The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Anglican Church of Canada
General Synod Archives

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**PRAYERS TO BE USED AT ALL MEETINGS OF THE SOCIETY,
AND OF ITS SEVERAL ASSOCIATIONS.**

Prevent us, O Lord, in all our doings with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by Thy mercy, obtain everlasting life; through Jesus Christ our Lord. *Amen.*

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live; Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be one fold under one Shepherd. Prosper, O Lord, the labours of those Societies of the Church in the land of our Fathers, which Thou hast deigned to use in the promotion of this object, and which have nourished the Church in the Colonies: and bless in like manner with Thy Holy Spirit and Providential succour the Society in whose cause we are now met, and the undertakings which we have now in hand. "Prosper Thou the work of our hands upon us; O prosper Thou our handy work," for the sake, and through the merits of the same Thy Son Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. *Amen.*

Our Father, which art in Heaven, Hallowed be Thy name. Thy Kingdom come. Thy will be done in earth, As it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, As we forgive them that trespass against us. And lead us not into temptation: But deliver us from evil: For thine is the kingdom, the power and the glory, For ever and ever. *Amen.*

His Excellency the Governor General, if a member of the Church of England, shall be requested to become the Patron of the Society.

ARTICLE II.

The Lord Bishop of the Diocese of Montreal, shall be the President of the Society, and shall be "*ex officio*," Chairman of all meetings of the Society, and of all Committees thereof, at which he may be present. The Vice-Presidents shall consist of such Chairmen of the different District Associations of the Society as are hereinafter provided for, and such others as shall be nominated at the General Annual Meeting of the Society, from among its members.

ARTICLE III.

The Treasurer, the Secretary, the Auditors, and other necessary officers of the Society, shall be appointed by the Central Board. The Secretary may be allowed a salary not exceeding fifty pounds per annum, and travelling expenses, under the direction of the Central Board. The Secretary may appoint an Assistant subject to the approval of the Central Board, provided such appointment shall not entail any additional burden upon the Society. The appointment of Treasurer and Secretary shall not be for any specified period, but they may be removed at the pleasure of the Central Board.

ARTICLE IV.

The Treasurer shall receive all subscriptions, donations, rents, issues and profits, payable to the Society, for which purpose a paid Collector or Collectors, may be employed. Such monies shall be deposited in such Bank or Banks as shall from time to time be indicated or approved of by the Central Board.

No money shall be paid by the Treasurer without the authority of a resolution of the Central Board, certified by the Secretary, expressing the name of the person to whom and the purpose for which the money is to be paid.

The Treasurer shall also have the custody of all deeds, bonds, securities and other documents relating to the property of the Society, (which, after registration, shall be deposited in one of the approved Banks, unless otherwise specially ordered by the Central Board,) and shall submit his or their accounts at the stated periodical Meetings of the Central Board.

ARTICLE V.

The Secretary shall keep the Minutes of all the proceedings of the Society, as well as of the Central Board, and shall have the custody of, and be accountable for the safe keeping of the same, and he shall be subject to the direction and control of the Central Board in all his duties and proceedings.

The Society shall meet annually at Montreal on the third Tuesday in January, whereof not less than fifteen days' notice shall be given by the Secretary, in two of the leading City Newspapers, and elsewhere, as may seem to him expedient. ARTICLE VIII.

Of the Central Board.

There shall be a Central Board for the management of the general business of the Society, consisting of the President, the Vice-Presidents and the other officers of the Society, all officiating Clergymen and Church-wardens of every Church or Chapel of the United Church of England and Ireland within this Diocese, being members of the Society, and of such others as shall be chosen at the Annual General Meeting from among the members of the Society. The Board shall meet in the City of Montreal on the 1st Tuesday of every month. Special meetings may be called by the President, or in his absence from the Diocese, or in the event of a vacancy of the See, by two of the Vice-Presidents and four members of the Board, by a written order to the Secretary; not less than seven members present shall form a quorum. When a sufficient number of members to form a quorum shall not assemble at any meeting duly summoned, the members present may

adjourn to another day and so on *toties quoties* until a quorum shall be found and business may then be proceeded with.

