Will Inaugurate Their New Castle

Pythian Body Hold Series of Special Exercises During the Week

The Pythian body in St. John will inaugurate their new Castle, Union street, formerly the Congregational church, with a series of special exercises this week—a chain of events comprising the purposes of the Order and giving some idea to the people the principles for which they stand.

Dedicatory Proceedings. On Tuesday evening the main auditorium of the Castle will be the scene of dedicatory proceedings. The address of dedication will be delivered by Grand Chancellor Cochrane, of Sydney, N. B., head of the Order in the Maritime Provincial domain.

On Wednesday evening the proceedings will be ritualistic and confined to Pythians. The main upstairs floor will be employed for the celebration of the rank of Knighthood, the final degree in which Esquires win their golden spurs.

On Thursday evening—a break in the whirl of celebration—a business session having to do with the organization of the Pythian Castle Co., Limited, will be held at which bylaws will be adopted and other necessary legal formalities gone through with.

On Friday evening the week will be concluded with a grand social evening and get-together of Pythians and their ladies, in tribute to the ladies.

MEMORIAL PULPIT AND TABLE PRESENTED BY SONS OF ENGLAND

Impressive Service Conducted at St. Mary's Church—Dedicatory Sermon Preached by His Lordship Bishop of Fredericton—Splendid Musical Programme

It was a most impressive service, as well as one calling up sad memories, conducted at St. Mary's church, yesterday afternoon, Rev. R. Taylor McKinnon, rector, with the Sons of England, church members and friends.

Lives Not Thrown Away. Turning to the text he continued: "The souls of the righteous are the hands of God. Then those brave young men were not in vain. To each one there has come a rich reward."

He said: "Who among us would hesitate to say with full confidence of faith of those whose deeds we here commemorate, that this reward, at least, was theirs? They walked the path of duty; they won their path upward, and prevailed, none more surely than they must have found even though they did not recognize the mountain top on which they stood."

Relay on Christ's Word. "We stand before the mortal remains of one who was all the world to us. We plead for one word only to break the mortal silence, but that word does not come."

All Will Meet Again. "You will meet your friends again. In the power of the resurrection you will meet once more.

The Challenge to Us. "The occasion has its challenge for us all, for if it speaks of those who died upon the field of honor, it speaks also to us for whom they died."

Must Face Problems. "Ask yourselves once more of the spirit with which the problem of reconstruction must be taken up. The answer is ready to our hands. It is here in that example of those to whom this tablet has been erected, and in whose honor we are here. Like them we must see a vision; like them we must hear a call; like them we must surrender ourselves without stint and without reserve."

Girls In Charge Of Church Service

Canadian Girls in Training at Germain Street Baptist—Rev. S. S. Poole Preached

The interest and enthusiasm, which young people may infuse into church life was strikingly illustrated last evening when the evening service at Germain street Baptist church was taken charge of by the Canadian Girls in training groups of that congregation.

Special Address. The special address was given by the pastor, Rev. S. S. Poole, who took as his subject, "And God Said," pointing out how many times in the Bible God is recorded as speaking to individuals and describing the different ways in which His commands were received.

First Church Buried. The present Methodist church building dates from 1885 when the congregation erected the present structure over the ashes of the previous church destroyed by fire just on the eve of its completion.

Cases Heard In The Police Court

In the police court Saturday Herbert Humphreys pleaded guilty to drunkenness and not guilty to assaulting Mrs. Julia Zetter.

A case against Augustus Waters, charged with obtaining goods under false pretences from the Colonial Hide Company, was resumed. Robert M. Somerville, a ledger keeper at the bank of Nova Scotia, today was accused as committed for trial.

LONE DRUNK ARRESTED. A lone drunk was arrested in the early hours of morning and spent the night in the local police station.

ANNUAL MOTHERS' DAY. The Boys' Work Division of the St. John Y. M. C. A. will hold its annual Mothers' Day Reception on Thursday of this week from 3 to 5.30 o'clock.

To Cure a Cold in One Day. Take Grove's LAXATIVE BROOM QUITINE tablets. The genuine Broom QUITINE tablets, the signature of E. V. Grove, 96c.

Anniversary Commemorated

Large Congregations at 26th Anniversary Services of Fairville Methodist Church

The twenty-sixth anniversary of the erection of the present Methodist church in Fairville was fittingly commemorated by the congregation and friends with appropriate services yesterday morning and evening.

Rev. Canon Kuhring at Stone. Rev. Canon Kuhring, of Stone, preached feelingly on the death of James F. Robertson.

Chapter of Patriotism. The chapter on Patriotism is an open one. Every object worthy of a claim met with a rich response. He loved the flag, his King and his interest in the sailors and soldiers was evidenced by his gifts and his presence at their gatherings, even at great personal inconvenience.

Love of Nature. The record of his life would not be complete without its chapter on "His Love of Nature." Like all great men, he was intensely human and loved his recreation. The very simplicity of the forms of his pleasures showed him to be of the same spirit as Peter and Van Dyke.

