Miss Canada Speaks Of Rumors of Offers

Gives Times Interview on Reports that Have Been Afloat—Nothing Official to Most of Them—Plans Rest on Return From Moncton Tomorrow.

Miss Canada, who before having been selected through the Evening Times to represent St. John in the contest for the title of Miss Canada, was Miss Winifred C. Blair, who was resting after a Times reporter in her suite at the Royal Hotel in what was her first real interview since the laurel wreath was handed her more than a week ago in Montreal. In company with her mother, Mrs. F. R. Blair, she was resting after two of the most strenuous and delightful weeks that had been her experience during her young life of twenty summers.

"Yes, I have heard loads and loads of reports," she replied to a question, displaying that bewitching smile that won her way into thousands of hearts and incidentally into the queenship of all Canada, "but you can say for me that the only offer that has been made so far has been that of a royalty to allow my picture to be used on the boxes of a well-known candy firm."

"I have been asked if I have received a very flattering offer to enter the motion picture business, but the truth is that I have received no such offer, nor am I anxious to do so, as I would not care to go into the movies," she declared.

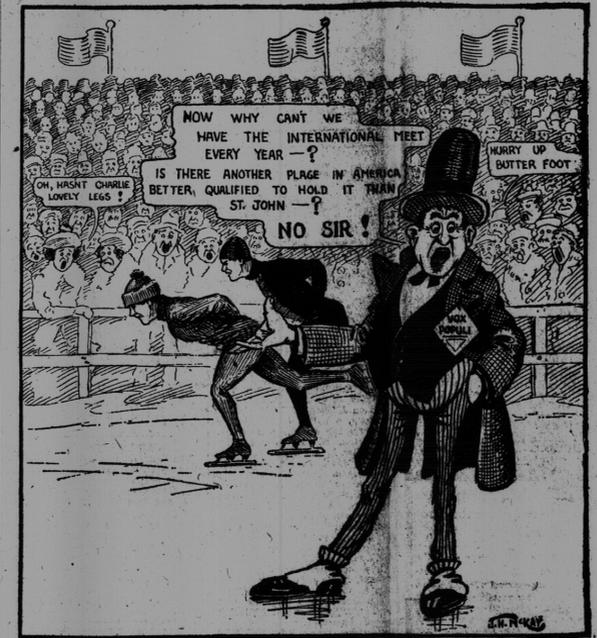

"I have been asked if I have received a very flattering offer to enter the automobile manufacturing business, but she had also heard that this offer was made, but it had not been made to her, nor did she think there was any truth in the rumor. She denied also a report to the effect that she had been tempted to assume the role of a photographer's model."

"Beyond the fact that the continual round of activities which her position demanded of her, had fatigued her somewhat, Miss Blair said that she had had a really good time from the time that she was named Miss St. John, she had hardly a minute which she might call her own."

**CLEANER STREETS TO OTHER TRADES**

London, Feb. 18.—(A. P. by mail.)—Cleaner streets are mainly responsible for the special disappearance of another of London's landmarks, the red-coated shoe blacks who formerly were stationed at prominent places in the city and west End.

Years ago these men, who numbered 2,000, made sufficient money in a few years to start business on their own account, but slackened demand for the shining of shoes has depleted their number to about 400, most of whom find it hard to make a bare living. This is due partly to men about town being less careful of their appearance since the war; the fact that there is less money in people's pockets, and that the streets today are much cleaner as a result of asphalt paving on sidewalks and macadam in roadways.

The main estimates laid before the Federal House on Friday will be reduced half a million. When the Public Works estimates are considered in committee of supply the item of \$500,000 for a new departmental building in Ottawa will be withdrawn. It is the intention of the government to use \$500,000 asked for under a vote to put up a new printing bureau building for government work and utilize the present printing bureau building for departmental offices.

**GIVES HIMSELF UP ADMITTING MURDER**

Regina, Feb. 18.—I have just murdered a man," was a statement made by Pete Bagatoff, a resident of Radisson district, after he had walked thirteen miles to Radisson to give himself up to the provincial police.

Bagatoff declared that he had hit Andrew Kanyka, a farmer, over the head with an axe. The men are alleged to have engaged in a fight following an argument.

## Eager Crowds Throng Fire Sale at Waterbury & Rising's Main Street Store

Saturday's announcement of Waterbury & Rising's Fire Sale, which set a new low-price record for sales of this kind in St. John, brought large crowds of eager bargain-seekers to the company's Main Street Store where the sales-staff, already enlarged, was taxed to the utmost, and still more sales-people have been added today that all may receive prompt attention. Indications point to even greater crowds during the week. The store hours during the day, are from 9 to 1 and 2 to 6 o'clock.

Only on three evenings of the week, however, will the store be open after tea, Tuesday, Thursday and Saturday, to permit of re-arrangement of the stock. Thrifty buyers should be quick to attend this notable money-saving event at the Main Street Store of Waterbury & Rising, Limited.

**MORNING NEWS OVER THE WIRES**

The schooner Friendship, waterlogged and kept afloat during a long battle with heavy gales, was towed into Hampton Road, Va., Saturday by the coastguard cutter Vape Henry. The crew were taken off safely.

The Sydney steel workers will resume work today following a large majority vote on Saturday afternoon to end the strike about 3,000 men which commenced on Tuesday when one of their number was discharged for alleged insubordination. An inquiry into the case has been promised.

The main estimates laid before the Federal House on Friday will be reduced half a million. When the Public Works estimates are considered in committee of supply the item of \$500,000 for a new departmental building in Ottawa will be withdrawn. It is the intention of the government to use \$500,000 asked for under a vote to put up a new printing bureau building for government work and utilize the present printing bureau building for departmental offices.

## WOMAN EXPERT WINE-TASTER

London, Feb. 18.—(Canadian Press).—The City of London has a woman wine-taster—probably the only wine-taster of her sex in the wholesale business in this country. Mrs. I. M. Fisher is the person who occupies this unique position.

Mrs. Fisher's father, Maurice Meyer, who died some years ago, conducted an old established wholesale wine business at Roman Wall House, No. 1, Crutched Friars, London, and after his death his daughter took up the business and has since conducted it with remarkable success. She is the sole proprietress of the establishment.

