E. HARQUAIL,
 Sec. Women's Institute.

By the death of James Reid of Charlo, N. B., M. P. for Restigouche County, the province has lost one of her most prominent citizens and Canada one of her most public-spirited men.

The large number of friends who attended his funeral last Saturday was a tribute to the respect and good will Mr. Reid had won in his long, busy and useful life of seventy six years. A special train brought between fifty and sixty of his Campbellton friends, while his colleagues in the House of Commons, Mr. O. Turgeon of Gloucester and Mr. P. Michaud of Madawaska, the latter of whom was for many years Mr. Reid's seat mate in the House of Commons, paid their respects to his memory.

For fifteen years Mr. Reid had worthily represented Restigouche County in the House of Commons and faithfully cared for the interests of his constituents. His sound common sense, and good business ability gave him an influential place in the councils of his party and he was of participating intimate terms with his great leader Sir Wilfrid Laurier.

In his business as a lumberman and merchant was very successful and will be much missed in the various enterprises he directed. The honesty and simplicity of his character together with his straightforward business dealings won him the esteem and confidence of his fellowmen.

Mr. Reid was a member of the Presbyterian church—a most attentive attendant upon her services and sacraments. He was a liberal supporter of the work of his church both at home and foreign, and it is understood that generous provision for her needs has been made by his will.

Two months ago Mr. Reid lost his beloved wife, the cherished companion for forty two years, and his last days were clouded by his loss. "They were lovely and pleasant in their lives, and in their death were not divided."

He is survived by two sons, John of Vancouver, B. C., and James A. of Charlo, N. B., and a sister, Mrs. James McMillan of New Mills, N. B.

The funeral services were conducted at his late residence by his pastor, Rev. F. L. Jobb, and in accordance with Mr. Reid's expressed desire, were of a simple nature. The cortege was followed to the cemetery at New Mills by a large procession, where Mr. Reid was laid to rest by the side of his beloved wife in the sure and certain hope of a glorious resurrection from the dead through the Lord Jesus Christ.

A wealth of beautiful floral tributes surrounded the casket, showing the desire of so many friends to pay tribute to one who was so greatly beloved.

The pall-bearers were, Messrs. David Henderson, Wm. Currie, James R. McPherson, Peter W. Hamilton, John McLean and Wm. Jamieson.

The Hon. Wm. Pugsley pays the late Mr. Reid the following tribute:—"Mr. Reid was an excellent representative, always looking faithfully after the interests of his constituency. He was a gentleman of fine type and one of the kindest men I have ever met. He was popular on both sides of the house and the news of his death will be received by all members with the deepest regret."

"Owing to the party truce a liberal should be elected for this County by acclamation. A proposal which would meet with the support of all the people of the county irrespective of party would be to offer the position to the Hon. C. H. LaBilios, who spent many years in the service of the county, and who would make a splendid successor to the late James Reid. Nothing has yet been done in the matter, but we understand this proposition is looked on with much favour."

MYSTERIOUS DISAPPEARANCE OF FISHERY GUARDIAN
 William Wilkins is Supposed to be Drowned on Restigouche River Near Dawsonville—Body Not Yet Found.

Word was received here yesterday of the disappearance of William Wilkins, a fishery guardian aged 65, he being supposed to be drowned in the Restigouche river a few miles up river from here.

From information received it appears that Wilkins left his home about nine o'clock on Monday evening, and not returning by ten o'clock some of the men about the place went out to look for him. A light snow had fallen and his footsteps were traced to the river, a footprint where the snow had come off his boot being quite distinguishable on a rock underneath the surface of the water.

Search parties have been searching along the banks and on the river, but so far no trace of the body has been found. There seems no doubt but that the unfortunate man has been drowned, and yet no reason can be assigned for the occurrence.

Wilkins came here originally from the St. John River district and previous to taking up the work of fishery guardian under Max M. Mowat, was a well known lumber driver and operator and worked as foreman in the Richards Manufacturing Company.

The spot where he is supposed to have gone into the river is very near the place where the late John Dawson was drowned last year.

A special meeting of the town council was held on Tuesday evening. His Worship Mayor Andrew presiding. Councillors present were Messrs. Alexander, Miller, McLean, Goss and Quinn. The minutes of the previous meeting were read and confirmed.