Label Suit For Thursday Next. The libel suit of W. H. Knox against the local executive of the N. B. Temperance Alliance is set down on the docket of the Circuit Court for hearing on Thursday next.

Case of W. H. Knox Against Local Executive of N. B. Temperance Alliance.

BOYS' SUNDAY MORNING MEETING. Twenty-three boys were present at the Y. M. C. A. for the regular Sunday morning meeting. N. McEwen, Boys' Work Secretary, gave the first of a series of talks "Boys' Debt" taking as his subject "What a Boy Owes His Home." Jack Bond was the pianist.

St. John's Nid, Jan. 14—Lumbering interests here announce that they find it impossible to secure full complements of men for the winter's operations.

Was Valued Member Of St. John's Church

Rev. Canon Kuhring at Stone Preached Feelingly on Death of James F. Robertson

At St. John's (Stone) Church, of which the late James F. Robertson was a most valued member, the following sermon was preached yesterday morning by the rector, the Rev. Canon Kuhring.

Life Completed Story. It is granted to few men to see the success of all their labors; and his life is a completed story with its various chapters, at the end of which could be written with satisfaction and conviction the simple word "Final."

When on my day of life the night is falling. And in the winds from unsummed hear far voices out of darkness calling. My feet to paths unknown.

When on my day of life the night is falling. And in the winds from unsummed hear far voices out of darkness calling. My feet to paths unknown.

Send in your Entry Blank TODAY. Although active voting in the Contest does not begin until Jan. 32nd, votes will be issued on subscriptions secured before that date. Receipt Books will be ready at the Contest Department of The Standard, and there is nothing to prevent you from getting a runaway start while others are making up their minds as to whether they will enter or not.

Send in your Entry Blank at once, and get in your order for receipt books and other supplies. Then phone or write all of your friends whom you cannot personally call on. Tell them that you are going to enter the competition and that you would appreciate their support.

Do not wait until the first vote period is nearly over before making your start. The early start is half the battle.

NOT LUCK! NOT CHANCE! EFFORT ALONE WILL WIN THE PRIZES!

#### The Object of the Prize Contest

The object of this big undertaking is to secure new prepaid subscribers to The Morning and Semi-Weekly Standard; also to secure renewals, and collections of back subscription accounts, and while doing this to ascertain who are the most ambitious, persevering and determined men and women of this section of Canada. It costs nothing to participate in the competition. We furnish valuable prizes, while you furnish the new subscribers, renewals or collections in your spare moments.

#### The Districts

The territory covered by The Standard has been divided into two districts to equalize the distribution of the prizes, as follows:

**DISTRICT NO. 1—**Comprises all territory within the city limits of Greater St. John, including all suburbs and sub-divisions.

**DISTRICT NO. 2—**Comprises all territory outside the city limits of Greater St. John.

NOTE:—Candidates are not confined to their own districts in securing votes or subscriptions—these may be secured anywhere by any of the candidates or their friends.

#### An Early Start for Winners

One of the outstanding features of a short competition of this kind is that the early entrants usually carry off the big prizes. The deciding vote schedule will also undoubtedly give the "early birds" an advantageous lead over those entering later.

AN EARLY START IS HALF THE BATTLE. ENROLL TODAY. THE CONTEST ONLY LASTS A FEW SHORT WEEKS.

#### There Will Be No Losers

To each and every active candidate who works up to the close of the contest and does not win one of the valuable prizes, we will give ten per cent on all subscription money which he or she has personally collected, provided the amount turned in by said active candidate exceeds the sum of \$25. There will, under this plan, be no losers. Every candidate who has earnestly made an effort to win one of the costly prizes will get something for his or her efforts.

EXPECT GERMAN BAYONETS WILL END THE REDS

Russian Exiles Believe Hun Will be Instrument to Trim Bolsheviks.

By S. B. CONGER. (Copyright, 1922, by Public Ledger.) Berlin, Jan. 16.—Russian exiles of a certain stamp, typified by Alexander Guchkov, formerly of the Octoberist party and chairman of the Russian war purchasing organization during the war, now count upon German bayonets as the most likely weapon by which the Bolshevik regime may be overthrown.

They have, indeed, not the slightest expectation that the Entente will approve the proposals of General Ludendorff and Hoffman to form a national army of liberation, to invade Russia and crush the Soviets at Moscow, Petrograd and Leningrad.

Such are the thin threads on which hang the hopes of Russianists hitherto regarded as intelligent, of busting the head of the Bolsheviks.

Would Be Easy Prey. He looks for news of the outrages and pillage which accompany a Bolshevik appearance to arouse German and for the Red armies to become as demoralized as the forces of lost in eastern Germany as to be an easy prey for the popular army, which some German commander will stamp out from the ground to defend the fatherland.

AND FURTHER TAKE NOTICE that you are required within thirty days after the date of the said Notice to cause an Appearance to be entered by you in the said action if you intend to defend the same, and that in default of your so doing the Plaintiff may proceed to the trial and judgment may be given against you in your absence.

