The copy filmed here has been reproduced thanks to the generosity of:

Archives of Ontario
Toronto

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Archives publiques de l'Ontario
Toronto

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

AIMS AND OBJECTS OF THE ASSOCIATION.

This Association is organized for the following purposes:

(a) To facilitate the exhibiting of Fine Art work, architecture and handcraft done by members of the Association, who shall be residents in, or natives of Hamilton, or its immediate vicinity, and thereby cultivate the public taste for Fine Art and the products of the crafts which depend on some display of artistic skill to become saleable.

(b) To bring selections of the best works of Artists, Architects and Craftsmen prominently before the public so that some of such work at least may find purchasers, which if left to individual enterprise would remain unsold.

(c) To bring the works of young artists and craftsmen before notice of those requiring skilled labor.

(d) To encourage individual effort among art workers to produce better work by associating the name of every worker with his or her work, particularly with factory produced articles which bear the direct impress of the individual thought, skill or taste of one or more workers, as well as the name of the firm producing such articles.

(e) To admit the work of other artists not resident in Hamilton, as long as there is space for the same without overcrowding local work; this is intended to prevent somewhat the members of the Association from becoming narrow minded or purely local in their ideas. No distinction will be made between so called professional and amateurs.

(f) To purchase Works of Art with any profits derived from exhibitions after all expenses incurred in holding such are paid; the works so purchased to form a nucleus of a collection for a public Art Gallery in Hamilton; such purchases to be located temporarily by the Council of this Association.

(g) To hold exhibitions of Hamilton work in other places in Ontario, where such exhibitions are deemed advisable by at least two-thirds of the members of the Association.

(h) To further cultivate artistic taste, Patrons will be enrolled as well as working members by paying five dollars per annum, or twenty-five dollars for a Life Patronage, the money so subscribed to go towards the purchase of works of art already referred to.