Communication read from the Town Clerk of Bathurst enclosing copy of resolution of thanks to the firemen for their assistance at the recent Bathurst fire. Letter ordered filed.

The following reports of committees recommending payment of accounts were received and adopted.

Fire Protection	\$49.79
Finance	300.80
Public Property and Streets	193.69
Water and Sewerage	119.84
Electric Light	97.60

The Police and License Committee presented a report recommending that license be granted to Emile Allain for jewelry store and watch repairing business on payment of \$25.00, and that license be granted G. E. Chartron and Pierre Joseph for photo business on payment of \$15.00.

Report was received and adopted.

His Worship stated that the main object of the meeting was to discuss the proposition regarding light and water to the Militia Authorities. He recited the facts that a deputation consisting of Mr. D. A. Stewart, M. P., P. A. McG. McDonald, Recruiting Officer and himself had waited on Sir Sam Hughes recently and got his promise to send officers to look over the old I. N. R. property which the deputation thought would make suitable billeting quarters for troops during the winter. Lieut. Col. Dean and Captain Jago were here and they reported favorably on the proposed buildings. The engine house would be used as sleeping quarters for the men, the freight shed as dining and recreation room, the store for the Quarter master and the office buildings would be used by the officers. The council were now asked to support the delegation and grant free light and water to the Authorities.

The Militia department would fit up the buildings and there was water connections in some of the buildings now. The buildings were all wired for electric lighting. After discussion on the matter it was moved by Councillor McLean, seconded by Councillor Goss, that free light and water be given to the Militia Authorities for the I. N. R. buildings as billeting quarters. It was pointed out by Councillor Miller, that under the act we could not give the privilege of free water, and a nominal sum per annum was added to the motion. In the opinion of the Town Solicitor it was necessary to do so. The motion was carried.

Councillor McLean brought the matter of license before the Council. He said that as it was very probable Campbellton would always remain a recruiting centre while there was a call for volunteers, he thought it a good time to make representations to the provincial authorities to cancel the liquor licenses in this town, and so remove the temptation. Other provinces were dealing with this liquor business without gloves, and were making stringent regulations regarding the saloons. Councillor McLean thought this matter should either be handled by our numbers, or through the Militia department. It was incumbent on the council to show their colours as well as the temperance Societies. The Militia department would certainly look with favour on any project of this kind, and he thought an appeal of some kind should be made. There was some desultory discussion on this question, the matter was dropped.

The outfit belonging to Ex-Police Officer Savoy was purchased for the Police department at a cost of \$15.00. This consists of truncheon, 2 pairs of handcuffs, 2 twisters, and one sent leg-irons.

On motion the bill of Mr. W. A. Trueman of \$4.00 for coroner's fees was ordered paid.

The matter of receptions to returned soldiers was discussed and in the end, a motion was passed that the mayor and council would officially receive all returned soldiers. Council then adjourned.

first consideration and all the subscriptions will be accepted. What is left after the small subscribers have been attended to will be divided among the large subscribers.

Stomach Trouble and Rheumatism Relieved By "Fruit-a-tives"

MR. L. LABRIE
594 Champlain St., Montreal.
'I have been restored to health by taking 'Fruit-a-tives'. For two years, I was a miserable sufferer from Rheumatism and Stomach Trouble. I became very weak, had frequent dizzy spells and when I took food, felt wretched and sleepy. I suffered from Rheumatism dreadfully, with pains in my back and joints and my hands swollen. A friend advised me to try 'Fruit-a-tives' and from the outset, they did me good. After I had started the second box, I felt I was getting well and I persevered in the treatment. I can truthfully say that 'Fruit-a-tives' is the only medicine that helped me.

SGT. MAJ. DUNCAN TO BE QUARTERMASTER

Well-Known Chatham Officer is Appointed to the 132nd Battalion

The news that Sergt. Major William J. Duncan of Chatham, had been offered the appointment of quartermaster in the North Shore battalion to be raised for overseas service was very pleasing to his numerous friends in this city. Sergt. Major Duncan is a native of Ireland and served for some years in the Royal Irish Rifles before coming to Canada. He joined "A" Company of the infantry school corps soon after its foundation and was a member of it for twenty years. This corps afterwards became the B.C.R. and Sergt. Major Duncan served with it at Fredericton, Halifax and St. Johns, Quebec. He retired a few years ago on a pension and has since been located at Chatham, where he acted as caretaker at the Armory. Since the outbreak of the war he has been on duty at the Newcastle wireless station. He is considered one of the best informed military men in the dominion.—Fredericton Mail.

