TUESDAY EVENING, JULY 7, 1874

WANTED IMMEDIATELY,
2 Journeymen Printers
To work in the Job Room of the Mercury
Office.

Town and County News
THE HORTICULTURAL Show is going
on this afternoon and evening at the
Drill Shed. Go.

PRESENTATION IN ORANGEVILLE.—On
Saturday night a number of the em-
ployees of the T. G. & B. Railway, and
friends in Orangeville, met in Wilson's
Hotel and presented Mr. Alexander H.
Crawford, late agent in that town, with
a magnificent gold watch and chain.

SECOND WESLEYAN CHURCH.—The
corner stone of this edifice, on the
corner of Dublin and Suffolk sts., will be
laid on Thursday afternoon—at 4.30
o'clock, by James Hodgh, Esq. Rev.
W. H. Poole, of Toronto, will be present.
The match was won by the Garrys. The
strawberry festival will be held in the
Drill Shed.

INCIDENT FIRE.—A spark from the
chimney of Stewart's Planing Mill, fell on
the roof of the building to-day and caused
a blaze. In answer to a call for help,
Robertson & Cull's hoseman hurried up
to the scene from his work on the street,
but a few pails of water had done the
necessary business of preventing the
spread of the flames.

BASE BALL IN MANTOBA.—We notice in
the Free Press that Base Ball is becoming
as popular in Manitoba as in Ontario. A
match was played on the 26th, between
nine of the Military and nine of the
Garrys club, in which latter we notice
the name of Wm. Heun, son of Mr.
John Heun, Hotel Keeper, Guelph. The
match was won by the Garrys. They
making 21 runs, to the Military's 15.

RUNAWAY.—On Monday evening, a span
of horses attached to a lumber wagon,
started off at a brisk rate from Upper
Wyndham street, leaving portions of the
wagon here and there along the road be-
tween Guelph and the Junction, where
the stocks were captured. Strange to
say, neither horses nor wagon suffered
scarcely any injury. The wagon simply
came apart, and only needed to be col-
lected and put together again, the rig
being brought back to the Wellington
Hotel, looking nothing the worse.

ST. ALBAN'S MASONIC LODGE.—The officers
of this lodge in Mount Forest, were
installed for the ensuing year as follows:
—W. Bro. Jno. McLaren, W.M.; Bro.
John McFadyen, S.W.; Bro. J. Rogers,
J.W.; W. Bro. T. Swan, Chaplain; Bro.
James Watt, Treasurer; Bro. T. G.
Smith, Secretary; Bro. E. B. Bosley,
S.D.; Bro. R. J. Dale, J.D.; Bro. A. E.
Edmond, D. C.; Bro. W. L. Smith
and Wm. Roberts, Stewards; Bro. Tho. S.
Ainley, I.G.; Bro. James Mude, Tyler.

TWELFTH OF JULY CELEBRATION.—The
anniversary of the Battle of the Boyne
falling this year on Sunday, that event
will be celebrated on Monday, the 13th
of July. In Orangeville's extensive pre-
parations have been made for the cele-
bration by the lodges of Orangeville and
surrounding districts. The Mount
Forest and Harrison Lodges will also
participate in the celebration, the To-
ronto, Grey & Bruce Railway having
generously consented to run cheap ex-
pression trains to and from Orangeville.

A SENSIBLE QUERY.—Why should a
small egg sell at the same price as a
large one? It would be difficult to an-
swer, except that the custom of the egg
trade has made it so. But it is unfair;
it discriminates against the improve-
ment of fowls, that is against the im-
provement of the egg harvest. Buying
and selling by weight is the correct
practice; and we notice that the State of
Massachusetts has passed a law fixing a
pound and a half as the minimum weight
of a dozen of eggs. The next thing is to
scale the price by the pound, and not by
the dozen, and every hen will then stand
on her own merits.