"As far as I know," Mrs. Fisher told an interviewer recently, "I am the only woman wine-taster in the wholesale trade. Wine must be tasted in the morning before luncheon, and you must have a clean palate to begin with. It should not be done after smoking, or immediately after a meal."

Further explaining the wine-tasting as a professional, Mrs. Fisher said: "The wine should be taken on the tip

## DANCE CRAZE IN BERLIN

Berlin, Feb. 18.—(A. P. by mail).—Berlin has too many dance halls and too few apartments, it was decided recently by the municipal authorities, and drastic measures were taken to bring about a change.

Main for two places of amusement have been ordered closed, and the rooms are to be made over into quarters where people may live. Since the dancing craze struck the German capital there has been a great demand for rooms of most any kind, particularly in the downtown districts. These were quickly furnished and advertised as dance halls with most pretentious names. In one instance a "dance hall" was brought into being in less than two days. The furnishing consisted of putting down some linoleum, hanging a few fancy trimmings from the ceiling, crowding tables and chairs into every available place, sticking the hands off into one corner, and then permitting the waiters to take charge. The crowd did the rest.

The craze reached such a stage recently that officials estimated city had more places of entertainment and amusement than ever before in history. But the new order has put many of the smaller establishments out of business, and now where jazz music once had full sway is dark, there are entire families slumbering peacefully.

## SALTS FINE FOR ACHING KIDNEYS

When Back Hurts Flush Your Kidneys as You Clean Your Bowels.

Most folks forget that the kidneys, like the bowels, sometimes get sluggish and clogged and need a flushing occasionally, else we have backache, severe headaches, rheumatic twinges, torpid liver, acid stomach, dizziness, and all sorts of bladder disorders.

You simply must keep your kidneys active and clean and the moment you feel an ache or pain in the kidney region begin drinking lots of water. Also get about four ounces of Jad Salts from any good drug store here.

Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is intended to flush clogged kidneys and help stimulate them to activity. It also helps neutralize the acids in the urine so they no longer irritate, thus helping to relieve bladder disorders.

Jad Salts is inexpensive; makes a delightful effervescent lithia water drink which everybody should take now and then to help keep their kidneys clean.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in trying to correct kidney trouble while it is only trouble. By all means have your physician examine your kidneys at least twice a year.

## TO EXPECTANT MOTHERS

A Letter from Mrs. Smith Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Trenton, Ont.—"I am writing to you in regard to Lydia E. Pinkham's Vegetable Compound. I never would not be without it. I have taken many bottles of my children was born and afterwards, and find it great help. Before my first baby was born I had shortness of breath and ringing in my ears. I felt as if I would never pull through. One day a friend of my husband told him what the Vegetable Compound had done for his wife and advised him to take a bottle home for me. After the fourth bottle I was a different woman. I have four children now, and I always find the Vegetable Compound a great help as it seems to make confinement easier. I recommend it to my friends."—Mrs. FRED H. SMITH, John St., Trenton, Ont.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system, so that it may work in every respect as naturally intended. Thousands of women testify to this fact.

SOME REFLECTIONS ON THE CARNIVAL

Three things contributed to the wonderful success of last week's Carnival. There was, first, the initiative, the perfect team work and the constant labors of the Rotary Club and the St. John's Athletic Association.

It is worth while to consider the results from a practical standpoint. In the first place it was worth while to vary the monotony of an exceptionally severe winter by a Carnival. It was worth while to arouse the general spirit of co-operation that prevailed.

The citizens, therefore, may well entertain a feeling of great satisfaction, and resolve that next winter also will be marked by an event which will give a new zest to life and confer a practical benefit upon the city.

That was an appropriate and pleasing incident yesterday when the pastor of Queen Square Methodist church spoke of the honor conferred upon one who had been a Sunday School teacher in that church, and who is now Miss Canada.

Lake Placid swept the boards at the skating championships, with the solitary exception of the ladies' races. Lake Placid trains its skaters, and the result speaks for itself.

## FIFTEEN MINUTES OF RADIO EACH DAY

By Edward N. Davis  
Formerly Technical Electrical Expert For U. S. Government

Lesson No. 236.

POINTS TO REMEMBER.

### REMEMBER THIS:

The range of a receiving set depends not only upon the quality of the receiving set and the dimensions of the antenna, but also upon the following considerations: the season of the year, the time of day or night, the power of the transmitting station from which the signals originate, the nature of the intervening territory, and whether the distance is over land or water, as well as the skill with which the apparatus is manipulated.

Doubling the reading of the antenna ammeter of a transmitting station means that the energy in the antenna system has been increased four times, since the energy is proportional to the square of the current.

That a single wire antenna of moderate dimensions, say, seventy-five foot long is more effective in giving selective tuning of a receiving station while antenna systems for transmitting stations usually consist of several wires or spreaders.

If a series condenser is employed in either the receiving or transmitting antenna circuit, the smaller its capacity, the greater the decrease in wave length, but the wave length can never be reduced in this manner to as little as half its original value.

The only practical way to be sure that a transmitter is radiating on a particular wave length is to carefully tune the set with a wave meter.

It is very difficult to obtain a radiated wave from a spark transmitter which complies with the requirements of the Federal law unless an oscillation transformer with loose coupling is employed and the circuits are in resonance. This is particularly true of amateur stations required to operate on 200 meters.

The addition of inductance to the open circuit of a spark transmitter decreases the damping and therefore lowers the logarithmic decrement. In receiving circuits, increasing the inductance and decreasing the capacity to maintain the same wave length tends to stiffen the circuit and render it more responsive to a particular wave length, thereby reducing the amount of interference.

The addition of a series condenser to the open circuit of spark transmitters so as to reduce the wave length to 200 meters as required by law results in a broadly tuned circuit in which it is difficult to make adjustments to radiate a wave having a decrement of 2 or less.

Every additional stage of amplification employed in receiving sets especially in the case of audio-frequency amplifiers, tends to distort the signals a small amount, so that it is desirable to use as few stages as will bring in the desired signal.

