OCEAN LIMITED IS DERAILED IN QUEBEC

ENGINEER AND FIREMAN HURT, PASSENGERS ESCAPE INJURY

Rocks, Falling From Cliff Near Bienville, Cause Engine to Go Over Embankment; Express And Baggage Cars Leave Track

ENGINEER'S INJURIES MAY BE FATAL

Main Line Is Blocked by Wreck and Will Not Be Cleared Until Late This Afternoon—Meanwhile Traffic Will Be Routed By Way of Detour

QUEBEC, May 1.—Shaken into consciousness from their sleep when Engineer Joseph Gagnon jammed on the brakes, in an effort to save their train from wreck, some hundreds of passengers of the Ocean Limited, Canadian National Railways "Million Dollar" train from Montreal to Halifax, turned out in a pouring rain about one and a quarter miles east of Lewis, in what clothes they could hurriedly put on, early this morning, to find that the engineer and fireman, Emile Courcier, had gone over a 12-foot embankment with their locomotive, and were imprisoned there, while the mail and express cars were derailed. On and around the track, as the cause of the wreck, were boulders which had fallen down from a cliff.

The engineer, Joseph Gagnon, and the fireman, Emile Courcier, are in the Lewis Hospital and there is a possibility that the former will not live. The full extent of his injuries have not yet been determined, but it is reported that one of his arms was torn from its socket, and that he suffered grievous internal injuries.

MORE WAREHOUSE ROOM FOR POTATOES

Board of Trade Takes up Matter —Invitations to Meetings in Toronto.

That it was the purpose of the Board of Trade to take up the matter of increase of frost proof warehouse capacity for potatoes at this point was said this morning by the secretary. It was felt that additional warehouse room was absolutely necessary before the shipments began next fall.

PASSENGERS ESCAPE

The fireman is injured about the face and legs, and is also suffering from burns inflicted by escaping steam. All the passengers were badly shaken up, but none was hurt.

BILL SETS ASIDE THE DECISION OF APPEAL COURT

Amendment to N. B. Power Act Was Adopted

RAND EXPLAINS Has To Do With Interference Between Power Co. and Hydro Lines

SPECIAL TO THE TIMES-STAR.
FREDERICTON, May 1.—During the last days of the session which concluded here yesterday, the House adopted a bill which amends the New Brunswick Power Act which virtually sets aside the recent decision of the Appeal Court in connection with the alleged interference of the Civic Hydro Power Commission transmission lines with lines of the New Brunswick Power Company. The bill passed through the committee stage and was given third reading with little or no discussion, the only extended remarks on the legislation being made by Attorney General Rand.

PRINCE INSTALLED AS CHANCELLOR

Has Held Titular Position Since 1918—Drives Ox Wagon Through Streets.

CAPE TOWN, May 1.—The Prince of Wales today drove an ox wagon through the streets of Capetown accompanied by a procession of thousands of university students singing "God Save the King." After this informal expedition the Prince, fulfilling a scheduled programme was ceremoniously installed Chancellor of the University of Capetown, a titular position he has occupied since the inauguration of the university in 1918.

WHEAT UP 6 CENTS

Rapid Turn Follows Sensational Crop Estimates From Private Sources.

CHICAGO, May 1.—Wheat showed a rapid upturn in price today owing largely to sensational crop estimates from private but authoritative sources. Before the first hour of trading was over, the market showed gains of more than six cents a bushel with May quoted at 158 1/2 and July 147.

GOVERNMENT SCORES BIGGER VICTORY THAN WAS EXPECTED

Progressives Unite Almost Solidly With Liberals To Defeat Conservative Amendment By Vote of 123 to 86

DIVISION AFTER ALL NIGHT SESSION

New Brunswick Farmer Member Supports Government—Majority of Only 20 to 25 Had Been Anticipated—Weary Debate Lasts for More Than 16 Hours

OTTAWA, May 1.—After a month of debate, and following an all night sitting, the House of Commons at 8.30 this morning voted on the Robb budget and the Conservative amendment. The latter was rejected by a vote of 123 to 86. William Irvine, Labor member for East Calgary, voting with the opposition, and the Progressive party voting almost solidly with the government. On the main motion the budget proposals were carried by a vote of 123 to 86, a majority of 37, much larger than was anticipated.

Eighteen members of the Progressive party voted with the Government, nine of them being from Ontario. T. W. Caldwell, the New Brunswick member of that group, also supported the Government.

MEMBERS TIRED

It was a tired-looking House that voted this morning. Many slept on the floor during the night, while others went through the almost endless hours of talk without sleep.

Following the speech of the Prime Minister, the House adjourned at 9 a.m. with two hours interval for dinner. It then met in continuous session at 1 o'clock on the previous afternoon.

GOES TO LABOR IN ARCTIC REGIONS

Rev. C. M. Hatheway of Saint John, Just Ordained, Joins Rev. E. Merritt.

Rev. C. M. Hatheway, who graduated this year from Wycliffe College and was ordained last Sunday in Toronto by Bishop Lucas of the Mackenzie diocese, arrived at noon today on a brief visit to his home in Saint John, prior to leaving to take up work among the Eskimos at Bernard's Harbour, Concordia Gulf, in the Arctic Circle, about 600 miles east of the mouth of the Mackenzie River. At Bernard's Harbour he will join Rev. E. Merritt, another Saint John clergyman now in charge of pastoral oversight of that vast district for the Church of England.

WILD ENTHUSIASM

The unexpectedly large majority aroused wild enthusiasm among Liberal members. Their forecast had been between 20 and 25. When the result was announced, they banged their desks in applause and flung sheaves of paper into the air. Seventeen Progressive members voted against the Government. Included in their number was J. Fred Johnston, chief Progressive whip. Robert Forke, Progressive leader, with the remaining Progressives, voted with the Conservatives against the Government on the main motion.

N. S. COMPLAINT

W. A. Black, Conservative, Halifax, speaking in the budget debate, last night, said that when the people of Nova Scotia asked for bread the government handed them a stone.

Mr. Black was proceeding when Joseph Archambault, Liberal, Chamley-Vercheres, protested that Mr. Black was reading his speech, and raised a point of order.

Speaker Lemieux returned that it was against the rules to read his speech. He added, amid laughter, that Mr. Black was entitled to refer to his "extended notes."

Mr. Black said Nova Scotians wanted a policy which would benefit all sections of the country. The government did not have a policy which would benefit any section of the country.

CURIOS SCENE

As the long night passed, a dreary dawn filtered through high windows on a curious scene. There was but a scattering of members in the House. Hon. Ernest Lapointe, trying hard to keep awake, was the only minister there. Hon. Dr. F. Talmie, last asleep, was the sole occupant of the front opposition bench. Rows and rows of empty seats, and as corridor doors opened now and again singing and roars of laughter from above, the "Ginger group" sat together at the far end of the chamber, now carrying on the debate alone. In the public galleries, half a dozen women, hardly enthusiasts of politics, had

sat through the night. Speeches went on and on yet with the exception of the Hansard staff, no one seemed to be paying the slightest attention. And so the longest budget debate in the Canadian House in 20 years, if not in its history, came to an end. The house adjourned at 9 a.m. with two hours interval for dinner. It then met in continuous session at 1 o'clock on the previous afternoon.

Opposition Men In Conference Here

C. D. Richards, M. L. A., Fredericton; E. A. Reilly, M. L. A., Moncton; Lewis Smith, M. L. A., Coverdale, Albert county, and J. L. Peck, M. L. A., Hillsboro, were in the city last night at the Victoria. During the evening it is understood they had a conference with Hon. J. B. M. Baxter, K. C., M. P., but nothing could be learned this morning as to what transpired at the meeting.

CITY HALL BUSY WITH LICENSES

Many Due For Renewal on May 1—More Dog Tags—The Electricians.

These are busy days at the office of the city chamberlain, as all licenses, except business licenses, have to be renewed on May 1 in each year. Those who have to take out their licenses on May 1 include truckers, teamsters and auctioneers. Business licenses are good for one year from the date of issue.

More Dog Tags.

The dog licenses are going out much faster this year than they did in 1924. Up to noon today there had been taken out 160 tags, and it was near the middle of May before that number had been taken out last year.

Electricians.

Electrical workers in the city must renew their licenses before May 15. E. V. Cunningham, city electrician, said this morning. The licenses for journeymen, masters and chiefs must be renewed yearly and the fees paid to the chamberlain of the city. After May 15 those without licenses will not be permitted to do electrical work.

SURPLUS FOR THE HARBOR IN THE LAST YEAR

Revenue Not So Great As Expected, Commissioner Bullock Says

WANTS FACILITIES OF C. N. R. ENLARGED
Annual Report Submitted to the Common Council Tells of Port.

A request that the C. N. R. provide more adequate port facilities is contained in the annual report submitted to the Common Council this year by Commissioner Bullock. The report says:

"I beg herewith to submit my report for the year 1924. It will be observed that the balance to the credit of the harbor department for the year ending Dec. 31, 1924, is smaller than anticipated due to the increase in import and export trade, and in no small sense to the reduction in wharfage charges. The revenues, however, have been sufficient to pay the interest, cost of maintenance, overhead charges and a little surplus to good."

GIVES STATISTICS.
"I may say there are very few ports on this side of the Atlantic that have attained this enviable position. There can be no objection to our aim to have a revenue sufficient to carry expenditures, since said expenditures are made in the national interest."

"The arrivals from foreign ports consisted of 299 steamers and 95 sailings, a total of 787,891 tons, as compared to arrivals in 1923 of 627 steamers and 139 sailings, a total of 1,008,017 tons."

BIGGEST REVENUE.
"The receipts from all sources amounted to \$204,192.15 and expenditures \$191,998.47, leaving a surplus of \$11,193.68. The charge for interest is included in the expenditures amounting to \$2,534.28."

"Our harbor can be likened to a huge industry, and is by far the largest revenue producer we have. This can be readily understood, when it can be said that each mail boat distributes \$15,000 over a period of 10 days, and a tramp ship with similar cargo will leave \$7,000 while in port. Few people realize what a ship means to Saint John."

PORT COMMITTEE.
"A movement was started in April which emanated from the Federal members of Parliament from this constituency and representative business men to promote traffic through the port."

C. N. R. FACILITIES.
"In October, Mr. I. E. Dalrymple, vice-president, accompanied by Mr. Mathew Lodge, director, and other Canadian National Railway officials, together with the Port Committee, conferred with the City Council. It was frankly admitted that their terminal facilities were inadequate and had to be improved in order to cope with the anticipated increase in trade. It was stated that the several engineers had agreed on plans for the proposed development and the management had placed their recommendations before

the Government. It was also announced that the logical place for the development was at the northeast corner of Courtenay Bay. At a later date plans were received of the proposed lay-out and constituting the first unit of their dock facilities.

COMPLAINTS, HE SAYS.
"There is much complaint that the Canadian National Railway does not utilize the port to any great extent. Their facilities should be increased to permit of this. The routing of overseas freight is of vital interest to our people. We must combat most vigorously any influence which may affect the port unfavorably and co-operate in any movement which has as its objective the improvement of conditions toward a greater volume of traffic."

