COUNCIL MEETING ON TUESDAY EVENING

Water and Sewerage Matters
Business Before Meeting
Again to the Front.—Little

A meeting of the Town Council was
held on Tuesday evening in the Coun-
cil Chambers. His Worship Mayor
Andrew presiding. There were also
present Councillors McLean, Ellis-
worth, Quinn, Goss and Alexander.
The minutes of the previous meet-
ing were read and confirmed.
Communication read from Mr.
Archd. McKenzie relative to a previous
letter to the Council with regard to
banking on Union Terrace. This was
referred to Assessment and Appeal
Committee.
Communication read from Mr. W.
A. Trueman asking refund of poll tax
paid in error for years 1911 to 1913.
Referred to Assessment and Appeal
Committee.
Communication read from Miss Min-
nie H. Adams and Mr. Charles A.
Adams with regard to over-assessment
on their lands. Referred to Assess-
ment and Appeals Committee.
Communication read from Mr. Don-
ald McBeath, addressed to Councillor
Ellsworth, with regard to sidewalk
crossings on Roseberry St., and
referred to public property and streets
Committee.
The following reports recommend-
ing payment of accounts were on mo-
tion received and adopted:
Public Property and Streets \$29.97
Fire Protection 57.75
Water and Sewerage 109.57
Finance 16.72
His Worship brought up the matter
of the Patriotic Fund, reading the let-
ters received from the Lieut. Govern-
or, and also the secretary of the
Fund in Ottawa, giving all particulars
of the working of the scheme. After
discussion by the Council, it was de-
cided to call a public meeting some
time after the County Council meet-
ing, which will be held next Tuesday
in Dalhousie.
The Town Solicitor presented an
agreement between the town and the
T. C. R. authorities regarding the new
water main laid down by the railway
people. This was held over till next
meeting, to get if possible, the origi-
nal agreement sent by the solicitor to
the railway authorities.
Councillor Alexander brought up the
matter of the play, played by the
Water and Sewerage Department with
regard to the streets, taking exception
to the remarks made at last meeting
of the Council with regard to the time
openings were left in streets and their
condition after refilling. He stated
that the work in Prince William
Street has been done as expeditiously
as any where else, and he had not
heard of any auto having an axle
broken going over the spot. With re-
gard to Gerrard Street the department
was not to blame as this work was
done by the contractor, Mr. D. A.
Stewart. In reply to Councillor Alex-
ander, Councillor McLean said that he
could not vouch for the remark about
the breaking of the auto axle, but he
had been informed so, nevertheless
he was still of opinion that the street
could have been finished much better.
The discussion then became general
with regard to streets in the town and
the matter dropped.
Councillor Alexander stated that he
intended being in Dalhousie on Tues-
day to attend the County Council
meeting, and asked if the council had
any special instructions regarding the
Patriotic Fund. The matter was left
in Councillor Alexander's hands, and
the Council adjourned.

London, Sept. 22nd.—Continuous
fighting day and night has resulted in
the British and French pushing back
von Kluck's army seven miles in the
last forty eight hours and the French
gain appreciably between Rheims and
Argonne. Siege conditions now
practically prevail with sorties back
and forth and German counter attacks
have been invariably repulsed. Rus-
sians capture town which means that
Gen Danklins army is surrounded.
Thirty two Lieut. Colonels, 85 Majors
and 246 Captains of British army on
casualty list. Some of missing have
been heard from in German hospitals.
Paris, Sept. 21.—The following of-
ficial announcement was given out in
Paris today:
"First: On our left wing, on the
right bank of the River Oise, we have
advanced as far as the heights of
Lassigny, west of Noyon. To the east
of the Oise and to the north of the
River Aisne, the Germans have given
evidence of a recrudescence of activity.
"In the region of Craonne there
have been violent encounters, which
did not stop short of bayonet charges.
The enemy has been everywhere re-
pulsed, with considerable losses. In
the country around Rheims the enemy
has not undertaken any infantry at-
tack, confining himself to artillery
fire, directed against our front, from
heavy guns.
"Second: On the centre, in the
Champagne country and on the west-
ern slopes of the Argonne, an excep-
tion being made of Souain, we have
taken Mesnil-les-Hurlus and
Massiges.

GERMANS BEING FORCED SLOWLY BACK TO FRONTIER

Meagre Details Reach Here of the Operations Against
the Right Flank of the German Army Which
is Said to be Giving Way.

ITALIAN VOLUNTEERS FOR FRONT

(Special to the Graphic)
Paris, Sept. 24th.—The Ger-
mans in the Aisne are daily giv-
ing a little ground before the
fierce attacks of Anglo-French
forces. On the other hand the
Germans northeast of Verdun
are making an attempt to cut off
French army.

Their success is very doubtful,
and the allies on left and centre
are confident.
Desperate night attacks on
the French centre but they were
repulsed. German reinforce-
ments from Belgium have arriv-
ed.