A variocoupler circuit using a crystal may be readily converted into a single circuit regenerative receiver, requiring in addition only a tube, socket, rheostat and batteries. The secondary of the variocoupler may be used as the tickler coil.

### RECENT DEATHS

**Captain Edward J. Ross.**  
Captain Edward J. Ross, a well-known shipping man of this city, died yesterday at the home of his son, I. R. Ross, C. N. R. terminal agent for St. John. He was born in Margaree, C. B., in 1851, but made his home in St. John for the greater part of his life. He commanded vessels on the St. John and Miramichi rivers and ocean ships sailing from this port. Captain Ross is survived by two sons, Edward and I. R. Ross, of this city, and two daughters, Mrs. Charles E. Leary and Mrs. Mark Ferguson, also of this city, as well as by eight grandchildren, twelve great-grandchildren and four great-great-grandchildren. He was the father of the late Wallace Ross, one-time champion oarsman. The funeral will be held on Tuesday afternoon from the residence of Mrs. Lordy, 106 King Street East.

**Mr. Bridget Downing.**  
The death of Bridget Downing, widow of James Downing, occurred early yesterday morning at her residence, 82 Victoria street. She is survived by five sons, John, of Nebraska,

and James, Anselm, William E. and Maynard, of this city; two daughters, Sarah M. of Welleley, Mass., and Katherine, at home; also one sister, Mrs. D. McLoughlin, of California.

**Francis L. Nelson.**  
The death of Francis L. Nelson occurred on Sunday at the Home of the Incubables at the age of sixty-six. He is survived by one sister, in Wisconsin. The funeral will be held on Tuesday morning from the Church of St. John the Baptist.

**Child of Mr. and Mrs. F. E. MacDonald.**  
The infant son of Mr. and Mrs. F. E. MacDonald died at their home in Meadow street yesterday. The funeral was held this afternoon.

**Frank Gilmour.**  
The death of Frank Gilmour occurred in St. Stephen on Saturday at the age of twenty-nine years following an attack of pneumonia. He was a returned soldier. The funeral was held today.

**Thomas McGrath.**  
Thomas McGrath, of George street, died yesterday at the infirmary after an illness of three weeks following an accident in which his leg was broken. He is survived by his wife, two sons, Matthew, of Milford, and John, at home; two daughters, Mrs. J. Preston Boich, of Alberta, and Mrs. Lester Rogers, of this city, and one brother, Matthew, of Black River.

**Mrs. Margaret Rowe.**  
The death of Mrs. Margaret Rowe, wife of Charles F. B. Rowe, formerly of St. John, occurred at her home in Weston, Ont., yesterday after an attack of pneumonia. She is survived by three brothers and one sister, one of the brothers being Dr. William MacInnis, curator of the Natural History Museum, St. John.

**Michael Bohan.**  
The death of Michael Bohan, occurred at his home in Little Ridgeway on Saturday at the age of seventy-four.

**Joseph Farthing.**  
Joseph Farthing of St. Stephen, a returned soldier, died on Friday at his home following an attack of pneumonia.

**Colonel C. A. Hodgetts, C.M.G., D.Ph.D., Director-General of the St. John Ambulance Association, is in the city. He will be here for a few days and has a fund-raising programme during his visit. He is completing a tour of the Dominion, holding examinations for first aid trophies. New Brunswick is the only eastern province which has entered teams in the various Dominion contests.**

That people should not leave so many cards on the floor of the lobby of the Post Office was among the first suggestions contained in the "suggestion box" which has been placed in the Post Office with an invitation to the general public to place inside it any suggestions which they think might help improve the Post Office service.

Postmaster J. S. Fliegel said last evening that he heartily concurred with the spirit of the first suggestion which concerned the public very closely.

Jeff, wife and two children, were listed for St. John.

Rev. F. L. Orchard B. A., B.D., of the Olivet Baptist church, Montreal has been extended a call to the First Baptist church of Amherst, which pastorate becomes vacant March 31 when Rev. Dr. Rose leaves for Peterboro, Ont.

University had created widespread interest in European medical circles. Thirty-three English female teachers in charge of Rev. P. J. Andrews under the auspices of the Fellowship of the Maple Leaf arrived for distribution from Regina and Edmonton. Several families to settle in this province arrived and were welcomed by Supt. ## Have You Ever Worn a "Society Brand" Suit?

If you have not, you have no idea how smart a suit can be. And you have no idea how long a suit will keep looking well. Hand tailoring does more than put style into a suit—it keeps it there. That's why "Society Brand" Suits are chosen by discriminating dressers.

This Spring, when you make up your mind to buy a suit or Top coat, remember the name "Society Brand"—and remember too, that the M. R. A. Ltd. store has the sole agency in St. John for this well known, reliable make of clothing.

By buying here you choose the path of true economy. The better style, graceful drape and longer wear more than offset any difference in prices you may pay.—Prices of "Society Brand" are not extravagant.

### MONTCLARE BRINGS 650 PASSENGERS

The Canadian Pacific steamer Montclare, Captain Hamilton, arrived in port on Saturday and docked at midnight at berths 2 and 3 at Sand Point. She brought 650 passengers and 2,000 packages of cargo besides 2,520 packages of mail matter and three carloads of baggage. The passengers debarked yesterday morning and left by trains at 12:30 and 2:30 p.m. yesterday afternoon. Dr. C. F. Martin, professor of medicine at McGill University, returned from a trip to France and Italy. He said the discovery of "insulin" claimed to be curative treatment for diabetes discovered by a professor at Toronto University had created widespread interest in European medical circles. Thirty-three English female teachers in charge of Rev. P. J. Andrews under the auspices of the Fellowship of the Maple Leaf arrived for distribution from Regina and Edmonton. **POLICE CHECK**  
"JAY-WALKERS"

New York Police Report on Fruitful Cause of Auto Accidents—Traffic Mishaps Decrease.

New York, Feb. 18.—A decrease in traffic accidents has been noted since the Bureau of Public Safety of the Police Department began to function, according to reports announced by Special Deputy Police Commissioner Bessie G. Collier at a meeting of the Traffic Commission at the office of Chief Magistrate William McCauley, chairman of the committee. Magistrate McCauley announced that a hearing on traffic matters would be held Monday afternoon at two o'clock in the Board of Estimate Chamber at City Hall.

