

Too Weak To Walk

The Sad Condition of a Brandon Lady—How Relief Came.

"I owe my present good health to Dr. Williams' Pink Pills," says Mrs. Annie Treherne, Brandon, Man., who tells of her new found health as follows:—"Some years ago I had an attack of pneumonia and it left me in a terribly weakened and run-down state. I was unable to walk for a long time as I had practically lost the use of my legs, and had to be carried upstairs, for I had not the strength to go myself. I became despondent over my condition for I had tried many remedies, which failed to help me. While in this wretched condition a lady urged me to give Dr. Williams' Pink Pills a trial and I procured a supply. After taking the pills for a while I could see that I was growing stronger, and I gladly regained my old-time health and strength. Now if I feel at all run-down at any time I at once take Dr. Williams' Pink Pills, and they never fail me. I can therefore warmly recommend them to others who may be run-down."

There is no better tonic than Dr. Williams' Pink Pills to improve the blood and bring back strength after acute diseases such as fevers, pneumonia, influenza, etc. Given a fair trial they will not disappoint you. You can get the pills from your druggist, or they will be sent by mail at 50 cents a box by The Dr. Williams' Medicine Co., Brockville, Ont.

Marketing Hogs

(By County Agricultural Office)

Many farmers are led to believe that all the hogs sold are not graded. 1638 hogs were marketed from Lambton County during the week ending May 29th. The grading of the hogs shows 331, or 20.2%, of total shipments graded Selects; 882, or 53.8%, graded Thick Smooth; 33 hogs graded Heavies; 3 hogs Extra Heavies; 162 Shop hogs; 168 Lights and Feeders; 13 Sows No. 1; 42 Sows No. 2 and 4 Stag hogs.

The average price paid for hogs in Toronto for the same week was: Select Bacon \$8.99 per cwt; Thick Smooth \$8.19 per cwt. The total weight of the 331 hogs that graded Select was 63,451 lbs. If all the hogs that graded Select were sold on the graded basis during the week of May 29th, the farmers of Lambton County would receive \$507.60 as premium, over and above the price of the Thick Smooth hogs.

Farmers should insist that hog buyers purchase on the graded basis. The approximate shipment of hogs from Lambton County over a period of 9 months is 1500 hogs per week. With the present production and low percentage of 20.2% Selects and all hogs paid for according to grade, the County farmers who produce the Select Bacon would receive 52 times \$507.60, or approximately \$26,000, annually providing the price of live hogs did not go lower.

Under such conditions farmers should insist more than ever before on getting the premium for their Select hogs, as in many cases at the present time the premium turns losses into small profits. The Select Bacon hogs is a hog of a certain type, weight and finish. If you believe in one of the first principles of breeding that "Like begets like," enquire from the County Agricultural Office re the record of performance of many of the boars used on the farms of the county.

The Ontario Department of Agriculture will place in each community where an average of 20 sows can be secured a Bacon Type Boar for the use of that community. Full particulars can be secured at the County Agricultural Office, Petrolia Ontario.

Canadian Bacon Export

Why do not Canadian farmers raise more bacon hogs? Do they know how little goes overseas or what part Canadian farmer's supply of the huge British meat imports? In other words, what share of that big business do they get? Last year about three per cent of the total quantity of all meats—three billion and seventy million pounds—imported by Great Britain was grown on Dominion farms. The proportion of bacon, which was by far the largest share, amounted to ten and a half per cent.

There is something to think about in these figures. The dependence of general prosperity on Canadian agriculture, and its importance in national life, have never been more plain and patent than in the last year. But so far as livestock is concerned can one say that much more than the fringe and hem of possibilities have been touched?

There are several reasons for the popularity of Danish bacon in England. One is its uniformity. Provision merchants know that if they order two or three bales of Danish bacon that all the sides will be of similar size, weight and degree of fatness, and that the supply next week will be exactly similar. Another reason is that the principal Danish pig breeders of pedigree pigs study the utility points of their breeding pigs.

Canadian Coal For Ontario

The subject of Alberta coal for Ontario consumers will not down, Premier Greenfield, of Alberta, and Premier Ferguson, of Ontario, are both working on the problem in conjunction with Sir Henry Thornton.

