Dear Sir,—Since several years I have got a sore and very painful foot. I had some physicians, but they couldn't cure me. Now I have heard of your VEGETINE from a lady who was sick for a long time, and became all well from your VEGETINE, and I went and bought me one bottle of VEGETINE; and after I had used one bottle, the pains left me, and it began to heal, and then I bought one other bottle, and so I take it yet. The expenditure on Elections was less \$799 than the estimate. There were however some outstanding claims still unsettled. In the Executive Gov't account there was an excess over estimate of \$298.43. This was owing to the fact that the office of Chief Commissioner was vacant during a portion of the year, the undrawn salary amounting to \$380.43. The travelling expenses of Executive Council showed an excess of \$82.00. In connection with the Free Grants Act the expenditure exceeded the estimate by \$2,401.07. It goes like wild fire, and makes cures wherever it is used."

D. SULLIVAN, Malcolm. W. W. McLellan, Lyn P.O., N.S., writes:—"I was afflicted with inheumatism, and had given up all hopes of a cure. By chance I saw Dr. Thomas Eclectric Oil recommended. I immediately sent (fifty miles) and purchased four bottles, and with only two

applications I was able to get around, and although I have not used one bottle nearly well. The other three bottles I gave around to my neighbors, and I have had so many calls for more, that I feel bound to relieve the afflicted by writing to you for a supply " MESSRS, NORTHROP & LYMAN are the proprietors of Dr. Thomas' Eclectric

Oil, which is now being sold in immense quantities throughout the Dominion. It is welcomed by the suffering invalid everywhere with emotions of delight, because it banishes pain and gives instant relief. This valuable specific for almost "every ill that flesh is heir to," is valued by the sufferer as more precious than gold. It is the elixir of life to many a wasted frame. If you have not purchased a bottle, do so at once, and keep it ready for an emergency. Its cheapness, 25 cents per bottle, places it within the reach of alk. To the farmer it is indispensable, and it should be in every house.—London Herald.

JAMES CULLEN, Pool's Island, N.F., writes:—"I have been watching the progress of your Eclectric Oil since its introduction to this place, and with much

pleasure state that my anticipations of its success have been fully realized, it having cured me of bronchitis and soreness of nose; while not a few of my 'rheumatic neighbors' (one old lady in particular) pronounces it to be the best article of its kind that has ever been brought before the public. Your medicine does not require any longer a sponsor, but if brought before the public. Your medicine does not require any longer a sponsor, but if you wish me to act as such, I shall be only too happy to have my name connected with your prosperous child."

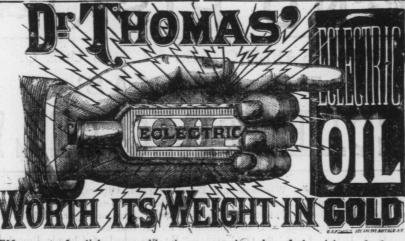

Messrs. Parker & Laird, of Hillsdale, write:—"Our Mr. Laird having occasion to visit Scotland, and knowing the excellent qualities of Dr. Thomas' Eclectric Oil, concluded to take some with him, the result you will find by the enclosed letter, which speaks for itself. We may say that in several instances it has effected cures when ailments had been pronounced incurable by eminent practitioners."

ST. MARGARET'S HOPE, ORKNEY, SCOTLAND. Messrs. Parker & Laird:—I am requested by several friends to order another parcel of Dr. Thomas' Eclectric Oil. The last lot I got from you having been tested in several cases of rheumatism, has given relief when doctor's medicines have failed to have any effect. The excellent qualities of this medicine should be made known, that the millions of sufferers throughout the world may benefit by its providential discovery.

an age of enlightenment like the present the value of electricity and of compounds containing an electric principal as remedial agents is widely appreciated. And foremost amongst this class, both as regards the thoroughness and safety of its effects and the rapidity of its action, is Dr. Thomas' Eclectric Oil. This matchless compound not only possesses remedial efficacy of the highest order, but inasmuch as it contains no alcohol its influence is not weakened by evaporation, which is the as it contains no alcohol, its influence is not weakened by evaporation, which is the case with a great many oils and liniments of a doubtful efficacy that home holic basis. case with a great many oils and liniments of a doubtful efficacy that have an alco-

Advertising itself wherever it goes by its wondrous cures, its sale has rapidly increased until it now has the largest sale of any medicine sold in the Dominion. This of itself should be satisfactory evidence that it deserves the confidence that the people place in it. Testimonials come in from all parts of Canada telling of the wondrous cures of Rheumatism, Lameness, Asthma, Bronchitis, Inflammation of the Lungs, &c., &c.

Reader, are you seeking relief from any of the many ills that the human body is heir to, or have you a friend that you wish restored to health and strength? If so, read the testimonials, that you will find on this circular and what this wonderful oil has done for others it will do for you or your friend.

Why allow a cough to lacerate your throat and lungs? Why incur the imminent danger of consumption when in an incredible short space of time and for an insignificant sum you may cure yourself? This peerless remedy overcomes with equal certainty swelling of the neck inflammation of the muscles, and stiffness of the joints, lameness, and crick in the back, tumours, piles, &c. For frosted feet, burns, bruises, and wounds of every description on man or beast, it is worth its weight in gold. For earache and deafness, it is used with the best results. For to croup and diphtheria it is unsurpassed.

It is the cheapest medicine in use because so very little of it is required to effect a cure. It is composed of SIX OF THE BEST OILS THAT ARE KNOWN. It is as good for internal as for external use, and is believed to be immeasurably superior to anything ever made. Will save you much suffering and many dollars of expense.

Persons who have any trouble WHATEVER of the

If your throat or lungs are diseased, you are probably seeking relief from some quarter. If the Eclectric Oil is as represented, it is the medicine you want. It is not necessary to purchase a large quantity; one bottle is sufficient for a trial; a single dose has cured hoarseness of several weeks' standing. Full directions with every bottle, for using externally, taking, and for inhaling.

After reading, will you hand or lend this circular to anyone who you think may need such medicine? If through its means they should be induced to try it, they will thank you a thousand times for doing so.

If your Cows have become nearly useless from GARGET or SORE TEATS, this OIL will cure them. If you have a horse or an ox taken suddenly ill, and do not know what the trouble is, give them four tablespoonfuls of the Oil, according to directions, and in 99 cases out of 100 it will cure.