Fourteen police lieutenants during January checked more than 5,000 violations of traffic ordinance by persons walking in the streets as well as other violations by drivers of motor vehicles. The reports show that the Safety Bureau caught 3,000 "jay walkers" or persons crossing streets in the middle of the block and 2,772 persons crossing the streets diagonally, also 500 children stealing rides or "hitching on" behind moving vehicles. The crossing of streets elsewhere than at intersections is held by the police to be responsible for more accidents than any other kind of negligence.

The fourteen lieutenants of the bureau of Public Safety held 240 meetings in last month in garages throughout the city, where they demonstrated to more than 11,000 chauffeurs unsafe practices of the road to be avoided. Members of the brake squad stopped and examined the brakes on 3,706 automobiles and found 748 defective. They also made investigations of 106 accidents to determine the causes. Defendants charged with operating defective brakes were convicted in 182 cases. Those convicted received fines averaging \$22 each. One defendant was sent to jail for thirty days.

Commissioner Collier reported that the number of street accidents in 1922 was 6 per cent. less than in 1921. Regulation caps and uniforms for licensed taxicab drivers were only one of the reforms proposed at the meeting. It was also proposed that the drivers wear sleeve bands with their license numbers displayed conspicuously.

Attending the meeting were Commissioner of Accounts David H. Henshaw, Commissioner of Licenses August Glasmeyer, Acting Health Commissioner Dr. Frank H. Monaghan and Assistant Corporation Counsel Charles I. Tarbox. Chairman McCauley explained that the meeting was held at the request of Mayor Hylan and announced a series of public hearings at which business, civic and other organizations and individuals would be invited to make suggestions for improving traffic conditions in the metropolis.

Commissioner Henshaw attacked the thirty days bonding period for taxicab drivers which he called "an undesirable proposition." Considerable damage was done yesterday morning to the building in South wharf in which Gilbert Bent & Son conduct a wholesale grocery business when the roof collapsed from the weight of snow. Some of the brick facing in the front of the building was blown out and the beams badly twisted but the damage is not expected to interfere with the carrying on of business.

**Wives Sometimes Object To Life Assurance But Widows Never Do**

Many a man has failed to insure his life because of his wife's noble but misguided scruples. She didn't want even to think of her husband being taken from her. The thought of money forcing itself into such a tragedy filled her with horror.

Such a woman overlooks the awful plight of a family left destitute. It's a husband's duty to protect his family from want and suffering after his death. A wife who opposes her husband in performing this duty is unfair to him, to herself and to her little ones.

A few dollars saved each year and invested in an Imperial Monthly Income Policy will secure the payment of a regular, monthly income to a man's family after he's gone.

We have an interesting booklet which tells all about it and will send you a free copy if you ask for it. There is no obligation involved.

"Registered Hens" Have Become an Established Fact in Canada.

Ottawa, Feb. 18.—(Canadian Press)—The once humble domestic hen has at last come into her own, and "registered hens" are today in Canada an established fact. By admitting the hen to registration, Canada has taken a leading place in world poultry matters, as no other country in the world has previously registered poultry under national records. The honor of having the first registered hen goes to Everett Howatt of Fryon, P. E. I., whose White Leghorn pullet laid 215 eggs in fifty-two consecutive weeks in the laying contest conducted at Charlottetown. Being pure bred, typical of the breed, free from disqualifications and laying a two-ounce egg, her record and the record of any hen laying 200 eggs and over under similar conditions will from now on be accepted by the Canadian National Livestock Records and the bird and her production duly registered.

The following seven birds have also been granted registration: 1.—Barred Plymouth Rock, bred by W. E. B. Holt, Dorchester, N. B.—245 eggs. 2.—Barred Plymouth Rock, bred by J. W. **INNER SHRINE OF KING'S TOMB**

Visitors Admitted and Marvel at Beauties in Tomb of Tutankhamen.

Luxor, Egypt, Feb. 18.—The tomb of Tutankhamen was opened officially to visitors yesterday afternoon, when about 100 distinguished persons were admitted to see the splendors disclosed last week. From an early hour in the morning the track alongside the Nile leading to the Valley of the Kings was crowded, and great numbers hastened to the scene of the excavation.

About two o'clock in the afternoon the Queen of the Belgians, the Crown Prince and Field Marshal Viscount and Lady Allenby were conducted into the tomb by Howard Carter.

Among the discoveries inside the tomb was a vest of gold thread adorned with precious stones and hung with amulets.

The two statues of Tutankhamen are particularly interesting. One of them shows the King wearing the crown of Upper Egypt, and the other the crown of Lower Egypt, significant of his dual kingdom.

A despatch from Fredericton yesterday said that the bodies of Arthur Glasier, former M.P., and his sister, Miss Blanche Glasier, would arrive there from Ottawa today for a double funeral to Forest Hill cemetery. ## LOCAL NEWS

A new form of gathering has been planned for the Y. W. C. A. It has been decided to hold a general meeting for all the members, gymnasium girls, associate members, board members, residence girls, annual members sustaining members and all other kinds of members of the Y. The gathering is to take place this week and will be a very pleasant occasion as Miss Amy McKowan has consented to give a talk about Japan, telling of the country and of its people. She lived for some time in Japan and is an interesting speaker.

William J. Shea delivered an interesting and educational lecture before St. Peter's Y. M. C. A. in their rooms yesterday afternoon, taking as his subject, "The British Empire in the East." Mr. Shea ably touched on the growth of British influence and power in Asia and India, and spoke of the growth of civilization in these countries under the influence of British power and rule. Arthur Howard was the chairman of the meeting. At the conclusion of the lecture, Frank Burke moved a vote of thanks to Mr. Shea, and this was seconded by Arthur Aiken.

