

York County and Suburbs of Toronto

SCARBORO COUNCIL MEETS AT WOBURN

Decided to Call Special Meeting re Extension of Danforth Avenue.

INTERESTING TEST CASE

Assessment of St. Augustine's Seminary Feature of Revision Court.

Some time ago the Scarborough Township Council passed a bylaw authorizing an issue of debentures amounting to \$4,000 for the completion of the new schoolhouse now in the course of erection and for the equipment of the public school, section No. 12. The council meeting yesterday it was decided to accept the tender of Messrs. Mulock, Milliken, Clark and Norman, and the reeve was requested to instruct the solicitor to apply to the Dominion Railway Board for an overhead crossing to be constructed by the Grand Trunk Railway at the intersection between concessions A and B, opposite lot 42.

Road Impassable. The York Brick Company wrote complaining of the condition of Victoria Park avenue. They mentioned that they employed about 300 men in their works, and that the road was almost impassable for them in the spring and fall. Since making this request the road has been attended to, the clerk was instructed to notify the company of the fact.

A communication was read from the Hon. J. O. Reame, minister of public works, asking the council to appoint building inspectors for the township. This matter was left over to the next meeting.

Road to Be Graded.

The members of the Scarborough Golf Club wrote, reminding the council that Chester road, adjoining their property, had not been graded, as had been agreed on between the club and council. It was decided to have the road attended to.

George Atkinson was appointed roads commissioner for road division No. 2. The Toronto Hunt Club asked that the sidewalk from Kingston road to Danforth avenue be repaired. The council decided to have the road going thru the cemetery yet. How long is the council going to shilly shally with the work before it is done? There are no trips or junketing in connection with the cemetery road. Let them have the road done and something and then we'll talk about higher salaries for aldermen.

COURT OF REVISION.

It was decided to hold the revision court in Kennedy's Hall, on the very interesting test case which is heard at this court, as it is reported that the St. Augustine's Seminary authorities have appealed against the assessment on their property on the Kingston road, claiming that as it is a religious institution it should be exempt from taxation, while the council held that part of the property is being used as a market garden, for which a higher assessment is made, and for that reason the seminary is liable to assessment.

PORT CREDIT ASSESSOR RETURNS FIRST ROLL

Assessment Made for First Time Since Incorporation of Village.

The assessor, Robert Marsh, has just completed his report on the assessment of Port Credit for 1914. The figures show a most gratifying increase in the value of real estate and improvements in the village. The business. While last year the assessment stood at \$425,000, the new report places it this year at \$764,010, an increase of \$339,010. The figure made up as follows: Real property, \$338,176; buildings, \$301,240; business tax, \$48,200; income, \$23,250, making a total of \$731,960. Adding the amount of exemptions, namely, \$32,950, the net assessment is \$700,010.

This is the first time that an assessment has been made since the village was incorporated.

The population at present is almost 1000, but when the assessor's report is placed before the council, the question of taking in some valuable sections of the township will be considered, together with the proposal of raising the village to the status of a town.

NEWS OF WARD SEVEN

DEATH OF T. TIMMINS

The funeral of the late Thomas Timmins who died Sunday evening from chronic nephritis on a visit to Quebec, will be held this afternoon, from his late residence, 65 Barbary avenue, to Prospect cemetery. The late Mr. Timmins was 55 years of age and was well known in West Toronto.

Oiling Roads.

A number of Ward Seven's unpaved streets yesterday received their initial sprinkling of oil, following a trial given them the latter part of last week. As a result, the dust nuisance is now considerably lessened, although in some parts of the district where the oil carts did not go, the residents are still complaining about it.

Sir Robert Land Commandery No. 3 G.R.C. Knights of Malta and Wallace their respective meetings in the St. James lodge chambers last night.

Three large steam shovels commence work this morning on the task of filling in the huge hole on Bloor street, between Clendenan avenue. The shovels, being taken from a near-by height of for the purpose. Mayor Hoelken states that the fill will be completed to street by the end of this week, but a permanent pavement or line of street railway can be safely laid over the new

AGINCOURT.

The Agincourt branch of the Women's Institute will hold their May meeting in Heather Hall this afternoon at 2.30. The officers for the year will be elected.

UPPER YONGE STREET.

The condition of upper Yonge street does not reflect credit on the road commissioner. About a month ago the mud was cleared off and the road left in splendid shape for oil dressing. Instead of this, attempts have been made to keep the street watered, with the result that the traffic has ground the surface so that, when dry, clouds of dust are experienced from the C.P.R. crossing north. It is doubtful whether the watering has not cost as much, or more, than oiling. If the latter had been done the street would have been preserved and the intolerable dust nuisance avoided. Perhaps the commissioner is not acquainted with the facts. If so, the aldermen of wards two and three might bring them to his notice.

NORTH OF DANFORTH AVENUE.

Editor World: A newspaper correspondent asks when are the diagonal roads north of Danforth to be opened up. When the property through which they are subdivided is cleared, the gardens of 120 acres; the Church of England's 300 acres, and the want of a bridge over the Canada and the Masses Creek ravine, at the Annexation to the city would bring about all these things, and a building boom greater than the east end ever yet saw, and a rise in the value of all property. Why do not Robins, Limited, the House Building Association, and the other big owners lead the way? And where is Aid. Hills and Aid. Robinson's Association? If Toronto is to be a city of the future, the east end is to be a city of the future. Is there anything wrong with the bonds that were issued against it? Why does not Mayor Hoelken tell us what has held his work back for sixteen months after the money was voted? The time has come for a show-down. Broad-ax.

GET SOMETHING DONE.

Editor World: We residents in Moore Park are glad to see the North Toronto Ratepayers' Association getting busy in the matter of transportation, but we hope they will never adopt the selfish suggestion made by one speaker that the line on the street side be switched at Merton street to Yonge, in order to run thru the cemetery. We need transportation too, and will join any fight that means one fare to the city.

There's no sign of the road going thru the cemetery yet.

How long is the council going to shilly shally with the work before it is done? There are no trips or junketing in connection with the cemetery road. Let them have the road done and something and then we'll talk about higher salaries for aldermen.

"Tired Waiting."

COUNCIL MEETING AT NEWMARKET

P. G. Anderson Appointed Town Clerk - J. Morris is Engineer.

WILL WAIT ON HYDRO

Two Members of Council Discuss Poster Issued by Danford Roche.

P. G. Anderson, former chief of police of Newmarket, was appointed town clerk and treasurer, in place of the late J. E. Hughes, at a special meeting of the town council last night. Mr. Anderson has been in the employ of the municipality for a number of years, and he was the unanimous choice of the council.

J. Morris of Mount Forest was appointed engineer in charge of the electric light and pumping plant. A bylaw was passed authorizing an issue of debentures for \$25,000, which includes \$8000 for sidewalks and \$15,000 for water mains and hydrants.

There was no comment made at the meeting regarding the poster issued by Danford Roche, criticising the council's stand on the power question.

Laugh at Lamppost.

In conversation with The World last night Dr. Boyer, a member of the council, said with regard to the poster: "We have decided to ignore that, also the source from which it came."

"Our town has got up with the other municipalities in promoting the hydro radial, and when it comes we will get hydro power at a much cheaper rate than the last question of the hydro, viz., \$27.50 per h.p.

"The Metropolitan's offer at that time was \$25.50, so that when we do get the hydro power it will be a lot cheaper than the railway juice."

Use Old Plant.

"At present we are just making the old plant serve as we are confident that it will not be long until the hydro power is here."

Deputy Reeve B. W. Hunter waxed humorous over the lamppost. "We don't take that seriously," he said, "and as far as the power question is concerned, it's hydro for Newmarket, and whenever the other municipalities get their enabling bylaws passed Newmarket will follow suit."

Recreation Rooms.

The members of the S.O.E. Lodge, Newmarket, are throwing open their lodge room to men on Saturday nights for the purpose of social intercourse and recreation. Carpet ball, whist, pool, checkers, etc., are the games provided, and already a large number have availed themselves of the opportunity to while away their spare time.

Early Closing.

As has been the custom for the past four years the majority of the merchants have decided to close their stores on Wednesdays at noon during June July and August.

HELD FOR FRAUD.

B. M. Taylor of 114 Crawford street was arrested by Detective Cronin last evening, charged with obtaining \$38 by means of a worthless cheque from Nell McWilliams of 81 Brunswick avenue.

RATEPAYERS MEET AT OAKWOOD

Want Council to Remove Manure and Dead Cats, Also Piggeries.

NEWS OF EARLS COURT

Money Voted for Addition to New School at Fairbank.

The following resolutions were adopted at the meeting of the Oakwood Ratepayers' Association last evening:

"Resolved: That the ratepayers' central body be abolished."

"Resolved: That committee appointed by the association to inspect the streets of the district requiring sidewalks be dismissed, and the secretary communicate with the township council and enclose list of streets, and also a letter to council requesting the removal from Robina avenue, Oakwood, of about eight loads of manure, several dead cats, and other refuse, lying on this street."

"Resolved: That a deputation, consisting of Messrs. Hulton, Edgar Furnival, Butterworth, Snow and Jarvis, interview the township council at their meeting on Monday next in the matter of sidewalks and the abolition of piggeries in the Oakwood district."

Attendance Slim.

T. Wilcox reported very unfavorably with regard to the attendance at the last two meetings of the ratepayers' central body, stating that the representatives from North Eastcourt and Oakwood and Mount Dennis were the only people at the meetings, and that Tommoorden, Cedarvale and Rummy were not represented. It was unreasonable, he thought, to ask them to meet at the Labor Temple to accommodate these people when they did not attend and no business was transacted other than that which could be attended to at their own place.

New Postoffice.

C. Bansley reported that a deputation waited upon W. F. Maclelan, M.P. before the post office, and that they were assured that a postoffice would be placed at Lovatt's grocery store, Vaughan road, Fairbank, and there would also be a postal delivery.

A member resident on Jeumont avenue, referred to the dangerous condition of a well on the street, and suggested the council be notified to fill it in. The matter will be attended to by the council at the council meeting next week.

School Additions.

The ratepayers sanctioned the issue of debentures for \$18,000 for the addition to Fairbank School at a meeting of the school trustees and ratepayers of that school last evening in Vaughan road, Fairbank, and there would also be a postal delivery.

Plans have been prepared for the new Methodist church on the street, east of and work on the building commences in the near future.

Rev. Mr. Woodley, recently appointed minister, will commence his duties in the course of a few days.

Residents are annoyed by the erection of a row of dwellings that they claim will create a slum condition.

Earlside avenue, a builder is erecting a large number of frame houses, some containing five and some six rooms to contain a row on a long strip of land just 65 feet wide at the back of his own dwelling house.

The contractor is erecting the back yards of the dwellings, and the sanitary conditions are just about as bad. The verandahs will just be about 20 feet from a row of outouses at the rear of the lots fronting on Earlside avenue.

The houses are detached and of good appearance and well built, but cramped, the eaves of the roof of one house overlapping the other for want of sufficient space.

TODMORDEN

Tenders are being called for the proposed 12-roomed Todmorden public school and it is expected that the contract will be let in time for work to commence next month. The plans have been completed for some time and are now being examined by contractors.

