"About a year ago I took the worst cold that ever a man had, followed by a terrible cough. The best medical aid was of no avail. At last I began to spit blood, when it was supposed to be all over with me. Every remedy failed, till a neighbor recommended Ayer's Cherry Pectoral. I took half a teaspoonful of this medicine, three times a day, regularly, and very soon began to improve. My cough left me, my sleep was undisturbed, my appetite returned, my emaciated limby gained flesh and strength, and to-day, thanks to the Pectoral, I am a well man."—H. A.
