## University of Trinity College.

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine in the University.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the CAPUT.

THE CAPUT consists of the Vice-Chancellor, and four members of Convocation, to be elected annually by Convocation at the first meeting in the Michaelmas Term.

The University confers no Degree whatever unless the candidate has previously taken the oaths of allegiance and supremacy, and subscribed the following declaration:—

“I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”\*

## I. THE PREVIOUS EXAMINATION.

This Examination will take place, in the case of Students entering in the Michaelmas Term, at the end of the second year. The subjects for this Examination will be :

**DIVINITY.**—One of the Historical Books of the New Testament in Greek.  
Evidences of Christianity.  
Church Catechism.

**CLASSICS.**—Portions of two Greek and two Latin authors.  
Latin Prose Composition.

**MATHEMATICS.**—Euclid. Books I, II, III, IV., VI.  
Algebra, to Binomial Theorem inclusive.  
Trigonometry, to Solution of Triangles inclusive.  
Elementary Statics.  
Elementary Dynamics, to the end of Rectilinear Motion of a Particle.

The particular authors to be fixed at the beginning of the Lent Term of the preceding year.

The names of Students who pass this Examination will be arranged in three classes, in alphabetical order; the first class consisting of those who shall have obtained at least half the whole amount of marks in each subject: the second of those who shall have passed creditably, though below this standard: the third of those to whom the examiners shall have only not refused their certificate of approval.

Any Student who shall have obtained a first class in the Previous Examination, and shall also have passed a satisfactory examination in the Honor Subjects in Classics at the end of the second year, shall be allowed

to declare for Classical Honors, and shall be exempted from attendance at Mathematical Lectures during his third year.

The like exception will be granted on the like conditions (*mutatis mutandis*) to Mathematical Students.

Those Students who shall have been rejected at the Previous Examination of their own year, or who shall have been absent from such Examination, shall be required to attend the Previous Examination of the succeeding year.

If any Student shall absent himself from the Previous Examination of his year without the written permission of the Provost, he shall be considered not to have kept the Easter Term of that year.

Students entering in the Lent or Easter Term must offer themselves for examination at the same time with those who entered in the preceding October.

The subjects for this examination will be as follows:

**DIVINITY.**—Scripture History.

Some one of the Historical Books of the New Testament in Greek.  
The Articles of the Church of England.

The particular authors to be fixed before the end of the Easter Term of the second year.

## HONOUR EXAMINATION AT B.A.

Those who shall have been approved at the Pass Examination for B.A. may present themselves for further examination for Honours in Classics or Mathematics. The result of such examination will be published in the College Hall, and in the public prints, in three classes: the order of merit in each subject being determined by the number of marks obtained in this examination, together with those obtained in that subject in the Pass Examination.

The Examiners in Classics or Mathematics may, at their discretion, add a fourth Honorary class to their Honour list, consisting of those who, not being candidates for Honours, have highly distinguished themselves in the classical or mathematical parts of the Pass Examination respectively.

Candidates for Honours who shall have claimed exemption from examination either in the Classical or in the Mathematical Subjects appointed for the ordinary Degree Examination, if they shall have failed to obtain a Class in Honours, will not be eligible for the Degree of B.A. until they shall have passed the ordinary Examination.

In addition to the Mathematical Lectures on the subjects mentioned for the Degree of B.A., students of the second and third years are required to attend a course of Lectures on Optics, Astronomy, Sound, and the Theory of Light treated popularly. The course will extend over two years, and the Lectures

will be given to Students of the Faculty of Arts during the Term of Fortification.

Questions on the subjects of the course will be put into the examination.

Students of the Faculty of Arts who have completed a course of Lectures during the Term, and who have not entered into their Examination, may be admitted to the examination.

*N.B.*—The examination in the Faculty of Arts in the Michaelmas Term, and in the Faculty of Divinity in the Michaelmas Term, is for the purpose of the Lectures on the Faculty of Arts, and the Faculty of Divinity, entering at an advantage.

## Trinity College.

TRINITY COLLEGE was, by an Act of the Legislature of the Province of Canada, passed in the year of our Lord 1851, constituted a body corporate, consisting of the Lord Bishop of Toronto, (or in case of the division of the Diocese of Toronto, of the Bishops of the several Dioceses into which the Diocese of Toronto shall be divided,) the Trustees of the College, and the College Council.

On the first of January, 1850, an Act of the Provincial Legislature came into operation, constituting the University of Toronto; and under the provisions of this Act, the Faculty of Divinity was suppressed, and the use of the ritual of the English Church forbidden in King's College, now known as University College.

This important change in the constitution of a foundation, which owed its origin mainly to the long continued and persevering efforts of the Bishop of Toronto, appeared to his Lordship, and to the great body of the Churchmen of the Province, to render indispensable the erection of a College for the instruction of members of the Church of England.

The Bishop, consequently, on the 7th of February, 1850, issued a Pastoral Letter to the Clergy and Laity

of the Diocese, inviting their co-operation in the good work. This appeal was nobly responded to, and about £25,000 currency was subscribed in money, lands, and stock in building societies.

In the same year his Lordship proceeded to England, where he received very liberal assistance in carrying out his great design. The Society for the Propagation of the Gospel in Foreign Parts made a vote of two thousand pounds, payable by instalments of four hundred pounds per annum, and also gave seven acres and a half of land, within the precincts of the city of Toronto. The Society for Promoting Christian Knowledge granted three thousand pounds, and the University of Oxford five hundred pounds. The subscriptions of individuals exceeded four thousand pounds.

On Wednesday, April 30th, 1851, the foundation stone of the College was laid; and on Thursday, the 15th of January, 1852, the Inauguration took place, and from that day the regular course of instruction commenced.

In the year 1852, the Ven. A. N. Bethune, D.D., Archdeacon of York, raised further subscriptions in England; and, in 1852-3, the Rev. William McMurray, D.D., by the appointment of the Bishop, made a tour in the United States, for the purpose of soliciting subscriptions on behalf of the College. He met everywhere with a most cordial reception from the members of the sister Church, and obtained, in books and money, a sum little short of 10,000 dollars.

Within the Diocese successful efforts were, at the

same time, and by the Bishop's appointment of western, the Diocese.

In April, 1851, the sale of the College lands and money devoted to the purchase of ships for Students, and associate with the benefactor.

same time, made by the Rev. T. B. Fuller, D.D., and by the Rev. Saltern Givins—the former, by the Bishop's appointment, undertaking the canvass of the western, the latter that of the eastern section of the Diocese.

In April, 1853, Dr. Burnside placed at the disposal of the College the munificent sum of £6,000, in lands and money—a portion of which has been devoted to the foundation of two Burnside Scholarships for Students in Arts, in order permanently to associate with the College the name of this noble benefactor.

Other benefactions to the College will be found mentioned in connection with the Library, or under the head of Scholarships.