Still Crowded.

Fifty seats were placed in the new kindergarten school, which was opened in St. Andrew's Hall, Pape avenue, and the first morning it was opened over sixty pupils sought admission. It is expected, however, that this trouble will be overcome in June, when several of the senior pupils leave school at the morning session.

The trustees will endeavor to have the new school on Woodville avenue finished by the first of the year.

A marked improvement in the behavior of the boys in Todmorden has been seen since County Constable McCann commenced his beat, which extends from Bayview avenue to the York and Scarboro townline. Now that the warm weather has returned the young fellows in the district are and shop doors in the district, and some complaints have been made, and gardening broken window panes and so forth. The results show that the presence of a constable will put an end to these escapades.

DEATH SUMMONS WILLIAM HARRIS

Well-Known Toronto Business Man Died Yesterday Morning.

AFTER LONG ILLNESS

Was Prominent in Live Stock Circles - Funeral Tomorrow.

William Harris, one of Toronto's most prominent business men, died yesterday, at 415 a.m., at his residence, 450 Pape avenue. The late Mr. Harris was well known as the founder of the Harris-Abatior, and had for many years held a high position in live stock circles in the city and province.

His career is an instance of what can be accomplished by persistence, energy in religion, and perseverance. Coming to this country from Marston, Bedfordshire, England, 45 years ago, he started in the meat business, and fifteen years later established the Harris Abatior-Davey Company, Mr. Harris was 52 years of age, and his death was the result of heart trouble, from which he had been suffering for many months. The death of his oldest daughter, Mrs. Macdonald, which occurred a week ago, was the first death in his large family, and proved a severe blow to him.

The late Mr. Harris was a Conservative in politics and a Methodist in religion, being an active and influential member of Methodist Tabernacle, East Queen street.

He is survived by his wife, four sons and four daughters, a brother, John A. Harris, and a sister, Mrs. J. A. Harris, 230 Forest Lawn Mausoleum, Yonge street.

RUNNYMEDE TORIES GET READY FOR ELECTION

Big Meeting Last Night - Address by Reeve Syme of York.

The meeting of the Runnymede Liberal-Conservative Association, held in Cook's Hall last night, was perhaps the largest and most enthusiastic the association has held for years. The meeting was held in the utmost confidence, and the speaker, Mr. George Syme, reeve of York Township, and J. C. Wright of Ward 7, spoke in an earnest way, advocating the uplifting of Conservative principles, and advised his hearers to be steadfast in the cause of Conservatism to the very end.

Favored Incorporation.

J. C. Wright spoke very favorably of the incorporation of Runnymede into the city of Toronto, and was satisfied with the present government, he said, "I will always be an admirer as long as the history of Ontario will endure. Mr. Syme went on to speak of the bill, and expressed the opinion that the election was coming very shortly. He spoke in an earnest way, advocating the uplifting of Conservative principles, and advised his hearers to be steadfast in the cause of Conservatism to the very end.

Special Meeting.

The executive of the association was instructed to call a special meeting to ask Dr. Godfrey, and others who might have claims as candidates for election, to come and explain their views at the convention on June 6. The meeting was presided over by C. Woolmer.

MARKHAM

A number of important real estate sales have taken place in Markham within the last few days and the tendency of prices is upwards. The Dominion Government have concluded the purchase from Capt. H. S. Adams of some property on Main street for \$1200, and which will be added to the Warren and intends erecting a new bank building on the site. The purchase price was \$1100.

S. Todd has purchased 55 feet frontage, adjoining the Tremont House, from Robert Fringle, for \$500, for the purpose of building a store.

The 24th annual convention of the Women's Missionary Society of the Uxbridge district will be held in the Methodist Church, Markham, on Wednesday, commencing at 10 o'clock. Reports of auxiliaries, mission circles and bands of the district will be given at the morning session. Dinner and tea will be served in the basement of the church.

DAIRY DRIVER ARRESTED.

Stanley Cross, 274 George street, was arrested by Detective Cronin last night, charged with the theft of a cow from the Walnut Dairy, with whom he was employed as driver.

PERJURY AND BIGAMY.

Samuel Shiffer, 143 Agnes street, was arrested by Plainclothesman Massey of the moral department last night, charged with perjury and bigamy. Shiffer is alleged to have a wife in South America, and to have married another woman in Toronto last April.

MIMMO COUNCIL HAD BUSY MEETING

Ejection Case Caused Considerable Discussion - Evidence Heard.

ENGINEER APPOINTED

E. A. James New Official - Athletic Clubs Apply for Grant.

A largely attended and most lively meeting was that of the Mimmo Council, held in the schoolhouse, corner of Church street and Avenue, last night. Reeve Harrison presided. Councilor Stewart was absent.

A vigorous protest was made by Mr. Howitt, solicitor, acting on behalf of Mr. Constable Waites, in connection with Bundock's tenancy in the cottage in the rear of the schoolhouse. He alleged that Constable Waites, acting as a sanitary inspector, had acted without feeling either the furniture, and had driven it away. Mr. Howitt, he had acted illegally in having no authority whatever from Dr. Rucker, the medical health officer.

Quite sanitary. A letter from Reeve Harrison was produced. He had made a special examination of the premises, and they were quite sanitary. The one objectionable feature had since been made good.

Mr. Bundock appeared before the council and denied having received notification. Reeve Harrison advised the taking of the matter before the medical board, as the constable had received no instructions from the council.

Mr. Howitt then brought up the case between Miss Smart and Constable Waites. Miss Smart and her mother, living alone, had been awakened and alarmed by two men trying to break into their house in the dead of night. Later two men were seen breaking into the postoffice. Miss Smart, thinking these might be the same men, wished to identify them, but they had already fled. She was entirely different. Asking Constable Waites for their names, the constable declined to give them. "If an offence is committed," asked Mr. Howitt, "I will be high enough to give the proper action for a police constable of the village." Mr. Howitt was corroborated by Miss Smart, who appeared in person before the council. She desired, she stated, a public apology, not prosecution.

Constable's Statement. Constable Waites, at this point rose. "This," he said, "has been reported to me by Miss Smart. I was with her. Mr. Howitt has said to me that she said she never came to me at all. Her mother never saw you," interjected Mr. Howitt.

"I deny the whole thing," proceeded the constable. "It has already been thrashed out before the council. Mr. Howitt then said that, considering the conflicting statements before them, he would be better to employ a person before whom evidence could be taken on oath, including that of 'my friend, here' (referring to Constable Waites).

Mr. Howitt said 'friend,' interjected the constable. (Laughter.) The council promised to take up the matter.

Engineer Appointed.

E. A. James, of the firm of James, London & Hertzberg, Toronto, was appointed engineer to the village for 1914. E. A. James, of the firm of James, London & Hertzberg, Toronto, was appointed engineer to the village for 1914. E. A. James, of the firm of James, London & Hertzberg, Toronto, was appointed engineer to the village for 1914.

A letter was considered intimating that Mr. Keil had laid some pipes in front of the property last year on the understanding that the council would pay for them. The reeve said that "this year's council does not assume the liabilities of last year's council."

"I'll take them up," said Mr. Keil. A letter was received from Mr. Langley asking for a bridge or subway crossing the railway tracks at Burlington avenue. The council said fit, they would get their engineer to prepare plans and then submit the proposal to a vote of the council.

The offer of Mr. Little to sell a parcel of land 550 feet front by a depth of 1/2 mile, extending back from Church street at \$23 a foot, was not seriously considered. The plot was not large enough for a public park or playground, and the price was too much.

In connection with this, a letter from the Mimmo Athletic Club, asking for a grant of money from the council, was considered. "We can't get much support from the council," said one of the advocates of the proposition. "Can't even get a field to play on. It was up to the village to support the club. Nevertheless, the proposal was lost by a vote of 2 to 1."

Mr. J. T. Telfer was instructed to order one carload of poles for hydro purposes, required for extensions of the service.

STOLE FROM POLICE CHIEF.

Charged with the theft of a suit case and \$10 from the chief of police of Tweed, Beatrice Milne was arrested as she alighted from a train in the Union Depot last night by Detective Montgomery. The girl was employed as a domestic in the chief's residence and is alleged to have taken the \$10 and stolen a suit case in which to carry away her belongings.

One More Woman Speaks Right Out

She Tells How She Found New Health

Mrs. McArthur Gives Dodd's Dyspepsia Tablets and Dodd's Kidney Pills all the Credit for Her Cure.

ROCKAWAY VALLEY, Que., May 11.—(Special.)—Mrs. Robert McArthur, well-known and highly respected here, has joined the great army of Canadian women who are shouting the praises of Dodd's Kidney Pills and Dodd's Dyspepsia Tablets.

"Last autumn I had a severe attack of Dyspepsia, which led me to 'nervous and ill,'" Mrs. McArthur says. "I tried several kinds of medicine and doctored myself from then till one evening I happened to read one of Dodd's advertisements and decided to try Dodd's Dyspepsia Tablets and Dodd's Kidney Pills. The result is that I can now enjoy my meals."

"My daughter also used two boxes of Dodd's Kidney Pills and found them very beneficial."

"On another occasion when troubled with sore back I found a cure in Dodd's Kidney Pills."

If you keep your stomach right with Dodd's Dyspepsia Tablets and your kidneys in order with Dodd's Kidney Pills, you can laugh at the bills that make the lives of so many women a burden to them.

Talk - Don't Walk

There are many Public Telephones throughout the city. These telephones, placed for the convenience of the public, bring rapid and reliable telephone service within your reach, wherever you may be. To save the time, money and labor that personal travelling requires, all you need to do is Look for the Blue Bell Sign, and "Travel by Telephone" The Bell Telephone Co. of Canada.

OUTSTANDING SCORES.

The outstanding scores at the Long Branch shooting ranges on Saturday were: Queen's Own Rifles—Pte. Rowe, 101; Pte. Jeffrey, 100; Pte. Perry, 95; Corp. Taylor, 95; Pte. Matthews, 92; 48th Highlanders—L.-Corp. T. Young, 93; Pte. Antell, 91; Sgt. Hawkins (of this year's Blesley team), 92; Sgt. Collins, 92; Pte. Campbell, 92; Pte. Griffin, 92; Pte. Binks, 92. This year's Blesley team, 91; Pte. Hall, 91; L.C.R.—Pte. Hillis, 94.

Troublesome Wind.

The weather was not conducive to high scoring as, although the day was warm and bright, there was a troublesome wind shifting from right front to left rear. The conditions, however, made it an excellent day for practice.

Continuing their musketry practice, the Q.O.R. put 154 men thru firing practice at the 100 and 200 yards ranges, the men being under the instruction of Sergt.-Major Crighton and Sgt. Medford and Dow. The aim of these practices is to enable the new men to become efficient shots at the shorter distances before proceeding on to the 500 and 600 yard ranges, and only those showing fair ability at the shorter ranges will meantime be passed on to the longer distances.

Marking Better.

Considerable satisfaction is evinced this season in regard to the marking at the butts, as the marking shows great improvement over former years. This year local youths are being employed for the purpose.

KICKED BY HORSE.