Premier Armstrong, of Nova Scotia, is also taking a hand in the matter, with a view to securing an added market for Nova Scotia coal in this province.

The projects now under discussion contemplates the granting of a low freight rate on solid loads of coal from Nova Scotia and Alberta mines to Quebec and Ontario points. The suggestion is made that during the summer months when railway equipment is not in full use, and time is slack in the mines, unbroken trainloads of from 40 to 50 cars should be hauled at a rate of \$6 to \$7 a ton from Alberta and a proportionately lower rate from Nova Scotia; and that if a special accounting of these operations shows a loss, the loss should be met by the people of Canada as a whole.

A good many people claim that even at this rate of haul the railroads would make money on the operation. That, however, can be best determined by a fairly exhaustive trial of the plan.

If the enormous amount of money now sent annually to United States for fuel can be kept in the country and if a portion of that money can be added to the revenues of the Canadian National, it looks like good business. Anyway the Canadian coal idea seems to have taken firm lodgment in the public mind.

ARKONA

A number from Arkona attended Jack Miner's lecture in Forest, Thursday evening of last week. They report the lecture as most interesting and instructive.

Miss Beatrice Oakes of London is spending a couple of weeks with her parents, Mr. and Mrs. A. Oakes. Miss Lillian Johnson visited in Tillsonburg last week.

The Baptist Association held in Forest was well attended by Arkona members.

Boys' Knickers in tweeds and khaki, all sizes.—Fuller Bros.

Mr. and Mrs. Chas. Barnes and daughters motored from Toronto Tuesday of last week. Mrs. Barnes remained to visit relatives for a couple of weeks.

Miss Emma Augustine and Mrs. O. Schmidt motored to Sarnia on

Saturday to spend the day with Mrs. Fred Thompson, formerly of Arkona.

You have just three more weeks to choose that midsummer hat and then the millinery season will be ended. All hats on sale at half price. Call and see them.—Fuller Bros.

The ease with which corns and warts can be removed by Holloway's Corn Remover is its strongest recommendation. It seldom fails.

"Now You're Fixed Up for the Summer"

The Battery Man is your best friend when you are getting the car into condition for summer driving. He will advise you, whether it's a new powerful, long-lived Prest-O-Lite or your old battery, overhauled, that you need to make the engine run with perfect rhythm, the starter turn the engine over powerfully and feed lights and horn with abundant current. More than one thousand battery dealers in Canada recommend and sell Prest-O-Lite Storage Batteries because they know that back of every Prest-O-Lite is the largest battery plant in the British Empire, and a nation-wide chain of service stations where owners of a Prest-O-Lite battery can get prompt, courteous service and genuine Prest-O-Lite repair parts.

Weddings

McCHESNEY--WILEY

A quiet but pretty wedding was solemnized on Wednesday, June 4, at the home of the bride's parents, Mr. and Mrs. James Wiley, Main Road, Warwick, when their only daughter, Anna Winifred (Freida) was united in holy bonds of matrimony to Robert Alvin McChesney, only son of Mr. and Mrs. W. J. McChesney, Adelaide. Promptly at 1 o'clock, the charming young bride, becomingly attired in rose silk crepe, trimmed with acordingian pleating and crystal beads, and wearing the customary bridal veil and orange blossoms, and carrying a bouquet of sun-burst roses and ferns, entered the drawing-room to the strains of "Lohengrin's Wedding March," played by Mrs. J. A. Gale of Arkona. She was given in marriage by her father, and took her place beneath an arch prettily decorated with apple blossoms and banked with flowers and ferns.

The wedding ceremony was performed by Rev. J. A. Gale of Arkona. Miss Florence Grogan of West Adelaide, attired in gold canton crepe was bridesmaid, and the bride's only brother, Mr. N. Mac Wiley assisted the groom. The groom's gift to the bride was a rope of pearls; to the bridesmaid and pianist, white gold bar pins, and to the groomsmen, a gold eversharp pencil. The bride's mother wore a black flat crepe dress trimmed with pleating and jet beads, and the groom's mother wore a brown tricot dress trimmed with old gold beads. After signing the register the bride and groom led the way to the dining-room, gaily decorated in pink and white. The tables were decorated with pink and white flowers, centered with the brides cake.