A mock trial was held yesterday afternoon in the Knights of Columbus rooms, in which the prisoner at the bar was Edward McCann, who was charged with felonious assault. Frank McDade and F. X. Jennings represented the crown, while James L. Sugrue and Matthew T. Morris appeared for the prisoner. Several witnesses were called and after the evidence had been carefully weighed by His Honor Judge Stephen G. Mooney, the accused was found guilty of the charge against him, and he was given suspended sentence. William Carney was court crier and Philip Grannan acted as constable. There were a large number of spectators present, the hall being full.

annual examinations at the Naval Academy that they have been compelled to resign and ten have been dropped back into a lower class, it was announced at the academy.

One hundred and fifty-eight other middles who were deficient to a more minor degree will remain in their respective classes, further continuance in the service being dependent upon the outcome of the annual examinations in May.

As is usually the case, the majority of those who "flunked" are of the Fourth or "plebe" class, the total being ninety.

## DEVELOPMENT OF IDEAL DOMESTIC

"Miss Professional Worker for Private Home," Who Eats and Sleeps Away from Job, Has Eight-hour Day, with Overtime.

(New York Tribune.)  
Mrs. Housewife, meet Miss Professional Worker for the Private Home. Through her your servant problem will vanish. Your days of eating in hotels will come to an end, and Friend Husband may even bring home guests to dinner without danger of a domestic disaster. Miss Professional Worker is a graduate of a business college, and she works her eight hours a day just like any other woman in industry, and receives a weekly salary and eats and sleeps away from her job.  
It was learned yesterday that the first practical school for teaching domestic work has been carried on quietly this winter at the home of Mrs. Richard Boardman, 217 East Forty-eighth Street, under the auspices of the Home Assistant Association, 207 Madison Avenue. Mrs. Boardman's family consists of herself and husband and three children.  
All the work in that household is done by the candidates for degrees in the Home Assistant College, and no girl is recommended to a position until she has proved her ability to the satisfaction of the supervisor, who is Miss Katherine Du Bois, a graduate of Simmons College and former housekeeper for the Chase Club.  
Gets a Four-Day Test.  
The candidate must first pass a four-day test. The first day she is taught the fine points of cleaning the rooms. The second day she spends in the butler's pantry, cleaning silver and serving meals. The third day she works in the kitchen under the supervision, cooking the meals, and the fourth is a "final examination." After that she spends a period of perfecting herself in the departments in which she is weak.  
The girl is then provided with a position under the home-point contract, which is as follows:  
1. The home assistant shall give eight or nine hours a day, six days a week.  
2. The home assistant shall eat and sleep away from place of employment.  
3. Specialization is not permissible.  
4. The home assistant shall hold herself ready to give extra service whenever required, for which she shall always receive extra salary.  
5. The home assistant shall be wholly responsible for her own expenses in arriving, and completion of duties according to her schedule as approved by the Home Assistant Headquarters. Basis Strictly Business.  
"We believe that we are on the road to solving the servant problem," said Mrs. Boardman yesterday. "This can be done only by putting the relationship between mistress and maid on a business basis with a fixed schedule of duties and payments. We find that when this is done the young women are not so averse to doing house work. We can even get them to go to the suburbs! The servant problem has been difficult, not because young women hated house work, but because the mistresses would not meet them on a business basis, would not make their stipends convenient, and would not allow them any personal liberty. Even now, under the Home Assistant Association, we have more trouble with the employer than with the employee. The employers find it difficult to respect the lunch hour, for example, or they want the girl to stay just a few minutes' overtime. We explain to them firmly that overtime must be paid for at the rate of 50 cents an hour.  
A "Carry-On Industry"  
"We explain to the girl, however, that she must expect overtime. The home is one of the industries that are classified as 'carry-on industry'—that is, like railroad and telephone operation. No home can be run on a strict eight-hour basis. There will be emergency calls that will not be a home without them. The girl must be willing to keep the home fires burning whatever happens but if she does her work according to a regular schedule it is wonderful how less often the emergency happens. For example, in my home, which is the experimental school, if my husband telephones that he will not be home for dinner I tell the home assistant that I shall dine with the children at 6:30. Very well, an hour later he telephones that he has not come, and she must bring them up to dinner? Of course he may, and she must be ready to serve dinner for him.  
The eight-hour schedule is very easy to manage in a home which has two or more servants. It is only difficult when there is but one servant, and the home must be left alone while she goes out to lunch. Our girls have their choice of three schedules. The first, from 8:30 to 6 p.m., requires that they serve breakfast and lunch and clean most of the rooms (daily cleaning, you know, eliminates weekly scrubbing). The second schedule is from 9 to 6, and requires caring for the rooms, serving lunch, afternoon tea, cleaning the silver and mending. The third schedule requires the preparation and serving of lunch, tea and dinner."  
115 "Graduates" Succeeding  
Mrs. Boardman said that the 115 first graduates of the school had proved thoroughly satisfactory, and that the demand for professionally trained workers was growing. Her association charges the student nothing for the period of training. She receives no salary, but Mrs. Boardman pays the equivalent of her wages to the treasury of the association.

TO CLEAR LINER LANES.  
New York, Feb. 18.—Equipped with dynamite and cannon with which to destroy icebergs in the North Atlantic shipping lanes, the ice patrol of the United States coast guard is preparing to set forth on its annual task of clearing away these menaces to navigation. Ice packs already have been sighted on the Newfoundland banks, and the hydrographic office is ready to send out general warnings to all ships when the first berg is sighted. The cruisers of the ice patrol of the service are equipped either to destroy the bergs, or stay with them until they have cleared the regular steamship lanes.

## LAWYERS DEFEND THE CONSTITUTION

American Bar Association to Print Series of Articles by Prominent Men.