The Central Board shall have authority to make such rules as may be necessary for the government of its own affairs, provided that none of them be contrary to, or inconsistent with the spirit of the Constitution or By-laws of the Society. The Central Board shall report to the Annual Meeting a statement of its proceedings and detailed account of all monies received and expended during the preceding year, and no grant shall be made to any country Church or Mission except the application be forwarded by the District Association in which such Church or Mission may be situated.

ARTICLE IX.

Of District Associations.

District Associations shall be formed in connection and correspondence with the Central Board, to be composed of all the members of the Church Society, resident within the bounds of such Districts, and of all others within the same bounds who shall annually contribute the sum of five shillings to the funds of such District Association. The boundaries of each District Association shall be determined by the Central Board. The senior Clergyman, being a member of the Church Society and holding a pastoral charge within the bounds of any District Association, shall be the Chairman thereof, each District Association shall appoint a Secretary and Treasurer, and such other officers as they may deem necessary. They shall have authority to frame rules and regulations for the government of their own affairs, provided they be not contrary to or inconsistent with the Constitution or By-laws of the Society.

One-half of all monies paid into the hands of the Treasurers of the District Associations, respectively, and not specially appropriated by the contributors, shall be transmitted to the Treasurer of the Society to be at the disposal of the Central Board, and the remaining half may be expended within the District, for such objects only as are specified in the Constitution of this Society. Provided, that all monies remaining unappropriated six weeks before the Annual Meeting of the Society, shall be forthwith transmitted to the Treasurer thereof for the general purposes of the Society.

Each District shall, at its first Meeting, annually, appoint Collectors in each Parish, Chapelry, or Missionary Station within the bounds of such Association, whose duty it shall be to procure subscriptions and donations, to collect the subscriptions of Members of the Society and of Members of the Association and to transmit the same to the Treasurers respectively.

Such Sermons as the Lord Bishop of the Diocese shall direct, shall be preached in each year in each Parish, Chapelry and Missionary Station, on such days as the Bishop shall appoint, in favour of some *one or more* of the objects of the Society, and a collection made in aid thereof which shall forthwith be transmitted to the Treasurer of the Society, and no grant or benefit

from the Society, shall be obtained for any object within any Parish, Chapel, or Missionary Station in which such Sermon or Sermons shall not have been so preached and such collections shall not have been made.

Each District Association shall report its proceedings, annually, to the Central Board, not less than one month before the Annual Meeting of the Society, with a detailed account of all the monies received and expended by them during the preceding year.

ARTICLE X.

Of the Lay Committee.

A Lay Committee, consisting of not less than thirteen Members, shall be chosen at the first meeting of the Central Board, from among the Members of the Society, of whom three shall be a quorum for the transaction of the business.

The proceedings of the Lay Committee shall be subject to the sanction of the Bishop of the Diocese. The clerical and other members of the Central Board may attend at any of the General Meetings of the Committee, and may propose and discuss matters therein, but shall have no vote; and the Committee shall report their proceedings to the Central Board at least once each quarter. The objects of this Committee shall be:

First.—The securing to the Clergymen now resident and doing duty in the Diocese, a sufficient and permanent income, and providing, with the least possible delay, for the increase of their number so as to meet the increasing exigencies of the population.

Second.—The building, in every place where it may be required, a Church of stone or brick, upon a well considered plan, as to dimensions, external form and internal arrangement, keeping in view the probability of its requiring enlargement.

Third.—The building, in a good situation, as near as practicable to the Church, a comfortable Parsonage of brick or stone, the plan of which should be carefully considered, with reference to size and internal arrangement, and should admit of additions being made, with the sanction of the Bishop.

Fourth.—The procuring an adequate and permanent support for all the Institutions, Authorities, Functionaries, suitable and appertaining to the Establishment of the Church of England in this Diocese.