Following a dainty luncheon, the bride and groom left amid showers of confetti, for Niagara Falls and Lake of the Thousand Islands. The bride travelled in a brick dust canton crepe costume with hat to match, and grey coat and shoes. They will be at home after July 1st. at their home in Adelaide.

MADDOCK--ZAVITZ

A very pretty June wedding was solemnized in the Walnut Methodist church on Tuesday, June 10th, when Hettie Jane, eldest daughter of Mr. and Mrs. John Zavitz, became the bride of Charles Orville Maddock, B. A. S. C., eldest son of Mr. George Maddock of Inwood. The church was beautifully decorated with mauve and white lilacs. As Miss S. Massey played the wedding march the groom supported by Dwight Zavitz, brother of the bride, took his place beneath an arch of lilacs. The bride supported by Miss Rita Ball of Toronto, was led to the altar by her father. Rev. J. L. Foster pastor of the church performed the marriage ceremony in the presence of a well filled church of guests. The bride gowned in orchid georgette carried a corsage bouquet of orchids, sweet peas and lily of the valley. After the usual congratulations and the signing of the register, the wedding party returned to the home of the bride's parents where a delicious luncheon was served by the hostess. The toast to the bride was proposed by Rev. J. L. Foster and replied by her father. While the toast to the groom was proposed by Mr. Clarence Dolbear, and replied to by a few well chosen words by the groom. Following a very enjoyable time the happy couple took their departure from Watford for Muskoka. After their honeymoon Mr. and Mrs. Maddock will reside in Toronto.

FITZGERALD--McROBIE

Petrolia, June 6--St. Andrew's Church was the scene of an interesting and pretty wedding when Hilda Marion, only daughter of Mr. and Mrs. John McRobie, became the bride of Frederick Ardiel Fitzgerald, son of A. E. Fitzgerald of Detroit. The ceremony was performed by Rev. I. Hall Woods, assisted by Rev. J. J. Monds. The church was artistically decorated for the occasion with palms, aspidistra, white lilac and lily of the valley. The bride looked charming in a gown of white georgette with crystal trimming, veil of tulle, with bandeau of pearls and orange blossoms. Miss Elizabeth Wilson of Sarnia was the maid of honor, while Allan McRobie of Toronto, brother of the bride attended the groom.

Harrison Corey and Llewellyn Jones acted as ushers.

After the ceremony a reception was held at the home of the bride's parents. A buffet supper was served. The groom's gift to the bride was a platinum bracelet set with emeralds and diamonds.

Mr. and Mrs. Fitzgerald left for points west. On their return they will reside in Detroit, Mich.

Health Restored by The Fruit Treatment

Fourteen years ago, Mr. James S. Delgaty, of Gilbert Plains, Man., was a nervous wreck. His system was shattered by Nervous Prostration, and he was reduced in weight from 170 to 115 pounds.

He wrote on May 15th, 1917, "Every medicine I tried proved useless until a friend induced me to take 'Fruit-a-tives.' I began to mend at once. After using this fruit medicine for three months, I was back to normal. I have never had such good health as I have enjoyed the past six years. We are never without a box of 'Fruit-a-tives' in the house."

Writing again on September 27th, 1923, Mr. Delgaty says, "I stand by my letter to you in 1917—I still recommend 'Fruit-a-tives.'"

"'Fruit-a-tives' is a complete fruit treatment—being made of the juices of fresh ripe fruits and tonics. 25c. and 50c. a box—6 for \$2.50—at druggists or sent postpaid by Fruit-a-tives Limited, Ottawa.

THE HAPPY EDITOR

The joys of running a weekly newspaper are many and not the least of these are the shower of criticisms it is always the editor's lot to receive. He may please a reader nine hundred and ninety-nine times and he will never hear of it, but if he displeases just once, he hears, and quickly too, says the Burk's Falls Arrow:

"A few of our readers can't understand why we don't change the whole policy of our paper after they have called our attention to certain articles of which they don't approve. One good soul gets fearfully shocked if we refer to ladies' legs but admits she read it over a second time. Another thinks we should not report dances, while another wants to know why on earth we give a whole column to a church anniversary service; so there you are. Some time when publication day falls on April 1 we are going to issue paper that will embrace all the suggestions of our readers and after that we expect to go out of business."

Such is the career of a newspaper editor. It's a great life, if you don't weaken.