(Special to the Graphic)
London, Sept. 24th.—While
fierce artillery battle rages along
the entire front the allied forces
push forward against the western
wing and force the Germans
back on the heights in rougher
country. Only meagre details
can be had of the advance in the
North against the right flank of
the enemy, and the operations at
this point constitute a real dan-
ger to the German hosts.

From Petrograd comes the
news that the Russians are with-
in easy reach of Prezmysl, and
are pursuing the fleeing Austrians
with success.

The pressure on the German
right wing must now be severely
felt, as preparations are being
made by German mines and
fortifications in Belgium to pro-
vide for a safe retreat of the
German army.

British aeroplanes today in-
vaded Germany, dropping bombs
on Dusseldorf.

The losses from the sinking of
the three cruisers in the North
Sea is given out at 1200.

London, Sept. 24th.—Despat-
ches from Lyons, state that 5000
Italian volunteers under General
Garibaldi have received their
"Red Shirt" uniforms and are
leaving for an unknown destina-
tion. It is presumed to meet the
Germans.

MR. J. KIERSTEAD ACCIDENTALLY DROWNED

St. John Man Well-Known Here
is Seized With Cramp While
Bathing Saturday Afternoon

The community was saddened on
Sunday by the news that slowly gained
currency that Mr. J. Kierstead of
St. John had been drowned while bath-
ing at Lakeside on Saturday after-
noon. Mr. Kierstead and Fred A.
Chipman, the 15-year-old son of Mr.
A. H. Chipman, had gone out duck
shooting, but failed to find any game.
At Darling's Island Mr. Kierstead,
who had poled their craft all the way,
suggested a swim. Master Chipman,
decided the water was too cold, and
Mr. Kierstead went in alone. He had
been in the water but a few minutes
when he suddenly vanished from sight.
Master Chipman did not see him go
down, but realizing in a moment what
had happened, he pushed the boat
from the bank to where he had last
seen the swimmer, and jumping in
managed to locate the body in six
feet of water. He brought it ashore
and carried it up the beach. For about
five minutes he labored frantically in
an effort to resuscitate, according to
the boy scout fashion. Then he noti-
fied Mr. Prince, who resides on the is-
land about a quarter of a mile from
the scene of the catastrophe. The two
together worked with the body for
fifteen or twenty minutes without
avail. Later medical aid was summon-
ed, but Dr. Ryan found all efforts at
resuscitation unavailing and the body
was taken home.

Mr. Kierstead was 46 years of age.
The son of Henry Kierstead, he was
born at Cole's Island, Queens county,
and graduated from Acadia Univer-
sity. A few years later he was or-
dained to the Baptist ministry and
held pastorates at Campbellton and
Oxford, N. S., and afterwards at Tab-
ernacle church St. John. His health com-
pelled him to give up the work. The
year following his resignation he was
elected elderman for Prince ward and
in the provincial election of 1912 he
ran on the Liberal ticket. During this
time he was making his living in the
insurance and real estate business.
Two years ago the firm of Kierstead
& Mercereau was instituted and en-
gaged in the fox ranching and promo-
tion business. Mr. Kierstead leaves to
mourn his wife and five small children
—two boys and three girls, the eldest
of whom is only eleven years. They
live in order: Florence, Helen, Lor-
mer, Rosalie and Walter. He was
married twice. His second wife was
Miss Nellie Williams. He also leaves
two brothers, Isaac Freeman Kier-
stead, for nine years missionary in
South Africa, now on a visit home,
and Isaac H. Kierstead, of Berwick,
Kings county. There is one sister,
Mrs. Louis French, of Hampton. He
was an active temperance worker and
was a member of many organizations
and was generally well liked.

(Special to the Graphic).
London, Sept. 24th.—Further
successes of armies of Allies,
which are attempting to turn
German right wing are claimed
in an official announcement issued
at Paris this afternoon. It is
stated that the allies western
wing has advanced considerably
and Peronne has been occupied
after a desperate resistance.

Peronne is 75 miles north of Pa-
ris and 25 miles north of Lassig-
ny, in the region of which an
advance by the allies was an-
nounced in yesterday afternoon
official statement. The position
of Peronne indicates a movement
of the allies left wing which is
much farther north than there
may be battle line. Latest re-
ports say 1,067 were saved from
the North Sea engagement viz
505 at Harwich, 220 on British
ships, 308 at Ymindin, 34 at
Lowestoft.

Bucarest, Sept. 24th.—High
official circles today declared that
nounced in yesterday afternoon's
ed to participate in war on the
side of the allies. Military coun-
cil believes that Roumania will
declare war, and will at once pro-
ceed to occupation of Transyl-
vania.

Rome, Sept. 24th.—Triest des-
patch says two Austrian torpedo
boats and one destroyer have
been sunk by striking floating
mines on the Dalmatian coast.

London, Sept. 22.—The British
warships Aboukir, Hogue and
Cressy have been sunk in the
North Sea by submarines accord-
ing to an announcement given
out by the official bureau this
afternoon.

