"Truth Stranger than Fiction"

In their advt. of April 28 Shaffners Limited state: "We Are Not Squatters Here Today and somewhere (s) else Tomorrow, but, doing business at the old stand, where we have been serving the public for almost one-quarter of a century."

What is a Squatter? In North America a man who sits tight "for almost one-quarter of a century" in a given place and who thereby acquires a "squatter's Title" to property of value—They seek to convey the impression that I am a squatter—Impossible! I am not qualified—Did the Gentleman from Lawrencetown get rattled and use "Squatter" instead of "Quitter"?

I regret very much that they are peeved and also that they "do not claim to be Keen Cutters". Take their statement re blue denim shirts, at the face value and one is forced to the conclusion that they are not even Keen Buyers. Yes I plead guilty to going into my cellar and bringing up two cases of blue denim shirts—The first case I sold at one dollar each, my second case at \$1.20 each, until I started this sale, when they were reduced to \$1.08 cents each. But alas the cellar is bare! Only a few empty cases there!—Too bad! at least I think so and I feel sure, if words mean anything, that a very great many people in their immediate neighborhood and elsewhere unite with me in regretting that. One would have thought that when Messrs. Gault Bros. Limited, of Montreal, from whom we both bought the shirts, advanced their wholesale price three dollars per doz. they would have taken the hint and not got caught without a few at even that advance. Faith! I believe they owed that much to "the good people of whose confidence and patronage they claim to have such a close monopoly—Of course the people who flock to my store, in such numbers, from the localities named may be only the bad people, but oh my! how they buy! and what good money they bring along, for I have been handicapped by not having charge of my own heating apparatus and by the size of my store and so have been unable to take eggs and butter, etc., in trade.

I note their statement that "they live up to their advertisements" and as this might deceive, those who are not familiar with my business methods, into assuming that I do not, let me say greater care than I have taken to live up to my advertisements cannot be taken. I never advertise any goods which I do not believe I have plenty of to last one week. The next week any article that has been sold out, or nearly sold out, is dropped from my list. Until I commenced this sale, I exchanged any article, not cut especially for the buyer, and if they wished me to do so refunded the cash, without question. Live up to my advertisements. Well! Bet your sweet life I do! The size of my hat is seven and one-half and when I shut my eyes I forget more about buying dry goods than some will ever live to learn—Egotistical! Rather! but true just the same, as the merchants hereabouts would have found to their cost if war scarcity and war prices had not prevailed during the four years just closing. When I started this sale I held the best stock of medium priced hosiery East of Halifax and the same is true of many other lines, take spools which I have kept constantly before you. On January 1st I could have filled an order for fifty gross. I was fortunate in placing an order for several gross with The Central Spool Agency of Montreal just before the sharp advance on November 19th, 1918, and I don't mind giving my rivals the tip now, for it is much too late to be of any use to them. How very generous of me! When the Central Spool Agency received instructions from Messrs. Clark & Co., Limited, of Paisley, Scotland, to discontinue 300 yard spools, I had en route all I could hope to get from that source, so I got "busy" and bought at six cents per doz. higher from every wholesale house with whom I had dealings, and who handled Clark's spools, one house excepted, until I reached the maximum quantity which I thought I could handle—fifty odd gross. At a trifling advance I secured enough thread to give my customers a great bargain while I am in business. I am sold out of 60 and 70 White, but still have all other numbers. No more Clark's best six cord 300 yd spools can now be had at any price, and I question if as many gross as I hold are held by any one firm in Nova Scotia.

What a bad old "squatter" I am to corner the market on spools, prints, shirts, cottons, corsets,

skirts, ribbons, and above all, hosiery, sox, undershirts, flannelettes, nightdresses, drawers, etc., and then trim Simpson and Eaton on prices, in some lines several cents per yard, to say nothing of preventing the "Small Fry" hereabouts from making too large a "rake-off"? Why of course! If I do it, it is wrong. But my slogan when I started was, and now is, "The Greatest Good to the Greatest Number."

Why, I did not get into harness again until the war had lasted 9 months, and yet I sold the very best olive green Khaki Shirts at 90 cents, shirts which today cost wholesale \$21.60 by the doz., i. e., \$1.80 each. Talk about pre-war prices, if I could sell at my prices eighteen months after the war started the by-law of Bridgetown which forbids a crowd to collect on a public thoroughfare would be broken, and I am sure that I could not accommodate them in my "Pill Box."