CRICKET MATCH TO-MORROW.—A match
between the Guelph Cricket Club and
the Volunteers, has been arranged for to-
morrow afternoon at 1.30 p.m. This
promises to be the most interesting and
best contested game of the season, as
the Cricket Club is in good form, and we
understand the Camp of Instruction has
some of the best players in the adjoining
counties. We understand application has
been made to Col. Clark for one of the
Battalion Bands for the occasion, and no
doubt with his usual liberality he will
readily consent. The following players
have been selected for the match:—J. T.
Nichols, F. C. Chadwick, J. Mitchell, Jr.,
G. Munton, W. Heary, G. Grange, R. P.
Palmer, E. Ewart, A. Hines, Geo.
Bookless, G. Sharpe.

ANOTHER NEW VAN.—We notice that
Mr. F. J. Chubb, West End grocer, has
just got a new van, his business having
increased to such an extent that he has
found it necessary to procure a horse
and wagon for the delivery of goods.
The van was built by Mr. John McConnell,
of this town, and is got up after the
American trade wagon style, combining
beauty with strength, and still being
sufficiently strong for the purpose for
which it is intended. Another advan-
tage is, that the top can be removed at
will, and the vehicle used as a one or
two-seated pleasure carriage. The paint-
ing was done by Mr. Wm. Whealley, his
faithfulness. The entire work is highly
creditable to all concerned.

Pyrotechnic Accident.

Defeat of the Carlists.
Fourth of July Incidents.

New York, July 6.—When the pyro-
technic display, which came off this even-
ing in Market Square, had about reached
its close, a spark from a rocket alighted
in the midst of a pile of fireworks which
were lying on the ground ready to be set
off. All of them exploded, and the
sticks of the rockets, balls from the
Roman candles, and bombshells went
among the crowd, which numbered at
least 5,000. The crowd were seized
with a panic and broke, trampling every-
thing in their way under foot. Fortu-
nately but few persons were so seriously
injured as to require medical aid.

London, July 7.—The Earl of Dal-
housie died yesterday, aged 73.

Paris, July 6.—Despatches from Spain
report that 4,000 Carlists attacked Terrel
last Saturday. After an engagement
which lasted twelve hours they were
obliged to retire, with a loss of forty
killed, sixty seriously wounded, and 200
taken prisoners. The Republicans lost
nine killed and fifteen wounded.

New York, July 7.—Steamship Idaho
yesterday brought 700 Mormon emi-
grants, on the way to Utah.

The special say that thirty-seven
houses were unroofed on Pennsylvania
Avenue in Washington, by a hurricane,
on the Fourth. Excitement at one time
was nearly a panic, and it was feared
that the whole city would be swept away.
The velocity of the wind for fifteen
minutes was sixty miles an hour. Loss
estimated at over one million dollars.

Buffalo, N. Y., July 6.—The balloon
Buffalo, which ascended from here at
7 p.m. on the 4th, after passing over the
Allegheny mountains, Havre de Grace,
Md., and Delaware city, landed in Salem
city, N.J., at 7 a.m. yesterday. The dis-
tance is 400 miles, and it is claimed that
this voyage was the most exciting and
the longest ever accomplished.

BASE BALL ITEMS.
PROFESSIONAL GAMES.
For the sixth time the Athletics have
defeated the Philadelphia nine in a
championship game this season. Five
thousand persons assembled to witness
the game at Philadelphia on Saturday,
the Athletics winning by their heavy
batting. The score by innings was as
follows:—

	1	2	3	4	5	6	7	8	9
Philadelphia	0	2	0	3	0	0	0	0	6
Athletics	6	1	4	0	1	0	0	0	12

Fully 5,000 persons assembled at the
Union Grounds in Brooklyn, on Satur-
day to witness the second game of the
championship series between the old
rivals, the Mutuals and Athletics. The
first game was played on May 30, and
resulted in a victory for the Mutuals by
a score of 2 to 0. The Athletics proved
to be too much for the Mutuals in this
game, as the appended score will show:—

	1	2	3	4	5	6	7	8	9
Atlantic	2	0	0	0	0	0	0	1	3
Mutuals	0	0	0	0	1	0	1	0	2

The following is the championship re-
cord of games played, won and lost by
the eight clubs in the arena up to the
6th inst.:

Club	Games played	Won	Lost
Boston	29	26	6
Athletic	25	20	6
Mutual	29	16	13
Philadelphia	28	11	17
Hartford	20	6	14
Baltimore	24	5	19
Atlantic	19	7	12
Chicago	22	8	14

A New York paper says:—The Eastons
bid fair to carry off the prize at the
Watertown tournament to-day, as they
succeeded in defeating the amateur
Flyaway club of this city on Saturday,
by a score of 13 to 7.