LITTLE WORK DONE.
"Hon. Dr. J. H. King, Minister of Public Works, Ottawa, wrote our Commissioner in February, 1924, that any further development for the railway would be in Courtenay Bay. After speaking about conveying the foregoing to the Government the report goes on:

"After a lapse of 14 years this whole area remains untouched, except the dredging that was necessary for an approach to the dry dock and the construction of a breakwater. Recent events indicate that the development for railway terminals will be at the uppermost northeast corner of Courtenay Bay."

"During the month of February needed improvements at West Saint John were emphasized and the co-operation of the Canadian Pacific Railway was sought, with the result that a joint delegation interviewed the Government, stressing that something be done under the terms of the tripartite agreement. This effort resulted in the Government extending the grain conveyors to berth No. 10."

"The matter of transfer of C. P. R. wharf and potato warehouse in exchange for No. 6 extension is still in process of negotiation. It is expected the documents in proper form will be handed at an early date and same will be submitted to council for adoption and completion."

PROPOSAL DEFEATED.
"A written option was procured on the Lawton, McParland and Currie properties, situate on the harbor frontage, including the buildings for \$85,000 which is considerably less than the value for assessment. This site would give the city a good deep water berth, on which it was proposed to erect a wharf and warehouse at a cost of \$342,000 including the site. The fear that the cost would greatly exceed the estimate had the effect of defeating the proposal."

"The ledge of rock at the face of Pettingley wharf will be removed by the Government during the coming season and if it goes well the berth

can then accommodate vessels loading full cargo of grain.
"In all the numerous works, operating expenses have been reduced in every reasonable economy. I have concurred in the city engineer's recommendation without reservation. I find him cautious in forming conclusions and well able to challenge any proposition which he submits.
"The harbormaster exhibits those splendid qualities so essential to an official in his position."

HAD BOILS ALL OVER HIM
There is only one way to get rid of boils and that is by going right to the seat of the trouble—the blood—as the bad blood must be made pure before the boils will disappear.

BURDOCK BLOOD BITTERS
cleanses the system and removes all the foul matter from the blood in a way that few medicines will do.
Mrs. Chas. Rankin, Bulyes, Sask., writes—"A few years ago my husband had a terrible time with boils. On one arm he had 16 between his elbow and wrist; five on the back of his neck, and several more on different parts of his body. He tried everything he could think of, but got no relief until he took Burdock Blood Bitters, and to his surprise it completely relieved him, of his boils, in a very short time."

B.B.B. has been on the market for the past 40 years; be sure you get it when you ask for it; put only on The T. Millburn Co., Limited, Toronto, Ont.

New Yorker Comes To Fish Musquash

W. E. Hemminger, of New York, arrived in the city yesterday on his way to the Musquash district on a fishing trip. This is the twelfth consecutive year Mr. Hemminger has come to New Brunswick for fishing. He said last night that he was very fond of New Brunswick as a fishing centre and would probably continue coming here. He is at the Royal Hotel.

REFUGEES SEEK VIENNA.
VIENNA, May 1.—Austria is fast replacing Switzerland as a haven for political refugees. The latest arrivals who can be so classed is Bishop Fan Noli, former ruler of Albania. With five fugitives "Fannolis" who, with him, fled from Albania when Achmed Beg Zog entered at the head of a victorious army, he has taken up residence in Vienna.
Once on Austrian soil political refugees are protected against extradition by the government. In return for this protection they are supposed to refrain from further political activity and plotting.

SAINT JOHN, N. B., MAY 1, 1925.

DO WE GET THE PORT FACILITIES?

Now is the time—not after the supplementary estimates have been brought down—to find out whether Saint John is to get the additional port facilities demanded by national traffic and long overdue.

Unless the Mayor and the Port Committee feel certain that the appropriation necessary to begin work this summer on the piers in Courtney Bay and on the other requisite facilities is positively assured, there is still time to bring additional pressure to bear at Ottawa, and beyond question the Saint John public will depend upon that course being followed.

A FINE RECORD.

It is worthy of note that when Captain John Roberts of the Homeric was criticized by a few of his passengers because he did not achieve the impossible and rescue the crew of the sinking Japanese steamer, some of the higher class American newspapers were quick to come to the defence of the commander and to rebuke landmen who reflected upon his courage and judgment.

There is no man save upon high merit as captain of the Homeric. Neither the judgment nor the courage of such a man should be questioned lightly, and the Transcript criticizes very sharply those who allowed themselves through excitement or wretched judgment to reflect upon a man who had strained every nerve of his soul and his ship to reach the Raifuku Maru, who brought to the scene of the tragedy forty years of proved courage and specialized competence.

THE WOLVES.

Discovery of a plot against the life of Austen Chamberlain, British Foreign Minister, has led the authorities to surround him and other members of the Ministry with special police protection. Not long ago, closely following the bomb outrage in Soda, the London authorities, fearing similar atrocities in the Empire capital, took extraordinary precautions on the occasions of the funeral of the late General Rawlinson.

London advice intimates that Great Britain, France, Italy and other European countries are combining to devise fresh protective measures against the "Red" elements which of late have been running riot in the Balkans and whose leaders, as the London despatches reveal, have recently been made enough to plot the assassination of statesmen in several capitals.

PRAISING THE BUDGET.

The news of Britain's restoration of the gold standard, according to the New York newspapers, excited much more interest in Wall Street than any other recent event. Mr. Churchill's announcements are the subject of no little favorable comment by American observers, who see in British financial policy an influence strongly tending to promote stability and security in international trade.

The British, the Herald-Tribune notes, have avoided the weaknesses and pitfalls of which several European countries were the victims. It adds: "At a moment when the wreck of the Continental currencies seemed to be giving the Continental industrial an overwhelming advantage the British balanced their budget, piled up the taxes and met the resulting unemployment and trade stagnation with a form of social relief that may have been unwise, but was certainly both decent and courageous. The victory has been won; it is a victory for conservative method and a traditional belief in the way things should be done."

After talking all night the House of Commons passed the budget this morning the Government's majority

on the main motion being thirty-seven. The straight Conservative amendment was swamped by a vote of 164 to forty-eight. A large number of the Progressives who voted against the Conservative amendment voted against the budget also, showing their disapproval of the Government's failure to lower the tariff, but the majority for the administration, thirty-seven, was larger than had been predicted recently. The common expectation was that the Government's margin would be from twelve to twenty. It is significant that with a general election coming the straight protectionist amendment is beaten by a majority of 116.

Odds and Ends

"You never know what you'll find among the odds and ends."—From "Notes by a Wayfarer."

Sea Treasure

According to a report in Science, there are 86,900,000,000,000 tons of bromine in the ocean. America at present produces 900 tons a year, about half of the total world output, but insufficient to meet the demand resulting from the increased consumption of a fluid used as an anti-knock addition to gasoline and the ever-growing need for bromine in medicine, dye, photography and the moving picture industry.

There is a witch and one so strong That could control the moon, make flowers and herbs, and make it rain. To meet this augmented demand, for which the brine wells of Michigan and Ohio are inadequate, a "floating chemical factory" is soon to be sent out to sea to extract this treasure from the depths. Calliban, in "The Tempest," complainingly boasted that he had shown Prospero the brine pits, the fresh springs and other riches of the island in whose hard rock he was staid. But his mother, Sycorax, a witch and one so strong That could control the moon, make flowers and herbs, and make it rain.

"There is nothing like a course of gymnastics for health," said the big, dumb, energetic-looking individual. "It increases a man's strength, prolongs his days."

TO REMOVE ROCK AT PETTINGILL WHARF

Tenders Called at Once, Writes Engineer Gray—Civic Power Commission Bonds.

The City Council, sitting in committee of the whole, yesterday decided to place at the disposal of the Mayor a sum of money for the purpose of entertaining the officers of H. M. S. Wistaria, now in port, and passed recommendations to the council that the Dominion Department of Public Works be given a release for claims from damage which might be done by the blasting operations at the Pettingill wharf this summer. It also approved two bond issues for the Civic Power Commission.

A communication from Mrs. George M. Kierstead, 869 Chesley street, that her property was overvalued was referred to the Mayor for reply. COMMISSION BOND ISSUES. Alexander Gray, Federal Public Works engineer, wrote that tenders for the removal of the rock at Pettingill wharf were to be called for at once.

The Civic Power Commission wrote that the bond issue of \$5,000 asked for was to provide various items required in serving the citizens, such as poles and transformers, etc., and it was decided to recommend the issue. The recommendation of the Civic Power Commission that bonds to the amount of \$887.85 to pay for the printing in connection with the appeal to the Supreme Court of Canada from the decision of the Supreme Court of New Brunswick be issued was approved by the committee.

On motion of Commissioner Harding, the Mayor was given authority to make arrangements for entertaining the officers of the visiting war vessel. BRITISH FOOTBALL. LONDON, April 30.—Football games today resulted as follows: English League, Second Division, Southampton 2, Bradford City 0. Third Division, Southern Section, Swansea, 1, Reading, 0.

As is well-known, Americans are fond of tacking official titles on their names. "I once met a man in Chicago," said a prominent Englishman, "who called himself Judge Brown, and I ventured to ask him if he were a United States judge or a circuit court judge." "Well, I ain't neither," he answered. "I'm a judge of horses."

M.S. PREMIER HAS BILL TO APPOINT COMMISSION

Examining Body Will Frame Detailed Demands on Ottawa

WILL SPECIFY WHAT PROVINCE SEEKING

Armstrong Asserts N. S. Is Suffering Under Present Tariff System.

HALIFAX, April 30.—Following up his resolution, adopted by the Legislative Assembly yesterday calling for immediate action toward obtaining from the Federal Government of Canada a modification of the Dominion fiscal policy adequate to the needs of Nova Scotia and otherwise righting alleged wrongs under which the province has labored since Confederation, Premier Armstrong yesterday introduced in the House a bill providing for the appointment of a commission vested with all the powers furnished by the Public Enquiries Act for the purpose of ascertaining all possible facts concerning Nova Scotia's position, and that the Government may be thoroughly conversant to place definite demands before the Federal Government.

JUNIOR RED CROSS WORKERS PRAISED

Hammond River Portfolio Enlarged in Publication—Other Phases of Work.

The New Brunswick Red Cross Juniors have another feather in their cap in the highly complimentary notice given to the portfolio of the Hammond River School in the May number of the Red Cross Junior. That notice in part follows: "Hammond River school is a small rural school with not more than 12 pupils in the southern part of New Brunswick. The editor had the pleasure of visiting this little school last September, and of meeting personally every member of the Hammond River Junior Red Cross. You can imagine then the delight of the editor when this exquisite little portfolio arrived. It is to be sent to Alberta."

PLEASED DYING CHILD.

There are many other nice things about New Brunswick Juniors to be found in the May number. The matron of the Grand Falls hospital writes that the valentines and toys sent by the Juniors had delighted every patient. There was a little girl, five years old, who could speak only French, who was given a cardboard toy. The little miss was suffering from tubercular abscess and died a short while ago, but that toy brought such joy into the little ebbing life as nothing else could have, and her only request was for the toy.

