The copy filmed here has been reproduced thanks to the generosity of:

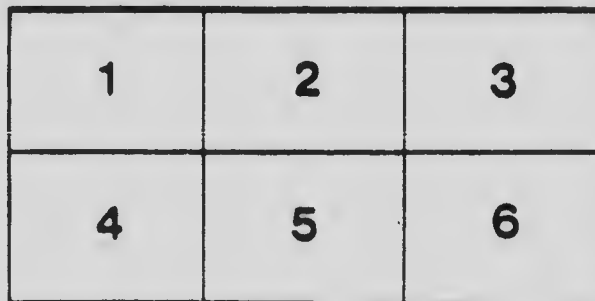

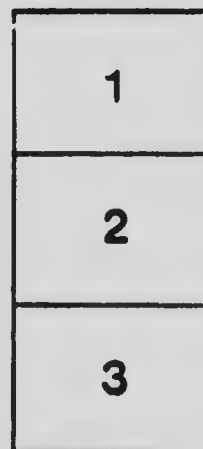

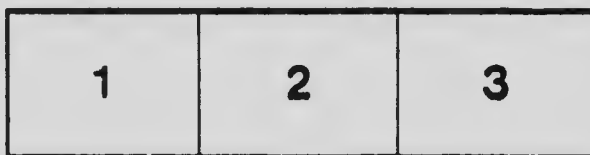

Emmanuel Library
University of Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Emmanuel Library
University of Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Hymnal

A special hymnal has been prepared for the use of the Convention, and will be given to each registered delegate. This hymnal should be taken by each delegate to all the meetings, but should not be left in the Convention Hall, since only enough to supply the delegates have been provided.

Prayer

Delegates are asked to be much in prayer during the Convention. The observance of the morning watch and earnest prayer for the Convention and for the speakers will do much to cause it to become a mighty force in the colleges of the whole continent and in the life of the Church.

The Exhibit

PLACE.—The Educational Exhibit will be found on the floor immediately below the audience-room of the Convention building. Entrance on Victoria Street.

SCOPE OF THE EXHIBIT.—Delegates will here find the varied and suggestive material contributed by the missionary boards, and also a choice collection of books on missions, so classified and displayed that visitors can readily see what volumes are best suited to the needs of their particular institutions. A still more select group of works constitutes a model library for the missionary, which will be especially interesting to board secretaries and missionary candidates. Here one will also find an exhibit of mission study textbooks and other study class material.

Another feature of the Exhibit is a collection of articles useful to the missionary on the field. The material chosen has to do with that part of the missionary's outfit which is rarely thought of by those first going out, but which is, nevertheless, very useful when on the field. This part of the exhibit will prove of interest to all delegates, as nothing of this sort has been brought together hitherto at any American missionary gathering. A corps of attendants will gladly give explanations and information.

HOURS WHEN OPEN—The Exhibit will be open each day, except Sunday, from 8.30 a.m. to 7.45 p.m., except during the hours of the morning platform meetings in Massey Hall. No delegate should fail to spend considerable time, note-book in hand, in the Exhibit rooms, as no better opportunity can be had for learning what to purchase in the line of literature and other helpful material. Orders for books, etc., can be given, should any visitors so desire.

Report of the Convention

A report will be published as soon as possible after the close of the Convention. It will contain verbatim reports of all the platform addresses, and will also contain the important discussions of the section meetings. The price of the report in cloth will be \$1.50, post paid, to any address. Advance orders, until further notice, will be received at \$1.00.

Convention Post Office

The Convention Post Office is located in the Exhibit Room of Massey Hall. It will be open from 8.30 a.m. to 9.30 a.m. and from 12.30 p.m. to 7.45 p.m., except on Sunday. Notices of appointment to speak at Sunday services and other communications will be transmitted through the Convention Post Office, and delegates are, therefore, asked to inquire for mail.

Railroad Certificates

All delegates holding railroad certificates should deposit them at the Registration Bureau immediately after registering.

The delegate's ticket should be shown when depositing certificate as evidence that the delegate is in attendance upon the Convention. After the certificates have been endorsed by Mr. F. P. Turner, General Secretary, and viséed by the representative of the railroads, they will be mailed to the delegates through the Convention Post Office. Certificates will not be honored for return ticket unless endorsed and viséed as above.

The return portion of round-trip tickets must be endorsed by the delegates in the presence of the ticket agent in Toronto.

Street Cars

Cash fares are 5c. Regular tickets, 25 for \$1.00 or 6 for 25c. Limited tickets, good only between the hours of 5.30 a.m. and 8.00 a.m. and 5.00 p.m. and 6.30. p.m., 8 for 25c. Limited tickets cannot be used on Sundays.

Transfers are issued to any part of the city. These tickets may be used for further transfer when properly punched by the conductor.

Lunch Places

Most of the delegates have been assigned to homes at considerable distance from Massey Hall. Unless arrangement is made by the host or hostess to the contrary, delegates are requested to get their lunch at their own expense at one of the restaurants or cafes mentioned below. Much time and physical strength will thus be saved which may be devoted to a study of the exhibit, to social intercourse, and rest, while many of the hostesses will be enabled to attend the morning sessions. The cost need not exceed fifteen cents, an amount but slightly greater than car fare to and from the place of assignment. Meals will be served *a la carte* in each of these places. The service at restaurants will be greatly facilitated if the delegates will take lunch between one and two o'clock rather than before, in order to avoid conflict with regular patrons.