Fifth.—The investing all life subscriptions, (unless so far as the application of these may be otherwise limited by the contributors,) in a permanent and accumulating Fund, of which the interest only shall be applied to the general purposes of the Society.

Sixth.—The encouraging the formation of a Local Endowment Fund, at every station or place having a Church or Clergyman, by special contributions, or by setting apart a portion of the Pew-rents, to form an accumulating fund until the net income shall in each case amount to £50 per annum; for the more effectual promotion of which object, the Society will engage, when-

ever such fund shall be formed and shall amount to £100, invested in Bank-stock or other public securities, to add thereto such an amount, not exceeding £100, as the funds of the Society, from time to time, shall admit of; provided always that such investment shall stand in the name of the President of the Society.

Seventh.—The management and superintendence of all lands belonging to the Society.

ARTICLE XI.

All meetings of the Society and of the Committees shall be opened and closed with such prayers as the Bishop may appoint.

No alteration or amendment in the Constitution or By-laws of the Society shall be made, unless the general nature of such alteration or amendment shall have been proposed at the next previous General Meeting of the Society, provided that not less than one month intervene between the two Meetings, and that the object of the Meetings be stated in the advertisement by which they are called. At all Meetings of the Society, of the Central Board, or of Committees, the Chairman, in case of an equality of votes, shall have a double or casting vote.

ARTICLE XII.

Whereas some members of the Church, who are not unmindful of the great Spiritual wants of their own neighbourhood, still feel constrained, in pious gratitudes for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness: the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for the Promoting Christianity among the Jews, whatever sums may be given for the conversion and instruction of the Heathen or the Jews.

Rules for District Depots.

REPORT.

1852.

NOT as a mere matter of form—not simply in accordance with a time honoured custom—but with deep, sincere, and earnest feelings would the Central Board,—in presenting this its first Annual Report,—record its gratitude for the success with which the Church Society in this Diocese has been blessed, and for the many marks of Divine favour with which its course has been cheered and supported.

The division of the over extensive Diocese of Quebec, whilst it relieved our late laborious and much beloved Diocesan from heavy duties faithfully but arduously performed, resulted in the appointment to the new Diocese of Montreal of our present Bishop, a cause for congratulation to the whole Church, and of praise to Almighty God.

Now,—constituted a new Diocese, with a Bishop of our own living in our midst, and (by a blessing from on High,) infusing through his presence and counsel fresh life and energy into our operations, and imparting to us the strength of unity—it was felt by every one that the organization of a Church Society for the Diocese of Montreal was amongst the first steps to be taken to give efficiency to the working of the Church.

For this purpose a meeting was held on Friday, the 11th October, 1850, and an association formed by the name of the "Church Society of the Diocese of Montreal," and a Committee appointed for drawing up By-Laws for the conduct of the Association; and on the 30th of the same month, a general meeting of the Diocese assembled, and, after having adopted the Report of the By-Law Committee as the constitution and By-Laws of the Church Society of the Diocese of Montreal, appointed another general meeting to be held on the 21st of January, 1851, for fully organizing the Society.

At this meeting the arrangements were completed, the machinery put in motion; and it now becomes the pleasing duty of the executive to report the result of a year's work, and resign the powers with which it was intrusted into the hands from whence they were received.

In commencing its operations, the equitable apportionment of the monies and property of the Incorporated Church Society between the two Dioceses, demanded attention, and a Committee was appointed to represent the interests of this Society, and to confer with a Committee from Quebec, for the purpose of considering and maturing a plan; the Committee, with much patience and skill, brought their labours to a satisfactory issue, of which the following is a brief extract, viz. :—

Amount due from the assets of the general fund to the Diocese of Montreal,.....	£420 12 0
Amount due from the Widows' and Orphans' Fund.....	£939 13 4

All of which will appear under the proper head in the general accounts.

The plan adopted was that of dividing the accounts as though there had been from the first two separate Societies, handing to each the balance that appeared in its favour.