HANDCRAFT RECEIVED.

New pieces of craft work just received by the junior supervisor, Miss Jessie I. Lawson, included a "butter rug" from Hammond River. This school has also made two handsome quilts. The Rockport school of Westmorland county sent in a baby doll exquisitely dressed with six complete sets of clothing. That doll will surely delight some little sick girl.

England Experiences Six-Hour Snow Storm

LEEDS, Eng., April 30.—Now that spring is here, so are the curiosities of the English climate. This morning there was warm sunshine in Yorkshire. Then winter came and a six-hour snow storm raged over the moors, making travel along the roads almost impossible.

Weddings

Lamont-Johnston

A quiet wedding was solemnized yesterday afternoon at 4.45 in Exmouth street Methodist church when Miss Margaret Calbert Johnston, daughter of Mr. and Mrs. Edward Johnston of this city, became the bride of James Duncan Lamont, of Louisburg, C. B. The ceremony was performed by Rev. E. E. Styles, pastor of the church. The bride was gowned in a taupe ensemble suit, with squirrel trimming and hat to match and carried a bouquet of American Beauty roses. They were unattended and immediately after the ceremony left for Montreal, where they will reside.

Wilcox-McKay.

A very pretty wedding was solemnized last evening at the residence of the bride's grandparents, Mr. and Mrs. S. Maxwell, 38 Ludlow street, West End, when Miss M. C. Wilcox, daughter of Mrs. M. C. Wilcox, was united in marriage to Gerald W. McKay of Penfield. The wedding ceremony was performed by Rev. F. T. Bertram. The bride wore a navy blue suit, grey shoes and stockings, hat and gloves to match, and a grey squire. They were supported by Mr. and Mrs. W. E. Maxwell. Mr. and Mrs. McKay will make their home in Penfield.

Reade-Jefferson.

MONCTON, April 30.—(Special)—A quiet home wedding took place at the residence of Mr. and Mrs. R. G. Jefferson, 184 Weldon street, at 9 o'clock this afternoon, when their daughter, Hazel Isabel, was united in marriage to Oscar Triguart Reade, of Halifax, son of Mr. and Mrs. B. C. Reade, Saint John. The bride, who was given in marriage by her father, wore a gown of white charmeuse satin and conventional veil and orange blossoms. She carried a shower bouquet of Ophelia roses. Her only attendant was her little niece, Jean Greig, who was wearing in white organdy and carried a basket of pink and white sweet peas. The ceremony was performed by Rev. G. W. F. Glendinning, B. A., S. T. B., and took place in the drawing room, which was beautifully decorated with ferns and cut flowers, the color scheme being pink and white. John Cuthbertson, organist of Campbellton Methodist church, played the wedding march. Following the ceremony, the guests were ushered to the dining room by Miss Kathlyn Jefferson, where a dainty lunch was served by the girl friends of the bride. Miss H. G. MacEwen presided at the table. Misses Eva Price, Hollis MacLean and Hazel Coates assisted in serving. Mrs. D. Greig replenished. The bride traveled a well and had a crepe ensemble suit of ash of roses with squirrel trimmings and hat to match. The out-of-town guests included Mr. and Mrs. B. C. Reade and Mr. and Mrs. Kenneth Reade, of Saint John, and Mr. and Mrs. H. B. Jefferson, of Sydney. Many beautiful gifts were received by the young couple, including a silver tea service from the staff of the chief engineer's office of the C. N. R., of which the bride until recently was a member; also sterling silver teaspoons from the choir of Wesley Memorial church, a pierced silver casserole from the Epworth League of Wesley Memorial church and china from a class in the Wesley Memorial Sunday school, in all of which Mrs. Reade was an active worker. Mr. and Mrs. Reade left for Halifax, where they will reside. Mr. Reade is the manager of the Halifax branch of the Consolidated Optical Company.

Thompson-Layton.

PUGWASH, April 30.—The Methodist paragon was the scene of a happy event on Tuesday evening, when Miss Janie H. Layton, of Wallace Bay, became the bride of B. Layton Thompson, of South Victoria. The ceremony was performed by Rev. Boyd M. Parker in the presence of the immediate relatives of the contracting parties. The bride was becomingly gowned in sand taffeta with hat to match. Miss Marion VanBuskirk was bridesmaid and wore a gown of brown brocade with hat to match. Harry Layton, brother of the bride, was best man.

Lewis Mountain.

LEWIS MOUNTAIN, N. B., April 30.—The death occurred very suddenly on Sunday, April 26, of Phoebe Miriam, beloved wife of William J. Rogers, in the seventeenth year of her age. She leaves, besides her husband, two sons and two daughters, Newton A., of Saint John; Mrs. S. Currie Lewis, of Salisbury, N. B.; Theodore B., of Havelock, N. B.; and Miss Violet M., at home; also two sisters, Mrs. Robert Killam, of Killam's Mills, and Mrs. James O'Neill, of Vancouver. Interment was at Lewis Mountain cemetery.

Mrs. John Peers.

PUGWASH, April 29.—The death of Mrs. Helena Ann Peers, widow of John Peers, occurred at her home, Wallace Bay, April 24, at the age of 83 years. Mrs. Peers was a daughter of the late Thomas and Margaret Dotter Tuttle, of Wallace Bay. Her husband died on Feb. 12, 1928. A brother, Robert Tuttle, of Washington, D. C., is the only surviving member of the family. Charles Bill lived with Mr. and Mrs. Peers ever since he was a small boy and although not legally adopted, he was always treated as a son. The funeral was held on Sunday at 2.30, Rev. Boyd M. Parker officiating.

Mrs. J. A. Stewart.

HOPEWELL HILL, April 30.—Many friends throughout the county learned today with regret of the death of Mrs.

ROTARY ENDS CONVENTION WITH BANQUET

Yarmouth Session Brought to Close With Banquet and Dance

SEVERAL TROPHIES ARE DISTRIBUTED

Prizes Are Awarded for Bowling, Golf and Other Contests.

Delegates from the Rotary district conference at Yarmouth came over the Bay in the steaming Prince Arthur yesterday afternoon. They had parlor cars for their convenience from Yarmouth to Digby, and on arrival at the latter place, boarded the steamer, where luncheon was served about 1 o'clock. After luncheon President H. Mont Jones of the Saint John club, introduced Walter Crowe of Sydney, who gave an interesting talk on the present situation in the Cape Breton mining area. He spoke not only on the conditions in the mining industry there, but in the United States and Great Britain.

GET-TOGETHER.

Regarding the present dispute in Cape Breton he expressed the conviction that the mining industry there could not be placed upon a satisfactory permanent basis until the employers and the employed sat around a table together and arrived at an agreement satisfactory to both, and such as would ensure continued harmony. If this could be done, he frankly expressed the fear that the mining industry of Nova Scotia had seen its best days. Mr. Crowe left last night for Boston.

WELL PLEASSED.

John R. Bentley of Cleveland, who represented Rotary International, left with Mrs. Bentley by last night's train for home. They had given their favorable impression on the Rotary conference and all who met them in Yarmouth. All the Rotarians agreed that Yarmouth had given them a wonderful welcome, and that the city which entertains the next district conference will have some difficulty in equalling the lavish generosity of Yarmouth. That town is fortunate in having in the Grand a spacious and very excellent hotel. Then the comfortable and spacious quarters of the Y. M. C. A. were available for meetings, and the fine golf club and course, the latter in excellent condition, were utilized for the pleasure of the visitors. District Governor Prescott Baker and the Yarmouth Rotarians, in their care of the visitors, left nothing to be desired. Perhaps the outstanding feature of the conference was the discussion of the care of crippled children, and the decision to make a survey in different parts of the province and gather data to be placed before the provincial government to show why provision should be made by the governments for the care and treatment of these little unfortunates.

CLOSING DAY.

YARMOUTH, April 30.—The grand banquet and dance, the closing feature of the 1925 convention of the thirty-second district of Rotary International, concluded with the National Anthem shortly after last midnight. It took place at the Grand Hotel and will go down in history as one of the most delightful events ever held at that hostelry.

During the evening many pleasing incidents occurred, one of which was the presentation to Mrs. Bentley, wife of Director John R. Bentley of Cleveland Ohio, with a massive basket of magnificent Yarmouth-grown roses. Before the close of the affair the recipient, through Governor Baker, asked that the roses be taken to the Yarmouth Hospital and distributed among the crippled children whom that morning Rotarian Dr. Thomas Acker, of Halifax, had examined and treated.

TROPHIES PRESENTED.

The trophies won during the convention at the bowling and golf tournament were also distributed. The former was won by the home club with a score of 245 in Halifax, a close second with 248. In the golf tournament, the lowest score was made by John R. Bentley, director of Rotary International. The lowest for the thirty-second district was C. J. Milligan, of Moncton, and he took the handsome trophy to that city. The highest score was made by E. M. Ward, of St. Stephen, N. B.

Other contests were: Seated hole, No. six, lowest, Harry Harding, Yarmouth; highest, Alexander Montgomery, Halifax. Obstacle game, J. M. Rachael Stewart, wife of James A. Stewart, of Hopewell Cape, who passed away at her home there after a long and trying illness. Mrs. Stewart was a daughter of the late Thomas Peck, of Hopewell parish. She had been twice married, her first husband being the late Squire S. G. Morse, who died many years ago. Mrs. Stewart a few years ago suffered a fracture of one of her hips in a fall on the sidewalk at Moncton, and never fully recovered from the effects of her injuries. She was a woman of fine character and held the esteem of all who knew her.

Mrs. Fritz Baloom.

ANNAPOLIS ROYAL, April 30.—The funeral service at Upper Clements on Wednesday afternoon of Mrs. Fritz Baloom was conducted by Rev. Messrs. McIntosh and Gibson, of this town, and burial was made at Clementsport. Mrs. Baloom, who had died very suddenly on Monday, was a popular and estimable young woman. She leaves, besides her husband, an overseas man, two children aged two and four. She herself would have been 33 years old in June. She was before marriage Miss Eva Warren, daughter of Stephen Warren, formerly of Bear River, now of Dorchester, Mass., and with her husband and family had just moved last week into their new bungalow.

INDUSTRIAL PEACE MEASURE APPROVED

Bill Moved by Armstrong Sets up Arbitration Commission.

HALIFAX, April 30.—Utterly unacceptable and opposed to the policies of organized labor in Nova Scotia and calculated to cause more trouble in Nova Scotia labor circles than had ever before been experienced, was the manner in which Forman Way, Labor, Cape Breton, described the measure when moving a three months' hold to Premier Armstrong's bill designed to prevent strikes and lockouts in the industries, which was introduced in the Legislative Assembly by this afternoon and given second reading tonight.

Mr. Way's amendment was lost by a division of 19 to 7.

The act, combining a revival of the Lemieux Act, revamped to fit conditions in Nova Scotia and with a second part to become law on proclamation when the first part has failed in settling an industrial dispute, sets up a final court in the form of an arbitration commission, the findings of which shall be binding upon both disputing parties, carrying, as it will, the affirmation of the Supreme Court.