However I still have good honest work shirts at 50 cents, 77 cents and \$1.08 cents each. Bring in some of the pre-war shirts and see how they look alongside of the "Keen Cutter's" shirts at less money. My stock of Hosiery is practically complete. Call and see my White Silk Lisle Hose for Ladies', Misses', and Children, sizes 5 to 10 inches. The Manufacturer's description reads: "This Hosiery is Knit of special Two Ply Silk Lisle and is warranted to retain its lustre and not harden up with washing." For Boys and Girls I have such Sterling makes as "Tiger", "Hercules", "Rock Ribbed Holeproof" and "Buster Brown". The best values in this or any other town. For Ladies I have white Cotton sizes 8 1/2 to 10 inches. Black Cotton and Silk Lisle at prices which I could not think of accepting but for the fact that I am going out of business.

Under date April 29—19, Messrs Vassie & Co., wrote me as follows: "Referring to your inquiry re Penman's No. 37 Shirts and Drawers, we have all sizes of both Shirts and Drawers in stock, and quote you for present delivery, \$11.80 per dozen". This is subject to four per cent discount for prompt payment, plus packing and freight charges. This figures out 94 cents per garment—my Sale Price has been, and now is, 81 cents per garment or \$9.72 per dozen. Better hoard a few for the long hard winter which is pretty sure to arrive.

Undernoted List, Twenty Per Cent, or One-fifth Off

Ribbons, any lengths, 9 cent now 7 cents; 12 cent now 9 1/2 cents; 18 cent now 14 cents.

LADIES' HANDKERCHIEFS A splendid range. Better buy a few for next Christmas. Regular prices 5 to 25 cents. Net sale 4 to 20 cents

MEN'S and BOYS' BRACES Stock limited. BOSTON GARTERS—Net sale price 20 cents. BOYS' KHAKI DRILL PANTS In two qualities.

MEN'S SWEATERS Regular \$3.00, sale \$2.40; \$3.25, sale \$2.50. \$3.50, ex. out size, sale \$2.80 net. Only a few left.

MEN'S FLANNELETTE NIGHT SHIRTS—\$1.40 quality, sale \$1.12; \$1.75 regular, sale \$1.40 Extra out size do Regular \$2.00, sale price \$1.60. The \$1.12 Night Shirts are made from my regular 30 cent flannelette

MEN'S BLACK WOOL SOX—My 35 cent quality, 3 pairs 85 cents. MEN'S GREY WOOL SOX "Dreadnought" 50 cent quality, 3 pairs \$1.20.

MEN'S SUMMER SOX in Cotton, Lisle or Silk. —Don't Delay. MEN'S SILK TIES—Nice fresh stock, not culls. Regular 35c. Net sale 28c.

23 inch White Flannelette 20 cents per yard. Simpson's price, page 228, item 45219. 27 cents per yard or 10 yards for \$2.59. Why not save 59 cents on 10 yards.

31 inch BEST CANADIAN PRINTS, Regular price 29 cents, sale 26 cents net. The above will give you an idea of my sale bargains and it is your last chance to secure a share. GREY COTTONS, WHITE COTTONS.

Clark's best six cord 300 yard spools, black or white, numbers 10 to 50, net sale price 10 cents each or \$1.19 per dozen or prepaid by Registered Mail to any address in the Maritime Provinces, \$1.30 per dozen. Your own choice of numbers. Beckwith has to pay \$1.20 for the spools he sells and they only contain 250 yards. I hereby challenge Beckwith or any other dealer to contradict this statement. The lowest price for 200 yard spools elsewhere is 8 cents. A 300 yard spool at 10c, costs you three and one-third cents per 100 yards. Therefore 200 yard spools at the same rate is only worth six and two-third cents. If 200 yard spools are worth 8 cents 300 yard spools are surely worth 12 cents.

SNAPS, S-N-A-P-S. Dress Snaps, best quality, Beckwith's price until I cut it in two was 10 cents per doz. His present price 7 cents per doz. My regular price 5 cents, sale price 4 1/2 cents.

What will Spools, Snaps and the rest of the bunch cost you, in a few days, when I am sold out? Be Wise and Buy now.

Teach your Dollars to have more cents than to shop elsewhere.

The Roads and Weather conditions have been such that I have decided to continue my Final Clearing Sale until May the 23rd but the assortment is better now than it will be later. Be Wise! Buy Now!

WOMAN'S NERVES MADE STRONG
By Lydia E. Pinkham's Vegetable Compound.