### Bishop Richardson Preached At Trinity

### Andrew Stevens' Residence Burned With Contents Late Saturday Night.

At the services last evening in the Trinity church, Bishop Richardson delivered a very eloquent address on the subject, "My Promises Have Been Broken." In his course the bishop generally spoke in regard to most parts of the Bible as it reasonably sets and quite legitimate to isolate and discuss any particular passage without close reference to its surroundings. He referred to the serious and crushing disasters which fall upon Job in quick succession and in the midst of them Job had refused to curse his Saviour. On the other hand believing that sin is always punished and righteousness rewarded either in this world or in the next, he was resigned to the disasters that were thrust upon him. Job had been a man of wealth, power and ambition, but notwithstanding that he had lost almost everything he remained true to God and cried "Have pity on me, O Lord." The example of Job must well be followed in life when our expectations, promises and ideals seem to have disappeared.

The speaker pointed out the different changes which time has brought about. Gladstone, for instance, had once defended slavery by Biblical quotations, persecution had been upheld, and labor had been considered as a commodity only. The attitude of the people on these points had changed, and while some people talked about making the world safe for democracy, it possibly might be well to think also of the question of making democracy safe for the world.

In conclusion, Bishop Richardson stated that when our promises, ideals and expectations had not come true, we should turn to God, where we would find comfort that no worldly gift would give.

The music and singing were excellent and among the hymns sung were "Jesus Shall Reign," "As With Gladness Men of Old," "Hark the Sound of Holy Voices," and "Saviour Again to Thy Dear Name We Rise." The pastor, Canon Armstrong, conducted the services.

### Light Snow Fall Turned to Rain

### Saturday Morning Velocity of Gale Was Forty Miles Highest Temperature 46.

The light snow which began to fall Friday afternoon, was followed by a heavy fall of rain, which continued through the night and until nine o'clock next morning. Little vestige was left of the snow which has afforded good sleighing in the city for a period of several weeks. On all sides it was replaced by bare pavement or ground. The total precipitation amounted to 1.16 inches.

During Friday and early Saturday morning a moderate gale blew from the southwest, gradually shifting to the southeast. Its extreme velocity did not exceed forty miles per hour.

The weather was very mild both on Saturday and Sunday. The highest temperature registered on Saturday was 46 degrees, the lowest, 34. On Sunday 38 degrees was the high mark, and 28 the low.

The weather being experienced this January is in decided contrast to that of last year when for the first fifteen days of the month the highest temperature reached was 10 degrees, and the lowest 4 below. On the 15th of the month the highest temperature was 11 above, and the lowest 2 above.

Fourteen days of zero weather were experienced. The last day of the month marked the coldest day, and the coldest day of the winter. The mercury that day moved from 19 degrees above to 17 degrees below zero. The weather to date this month has been decidedly milder.

### Narrowly Escaped Being Suffocated

### Michael Isaac, His Wife and Three Children Made Ill by Escaping Gas.

Michael Isaac, his wife and three children, narrowly escaped being suffocated by gas fumes in their home, 39 Winter street, early Sunday morning. The family all awakened suffering from violent pains, nausea and headache. The gas fumes were quite heavy but could not be accounted for as there is no gas connection in the building.

It was later discovered that there was a gas connection in Smith's shoe repair shop below. It had not been used for several years, but the stopcock had been accidentally opened, and the gas gradually found its way to the flat above. Fortunately it was discovered in time to avert several fatalities.

Dr. H. S. McDonald was summoned to attend the Isaac family, all of whom had become violently ill from the escaping fumes. They were reported to be recovering rapidly last evening.

R. H. Parsons, Vice-Chairman of the St. John's Boys' Work Board, presided, and introduced the speaker of the evening, Mr. Robert Reid. Mr. Reid's subject was "Personality" and he dealt with it in his usual genial manner.

A hearty vote of thanks was given for the ladies of the Waterloo Street Church, and also to Mr. Reid for the part taken in the evening's entertainment.

The boys then adjourned to the gym floor and took part in Relay's on the track and floor under the direction of Mr. Nelson F. McEwen and Mr. Herbert A. Morton.

In the Intermediate Relays (teams of eleven or more) Portland and St. Bartholomew's each scored 5 points. In the Minor Relays (teams of six or more) Central secured 10 points and Germain Street 8.

Swimming events were also staged in the natatorium, and in these St. David's scored 10 points, Central Baptist scored 10, and Portland and Central Methodist 2 each. Several boys completed part of the requirements for the Trail Rangers Swimming Badge.

### Special Service At St. Luke's Church

A special missionary service was held at St. Luke's church last evening when the congregation was instructed by two laymen, Roland Frith and Horace Porter. Mr. Frith's address dwelt on the fact that faith without works is dead, and giving statistics, he emphasized Christian needs.

Missionary hymns were sung. The entire service was bright and was heartily entered into by the large congregation.
