THE WEEKLY MAIL : TORONTO, FRIDAY., FEBRUARY 13, 1874.

botton, both would have gained immessely. I now mens a restribution of the Reastan continued to the Reastan pelaws of handsome dark green cloth, trimmed with astrakan, is confined to the waist by a belt of Reastan leather. The trowners, gathered in under the knee, are of the data belt of Reastan heather. The trowners, gathered in under the knee, are of the selection of the former the selection of the former form be indeed a narrow one. ather not have him making love to came the boy. His love for Dick nderful. His lovely and obedience discussion in the start of the senter of t It has

(New its Front, Lifler Jannal, J However, much I should like to give any readers as insight little the cossiler spring fashions, it is quite impossible, as yet, to do on. Judging from Natt Inspended since the fash of the Imperial rule of Isothion, there is no possibility of any realiand alongy. When moting was in Isabian but what the Em-pers's fashions but what fance, extremely variable. It is now quite different; isabians being the result of collective tarks, have a channe of longer dimstation, when they are at time for itation. After their first year of the for that and convenient. Scale is the interface for that the set for the set of the set operatory body pecificient parts of the tarks of the set. when everybody predicted most regratfully mana, then dewrifil ; het so many people were afflicted with their diagrace, that re-perve affer repriore cannol, and they are affly very fashionable, individual caprice taste of things results also VOL, II, NO. 99.

temp no more capable to proval against a host. From this states of things reveal to also the extreme yatisfy of fashioni, which is far greater than it over was. Fashion, like rranos, as how truly a Expublic, no mars an empire, and will as ilkely remain ao. Let in all, to whom sociary is an object, be insuful for this form of forerrament, which allows no to was out throwing in gur dresses without looking antiquated and ridioutous to that. CANADIAN.

ne for March

Mr. Francis Davidson, of Minto, lost