Rest Rooms

The attention of the delegates is called to the hospitality extended by the Young Men's Christian Association, the Young Women's Christian Association, and the Young Women's Christian Guild, mentioned below.

YOUNG MEN'S CHRISTIAN ASSOCIATION

The Young Men's Christian Association of Toronto desires to greet the delegates to the Student Volunteer Convention, and to extend to them the courtesies of its buildings.

The Central Building, at the corner of Yonge and McGill Streets, will, doubtless, be most convenient to the delegates, and therefore they are specially invited to make themselves at home at that building, using it as their social headquarters during the time of the Convention.

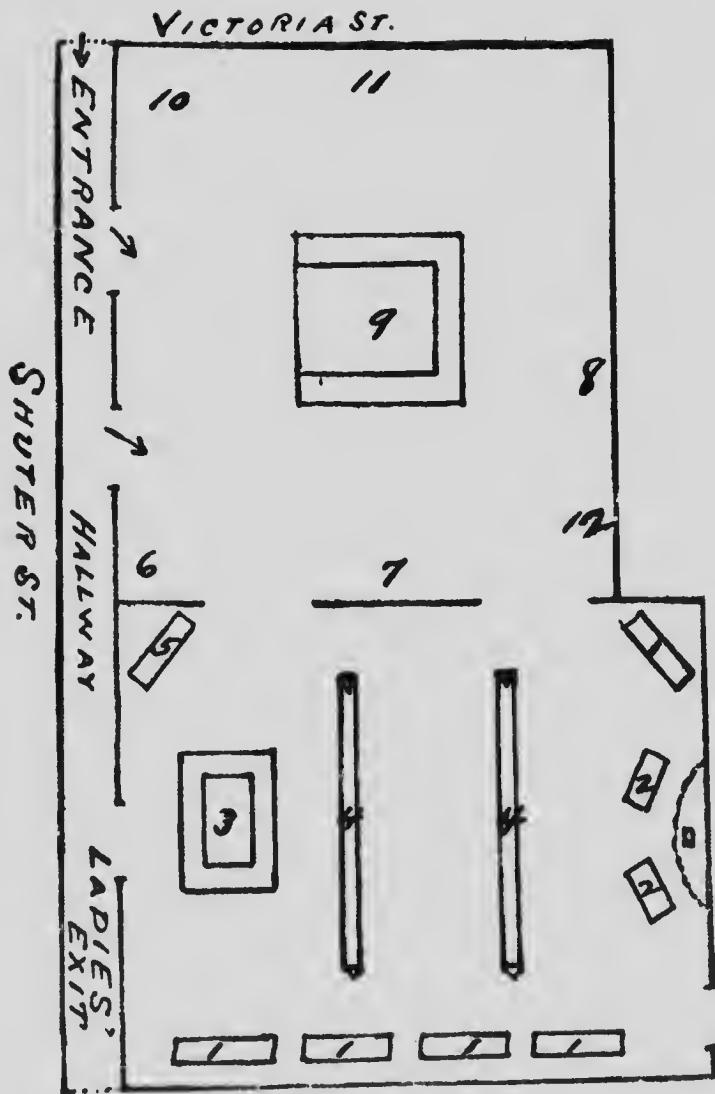

The officers will be glad to be of any service possible to any of the delegates at any time.

YOUNG WOMEN'S CHRISTIAN ASSOCIATION

The Young Women's Christian Association, 18 Elm St., extends a cordial invitation to the students of the Volunteer Convention to visit the Home and make a free use of the Reading and Reception Rooms.

YOUNG WOMEN'S CHRISTIAN GUILD

The Young Women's Christian Guild, in affiliation with the Dominion Council of the Young Women's Associations of Canada, will gladly welcome women delegates in attendance upon the Convention at their building, 19 and 21 McGill St., near the building of the Young Men's Christian Association. Visitors will find convenience and comfort in the reading-rooms and parlors. The Secretary will be glad to welcome delegates, especially at the hours between sessions, when a quiet place for rest is desired.

Catalogue of the Exhibit

Explanatory

The Exhibit, referred to on page 5 of this Hand-book, aims to present material which will make clear the work of the various missionary societies, both on the foreign field and in the equally important operations required for the education of the home Church and the development of its missionary activities. It further aims to furnish delegates with the opportunity to examine carefully chosen collections of books, periodicals, maps, etc., and thus to intelligently add to the missionary equipment of their own institutions.

The exhibit of books and other literature, constituting the missionary's model library, is strongly recommended to the attention of all missionary candidates. While not all the literature which it contains will be purchased by every candidate—since the requirements of fields vary greatly—it is believed that the library contains nothing that will not prove exceptionally useful to missionaries on the field.

The exhibit of articles, such as tools, travelling conveniences, instruments, apparatus, etc., will hardly be appreciated by most of the delegates, but will be understood by those who have gone out without having had any opportunity to see such a collection, or having given any thought to their necessity. Here, however, it should be said that many of the articles on exhibition are useless in some countries, and hence returned missionaries from the field to which the candidate is going should be consulted as to what articles are to be bought before sailing. The astronomical and other instruments necessary for determining the loca-

tion, altitude, meteorological conditions, etc., of a given place are exhibited as being useful at new stations in remote regions. Every college student can readily learn their value from his professors, and where the expense of the instruments can be borne, missionaries can with a very slight expenditure of time contribute to the scientific information so much desired by geographical and other learned societies, thus approving the missionary enterprise to an influential but usually unsympathetic body of men.
