CUSTOM MADE CLOTHING

A GOOD SUIT

Costs more than a poor suit, for it requires better grades of Cloth and Trimmings, as well as what is very important, care and skill, in what we call the "make up." It therefore "goes without saying" that a good suit not only costs more, but is really worth more than one poorly made and composed of inferior grades of Cloth and Trimmings.

Why not wear good clothes then, even if they cost more and are made at