New York, Feb. 18.—Proposals that the Constitution of the United States be revised, which have been put forward recently, have caused the American Bar Association journal to have prepared a series of articles to do for the American people at this time the service which the Federalist did in the early days of the Union in showing how vital it was to the life of the country and its institutions.  
"There is too much talk about the Constitution and too little general idea of what it means, of what a tremendous and vital thing it is, of how necessary it is as a safeguard for the rights of the individual and the greatness of the nation," the announcement states. "The time has come when a general movement should be made to revitalize the Constitution in the popular mind, to secure its adoption once more by the heart and soul of the people, just as the original instrument was adopted at the beginning of our national Government."  
The articles and contributors who have agreed to write them are—  
"The Constitution," by Francis E. Baker, Judge, United States Circuit Court of Appeals.  
"Representative Government," by Frank O. Lovden, former Governor of Illinois.  
"Law and Progress," by Rousseau A. Pursh, Associate Justice of the Kansas Supreme Court.  
"The Individual Citizen's Power and Responsibility," by Herbert S. Hadley, former Governor of Missouri and Professor of Law at the University of Colorado.  
"Judicial Power to Declare Legislation Unconstitutional," by John H.

LOST \$208,000,000  
IN 1922 STRIKES

Philadelphia, Feb. 18.—Industrial trial strikes in Pennsylvania last year involved more than 889,000 persons and caused a loss in wages of about \$208,000,000, says Will J. Tracy, Chief of the State Bureau of Mediation and Arbitration, in his annual report which is to be submitted to the Acting Commissioner of Labor and Industry.

Of the 1,807 strikes during the year all have been settled with the exception of those ninety printing establishments and four railroads, the report stated.  
The anthracite and bituminous strikes and the railroad shopmen's strike were the three of widest proportions, the coal strikes alone involving \$22,806 men and causing a loss in wages of \$184,000,000. The shopmen's strike affected 22,641 men, with a wage loss of more than \$12,000,000.

**DISTEMPER RESEARCH.**  
Leading European Sportsmen Seeking Cause.

London, Feb. 18.—Leading sportsmen and scientists of England and the Continent have combined in a campaign to discover the cause of distemper, the mysterious disease which causes the death of thousands of dogs annually. They have formed a field distemper council, which will have the co-operation of the medical research council.

A farm laboratory will be opened near London under the direction of a skilled veterinary pathologist. The Duke of Beaufort is president of the council, and the Duke of Portland, vice-president. The council also includes Lord Lascelles, Lord Londesborough, and the Earl of Chesterfield.

The Letter That Caused A Bedroom To Be Refurnished

"WHAT'S the matter? Did you get bad news in that letter, dear?"

"No-no-o, Fred. It's from the Campbell's. They're coming to visit us."

"The Campbell's! That's great news. But why are you looking so queer, Helen? You've always spoken so highly of the Campbell's."

"Oh! I do like the Campbell's and they gave us such a good time when we visited them last year. But I was thinking of our shabby old spare bedroom. And they had such a lovely guest room for us."

"H-m-m! It isn't very attractive," replied Fred, stroking his chin, thoughtfully.

"Honest, Fred, I'm ashamed of it. It gives visitors a bad impression. It makes people think we cannot afford anything better. Or else, that we don't care very much about the comfort of our guests."

"Nothing is too Good for Them"

"Well, I wouldn't want my old college chum, Jim Campbell, and his little wife to think that about us. Nothing is too good for them. We've been talking about re-furnishing that spare bedroom for a long time. I guess we'd better do it now."

"Fine! Fine! And let's do it right while we are about it, Fred. You know how people have admired our Gibbard Solid Walnut Dining Room Suite. Why not get a Gibbard Suite for our spare bedroom?"

"That's a Bright Idea, Helen"

"But Gibbard Dining Suite has class and it was very moderate in price, too. We can afford to furnish the spare room in Solid Walnut or Solid Mahogany when we can get it in a Gibbard Suite at such a reasonable figure."

"That's settled then, eh, Fred? I'll meet you to-morrow at the furniture store and we'll select a Gibbard Suite. And won't one of those beautiful Gibbard Suites make our spare room a dream? It will be a real guest room. It will smile a real welcome to the Campbell's!"

Have you, too, a bedroom that you would like to furnish in Genuine Solid Mahogany or Solid Walnut?

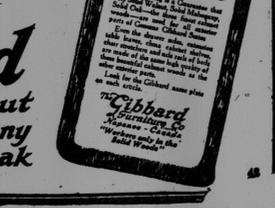

Then, ask your furniture dealer to show you Gibbard Suites. With each genuine Gibbard Suite is given a printed and signed Guarantee that tells you exactly what you are buying. This Guarantee is put on the suite for your protection.

Ask to see the Gibbard Catalogue

If your dealer hasn't Gibbard Suites in stock, he can show you the Gibbard Catalogue of Queen Anne, Chippendale, Italian and Colonial Furniture. You can select a bedroom suit, a dining-room suite, a library table or writing desk from it. Hundreds of other suits have been sold from the large catalogue photos of Gibbard Furniture, with satisfaction to everybody.

Charles Jewtraw is the New International Champion; Pacid Skaters Take Honors

TWO THIRDS IN SATURDAY'S EVENTS, GAVE HIM TEN POINT MARGIN

Great Comeback of Joe Moore Who Won Half and Three Mile Events and Was Runner-up in Series—Local Boys do Well—Gladys Robinson Turns in Perfect Score.

Charles Jewtraw of Lake Placid, probably the most consistent and successful skater in America, came through with a third place in Saturday's races and won the international championship by a scant margin of ten points over Joe Moore of New York. Harry Kaskey of Chicago and Richard Donovan of Johnson City were tied for third place with seventy points each, ten less than Joe Moore.

Joe Moore's sensational comeback was the big feature of the last day's racing. He entered the two final races with only twenty points to his credit and made the highest possible, bringing himself within a few points of the title. Charlie Gorman of St. John was fifth in the meet with thirty points, all scored in the first day's racing.

The Junior events. The Junior events all went to Lake Placid skaters. J. Sheffield won in the sixteen-year-old class, with W. Smith of Montreal second and Willie Logan of St. John third.

Joe Moore's time of 8:44 3/4 in the three-mile race was the record claimed by Richard Donovan. The medals were presented at the Dufferin Hotel on Saturday night by Mayor Fisher.

Among the skaters and officials who left for their homes yesterday were Harry Kaskey, Canadian and United States champion; W. Smith of Montreal, Russell Wheeler of Montreal, W. C. Fischer of Johnson City, William Irving of Montreal, William Irvine of Montreal, and Joe Page of Montreal.