John Brown, 14 Sutton avenue, a rag buyer, was kicked in the knee by his horse north of St. Clair avenue yesterday afternoon, and was conveyed to the hospital with a fractured leg.

STRUCK BY CAR.

While crossing Queen street, near Lang street, yesterday afternoon, 9-year-old Cyril Bauman of 71 Lang street was struck by an eastbound car, and sustained several scalp wounds and cuts about the body. After receiving medical attention he was able to go home.

NEW DUNLOP PEERLESS RUBBER HEELS

NEVER HEELS LIKE THESE

HERE'S WHAT YOU WANT:

- No jarring of the spinal column.
- No nerve-racking clatter in the daily stride.
- No slipping on wet or icy pavements.
- In other words, Certainty and Comfort in every step.

Let your wants be satisfied. Buy New Dunlop "Peerless" Rubber Heels.

AMOR DATE
PLOT ALLEGED

Socialist Member of Reichstag Renewed Charges of International Conspiracy to Promote Armament.

BERLIN, May 11.—The socialist deputy, Dr. Karl Liebknecht, who last year made the sensational charges that the officials of the Prussian war office had accepted bribes from the Krupp company in return for military documents, which resulted in the conviction of several officers and others, made an attack tonight in the Reichstag on the international and especially the German armaments industry. He declared that this industry in Germany represented at least \$125,000,000, and that many former high government officials and army and navy officers were members of the Krupp board of management.

REICHSTAG
TAKES APPEAL

Freeman's Journal Urges Ulster to Come to Settlement, But Ignores Vital Issue.

LONDON, Tuesday, May 12.—An appeal highly significant of the present anxiety felt by official Nationalists appears in The Freeman's Journal. The most prominent Nationalist organ's appeal asks Irish Unionists to accept the home rule bill as inevitable, and suggests that after the bill becomes law Redmond and Carson should try to settle outstanding differences between the North and South.

DECIDE TO HOLD
BABY SHOW IN FALL

Proposed Contest Will Be Under Auspices of Food Reform League.

A SCIENTIFIC TEST
Attention Will Be Paid to Other Qualities Than Good Looks.

Enthusiastic approval was accorded at the Food Reform League last night to a proposal that a baby show be held in Toronto in the fall. Dr. McCormack, president, explained that while the usual baby show related to the nice looks and weight of the babies, the better baby competition was scientific and based on the quality of the babies, their mental and moral development.

STRIKERS AGAIN
UNDER ARREST

Two Men Held for Aggravated Assault After Using an Iron Bar.

Two more aggravated assault charges arose yesterday out of the cloakmakers' strike in the Dominion Clothing Company factory. Hallamman, 16 West Gerrard street, was arrested by Acting Detective McConnell, charged with assaulting Bernard Sutton, 39 Bellwoods avenue, as the latter was about to go to work in the factory, and Marjia Boleky, 313 Wilton avenue, arrested, charged with assaulting D. Cohen, 38 Sullivan street, one of the ex-inspector's private detectives working on the strike.

J. C. McKenzie Commences His Duties Today as a Secretary, and Will Tour Ontario.

J. C. McKenzie, who is joining Main Johnson on the staff of the Ontario Federation of Agriculture, will be a journalist on the staff of The Toronto Star and will be in charge of the Ontario section of the paper. McKenzie is a graduate of the University of Toronto and took his A.M. degree at Harvard.

AND THE WORST IS YET TO COME

This photograph shows some of the poles at the junction of King and Queen streets at Sunnyside. Two or three more have been put up since the picture was taken.

THE MARRIAGE OF
MISSIONARY SOCIETIES
BY DR. QUILL

The merry month of May has been chosen by the two great women's missionary societies of the Presbyterian Church in Canada, for their union. They have had a strenuous courtship for at least three years. For women nowadays are not mere bundles of sentiment, but possess business foresight as well.

combined associations, until Friday morning, May 15, when, with hearts full of memory and hope, the new temple of Knox Church will be filled with a multitude under a new inspiration. Union is strength. Besides this, an ideal has been realized, in the elimination of mischievous terms, home and foreign, which were fitted to set work against work, field against field, and sometimes servant against servant.

PRIEST TO SUE
BISHOP FALLON

Father Gnam Will, It is Expected, Revive Fifty Thousand Dollar Suit for Alleged Slander.

PORT HURON, Mich., May 11.—The sensational fight which Rev. Father Gnam of Wyoming, Ont., has been waging in the Canadian courts, and which received another setback at Toronto on Thursday, when an appeal from the decision of Justice Brudenell, was dismissed, is to give way now. It is understood, to a revival of his suit for \$50,000 for alleged slander against Bishop Fallon.

HOUSE DEBATED
INDIANS' RIGHTS

Oliver Championed Redmen's Cause, But His Resolution Met Defeat.

OTTAWA, May 11.—The house went into committee of the whole today upon Hon. Mr. Roche's bill to amend the Indian Act. Mr. Oliver, who introduced the bill, which authorizes the removal of Indians from any reservation without their consent, when such reserve "adjoins or is situated wholly or partly within an incorporated town or city, or in the immediate neighborhood thereof, which contains more land than is necessary for the use of the Indians, in his opinion is a trespass upon the treaty rights of the Indians. In his opinion it is ultra vires of the parliament, so far as the Indian bands on the Grand River were concerned. The six Nations came from the United States to Canada after the war of the revolution, and were ceded their lands, not as subjects but as allies of Great Britain.

REGULATION OF
COLD STORAGE

Burrell's Bill for Federal Inspection of Warehouses Was Discussed in House.

OTTAWA, May 11.—The house late tonight discussed at considerable length Hon. Martin Burrell's bill conferring upon the department of agriculture power to regulate cold storage warehouses throughout the country. Mr. Carroll (Cape Breton) and Mr. Bradburn (St. John's) thought the regulation should be incorporated in the bill. Hon. Mr. Burrell replied that the government had deemed it best to take power to control cold storage warehouses and to adopt such regulations as experience should show to be necessary. The bill requires every cold storage warehouse to have a license from the federal government.

COMMANDER LINDSAY
RECEIVES PROMOTION

Chief Wreck Commissioner to Take Charge of Quebec Pilotage District.

MONTRÉAL, May 11.—Altho no official announcement had yet been made, it was stated today at the wreck commissioners' court by Commander Henry St. George Lindsay, R.C.N.R., that he had been notified of his appointment to take charge of the pilotage district of Quebec, and that he expected to assume that office about the middle of June next.

PEASANT PANIC

Four large, white potatoes, two onions, two teaspoonfuls salt, three eggs, six tablespoonfuls flour, Peel the potatoes and onions and grate into a bowl. Add eggs and salt, mixing well; lastly, add the flour. Fry by spoonfuls, like corn fritters, in a frying pan, with plenty of hot lard.

HOT CHOCOLATE PUDDING

Cream to tablespoonful of butter with half a cupful of sugar, add one beaten egg, half a cupful of milk, one cupful flour, one teaspoonful of baking powder and a little salt. Melt a square of chocolate, and add it to the batter, with a tablespoonful of cocoa. Steam in a buttered mold for two hours, and serve with a liquid sauce.

Nearly Two Hundred Dead

CATANIA, Sicily, May 11.—The official estimate of the dead as a result of the recent earthquake, which destroyed many villages on the eastern slope of Mount Etna, places the number at close to 200. This is said to be the largest percentage ever recorded, considering the smallness of the area affected by the disturbance.

ULTIMATUM WAS
ISSUED BY BRYAN

Demand Made Upon Huerta for Release of Vice-Consul.

former solicitor general, were chosen by President Wilson as the American representatives. From Huerta arose hastening forward Augustine Rodriguez, Emilio Turbas and Luis Eguero, Ambassador Da Gama, of Brazil, Minister Naon, of Argentina, and Minister Suarez, of Chile, the mediators, and they expressed satisfaction in the selection of the advisers for both governments, and little further is expected in the preliminary peace negotiations until all have received their mandates. Gen. Carranza and the Mexican rebels who seek Huerta's overthrow, will not be represented in the conference, according to the latest advice.

SOUDAN IS CALLING
FOR MISSION HELP

Ten Additional Missionaries Will Be Sent by Interior Mission.

At the annual meeting of the Sudan Interior Mission, held in the Toronto Bible College last night, the announcement was made by Secretary Bingham that the board had decided on sending ten additional missionaries this year. They have now twenty-seven in active service, and this number is to be brought up to thirty-seven. The extra money required is to come from a fund of \$10,000. The secretary in presenting his report, the secretary gave an illustrated lecture on "The Sudan, Twenty-one Years Ago and Now." He pointed out that the death rate among missionaries due to climatic conditions had been greatly reduced in recent years. The printing of the Bible in the language of the natives was proving a wonderful help in carrying on the work.

WILL BE DEPORTED

Charged with entering Canada under false pretences, Mrs. Annie Hershert and Charles W. Gilmore were arrested last evening by Detectives Miller and Armstrong. The pair came from Erie, Pa., a week ago and have been living in Toronto as man and wife. The woman is wanted in Erie for neglecting her two children there. Both will be deported.

"GAINS 22 POUNDS IN
23 DAYS"

Remarkable Experience of F. Gagnon. Builds Up Weight Wonderfully.

"I was all run down to the very bottom," writes F. Gagnon. "I had to quit work. I was so weak. Now, thanks to Sargol, I look like a new man. I gained 22 pounds in 23 days."

"Sargol has put 10 pounds on me in 14 days," writes W. J. Roberts. "I had lost my sleep, but enjoy what I ate and enabled me to work with interest and pleasure."

A FLUMP, STRONG, ROBUST BODY

"Before I took Sargol people used to call me 'skinny,' but now my name is changed. My whole body is stout. I have gained 12 pounds and am gaining yet. I look like a new man," declared another man who had just finished the Sargol treatment.

Send you free a 50¢ package of Sargol and prove what it can do for you. More than half a million thin men and women have already made this test and have done better. Sargol does make this false statement. It is a simple, harmless, home treatment. Cut out coupon and send for this Free package today, enclosing only 10¢ in silver to help pay postage, packing, etc.

Address: The Sargol Co., 424 St. Herald Bldg., Birmingham, N.Y. Take Sargol with your meals and watch it work. This test will tell the story.

FREE SARGOL COUPON

Flat Backs to Replace Slouch Pose

By Maggie Teyte
The Noted Prima Donna.

STAND in the corner and hold up your head," is the advice the principal of a girls' boarding school used to give her pupils when she found them lacking in grace and elegance of carriage. She had a certain exercise which carried out the idea which the girls in her charge were required to practise three times a day. It is so simple that any one with a flat back against which to set her back may try it. I can promise with a clear conscience that if faithfully persisted in it will give such superbly flat backs as such grace that it will make the debutante slouch and the lackadaisical pose of the moment seem mere absurdities.

Secret of Grace.

Easy! Not a bit of it. If you can hold the position a full minute after a month of daily practice, you are doing well. Doing well in more ways than one—not only succeeding in the exercise, but gaining strength and poise and muscle control.

Stand against a door in such a position that the back of the head, the shoulders, the elbows, the back, the heels and the buttocks are all in one touch. And it must not be just an almost-closeness, but a real pressure, so firm there can be no doubt as to one's erectness of bearing.