Winona, Minn.—"I suffered for more than a year from nervousness, and was so bad I could not rest at night—would lie awake and get so nervous I would have to get up and walk around and in the morning would be all tired out. I read about Lydia E. Pinkham's Vegetable Compound and thought I would try it. My nervousness soon left me. I sleep well and feel fine in the morning and able to do my work. I gladly recommend Lydia E. Pinkham's Vegetable Compound to make weak nerves strong."—Mrs. ALBERT SULTZ, 603 Olmstead St., Winona, Minn.

How often do we hear the expression among women, "I am so nervous, I cannot sleep," or "it seems as though I should fly." Such women should profit by Mrs. Sultz's experience and give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial.

For forty years it has been overcoming such serious conditions as displacements, inflammation, ulceration, irregularities, periodic pains, backache, dizziness, and nervous prostration of women, and is now considered the standard remedy for such ailments.

GIRLS! LEMON JUICE IS SKIN WHITENER
How to Make a Creamy Beauty Lotion For a Few Cents

The juice of two fresh lemons strained into a bottle, containing three ounces of orchard white makes a whole quart of the most remarkable lemon skin beautifier at about the cost one must pay for a small jar of the ordinary cold creams.

Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

Death of Charles H. Poole

It was with deep regret and sorrow that the citizens of Bridgetown and the whole countryside learned of the death of Charles Hanley Poole which occurred at his home at Upper Granville on the 6th inst.

Mr. Poole was widely known and because of his genial and kindly disposition, as well as his high worth was loved and respected by all who came in touch with him.

For the last few years Mr. Poole's health had been delicate, and contracting a cold, complications were brought on which resulted fatally.

He was a son of Obadiah and Eliza Poole, of St. Croix Cove, at which place he was born in 1869.

After spending some years in Saugus, Mass., he moved to Upper Granville some nineteen years ago. He leaves to mourn their loss, a wife and two sons, Earl of Upper Granville, and V'ville, now teaching at Westport, N. S.

In the absence of Rev. Mr. Richardson, the Rev. Mr. Swetnam conducted the funeral services in a most tender and acceptable way.

The Baptist church choir was also in attendance at the services, interment took place in the Riverside Cemetery, Bridgetown.

Will Go To Bear River

Mr. R. E. Thurber, of Freeport, who has been principal of the Bridgetown Schools for four years, has accepted the principalship of Oakdene Academy, Bear River, and will move there with his family during the month of July.

Mr. Thurber has sold his residence on Granville street (the late J. W. Ross property) to Mr. M. C. Foster, the popular inspector of schools for this district.

Mr. Thurber took an interest in the Board of Trade and everything that was for the good of the community in which he resided. He has for more than a year been secretary of Rothsay Lodge, A. F. & A. M., and will be greatly missed by his Masonic brethren as well as by a large circle of friends.

More Heroes Return

The town was again decorated on Saturday and the procession of autos never looked better than the ones who were at the train Saturday to meet our returning men.

The following are among those who returned since our last issue: Earle Craig, C. O. Pizott, L. F. Salter, R. A. Salter, P. F. Lloyd, Burpee Phinney, Jack M. Ritchie, Bridgetown; W. S. Prince, Lawrencetown; L. C. Lewis, G. M. Beardley, Port Lorne.

Another New Advertiser

We welcome to our columns this week another new advertiser. We refer to Capt. Wm. E. Gesner, who has purchased the gent's furnishing business recently owned by the late J. Harry Hicks, corner of Queen and Granville Streets.

Mr. Gesner plans on doing a cash business with an up to date stock at a close margin, giving his customers an excellent service. We wish him every success.

My Tonic, Cough and Worm Powders are going fast, and are proving very satisfactory. Get yours before the supply is exhausted.

Local Happenings

Mr. W. W. Payson has our thanks for late parliamentary papers from Halifax.

The initiatory degree will be conferred in Crescent Lodge of Oddfellows to-morrow (Thursday) evening.

Mothers' Day was suitably observed in all churches last Sunday by appropriate sermons and special music.

The choir of Holy Trinity church, Granville Ferry, will present the play "Farmerette" in Primrose Theatre next Tuesday evening.

Don't forget the Old fashioned Bean Supper to be given in Belleisle Hall on Thursday evening, May 15th, by the ladies of the Methodist church.

Mr. Elias Ramey, one of Bridgetown's meat merchants, purchased a pig recently which, when killed at the age of three months, dressed 145 lbs.

As noted in the usual place there will be no 11 a. m. service in St. James' Church next Sunday. The services will be Holy Communion at 8 a. m., and the usual service at 7.30 p. m.

Mr. Irvin, K. C., has received a telegram from his Ottawa agents that in the case of Kizer vs Morse judgment was given in favour of Kizer, the defendant's appeal being dismissed with cost.