"So that my executors may have ready money."

The following extract is from the will recently probated of a man, successful and, as the will proves, thoughtful business man. Among the insurance policies on my life which are now payable to my children in equal shares, I am understanding to arrange that these policies shall be made payable to my estate so that my executors may have in hand ready money for immediate requirements. If this should not have been stipulated at my death I doubt my children to realize their interest in the policies and in fact I doubt if they would have had to be dispersed of at a great sacrifice. The reason is plain. There is no money, but it is ready money, and should be covered by life insurance. A policy would prevent losses to your widow or your children that could not otherwise be covered, especially if placed with The Manufacturers Life Insurance Company. The reason is plain. LACK OF SENSE.
The following clipping is taken from the Philadelphia Grit, and we leave our readers to judge whether it should receive the privilege of the Canadian mails or not.

Good Horse Sense.
King George of England was riding a horse the other day at a military parade and the animal bucked him off. It was probably an American horse and it was only following the example set by our ancestors when they bucked George's great-grandfather, George III, off their backs in the days of '76. Looks like the horses in Europe have more sense than the people. If the people had good horse sense they'd buck all the kings and lords, kaisers and czars off their backs in a jiffy. But the incident helped George to get his name in the papers. The only thing he has done since the war began was to fall off his horse. In the old days this would be taken as a prophesy of the future. Some of these days will be thrown kicked off their high horses, and in the words of the old song, we can all say, "Oh, let it be soon!"
J. F. LEWIS.
Iowa.

This is a paper which enjoys a large circulation in Canada and has been quoted largely throughout the Dominion. Canadians should see that such slimy utterances of a reptile gutter press are relegated to their proper places. Such utterances may be hailed with joy in the homes of "hyphens" who have no country, but are not acceptable to Canadians who have the pride of a country and an Empire at heart.

MR. JAS. REID
Prior to the last general election, Mr. James Reid announced a determination to retire from active political life. Advancing years, his own love

of quiet, and the cares of business, were reasons which appeared to him good reasons for giving up the representation of the county he had well represented from the time he won it first in 1900. He did not retire, and the reason why was because Sir Wilfrid Laurier asked him to again bear the party standard. Mr. Reid was a true party man, and his simple statement, "when my chieftain bade me, I knew but to obey," explained his return to Parliament. A good citizen, Mr. Reid made a good parliamentary representative, and enjoyed the goodwill and esteem of political friend and foe. His death will make no change in the party representation, for under the political truce a Liberal will be elected in his stead.—Globe.

CONGRATULATIONS
The Mail heartily congratulates Lieut. Col. G. W. Mersereau of Doaktown on his appointment as commanding officer of a battalion to be recruited in the North Shore counties for overseas service. Col. Mersereau has been connected with the active militia for many years and is an enthusiastic and efficient officer. His son, Major C. J. Mersereau, is now at home recovering from serious wounds received while fighting in Flanders and another son, Major H. C. Mersereau, has gone to the front with a Canadian medical corps. The colonel himself has been working hard for over a year to get a chance to cross the Atlantic and take a fall out of the murderous Huns. He is known in every household on the North Shore and if any man can rally to the colors the sturdy manhood of that region he is the one for the job. The proposed North Shore battalion should be known as the New Brunswick Invincibles. May the white plume of Col. Mersereau, like that of Henry of Navarre, ever be found in the forefront of victory and honor.—Fredericton Mail.

CHURCH UNION
The Toronto Globe finds that the question of Union with the Methodist and Congregationalist churches as submitted to the Presbyterians of the Dominion a few weeks ago, is being marked by want of enthusiasm and general lack of interest from the Atlantic to the Pacific.

The time limit granted by the Assembly expired last Sunday, with the result that only 1-4 of the congregations declared themselves and in consequence the time limit has been extended for another Sunday.

The want of interest taken in the question is being accounted for by the fact that the leaders of the Anti Unionists assure the continuance of the Presbyterian church by the result of the voting what it may.

On the North Shore only two congregations voted, St. John's 2 to 1 in favor, and St. Stephen's, Redbank 43 to 1 against. In city of St. John only two out of ten churches balloted and while these two strongly supported union four years ago, this time they went strongly against it.—Gazette.

