is of grey and black granite and is perhaps one of the finest memorials erected in the maritime provinces. The bottom base is nine feet square. On the front of the second base is cut in large letters "Carleton County 1914-1918." A highly polished black die has eight raised panels on which are cut the names of 144 of Carleton's brightest young men who made the supreme sacrifice that civilization might endure. The inscription is "In honored memory of the men of Carleton county who laid down their lives in the great war."

"Their name liveth forevermore." Surmounting the monument is a life size statue of a typical Canadian soldier. This massive and beautifully designed memorial is twenty-four feet high and weighs forty tons.

The contract was given to H. McGrath & Sons, of St. George, whose quarries produced the stone which was manufactured in their big plant at St. George and the erection was carried out by their workmen.

Warden Melville presided at the unveiling and on the platform were members of the county council, Col. Lauchlin, of Milltown; Rev. M. E. Coonan, Col. W. W. Melville, Judge Carleton, who delivered the oration; J. C. Hardey, county secretary, who read the names inscribed on the monument; R. E. Armstrong, of St. John, and H. A. Powell, K. C., who made a brief address.

Beautiful wreaths were laid on the monument by Mrs. S. L. Lynott, for the G. W. V. A.; citizens of Woodstock, by Mayor E. W. Mair; Women's Institute, by Mrs. C. Comben; I. O. O. F. by P. Fillmore; Rebekahs, by Mrs. H. V. Delling; Pythias Sisters, by Mrs. H. V. Moore; Knights of Pythias, I. O. O. F., by Mrs. F. H. Dibble; county G. W. V. A., by Major J. J. Bull; Miss Marion Rankin, Nat. Bouquet; Mr. and Mrs. E. A. Young, St. John, and Miss Kathleen Lynott, poppy wreath.

The 67th Regiment Band furnished a select programme of music. A salute by the firing squad and the last post by the bugler concluded the programme.

The monument is erected on the count house grounds. The visiting veterans were entertained in the evening by the local G. W. V. A.

PRIVATE GREETING CHRISTMAS CARDS

Not Exactly a New Fad but One More Than Ever in Favor This Year—Beautiful Cards Being Printed at Observer Office and Solicitors Will Make Calls—But Don't Wait for Them! Call at the Office.

A few years ago someone conceived the idea of private greeting holiday cards and the fad sprang into immediate popularity. This year indications point that the sale of this novelty will be greater than ever, and the samples that are being shown by various houses are real works of art. Hitherto agents have canvassed the country for these cards and sent the orders to Toronto houses, where they were printed on lithographed blanks imported either from the States or from Europe. During the year the manager of The Observer has investigated the greeting card industry with a view to keeping as much of the trade home as possible. The result is that he has secured an all-Canadian line of lithographs and the cards are printed right in The Observer office, giving work to local people and keeping the bulk of the money in circulation right here.

The cards being shown are of many designs, but none of them of the gaudy, chrome and tinsel type. Each design is a work of art, and the really most artistic—from The Observer's viewpoint, at least—are the cheaper varieties, delicate little cards and folders the wording on which may be the customer's own selection. These are as cheap as \$2 a dozen, and larger still if the quantity taken is larger. There are also beautiful folders as high as \$5 or \$6 for a dozen.

Bankers, professional and business men will find exactly what will suit their needs—delicate creations for the New Year Greeting. These can be supplied at \$5 per 100, each card in its own envelope ready for mailing. Think! You can convey your greeting and pay your respects to 100 friends at an outlay of only 5 cents and a stamp for each!

Merchants and manufacturers are asked to give our representative an attentive hearing when he calls. Every one of them should send a greeting card to their customers and clients, and we have a line that is designed especially for this purpose.

Special rates will be quoted to clerks, who desire to order in large lots for greetings to their parishioners and friends.

It is very important that orders be placed so that delivery may be assured early in December.

Our Mr. Shaw will call on the business houses, the bankers and professional men, clergymen and others, but for house to house canvass we require to secure immediately several wideawake young people who would like to make good money for a few weeks.

PREPARING A SKATING RINK

An association has been formed to carry on an open air skating rink, and the base ball diamond is to be utilized for the purpose. The association has for officers, Mayor Kelley, president; S. S. Miller, vice president; G. N. Stevens, secretary-treasurer, and a committee comprised of K. W. Keith, W. P. Telle, V. W. Simms, G. F. Hatfield, while Will Carr will be manager. There are being erected caissons for ladies and for gentlemen, and the skating surface will be 75x175 feet. It is hoped that a hockey club will commence practice soon as hard freezing comes and there are likely to be some good games here and elsewhere during the winter. An ice carnival or two is likely to be held, also. It is suggested that Saturday afternoons the school children will be allowed the use of the rink without charge. A sufficient sum has been already subscribed to assure a good start of the rink.