Case is Settled

Puddington vs. Randolph and Baker Adjusted as Trial of Matter Near End.

At the close of the case of Puddington vs. Randolph and Baker, in the Circuit Court yesterday afternoon, and before the matter went to the court for decision, the parties arrived at a basis of settlement and the case was withdrawn.

This was an action brought by the plaintiff to recover the price of logs rafted for the defendant company a year ago. It is understood that under the terms of settlement the defendants will pay the plaintiff approximately \$1,000. Messrs. Belyea and Gilbert appeared for the plaintiff, and S. A. M. Skinner for the defendants.

EJECT DISTURBER.

Police Constables Gibbs and Howard were called into the Salvation Army barracks in Main street yesterday to assist in ejecting a man who was making himself objectionable.

IN CITY TOMORROW.

Rev. Dr. J. A. Gordon, who is to occupy the pulpit of the Main street Baptist church during May will arrive in the city at noon tomorrow from Montreal, where he now makes his home.

FIND TAIL LIGHT.

The person who lost an automobile tail light in Charlotte street may pick the same on application at police headquarters.

Warns Motorists About Their Lights

Provincial Constable Robert Crawford last night issued a warning of motorists about traveling without lights enough to meet the requirements of the law.

He said he had noticed several "one-lungers" in the Robitney and Loch Lomond roads and pointed out that the law called for two headlights, a tail light and visible license tags. Officer Crawford said it was his intention to hale to court people whom hereafter he found violating this regulation.

BLISTERS SHOULD BE CARED FOR

BLISTERS on the heels and toes are caused by the foot rubbing against the shoe. Often they are very painful and may develop into a painful sore. Blood poisoning from a blister is possible, and often is a probable result when the blister is not properly cared for.

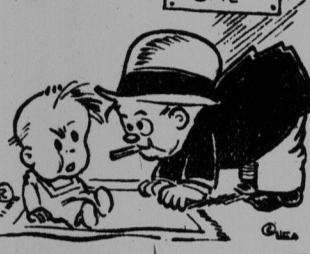

An excellent method for removing a blister, especially when it is on the sole of the foot where the skin is thick, is to take a fine white thread and grease it well with borated or pure vaseline.

Then thread a rather coarse needle and pass it through the blister. Cut the thread on each side and cover the spot under the stocking with a bit of muslin dipped in vaseline.

Next day draw the thread out. Blisters in the hands, or on the heel, may be pricked with a needle, but be sure the needle is clean.

Adventures of the Twins

By OLIVE ROBERTS BARTON.

When the King and Queen of Beant-stalk Land arrived at the Royal Palace, in their golden coach, the cook told the butler to tell the councillor to tell the lord high commissioner to tell their Royal Highnesses that dinner was ready.

"Come right away then," said the queen to the king. "Don't wait to take off your crown. I can't hear cold soup."

So the royal pair went straight to the dining room with their crowns on. Who should be hiding behind those very crowns but Nancy and Nick and Mister Whizz. Nancy and Nick were hiding in the king's crown and Mister Whizz was hiding in the queen's crown and someone else was hiding, too! Snitcher Snatch, the goblin, was hiding under the folds of the queen's high gold lace collar.

The king set down and the queen sat down, and the lord high commissioner or other pushed in their crowns, while the butler ladled the hot soup out of a big golden soup tureen, as big as a washing tub.

"Sup!" went the king loudly, tasting his soup.

"Sup!" went the queen, also quite loudly.

"This is good soup," said the king. "Marvelous soup!" said the queen. "I shall have to give the cook a raise in wages. Ten cents a week more isn't a bit too much for anyone who can make such delicious soup as this, Sup!"

"Sup!" went the king.

"They were so interested in their soup that their crowns kept slipping."

"We'll soon be in the soup ourselves if we stay here," whispered Nick. "We'll have to get out of this!"

So they slipped down to the table and hid in a dish of fruit without being noticed. Mister Whizz managed to get to the vase of flowers in the centre of the enormous table and hid in a tulip. But Snitcher Snatch stayed where he was, under the gold lace in the queen's collar—planning mischief.

Fretty soon he took a pinch of snuff out of the magic snuff box and blew.

The queen was about to sup another spoonful of soup when she sneezed with all her might. Off flew her crown and the soup flew all over the dining room, and some of it got into the king's eyes.

"Fine manners you have!" roared he, reaching for his napkin.

Just then some of the snuff got up his own nose.

"Ah-achoo!" went the king. Off flew his crown, and his whole plate of soup flew in all directions.

"Fine enough manners for you to sneeze!" retorted the queen. "My dress is ruined."

"I'm sorry, my dear," apologized the king. "That's the worst sneeze I've sneezed since I had the influenza."

Which shows that you can't enjoy anything—not even a sneeze if you are not in the right state of mind for it.

To Be Continued.

Never Serve Beans Without

Like eating potatoes without meat or fish—that's what Beans are without Robinson's Brown Bread.

There is no extra work to it, no extra cost. Just ask the grocer to give you a golden loaf of Robinson Brown Bread if for no other reason than out of respect to the Hot Beans.

Very likely you know that a lot of folks have Brown Bread every week-end for the sake of the Bran and the Vital Minerals the blood gets out of the fancy Barbados molasses baked into

PRINCESS MARY TO BE LEADER IN SOCIAL LIFE

Plans Large Dinner and Ball at Chesterfield House

DECISION SOLVES SOCIETY PROBLEM

Ball Room Added to London Home—Brilliant Season Looked for.

LONDON, May 1.—Princess Mary, with her husband's millions and her social status as a Royal Princess behind her, will launch her career as society hostess early this month, when a brilliant social season begins that will last until August.

Will Solve Problem.

Princess Mary's entrance into British society will solve a difficult problem—as to who among the royal family should take the leadership in social, as opposed to official, entertaining. The King and Queen are naturally the leaders of British society, but theirs is a restricted society. They can never separate themselves from their royal status.

In the ordinary course of events the Prince of Wales would take the active social leadership. He has the money, for Princes of Wales are hereditary holders of the Duchy of Cornwall, whose revenues are ample. But he has no wife.

The Duke of York would come next in line for the leadership. But he has no money other than his comparatively small government allowance of \$125,000. He married for love, and his duchess, the beautiful and popular Lady Elizabeth Bowes-Lyon has only \$5,000 a year allowance from her father, the Earl of Strathmore.

For a leader of society, \$125,000 is not enough; so Princess Mary, wife of Viscount Lascelles, was chosen.

Husband Very Rich.

Princess Mary has done little entertaining since her marriage to the very wealthy Viscount Lascelles, but most of the time her magnificent residence, Chesterfield House—one of the show places of London—has been empty, and Princess Mary and the Viscount have spent their time in Yorkshire, leading a comparatively simple country life.

Now Princess Mary has had a new ball room added to Chesterfield House and is planning to open this year's social season with a great dinner and ball, at which the King and Queen, newly returned after their Mediterranean trip, are expected to be present.

ADDRESSES NURSING CLASS.

Miss S. Barrington, organizer of public health nursing classes for the Red Cross in New Brunswick, last night gave an address on the care of children for the home nursing classes composed of members of the Red Cross at the home of the late Mrs. M. Dawson, who has been nurse in charge of the children in the Lady Byng camp for undernourished children during the last two seasons will be in charge again this year. The first year the camp was held at Seaside Park and last year at Fair Vale where two cottages were occupied. This year the camp will be at Fair Vale again with three cottages instead of two.

Social Notes of Interest

Last evening in the Venetian Gardens an enjoyable and successful dance and bridge was given by the University of New Brunswick Club and the Law School of U. N. B. The guests, who numbered more than 250, were received by Lieut.-Colonel and Mrs. E. C. Weyman and Mr. and Mrs. J. Roy Campbell. Supper was served at midnight and the dancing supper table, which was effectively decorated with spring flowers and lighted candles, was presided over by Mrs. Gordon S. Macdonald, Mrs. W. J. S. Myles and Mrs. J. H. Aillingsham. Mr. Adrian Gilbert, Mr. Gordon Willet and Mr. Henry Morrisey were the conveners for the dance and had charge of the tickets. The refreshments were in charge of Miss Alma Gale and Miss Helen Corbett, and Miss Barbara Dobson was the convener for the bridge.

Mrs. Ward Hazen arrived yesterday and is the guest of Mr. and Mrs. H. B. Robinson, Germain street.

Mr. and Mrs. W. H. Harrison left yesterday to spend a few weeks in Atlantic City.

Miss May Harrison, of Fredericton, who has been visiting Mr. and Mrs. Walter Harrison and Mrs. Busby, is returning home today. Mrs. Busby entertained informally in honor of her guest one day this week.

Miss Emma Mills, of Campbellton, is visiting Miss Kuddock and Miss Bessie Harrison, 347 Main street.

Mrs. Percy Hall, of Sydney, C. B., who has been visiting her mother, Mrs. C. E. L. Jarvis, is returning home tomorrow. During her visit Mrs. Hall has been much entertained by her many old friends. Hostesses who have entertained recently in her honor are Mrs. C. B. Allan, Mrs. J. Roy Campbell, Mrs. W. Edmond Raymond, Mrs. Ralph Robertson, Misses Fitch, Mrs. W. I. Pearce and Miss Christian.

Much sympathy is expressed to Mrs. A. E. Cunningham, who received word yesterday of the sudden death of her sister, Mrs. C. B. Rosa, in Sydney, C. B. Mrs. Cunningham is leaving today for Sydney.

Mrs. E. R. Blackmer is the guest of her sister, Miss Emma Colwell, Pagan Place. Mrs. Blackmer expects to leave the latter part of May for New York to join her husband, who is in business there.

Mrs. Hodgson, of Hudson Heights, Montreal, who has been residing with her son, Mr. F. J. Hodgson, and Mrs. Hodgson, Princess street, since they came here last October, is planning to return to her home for the summer and will leave either Sunday or Tuesday. She was the occasion for a cozy tea at her son's home Wednesday afternoon, when Mrs. Hodgson entertained 25 special friends in her honor. Mrs. Andrew West Murray presided at the tea table and was assisted in serving by Mrs. W. Grant Smith and Miss Gwyneth Hodgson.

Captain and Mrs. Hugh Kant, who have been here all winter, residing in Douglas avenue, are at the Clifton House preparing to leave next week for Montreal for the summer.

Mrs. Laura Wright has returned home after visiting her son and his wife, Mr. and Mrs. E. C. Wright, Montreal.

Miss Ruth Jacobson, who is shortly to marry Mr. Sam Carroll, of Detroit, Mich., was the occasion for a pretty linen shower last evening at the home

of her aunt, Mrs. B. Jacobson, and Miss Jennie Jacobson, who were joint hostesses for the event. A friendly bridge game was the ostensible reason for the invitation of the bride-elect to spend the evening at her aunt's home, but she soon found the delightful facts revealed when she arrived and met a large assembly of friends. Bridge was played and a delicious supper served. Many good wishes were mingled in the shower of useful and pretty things for the new home of the young bride-elect.

Mrs. Clara McFee has returned to the Methodist parsonage, Hillboro, Albert county, after visiting her sister, Mrs. Florence Land, who is principal of the school in Harcourt. Both ladies are from Saint John.