The above club were to be the oppo-
nents of the Maple Leaf to-day for the
first prize.

LETTERS FROM LIVINGSTONE.—A Lon-
don letter to the New York Tribune says
some new letters have come to light,
from Livingstone, including one in which
he says Stanley's arrival and generosity
in dividing his clothing with him, and
kind attentions in cooking him some nice
food, undoubtedly saved his (Living-
stone's) life at the time.

THE WIMBLEDON TEAM.—The Cana-
dian team for Wimbledon had a fine run
home. They have gone to the Albert
venues, where the new targets are set up.
Capt. Millmay, Secretary of the Nation-
al Rifle Association, is looking to all the
necessary arrangements for their recep-
tion at Wimbledon. The team are in
good spirits, and hope to carry off their
share of prizes and honours. Colonel
Gzowski is at Wimbledon, and taking a
deep interest in the proceedings affect-
ing the team.

NEW CONNEXION METHODISTS.—We no-
tice from a report of the proceedings of
the Conference of the New Connexion
Methodists in England, that the pro-
posed severance of the Canadian branch of
that Church has been looked upon with
very great regret—some of the elder
ministers being moved, by the very
thought of such a thing, even to shed
tears. The arrangement, however, was
acquiesced in, and as we believe, by cer-
tain concessions that have been made,
all the objectors in this country to the
proposed union are now fully satisfied
with these, there will be no reason why
the measure should not be proceeded
with as soon as possible.

Mr. Cooper of Kincairdine, had a very
narrow escape from being crushed by the
cars on the morning of the departure of
the volunteers for Guelph. He hap-
pened to be standing on the track close
to the high platform when, without his
knowledge, cars were approaching from
both sides. The platform was too high
to get upon it and escape, and there was
no standing room between it and the
cars. Fortunately the cars were stopped
within a foot of him or the consequence
would have been serious.

TOWN COUNCIL.

The Council met on Monday evening,
Present, Messrs. Heffernan, Petrie, Crowe,
Elliott, McCrae, Hood, Davidson, Coffee,
Mills, and Robertson.

COMMUNICATIONS.
The following communications were
read: From Col. Clarke and the Officers
of the Brigade Camp, inviting the Council
to mess on Wednesday evening.

On motion of Mr. Elliott, seconded by
Mr. Howard, the invitation was accepted.
From the Town Solicitor to the effect
that a new trial had been granted, with-
out costs, in the suit of Scroggie vs.
Guelph. Referred to the Finance Com-
mittee.

From J. Watson Hall, requesting three
months, leave of absence.—Granted.

From J. Mair, Chairman of the County
Committee on Boundary Line bridges, stat-
ing that plans had been obtained for a
new bridge where Victoria Bridge now
stands, including 125 feet of trestle work
which is required for approaches. The
Committee have heretofore confined their
work strictly to bridging the stream,
leaving the approaches to be built by ad-
joining municipalities. The estimated cost
of the whole work is between \$4,000 and
\$5,000; for the trestle work the estimat-
ed cost is \$6.50 per lineal foot. The
committee believe it would be an advan-
tage to include all the work in one con-
tract, and with this view they request
the town and township to agree to pay
the cost of said trestle work, or if they
prefer, that they agree to pay \$800 to-
wards the whole work. Should either of
these requests be granted, the committee
will proceed with the work without de-
lay, in order to have it completed before
the winter sets in. Failing such an ar-
rangement at an early day, the commit-
tee will be reluctantly compelled, in jus-
tice to other municipalities, to make im-
portant modifications in the plans. After
some discussion, this communication was
referred to the Road and Bridge Com-
mittee.

Mr. Davidson read a petition from
John Coughlin, asking for transfer of
saloon license for the Royal Saloon.—
Granted.