Catherine Calvert Describes Her "Seasonable Gowns"

By MADGE MARVEL

FINDING an evening gown in a patch of moonshine, choosing a blouse from the crocus bed, harmonizing a street suit from the freshly spaded garden, and trimming it with new lettuce has the fantastic sound of a foolish fairy tale.

Catherine Calvert, who does it, says it is the most satisfactory and becoming scheme of costume for the spring and summer wardrobe that way, going over the ground literally, with a model, to see that the goods matched and that the combining shades were all right.

"Long, long ago," explained Miss Calvert, in quite the tone one would use when spinning a yarn about fairy and pixies and the fairy princess and the ogre, "I made up my mind that if one were to be dressed with individuality and be able to express personality through garment, she must work somewhat independently of the style makers.

A Whitering Lotion.

I have had several requests for some whitening lotion for the skin which is beginning to show the effects of the spring sun.

Here is one that was given me by an English woman who at 60 had the complexion of a young girl:

Advice to Girls

By Annie Laurie

Dear Annie Laurie:

I am a pretty girl of 18 years, and am blessed with very beautiful feet and ankles. When at home after supper I take off my shoes and stockings and spend the evening barefooted, as I enjoy this very much. There are times when some one will come in for a few minutes or a guest will come to spend the evening. I always remain in the room, as I feel as much at ease as if I had on the finest pumps with silk hose. I have had many to admire and congratulate me on having such nice feet.

Many girls are ashamed of their feet and ensure me and my "fad," good a right to appear in public as the hand, as it is formed very much the same and in most cases is more delicate. If they were intended always to appear in shoes, they surely would have been created with nice feet. Is it proper for me to appear barefooted? Also is it right for me to appear at a public bathing beach in short skirts and barefooted? Miss P. B. F.

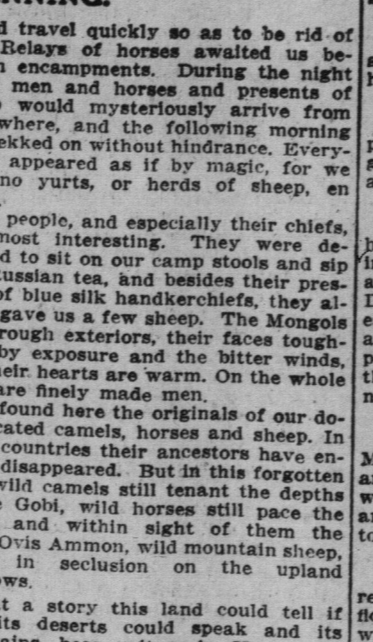

ARE you real, Miss P. B. F., or are you just a joke? Can it be possible that you really mean any of the queer things you say in your queer letter?

There's nothing disgraceful about a pretty foot and ankle—but who wants to be reminded of them every minute? If you want to go barefooted in the house or on the street, go barefooted—and enjoy yourself. But don't expect people to not like "queer" folks; and any one who receives company in a pair of bare feet—no matter how pretty they are—will be regarded as a queer.

Three Minute Journeys

Mongolia, the Land of Magic

By TEMPLE MANNING.

WHEN the traveller finally climbs the Tannu-ola mountains and gazes for the first time upon the bleak, wind-swept steppes of Mongolia, he is impressed first with the utter loneliness of the landscape. There is no vegetation to be seen; his glasses show no signs of human life. Only the obo, a wooden monument marking the well at the pass, about which are scattered various offerings of slain sheep, made by natives to the different gods, indicates that there is human life stretch 2000 miles from his feet.

Try These Tongue Twisters

PERT PENELOPE PERKINS, patient, by plucking pretty primrose, perceived Percival Patmore, pretended precocious, produced profusely, penning persuasive poetry. Presently, properly primed, Percival promptly proposed, penning persuasive poetry, prettily prearranged, perceived, passionately, promising, pathetically, perpetual pardon. Purest, pompous papa, proving plant, Penelope placidly paired.

Secrets of Health and Happiness

What Flies Mean to the Home; Insect Carriers of a Plague of Ills

By Dr. LEONARD KEENE HIRSHBERG
A. B., M. A., M. D. (Johns Hopkins).

THERE are still some medical men who ridicule the "germ theory of disease." Few were there at first who examined seriously into the evident facts of the indictment of microscopic germs. Most doctors at first and laymen felt convinced that there was nothing in the world beyond their immediate sense perceptions. All of this, however, is now past. The majority, once disdained of scoffing, have been, steadily overpowered by the accumulated truths; they have succumbed to the dramatic, antitoxins, the tragic inoculations of malignant germs into animals, and finally to the surgical feats of asepsis and anti-sepsis. Children in the elementary schools are now trained in methods of preventing bacterial growth, and know more about microbes than did the doctors of 25 years ago.

How these malicious micro-organisms pounced upon the human body and felled their victims was also thought to be a closed story, when the verdict of guilty was brought in new knowledge forced a reconsideration of the case. There was forced upon the pathological jury such new evidence that the whole matter had to be judged anew. For Dr. Theobald Smith, the eminent Harvard savant, who had investigated Texas cattle fever, discovered that the terribly destructive epidemic was spread, not by filthy soil, but by the blood of these ticks, how he finally and forever convicted them of harboring the malarial-like parasites of Texas fever and other similar troubles are notable here to say that it opened up a new field to scientists and physicians, a new source of new life for investigation, it impelled them to recast their notions and at once energetically to test every suspect in the insect world.

Winged Demons Everywhere.

Undoubtedly in not a few human ailments the disease principle passes at once from person to person. Measles, diphtheria, scarletina, smallpox, loathsome diseases, ringworm, the like, are similar troubles are notable instances of this type. Quarantine and isolation usually serve to stamp such diseases out.

But Dr. Theobald Smith's findings, with that of his assistant, Kilbourne, soon led to the conviction that the anopheles mosquito is the source of malaria; the culex mosquito is the source of elephantiasis as well as bird anaemia; the stegomyia mosquito is the source of yellow fever, and the tsetse fly as the reservoir for nagana and the death-dealing sleeping illness.

ANSWERS TO HEALTH QUESTIONS

Warm water is a better solvent than cold. With the water you should use a good tooth paste to produce friction.

The application of a solution of boracic acid will help to heal the skin which has been broken and affected by pimples.

Mrs. L. McK., Woodstock, Can.—It will be wise to have an X-ray taken of your hip joint. It may be that there is some pressure of yonitis on the organs near the nerves which go to the hip joint. Until this pressure is removed the pain will remain.

Useful Hints for the Housewife

By Ann Marie Lloyd

SHOVELLING a man's wastes out of the kitchen with a tablespoon" is an old simile which has lots of truth.

The modern woman who has domestic gunption is a good business woman. Kitchen book-keeping is as necessary as some accounting system in any other business.

Haphazard housekeeping is passing. It is fast becoming a distinct business. It is quite as negligent in the housewife to confess ignorance of food prices as it is for the man who makes his living in the business world to acknowledge ignorance of the market prices.

After several weeks of experiment under various conditions, the efficient housekeeper will know what it costs each week to run her table. She will keep within this sum. If there is company and extra entertaining she will strive to reduce her expenditures for two or three weeks until the mean average becomes the same.

With a study of food values it is simple to plan meals that will have the requisite amount of nourishment, the delicacy of palatableness and a minimum of expense. "Watch the market" is excellent advice for all housekeepers to follow. If there is no less admirable to be accused of being careless in expenditure than it is to be called stingy.

Many housekeepers whose husbands are on moderate salaries will let the kitchen run itself without any auditing of accounts until there is a hue and cry over bills from the head of the house, and then there will be tears and accusations.

A man who furnishes the money to run a house has a perfect right to demand a judicious handling of that money.

The wife who throws it out in waste and neglect is misappropiating funds. If it is beneath a woman to take a personal interest in her kitchen, then it should be beneath her to accept the money to run the establishment.

In discussing a former mistress, one cook said to another: "I guess she was brought up poor. She was the only folk that never had nothing throws away when they gets something."

Here are some kitchen hints that will save time and worry.

To make corks impervious to water and air, soak them in olive oil for five minutes.

If you have suspicion of the age or color of a chicken when you are cooking it and fear it will be yellow and tough, add the juice of half a lemon to the water in which it is cooked. The same recipe will whiten the flesh of fish.

A crust of dry bread thrown into the pot where cabbage is cooking will absorb the odor and keep it from permeating the house.

The odor of grease after frying can be driven out by the odor of coffee burned on top of the stove.

Miss Laurie will welcome letters of inquiry on subjects of feminine interest from young women readers of this paper and will reply to them in these columns. This should be addressed to her, care this office.

The Toronto World

FOUNDED 1850.
A morning newspaper published every day in the year by The World Newspaper Company of Toronto, Limited, E. J. Maclean, Managing Director.

TUESDAY MORNING, MAY 12

CONTROL OF RAILROAD STOCK ISSUES.

President Wilson's ambitious program of legislation for the current congress carries no more important plank than that regulating the issuance of stocks and bonds by railroad companies. The evils that have followed from stock manipulation lie at the root of the troubles that now confront public-service companies of all kinds, and the fact is now clearly recognized. Legislation at this late date in the United States bears very much the appearance of locking the door after the steed is gone, but even at that it may add and prevent further dealings open to anti-adversity, if, at this time of day, men in control have the temerity still further to exacerbate public opinion.

As it comes from the committee of the house of representatives on interstate commerce, the bill proposes to obtain before issuing stocks or bonds to obtain authority from the Interstate Commerce Commission. Before it is enacted, full information must be furnished regarding the amount held in the treasury of the company applying, either as a free asset or pledged, and, if pledged, the terms and conditions of pledge and all other particulars necessary to enable the public to judge the value of the protection that is offered. Full publicity is also provided for, and a further requirement is that the purposes to which the proceeds of the issue are to be devoted must be specified in detail.

Heavy penalties are imposed on railroad companies that refuse or fail to make the required disclosures, and these will have to be made in a prescribed form. The commission is also given power to examine the books and papers of the company, and to require officers to disclose every interest of the directors in any transaction under investigation. Other provisions make it unlawful for any officer or director of any carrier to pay or receive as salary or dividends any money resulting from the issue of stocks or bonds, or from any other source except earnings, until proper provision has been made for the upkeep of the roadbed, its equipment and facilities. Yet another provision makes it unlawful for any officer or director to hold office in more than one railroad. That such drastic regulations should be deemed necessary reveals the cloud of doubt cast on United States railroads by the stock manipulation to which they have been subjected.

GUESSES AT THE TRUTH.

One of the tests of efficiency that may be made by anyone is in estimating amounts in time, distance, weight, size, height or number. Most people are exceedingly inaccurate and yet they will generally be found to be dogmatic in the highest degree, and most opinionated on questions which may be referred to them. Such people, if they really want to get an idea of their own ability to judge or form an opinion, should practise some of the exercises suggested by the professors of the new "psychology" at all, any more than it is, craniology or neurology.

