After descending a short distance, Mme Bernhardt was unable to advance or retreat. shrieks for help attracted the attention of a bather, who climbed up to her side and seized her just as the boulder to which she was clinging broke away, and thus she was saved from being crushed to death. The actress and her rescuer lost their footing and rolled down the cliff to the sea, where they were rescued by a passing boat. While Mme Bernhardt was only slightly bruised, her rescuer was seriously injured.

THE ORR TRAGEDY.

How the Prisoner Allison Puts in His Time in Jail.

Berlin News-Record: "Jim" Allison Orr, who is lying in jail here awaitin trial at the next assizes, certainly looks well. The confinement he has had has removed the summer's tan, and apparently the jail diet agrees with him, for he has gained 9½ pounds. He weighed on arrival 114½ pounds. and now weighs 124 pounds, while his heeks bear fresh color. His parents were up to see him last ing able to clear him. Asked what h thought of the outcome himself, he said: "I don't know if he will be able." He said further that he had never been un-der arrest before; that his friends came to see him, and his spiritual adviser also, and that he had never had a He cannot read, and so the time sses slowly, but the youth has a wonderful nerve or does not realize th ousness of his position. KEEPING RIGH

"is frequently harder than getting rich. Many a man loses in two or three months the accumulations of 20 or 30 years. That is why you should insure.

The Compound Investment Policy of the North American Life Assurance Company,

Toronto, is admirably adapted to meet the wants of all classes of intending insurers. The advantageous features combined in this attractive form of policy make it a valuable security during the earning years of life and a satisfactory and a remunerative investment at the end of the investment period selected. All premiums after the tenth on limited payment policies will be lent at 6 per cent interest and not be deducted from the policy in case of death during the investment period.

All the policies issued by the company are indisputable after one year from date. The North American Life has a larger ratio of

assets to liabilities and net surplus to liabilities than any other Canadian company.

It was at these times that th fear closed in upon her. She was so seldom sure of herself, even in the lighter, more ordinary affairs of her life; how then could she be sure nownow when fate was rushing on her? But, perhaps, it was this very distrust erself, this terrible uncertainty as what she might or might not do on magined occasions, that gave a keen dge to the indescribable thrill of ecs-

asy that always shook her well when she dwelt on Philip's coming. If it had all been laid open to her—if she had known how things would go; w she would be able to receive him how it would be with him; how much ontrol she could depend upon—if all hings had been made clear to her; she longed for all this—or thought she did— but in reality it was the doubt that fascinated her—though she spent her days telling herself that there was no doube-none-none. Philip would come, and she would take his visit calmly, and she would be happy for a little while. That would be all. That he would go back some day, she knew, to somewhere down at the back of her mind, but she refused to drag this thought into the light. She never dwelt ipon it. Toronto, Sept. 14.-11 p.m.-The high area which was over Manitoba last night is now central over Northern Ontario, while the low area which was over the Gulf of St. Lawrence has moved off the Cape Breton coast. Another and more important depression, now over Manitoba, is causing a moderate gale upon Lake Superior. The weather has been fair throughout On-tario, Quebec and the western portion of the Maritime Provinces. Elsewhere showers have been general. A cool wave has appeared in Alberta, and is likely to extend to Manitoba during the next 24 hours.