Mr. Elliott read a petition for a grocery
license from Thos. McCaffrey.—Granted.

Mr. Howard read a petition for the use
of the Exhibition Building for the
Y. M. C. A. promenade concert on Wed-
nesday evening. On motion of Mr. Mc-
Crae, the petition was granted, on the
association paying an extra insurance
charge.

Mr. Petrie read a petition from Jas.
Mays, requesting that the Council re-
fund \$20 paid on behalf of the St.
Joseph's Hospital Picnic Committee for
entrance to the Exhibition Grounds on
the 24th June.

Mr. Petrie, seconded by Mr. Hood,
moved that the petition be granted.

Mr. Heffernan understood that the
Exhibition Building and Grounds had
been granted to the Hospital Committee
by the Council free of charge.

Mr. Howard said that a difference ex-
isted when the grounds were used by
associations at which charges were made;
but there should be a regular rate for all
occupants. The Y. M. C. A. at present
occupying the building did so by virtue
of their connection with the Camp.

Mr. Elliott thought the building should
be properly regulated, and the key ob-
tained in each case after a proper form
had been completed with.

Mr. Hood supported both the Hospital
and the Y. M. C. A., and thought that
similar institutions should be admitted
to the Exhibition grounds and building
free.

Mr. Howard was opposed to the prin-
ciple of admitting free access to institu-
tions which charged admission at the
gates.

The motion was then put, and after
the years and days being called for by Mr.
Heffernan, resulted as follows:—Yeas,
The Mayor, Messrs. Heffernan, Petrie,
Elliott, Hood, McCrae, Davidson and
Coffee. Nays, Messrs. Howard, Mills,
Robertson and Crowe.

Mr. Elliott read the 6th report from
the Finance Committee, granting \$40 to
Capt. Bruce's Company of the 30th
Battalion, and \$75 to the Battery of Ar-
tillery to assist in procuring extras and
refreshments for the men.

The petition from Louis Mudge for a
tavern license for the House of the
Moor, presented at last meeting but re-
fused on account of informality, was
again brought up with the blanks filled
in, but sent back again, the Council
holding that no chance could be made in
the petition after the signatures had been
written.

Mr. Howard moved, seconded by Mr.
Heffernan, that the Mayor and Council
be a committee to make arrangements
for entertaining the officers of the Brigade
now in camp, and that the Mayor invite
the officers, through their Commandant,
to a collation in the Exhibition building
on Thursday evening next. Carried.

The Council then adjourned.

A long time ago an old man and his
daughter Diana started to cross a marsh
in Lake Charles parish, Louisiana. They
were never afterwards heard from. A
short time ago a hunter's dog started
a wild animal in the marsh, and the
hunterman was about to shoot when he
saw that it was a girl, nude and wild. He
reported his discovery, was told the story
of Diana, and has started out in search
of her again.

THE BRIGADE CAMP.

July 7.
Nothing occurred to vary the daily
routine of camp life yesterday. The
usual drill took place in the morning and
forenoon, and in the afternoon the whole
Brigade, with the exception of a portion
of the 30th, who were at the butts,
marched out to the drill ground, and
had a couple of hours' exercise. Previous
to going out the men were served with
five rounds of blank ammunition to be
used in skirmishing.

On reaching the ground, the Brigade
first practised marching past in open
column. They then counter-marched,
and marched past again in close column.
These movements were gone through with
a precision and correctness which was
surprising, when we consider that at
least half of the men have only been in
the ranks but a short time, and had only
once or twice before gone through the
same movements in Brigade.

The Brigade then prepared for a sham
fight.—The column fronted and advanc-<

Affairs in France.