Let the average man test himself by measuring a hundred feet with his eye, and seeing how near or how far he is from the actual distance; or let him judge the distance between any two points, and then measure it. Let him judge five minutes' space of time without a watch in sight, and when he thinks the time is up, verify his judgment. This is one of the easier tests, because most people are compelled to judge the lapse of time unconsciously to themselves. But even experts find that they are grossly in error under unusual conditions. Take a frequent example with newspapers when reporters state that a popular leader was greeted with applause lasting several minutes. A long experience shows that very rarely does applause last over half a minute. Twenty seconds is about the usual duration of hearty applause. At one of the largest political demonstrations in the last ten years in Toronto the applause, or ovation as it is called, lasted barely a minute and a half. Some of the papers said ten minutes, but they had not looked at their watches. An average city man can rarely tell you the size of an acre. A ten-acre lot is an unfamiliar quantity. The Allan Gardens at Sherburne and Ottawa, of which he has for some years been grand treasurer. This is in consequence of the poor health of M. D. Carden, grand recorder.

HENDRIE IS PRESIDENT OF BANK OF HAMILTON

Declines to Say Whether He May Quit Political Arena.

Canadian Press Despatch.
HAMILTON, May 11.—The Bank of Hamilton directors elected C. H. Hendrie, J. S. Hendrie president, to succeed the late Senator Gibson. Cyrus A. Birge was made vice-president. It was rumored this would mean that Col. Hendrie would retire from the Ontario Cabinet and politics.
"The position will mean a lot of increased work, but I am not prepared to say yet what my intentions are about dropping out of politics," he said.

F. G. INWOOD RESIGNS.

F. G. Inwood has resigned the secretaryship of the General Reform Association of Ontario to devote his whole time to the interests of the A. O. U. W. of which he has for some years been grand treasurer. This is in consequence of the poor health of M. D. Carden, grand recorder.

60 feet frontage, 110 feet depth. In height Toronto people are getting some standards. St. James' steeple has long been a landmark with its 215 feet. Only one higher stands on the continent.

St. Patrick's Roman Catholic Church in New York, with 225 feet. The new C.P.R. and Royal Bank buildings are 230 feet and 250 feet respectively. But can you guess fifty feet correctly, or estimate the height of your own house to 4 yards?

Another game is guessing the size of crowds. Massey Hall has been filled (in the newspapers) with as many as 7,000 or 8,000. The Globe always gets 6,000 at least into a Laurier meeting there. The building seats 3,800. There have never been 5,000 people inside it at one time. The demonstration in Queen's Park on Saturday last was variously estimated from 40,000 (Mr. Thomas Crawford's guess) to 10,000, the figure of The Mail and Empire and of The Telegram. Hon. Wallace Nesbitt made it 25,000. The official resolution put it at 20,000. The Star had 12,000. The World allowed 15,000. There are a lot of people in 10,000. The grand stand at the Exhibition is said to hold 17,000. The new Woodbine grand stand will seat 8,000. At the Exhibition 100,000 is a very big day, and they are never all there at once.

Two years ago at the big fire a rapid estimate had to be made of the loss. Some of the street estimates were very wild, running up to \$100,000,000. After a few days even some of the newspaper estimates kept as high as \$20,000,000. The day after \$15,000,000 was announced by several. The World placed the loss at \$10,000,000, and we believe The Globe had the same figure. These calculations were quite independently arrived at. After many months when all the figures had been made up the actual loss was found to be \$9,500,000—supporting our exceedingly close estimate.

Guessing is all right, but the wise man will always try and verify his guess.

MANITOBA'S BLUE SKY LAW.

Manitoba recently enacted a "blue sky" law, as acts designed to protect the public from the issue and sale of worthless stocks have been nicknamed. The most of the legislation passed by United States legislatures has proceeded on the principle that before the shares of any company are offered within the state, its character and status must first be investigated and approved by official examiners, and this has been adopted in the Manitoba act. It has, however, been recognized by the public utilities commissioner for that province that while the law requires him to be satisfied that the plan of business and contracts "promise a fair return on the shares" offered for sale, the peculiar circumstances attending the flotation of mining companies require special consideration. Mines that have not been proved are and must remain only of speculative value, but this does not mean that where there is reasonable ground for belief that paying mineral will be found, development by means of a stock company should be prohibited.

From an article in The Winnipeg Saturday Post, we learn that Mr. Robson, the commissioner for Manitoba, has prepared an outline of the policy he proposes to pursue in the case of mining companies. If it is accepted, all companies wishing to sell their shares publicly must first submit their proposition for investigation. In his opinion there are two aspects of the matter. First, it is desirable, as far as possible, to prevent a repetition of the losses caused by investment in stocks during periods of mining excitement. This does not refer to losses resulting from the mine proving a blank, but to the frauds of individuals to which this class of offering is peculiarly open. But it is necessary, second, in honest cases, to permit the capital necessary for actual operations to be raised from persons with money and willing to take the risk of their result. One of the purposes of the act is to give shareholders reasonable assurance of honest dealing on the part of the company. This will be carried out by imposing conditions which will ensure that the proceeds of the stock issues will go into actual development, and that should specific be realized a certain fixed proportion shall go among the cash shares and not be swamped by unlimited issues of common stock to promoters. Also the restrictions of the law are said to have caused irritation, it is evident that the requirement of fair-dealing will operate to the advantage of the legitimate mining industry and of the mining stock market.

STREET CONTROL ASSURED TORONTO

Safeguards Inserted in Radial Railway Bill Approved in House.

OTTAWA, May 11.—The bill of the Toronto, Niagara and Western Railway was put thru the committee stage in the house this morning and given third reading without any objection being raised. The bill was amended in the railway committee so as to safeguard municipal rights of Toronto with relation to level crossings. The bill of the Prudential Life was also reported. Hon. W. T. White said it was the practice of the department to require unpaired capital to the amount stated in the charter, and that before this company began business it would have to show \$100,000 unpaired capital. The bill received third reading.

Rewell's Legal Services.

Sam Sharp (North Ontario), secured an order of the house a copy of all papers, etc., in connection with the legal services of N. W. Rowell, K.C., for the Laurier government in connection with the Oka Indian litigation.

The bill amending the Customs Act so as to provide for payment of a drawback on pig iron supported for use in manufacture of articles for export was reported from committee, and then proceeded to consideration of Hon. Dr. Roche's bill amending the Dominion Lands Act.

CARSON APPEALS TO GRIMSBY ELECTORS

Letter Sent to Each Voter Urging Support of Ulster's Cause.

Canadian Associated Press Cable.
LONDON, May 11.—Sir Edward Carson has sent a typewritten letter to every Grimsby elector, appealing to them to support Ulstermen at tomorrow's polls.

Liberal candidates, speaking for the nothing like the Ulster movement since Mr. Bannerman's days. There was not a Tory room in London where the words of sedition had not been whispered into officers' ears.

The Conservative, Liberal and Labour candidates, all definitely committed to fight in Northeast Derbyshire. The split between the local Liberal and Labour forces on both sides, and the contest between the two seemed to be even keener than a clean Radical-Tory fight.

FIRST C.P.R. TRAIN RUNS OVER NEW SHORE LINE

Many Officials Take in Trip From Smith's Falls to Toronto.

Special to The Toronto World.
BELLEVILLE, May 11.—The first Canadian Pacific train over the new line of railway passed thru here this morning, en route from Smith's Falls to Toronto. On board were the following officials: Asst. general manager; C. B. Foster, asst. passenger traffic manager; J. T. Arundel, general traffic superintendent; W. J. Uron, general superintendent; Col. George Ham, A. L. Hertzberg, superintendent of the art, superintendent of the power of the Dominion Construction Company; W. C. Smith, superintendent of the Dominion Construction Company; M. G. Murphy, district passenger agent.

St. John, N.B., Board of Trade Obtains Better Steamship Service. (Special Correspondence.)

ST. JOHN, N. B., May 11.—As a result of the efforts of the board of trade to get better steamship service in summer between this port and Great Britain, the Allan Line has agreed to send two hundred passengers already secured, and the indications are that there will be no difficulty in obtaining the second hundred. Efforts are also being made by the board of trade to obtain direct service between St. John and Japan, by way of the Panama Canal. It is reported that a renewal of the all-the-year-round service between St. John and the City of London is being considered by the Furness Line. A regular cable Co. for a permanent mooring dock for its steamers at St. John.

AT OSGOODE HALL

ANNOUNCEMENTS.

Judge's chambers will be held on Tuesday, 12th inst., at 11 a.m.

Judgments will be delivered at opening of court on Tuesday, 12th inst., for first appellate divisional court, in:

1. Volcanic v. Chaplin.
2. McMillen v. Piggott.
3. Snider v. Carleton.
4. Central Trust v. Snider.

Peremptory list for first appellate division for Tuesday, 12th inst., at 11 a.m.:

1. Williamson v. Playfair.
2. Bennett v. Stodell.
3. Deer v. Thompson.
4. Fielding v. Hamilton and Dundas Street v. Garrison.
5. Beck v. Township of York.

Peremptory list for second appellate division for Tuesday, 12th inst., at 11 a.m.:

1. Schenck v. Grauel.
2. Heimbach v. Grauel.
3. Gibson v. C. L. O. and Western Railway Co.

Master's Chambers.

Before J. A. C. Cameron, Master. Minors Sutton—Hessna (Kilmer & Co.), for defendant, obtained order on consent, transferring action from county court of Westworth to supreme court of Ontario.

Conlon v. Conlon—H. E. Wallace, for plaintiff, obtained leave to issue writ for service outside jurisdiction, and for service of same substitutionally. Time for appearance limited to 10 days in cause.

Bank of Ottawa v. Stuart—G. H. Shaver, for plaintiffs, moved for order making attaching order absolute. J. R. Ross, for defendant, opposed. Order made for payment into court and not to be paid out without notice to all claimants, less costs of motion fixed at \$15.

Sully v. Raymond Manufacturing Co.—W. J. Sparke for defendants, moved for particulars of claim. F. McCarthy, for plaintiff, Order made. Defence to be delivered in two days after particulars furnished. Costs in cause.

Moriziat v. Durand—N. F. Davidson, K.C., for defendant, moved for particulars of claim. F. C. Sinclair, for plaintiff. Order made. Statement of claim to be amended in two days. Statement of defence to be delivered in three days thereafter. Costs in cause.

Holmes v. Hyslop—A. D. Crooks, for defendant, obtained order on consent, dismissing action with costs.

Judge's Chambers.

Before Middleton, J.
McDonald v. Miller—A. C. McMaster, for plaintiff; A. Singer for defendant. Order made. Judgment: No defence to be accepted. Consent to production of the assignment of the purchase money. It does not purport to be a composition deed and the creditors are not parties to it. The appeal is allowed and judgment granted as claimed, with costs.

Re Ball (Woodstock), for McAllister and Smith, applicants, on motion for order declaring Henry Edward Robins to be mentally incompetent.

Appellate Division.