LIQUOR CHARGE DISMISSED

The postponed enquiry into the "rum running" charges which involved two well known local young men came up for a final hearing in the police court Tuesday. There has been considerable street comment over this matter but as no one appeared at the final hearing to prefer or push any charges there was no course left but for Police Magistrate Kelly to discharge the case in question. No evidence was available to substantiate a charge of rum-running or peddling.

ORANGE LODGE

Those most active in promoting the re-organization of L. O. L. No. 41 met in K. P. hall last Friday evening. The principal business transacted at this meeting was to make the final arrangements for renting the K. P. hall as a meeting place and to plan for a regular lodge meeting for tomorrow night. Prospects are said to be excellent for a live lodge.

THIS WOMAN'S RECOVERY

Shows Remarkable Restorative Power of Lydia E. Pinkham's Vegetable Compound.

Chesley, Ont. — "Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and was not regular. Finally I got so weak I could not go up stairs without stopping to rest half way up the steps. I tried two doctors but they did me no good. I saw your medicine advertised in the newspapers and thought I would give it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of two children, and do all my housework, milk eight cows, and do a hired man's work and enjoy the best of health. I also found Vegetable Compound a great help for my weak back before my babies were born. I recommend it to all my friends who are in need of medicine, and you may print this letter if you wish."

Mrs. HENRY JANKA, R. R. No. 4, Chesley, Ontario.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering women than any other medicine in the world.

REV. A. A. RIDEOUT TAKES NEW CHARGE

The following from a Massachusetts paper will be read with interest by the Carleton county friends of a former Hartland boy:

Rev. A. A. Rideout, retiring pastor of the Blaney Memorial Baptist Church, Lower Mills, and Mrs. Rideout were tendered a farewell reception Thursday evening and, as a parting gift of the several hundred members of the congregation and friends in attendance, Mr. Rideout was presented with a purse of \$150 in gold. Mr. Rideout, who has resigned to become pastor of the First Baptist Church in Waltham, will, on Sunday, terminate his pastorate of eleven years, the longest in the history of the church, speaking in the morning of "Memories and Appreciations," and in the evening on "The Parting of the Ways."

At the reception Thursday, Rev. and Mrs. Rideout were assisted by the deacons and deaconesses, and by Rev. J. C. Wingett of the First M. E. Church, and Rev. Watson Wordsworth of the Village Congregational Church. Exercises which followed in the main auditorium were opened with prayer by Rev. Mr. Shipman, former pastor of the church. Addresses were made by Noble Grant Duh of Dorchester Lodge of Odd Fellows, Rev. Watson Wordsworth, Frederic A. Gaskins, master of Macedonian Lodge of Masons, Rev. J. C. Wingett, Rev. Lyman R. Swett, another former pastor of Blaney Memorial church, and John Taylor of Huntington. F. Wolcott Post, G. A. R. of Milton, of which Mr. Rideout is an associate member. Mr. Taylor, on behalf of the members of the post, present in uniform, presented to Mr. Rideout a large silver loving cup suitably engraved from the Civil War veterans as a token of love and esteem.

The presentation of the congregational gift was made by Otis J. Redden, chairman of the reception committee, who at the same time presented to Mrs. Rideout a beautiful bouquet of pink roses. The program also included solos by Mrs. Rowlock and by Ben H. Redden. Members of the reception committee, in addition to Chairman Redden, included Mrs. Haskell, L. W. Kent, W. J. Tower, Mrs. Vernon Vore, Miss Annie Stoddard, George F. Savage, Mrs. O. J. Redden, Mr. and Mrs. J. E. Beless Edward Murphy.

Mr. Rideout began his pastorate at Blaney Memorial Baptist Church on September 18, 1910, coming from Fredericton, N. B. During the first two years he carried on studies at the Newton Theological Institution and was graduated in 1912. He also took some postgraduate work at the Boston University.

The church membership has been more than doubled and now is over 400. The missionary benevolences have greatly increased, and a steady upward growth along all lines has marked Mr. Rideout's effort. The church property has been improved and is in fine condition. The mortgage on the parsonage was burned five years ago, a garage was recently built, and a fund of about \$7000 accumulated for enlarging the church.