Gin Pills
FOR THE KIDNEYS
Why Demanded

"Gin Pills did for my husband and me what no other remedy could. I have advised my mother-in-law to use them, and she being my mother who has been a great sufferer for upwards of 20 years, and she has recovered so as to enable her to sleep on her left side, something she could not do for many a year. The doctors told her they could not cure her, but could relieve her by an operation for a floating kidney, but on account of her age they did not think it advisable for her to go. Upon my advice she tried Gin Pills which cured her and for which she is ever ready to speak in terms of praise."

LETTERS FROM THE FRONT
Mr. John A. LeBlanc has received a letter from his son Pete in which he says:
"Things are not so interesting here now as when we first came, as everything is now getting stale to us and we don't mind those shells which the Germans send us over every once in a while, and more so at meal hours so as to try I guess, and make us heart sick, so we may starve, but never the less they are not succeeding with it very well as we are always ready to eat a good meal a dozen times a day if we could get it. Instead of a struggle to make three meals from what we are allowed to each one of us. We very often hear tell of the Germans coming over to the British trenches. TO RAISE FRENCH-ACADIAN BATTALION

Meeting of Representatives Held at Moncton to Make Arrangements

While in the city last evening, Captain L. D. D. Tilley, of St. John held a consultation with French speaking representatives from various parts of the province concerning the changes for the formation of a distinct regiment from among the French-speaking people of the Province of New Brunswick. The meeting was a quite representative one.

For various reasons, the promoters of the movement are not publishing many details, but it is understood that the idea of such a regiment is being received with favor throughout the province, and that it only remains to secure the necessary officers of French speaking origin. A well-known militia officer from the North Shore, is slated for the position of commanding officer (Major, or Lieut-Colonel), providing he can make the business arrangements necessary to taking the appointment.

The committee which met here in L'Assomption, last night, is sending out a call for more delegates from parts of the province not previously represented, and it is expected that a meeting of a provincial committee will be held here within a few days.—Friday's Typewriter.

MUSICAL TREAT IN ST. JOHN'S MONCTON

W. Lynwood Farnam of Boston Delights Large Audience at Organ Recital

Moncton lovers of music were given a rare treat Tuesday evening at the organ recital given by Mr. W. Lynwood Farnam, A.R.C.M., A.R.C.O., in St. John's Presbyterian Church. The recital was one of the finest of its kind ever heard in Moncton. The church was crowded with a thousand people, including parties from Sackville and Shediac were in attendance and Mr. Farnam was given a very hearty reception. Clarity, precision and accuracy were undoubtedly marked characteristics of his playing, and his quiet and easy manipulation of the magnificent organ, stamped him a master par excellence. A glance at the programme is sufficient to show the diversity of style essayed, and when it is considered that practically the whole was committed to memory, one's appreciation is considerably intensified. Mr. Farnam's technique is so perfect that some Montreal critics have termed it uncanny.

The programme as carried out follows:
Scherzo Symphonique Concertante (A Major) Lemmens
Allegretto Grazioso (E Major) Robt. Fuchs
(From Serenade for Stringed Instruments)
Marche Pittoresque Kroeger
Solo, "I Will Extol Thee, My God, O King" Moliere
(Mrs. Fred Crandall)
Sonnata No. 1 in F Mendelssohn
I. Allegro Moderato e Serioso.
II. Adagio.
III. Andante Recitation—Allegro Assai Vivace.
Cornet Solo—"The Lost Chord" Sullivan
(Mr. Fred Crandall)
Variations De Concert (E Minor) Joseph Bonnet
"Vielle Chanson" (D Major) E. d'Evry
Scherzo (from 4th Symphony) Widor
Duet—"Autumn Song" Mendelssohn
(Mrs. Crandall and Mrs. Norton)
Ave Maria (E Major) Henselt
Caprice (F Flat) Gullmunt
"For Unto Us a Child is Born" Handel

NEW INDUSTRY NOW ESTABLISHED HERE

Mr. Robt. St. Onge Has New Flour Mill Running. A Splendid Up-to-date Plant

For the past three months carpenters, millwrights and machinists have been busily engaged erecting a modern milling plant in this town for Mr. Robert St. Onge, and the present mill is now in successful operation. The very latest type of milling machines were installed and consist of a 25 barrel flour and buckwheat mill with all necessary cleaning machinery, the whole driven by a 7 1/2 H. P. electric motor.