It was estimated that the total attendance during the three days of the meet was between 40,000 and 50,000 in spite of the driving snow on the first day and the almost zero weather on the second and third.

As soon as the three mile race was over Mayor Fisher presented to Charles Jewtraw a handsome seventeen-jewel gold case, Howard Welch, bearing the inscription: "Presented to (here is a blank space where the winner's name will be inserted), International Amateur Skating Champion, by the City of St. John, N. B., February, 1923."

In making the presentation the mayor said that he took great pleasure in thus expressing the good wishes of the citizens of this city towards Jewtraw. He declared that the win had been a well earned one and he knew that every one would be glad to welcome him back here again next winter.

A battery of photographers secured pictures of the new champion accepting the watch from the mayor and later being congratulated by Miss Canada. The winner was then hoisted on the shoulders of a few enthusiastic followers and carried to the club house.

A snappers photograph donated by the photographer Salom, King Square, for the skater winning the international title, was presented Charles Jewtraw by Miss Canada with a few words of congratulation. Jewtraw made a fitting reply.

While none of the international titles were captured by St. John skaters, the citizens still have reason to be proud of their showing against the pick of the American continent. Charlie Gorman deserves great credit for his splendid work throughout the various meets and it is really his work during the last three years that has enabled the citizens of St. John to witness the big cham-

## ASSESSMENT BILL PASSED BY BY-LAWS COMMITTEE

Special Meeting of County Council Called to Consider Presentation to the Legislature.

A special meeting of the Municipal Council will be held on Wednesday, February 22, according to a decision reached at a meeting of the by-laws committee held this morning in the office of the county secretary, J. King Kelly. The greater part of the time of the meeting was taken up with the discussion of the act relating to assessments. In the absence of the chairman of the committee, Councillor John T. O'Brien, Mayor Fisher occupied the chair. The act was taken up section by section and on motion of Councillor Thornton was recommended to council. The Mayor said in view of the opposition to the bill he thought the assessment committee also should discuss it. Some consideration might be needed to be remedied. Let the two committees discuss the bill, then put it before the County Council before sending it to the Legislature.

Councillor Frink said he thought there was no dispute as to the principle of the bill. The hitch came in the matter of the distribution of county offices and emoluments. Councillor Thornton said the bill had been drawn up by the county secretary at his instigation. Councillor Campbell said the opposition to the bill in Lancaster was that the chairman of the committee, might not be acceptable to the rest of the parish. If the chairman did not come from Lancaster there might be dissatisfaction there because of the greater property value in Lancaster. Collecting and assessing were costing nearly \$6,000 a year. This was too much and it was doubtful if the bill would remedy it. Councillor Golding thought the matter should have come before the whole Municipal Council.

Mayor Fisher did not see why the chairman must necessarily come from Lancaster. Councillors Frink and Wigmore thought the importance of the matter warranted the calling of a special meeting of the Municipal Council.

On motion of Councillor Bullock the act was taken up section by section and section 2, dealing with the appointment of assessors was adopted, together with a sub-section dealing with the salary of the chairman.

On the question Mayor Fisher said he thought the chairman should be chosen for his ability.

Secretary Kelley, speaking on the sub-section said the chairman should be chosen by the collectors but the power of discharge lay with the secretary with the approval of the council.

Section 2, dealing with payment for the assessor for the Parish of Simonds, was adopted.

Section 4, concerning the assessors for St. Martin's and Musquash, was adopted.

Section 5, concerning an assessor for Lorneville, was carried.

Section 6, dealing with the meeting of the board of assessors and their remuneration for the assessors, and sub-section 2, restricting the occupation of the chairman were adopted.

Section 8, calling on the chairman to prepare plans, books and maps of each parish in permanent form was adopted. Councillor Wigmore demurred on the ground of the expense entailed, and a sub-section was added that the chairman must come to the Council for approval before making any expenditure.

Section 9, regarding the preparing of assessment rolls, was adopted.

Section 10, concerning payment of assessors, as affidavit of the chairman, was adopted.

Section 11, dealing with right of appeal from assessment, was adopted.

Section 12, constituting the judge of the St. John County Court a court of final appeal, was adopted, including a sub-section providing that he may order the production of books and plans.

Section 13, regarding the posting of notices in public places, was adopted, providing that notices of assessment need not be posted, but copies shall be filed in a place to be designated by the Council in the parishes of Musquash and Simonds.

Section 14, making amendments regarding demands for bills by the collector, relief of taxpayers, amount to be collected for current year only, place and date of payment were adopted.

Section 15, providing that in proceedings to sell property for taxes it shall not be necessary to post notice on any property, was adopted, including a sub-section regarding costs of sales.

Councillor Thornton asked for a requisition for a special meeting of the County Council. Councillor Campbell brought up the matter of an extra poll in Fairville at election time. Three polls were required. It will be considered later.

Those present at the meeting were Mayor Fisher, Councillors Thornton, Bullock, Golding, Frink, Campbell, Wigmore and Mosher, and J. K. Kelly, county secretary.

**CLERICAL BOWLING LEAGUE.**  
The postponed games in the Clerical Bowling League, those which were to have been played last week, will be played at the end of the schedule. This means that this week's games will be run off just as they were scheduled, the only change being between Thorner's and the Atlantic Sugar Refinery teams.

**CARNIVAL VISITORS.**  
There was a considerable number of visitors present in the city for Carnival week according to word from some of the local hotels. The majority of the hotels had been booked for the case it was reported that more than 200 people had been sent to private dining rooms unable to get rooms in the hotel. From the same place it was said that Carnival week had been a bigger time than Exhibition week and the demand for rooms had been greater.

**WILL HAVE PLAYGROUND.**  
Frederick Gleazer, The McElrath property in South Devon, has been purchased by a syndicate composed of Mayor Gilbert Henry and Councillors J. Forbes and Ames McLaggan, following the passing of a resolution at the last meeting of the Devon Town Council, rescinding a resolution passed some time ago for the purchase of this property as a playground and baseball park. This action has been taken liberally by the mayor and two councillors in order to provide a recreation field for Devon, and it is the intention of the promoters to have ball grounds laid out and other improvements made with the arrival of spring.