During the war Mr. Rideout was invited by the U. S. Shipping Board to speak at factories and shipyards, where Government work was being done. During his period of such service he addressed more than 100,000 workers. He was also a speaker for the Red Cross and Liberty Loans, and during the Victory Loan toured Connecticut on the War Relic train.

Mr. Rideout is well known in fraternal circles. He is chaplain of Macedonian Lodge of Masons and prelate of Joseph Warren Commandery. Among the Odd Fellows he is Past Grand of Dorchester Lodge and Deputy Grand Master of the Grand Lodge. He is a Past Chancellor of Milton Lodge, Knights of Pythias. Mr. Rideout has a large number of friends in Dorchester and Milton who wish him the best success in his new field.

On Tuesday evening a large number of the boys and girls of the Dorchester Lower Mills gave Master Theodore Rideout a surprise at the parsonage on Richmond street. Agnes Drever, on behalf of the school friends, presented Theodore with a golden token of their friendship and good wishes.

The Low Priced AMBEROLA

Here is a remarkably low-priced phonograph that actually is far superior to ordinary "talking machines" even though it costs less.

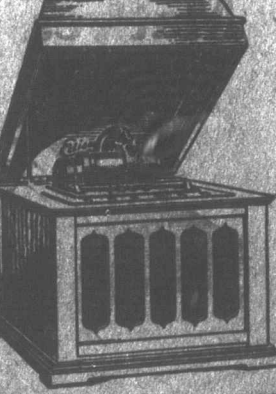

The music of Edison's New Diamond Amberola alone proves our claim that it is the "world's greatest phonograph value." It is clear and pure, without any of the harsh metallic sounds you so often hear on ordinary commercial phonographs.

Then consider—the genuine *Diamond Point Reproducer* forever does away with buying and changing needles. *Amberol Records* are practically unbreakable and last for years.

Today—come to our store and hear the Amberola. If you wish to give it a thorough trial you can have

"Three Days of Good Music—FREE"

in your home, without cost or obligation. Come yourself, if you can, and choose the Amberola model you like best and a dozen records. We will deliver them to your home for a three day free trial. If you can't call—write or phone.

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.
Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for nineteen years and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.
Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada.
Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monacalculatstadt of Salicylfeld.

Farmers and Dealers

are equally concerned with the problem of unemployment. Both depend upon the success of their business upon the man who works, and the regular pay envelope is the most dependable means of keeping money in circulation.

Whether it is the man who works with his hands or the man who directs the work or the one who keeps the accounts, the contents of the pay envelope go the same way.

Every dealer who handles a "Made in Canada" product of any kind is helping to keep some man now employed at work or to make work for some man now out of work. Every farmer who buys a "Made in Canada" article is doing the same good service.

At the "Made at Windsor, N. S." fertilizer plant from fifty to one hundred men are employed during the whole year and we have the right facilities for storage, manufacturing and shipping, our customers including those who order as small as one hundred pounds and as large as one thousand tons.

This is the right time for the dealer to arrange to handle a car-load of fertilizer for next spring, and it is not too early for the farmer to place his order.

We want agents, either dealers or farmers in all territory where we are not now represented.

Write to us and our salesman will see you or we will quote from our head office.

LOWER GREENFIELD NOTES

Mrs. Herbert Kilpatrick who left to join her husband in Penticton, B. C., reports a very pleasant journey. She spent a few days in Calgary with friends and motored from there to Banff.

Miss Alta Kinney attended the Teachers' Institute last week at Woodstock.

Melvin Kinney, who went west last June to see his father in Penticton, B. C., has arrived home with his bride. Mrs. Kinney was formerly Miss Winsor of Penticton. On their way to their home in the east Mr. and Mrs. Kinney spent a very enjoyable week at the great summer resort of Glacier Park, Montana. A reception was held for them on their arrival here at which a number of guests enjoyed a bountiful wedding supper. The bride looked very charming in a gown of white satin, embroidered in beads, with bridal veil and wreath and bridal bouquet. They received many valuable and useful presents among which was a valuable gift from Mr. and Mrs. Dudley Hamilton of Oregon. Their many friends wish them a long and happy married life.

Mrs. Blanche Kinney spent the week-end with her mother, Mrs. Samuel Fulton of Knoxport.