The flour is manufactured by the newest process, known as the Tattersoll Midget Marvel System and does away with the endless spouts and elevators that formed a large part of the old type of mills. In the older systems of making flour the material was carried miles through these chutes and spouts before it finally reached the flour bin, thereby robbing the flour of much of its natural flavor. In the Midget Marvel System the flour is made instantly and is at once packed, retaining all of that sweet flavor that used to characterize the bread made from flour ground in olden days.

The leading brand of flour that Mr. St. Onge will manufacture will be known as "Sugar Loaf" and nothing but the finest wheat will be used in its manufacture. The building is 30x40, 2 1/2 stories high and is of modern construction, no expense having been spared to produce flour under the most sanitary conditions. Mr. St. Onge deserves the highest recommendation for his effort to supply this county with a much needed industry and should have the support of the entire community.

Public Meeting Will be Held in the Opera House—Sgt. Knight Will Speak

Recruiting for the 132nd Battalion, which will be under the command of Lt. Col. Geo. W. Until these premises are ready recruits will be billeted in private houses and already accommodation can be had for about 75 men.

Lieut. G. R. Archer has received his appointment in the 132nd and is at present recruiting and in charge of the billeting of recruits for this battalion.

DEPENDS PART OF FRENCH-CANADIANS

Hon. Chas. Marcell Replies to Toronto Critics Concerning Numbers Enlisted

The Hon. Charles Marcell, speaking at the Reform Club on Saturday, made a spirited reply to Toronto critics of the French-Canadian vote. "Why," asked Mr. Marcell, "should these small people in Toronto care on the people of Quebec? Quebec has done its duty nobly. May be it has not sent as many men as it might have done, but the war is not over yet. There is not a hamlet in the province which has not done something in the war."

It is already known that Canada will never lose a battle to that overriding purpose when consideration will be necessary. I do not think that there will be conscription as many seem to fear. Canada has given liberally. Her blood flows bravely. St. Julien and Festubert will never be the necessity for conscription in Canada.

Mr. Marcell said there was no crime of which Germany had not been guilty. Canada was at war to protest against that policy. It was Canada's protest as well as England's and it was the cause of the Germans in the early part of the struggle and not continued. Mr. Marcell also held a warm tribute to the work accomplished in the war by the French soldiers.

FEELS LIKE A NEW WOMAN

As Lydia E. Pinkham's Vegetable Compound Dispelled Backache, Headaches and Dizziness.

Figgs, Ohio.—"I would be very ungrateful if I failed to give Lydia E. Pinkham's Vegetable Compound the praise it deserves. For I have taken it at different times and it always relieved me when other medicines failed, and when I hear a woman complain I always recommend it. I was attacked with a severe case of organic weakness. I had backache, pains in my hips and over my kidneys, headache, dizziness, nervousness, had no energy, limbs ached and I was always tired. I was hardly able to do my housework. I had taken Lydia E. Pinkham's Vegetable Compound on one other occasion, and it had helped me so I took it again and it has built me up, until now I feel like a new woman. You have my hearty consent to use my name and testimonial in any way and I hope it will benefit suffering women."—Mrs. OZMA TURNER, 421 S. Wayne St., Figgs, Ohio.

Women who are suffering from these symptoms are peculiar to their sex should not doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

ALL PARCELS SENT TO SOLDIERS SHOULD CONTAIN ZAM-BUK

A man from the front made this remark the other day, and extracts from many letters we have received from the firing line and from Canadian camps bear this out.

Sapper G. T. Webster, 2nd Field Co., Canadian Engineers, writes: "We find Zam-Buk of great benefit here in camp for sores, cuts, bruises, sprains, etc. I would not be without it."
Corp. J. C. Fremila, 10th Field Ambulance, writes: "I have found Zam-Buk a great remedy for foot-soreness and also for rheumatism. A box I received the other day was shared amongst us and used up in a few minutes."
Lance-Corp. Delaney, 2nd Royal Irish Regt., who has been awarded the Distinguished Conduct Medal, writes: "Zam-Buk out here is like a loaf of bread to a starving man. We had a forced march of 37 miles, and not a man who used Zam-Buk on his feet fell out."
Sergeant F. Bremer, 8th Canadian Mounted Rifles, writes from Barfield: "Zam-Buk has proved most valuable for cuts, sores, blisters, etc. It has been a true friend, and we never fall to include it in our kit."
Private Johnson writes: "Mrs. _____ offered to send me a rug. I have written to tell her to send out Zam-Buk instead. It will be of far more use."
For sore feet, chafed places, scalp sores, barbed wire scratches, cuts, abrasions, cold sores, chapped hands, etc., Zam-Buk is a veritable marvel. It stops the pain and heals so rapidly. Here is costs but 60c per box. Out at the front, to your friends in the trenches and engaged on communications, it is priceless. Remember also that for similar injuries sustained at home it is just as good.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD
Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a happy, playful child again. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