Mr. B. N. Enwright, of Quebec, who has been in the city during the winter in the employ of the C. P. S. S., has gone to his home to join the staff there.

Dr. C. L. Emerson left last night for New York and expected to be absent from the city for 10 or 12 days.

Mrs. Gilbert Ferrabee of Montreal, president of the Women's Auxiliary of the Anglican Church of Canada, has been in Toronto and Ottawa, addressing meetings in the interest of the W.

Rev. W. J. Johnston, pastor of the Coburg street Christian church, and Mrs. Johnston are moving today to their new home, 27 Peters street, the residence of the late W. A. Ewing, which they have recently purchased.

Mrs. M. Frank Thompson and Miss Helen Speer of Moncton have arrived here and will visit Mr. and Mrs. George W. Speer.

Miss Vivien A. Tremaine, R. N., who was in charge of the Red Cross nursery at West Saint John for the winter, has arrived in Quebec to take over the supervision of the work there. She has been visiting friends since the closing of the winter port here.

LUMBER CAMP BURNED. An old lumber camp near Bain's Corner, St. Martins, occupied for several days by two young tramps, and a stable went up in flames on Tuesday. The last seen of the tramps they were heading for Barnesville or Upper Loch Lomond. Fortunately the flames were prevented from spreading to the dry brush close to the camp.

FACTS ABOUT TEA SERIES—No. 5

What 'Orange Pekoe' Means

Many buyers of tea have come to ask for 'Orange Pekoe' believing that it signifies fine quality. This is not, however, necessarily the case. In the trade 'Orange Pekoe' is only a name given to the first leaf below the bud or tip on any Indian or Ceylon tea bush. An 'Orange Pekoe' leaf grown at a high elevation usually possesses a very fine flavour. If, however, the plant is grown at a low elevation, it may still be 'Orange Pekoe' but also be of very poor quality. The consumer's only safeguard is to buy a tea of recognized goodness. High grown 'Orange Pekoes' comprise a large part of every blend of 'SALADA' and give to 'SALADA' its unequalled flavour.

APPROVAL OF GRAND FALLS PLAN AWAITED

Sanction of Waterways Board Now Is Practically Assured

N. B. MINISTRY CHANGES DUE ABOUT MAY 15

Hill, Magee, Dysart, Scully, Martin, Morrissey and Tracey Mentioned.

By D. LEO DOLAN Staff Correspondent of The Times-Star FREDERICTON, N. B., April 30.—With the session of the Legislature now a matter of history, the attention of political observers will be focused on Montreal, where the government's application relative to the Grand Falls hydro development scheme is to be finally considered by the International Joint Waterways Commission on May 15.

Premier Veniot and his colleagues are practically assured that the commission will grant the order giving the government the authority to proceed with the initial development at Grand Falls, and the actual work of construction will be underway this summer, according to the several pronouncements made by the premier and others during the session which closed here this afternoon.

TO ACT AFTER MAY 15. And after May 15 the premier will then proceed to reorganize his cabinet before an appeal is made to the people some time before October. No one here has any definite idea as to the date of the general elections and it is not believed that the government has yet discussed this matter. During the next few weeks political conventions will be called in many counties and both the government and opposition parties will select their tickets and prepare for the battle of hallois.

HILL'S CHOICE CONCEDED. Some few days ago the writer made some prognostications regarding the probable line-up of Premier Veniot's revamped cabinet, and there are many close political observers who seem inclined to the belief that some of the changes then predicted will eventually take place. In fact it need not be surprising if these changes were put into effect by Premier Veniot before the end of May or closely following the order, from the international joint waterways commission on the Grand Falls project. That Barto M. Hill, chief highway engineer, is to be minister of public works is practically assured and Premier Veniot when he relinquishes that portfolio will go on the reorganized power commission.

HETHERINGTON WOULD QUIT. Hon. Dr. J. E. Hetherington, provincial secretary, and acting Minister of Lands and Mines, is anxious to retire from the provincial political arena and he seems the probable selection for the New Brunswick vacancy in the senate. Dr. Hetherington redeemed Queens county for the Liberals in 1917, has been speaker of the House and later provincial secretary, and is one of the most popular members of the Liberal party in the province. He has rendered valuable service to his party and now feels that he should be given his reward with a place in the senate. If it is said now that Hon. Fred Magee has the first refusal of the portfolio as provincial secretary and, if he does not become the Liberal candidate for the federal constituency of Westmorland, he may be found in the next provincial cabinet with a portfolio.

IRISHMAN WANTED. There are many keen followers of politics here who express the confident belief that Premier Veniot will have in his new cabinet a representative Irish-Catholic. When Mr. Justice Byrne retired as attorney-general to accept his appointment to the bench, the Irish Catholics lost their representation in the cabinet, and it is known that strong pressure is being brought to bear to have an Irish Catholic included in the reconstructed cabinet.

DYSART SUGGESTED. Hon. A. A. Dysart, Speaker of the House, has been previously mentioned as a cabinet possibility in this connection. He is known to have strong friends at court and his prestige, in view of the admirable way in which he carried out the duties as Speaker of the House, has been enhanced. The rumor regarding Mr. Dysart and his appointment to the cabinet is not of recent date either, as he was said to have been in line for advancement some months ago when cabinet reconstruction was then under consideration by Premier Veniot.

SCULLY ALSO FAVORED. Further, the name of W. E. Scully, M.L.A., of Saint John is being favorably mentioned. Mr. Scully is one of the stalwarts of the Liberal party in the province, has been a political horse in the city of Saint John for many years, is certainly well qualified for a cabinet post, and is equipped with that political sagacity which is so essential to a successful minister of the crown. That he would secure a strong support from the outstanding Irish Catholics in his claim for a cabinet post, is assured. Some months ago there was a persistent rumor in political circles that Mr. Scully would go to the Senate, as the Irish Catholics of this province have no representative in the red chamber since the death of Hon. John Coiligan.

LABORITES BOOM MARTIN. Recently the labor leaders in the province have been booming John S. Martin, Independent Labor member for Northumberland, for a place in the cabinet. Mr. Martin is a new comer in politics, but he has a strong labor support in the province. He too is an

MISSIONARY AID GIVEN TO GOVERNMENT

Assisting in Teaching Criminal Tribe of India

REV. D. M. ROSE TELLS OF WORK IN KANGRA

Illustrated Lecture in Stone Church Creates Much Interest.

In the Anglican mission in Kangra there is being tried out a new experiment in reformatory work for a criminal tribe in which endeavor the Govern-

ment of India has sought the co-operation of the mission and is providing the facilities. It was of this work and of the other activities in the mission field of Kangra that Rev. D. M. Rose, missionary on furlough, spoke impressively in St. John's (Stone) church hall last night under the auspices of the W. A. He showed a remarkably fine series of colored and uncolored slides and in moving and seconding the vote of thanks extended to Mr. Rose, Mrs. James F. Robertson and Mrs. George F. Smith both described the slides as the most wonderful they had ever seen of any mission field. The most urgent of all needs in the mission, Mr. Rose said, was for a woman doctor as lacking this trained help there is great distress and suffering that might be prevented and in prevention might mean a tremendous service to the cause of missions.

Rev. A. L. Fleming, rector of the church presided and spoke of the splendid reports which had been received of Mr. Rose's work in the foreign field.

Kangra Described. Mr. Rose described Kangra as about 10,000 square miles in extent and situated in the extreme north of India adjoining Tibet and Kashmir, having the majority of its three-quarter of a million of people living in about 2,000 square miles, and among its population including a very great variety of types. He told something of the heathen practices of the natives, describing Hin-

duism in reality as something quite different from the Hinduism described in books and compassing some unspeakable evils. In picturing the everyday life of the missionary he showed a curious craft of inflated bullock skins on which Rev. Mr. Erb and Rev. Mr. Ford were journeying down a swiftly flowing river and showed also the tents of the missionary group when making a tour through the district. Having shown the picture of a dispensary that

at the request of the people of that country had been made into a high school for boys and having said that there were just two dispensaries caring for the medical and surgical needs of 375,000 women he made his earnest plea for a woman doctor.

Ask Missionary Aid. He showed pictures of the compound built for the criminal tribe which the government had asked the mission to supervise. With government assistance

a model settlement was to be built for this work of reformation and when built the government would hand over the buildings in their entirety to the mission. In the compound at present there were 176 people and 126 dogs, Mr. Rose said. He related how four years ago the missionaries had begun the evangelisation of a group of 25 boys from a criminal tribe and spoke of the splendid success which had attended this endeavor. The boys were now Christian at heart and were pro-

viding a big factor in helping to influence and evangelize the larger groups. The superintendent of this reformatory work Mr. Rose said was in the hands of a converted Mohammedan to whom he paid glowing tribute as a Christian gentleman.

The leper asylum with its 80 inmates was the last of the mission activities of which Mr. Rose spoke and he gave some glimpse of what Christianity had brought to the lives of the poor lepers and how splendidly they had responded.

MORRISSEY'S CLAIMS. Then there is Charles J. Morrissey, of Northumberland, another veteran political campaigner who has certain claims for cabinet recognition. Mr. Morrissey, after pointing the federal nomination in Northumberland last fall, went into the fight wholeheartedly and was a big factor in securing the election of Mr. Snowball, who defeated him in the Liberal convention.

FARMERS TO JOIN LIBERALS. During the dying hours of the present session rumors that at least two members of the Farmers group would be found as candidates supporting the Liberal party in the next provincial election have been current about the lobby. It is said that H. R. Tracey, of Carleton, would not be adverse to accepting a Liberal nomination, while A. Chas. Fawcett, the House leader of the Farmers' group, is being talked of as a probable Liberal candidate in Westmorland. Indeed if Mr. Fawcett does not go on the power commission it would not be surprising to see him as a government candidate in Westmorland.

FAWCETT POST TALKED. The fact that Premier Veniot intimated in the House last night, when the power bill was under consideration, that an agriculturist would be on the commission, has given credence to the report that Mr. Fawcett will be a member of the reconstructed commission.

At any rate Premier Veniot is going to be a very busy man during the next month or two. His time will be taken up with the Grand Falls project and the tremendous preliminary work which will proceed this undertaking and the matter of cabinet reconstruction. Thus it can be safely said that the immediate future of New Brunswick politics is pregnant with interesting possibilities, and before the appeal is made to the people the political complexion of things in this province will have undergone many changes.

Parliament to Hear Wrangel Is. Policy

OTTAWA, April 30.—A statement of the facts concerning the Crawford expedition to Wrangel Island was asked for in the House of Commons today by Hon. Dr. R. J. Manion, Conservative member for Fort William. Dr. Manion said that in view of the agitation arising from criticism of the expedition to Wrangel Island, he wished to call the attention of the House to the fact that the minister of the interior ought to be prepared when his estimates come up to state the government's point of view. Hon. Charles Stewart, minister of the interior, nodded his head.