Miss Liola Armstrong of Perth spent the week-end with her friend, Miss Alta Kinney.

Miss Muriel Hunter, teacher of the Lower Greenfield school attended the Institute at Woodstock last week.

TEACHERS' INSTITUTE NOTES

I called at the last session of the Teachers' Convention in Woodstock and watching the proceedings for a time, I came to the conclusion that something ought to be done not only by the teachers themselves but by the Trustee Boards and also by the Board of Education to make these gatherings far more effective in their work.

In the first place the teachers do not attend in such numbers as they ought. A very fine program is prepared, papers are written which take a great deal of time and thought, addresses are put into shape for delivery and preparation made for discussion which ought to be shared and appreciated by practically all the teachers in the two counties. Then, the feast being ready and the guests assembled they should be aroused in some manner to a more general active interest and part in the proceedings.

I noticed that very few were taking notes of the work. Perhaps many were taking mental notes—the attention was good, but note books ought to be in evidence everywhere, and it should be made a sign of lack of ambition and the spirit of progress not to have a note book in use. For I take it that these gatherings are not for a general holiday and visiting time primarily, but for the spread of the latest and best ideas, for instruction and encouragement by educational leaders able and fitted to give it, to the end that the whole educational force, energy and progress of the counties may be raised to a much higher level, through the application of these things by the teachers in their various schools.

Then this being done, the leaders of the next convention would be compelled to reach out much further and higher for interesting, instructive and satisfying material. The fire thus called down would put more spirit, life and energy into the rank and file and our schools should again feel a mighty uplift.

I do not wish to be unduly critical but I feel that I ought at this time give voice to a very real demand, that since the ratepayers are buying the teachers' time, skill and energy, and paying good fair prices, the teachers should make more of an effort, generally speaking, to deliver the goods. The District hangs its bargain on a few words signed by the teacher—"diligently and faithfully to teach." The teachers should agree to put that motto in every school and try to live up to it. And the meanings of that word "diligent" ought to be looked up in a good dictionary—it would be a great surprise to many.

And further I would suggest that the law should be changed so that any teacher except for good reasons, who does not attend the convention will lose the district as well as the government pay; the excuse to be signed by the teacher, O. K'd by the School Board and forwarded to the Institute secretary. The larger attendance, with consequent increase of funds would permit bringing more expert leaders from outside points whose advice and instruction would be of more or less benefit to every district. And finally I thought of the immense power for good to the community represented by these teachers. In the villages and country districts the people look to their teachers for leadership and inspiration along the lines of progress in social activities, good wholesome amusement as well as in educational matters.

HOME TOWN PAPER WEEK

People of America will be afforded an opportunity during the week of November 7th to 12th to express in concrete form their gratitude to those men and women, who through sunshine and rain, prosperity and adversity, persistently and consistently sing the song of the home town. The time long since passed when newspapers, whether daily or weekly, can subsist on the "taking it for granted" spirit of its patrons and well wishers. Costs of producing newspapers today have not decreased in anything like the proportion experienced in other lines and figures quoted recently by daily and weekly newspapers through the country have given the public a glimpse into the expense incidental to conducting the home paper.

To the newspaper men and women of each community has fallen the task of presenting the current events of a fast-moving world in accordance with the modern ideas, more or less extravagant, and keeping a smiling countenance and a courageous heart when others are prone to talk "hard times." Their loyalty to the country and their community has undergone a severe test but they met it with optimism and only a little reflection is required to show how much worse conditions might have been before the turn in the road was reached, had they pursued a different course.

Advertisers had to keep advertising whether they could pay

Mrs. M. E. Robson, 170 Dublin St., Peterborough, Ont., writes: "My daughter of 15 lost appetite, color and was on the verge of nervous collapse. Five boxes of Dr. Chase's Nerve Food completely restored her health and strength."

Mrs. Wm. Woods, Coldwater, Ont., writes: "After the birth of my baby I was run down, nervous and could not get my sleep, jumping at the least noise. Dr. Chase's Nerve Food built me up and made me strong and well again."

Mrs. H. Alchora, 23 Gerald St., Charlottetown, P.E.I., writes: "Dr. Chase's Nerve Food was recommended to me by an aunt who used it while passing through the change of life and was completely built up by its use."

Mrs. Jos. Lalonde, Hydre Glen, Ont., writes: "I was so run down and nervous last summer that I was in bed most of the time. After using Dr. Chase's Nerve Food I am able to do my housework, and, though 76 years old, feel better than I have for years."