DEATH IN PASTURE
Bees Resent Bovine Intrusion to Their Preserves

Gibson, Okla., Nov. 22.—A cow was stung to death by bees on a ranch near here. She strayed from the herd into a patch of clover and wild flowers. A loud humming noise was heard and the air became black with bees, which rose from the blossoms. The horse swarmed down upon the cow so thickly that hardly a hair on her could be seen. Believing with pain, the cow began running blindly about the pasture with the bees clinging to her.
Her owner and two other men stood helplessly watching the maddened cow. They were unable to lift a hand in her defence. For half an hour the attack continued, the cow pushing at every small tree she could find in an effort to dislodge the bees. Finally she crashed into a fence and fell. When the bees drew away the cowpunchers found the animal dead.

FRENCH REPORTEE ON THE FIRING LINE

Exchange of Oral Shots Between British Soldiers and the German Lightens War Burdens

An account of the repartee that passes between the British soldiers and the enemy in the nearest trenches is given in an article in a late issue of Cornhill. The writer, Mr. Boyd Cable, first tells the story of "The Tower Bridge Rifles" exchanging oral shots with the enemy—
"Hullo, Tower Bridge Rifles! Pleased to meet you again."
"An' you're a liar if you says you're pleased to meet us agin," put in another. "If you've met us afore, I've you was too dash sorry for it to want to meet us agin."
"You can't take any more trenches," said a voice. "You haven't shells enough."
"Anyhow," replied the English corporal, "we ain't short of bombs. 'Ave a few to be goin' on with," and he and his party let fly.
"Then, a bit later—"
"Hi, there! Where's that Soho barber's assistant that thinks he can talk 'Engliah'?" demanded the Towers' spokesman cheerfully.
"That annoyed the English speaking German, as, of course, it was meant to do."
"I'm here, Private Petticoat Lane," retorted the voice, "and if I couldn't speak better English than you I'd be shaming Soho."
"You're doing that, anyway, you bloomin' renegade dog stealer!" called back the private. "Why didn't you pay your landlady in Lunnon for the lodgin's you owed when you run away?"
"Schweinhund!" said the voice, angrily, and a bullet slapped into the parapet in front of the taunting private.
After a while, in good English—
"We'll make you learn German when we've taken England."
"Oh, it's England you're takin' now!" said Private Robinson. "But all you'll ever take of England will be same as you took before—a tuppenny tip if you serves the soup up nice."
"I got 'im," said the Corporal three minutes later. "One bloke wur 'loking with a periscope, and I saw a little cap an' one eye come over the parapet. 'E copped it right enough."
"After a while—"
"Now, then, where's the orchestra?" demanded some one, and the orchestra, one mouth organ strong, promptly struck up a lilting music hall ditty, followed by "My Little Grey Home." Then the Germans sang "Deutschland über Alles," a parody which does not go out of its way to spare German feelings.
"An' o' d'you like that, o' sossidge scowfers!" demanded Private Robinson, loudly.
"I got 'im," bellowed a guttural voice. "Us vind you up quick!"
"Ark!" said Private Robinson, in eager anticipation. I do believe it's—s-sh! There," triumphantly, as again the word rang out—the one word at the end of the verse— "England!"
"It's it. It's the ymn of 'ate."
Every man sat drinking the air in eagerly. Hadn't every regiment heard about the famous hymn and longed to hear the tune? And here it was being sung to them in full chorus by the Germans themselves.
The mouth organist was listening as if afraid to miss a single note.
"Ave you got it, Snapper?" whispered Private Robinson. Snapper, with his eyes fixed on a vacancy, began to play the air over softly and doubtfully.
"Let's kid 'em to sing it agin," said Robinson. A loud "Encore" rang from the trench.
"Was you know wat we haf sing?" asked a German voice.
"It's great, Dutchie. Sing it agin."
"You haf not understand," said the German angrily. Then a clear tenor in the German trench gave it in English.
Before the last sound of it has passed the singer had plunged into the next stanza, his voice soaring and sinking with an intensity of feeling. The whole effect was inspiring, wonderful, dramatic. One felt that it was emblematic, the heart and soul of the German people poured out in music and words. His Majesty's regiment of Tower Bridge Rifles was most obviously not impressed with fear and trembling. Private "Enery Irving, clapping his hands and stamping his feet in the trench bottom, voiced the impression exactly. "It beats Saturday night in the gallery of the old Brit," he said, enthusiastically. "That bloke—billy—e ought to be doin' the star part at Drury Lane."
Each evening after that and later on when marching to the reserve billets the Towers made a particular point of singing the "Hymn of Hate."
"It's of the 'eat, an' 'ite of the 'and. 'He by water, an' 'ite by land. 'Oo do we 'ear to bear the band?"
The answering voice of "Engliah" started the horse of a band leader.
"What on earth are those fellows singing?" he asked one of his officers. He was told and rocked with laughter.

