BENTLEY'S LINIMENT takes hold of and quickly CURES Sprains, Strains, Kinks, Cramps, Bites, Bruises, Burns, Coughs, Colds, Croups, Rheumatism, Sore Throat, Neuralgia, Chapped Hands, Scalds and all pains and aches that afflict mankind. It is the recognized Family Remedy in thousands of Canadian homes, all of whom can testify to its remarkable powers, and we print herewith a few of their opinions. Alderman RTAN, Halifax, N.S., writes, April 12 (20): "I have used BERTLET'S LINIMENT and found it the best I ever tried, and can hearily recommend it." Mrs. Colin McKenzie, Kemptown, N. 5., writes, January 23, 1900: "I have used BENTLEN'M LININENT for both myself and children, and as a ours for sore throat, soreness of the chest, eds. I have never found anything to equal is." can heartily recommend 11."
F.X. Kimouza, Warwick, F.Q., writes, July 47, 1902.
A for days how, getting out of a waxon at M. Benedine, my food slipped and I struck to for days how, getting out of a waxon at M. Benedine, my food slipped and I was arraid that I would have to lay up. However, I was ladent for BKNTL&Y is LNT. MKNT, and two applications made a complete cure. I can recommend it with pleasure."
F. X. Kirouxa, representing the Wairiek Clothing Kanufacturing Co., of Warwick, P.Q. Mrs. Maggins L. Christin, East Mountain, Col. Co., N. S., writes, November 31, 1899 : "I reconting used H&NTLEX'S LINIMENT for a severe case of solarged tomains in my daughter. Sho had whooping cough, which are all regargraved the struble, and i became alarmed at the symptoms. I bathed her throat freely with BENTLEY'S LINIMENT for a few days and the ourse was marrelous. Gro. W. ATTER, Lover molisgue, write A thinks Attendenting Co. of Warwes, F. G. "I have used BENTLE ''S LINIMENT and can highly recommend it. I had a sore on my knuckle and tried several remedies without avail, as the shutting of my hand prevented it from healing. Two applications of BENTLEY'S LINIMENT made a co uplete cure." CHAS, LEGALLAIS, Paspeblac, P. Q., writes, November 19, 1901: "I find BENTLEY'S the best liniment and my customers prefer it to any other." J. H. ARMSTRONG, Quebec, P. Q., writes, February 20, 1901 : "Have used BENTLEY'S LINIMENT for a sprain and can highly recommend it." **A FAIR OFFER** We know what Bentley's Liniment is capable of and to show that the above claims are not mere idle boasts we guarantee every bottle to act exactly as represented, or bring the bottle back to your dealer; he will refund your money. We will Pay him for it. BENTLEY'S is a powerful White Liniment that will not soil or injure the most delicate fabric, and the 25c, size is the largest bottle of White Liniment on the market. Accept only Bentley's, it is the only Liniment, no other kind is just as good. For sale by dealers generally, especially druggists. 2 oz. Bottle, 10c. 6 oz. Bottle (over three timos as much), 250. F. G. WHEATON CO., Ltd., Sole Proprietors, Folly Village, N. S.

line to cure me promptly. To break p a cold or rub on for rheumatism or euralgia, Nerviline has no equal. It's riccless in any family. Nerviline is ing over all pain and costs 25c.

Another rich strike has been made

Another rich strike has been made at the King mine at North Brookfield. The diseovery of some fabulously rich pockets at this mine a couple of years ago will be remembered by some of our readers, as some of the nuggets then taken out were on exhibition at the Provincial Fair at Haliax this fall. The lead from which they were taken had been lost, and after pros-pecting and opening up other leads in the same vicinity, the old shaft was again pumped out and work resum-ed. The lead was soon struck, and in five days \$2000 worth of gold has been taken out, with more in sight. thing required, strong enough for the most robust, yet mild enough and safe for children, and without that terrible griping so common to most purga-tives," says R. S. Webster & Co., Udora, Ontario, Canada. For sale by S N. Weare. -There must be no exercise as exer-ise for the consumptive patient, writes specialist. If you are able and feel ror, or rather a series of errors, in cal-

like it, amuse yourself, but don't take exercise to build your system up. I know, I, too, have heard those stories culating the exact proportions of the value of gold and silver it never cir-culated for that value. Sir Lease New-Herb. W. Edwards Injured

know, I, too, have heard those stories about men given up to die who began work in a gymnasium, and by violent exercise entirely recovered their health. When the lung tissue is attacked by tuberculosis it heals, if it heals at all, by fibrous scar materia: filling in the cavity. No new lung tissue is formed to replace what has been lost, and the scar material is useless for breath-ing. Suppose you had a deep cut in your hand and you kept working that hand violently, how long do you think it would take the cut to heal? When exercise is taken or you "expand the Herb. W. Edwards, of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruis-ing his knees. "The next day," he says" "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm, and after a few applications all soreness had dis-appeared." For sale by S. N. Weare.

it would take the cut to heal? When exercise is taken or you "expand the lungs" you have to work the lung tissue just as you work your hand, and if it is wounded there will be a much larger proportion of scar mater-ial useless for breathing when it does get well. It is notorious that in no other line of railroading is there so great a per-centage of men who do not approach the standard which should be required from persons with so great responsi-bility as among the telegraphers. The railroads are blamed for this condi-tion, because of the low wage value placed on this class of work.