A Foe to Asthma. Give asthma half a chance and it gains ground rapidly. But give it repeated treatments of Dr. J. D. Kellogg's Asthma Remedy and it will fall back even faster. There is no half way measure about this remedy. It goes right to work and drives asthma out. It reaches the inmost breathing passages and leaves no place for the trouble to lurk. Have it by you for ready use.

WOMAN SUFFERED FOR MONTHS

Weak and Nervous. Made Well by Lydia E. Pinkham's Vegetable Compound

Webbwood, Ont.—"I was in a very weak and run-down nervous condition, always tired from the time I got up until I went to bed. Sleep did not rest me at all. My sister recommended Lydia E. Pinkham's Vegetable Compound to me and others told me about it, but it was from my sister's advice that I took it. It did not take long until I felt stronger, headaches left me and my appetite came back to me. I am a farmer's wife and have many things to do outside the house, such as milking, looking after the poultry, and other chores. I heartily recommend the Vegetable Compound to all who have the same trouble I had, for it is a fine medicine for women."—Mrs. LOUIS F. ELSASSER, Hillcrest Farm, Webbwood, Ont.

Another Nervous Woman Finds Relief
Port Huron, Michigan.—"I suffered for two years with pains in my side, and if I worked very much I was nervous and just as tired in the morning as when I went to bed. I was sleepy all the day and didn't feel like doing anything, and was so nervous I would bite my finger nails. One of my friends told me about Lydia E. Pinkham's Vegetable Compound, and it helped me so much that I soon felt fine."—Mrs. CHARLES BEELER, 501-14th St., Port Huron, Mich.

Women who suffer from any feminine ailment should try Lydia E. Pinkham's Vegetable Compound.

Lambton Co. Council

House of Refuge Grant, Department Stores and County Road, Given

an Airing

Pointing out that in 1923 the county received the sum of \$1,467 from the government, Harvey Cook, superintendent of the county house of refuge, advised the county council at the morning sitting today to take some action regarding the recent cancellation of the order-in-council which provided for a grant of 10 cents a day for each inmate in the county house of refuge.

Mr. Cook claimed that the revocation of the order-in-council took the aid away from the county maintained institutions and not from those maintained by the cities and he could not see why there should be any difference shown.

Warden Harkness declared that this was an important matter and he thought it would be well for the council to take some action. Reeve Hackett of Enniskillen recalled that a communication dealing with the same question had been referred to the legislative committee yesterday and there the discussion ended.

The close watch kept on Sarnia's apportionment of the cost of maintaining the various institutions was reflected in the inquiry which followed the reading of an other communication. This letter was from the trustee board of the Petrolia hospital setting out that county patients had used up 243 days in the Petrolia hospital this year to date. The addresses of two of the patients were given as Sarnia and this brought the question from Reeve Eastman of Arkona as to whether or not the patients were from the city. Warden Harkness replied that they were from the house of refuge, hence the Sarnia address.

Peddlers Fees

Faced with no business of importance at the moment, Warden Harkness vacated the chair and Reeve Miller of Moore took over the reins. Reeve Sproule, Oil Springs, brought up a question of licensing peddlers operating in the county. He said at the present time the fee was only \$2 and many were not even bothering to take out licenses. These men were free to go all over the county and sell goods whereas merchants in towns and villages had to pay business and land taxes.

Reeve Kerr of Courtright held a similar view and cited a case in his own municipality in which peddlers had come in and sold a carload of potatoes. People had later told him they could have bought as good potatoes at the stores for the same price. Mr. Kerr also took a fling at mail order houses. He said that in his opinion they should be assessed in some way in the municipalities in which they did business. He predicted that if they continued as at present the stores in the small towns and villages would be all closed up in a few years.

Reeve Burnley of Plympton held a different view about mail order houses. He admitted that he had made purchases from them and would continue to do so as long as the prices were lower.

Tourists from the other side were breaking up the roads and not the peddlers.

The chairman drew attention to the fact that the members were straying from the subject and subsequently the matter was referred to the legislative committee.

County Road

A new motion was introduced petitioning the department of public highways to designate a provincial county road starting in Warwick as a county road, and in lieu of that the designation of the road from Rutherford north, via Petrolia to the London road highway as a provincial county road. The former road parallels the highway and is in good shape while the north and south road was in very bad condition it was said.