The Incorporation of the Society also received early thought and care: it was felt that its action would be facilitated and its stability and permanence better secured by a legal existence and corporate powers. A Bill similar to that enjoyed by the Church Society of the Diocese of Quebec, was therefore introduced by the Honourable W. Badgley to the Provincial Parliament during the last Session, and having passed both Houses, with the support of the Ministry and by a large majority, was, as is usual, reserved for the sanction of Her Majesty; we have consequently good reason to hope that ere another year has passed, the Society will be in the possession of the privileges and powers of a corporate body.

But the great object kept in view by the Central Board, has been "the bringing the glorious gospel of the blessed God" home to the door and heart of every member of the Church,—has been to meet the spirit of evil at the very threshold, with those ministra-

tions which the Spirit of God is pleased to use as means for the salvation of souls—to send forth Missionaries and fill up those gaps that are apparent in the ranks of the army of the Cross—to assist the great Societies, which are among the chief glories of our Father-land, in contending with the wide spread ignorance around us.

What the Board has been enabled to accomplish shall presently be recorded; but the question may first be put, what has the Church done? How have her members,—richly blessed with the great and precious promises of the Word of God, responded to our call on behalf of those who are still insensible to the invitations of the Gospel? We will leave the reply to our statistics, and make an appeal to you, founded upon the fact, that one of the Clergymen in this Diocese has 500 square miles of new country, pretty thickly settled to serve in spiritual matters, and that many others have very nearly the same extent of country, and the same amount of duty to attend to. Should this be? What can that poor Missionary do to stay the destruction of the multitude? Have you no sympathy with him? Is there no deep stirring of the feelings of your souls as you hear of these things? Will you not put forth your efforts? What you want is the Missionary with the Word of God in his hand, and the Spirit of God in his heart, going from house to house proclaiming peace, peace with God through our Lord Jesus Christ. Building up the sanctuary—celebrating the ordinances of the Church—dispensing the Bread of Life—and leading into every village the parochial schoolmaster, who will conduct the children to Christ, and as the right hand of the Clergyman, be his willing minister. You want all this until the land echoes with the cry: “Be ye reconciled to God.”

Now let every one of us put to ourselves the question, what have I done towards contributing to so glorious a consummation? Have I to the utmost of my power aided the Central Board in effecting so desirable an object?

Men of God—Men of Prayer—Brethren and Sisters in the Lord, come ye up to the help of the Lord, to the help of the Lord against the mighty.

The extent of what has been accomplished will be apparent

by a consideration of the following summary, but an idea of what might be done should be gathered from the Report of the Lay Committee for December 2nd, which has been widely circulated, showing that 13 additional Missionaries might be easily supported from 2s. 6d. contributions, amongst our own people alone within the Diocese.

The Board has further to Report with regard to the distinct departments contemplated by the Society.

1st. MISSIONARIES.

The Board has ever been duly impressed with a sense of its duty and responsibility on the subject of Missionary labour ; it has continually felt that even as this lay first amongst the objects contemplated in the constitution of the Society ; it was of the first importance to the well-being of the Church, and the good of souls ; they therefore early devoted a large portion of the funds at its disposal to this purpose, by paying five Clergymen and one Student additional sums, to enable them to make more extended visits in the destitute settlements, and carry to the lost the glad tidings of salvation ; and placed besides annually at the disposal of the Lord Bishop of the Diocese the sum of £150, to be distributed by him for Missionary purposes, at his discretion.

The following is the list of the Society's Missionaries, viz. :

The Rev. E. G. Sutton,.....	£50	per annum,	St. Remi.
T. Machin,.....	60	"	St. Hyacintho.
J. Constantine,....	50	"	Stanbridge East..

The Rev. R. Stephenson,....	£20	per annum,	Buckingham.
Mr. Wm. Jones,.....	10	"	Savanne.
Rev. D. Lindsay,.....	25	"	Frost Village.