The restless ambition of politicians and public men in France, combined with the strange medley of political creeds held by its people, keeps that country in a continual ferment. Scarcely had the excitement attending a ministerial crisis abated, when a new sensation springs up in the shape of an appeal from Count de Chambord in behalf of Monarchy. A descendant of the once powerful but now despised Bourbons, he still dreams of the re-establishment of monarchy in France, and as he has the best right to be King—if such a functionary is to be again recognized—he has issued a manifesto, which appeals to the loyalty of the people, and in which he asserts his right to reign. He repudiates the charge brought against him that he wishes to override the laws, and would prefer a government based on absolutism and arbitrary ideas. He favours a limited monarchy, which would give to the King the nomination of members to one branch of the Legislature, leaving to the people the right to elect members to the other. He says he has no desire to domineer over the people, nor should the people contend against the King, but both work together as auxiliaries in building up the country and consolidating the government. The platform of this advocate for legitimacy is all right, and in strict accordance with our notions of a limited monarchy. But it is questionable whether it will have that influence over the people which the Count in promulgating it desires. There is no doubt it will secure the sympathies of those who earnestly wish to see a permanent form of Government established, and who are indifferent whether that is accomplished under a perpetual republic or limited monarchy. But outside of this class there are the extreme Republicans—restless spirits, whose visionary schemes are impracticable, but who are ever seeking to carry them into effect. On the other hand we have the imperialists—a numerous and influential class—whose dream is the re-establishment of the Napoleonic dynasty, and who look to the Emperor as the future hope of the empire. With such contradictory and contending elements, Count de Chambord's efforts to revive the fallen fortunes of the Bourbons, and to set up again the throne that was overturned in 1848, seems well nigh hopeless. The future of France is altogether uncertain, and the most far-seeing statesman is utterly unable to tell which faction may triumph, and whether a Republic, a Monarchy or the Empire will emerge out of all the contending elements.

Messrs. Fournier and Geoffroy have been duly installed in the offices respectively of Minister of Justice and Inland Revenue, and Mr. Mackenzie's Cabinet is once more complete.

A company has been formed in Liverpool, Eng., under the title "The Canadian Meat and Produce Company," (limited) to import from Canada prime joints of animals, for utilizing the tallow, &c. Capital, £200,000, one half of which will at first be issued.

A company, with Hon. Dr. Robitaille as head, has been formed to connect the Intercolonial Railway with Pasphebe Harbour, on Bai De Chaleurs—distance to be traversed about 160 miles—with the view to shortening the ocean voyage to Europe. The harbour mentioned remains open throughout the year.

The statement that the Hon. Wm. Macdougall has been dismissed from the services of the Dominion and accepted regular employment by the Tory press of London, is confirmed. He is the author of the late attack on the Dominion Government which appeared in the Standard and other papers.

It is understood that Hon. Mr. Oimmet, Minister of Public Instruction and Premier for Quebec, is preparing a law on the subject of education, designed by "further reforms," to place the system more completely on the basis approved by the Roman Catholic Church. Nouveau Monde, the Bishop's organ, is highly gratified. The policy may be intended to affect next year's elections.

Henry Grinnell, of New York, died on Tuesday last. He was prominent in the list of great merchants who had established the mercantile renown of that city in the thirty years before the war of the Rebellion, while his active efforts and liberal outlay for expeditions in search of Sir John Franklin and for Arctic exploration made him very widely known and called out universal commendation.

The Montreal Miner of Monday morning publishes the following despatch, received from Fort Garry: "The Government has been beaten by a vote of 15 to 7. The cause of this defeat is the past conduct of the First Minister Clarke. Immediately after the vote the House adjourned until Monday. The Ministry will resign at once." Miner considers the Ministry will be mostly reorganized, Clarke omitted, with Royal as Premier and M. Dubuc as a member to fill the vacancy.

The Reformers of North West-worth have decided to hold a convention in Dundas on Thursday, 27th of August, for the purpose of nominating a Candidate for the next

Local Election—the delegates to said convention to be appointed in each Electoral Division of the Riding on Tuesday, the 25th of August. T. H. A. Begue, Esq., was elected to fill the position of Secretary of the Association in place of B. B. Osler, Esq., who had tendered his resignation on account of having been appointed Crown Attorney and Clerk of the Peace for the County of Wentworth.