Before Meredith, C.J.O.; McLaren, J. A.; Magee, J.A.; Hodgins, J.A.
Phoenix v. G. T. R. Co.—D. L. McCarthy, K.C., for defendant. G. C. Gibbons, K.C. and G. S. Gibbons (London) for plaintiffs. Appeal by defendant from judgment of Falconbridge, C.J. of Jan. 14, 1914. Action by driver of milk delivery wagon in London for \$10,000 damages for injuries by being struck by an engine of defendant, alleged to have been caused by negligence of defendant. At the trial judgment was awarded plaintiff for \$4700 and costs. Appeal argued and dismissed with costs.

British Columbia Hop Co. v. St. Lawrence Brewery Co.—G. A. Stiles, for plaintiff. Appeal by defendant from judgment of Leitch, J. of March 19, 1914. Action to recover \$220.41 damages, alleged to have been suffered by plaintiffs by reason of refusal of defendant to accept consignment of hops sent them by plaintiff pursuant to agreement. Defendants denied damages and costs, and counter-claim was dismissed with costs. Appeal and cross-appeal dismissed with costs.

Maracle v. Whittington—C. J. Holtman, K.C. for defendant. Herrington, K.C., for plaintiff. Appeal by defendant.

Capable of managing his affairs. S. G. McKay, K.C., for Henry Edward Robins, judgment. The application for judgment was granted. The petition must be dismissed with costs.

Before Kelly, J.
Tew v. Joseph—W. R. Smyth, K.C., for defendant, appeared from order of local judge at Hamilton, granting speedy judgment against defendant, with costs. G. G. S. Lindsay, K.C., for plaintiff. Appeal dismissed with costs.

Single Court.

McConnell v. Murphy. Patton v. Murphy—G. Grant, for plaintiff in each case, moved for order continuing injunction. G. Bell, K.C., for defendant in each case. Order made. No one for Murphy. Both motions enlarged to 21st inst. to perfect security. Injunctions continued meantime.

Flint v. City of Belleville—W. C. Mikel, K.C., for plaintiff, on motion for order continuing injunction. S. Masson, K.C., for the city. By arrangement between parties motion stands one week. Injunction continued meantime.

Exchequer Court.

Toronto Admiralty District.
The Peninsular Tug and Towing Co. v. the Schooner Stephen—R. V. LeSueur (Sarnia) for plaintiff, F. F. Fardee, K.C., for defendant. Action for salvage services tried at Sarnia. Judgment: It is admitted that the services were rendered by her proportion, having charged therefor, \$1050.83, is reasonable. The sole question is whether the ship is liable for the whole amount or only for her proportion, having regard to the fact that the salvage preserved the cargo and enabled the vessel to earn the freight. The bargain, whatever it was, was made not by the master or owner but by Lower, acting for the insurers of the cargo. The ship therefore cannot be made liable upon an express contract by its owner or master. The plaintiffs are entitled to judgment for a proportion of their claim, based on a valuation of the vessel and freight at \$2661.93 as against the value of the cargo at \$12,000; in other words, to judgment for \$424.78. The plaintiffs should have their costs of action and part of them a like proportionate part of them from the cargo on the adjustment under the general average bond.

Appellate Division.

Before Meredith, C.J.O.; McLaren, J. A.; Magee, J.A.; Hodgins, J.A.
Phoenix v. G. T. R. Co.—D. L. McCarthy, K.C., for defendant. G. C. Gibbons, K.C. and G. S. Gibbons (London) for plaintiffs. Appeal by defendant from judgment of Falconbridge, C.J. of Jan. 14, 1914. Action by driver of milk delivery wagon in London for \$10,000 damages for injuries by being struck by an engine of defendant, alleged to have been caused by negligence of defendant. At the trial judgment was awarded plaintiff for \$4700 and costs. Appeal argued and dismissed with costs.

British Columbia Hop Co. v. St. Lawrence Brewery Co.—G. A. Stiles, for plaintiff. Appeal by defendant from judgment of Leitch, J. of March 19, 1914. Action to recover \$220.41 damages, alleged to have been suffered by plaintiffs by reason of refusal of defendant to accept consignment of hops sent them by plaintiff pursuant to agreement. Defendants denied damages and costs, and counter-claim was dismissed with costs. Appeal and cross-appeal dismissed with costs.

Maracle v. Whittington—C. J. Holtman, K.C. for defendant. Herrington, K.C., for plaintiff. Appeal by defendant.

Result of Enquiry Into Grounding of Steamers Saturnia and Montfort.

Canadian Press Despatch.
MONTREAL, May 11.—In his finding on the recent grounding in the St. Lawrence of the steamer Saturnia from Glasgow and the C.P.R. liner Montfort from Antwerp, issued today, Captain Lindsay, Dominion wreck commissioner, commends Captain Davidson, of the latter boat, for taking the ship out of the hands of Pilot Jules Lechance, who had charge of the Saturnia. He is also suspended for three months, while Captain Davidson is censured for not being on deck at the time of the accident.

New Muskoka Train.

Commencing Saturday, May 16th, a new train will leave Toronto 10:20 a.m. daily, except Sunday, via Grand Trunk Railway station, carrying parlor-lounge buffet car and first-class coaches and will arrive Muskoka Wharf 1:40 p.m., making direct connection with steamers for points on Muskoka Lakes. This train will run direct to side of Muskoka Wharf (the original gateway to the far-famed Muskoka Lakes), thus avoiding any inconvenience to passengers.

Return connection will be made with train leaving Muskoka Wharf 10:30 a.m. daily, except Sunday, arriving Toronto 2:55 p.m.

Tourist tickets at very low fares are now on sale to Muskoka Lakes points, good for stop-over, and valid to return until November 30th, 1914.

Full particulars at city ticket office, northwest corner King and Yonge streets. Phone Main 4209. 12546

Re Estate of Daniel T. Fletcher—G. L. Staunton, K.C., for E. D. Cowell appellant; S. F. Washington, K.C., for adult heirs; S. F. Laidler, K.C., for executor; J. R. Meredith for infants. Appeal by Elsie Dawn Cowell from judgment of Middleton, J. of April 13, 1914, construing will of D. T. Fletcher and holding the land across the road from other land willed to daughter was not included in devise to her, also defining the meaning of timber as used in will and deciding that interest ran from a year from testator's death. Appeal argued. Judgment reserved.

Millard v. Toronto Railway Company—D. L. McCarthy, K.C. for defendants; J. P. MacGregor for plaintiff. Appeal by defendants from judgment of Denton, J. of County of York of March 24, 1914. Action to recover \$500 damages for injury to self and automobile by being struck by car of defendant company, alleged to have been caused by defendant's negligence. At trial judgment was awarded plaintiff for \$200 and costs. Appeal argued. Judgment reserved.

Cox v. C.P.R. Company—R. McKay, K.C. for defendants; J. B. McColl (Cobourg) for plaintiff. Appeal by defendant from judgment of Rogers, J. of united counties of Northumberland and Durham of February 11, 1914. Action to recover \$500 damages (\$15 be-

Toronto Has a New ROSEDALE

Near Corner of St. Clair Ave. and Bathurst Street

The Company is offering lots for sale at varying prices, according to location; it is intended to develop the property into a high-class residential section of the city.

A resolution was passed by the City Council on the 24th March, 1914, for the annexation of the property to the City of Toronto.

The section comprises 300 acres, and is situated on Bathurst Street, close to St. Clair Avenue. It is only a few minutes' walk from the corner of St. Clair Avenue and Bathurst Street, where the Civic Cars are now running.

The Entrance Gates are within two miles from the corner of Bloor and Yonge Streets, and the property is readily accessible to all parts of the City.

The City will construct a Driveway 100 feet wide through the ravine, in the centre of the property, forming part of the City Boulevard Drive.

One hundred and fifty thousand dollars has been expended on the building of the bridge over the beautiful ravine that traverses the property, the Entrance Gates, and in the laying out and grading of the Gardens, Roads and Boulevards.

Upon request the Company will forward a book of photographs of the property.

SOCIETY CONDUCTED BY MRS EDMUND PHILLIPS

Their Royal Highnesses the Duke and Duchess of Connaught have issued invitations to a garden party at Craigville on May 27 from 5 to 7 o'clock.

His Honor the Lieut.-Gov. and Lady Ogilvie have issued invitations to a dinner at the 24th inst. Victoria Day, to meet their Royal Highnesses the Duke and Duchess of Connaught.

Col. Percy Sherwood, C.M.G., and Mrs. Sherwood, who have spent the last two months in England, visiting their daughter, have returned to Ottawa.

By permission of Sir William and Lady Mackenzie the Rosary Hall Guild will give a garden party at Benvenuto in June.

A program of music has been arranged by Miss Marie Macdonell for the ladies of the Centre and South Toronto Conservatory Club and will be given in the clubhouse, 190-1-2 Bloor street, on Friday afternoon, May 15, at 8 o'clock.

Lady Allan will be in town for the races, the guest of Mr. Clarence Bogert.

Mr. and Mrs. John D. Reid have issued invitations to the marriage of their daughter, Miss Florence Reid, to Ross Frederick Humphrey, Wednesday evening, June 3, at 8 o'clock in Grace Church on-the-Hill, and to a reception afterwards at 200 Balmoral avenue.

Miss Mary Scott, Ottawa, and her guest, Miss Frances Thompson, who have been at Queen's Park, have returned to Ottawa, where Mrs. Frank Anglin gave a small bridge party in honor of the latter on Friday.

Mrs. Leonard Murray, Halifax, N.S., is staying with Mrs. William Hendrie, Hamilton.

Miss McWatt, Sarnia, who has been spending part of the winter in Bermuda, has returned home, after a short visit to Atlantic City, en route.

Mrs. James George is giving a luncheon on Thursday, in honor of Mrs. Langstaff, New York, Mrs. Bruce, with whom she has been staying, is giving one on Friday, and Mrs. Clark is giving a small luncheon for all these on Saturday.

Mrs. and Mrs. Harry Lockhart Gordon and Miss Mabel, who have spent a month in England, are on their way home.

Mrs. James O'Neill gave a bridge party of 25 tables yesterday, in aid of a charity, which was very beautiful and arranged and served very handsomely in a tape satin and chiffon Parisian gown, with diamond ornaments. Miss O'Neill wore pink satin and lace, and Mrs. Solomon, a dark blue tulle gown with corsage and pampers of Roman striped satin on a white ground.

From the corners of the crown, composed of yellow flowers, the auditorium was decorated with crimson and pink roses.

ALLEGED INCENDIARY REMANDED ON BAIL Samuel Panser was remanded in police court yesterday for a week on \$2,000 bail on the charge of setting fire to his house on Chestnut street on Friday at midnight.

Dr. King Dodds has taken a house for the season at Ventore, a suburb of Atlantic City. His mother and sister Drayton, who are here, will probably remain some months.

MUTUELS PAY GOOD PRICES ON WINNERS

Climber Lands Debutante Stakes at Louisville—Helen M., Outsider, in Front.

LOUISVILLE, May 11.—There was a good crowd at Churchill Downs for the second day's races and the pools paid good prices on the winners. Climber won the Debutante Stakes, the feature race, for two-year-olds, the three shortest priced horses finishing in the money. Helen M. yielded nearly 19 to 1 in the fifth. Neylon rode two winners. Summary:

FIRST RACE—Six furlongs:
1. Mimoroso, 107 (Mott), \$18.00.
2. Grosvenor, 105 (Keogh), \$7.80.
3. Laco, 108 (Taylor), \$4.20.
Time 1:13. Maria C. Kiva, Campeon, Daisy Platt, High Street, Casey Jones, General Marchmont, Star of Danube, Gabilo and Ancon also ran.

