a victim of the Heart Disease and Nervous Affections, which have been growing on me ever since,

Da. HALBY!—A bottle of your Forcest Wine and be of Pills, which I procured of Mr. James C. irr, (your Agent for this class,) has done winders for me. I had been in a state of decline for more than a year, afflicted with a dreadful cough, pain in the breast, general debility, and loss of appetite. I became almost a skeletoff, and had been mable 5; leave my room for more than: two months; my friends told me. I had the Consumption, and despired of my recovery. I aguid not obtain any permanent relief from any medicine I had tiken, or my hysician, andily our Vine and Pills were procured. The first dose of the Pills brought up from my stomach such phages mid greenish matter, and my peptita began to return immediately, my cough left me, and in less than two weaks I was almost well. I now enjuy better health than I ever did before, having increased twenty-five pounds in seven weeks. Your Forest Wine and Fills are highly valued in this vicinity, and I owe my recovery entirely to their virtues. Yours, respectfully.