The Globe puts the matter about the Canadian loan in its true light in the following paragraph:—"The actual total cost of the loan to the Dominion of Canada is equivalent to an annual charge of \$4,52 per centum on the par value—or, say, a fraction over four and a half per cent. At the time the loan was issued Canada unguaranteed Five per Cents were quoted at 109, or less July dividends, 107. A five per cent. loan at a premium of seven is equal to an annual interest of \$4.67 per cent. It appears, therefore, that Mr. Cartwright succeeded in floating the new loan at a charge equal to fifteen cents on every hundred dollars less than existing securities of the same class. This represents a saving on the total amount of the loan (\$19,600,000) of \$26,400 per annum, or on the thirty years the loan has to run, of \$882,000. That is the trifling sum saved to the country by a gentleman who was alleged to have destroyed Canadian credit and to be a mere bungler in finance."

The New Canadian Loan. Further advice only tend to confirm the very favorable view taken by those best qualified to judge Mr. Cartwright's late financial operations in the London money market. The acceptance by the British capitalists, on terms so advantageous to Canada, of a four per cent. unguaranteed loan, will have the effect of sealing the rate of interest on future loans at a lower figure than had hitherto been supposed to have been possible, and one that will compare favorably with almost any class of Government securities.

It has already been explained that some \$6,000,000 of the new loan is required to retire bonds which will mature during the current financial year. The latter bear interest at six per cent., and a large saving—about \$90,000 a year—will be effected by exchanging the "sixes" for the new "fours." The immediate effect of the operation is to place a charge of \$800,000 a year upon the Consolidated Fund under the head of "interest of debt" against a reduction of \$360,000, making the net addition about \$440,000.

As a test of the state of Canadian credit the experiment has been successful beyond anticipation. The credit of Belgium stands high, but not higher than that of the Dominion of Canada, Belgian three per cents. fetching 73½ at the date our loan was launched. The credit of the Dominion is also shown to be higher than that of Russia or Brazil, as tested by the same stern and inexorable standard, the prices of the Stock Exchange. Brazilian five per cents. were quoted at 100 to 101, while Russian railways (Government) paying four per cent. stood at 83½, and Russian five per cents. at 100 to 101. In fact, notwithstanding the loan was a large one, and that further applications were, in the nature of things, at no distant date sure to follow, our new four per cent. securities are worth almost as much as British three per cents., which is a very great advance in the right direction.—Globe.

Elia Correspondence. CORRECT.—In our notice of the letting of contracts for the Conestogo River Bridge, the names and figures should have appeared as follows:—Angus McLellan, \$1,425; Michael Barlow, Drayton, \$2,147; George Wilkie & Co., Fergus, \$1,890; Simpson & Taylor, Elora, \$1,680; Simpson & Wanless, Mount Forest, \$1,550; John Bond, Wallace, \$9,600; Alex. Preston, Maryborough, \$9,395. The tender of Angus McLellan was accepted upon his furnishing satisfactory security.

FAST TIME.—The "newspaper train" on the Pennsylvania Railroad left Jersey City on Monday morning nearly half an hour behind time, and made it all up before reaching Trenton. This distance, a fraction less than fifty seven miles, was run in fifty-nine minutes, including a stoppage of over a minute at Newark and a moderation of speed at New Brunswick. There were some portions of the road where the speed was more than a mile and a quarter a minute. Just beyond New Brunswick five miles were run in three and one-half minutes, which is at the rate of nearly eighty-six miles an hour. About a dozen passengers enjoyed this extraordinary ride.

We have it on respectable authority that a Lodge of Knights of Pythias will be instituted in the Town of Guelph this coming fall.

DISSOLUTION OF PARTNERSHIP. The partnership heretofore existing between the undersigned as Sewing Machine old "sixes" for the new "fours." The business will hereafter be carried on by William Wilkie and J. H. Osborn, under the style and firm of Wilkie & Osborn, as the Guelph Sewing Machine Company, who are authorized to collect all the accounts due the late firm of Keables, Osborn, & Co. and to settle all debts contracted by said firm. Dated Guelph this first day of July, in the year of our Lord one thousand eight hundred and seventy-four. M. A. KEABLES, J. H. OSBORN, J. C. MCLAGAN, WILLIAM WILKIE. Witness—DONALD GUTHRIE.

WE solicit for Messrs. Wilkie & Osborn, our successors and liable partners, the continued favours of all our old friends, and feel assured that they will creditably maintain the business connection with which the late firm of Keables, Osborn & Co. were favored. M. A. KEABLES, J. C. MCLAGAN.