**CHILDREN OF MARY.**  
At a meeting of the Children of Mary Society in the Cathedral last evening after Vespers Rev. William Duke, chaplain, read the following list of officers for the coming year: Miss Mary McGrath, president; Miss Marie Dolan, financial secretary; Miss Isabel Kelly, recording secretary; Miss Ella Lee, treasurer; Miss Josephine McNamara; mistress of novices; Miss Grace Holmes, executive; Misses Beatrice Murray, Florence McDuff, Ellen Carey, Emily O'Rourke, Anna Jennings and Charlotte Alton with Miss Emily O'Rourke convenor of the sick committee for the months of February and March.

**INDIANTOWN FERRY.**  
The Finance Committee of the Municipal Council met this morning with Councillor Wigmore in the chair and received a report from the Lancaster-Indiantown ferry service. John Willis and Herbert Earle wrote that they could provide a satisfactory service to maintain a service which would meet the requirements of the case offering to make the service for \$2,000 a year with fares. They would provide a gasoline boat 28 feet long, seven and one-half foot beam, four foot hull with cabin and a six horse-power engine. On motion of Councillor Thornton the tender was referred to the Lancaster-Indiantown ferry commission for a report to the Finance Committee which has power to act.

**HEADS GOVERNMENT MARINE.**  
R. B. Teakle has been appointed manager of the combined Canadian Government Merchant Marine and the Grand Trunk Pacific Coast Steamship Company, Ltd. He has been in charge of the Merchant Marine since 1919 and has been in the shipping business since boyhood. He spent several years in winter port work in St. John.

## MISS CANADA AND SKATERS TO MONCTON

Private Car Gaily Decorated in Her Honor.

Presentation of a Medal to Charles Gorman by President Fitzgerald of I. S. U. at Depot—The Railway Town Programme.

Miss Canada, accompanied by her mother, Mrs. F. B. Blair, and Miss Moncton and her chaperon, Mrs. Thompson, together with Walter H. Golding, manager of the Imperial Theatre, were passengers in a private car attached to a special train which left the city at 8 o'clock this morning for Moncton. Also on the train were most of the skaters who took part in the International races here last week and large delegation of local fans, all bound for the railway city to attend the jubilee skating races scheduled for this afternoon and this evening. Included in the party were Julian T. Fitzgerald, President of the I. S. U., and Mrs. Fitzgerald.

The private car which carried the queen and her companions was that of the district superintendent and was brought to the city last night by J. H. Coe, travelling passenger agent of the C. N. R. It was gaily decorated with flags after its arrival here. There was quite a crowd of people in the station as the train pulled out, including many who had arrived in the city on the suburban train from Moncton.

The train arrived in Moncton about noon and was met by a large delegation of Moncton citizens, headed by Mayor Edgett, who welcomed Miss Canada to the jubilee celebrations. After luncheon Miss Canada and party were the guests of Miss Moncton at the skating races at Sunny Brae Rink.

Gorman Gets Medal.  
Just before leaving the city, Charles Gorman, of St. John, was handed a gold medal awarded him for establishing a new record of 37.3-5 seconds for the 400 yards at Lac Placid last year. The presentation was made by President Fitzgerald of the I. S. U.

This afternoon at 5 o'clock at Moncton Miss Canada will be a guest at a reception tendered her by the amalgamated chapters of the I. O. O. F. in the Pythian Castle. In the evening she and Miss Moncton will face the rink for the first time in the Moncton Moncton hockey game. She will return to St. John tomorrow morning in the private car attached to a fast freight, leaving Moncton about midnight.

Miss Canada spent a busy Sunday. In the morning she attended service in her own church, the Queen Square Methodist, where the pastor, Rev. W. MacLauchlan, in his sermon made special reference to the delight with which he and the congregation of Canada and he expressed confidence in her carrying out to the last the high ideal of Canadian citizenship which she had already established.

After the service, Miss Blair was warmly greeted by her admirers, the worshippers and little Dorothy Riley, a pupil in the primary class in which Miss Blair was a teacher. She was presented a beautiful rose to her.

During the afternoon Miss Canada paid a visit to the St. John County Hospital where she was welcomed and introduced to the patients, the superintendent, Dr. H. A. Farris. When she was leaving she was handed a handsome homespun shopping bag, the work of the soldier patients, filled with flowers, and also received a large bouquet of pink and white carnations, a gift from the other patients. Later in the afternoon, she and her mother, accompanied by the Carnival Princess, were present at the anniversary service of the Knights of Pythias in Centenary church. On her arrival she was greeted with "O! Canada," excellently sung by the male choir.

**Sixteen Years Old; Has Never Been to School**

Three men were arrested over the week-end on drunkenness charges. They were fined the usual amount in the police court this morning. The case of a sixteen-year-old girl, arrested last week on charge of theft of clothing, was resumed. The prosecution having closed its case, Mrs. Gould and Mrs. John Freese gave evidence on behalf of the girl. They said that they had known her for a long time. They identified a waist produced in court as the property of the girl which they had noticed her wearing before Christmas. The case will come up again tomorrow at 12 o'clock and in the meantime the girl is being looked after in the Home of the Good Shepherd. It was brought out this morning that the girl, although sixteen years of age, has never been to school and can neither read nor write.

**Salvation Army Nurses**

Last Friday evening the first class of nurses to be graduated from the new Grace Maternity Hospital, Halifax, were presented with their certificates and pins with all due ceremony. There were five graduates, as follows:

Capt. Anabel King, Bermuda.  
Capt. Rose Schmidt, Kitchener, Ont.  
Lieut. Elizabeth Taylor, Sydney, N.S.  
Lieut. Emily Ashby, St. John, N.B.  
Miss Florence Flowers, Campbellton, N. B.

A special feature of the ceremony was the rendition by Ensign Lauric of beautiful selections on the chimes, accompanied by Lieut. Anderson. Staff Captain Barton read two telegrams of congratulations from the Salvation Army hospitals at Windsor, Ontario, and Sydney, C. B. Refreshments were then served and an enjoyable social hour spent.