SECOND RACE—Four furlongs:
1. Star Shooter, 109 (Hanover), \$24.40.
2. Dr. Carmel, 112 (Taylor), \$8.20.
Time 48 2-5. Marion Gosaby, Apple, Chalmers, Margaret, Rhodas, Spreville, Mars Cassidy and Cloth of Gold also ran.

THIRD RACE—One mile:
1. Dr. Samuel, 97 (Neylon), \$5.50.
2. Ocean, 105 (Byrne), \$14.10.
3. Rudolph, 112 (Wood), \$4.20.
Time 1:38 2-5. L. E. Adair, Gowall, Ivan Gropo also ran.

FOURTH RACE—Debutante Stakes, 4 furlongs:
1. Climber, 120 (Kedrick), \$5.50.
2. Water Blossom, 115 (Martin), \$2.50.
3. Aunt Josie, 115 (Hanover), \$2.50.
Time 47 2-5. Opa, The Norman, Stako and Cap. Maude B. L. Lady Hill, Robert Kay and First Cherry also ran.

FIFTH RACE—Mile and 70 yards:
1. Helen M., 97 (Neylon), \$38.50.
2. Minda, 92 (Martin), \$11.
3. Buelah S., 104 (Taylor), \$5.20.
Time 1:52 2-5. Troian Belle, Edith W., Nannie McDee, Guidepost and Big Dipper also ran.

SIXTH RACE—Six furlongs:
1. Boots and Saddles, 108 (McDonald), \$11.
2. Vandegriff, 115 (Hanover), \$2.50.
3. Belloc, 105 (Henry), \$2.50.
Time 1:12 2-5. Opa, The Norman, Stako and Cap. Maude B. L. Lady Hill, Robert Kay and First Cherry also ran.

Juvence at Pimlico Defeats Gun Cotton

BALTIMORE, May 11.—Seven races were decided today in fine weather and on a fast track. Juvence beat Gun Cotton in the steeplechase, that being a good field of seven, and all went the course except Mystic Light. The handicapper went to Skirde, paying 4 to 1 with the favorite, Towton Field, second.

Summary:
FIRST RACE—One mile:
1. Warlock, 107 (Rowley), straight \$26.00.
2. Defendum, 110 (McTaggart), place \$2.50.
3. Master Joe, 101 (Schuttiger), show \$2.50.
Time 1:47 3-5. Indian Arrow, Margaret Melon, Neimale, Applauder, Milky Way, Ossageletta, Worst Dale and J. Starcot also ran.

SECOND RACE—4 1/2 furlongs:
1. Folders, 112 (Nathan), straight \$4.50.
2. Tiffin, 102 (Callahan), place \$7.10.
3. Haberdash, 102 (Taylor), show \$2.50.
Time 54 2-5. Stalwart Helen, I May, Amnunnisa, Babe, Gold Haven, Ethas Alen and Lillian also ran.

THIRD RACE—Six furlongs:
1. L'Aiglon, 108 (Nathan), str. \$55.50.
2. Monty Fox, 114 (McTaggart), place \$4.50.
3. Joe Finn, 105 (Nicklaus), show \$3.40.
Time 1:14 2-5. Nigro, J. H. Houghton, Della Mack, Province and Hervis Jr. also ran.

FOURTH RACE—Selling, steeplechase, \$600, two miles:
1. Juvence, 151 (Kermath), straight \$5.20.
2. Gun Cotton, 155 (Allen), place \$3.40.
3. Golden, 132 (Gilbert), show \$7.40.
Time 3:57. Crowe, Broome and Magara also ran. Mystic Light fell.

FIFTH RACE—Four furlongs:
1. Masquerader, 117 (Butwell), str. \$3.
2. Sir Edgar, 117 (Taplin), place \$2.20.
3. Faker, 112 (G. Burns), show \$2.10.
Time 48 2-5. Fenrock and Tessa Star also ran.

SIXTH RACE—One mile and seventy yards:
1. Dangerous March, 109 (Knight), straight \$5.
2. Cogs, 111 (Watts), place \$4.20.
3. Feather Duster, 113 (Frasch), show, out.
Time 1:45 2-5. Sonny Boy and Afterglow also ran.

SEVENTH RACE—Handicap, six furlongs:
1. Elkridge, 102 (Fairbrother), straight \$12.50.
2. Towton Field, 110 (Burlingame), place \$3.70.
3. Elms, 102 (McCabe), show \$60.
Time 1:14. Captain Elliott, Anvri, Ruby Hyams, Bat Masterson and Bobby Cook also ran.

Central Indoor Athletic Records

The indoor athletic contest recently brought to a close at Central Y.M.C.A. has been one of the closest on record. This year three medals have been awarded for the highest score for actual performance, and three medals for the greatest number of points for first, second and third. Mr. W. N. Craig was the greatest number of points, competing in 24 events and scoring 170 1/2 goals.

The first medal for places goes to W. G. Brown, who, although he only competed in ten events, was able to get a place in every one. Over one hundred men took part in the winter's contest and 46 won ribbon prizes. Following is the score for the first twelve men in the individual contest:

Points For Actual Performance—	Events.	Goals.
1. W. N. Craig	24	1470 1/2
2. R. F. Keech	22	1230
3. A. E. Beecraft	26	1275
4. Tom Harpley	22	1227 1/2
5. G. Thompson	22	1185 1/2
6. Barry Cook	18	1093 1/2
7. J. H. Pollock	18	1086 1/2
8. J. C. French	15	983 1/2
9. W. N. Ward	16	983 1/2
10. J. C. Newton	15	987
11. Charlie Cook	13	747
12. W. G. Brown	10	712 1/2

Central Y.M.C.A. will hold their first twilight athletic meet atVarsity Stadium tonight, and the events will be 120 yd. shot, 1/2 mile walk and 50 yards dash, open to any amateur in the city.

The feature event will be the relay race between Central and West End Y.M.C.A. Business Boy Clubs. The events will begin at 6.45, and the public are cordially invited.

GUARD AGAINST SPRING CHILLS

Everyone is a bit run-down and weakened at this time of the year—the vitality of the system is at its lowest ebb.

Brace up and guard against chills and spring colds by taking

GOLD LABEL OLD STOCK ALE
SPECIAL EXTRA MILD ALE

Their mildly stimulating and body-building qualities give the system strength to resist inclement weather and sudden changes. See that you get O'Keefe's, for their sparkling purity and delightful flavor as well as for their healthfulness.

SLOW WORK ON HEAVY TRACK AT WOODBINE

Seagram Platers Breeze an Easy Mile—Hennessy Horses Arrive.

The track was somewhat heavy and sloppy, and there was very little doing yesterday at Woodbine Park. However, there should be some extra good work today with improved weather conditions. Henry M. Daniel left last night for New York, and will be away for a few days.

The only platers to work yesterday were part of the Seagram string. Fred and Melrose and Dark Rosaleen were wired together, and went an easy mile in 1:51 1-5. Rustling and Furlan Lee worked a nice mile in 1:50 3-5 under wraps. Ypsilon and Sir Lancelot were wired 1/2 in :53 2-5.

Southern Maid, 1/2 in 1:19 1-5; Dr. Nest, 1/2 in 1:20 2-5; Fountain Fay, mile easy in 1:47 4-5; First Sight, Calgary and Royal worked together a mile at a two-

minute clip. Gold Bud breezed a mile quite handy in the middle of the track in 1:33; Roguish, 1/2 in 1:22 1-5.

It was reported that Mausolus had pulled up lame. If so this is very unfortunate for John Nixon, his trainer, who has been most careful in giving him his preparation.

From the Dymond Stable, Tippecanoe and Christlawa were worked together 1/2 in easy fashion in 1:19. The fractional time: 1/4 in :24 2-5; 1/2 in :52 2-5, and 3/4 in 1:19. Beaulac and Mail Order breezed 1/2 in 51 1-5. Jack Morgan and Kelton 1/2 in 55. Lady Curzon and John Thompson 1/2 in 51 3-5.

Yorkville, from the Hitchings barn, was worked 1/2 in 1:18 under wraps.

While Martin got in yesterday morning from Havre de Grace with W. Hennessy's string. They are Our Mabelle, Syzack, Diamond Cluster, Howard Lago and Cobourg Belle.

Sea Lorde and Vastato were sent 1 1/4 miles in 2:04 2-5. The mile in 1:51 time.

Stucco, 1/2 in :50 4-5 easy; Dynamite, 1/2 in 1:22; J. H. Houghton, 1/2 in :52; Capt. Ben and Sir L. Joe 1/2 in :55. Floral Park 1/2 in 1:07. Tom Seyers 1/2 in :52 2-5. Starmore in :56. Fair Fox 1/2 in :40.

Hotel Krausmann, Ladies and Gentlemen's grill, with music, imported German Beers, Pianic State in Krausmann. Open till 12 p.m. Corner Church and King Streets Toronto.

CENTENARIAN DEAD.
ST. JOHN, N. B., May 11.—Mrs. Elizabeth Dunham died at her home here today, in her 102nd year.

during the three days, and besides this a purchase event with money and prizes to the value of \$400. Five sets of Molian traps will be used. Finest shooting grounds in Canada. Write W. J. McCance, St. Thomas, Ont., for program.

NEW MOTORCYCLE CLUB.
A movement which had its inception several months ago, having for its object the organization of a new motorcycle club, has now taken definite form, and details will be given out shortly. It will be composed chiefly of gentlemen who have hitherto not been allied to any of the existing motorcycle institutions, and as previously announced will be known as the Toronto Indians. Its chief endeavor is to bring within its folds motorcyclists who have up to the present not thrown in their lot with any motorcycle organization, while present members of any existing organization will be more than heartily welcomed. The object of the club shall be to promote, engage in, or advance any undertaking or enterprise of interest to motorcyclists, and to further social intercourse and good fellowship among motorcycle riders. A meeting will be called shortly, when a motorcycleist interested is earnestly requested to attend. Any further information may be obtained by communicating with W. E. Gilmore, Marlborough Apartments, Jarvis street, secretary pro-tem.

INTERNATIONAL TARGET SHOOT.
ST. THOMAS, May 11.—The grand international target shoot of the St. Thomas Gun Club will be held on June 2, 3 and 4. Five hundred dollars in cash will be given away in the regular events, consisting of ten twenty-target events each day. Ten dollars added to each event and fifty dollars a day in high average money and fifty dollars to each event, making a total in all of \$500. Three high average prizes will be given to the ladies shooting thru the regular events for the three days. Solid gold medal for the longest run

LEAFS WIN THE BATTLE

LEAFS WIN THE BATTLE

Dunn's High-Priced Athletes Were Beaten Two to One in Great Struggle - Ex-Giant Kelly a Good Pinch Hitter.

Some day the International League managers are going to drop to the fact that southside having no terrors any more for the Kelly Stagers, Jack Dunn and his high-priced hired help dropped into town yesterday.

