The copy filmed here has been reproduced thanks to the generosity of:

National Library of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Bibliothèque nationale du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

ON se plaint depuis plusieurs années (et avec raison) de la rareté des Livres de Chant dans ce Diocèse. Beaucoup de paroisses n'ont pu s'en procurer, jusqu'à présent, autant qu'il leur en falloit pour le nombre de leurs Chantres. D'autres n'en ont que de différentes éditions qui s'accordent mal entr'elles. Plusieurs même en sont totalement dépourvûes. Dans les Eglises les mieux fournies il a toujours fallu recourir à des manuscrits non seulement pour les Offices propres au Diocèse, mais encore pour certaines pièces de chant en usage dans les Saluts du S. Sacrement. Ces manuscrits souvent copiés par des personnes malhabiles, s'altèrent avec le tems et se défigurent. De toutes ces causes il résulte pour le Plain-Chant un découragement sensible. On trouve moins de jeunes-gens qui s'y appliquent, à mesure que les moyens de l'apprendre et de le pratiquer deviennent plus rares, et, par une suite nécessaire, le Service Divin ne se fait pas avec toute la décence et la majesté que l'on désireroit.

Pour obvier à ces inconvéniens, nous présentons au Public une édition de Livres de Chant portatifs imprimés à Québec et conformes à l'édition des grands livres de Lyon la plus correcte et la plus récente que l'on connoisse. C'est le premier essai de ce genre qui ait été fait en Canada, et l'on espère qu'il ne fera pas sans mérite. Le Graduel a été imprimé avec l'attention la plus

P R E F A C E.

scrupuleux et enrichi d'une augmentation considérable. On y trouvera les Messes du Mercredi des Cendres, de la Vigile de la Pentecôte, de la Ste. Famille, du Sacerdoce; les Messes votives du S. Sacrement, de St. Anne; les Messes pour la Paix, pour la Rémission des péchés, pour les Voyageurs, pour toute sorte de Nécessité. Rien de tout cela ne se trouvoit dans les livres portatifs imprimés à Vannes et à Poitiers, ci-devant répandus dans le Diocèse. On y a encore ajouté quelques *Kyrie, Gloria, Credo* &c. pour qu'on ne fût pas obligé de chanter trop souvent les mêmes. Enfin on s'est attaché à mettre les Rubriques en François pour la commodité des Chantres qui se plaignoient de ne les avoir qu'en Latin dans les éditions précédentes.

Il auroit été, sans doute, à désirer que l'on trouvât dans ce livre les Messes de toutes les fêtes qui sont sous le rit double. Chaque Eglise particulière auroit été plus assurée d'y rencontrer celle du Saint Patron qu'elle honore. Mais pour ne pas trop grossir le volume déjà fort épais, il a fallu se borner aux Messes qui peuvent arriver le Dimanche, en donnant la Rubrique de celles qui sont renvoyées au Commun. C'est encore plus qu'on ne trouve dans les petits livres des éditions de Vannes et de Poitiers.

Quelque soin qu'aient pris les Editeurs de mettre le nouveau Graduel hors de toute censure, il leur est, néanmoins, échappé quelques légères fautes dans le cours de l'ouvrage. Le lecteur les trouvera corrigées à la fin de cette Préface.

On va mettre immédiatement sous presse le Vespéral ou Antiphonaire et le Processional. Ce

dernier qui est le supplément du Vespéral et Graduel, sera imprimé le premier, parce qu'il renferme des choses essentielles, telles que la direction des Salûts du S. Sacrement pour toute l'année et les Messes des Rogations et des Morts. Mais comme ce volume ne sera pas d'une étendue considérable, on espère qu'il sera suivi du troisième dans un assez court délai.