2nd. WIDOWS' AND ORPHANS' FUND.

This fund seems to commend itself to the liberality of the Church, and therefore always receives its due share of the contributions.

There is now invested on this account,	£1,125	0	0
An increase for this year of.....	225	0	0

The subject of Insurance of the lives of the Clergy has not been forgotten. A Committee was appointed in August last, which met from time to time; their deliberations as yet only served to show the necessity for caution, and they are now waiting statistical information, the result of long experience in the Mother Country, preparatory to laying before the Board a well-digested scheme.

3rd. ENCOURAGEMENT OF EDUCATION.

For this purpose a Committee was duly appointed, which anxiously considered the subject, but the state of the Society's funds precluded the possibility of any general extended operations; they however matured a plan, enabling the Clergy, at a cost of £50 per annum to the Society, to avail themselves of the benefit of "the Female Diocesan School," already established under the auspices of the Church, for their daughters, at half the usual expense; and many of the Clergy embraced the offer; 12 pupils having been received into the School.

A similar plan for the benefit of the sons of the Clergy had to be abandoned for the want of funds.

4th. ASSISTANCE TO CANDIDATES FOR THE MINISTRY.

The Board has not felt itself in a position to enter upon any plan for systematically carrying out this object, nor at present does the necessity appear very pressing; the want of suitable and deserving young men seems greater than the want of means for preparing them for the Ministry.

The Society for Propagating the Gospel, with great liberality, allows £300 per annum to Bishop's College, Lennoxville, which

is appropriated to the forming of Exhibitions, of these there will be two vacant in August next, of £30 each, and one of £12 10s., formed by the contributions of former students.

5th. DEPOSITORY.

Mrs. Walton continues her efficient management of the Depository, Great St. James Street.

The Depository at the National School House will be open from 10½ to 12 A. M., and from 2½ to 4 P. M., for the sale of Books, and also for the issue of Books to the District Committees.

In accordance with a resolution of the Central Board, no Books will in future be issued to any individual on credit either from the Central or District Depots.

The Book and Tract Committee have entered with zeal and intelligence upon the work of rendering this branch of the Society's operations much more rich in usefulness; and a glance at the following Report will show that the Board is not inviting disappointment when it holds out the promise of increasing good from its future working.

REPORT.—The Book and Tract Committee, at the commencement of their operations for the past year, applied to the Society for Promoting Christian Knowledge, in London, to ascertain on what terms their publications could be obtained by this Committee. The result of this application was, that the Society, with their accustomed liberality, forwarded Bibles, Prayer Books and Tracts, as ordered, to the amount of £50 Sterling, at members' prices, which has enabled the Committee to sell Bibles and Prayer Books at an unusually low price; but the Christian Knowledge Society at the same time informed your Committee that in future their publications would be sent at non-members' prices, the usual reduction being allowed on all orders above £5.

The operations of the Book and Tract Committee have necessarily been very limited during the year, in consequence of the small amount of funds placed at their disposal; and it is much to be regretted that the Bibles and Prayer Books required for many parts of the Diocese could not be furnished from the Depository, as the supply received from the Society for Promoting Christian Knowledge was almost immediately disposed of.

The Committee, however, look forward with confidence, that this branch of the Society's operations, (under the arrangements which have been sanctioned by the Central Board for the increase of the funds at the disposal of the Committee,) will soon be in a position to meet the wants of the Diocese, and in some measure relieve the Central Board from the annual demand which is now made on the general funds of the Church Society.

The Committee also anticipate that the plan recently sanctioned by the Central Board for the formation of Depots of Books in each District of the Church Society, will be found to confer an important advantage on the different missions, and will, without causing an outlay from the Missionaries themselves, bring the Word of God, the Prayer Book of the Church, and the other publications of the Society within the reach of every member of the Church.

There have been issued from the Depository during the year :

Bibles,	144
Prayer Books,.....	637
Tracts,	1149

6th. ENDOWMENTS, &c.