Let the Women Tell Their Story

"From my experience as a wife and mother I find that the majority of users of Dr. Chase's Nerve Food are women, especially women passing through the change of life; next by young mothers to regain strength after baby comes, and also by mothers for their young daughters entering their womanhood. While it is good for all classes of humanity, I am sure it is especially so for women, as they seem to be troubled most by nervous diseases."—Mrs. H. Alchora, 23 Gerald Street, Charlottetown, P. E. I.

Every woman is interested in another woman's letters, and we shall give the women a chance to present their experience with Dr. Chase's Nerve Food by quoting from their letters.

If you do not find anyone you know among these ladies, write us for references from people in your community, or ask your friends and neighbors for particulars about Dr. Chase's Nerve Food.

There is scarcely a town, village or hamlet in this great country but can produce splendid evidence as to the restorative, upbuilding influence of this well-known treatment for the blood and nerves.

Mrs. Jennie Haywood, 38 Turner St., Ottawa, Ont.: "After 15 weeks in a hospital with rheumatic fever I returned home a complete nervous wreck. I took six boxes of Dr. Chase's Nerve Food, and have had no return of nervous trouble or rheumatism."

Mrs. W. H. McIntyre, Gasparque, Ont.: "About five years ago I used Dr. Chase's Nerve Food when in a state of absolute collapse, and continued its use until I had taken fourteen boxes. I cannot praise it enough, for it worked a miracle in my case."

Mrs. May W. Taylor, 1209 Davis Street, Vancouver, B.C.: "Ten of my circle told me

that they take Dr. Chase's Nerve Food for that 'all-in' feeling attendant on the care of children and performance of housework. I myself take it for nervous irritability, and absolutely depend on it. I give my children the Nerve Food during 'examination week' and am sure it helps them."

Mrs. Annie Bellamy, 12 Pauline Avenue, Toronto, Ont.: "Since the 'flu' epidemic people are resorting to preventive measures more than ever, and find that Dr. Chase's Nerve Food gives protection against the 'flu' and all other germ diseases."

Mrs. W. H. Stoker, 25 Robert Street, Hamilton, Ont.: "A young mother told me she was so glad I advised her to use Dr. Chase's Nerve Food after her baby was born. She had tried many things, but after no success with them I told her just how much benefit I had gained with Dr. Chase's Nerve Food, so she also used it with the same wonderful results."

Mrs. E. I. Scott, Teacher, Clear, Alta.: "After teaching school for two years my nerves were in a shattered condition, and I had almost incessant headaches. The doctor told me I would have to quit, but a teacher friend told me how she was restored by Dr. Chase's Nerve Food, under similar conditions. My nerves were completely restored, so that I thoroughly enjoy life."

Mrs. John O'Donnell, 56 Colonial Street, St. John, N.B.: "While once used Dr. Chase's Nerve Food for run-down condition, ragged nerves and sleeplessness, there was one ailment which predominated—nervous headache. In combating nervous headache Dr. Chase's Nerve Food has no rival."

Good News For BRONCHITIS Sufferers

FAMOUS DOCTOR ENDORSES PEPS

"Peps are exceptionally suited
for the treatment of bronchial
ailments; their direct influence on
the membranes of the bronchi,
and their freedom from risky
narcotics, being among their
many praiseworthy points."
Dr. GORDON STABLES.

These chilly wet November days,
when the old bronchial cough shows
signs of return, and the chest feels raw
and tender, it is important to have handy
a box of Peps. They treat chest trouble
in the only direct scientific way.

You breathe the Peps medicine, and
it penetrates where ordinary medicines
cannot. As Peps tablets dissolve in the
mouth, the sufferer inhales with every
breath rich balsamic pine essences
with other volatile medicine. This air-
like Peps medicine carries comfort
and healing into the chest; it soothes
the sore inflamed air-tubes; it loosens
the breathing; loosens phlegm; allays the
cough, and relieves the painful tight
feeling around the lungs.

Peps are the safest and most valuable
remedy ever discovered for throat and
chest. With them you can defy coughs
and colds, chills and other throat and
chest troubles. 50c. box, all dealers.

LOCAL AND PERSONAL ITEMS

Sections of our town looked pretty sorry on the morning following the snowstorm and some of the young culprits looked truly as sorry on the same morning when they were obliged to do penance by restoring things as they were before the cyclone struck.