Paris Decrees The Ornamented Cuff

Up to Paris came the news! On the Riviera—at Cannes, Nice, Monaco—over at Biarritz, the unglorified hand is pass. All because someone created the vogue of decorated cuffs—now gloves: a lovelier than ever before, the final complement of a smart Spring costume. Paris heard the news. Voila! By cable we received style notes sketched by our representatives. And now, Madame and Mademoiselle, the modes de figureur of the Rue de la Paix are to be found in your own favorite shops here in Canada. Speed! Yes. It is our pleasure to transmit the mode from les Parisiennes to les Canadiennes with dispatch. Just as if you had shopped in Paris you, too, may wear the smart gloves now seen on the Bois, at tea at the Ritz or before dinner at the Cillon. Kayser observers in Paris keep us posted. So look to Kayser, as other wise women do, for all that is chic in gloves. Note some of the latest models sketched here—they come in different shades in the proper silhouettes for Spring. And the prices—such as would delight the smart but thrifty Parisienne.

NEXT YEAR IN
FREDERICTON**

**King's Board Representatives
Chosen at Closing
Session Here**

**HEARTY TRIBUTE IS
PAID TO BISHOP**

**Insurance Committee Named
—Good Words Spoken for
Retiring Clergymen.**

Eight representatives of the Fredericton Anglican diocesan synod were elected to the board of governors of the University of King's College, Halifax, at the closing session of the synod yesterday afternoon. They are: Rev. Thomas Parker, Rev. J. H. A. Holmes, Rev. Canon Smithers, Ven. Archdeacon Crowfoot, Chancellor I. J. F. Winslow, H. Usher Miller, J. P. H. Reed and J. H. A. L. Fairweather.

Rev. A. H. Moore, president of King's, who has been attending the sessions and whose work in restoring harmony between the Nova Scotia and Fredericton dioceses with respect to King's, elicited the warm praise of Bishop Richardson at the morning session, announced in the afternoon that a meeting of the board of governors had been called at Halifax for May 6, next.

TRIBUTE TO BISHOP.
A warm tribute to the affection and esteem in which Bishop Richardson is held was paid at the closing session when a motion of thanks to His Lordship was carried by a standing vote. In moving this resolution, as he has done for several years past now, Ven-

erable Archdeacon Forsyth, Chatham, said that the success and satisfaction that has always attended the synod meetings were largely due to the wise and kindly presidency of the Bishop. The motion was seconded by H. Usher Miller while Very Rev. Dean Neales, in presenting the thanks of the synod to the Bishop, said it was given most sincerely.

Under Bishop Richardson's enlightened leadership, the diocese had prospered and he prayed he would be spared many more years to continue his work. Bishop Richardson replied feelingly.

TO MEET IN FREDERICTON.
Dean Neales and Rev. A. F. Bates, Fredericton, joined in extending an invitation for the synod to meet next year in Fredericton and this was accepted. The fixing of the date was left to the executive committee.

ON "SPEAKING OUT."
F. T. Short's motion that the synod ask the clergy to conduct their services in a clear and distinct voice was adopted unanimously. Some good-humored comment was occasioned by this motion. Dean Neales started to say something on the motion but cries of "speak out" interrupted him followed by a gale of laughter.

The dean said that while it was true the clergy could very well speak out more clearly, some improvement would also be made if the laity made the responses more clearly than is the case. The motion could hardly apply to him, he said, as he had often been accused of speaking too loud. (Laughter.)

"In fact," said the dean, "people have told me they have stayed outside to hear the service." (Much laughter.)

A resolution, moved by Rev. S. C. Gray and Rev. J. V. Young, expressing the regret of the Diocese over the retirement from parochial duties of Ven. Archdeacon Newham and Rural Dean W. H. Sampson, carried unanimously.

The three committees of the synod, the executive committee, standing committee and the board of missions met after the close of the synod session and organized for the coming year. Routine business only was transacted. Ven. Archdeacon O. S. Newham,

Dear Sirs—
This summer having seen testimonies from several people that had used your Soilgro, I decided to procure some and give it a fair trial, which I have done with exceptionally good results.

I may say I was some time managing the Horticultural Dept. at Macdonald College, St. Anne de Bellevue, Que., and had considerable experience in this kind of work. I consider it as a fertilizer for all kinds of flowers, vegetables and lawns, the best I have ever seen. (Sgd.) T. J. GIBBS.

Have a green velvety lawn; glorious garden flowers; big, healthy, earlier vegetables. Increase your yield of potatoes, roots or field grain.

Use Soilgro—the new scientific plant food. Soilgro is cheap, easy to apply, wonderfully effective. Its results are truly amazing.

Soilgro feeds any plant that has roots

It consists of beneficial bacteria which stimulates and increases plant growth. It can be used with or without fertilizers with good results. For the man in town, therefore, it eliminates the mass and objectionable odor of barnyard manure on his lawn or garden.

Send a \$5.00 cheque of money order for \$5.00 to receive a 10 lb. tin of Soilgro on good sized lawn and garden or an acre of a half of potatoes, roots or grain.

MISSION PAGEANT WELL PRESENTED

German Street Baptist Sunday School Class Deals With Indian Theme.

An impressive and realistic missionary pageant was presented last night in the German Street Baptist Institute by the members of Miss Nettie Hatfield's Sunday school class, assisted by young men from the church choir.

The pageant was entitled "The Pill Bottle" and the story it illustrated was that of Dr. Ida Scudder, who has become the head of the Baptist missionary medical college in India.

The pageant was presented in four acts. In the first the closing of a girl's college was depicted and the last three acts showed scenes in India.

The pageant was given under the direction of Mrs. C. R. Mersereau. At the close, Miss Erna Conrad, president of the class, who had taken the part of the missionary doctor with success, made the presentation of a beautiful bouquet of roses and anandragona to Mrs. Mersereau in appreciation of her efficient and kind leadership.

THOSE WHO TOOK PART.

All members of the cast gave sympathetic interpretations of the parts assigned them. Miss Bessie Tyner was the pianist. Those taking part were as follows: Miss Erna Conrad, Miss Vivian Estabrooks, Omar Thompson, the Misses Florence Brown, Elsie Sims, Helen Jones, Maude Lacey, Marion Belding, Doris Foster, Mary Lewis, Margaret Cottam, Ethel Matchett, Martha Golding, Jessie Williger, Lena Jones, Irene Bevans, Idora Coleman, Ina Magnusson, Mabel Holder and Dorothy Oatley, Neil Dow, Bernard Bean and D. QUARTER MILLION TAKEN THIS WEEK

That is Estimate of Income Tax Payments Here—Many Pay in Full.

Dominion income tax collections in Saint John this week totalled \$250,000, it was estimated last night after the time limit for returns had expired, by Lieut.-Col. Norman P. McLeod, inspector of taxation. Tuesday, Wednesday and Thursday were the heaviest days, and the rush kept fairly even until after 7 o'clock last evening, quite a few people taking advantage of the fact that the office was kept open late to accommodate those not making their payments earlier.

The greater part of those making their returns did so in full, Mr. McLeod said. Last year about 80 per

cent of the taxpayers paid in full rather than take advantage of the opportunity to make quarter payments. He believed that the proportion of this year would be about the same, although there was no way of making an accurate check.

The local office had been rushed so hard this week, he said, that it had been impossible to make out receipts for all those paying. The forms for these had been attached to the blanks and would be forwarded after they had been filled out.

IRREGULARITY MARKS WALL STREET TRADING

Several Specialties Reach New 1925 Peak Prices Early in Day

ASBESTOS COMMON IS MONTREAL FEATURE

Adds Another Two Points to Yesterday's Advance of Six.

NEW YORK, May 1.—Stock prices moved irregularly higher at the opening of today's market, with the demand centering largely in the specialties. New 1925 peak prices were attained in the first few minutes of trading by Brown Shoe, Glidden Company and Columbia Gas, while Southern Railway duplicated its high on the initial sale. Utah Securities, U. S. Industrial Alcohol, Montgomery Ward and General Electric each advanced a point or higher but American Woolen and U. S. Cast Iron Pipe, were heavy.

Asbestos Active.

MONTREAL, May 1.—The opening of today's stock exchange was featured by activity and strength in Asbestos common, which advanced two to 70, following yesterday's jump of six points. The preferred came next in activity with a smaller gain to 98. Other leaders to receive attention were Winnipeg Rails and Steel of Canada, both of which, however, sold unchanged at 46 and 54 respectively. Shawinigan was easier, falling 1-2 to 139, while Canadian Woollens registered the greatest loss by sagging 1-7-8 to 10. Two board lots of Brazilian chandele hands the same at 61-1-2. The balance of the list was quiet.

NEW YORK MARKET.

Table with columns: Stocks to 12 noon, High, Low, Noon. Includes Atchafalaya, Am Locomotive, Baldwin Locomotive, etc.

MONTREAL MARKET.

Table with columns: Stocks to 12 noon, High, Low, Noon. Includes Atlantic Sugar, Asbestos Com, Asbestos Pfd, etc.

CHICAGO GRAIN MARKET.

Table with columns: To 12 noon, High, Low, Noon. Includes May wheat, July wheat, September wheat, etc.

WINNIPEG GRAIN MARKET.

Table with columns: To 12 noon, High, Low, Noon. Includes May wheat, July wheat, October wheat, etc.

Current Events

NEW YORK, May 1.—Federal Reserve ratio 22.4, a 7.6 week ago, and 91.3 a year ago. System 77.3, against 75.1 in 1924. Reading Co. earned \$2.80 on common, against \$1.12 in 1924. During 1924, U. S. J. reduces bunker fuel oil five cents a barrel, cost by other leading refiners. American Water Works and Electric, surplus after depreciation in March, \$20,747, against \$22,229 last year. Rhode Island declared regular quarterly \$1.50 on common and preferred. New York Federal Reserve Bank rate unchanged at 4.5 per cent. During 1924, Pennsylvania S. R. March net operating income \$1,047,730, against \$1,373,351 year ago.

Morning Stock Letter

NEW YORK, May 1.—As a whole the street seems to be waiting for some important piece of news that will give business a definite indication of the trend of the horizon yet, so far as we are concerned, the great strength in special stocks seems to be a great deal of confidence. We believe that can be bought on weak spots. So, R. J. continues to be one of the outstanding features in the market, and we believe it will sell higher. It may set up more interest in other rails and we note the bullish on R. J. Mop. Pfd. and Iowa Pacific, and Wabash. A. Columbia Gas came near its high for the year yesterday. We think over the next few months this stock will sell considerably higher.

LIVINGSTON & CO.

IN TOUCH BY RADIO John McRobbie, grandson of J. H. McRobbie, a former merchant of this city, and son of G. Holley McRobbie, all of whom are now living in Vancouver, B. C., is an enthusiastic radio broadcaster, and though only a lad, has been spanning the continent with his home-made equipment. During the last few weeks several personal greetings have been picked up by licensed sets as far east as Saint John. Yesterday received an enclosed radiogram from a Connecticut business house which had received the message but knew nothing of those interested, merely courteously forwarding the message to the Saint John address.

SAVINGS BANK FIGURES.

The April deposits in the Saint John branch of the Dominion Savings Bank amounted to \$47,698.56, while the withdrawals amounted to \$7,281.22.

