The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CONSTITUTION AND BY-LAWS  
OF THE  
LUMBER SECTION  
OF THE  
BOARD OF TRADE  
OF THE  
CITY OF TORONTO.

---

**Preamble.**

Whereas, while the lumber merchants and manufacturers of lumber members of the Board of Trade of Toronto unanimously desire to work harmoniously together and to establish uniformity as far as practicable in the general conduct of their business, it is impossible to arrive at any satisfactory result by casual and informal meetings, united and concerted action being essential thereto. It is therefore resolved that they do form themselves into an association under the By-Laws of the Board of Trade of the City of

Toronto, which permit, with the Sanction of the Council, of the formation of trade branches.

## By-Laws.

### MEMBERSHIP.

#### ARTICLE I.

This Association shall be known as the Lumber Section of the Board of Trade of the City of Toronto, and shall be comprised of all lumber merchants and manufacturers of lumber who are members in good standing of the Board of Trade, and who are duly elected members by ballot of the Section by a majority of the members present at a properly constituted meeting, and who shall have paid their annual fee to the said Branch, and have signed the Constitution and By-Laws.

#### ARTICLE II.

The amount of the annual fee to be paid shall be the sum of Three Dollars from each firm represented, and should the revenue not be enough to meet expenses, the Executive shall have the power of assessing members *pro rata* to the amount of the deficiency.

#### ARTICLE III.

Any member of a firm dealing in or manufacturing lumber shall be eligible for membership of this Section,

provided he is also a member in good standing of the Board of Trade of the City of Toronto.

(b) Any eligible person desiring to join this Section must be nominated by a member in good standing.

(c) Any member who may wish to withdraw from this Section shall give notice thereof in writing addressed to the Secretary.

The officers of the Section shall be an Executive Committee of five members, and there shall also be an Inspection Committee of three members, and an Arbitration Committee of three members.

Only one member of a firm shall be eligible for membership in the Executive or other Committees.

## FUNCTIONS OF THE EXECUTIVE.

### ARTICLE VI.

The Executive Committee, immediately after their election, shall elect from among their number a Chairman and Deputy Chairman, who shall hold their respective offices until their successors shall be elected.

(b) The Executive Committee of the Section shall fill any vacancies in their number arising from any cause, and the members so elected shall hold office until the next election.

### ARTICLE VII.

The Executive Committee shall conduct all the business of the Section and report its proceedings at each ordinary meeting, but shall incur no extraordinary expenditure without the consent of the Branch.

(b) The Executive shall appoint a Treasurer and a Secretary, and regulate their salaries and duties when not otherwise defined.

(c) The Secretary may also act as Treasurer ; he shall have charge of the books and records of the Section, attend meetings and take minutes of the same.

### FUNCTIONS OF THE INSPECTION AND ARBITRATION COMMITTEES.

#### ARTICLE VIII.

The Inspection Committee shall take such measures as may be necessary to secure a uniform system of inspection, and such other duties as may be required of them by the Section, and they shall report their proceedings to the Executive.

(b) The Arbitration Committee shall decide upon disputes or misunderstandings arising between members of the Section, or between members of the Section and non-members, which may be voluntarily submitted to them for settlement at the request of both parties addressed in writing either to the Chairman or Secretary.

The decision of the majority of the Committee shall be final and conclusive, and the form of submission

and fees to be used shall be the same as that provided in the Act of Incorporation of the Board of Trade of the City of Toronto.

### DUTIES OF CHAIRMAN.

#### ARTICLE IX.

Special meetings may be called at the written request (addressed to the Secretary) of any three members of the Section.

(b) In the absence from any meeting of both Chairman and Deputy Chairman, any member of the Section who may be chosen for the occasion may preside.

(c) Five representatives from as many firms shall form a quorum.

## ARTICLE XV.

The Secretary's report in reference to any alleged violation of the By-Laws or Rules of the Section, shall

In case such charge is sustained, the member so found to have violated the Rules of the Section shall be deemed in default, and liable to a suspension or expulsion by a vote of the Executive Committee.
