The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE MEMORIAL

With the Compts. of
Mr. T. Moore
The Memorial

OF SETTLERS IN THE TRACT GRANTED TO THE
**SASKATCHEWAN HOMESTEAD
COMPANY.**

TO HIS EXCELLENCY
THE GOVERNOR-GENERAL
(IN COUNCIL).

May it please Your Excellency :

Whereas great ignorance prevails as to the nature and terms of the Colonization plan of December, 1881, and the Agreement thereunder, which ignorance extends, we regret, even to the North-West Council ;

And Whereas unfriendly and untrue representations of the whole Colonization work have been industriously circulated to serve personal and political ends, which statements, though not directed against any particular Company, nevertheless justice and decency compel us to give them a flat denial so far as concerns THE SASKATCHEWAN HOMESTEAD COMPANY.

And Whereas the great and many real merits of the plan have been unwittingly or dishonestly concealed, and thus, by the general public not understanding the

numerous and valuable benefits that will ensue to settlers in these tracts, a serious wrong is done to a beneficent system :

Now, therefore,

This Memorial of the undersigned,
who are

ACTUAL SETTLERS

in the Tract granted by you to the Saskatchewan Homestead Company,

Humbly Sheweth :

(1) **That**, in their judgment, the Government Colonization Plan is wise and good, and tends to the welfare of the settler, the settlement, and the country. That the stringent provision for two resident settlers upon each section—odd as well as even—secures a population more dense and uniform than has hitherto marked rural districts in the North-West, and, by reason of greater proximity and number, far superior social, educational, religious, and municipal advantages ensue. Already your Memorialists have experienced most beneficial effects in this respect.

(2) **That** the Saskatchewan Homestead Company is entitled to unqualified approval for the course pursued by it in the settlement of this tract. The policy of the Company has from the first been liberal and patriotic, and speedy development is now going forward. Your Memorialists cheerfully testify that, individually and collectively, they have experienced almost indispensable benefits through the praiseworthy enterprise and liberality of the Company. The very considerable measure of prosperity now enjoyed, the harmonious and neighbourly spirit which prevails, and the contentment among the settlers

prove, beyond question, that the plan is a good one when ably and honestly acted upon.

(3) **That** unprecedented success will, in the opinion of your Memorialists, characterize the tract of a Company which discharges efficiently the duties assumed under the Colonization Agreement. Adverse criticism at so early a stage betrays an antagonism that would condemn untried. Your Memorialists have abundant evidence of increased prosperity in the future, and deplore that a laudable and wisely-devised system should be misunderstood and defamed. With entire confidence in and approval of the Colonization method, the Company itself, and its administration, your Memorialists enter heartily into the congenial work of developing and beautifying their respective farms in this fertile portion of the Canadian North-West.