CANADIAN GENERAL ELECTRIC NETS GAIN

Operating Profits \$1,593,631, Increase of \$111,397 Over 1924.

MONTREAL, April 30.—The annual report of the Canadian General Electric Company Limited, for the year 1924, just issued, shows an operating profit of \$1,593,631, an increase of \$111,397 over that for 1923, while the net profit after depreciation and interest amounted to \$675,478, a decrease of \$38,000 from 1923 figure. The decrease in net is due to 1924, amounting to \$600,000, as against \$400,000 in 1923.

Toronto Man, Aged 94, Looks For Employment

TORONTO, May 1.—Matthew Potchett, aged 94, born in England, but for most of his life a resident of Toronto, a widower, with no relatives in Canada, is out of work and is willing to do anything which will relieve him of the necessity of appealing for assistance from civil agencies. Mr. Potchett, it became known yesterday, is the oldest workman in the country whose name is on the files of the Employment Service of Canada as in search of a job.

July 1 Is Chosen As Baptist Picnic Day

The Baptist Sunday School Superintendents' Association, which recently decided to hold a joint picnic at Seaside Park, have chosen July 1, Dominion Day, as the date for the big outing. Arrangements will be made for transportation, but nothing definite has yet been proposed as to a patriotic parade on that national anniversary. There will be further meetings. A stairway from the brow of the shore-line to the beach may have to be built and a few other improvements made at the picnicking spot.

The Baptist Sunday School Superintendents' Association, which recently decided to hold a joint picnic at Seaside Park, have chosen July 1, Dominion Day, as the date for the big outing. Arrangements will be made for transportation, but nothing definite has yet been proposed as to a patriotic parade on that national anniversary. There will be further meetings. A stairway from the brow of the shore-line to the beach may have to be built and a few other improvements made at the picnicking spot.

British Are Underbid For Ship Construction

LONDON, May 1.—Another case is reported of low continental tenders for the construction of ships for British owners. Some time ago the Blue Star Line invited from a large number of British shipbuilders, and some German and Dutch yards, tenders for eight refrigerator ships of about 12,000 tons deadweight each.

Defeat Y. M. H. A. Team in
Inter-Society Basketball
League Series.

The Central Baptist basketball team, last year's Maritime champions, demonstrated their ability to play the game when last evening on the Y. M. C. I. floor they defeated the Y. M. H. A. team in the deciding contest of the Inter-Society City League by a score of 24 to 28. The game was very exciting from start to finish and proved the best during the season, being witnessed by a large number of spectators. A feature of the game was the splendid defence work of the Central team.

Brooklyn Baseball Club Loses Second President Within A Month

Along The Sport Trail
By RAY HANSEN

IF "KID" ROY of Woodstock is still bent on seeking fame in the ring after his recent experience with Billy Groff then he will be given an opportunity to show his wares against a boy of his own class, Alphonso Hogan of this city. The latter has sent an acceptance of his challenge and will meet him at any time in the near future. Hogan is a clever boxer and a likeable youth and many friends would like to see him make good. He is fast on his feet and has a beautiful left jab as well as a shock producer in his right. If Roy's ambition to become a boxer has not been killed then he will undoubtedly agree to meet the Saint John boy who is a legitimate lightweight. Hogan has been keeping in condition by working out in the Royal Club rooms in Waterloo street.

Gordon Paris, another popular colored boxer, is eager to have another go in the ring. He has expressed a willingness to go to Woodstock or any other place in the Province and meet Groff. He is in pretty good condition and feels he could get into shape in a short time.

GOOSE GOSLIN of the Washington Senators is becoming quite a hero in the eyes of baseball fans. When he appears at the bat he is usually greeted with "Come on, Goose." His great hitting is making him an idol and some experts predict that he is on his way to become the biggest star in the game.

DESPITE JACK DEMPSEY's recent denial that he had split with his manager, Jack Kearns, there seems to be some ground for the reports. There is an old saying that "where there is smoke there is fire." If this holds true then the two Jacks are near the parting of the way. Only recently Kearns signed Mickey Walker, welterweight champion of the world, and this seems to lend weight to the rumors. It would not be surprising if Dempsey decided to split with his manager for the heavyweight champion is well able to handle his own affairs and save the large percentage of his earnings which would naturally go to Kearns. There was a time when Kearns meant much to the champion but those days are past. The champion can command his own price by insisting that he will fight for so much and not a cent less. It would not occasion him any worry to arrange for his own training quarters and hire a few sparring partners. By doing so he would save thousands of dollars. If the truth was known it may be that Mrs. Dempsey realizes this fact and is willing to try her hand at the managerial end of the game. By doing so she would keep the big purses in their own family.

THE NEW BRUNSWICK boxing championships are going begging this year. They were awarded to the Y. M. C. I. of this city, but so little interest was manifested by local boxers that it was decided to pass them up. Perhaps there may be a reawakening of interest next year.

CONSIDERABLE interest is being manifested in the Kennel Club show which is to be staged next week. From present indications there will be a large entry list and some of the best dogs in these parts will be vying for honors. Saint John fanciers have a reputation of knowing a good one when they see it and as a result it is doubtful if there is another city or town on the continent, comparatively speaking, that can compare with this city when it comes to staging a bench show.

British Champ.
Defends Title

LONDON, May 1.—(Canadian Press).—Eliy Clarke, flyweight champion of Britain, last night knocked out Young Johnny Brown in the last round of a 20-round contest at Albert Hall. Both men weighed 112 pounds, ringhite. Jack Stanley of Deptford knocked out Bombardier Billy Wells, former British heavyweight champion, in the third round of a 15-round contest.

DINNER GIVEN TO GLORIA SWANSON

Tribute Paid Screen Star on Account of Rise to Fame From Extra.

A "welcome home" dinner to Gloria Swanson was given recently at the Park Lane by the Famous Players-Lasky Corporation. A brilliant gathering of about 800 nobles of the dramatic, motion picture, social and literary worlds was present. Miss Swanson's husband, the Marquis de la Falaise de la Coudraye, sat at the table with her.

Amidst the gaiety there seemed to be prevalent an underlying desire among the guests to honor Miss Swanson for her triumphant rise in 10 years from an obscure little extra girl to motion picture stardom, a Marquis, and a member of the famed French Academy. This latter distinction was bestowed upon Miss Swanson by the French Government for her remarkable impersonation of "Madame Sans-Gene."

TO WRITE EXAMS FOR INSURANCE DEGREE

Local Men to Take Tests on May 29—It is the First Time.

A large number of local insurance men are preparing for the examinations to be held on May 29 for the degree of Chartered Life Underwriter which will be given this year for the first time by the Life Underwriters' Association of Canada under the power recently vested in the association to give degrees.

The examinations this month will be the first of their kind ever held in Saint John and a great deal of interest is being shown in them. The local Underwriters' Association will be in charge, and E. R. Machum and John McKinnon have been appointed examiners.

TO BE EXAMINERS.

The papers will be prepared by the Canadian Association at its headquarters in Toronto. A large number of local men have already signified their intention of taking the examinations.

This is regarded as the first step to placing the life insurance business on the footing of a profession and is receiving the wide backing of authorities in the business all over the Dominion. It is in line with avowed policy of the Underwriters' Association to give the public better service and it is hoped to make the degree mean as much in the insurance world as that of chartered accountant does in the financial world.

GOOD TOURIST YEAR

Former Saint John Hotel Man, Visiting City, Sees Cheerful Outlook.

Frank B. Doherty, formerly clerk at the Dufferin Hotel here and for the last three years manager of the C. P. R. hotel, Cornwallville, in Kentville, N. S., arrived in the city and is registered at the Dunlop. He is receiving a warm welcome from his many friends in the city. Mr. Doherty has been on a trip to Boston, New York, Buffalo, Quebec and Montreal and reports that the indications are that there will be a big tourist trade through the Maritime Provinces this summer.

He says that the hotel business in Montreal and Quebec is booming at present and expects that as soon as the traffic comes eastward the many hotels in the Maritimes will be largely patronized.

EMPRESS
FRIDAY-SATURDAY

William Fox presents
Tom Mix
—IN—
"The Heart Buster"
A Rolling Picture with a Thrill a Minute.

The Steel Trail

A Heavy Meal Acute Indigestion Sudden Death

Doctors May Say "Heart Failure," But the Most Common Cause is Stomach Acidity—GAS!

Thousands of folks think they have heart trouble and live in constant fear of a sudden end, when, as a matter of fact, 50 per cent. of their trouble is probably caused by a Sour, Gassy, Upset Stomach.

When the stomach is too acid and the slightest bit of food sets up a fermentation causing bloating and gas, then the stomach distends and crowds the heart—and palpitation, shortness of breath, difficult breathing, pressure, dizziness and a feeling of exhaustion and oppression follow—a highly uncomfortable and often really dangerous condition, but not "Heart Trouble!"

So don't get excited and don't waste valuable time doctoring the wrong thing. Unless you absolutely know your heart is bad, you'll probably find the cause of all your trouble in your stomach—and here's a simple little test to help you prove it.

From any good drugist obtain a couple ounces of pure Bismarcked Magnesia (either powder or tablets) and begin with tomorrow take a teaspoonful of the powder or 4 tablets immediately after each meal—and see what happens or rather what does not happen.

This is a pleasant, inexpensive test that seldom fails to relieve or ward off most stomach distress. Gas, Sourness and bloating—almost instantly. One day's trial proves its value. Be sure and get Bismarcked Magnesia, safe and innocuous.

Barbara To Star In Galsworthy Film

John Galsworthy's best selling novel, "The White Monkey," is now being whipped into shape to become a screen starring vehicle for Barbara La Marr. Arthur H. Sawyer, supervising director of Associated Pictures Corporation; Director Phil Rosen and Arthur Hoer, well known scenario writer, are in Atlantic City preparing the continuity. Actual production is expected to get under way within two weeks under the direction of Phil Rosen, who directed Miss La Marr's recently completed "Heart of a Tempest." First National will release "The White Monkey."

HINT FOR REPORTERS.

"Today's wideawake reporter is tomorrow's successful producer," Earl Hudson, eastern production manager for First National Pictures, told members of the Associated Motion Picture Advertisers at their regular weekly luncheon recently. The luncheon was tendered by the A. M. P. A. as a tribute to Mr. Hudson, a former member and an ex-newspaper and publicity man, who schemed and carried out the prehistoric annual idea in "The Lost World" picture.

"I don't know any publicity man with real creative ability and a background of newspaper experience who could not do equally good work in the studio," Hudson also remarked.

HARDING SAYS CARSON IS NOT ACTING CHIEF

Declines To Tell Plans and Asserts He is One in Charge

DOES NOT SEE WHY QUESTIONS ASKED

More Rumors About Fire Department Get Into Circulation Today.

Whether the fire department has anyone in charge or not is the question which is agitating the minds of the public today, and Commissioner Harding refused this morning to throw any light on the subject.

A representative of the Times-Star called on the commissioner this morning, and asked:

Q—"Commissioner, who is in charge of the fire department this morning?"

A—"No."

Q—"Why do you ask that question?"

A—"The public are interested and want to know."

Q—"Well, everything is all right?"