Upon this matter we would refer to the subjoined reports of the Lay Committee, showing that the subject of Endowments has been taken up with much vigour and activity.

REPORT of the Lay Committee of the Church Society of the Diocese of Montreal, on the subject of Endowments :—

That in the opinion of this Committee, the thanks of the Church Society of this Diocese, are due to the Venerable Society for the Propagation of the Gospel, for the very generous contribution of one thousand pounds per annum towards the attainment of this object of primary and vital importance to the welfare of the Church in this section of the Province.

That this Committee feels assured, that upon a due statement of the want of pecuniary means, not only among the inhabitants of the several missions of the Diocese, (and particularly those recently formed), but also in the Church Society itself, the Venerable Society for the Propagation of the Gospel will be induced to modify the conditions attached to the expenditure of its liberality.

That in the opinion of this Committee, in many cases, the extent of land sufficient for the purposes of a Glebe, cannot be purchased for a sum less than £300. That if the amount to be appropriated thereto, out of the grant of the Venerable Society, be restricted to £100, there will remain a balance of £200, or two-thirds to be made up in the mission, or otherwise—

That this Church Society, being of very recent origin, and possessing no endowment, and, in fact, almost entirely depending upon the annual contributions of its missions and members, cannot afford out of its funds any considerable amount towards the completion of the two-thirds of the proposed purchase money.

That even should the inhabitants of each mission, with a view of securing the aid of the Venerable Society, undertake to raise among themselves so large a proportion as two-thirds, such subscription would have the effect of materially reducing the income of the Church Society, and consequently its usefulness, the inhabitants not having the means of contributing to both.

That it is the opinion of this Committee, that if the Society for the Propagation of the Gospel would be pleased to alter that part of its conditions, so as to permit us to use a sum not exceeding £150, or such part or proportion thereof as may be necessary as the *one-half of each purchase*, it might be possible, by the united exertions of the Church Society and the inhabitants of the missions, to make up the other half.

That it is well known that the incomes of the several Missionaries in this Diocese are very small, and that in proportion to the poverty of the mission, is the increased demand upon the charity of the Missionary, and that he can but ill afford to contribute at the rate of 5 per cent., as proposed by the Society for the Propagation of the Gospel.

Wherefore this Committee respectfully suggests that a communication be addressed to the Venerable Society for the Propagation of the Gospel gratefully acknowledging and accepting its very generous donation of £1000 per annum towards the Endowment of Missions, and praying, that for the reasons above assigned, they may be pleased to remit the 5 per cent. to be contributed by the Missionaries, and permit this Society to employ a sum not exceeding £150, (in the place of £100), in each purchase of a Glebe as the proportion of one-half its purchase money.

That notwithstanding the hope entertained by this Committee, that the Society for the Propagation of the Gospel will be pleased to accede to the above prayer, it is necessary that action should be immediately taken upon the communication received from the Venerable Society, and that a circular be addressed to each Missionary in the Diocese, informing him of the same, and requesting his active exertions among his parishioners to carry out the object in view.

That, anticipating the day when it will be in the power of this Society to make the contemplated purchases, this Committee recommends, that, to prevent misunderstandings, it be previously well understood that so soon as any mission shall be in funds to acquire a Glebe, the *locality* of such glebe shall be determined by a Committee, to consist of the Lord Bishop of the Diocese, the Chairman or other member of the Lay Committee, and the Missionary and Churchwardens of such mission.

J. S. M'CORD,

Chairman, Lay Committee, C. S.

R. S. TYLEE, *Secretary.*

The Lay Committee beg respectfully to report:—

That since the last meeting of the Central Board, and pending the correspondence with England on the subject of Endowments, this Committee has been actively engaged in the collection of the necessary *data* to form a correct *terrar* of all the lands and Church property within the Diocese, their revenues and destinations; but in order to render this tableau sufficiently accurate for publication with the next Annual Report, (an object the Lay Committee have much at heart,) all those Clergymen who have not yet answered the Circular on this subject, are respectfully entreated to do so *forthwith*, and with their statements to furnish the deeds if they have them,—if not, their dates, and where they may be found; in the event of their being no deeds, a statement to that effect, with such instructions and descriptions as may enable the Committee to get deeds executed. It is highly important that these deeds should be legally executed, and duly enregistered.