Mrs. M. P. Farnsworth, of Phinney Cove, was a passenger to Halifax yesterday to undergo an operation. She was accompanied by her daughter, Mrs. Vernon Bent, and also Dr. M. E. Armstrong.

Annapolis is planning on a big celebration Victoria Day under the auspices of the Annapolis and Digby Bands. A large crowd will be present from Bridgetown and other places along the coast.

Owing to the MONITOR'S rapidly increasing circulation, especially in Digby county, it is recognized by all business men as a valuable advertising medium, hence the great pressure in our columns in every issue which will be some what relieved as soon as we can arrange for larger pages.

We are pleased to report that J. H. Hicks & Sons, Bridgetown's well known builders and contractors, have been awarded the contract to build the new D. A. R. station and freight shed at Bridgetown.

The Kentville Advertiser building was badly damaged by fire last Friday morning, the blaze being started in the photo rooms. The printing machinery was injured by water only and Mr. Geo. H. Chisholm, the enterprising manager, expects to issue his paper as usual next Friday morning.

Next Monday evening in St. James Church commencing at 8.30 the Rev. J. Cooper Robinson will give an address on "The land of the Rising Sun." As Japan is our ally in the far East this address should be most interesting and especially so as Mr. Robinson has worked in Japan for upwards of thirty years.

During the evening there will be shown a number of beautifully coloured Stereoscopic views of scenery, people, customs, religions, etc., all illustrating life and work in that country. A Silver collection will be taken. All are cordially invited.

Balanced Value

Value, as represented in Gray-Dort Motor Cars, is a union of good qualities. Strength that means faithful service, free from trouble, yet sacrificing nothing of the lightness so essential to economy. Beauty unquestionable, that yet allows for every essential of good engineering. Comfort, too, both in riding and driving. And then a price kept surprisingly low by factory efficiency and big production. You need in your car ALL the qualities the Gray-Dort has. And probably you need nothing more. Certainly you can get nothing more without paying very much more. The touring car is \$1245; the Gray-Dort Special—the car with added refinements and extra equipment, is \$135 extra; there are also a coupe, and a sedan. All prices f.o.b. Chatham and are subject to change without notice.

FATAL ACCIDENT

George A. Terry Caught in a Tractor at Nictaux

Middleton, N. S., May 9—George A. Terry, sales manager of the Motor Sales Company, Halifax, who had one of his legs amputated at the Valley Hospital, owing to an accident in a tractor demonstration at Nictaux, Wednesday evening, died here at 7 o'clock last night. The accident was a peculiar one, and no one is to blame, nor was the tractor itself defective. The facts are that the late Mr. Terry and a Mr. Rogers were standing near a tractor, which was giving a demonstration of hauling power. A trailer was attached on which was a heavy load. The strain on the chain caused the nose of the tractor to lift. Mr. Terry jumped on the frame to give it weight. The chain suddenly snapped. When it snapped the tractor jumped forward two or three feet, throwing Mr. Terry off his balance, so that his foot entered the passage between the frame and the track. The caterpillar track pulled the leg down to the ground to a depth of eighteen inches, and as the tractor was moving, crushed the leg from the foot to the knee before the power could be shut off. For twenty minutes, which time was spent in getting the wheel and gear apart so as to remove the man's limb, Mr. Terry retained his consciousness and directed the work. But as soon as the work was completed, he fainted. When taken to the hospital, which was eight miles distant, he was put under the care of Dr. Messenger, but the latter thought it too great a risk to attempt amputation. A message was sent to Dr. H. K. MacDonald, Halifax, to come to Middleton for the operation. He and a nurse arrived at 8 o'clock Thursday morning. Dr. MacDonald, however, feeling that Mr. Terry's vitality was too far sapped to stand the further demand on his constitution, but hoped that there might be a chance of his patient getting through. But Mr. Terry passed away at 7 o'clock without gaining consciousness. The case is particularly sad, and much sympathy is felt for Mrs. Terry who arrived from Halifax to be at the hospital during the operation. I. C. Archibald, of the Cleveland Tractor Co., and a personal friend of the late Mr. Terry, and Dr. Messenger made the arrangements for the funeral. The body was taken to Halifax Friday morning on the 9.40 train, D.A.R., and was transferred to the train for Shediac, N. B., Mr. Terry's former home. Mr. Terry was thirty-three years old and is survived by his widow, formerly Miss Cutler, of Shediac. His father is George Terry, for many years with the C. G. R. at Point du Chene. The deceased was formerly a commercial traveller for a St. John firm and well known here.