Reeve Eastman said he had undergone the personal experience of a trip on the road south of Petrolia and had sworn that it was his last trip through that part of Lambton.

Reeve McIntyre of Bosanquet said the east and west highway carried much traffic and he could not see how he could support the resolution to have it changed to a 40 per cent subsidy road.

After further brief discussion a vote was taken and the motion carried almost unanimously. This means that the government will be asked to designate the road running from Rutherford, north past Petrolia up to the London road highway, as a provincial county road and if so designated the county will receive a subsidy of 60 per cent.

A list of bylaws were given the first reading before the noon recess and the council adjourned until 8 o'clock to permit the members to attend the Ontario agricultural inquiry committee sitting in the city hall which commenced at two o'clock.

KERWOOD

The district meeting of the Women's Institute will meet in Wardsville on Saturday June 21st. There will be morning and afternoon sessions. Mr. Putman of Toronto who is superintendent of the Women's Institutes for Ontario will be present.

A splendid meeting of the Ladies' Aid of the Methodist church was held last week with thirty-five members and visitors present. Quite a lot of sewing was accomplished and plans were made for a grand garden party, watch for announcements later.

The Women's Guild of St. Pauls church will meet at the home of Mrs. Cliff. Freer on Tuesday June 17th, a good attendance is requested, as there is important business to discuss.

The June meeting of the Women's Institute will be held on Wednesday 18th, at the home of Mrs. David Wilson. A paper will be given by Mrs. de Gex, on Aims of the Womens Institute; Miss Nona Wilson and Miss Gladys Johnson are preparing an interesting program. Those on the lunch committee are Miss Redmond, Mrs. Wm. Thompson, Mrs. Watson and Mrs. Eastbrook.

Mrs. Luscombe who has returned from spending nearly two years with her sons in British Columbia, is the guest of Miss Margaret Brunt.

Mrs. Charles Edgerton of Detroit is spending a pleasant week with her cousin Mrs. J. Thompson.

Miss Merline McMurray of Brooke is visiting her friend Miss Gladys Johnson.

Miss Alice Johnson nurse in training at Victoria Hospital London, spent a few days with her parents, Mr. and Mrs. Geo. Johnson last week.

Mr. and Mrs. Elmer Langford, Mr. and Mrs. Arthur Denning, motored to Burlington and spent the week end.

Miss Greta Richardson of Watford visited friends in the vicinity.

Mrs. Jno. McMahon of Pottersburg is visiting friends in the village and vicinity.

Mr. R. A. Brunt of Windsor was home over the week end.

Mr. Joe Healey suffered a heavy loss when his home was burned to the ground. Mr. Healey barely escaping. Nothing was saved, the fire started from a defective chimney.

The services held by the W. M. S. in the Methodist church Sunday, were well attended. The church was decorated with flowers, and the ladies in charge of the service led exceptionally well. Mrs. Seymour Langford, President of the W. M. S. being in charge, and led in opening prayer. The scripture lesson was read by Mrs. J. H. Richardson and Mrs. H. Watson the delegate to the W. M. S. convention at St. Thomas gave a splendid report. She emphasized the need of prayer-faith and giving in the Auxiliary and also brought many helpful suggestions. Mr. Geo. Johnson then spoke in a few well chosen words, and also dismissed the meeting at the evening service. Mrs. Fred Merrick of Strathroy gave a splendid talk telling of the great need of volunteers for the foreign fields, talking for her subject a verse from Psalms "Trust in the Lord and do good" and bringing out the facts that faith and works go hand in hand and are the essentials of the Christian life. Mrs. Jas. Richardson Honorary President of the W. M. S. led in prayer. Delightful music was furnished by a number of members of the Mission Circle. A couple of the ladies passed the collection plates and a generous offering was given for the missionary cause.

Mr. Jno. W. Johnson who is a great lover of thoroughbred stock is the proud possessor of three registered york sows, which gave birth to forty-five little pigs all hale and hearty.

Mr. Jno. Richardson of Petrolia visited at Mr. Jno. Johnsons recently.

Mr. Jas. Thomas Sr. and Mr. W. Dowdry of Strathroy visited Miss Martha Dowdry last week.