“The Lay Committee, fully impressed with the conviction that the formation of *new Missions* is one of the primary objects of this Society, have drawn up, and now submit for the approbation of the Central Board, an *Appeal* from *them*, as representatives of the

Laity in the Diocese, to the *Laymen themselves*,—praying (should it be approved of) that it may be generally circulated as soon as possible, and, of course, previous to the Annual Meeting.

The Lay Committee of the Church Society of the Diocese of Montreal would respectfully, but most urgently, lay before the members of the Church of England, resident therein, the following *facts and deductions*, praying their serious consideration thereon :

“That it is a well established fact, evident to all, that many parts of this Diocese are in a state of total spiritual destitution, whilst many others are but imperfectly supplied from their great extent of territory, and consequent overtasked duty imposed upon the resident Missionaries.

“That it is neither right, nor seemly, nor in fact possible, that the Missionaries themselves should take an active part to supply the pecuniary means necessary to remedy this great evil.

“That it is on the *Laymen* that this sacred duty devolves ; and that they should not only *feel it their duty*, but also a sacred privilege to be permitted to co-operate in so pious a work.

“That this duty is not one, devolving solely on the head or father of a family, but it is also imperative *on every individual member of it*, to furnish his or her quota to entitle each to the privilege of being considered a consistent member of the Church itself : it should be looked upon as a *holy, personal and voluntary tax* by every one, and as such, regularly and annually paid, to the full extent, which each in his conscience may feel he can afford.

“That if such a conscientious discharge of this sacred obligation were heartily fulfilled, this Church Society would soon have the means of sending new labourers into the vineyard of the Lord, and render fewer the many personal privations which the Missionaries now undergo in the prosecution of their arduous and responsible duties.

“That by the last census, (1844,) the members of the Church of England, in the District of Montreal, were computed at 25,355, of whom *one-half* may fairly be considered as capable of contributing something to this good work ; and should each of them bestow but 2s. 6d. per annum, it would produce a sum of £1,584, equal to the provision for thirteen new Missions.”

From the foregoing simple statement of facts, the Lay Committee consider themselves justified in hoping that an appeal in

favor of the establishment of new Missions, may not be considered as inopportune by their Lay brethren, and that as Churchmen, believing it to be their sacred duty to supply the means of disseminating the Gospel throughout our destitute settlements, they *will*, on the occasion of the approaching Anniversary of this Society, show forth the sincerity of their profession, by liberal and permanent subscriptions, towards the attainment of this most important work.

The Lay Committee of the Church Society, in closing their duties for the year, beg leave to offer for the use of its members the draft of a "Terrar" of the properties belonging to the Society and its Missions, showing their several localities and descriptions, from whom and how acquired, and destination,—trusting that this record of the donations of their well wishers and supporters, may stimulate other Churchmen *to do likewise*.

The whole respectfully submitted,

J. S. M'CORD,

Chairman, Lay Committee.

R. S. TYLEE, *Secretary.*

Montreal, December, 1851.

The following reply has been received from the Society for Propagating the Gospel, to the application made in accordance with the above recommendation of the Lay Committee:—

"With reference to the conditions on which the Society is prepared to assist in providing Endowments in your Lordship's Diocese; certain modifications suggested in your letter have been agreed to, to the following extent:

"With reference to the proposed subtraction from the Missionary's stipend of 5 per cent. on the grant of the Society, the Committee will recommend the Society to forego such deduction in any *particular* case with regard to which your Lordship may certify that the immediate increase of income to the Missionary from the purchase of Glebe, is not such as to make that deduction reasonable for a certain time. Still the Society is of opinion that the *general* rule should stand as at first proposed.

