She took me in, and you were born, The first day on which I ventured far from my lodgings and you, months afterward, I beheld my husband driving home from church with his high-born bride. "They are over now," said Dolores, caressingly. "You shall work no more, manima. You have some one to love you and take care of you. A NOTED BUT UNTITLED WOMAN.

Masre, Editors:—
The above is a good likeness of Mrs. Lydia E. Pink-ham of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," many se truthfully called the 'Dear Friend of Woman,'
as some of her correspondents love to call her. She
is swidoully devoted to her work, which is the outcome
of a licetudy, and is obliged to keep six lady
assutants, to help her answer the large correspondent
which cally pours in upon her, each bearing its special
buries. I suffering or joy at release from it. Her
vegetable Compound is a medicine for good and not
ceil purposes. I have personally investigated it and
am satisfied of the truth of this.

On account of its proven merits, it is recommended
an prescribed by the best physicians in the country.
One say..."It works like a charm and saves much
pain. I will cure entirely the worst form of failing
of the uterus, Leucorrhose, irregular and paining
if the store is the second of the consequent spinal weakness, and is especially adapted to
the Change of Life."

sequent spinal weakness, and is especially adapted to the change of Life."

J permeates every portion of the system, and gives now life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It euros Bloating, Headaches, Nevrous Prostration, General Deblitty, Sleeplesmess, Depression and Indigestion. That feeling of bearing down, causing pain, weight and beakache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1, per bottle or six for \$5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect neath by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Ell'vey Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constitution, Billowson and Torpidity of the liver. Her Blood Purfer works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole smittion is to do good to others.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, It checks falling of the hair, and stimulates a weak and sickly growth to vicor. It prevents and cures scurf and dandrux, and heals nearly every disease peculiar to the scalp. As a Ladles' Hair Dressing, the Vicor is unequalled; it contains neither of a Vigor is unequalled; it contains neither of nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

agreeace, and assung pertume.

MR. C. P. BRICHER writes from Airby, O.,
July 3, 1882: "Last fall my hair commenced
falling out, and in a short time I became
noarly baid. I used part of a bottle of
AYER'S HAIR VICOR, which stopped the falling of the hair, and started a new growth. If
have now a full head of hair growing vigorously, and am convinced that but for the
use of your preparation I should have been
entirely baid."

J. W. Bowen, proprietor of the McArthur (Ohio) Enquirer, says: "Aven's Hair Vigor is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The Vigor is also a sure oure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction." MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairu Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1 30: "Ever since my hair began to give silvery evidence of the change which fleeting time procureth, I have used AVER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, oracors, actors, and in fact every one who lives in the eyes of the public."

MRS. O. A. PRESCOTT, writing from 18 Elm Sr., Charlestoun, Mass., April 14, 1862, says: "Two years ago about two-thirds of my hair same off. It thinned very rapidly, and I was fast growing baid. On using ArkE's Har Vicos the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vicos, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass.