A—"No."

Q—"Is Mr. Thomson acting chief?"

A—"No."

Q—"Is R. G. Carson acting chief?"

A—"No."

Q—"Who is in charge of the department, then?"

A—"I am."

The commissioner refused to give any further information about the matter and intimated that it was his particular business. He did not see why these questions should be asked, as things were being looked after and the public were well protected.

MAYOR'S POSITION.

Mayor Potts, when asked about the matter, said he had nothing to say at present, but he intended to attend the interests of the citizens were looked after, and, if necessary, would take steps to end the deadlock.

Rumors in connection with this matter were rife around the streets this morning. One was that it was proposed to appoint a deputy chief, who would be a permanent man and this official would answer the siren alarms, the chief responding only to bell alarms. Gossip connected the name of Frank Frazier, driver of one of the motor cars, with this position.

Another rumor was that, after an informal conference of the Mayor and some of the commissioners this morning, it was decided that His Worship should take the matter up with the Commissioner Harding and make it plain to him that his nominee could not get the appointment of chief and that it was time the department had a head, not an acting head.

Oliver D. Thomson, who has been acting chief since the death of Charles H. Jackson, until last night, said this morning that while he had not sent a written resignation to Commissioner Harding he had notified the commissioner verbally that he would cease to be a member of the department on April 30, at the time he was asked to become acting chief.

WANT TO JOIN FORCE

Several applications have been received by Chief of Police Smith for the place on the staff vacated on the resignation of Police Constable "Sandy" Chisholm. Chief Smith said today he had not made any recommendation as yet in regard to them.

FLOUR MILL PROSPECT

Details were given on the proposed new flour mill for Saint John is expected within the next fortnight, according to L. Simms, president of the Board of Trade. The prospects for the plant, he says, are favorable. Experts are now engaged in gathering data.

TENDERS FOR PAVILION

H. Claire Mont, who drew the plans for the pavilion to be erected by the Saint John Rotary Club at the Rockwood playground, said today that nine tenders had been received. They will be opened this afternoon. An announcement will be made at the Rotary luncheon next Monday.

HERE AFTER 25 YEARS

H. D. McLeod, 25 years ago, arrived in the city last evening. He made his long trip by train, steamer and auto, coming from St. Stephen by auto with a friend, George M. Young, Milltown, N. B. He returns in a few days. Mr. McLeod is a son of the late H. D. McLeod. He is at the Royal.

AUTO CASES

Henry Ross was fined \$10 in the Police Court this morning by Magistrate Henderson for driving at a great speed than necessary at the intersection of Union and Coburg streets yesterday. The report was made by Policeman McNeill. Vernon Sharp was fined \$10 in court yesterday afternoon for driving past a standing street car.

ARBOR DAY.

This is Arbor Day in the public schools, and it is being generally observed in the city, with the pupils being called to the importance of trees and flowers. Attention is also being directed to the roadsides and the need of every precaution being taken to prevent forest fires. In the High School, a brief programme was carried out this afternoon.

MISSION CIRCLE ELECTS

The annual meeting of the Mission Circle of the Silver Falls Methodist Church was held at the home of Miss Margaret Jordan, Lakewood, Mrs. Elwood Dickson led the study of the book of the year, "China's Real Revolution." The election of officers resulted as follows: President, Miss Jordan; vice-president, Mrs. Hugh Miller; treasurer, Mrs. Sydney Wyatt; recording secretary, Miss Hattie Bustill; corresponding secretary, Mrs. William Arthur; organist, Mrs. E. J. Young. The next meeting will be held at the home of Mrs. Joseph Lamb on May 31.

SAINT JOHN DOKEYS GOING IN REGALIA TO RHODE ISLAND

Adila Temple Delegation, Accompanied by St. Mary's Band, to Supreme Convention in Providence Next August.

ADILA TEMPLE, No. 157, Dramatic Order Knight of Khorrassan, is making elaborate preparations for attendance at the grand encampment of the Imperial Palace at Providence, Rhode Island, in the second week of August. It will be the first time an organized delegation of Dokays will attend the supreme convention in the history of the Pythian branch in this part of Canada. Grand Visier A. Lind say Dykeman hopes to take his Arab Patrol with him.

The Dokays have purchased a strength between 35 and 40 members has been engaged to accompany the St. John delegation, and attention is being given to rehearsals, uniforms and the furnishing of instruments in preparation for the trip.

The Dokays have purchased an automobile to be used in connection with their financial campaign amongst the fraternity and friends. The enthusiasm with which everybody approached is entering into the matter discloses a buoyant spirit for celebrations and tourist activities this summer.

The last visit of a uniformed body from Saint John made to the United States was before the war, in 1912, when Col. J. L. McAvity took the delegation, and their band to Boston, where they received a wonderfully cordial reception.

REPORT ON EASTER SOLDIER TREATS

Red Cross Hospital Committee Ladies Tell of Remembrances of Men in Hospitals.

Reporting on the Easter treats to Lancaster and East Saint John military hospitals and to River Glade, occupied most of the time of the monthly meeting of the Provincial Red Cross hospital committee this morning. Mrs. L. F. D. Tilley presided. Those present were: Mrs. Tilley, Mrs. W. P. Bonnell, Mrs. W. A. Harrison, Mrs. E. R. Taylor, Mrs. J. V. Anglin, Mrs. C. B. Allan, Mrs. James H. Doody, Miss Ethel Hazen Jarris, Mrs. Frank R. Fairweather, Mrs. W. H. Shaw, Mrs. G. E. Barbour and Mrs. Margaret E. Lawrence.

The treasurer reported expenditures for the month \$298.89, with a balance of \$416.09 on hand.

Easter Treats.

Mrs. Fairweather looked after the treat for the soldiers in the Lancaster and East Saint John hospitals and Mrs. George McCoy of Moncton for the soldiers at River Glade. The treat included flowers, fruit, Easter cards, salads and Easter novelties for 29 men in East Saint John and 32 in Lancaster, some of them very ill, Mrs. Fairweather said.

Mrs. James H. Doody reported that 32 men had been given nine drives and that eight had been taken to the Imperial Theatre as guests for the Dumbbells and to see other shows.

Mrs. Allan reported that two sprays had been sent on the occasion of the death of two soldiers.

An appeal for dressing gowns brought a ready response with \$92 in cash and six dressing gowns from the following places: Kilburn, Beaver Harbor, Westfield, Andover, Lakeville, St. Martins, Robsey, Sussex, Sullivan, Hampton, Fredericton, Middle Sackville and Saint John. The following for the purchase of uniforms for the following places: Kilburn, Beaver Harbor, Westfield, Andover, Lakeville, St. Martins, Robsey, Sussex, Sullivan, Hampton, Fredericton, Middle Sackville and Saint John. The following for the purchase of uniforms for the following places: Kilburn, Beaver Harbor, Westfield, Andover, Lakeville, St. Martins, Robsey, Sussex, Sullivan, Hampton, Fredericton, Middle Sackville and Saint John.

Girl Guides of Mission Church Raise Funds for Buying Uniforms.

Saint John Baptist mission church hall was the scene of a pretty arranged tea and candy sale yesterday from 4 to 7 o'clock, when the Girl Guides' Troop of the church were in charge. The money raised will be added to the fund for the purchase of uniforms for the troop. Miss Hazel Peacock, captain and Miss Lois Hepburn, lieutenant, were general conveners. They had a capable committee.

Mrs. Howard Smith and Miss Peacock presided at the tea table and were assisted in serving by Miss Lillian Clark, Miss Gladys Osborne and Miss Letitia Peacock, patrol leaders, and Miss Florence Mahoney, Miss Frances Spragg, Miss Gladys Parks and Miss Mary Hunt, girl guides. Despite the inclement weather there were many patrons. The troop is planning to hold a bazaar in the future to augment the uniform fund.

JEWEL PRESENTED

Mrs. Harry E. Brown is Honored by Victoria Lodge, True Blue Association.

Mrs. Harry E. Brown, who has been worthy mistress of the Victoria Lodge, No. 98, Local True Blue Association for eight years, was given an appreciative address and gift at a meeting this week. Mrs. Edward L. Hayward, the new worthy mistress, occupied the chair and exemplified the first degree, for two candidates. Miss Josephine Shields made the presentation of a past mistress's jewel to Mrs. Brown. The services of Mrs. Brown, for so many years in the responsible position as worthy mistress, were spoken of and expressions of appreciation were voiced by other members. Mrs. Brown replied to the address and presentation with remarks that told of the pleasure she had in serving the lodge, and said that her success was entirely due to the happy spirit which prevailed among officers and members. A committee of the Victoria lodge members served refreshments.

Work Progresses Inside New Hotel

Work on the interior of the Admiral Beatty Hotel is now largely confined to the street level, such as laying tiling, hitching up myriad electrical connections from the roundabout tunnel under the building, and finishing the store frontages. The social, or second floor, is ready for electrical fixtures and decorations and the sleeping floors will be furnished whenever it is time to bring in carpets, bedroom equipment, etc. The elevator cars have not yet arrived, but Contractor Watson of Montreal has about finished the general iron work.

One of the last things done by this firm was to put an extra coat of black paint on the flagstaff, which was done by a cool-headed workman, seated in a boatswain's chair, manipulated by the balancers of the staff. This man has the distinction of reaching the highest point of the new structure, which towers over the city in general.

FOUND WORK FOR 288

Local Office Employment Bureau Statement For April is Issued.

The local office of the Employment Bureau of Canada placed 288 workers during April, the majority of these women. There was a good demand for day workers among the women, but the placements of men was light. William J. Ryan, who is in charge of the local office, said this morning that the prospects for the month of May were not bright so far as the labor market was concerned. There were 500 men registered in the local office for whom there was no employment at present. Much of the work offered was of a casual nature and little steady employment was now available for men out of work.

At the beginning of April there were 600 names on the list, but 100 of these were men looking for employment in the woods. They had since returned to their homes, which are outside the city.

Mr. Ryan said today that the men registered were all anxious for work and eagerly took on any job that offered, whether it was of a casual nature or not. Even jobs offering outside the city were filled without difficulty, which he said was a change from a year or so ago.

As Hiram Sees It

"Well, sir," said Mr. Hiram Hornblum to The Times reporter, "if I hadn't been awful hungry on that steamer Prince Arthur yesterday at Digby I wouldn't have let no dimer. As soon as we got aboard somebody started the jam that it was awful rough out in the bay. Then when we heard a lot of hammerin' on the deck somebody said they was caulkin' the ship's side wot they take in too much water. Then Mont Jones was handed a wireless that said a hurricane was predicted. Jim Woodman he said being pool an' seatin' was better'n a pokin' up by Doc Spangler an' we orto look forrad to it with joy. Jim hed a state-room, an' we missed him after the steamer got out in the bay. Well, sir, them Rotarians is great jokers. I guess Jim'll see they'll see me an' put one down on Sile Jones. Sile was braggin' down to the store the other night about bein' the Exalted Ruler of some kind 'o' lodge. He opens an' shets the door—or somethin' like that. Yes, sir—I guess I'll try an' jine up—By Hen!"