IN connection with the foregoing we can only say that every effort will be made by us to raise the sewing machines of our manufacture to a higher position in public favor than they have hitherto attained, and hope thereby to meet an extension of the support and confidence the late firm so liberally enjoyed; and we trust we may be able to do so not only a household word, but a necessary article in every household. G. B. FRASER

Has removed directly opposite his old stand, where he has opened with a brand new stock at much lower prices than could be bought earlier in the season.

G. B. Fraser is too modest to advertise that he is selling much cheaper than those who make a great show. Still facts are stubborn things, and a discerning public pronounce Fraser's to be the cheap store to deal in.

G. B. Fraser gives his old friends a cordial invitation, and invites all who wish to save money to call and see his new stock.

The fact that one of the oldest and best known dog fanciers in New York, a Mr. Butler, who made a business of keeping and selling dogs, died recently of hydrophobia, gives a severe blow to the theory which many entertain that this frightful disease is purely imaginary. Mr. Butler, we are told, was an habitual scoffer at hydrophobia, and fond of asserting that men who died of that so-called disease were simply the victims of their own imagination. About a week since he was bitten by a rabid dog, and in spite of his strong belief in the harmlessness of the wound, and his nerve in resisting the attack, death ensued after a period of intense suffering.

The feeble health of Sir John A. Macdonald continues to be a source of uneasiness to his friends.

The Rev. J. D. O'Meara, Episcopalian Minister, of Fort Garry, who is in Ottawa collecting for building a church at Fort Garry, is reported as saying it had been reported that Riel would not take the field again, though if he did his friends believe he could be elected. He has been prevailed upon to keep in retirement for the present. Mr. L. A. Riviere or Mr. Bannister, or both, will run. The Attorney-General will not stand again. Riel is going about as usual, not interfered with.

MANUFACTURE OF COCOA.—We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London. See article in *Cassell's Household Guide*, p. 96-97.

The Steamer Manitoba, of Beatty's Lake Superior Line, called at Southampton on Saturday afternoon on her way to Duluth, and left some three hours before the arrival of the G. W. R. cars, on which there were several passengers who had bought in Hamilton through tickets for the North-west, expecting to be in time for the boat, but who were doomed to wait eight days before another steamer goes up.

THE NE PLUS ULTRA.—Everybody likes to see a well dressed head of hair, but no lady or gentleman can dress their hair with perfect satisfaction without the use of Bearine. Its perfume is exquisite; it gives to the hair a glossy rich appearance. Sold by all druggists.

On Monday forenoon, flames were discovered issuing from the stables of Messrs. John Temple & Co., Hamilton, and very soon the entire premises were a prey to the devouring element. It is believed the fire is the work of an incendiary.

Special Notices.

IT IS NOT WHAT YOU EAT BUT what you digest that makes you strong. Unless the food taken is perfectly dissolved, assimilated and converted into pure blood, general nervous and physical prostration inevitably result; the whole system is impoverished; degeneration of the organs and tissues follows, and if there be hereditary predisposition to scrofula or consumption it will surely be developed and the constitution gradually broken down. The foundation of good health and a sound mind is a vigorous stomach and perfect nutrition. Dr. Whiner's Compound Elixir of Pilocarpine and Calisaya is Nature's own remedy for derangements of the digestive organs, purely physiological, harmless, and positively certain to restore nervous and muscular force. *jdwl*

THE GREAT ENGLISH REMEDY.

Before Taking. After Taking.

Specific Medicine

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over-indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an infallible cure for Seminal Weakness, Spermatorrhoea, Impotency, and all diseases that follow as a consequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other ailments that lead to insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over-indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to those who are afflicted. The Specific Medicine is sold by all Druggists at 25c per package, or six packages for \$5, or will be sent by mail on receipt of the money, by address.

WILLIAM GRAY & CO., Windsor, Ont. Sold in Guelph by E. Harvey, and by all Druggists. Northrop & Lyman, Toronto J. Winer & Co., Hamilton, wholesale Agents.