NORTH SHORE BATTALION

RAPIDLY TAKING SHAPE
To be Known as 132nd and Will be Quartered at North Shore Points For the Winter

(From the Gloucester Northern Light)

Lt. Col. G. W. Mersereau, who has been authorized to raise the North Shore Battalion, officially known as the 132nd, is making good progress with the organization of his battalion.

The idea of having a regiment composed of men from the northern part of the province, and officiated by men from the same section, has aroused an astonishing amount of interest in each of the counties concerned, and will no doubt result in the rapid filling up of the ranks of the new battalion.

Some of the officers who will hold commissions have already been decided on. Major W. H. Belyea of Newcastle, at present serving with the 26th N. B. Battalion in France, has been chosen by Col. Mersereau as his second in command, and if the authorities allow his transfer, his presence on the list of officers will help materially in the recruiting campaign shortly to be started. Other popular appointments are those of Fred G. Burr, Manager of the Bank of Nova Scotia at Jacquet River as Paymaster, Sergt. Major Duncan of Chatham as Quartermaster, Capt. L. D. Jones of Dalhousie as junior major, and Lieuts. Barry of Newcastle and McKay of Campbellton as captains.

Bathurst is to be represented among the officers by several well known young men if the recommendations of Col. Mersereau are accepted by the military authorities, and it is hardly likely that they will not. J. Theodorou, at present training with No. 4 Siege Battery at St. John is asking for a transfer so that he may take a Lieutenant's commission, and J. Edmund White has applied for his release from the 104th battalion for the same purpose. Walter Veniot of J. P. Whelan's store staff, and Ernest J. White of the Post Office are also on the list of officers, and all these capable young men are being warmly congratulated on their good fortune.

It is likely that Bathurst, or rather Gloucester County will be allowed one or two more officers in the battalion if recruiting results as well as expected here.

While no definite arrangements in regard to the quartering of the men of the battalion have yet been decided on, nor can be until recruiting is well under way, it is estimated that Chatham will look after 400 for the winter, Newcastle two hundred, Campbellton three hundred, Bathurst one hundred, Dalhousie fifty, and parties of twenty-five each at Shippeagan, Carleton Place, Petit Rocher, Doaktown, Rogersville, Blackville and Boiestown. These figures are subject to readjustment, as it is likely that the policy to be followed will be to quarter the men in the places to which they belong as far as this is practicable.

Mayor Michaud has been active in his efforts to direct the attention of the military authorities to Bathurst as a point for quartering the men recruited in this County, but for some unappreciable reason the inspecting officers sent to this part of the country last week for this purpose, failed to stop at Bathurst. They have reported

League Formed by Parents of French Soldiers

Paris, Nov. 22.—A league has been formed here by the parents of 600 soldiers who are serving at the front, with the object of ferreting out and reporting to Minister of War Gallieni, cases where young men fit for military service are occupying positions in the interior which are more or less sinecures through the influence of powerful friends and the persons who are protecting them. The league hopes to co-operate in this way with M. Gallieni's campaign to root out favoritism.
