H. B.'s Political Sketches, Nos. 1 to 510 of these CELEBRATED
HUMOROUS and SATIRICAL SKETCHES, INTRODUCING PORTRAITS of ALL THE GREAT
POLITICAL CHARACTERS of the TIME, (2 missing), 9 vols, oblong folio, *half morocco,*
gilt edges, also the KEY TO THE CHARACTERS, 8vo, *cloth, gilt edges*, 17.50,
T. McLean, 1829-37. 1

It was the famous JOHN DOYLE, who produced this CELEBRATED SERIES of CARICATURES, which contain the most comprehensive and striking history of those eventful years. Hundreds of well known characters, from the IRON DUKE on the one side, to the great DANIEL O'CONNELL on the other, may be recognized without even the aid of the key. Hundreds of groups are here brought together, and the scenes are continually on the change, from WINDSOR to WESTMINSTER, and from the HORSE GUARDS to CONSTITUTION HILL and thence to BUCKINGHAM PALACE, CLUBLAND and the HOUSE OF COMMONS. Here may be seen the history of the great and sweeping REFORM BILL of 1832, which was to have destroyed Britain and the Constitution at once and forever, but has since proved to be the lever to trade, wealth and happiness a hundredfold, and thus proving to the world that the strength of a nation does not consist of armed men and irresponsible princes, but in a responsible and well trained people. As we turn over these speaking memoranda of the DUKE of WELLINGTON and SIR ROBERT PEEL, of LORD BROUGHAM and LORD LYNDHURST, of ABERDEEN and ELDON, LORD JOHN RUSSELL and LORD ALTHORP, RIPON and RICHMOND, GREY and MELBOURNE, O'CONNELL on his MEMORABLE TOUR, the HOUNDS on a WRONG SCENT, and the MURDER of the INNOCENTS, we make our comparisons and draw our conclusions and *regret being obliged to part with such company.*

of INDIA, 14 vols, 8vo, *half green morocco*, 8.50, *Trubner*, 1885-87. 233

The great feature of this remarkable article (*India in the above Cyclopaedia*), and that in which its chief usefulness consists, is perhaps the constructive accounts of the Indian people, and the Synthesis of Hinduism from actually existing facts as revealed by Dr. Hunter's survey and by the first Indian census.—*The Times*, first notice, May, 1881.

It is one of the grandest works of administrative statistics which have ever been issued by any nation, and should earn for its author and designer the gratitude of every one who has the welfare and good government of our Indian Empire at heart.—*The Times* (second notice).

No nation has ever attempted so comprehensive, so detailed and so stupendous a statistical enterprise, and the whole has been planned and executed with a smoothness and a certainty which are truly marvellous.—*The Athenaeum*.

It sets forth the fruits of the author's personal and long-protracted researches, and forms a monument of Dr. Hunter's knowledge of the topography, agriculture, administration and health-aspects of the whole Empire of India.—*Kölnische Zeitung*.
