DEAR SIR,

We are now prepared to advance money on Farm property at rates never before heard of in this county. We make straight loans at wonderfully low interest, and can grant twenty year instalment loans on such favorable terms that less than 10 per cent. of the face of the loan for that time will actually pay up the whole principal and interest; and for shorter periods in same proportion.

On money deposited in our Banking Department we allow 6 per cent. interest to depositors on call.

W. THOMSON & Co.