NEWS FROM THE CITY HALL

TORONTO JAIL TO BE ABANDONED

New Police Administration Building Result of Controllers' Action.

TO COST HALF MILLION

Prisoners Will Be Divided Between Jail Farms and Detention Home.

Complete abolition of Toronto Jail. Carrying for its women prisoners on the women's industrial farm; men prisoners on the men's industrial farm, and insane prisoners at a detention home.

Centralization of the Toronto police system in a new administration building to cost from \$350,000 to \$500,000.

These are to be the results of the board of control's action yesterday, following the government inspector's condemnation of Toronto Jail, and all will be realized before Nov. 1, 1915.

By the police administration building the Toronto police force will be the first city in North America, excluding New York, to have such a system.

The police courts, women and juvenile courts, detective and police department offices are to be taken from the city hall and placed in it. This will relieve serious shortage of office space in the city hall.

Besides police offices and courts, the administration building will provide for detention cells, where prisoners on remand, or awaiting trial, will be kept.

The building will be placed on either Court street or Agnes street station sites. Its character will be determined by the report of Controller O'Neill and McCarthy and Dr. Bruce Smith on the New York administration building. They go there on Friday to inspect it, and will report at once.

Conditions are also due to change in Toronto Jail before its abandonment. Twenty insane inmates will be taken from it to the detention home next week.

At the latest, forty of its men prisoners can be accommodated at the men's farm, and twenty-five women at the women's industrial farm by July 1.

Unlock the Cells. In his report, the government inspector condemned the jail as a "fire-trap" so from now on the cell doors will be left unlocked at night, with only the gallery or corridor doors locked, even if more guards are needed.

By selling the jail property at Riverdale, sufficient money will be realized, the controllers hope, to bear the major portion of the cost of the new police administration building.

NO PUBLIC GOLF COURSE FOR HIGH PARK

Parks Committee Throws Out Recommendation of Commissioner Chambers.

Possibility of a public golf course in High Park was killed yesterday by the parks committee, when, on a vote of 5 to 2, they threw out the recommendation of the commissioner that such be established. He recommended that since there was space in the park comparatively secluded, and funds were available, the course be opened. It would cost \$150,000 and a charge of ten cents each game could be levied.

CITY SINKING FUND IN GOOD CONDITION

Expert Accountant so Pronounces After Making Investigation.

Toronto's sinking fund, the foundation of its financial system, is sound, according to the report of an expert accountant, Thomas Bradshaw, appointed to investigate it, and the statement for the year ending December, 1912, has been entirely verified.

He shows the securities and moneys in the city's sinking fund on Dec. 31, 1912, to be as follows:

- (1) For general consolidated debt, Toronto.
(2) For general debt, Parkdale.
(3) For local improvement debt (B. S.), Toronto.
(4) For local improvement debt (C. S.), Toronto.
(5) For street railway pavement debt, Toronto.
(6) For local improvement debt, Parkdale.
(7) For Glen road bridge debt, Township of York.
(8) For local improvement debt, East Toronto.
(9) Globe factory debt, East Toronto.
(10) For local improvement debt (B. S.), West Toronto.

"I found that, as of Dec. 31, 1912, after taking into consideration the securities sold and repaid in 1912, and heretofore referred to, the sinking fund held securities of a par value of \$9,109,072.88, and had on deposit in various banks, cash amounting to \$2,157,291.22, making in all \$11,266,364.10, and that these amounts agreed with the investments and cash at the credit of the sinking funds accounts in the city ledgers, and as set forth in the printed official statement of the city-treasurer."

DISCUSS WATER RATES AT SPECIAL SESSION

Proposed Increase Will Be Warmly Opposed by Some Members of Council.

Increased water rates! That is what the council in special session tomorrow afternoon at 2:30 will discuss, and indications are for a debate that will wax more than lukewarm. The board of control has recommended an increased scale that some members of council, including Ald. Singer, do not approve of.

Ald. Singer's argument is that instead of meeting shortages in the water account by increasing the rates, the needed money should come from taxation. He considers it unfair to make the people pay in the future for old debts.

At the meeting the consolidation of local improvement bylaws totaling \$2,700,000 will be taken up also.

ALL HYDRO LETTERS TO BE PRODUCED.

All correspondence between the Provincial and Toronto Hydro-Commissioners has been asked to be produced at the next meeting of the city council. Controller Simpson made the request. The papers may be brought down at tomorrow's meeting, but it is more than likely they will not be read until the next regular meeting next week.

NEW ARCHITECT MONDAY.

W. W. Pearce, the new head of the city architect's department, will take office on Monday morning next, according to information he received from the mayor.

NEAT LITTLE WAY TO DEFRAUD CITY

Send in Unsigned Cheques and Secure Discount on Water Rates.

By a system of cheque manipulating that shows thorough knowledge of business technicalities at least one hundred Toronto ratepayers are avoiding prompt payment of water rates. Yesterday alone fifty unsigned cheques were received thru the mails that, because of the manner in which they were made out, will give the holders six or eight days longer to take advantage of the discounts offered. This number is only for one day; many more have been received at the city hall.

The way the rules of honest business are manipulated is as follows: A man will date his cheque so as to come just within the discount time limit. But he "forgets" to sign it and by the time the mistake is discovered at the city hall, the sender notified, the cheque returned to him and again sent to the city hall five or six, perhaps eight, days will have elapsed. Still the sender is eligible for the cash discount because his cheque was dated before the limit expired and before his error is corrected he has had time to get money to meet the water bill.

There is another ingenious scheme employed by some people. It is to make out the cheque for slightly more than the amount of the bill. Of course this cheque must also be returned and corrected, with the same result. The sender is still able to take advantage of the discount the time limit has expired before the city actually receives the proper cheque.

The practice is quite within the civil if not the moral law.

BALTIMORE HAS 3 IMHOFF TANKS

But Results Will Not Be Known for Several Weeks.

First it was Atlanta alone, later Philadelphia and Worcester were included, and now, at the last minute report from the city council near, floating in Baltimore is the idea of a big Imhoff sewage disposal plant of the very kind they are going away south to Atlanta to see, or smell, Ald. Maguire sprang the question in the members' room, and at a babel of voices, led by Ald. McBride, was quickly passed. There was no Imhoff plant in Baltimore, Ald. Maguire was sure there was.

A trip to Baltimore to see the city so much as the \$300,000 plant to Atlanta. To find if this saving device is responsible, the mayor's office had sent the Baltimore correspondent to investigate, and last night received this despatch:

"Three Imhoff tanks are now being installed here in an attempt to kill odors from the system already in use is responsible. The work will be done before the results, good or bad, of the Imhoff system will be known."

From this it is apparent Morley avenue people have fellow-sufferers in Baltimore, and these other places.

And all the time not one word has been heard of a little visit to the new sewage disposal plant near Washington, where a system similar to the Imhoff was opened last week.

ALDERMEN LEAVE SOON To Visit Sewage Disposal Plants at Atlanta and Other Places.

"People's-Railway" Being Equipped With "Safety First" Device. (Special Correspondence.)

MONDAY, N. B., May 11.—Electric automatic block signals are being installed at various points on the I. C. R., in connection with the "Safety First" movement, inaugurated by General Manager Gutelius, on the Canadian Government railways. The new signals are being placed at various points on the I. C. R., where the extra passenger traffic calls for greater vigilance and for the greater protection of trains. The main points where this safety system is being installed are between Moncton and Paines Junction; between St. John and Hampton, and between Halifax and Windsor Junction, three sections of road on which there is considerable suburban traffic, in addition to the through train service. The new electric automatic signal system is composed of a series of apparatus erected a mile apart, operated by electricity when a train moves from one block to the next. A signaling train under this system sets the signals behind it at danger, and they remain in that position until the train has entered the next block, where the operation is repeated. All the sections upon which this system is installed, with the exception between Coldbrook and Hampton. In the installation of the new safety first device, the management of the I. C. R. are giving another demonstration of their aim to place the "People's Railway" on a basis with the best railroads in the world. By July 1 it is expected that the work of installing the system will be completed.

FAILURES IN U.S.

Commercial failures last week in the United States were 224, against 274 for the corresponding week last year.

MINING MARKET IS BROADENING

Big Dome, Timiskaming, McIntyre and Pete Lake Feature Strength.

The mining market was strong yesterday, and broadened out, covering almost the entire list.

Peterson Lake was strong, selling up to 49 1/2, and closing firm. Wednesday will be the last day Peterson can be bought to receive the dividend.

Chambers-Perland sold at 18 1/2 and 16. Chambers just shipped another car of high grade, and the stock looks very cheap at present prices.

The new shaft at the Chambers-Perland mine has been completed to a depth of 42 feet.

There has been developed on the 75-foot level of the Teck-Hughes property at Kirkland Lake about 120 feet of ore of a general average value of about \$45.

It is estimated now that the gold production of Porcupine for 1914 will be over seven million dollars.

It is positively stated that the lake will be drained in August or September by the Kirkland Lake Mining Company.

The Seneca-Superior silver mines has declared the usual dividend of 10 per cent, and a bonus of 2 1/2 per cent, payable June 15.

CHICAGO, May 11.—James A. Patten says that so far as he was able to discover the usual dividend of 10 per cent, and a bonus of 2 1/2 per cent, payable June 15.

WINNING BANK CLEARINGS SHOW A VERY SUBSTANTIAL COMPENSATIVE DEFICIT. Money is plentiful, but dear, and people are slow to take up loans.

LOOKS BETTER. Dun & Company state: There is an improved sentiment in commercial and industrial channels in the United States, even the actual progress is slow.

DECREASED CLEARINGS. Winnipeg bank clearings show a very substantial comparative deficit. Money is plentiful, but dear, and people are slow to take up loans.

BIG DECREASE IN STOCK OF WHEAT

News of Sudden Shrinkage Stiffened Prices in Chicago Market.

CHICAGO, May 11.—Rapidly decreasing stocks, both foreign and domestic, have the wheat-hand to the buying side in wheat today.

Wheat prices jumped to the highest after figures had been posted showing that the visible supply in the United States had fallen off more than 5,000,000 bushels in a week, and had gone a long way under the total at the corresponding time a year ago.

Provisions went lower with hogs, but hedges bought on the break. A rally was the result.

ST. LAWRENCE MARKET. Receipts of farm produce on the street market were six loads of hay and one load of straw.

CHICAGO CATTLE MARKET. Receipts of live stock at the Union Stock Yards yesterday were 142 carloads, comprising 2900 cattle, 1006 hogs, 90 sheep, 231 calves and 24 horses.

CHICAGO SUGAR MARKET. Sugars are quoted in Toronto, in bags, per cwt., as follows:

CATTLE MARKET PRICES EASIER

Sheep, Lambs and Calves Were Firm - Hogs Lower.

The receipts of live stock at the Union Stock Yards yesterday were 142 carloads, comprising 2900 cattle, 1006 hogs, 90 sheep, 231 calves and 24 horses.

CHICAGO CATTLE MARKET. Receipts of live stock at the Union Stock Yards yesterday were 142 carloads, comprising 2900 cattle, 1006 hogs, 90 sheep, 231 calves and 24 horses.