"With reference to the extent of the Society's contribution to any particular Endowment, the Society agrees to modify its former proposal, and to stipulate that no Grant from the Society's

“Lastly, with reference to your Lordship’s question, whether houses as well as Glebes would be included in the Endowment towards which the Society is willing to contribute. I am to inform your Lordship that it was the intention of the Society to confine its offer strictly to lands.”

It is one of the most pleasing and hopeful features of the year’s proceedings, the fact that the Laity are entering with so much new interest and zeal upon the temporal working of the Church.

The Board cannot refrain from congratulating the Society upon this most favourable fact, and auguring therefrom the most beneficial results.

7th. GRANTS.

The aid extended to the Building of Churches, &c., this year, may appear small when compared with former years; the reason is, that while no application of urgency has been neglected, the Board has kept prominently before its mind, the first object in the Society’s constitution, that of Missions; believing that the feelings of the Society and the best interests of the Church would thereby be most faithfully consulted.

Concerning the contributions made in the various Districts of the Diocese, the Board has received information contained in the annexed Tabular View:

It will be seen by a comparison of the foregoing details with the statistics of previous years, that the Society has lost none of the interest that has heretofore been active on its behalf, nay, rather that there is cause for thanking God and taking courage; it must not, however, be supposed that there is actually the large increase over last year, indicated by the figures; there has been drawn together for the present Report information concerning the several missions, and statements of their efforts never before submitted to the Society.

Amongst the many contributions of the Church during the past year—has been one—(marked by great liberality,)—towards the building of a See House. Charles Phillips, Esq., besides a subscription, made a most valuable donation of land, as a site; and many other members of the Church have subscribed largely. We have therefore good reason to hope that soon we shall have a building for our Bishop's residence, suitable to the exigencies and dignity of the office.

The third Jubilee of the Society for the Propagation of the Gospel, a subject of unusual interest, has been observed throughout the whole Diocese with much zeal, and in some instances even with enthusiasm, and the 1st Sunday in Advent having been appointed by authority for the commemoration thereof by Sermons, and for affording an opportunity to the people of manifesting their gratitude for past mercies by presenting their thank offerings; the sum of £512 17s. 4d. was received, particulars of which will appear under the proper head.

The subject of a convocation has not been overlooked by the Board. A Committee was appointed and a report made, setting forth the necessity for such a body composed of Bishop, Clergy, and Laity, but at the suggestion of the Lord Bishop, was permitted to drop until an answer could be received from the Archbishop of Canterbury to a resolution referring to Synods and Convocation passed at a meeting of the Bishops lately assembled in Quebec, and until after the general Visitation to be held in January, 1852.

The Board has to deplore the loss, by death, of a valued member, in W. McTavish, Esq., who was also a member of the Lay Committee; he constantly manifested an interest in our proceedings, by his presence at our meetings, and evinced his regard to

the last, by a valuable bequest of books, which have been placed in the Diocesan Library, now numbering over 1,000 volumes.

Such are the more prominent features of the proceedings of the Society during the first year of its existence. Who will not thank God for the vital energy displayed by our beloved Church? Who does not feel that there is within her a principle that gradually strengthens and prepares her for every demand, and against which the gates of hell shall not prevail—the principle of love to the Lord Jesus Christ?

And if this be felt, let every one who loves the Church and loves the Saviour who died for us, let every man, woman, yea, and child, who knows that every blessing comes from Christ crucified rally round this Society through which the Church in this Diocese puts forth her strength, let them contribute to its efficiency,—not only by their gifts, not only by the wisdom and diligence which they bring to the perfecting of its arrangements,—these are needed for adapting the Society to its work, and these have contributed to forming it most happily for its weighty mission,—not only by such means, but also by earnest and faithful prayer, that the spirit of God may be poured out upon us abundantly, and that we may as a body be so blessed as that the success shall be ours, promised to those only who believe:—

“Prosper thou the work of our hands upon us; O prosper thou our handy work.”