Continuing, the announcement
says a considerable number of
the crews of these vessels were
saved by H. M. S. Lowestoft and
by a division of torpedo boat
destroyers. Trawlers and their
boats also aided in the work of
rescue. The Aboukir was tor-
pedoed first, the Hogue and Cres-
sy drew in close to her and were
standing by to save her crew,
when they also were torpedoed.

ANY DYSEPTIC CAN GET WELL

By Taking "Fruit-a-tives"
Says Capt. Swan

Life is very miserable to those who suffer with Indigestion, Dyspepsia, Sour Stomach and Biliousness. This letter from Captain Swan (one of the best known skippers on the Great Lakes) tells how to get quick relief from Stomach Trouble.

PORT BURWELL, ONT., May 8th, 1913.
"A man has a poor chance of living and enjoying life when he cannot eat. That was what was wrong with me. Loss of appetite and indigestion was brought on by Constipation. I have had trouble with these diseases for years. I lost a great deal of flesh and suffered constantly. For the last couple of years, I have taken 'Fruit-a-tives' and have been so pleased with the results that I have recommended them on many occasions to friends and acquaintances. I am sure that 'Fruit-a-tives' have helped me greatly. By following the diet rules and taking 'Fruit-a-tives' according to directions, any person with Dyspepsia will get benefit."

H. SWAN
"Fruit-a-tives" are sold by all dealers at 50c. a box 6 for \$2.50, or trial size 25c. or sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

DISASTROUS FIRE IN MADAWASKA CO.

Edmundston, Sept. 16.—Yesterday afternoon the village of St. Hillaire, seven miles above Edmundston, was destroyed by a fire. About eighteen buildings were burned, including two hotels and the station of the Temiscouate Railway.

The origin of the fire is not known, but it is believed that children who were playing around lit the fire. The weather being exceptionally dry, and having no water supply at hand, the residents of the village were helpless. Fortunately fire extinguishers from Edmundston were secured on time to stop the flames before the complete destruction of the district. The loss is estimated at \$60,000.

NEW BRIDGE AT END OF INTERNATIONAL

Arrangements Now Complete
For the Connecting Link for
The New Road

(Montreal Gazette)
The International Railway, extending from Campbellton (N. B.), to St. Leonard on the St. John River, a distance of 112 miles, which was built by Thos. Malcolm, has been taken over by the department of railways and will be operated by the Intercolonial. Plans are now completed for the erection of a bridge over the St. John river uniting the New Brunswick shore with the American side at Van Buren, Maine, giving the Campbellton and St. Leonard branch of the I. C. R. direct communication with all of the New England points and giving the shortest possible route from the splendid fishing and tourist points on the Baie des Chaleurs to the port of Boston.

The new bridge, which will cost about \$300,000, will be built by the Van Buren Bridge Company, and controlled by the Bangor and Aroostook Railway Company, whose president, Percy R. Todd, is now at the Windsor. Mr. Todd was formerly with Mr. Chamberlain when the present president of the Grand Trunk Pacific was in charge of the old Canada Atlantic, and he called on his former chief during his stay in the city yesterday. The Van Buren Bridge Co. have taken over the charter formerly owned by Thomas Malcolm, who realized several years ago the importance of the outlet for Canadian trade by building the bridge in question.

It is understood that the financing of the work has already been accomplished and that operations on the structure, which will contain four piers and approaches will be started almost immediately if they are not already under way.

Some time since the Hon. Frank Cochrane, minister of railways and publicly secured authority from parliament to acquire branches of the I. C. R. The International, which runs through a good country, and which has already developed that section very materially, has in consequence come under the operation of the Act in question. The government has, it appears, come to an agreement with Mr. Malcolm as to the price to be paid for the road, but this has to receive the approbation of parliament, consequently, the International will be operated under a lease awaiting the action of parliament the next session.

GENERAL LEADING THE GERMAN RIGHT WING

GENERAL VON KLUCK
General von Kluck is commanding a large army on the extreme German right, now operating in France. It is reported the British are holding his army in their grip.

"PEG O' MY HEART" IS ONE OF THE BEST PLAYS

Patrons of Halifax Academy are
Delighted With the Opening
Production

"Peg O' My Heart," the comedy in three acts, which was presented last evening at the Academy of Music, proved to be one of the most popular plays produced in Halifax for some time, and it is safe to predict a successful run for the company which so delighted the patrons of the Academy last night.

"MICHAEL" WITH "PEG O' MY HEART"

Few actresses have come to this city, who on the opening night have captivated their audience so completely as Miss Marion Dentler. It is seldom that Halifax has to welcome such a perfect actress as Miss Dentler. Not only is she a perfect representation of the unsophisticated Irish lassie, but she has the power to win her audience by her very natural and captivating presentation of a very charming, yet difficult part. Mr. L. York Erskine, as Alaric, the son of Mrs. Chichester, scored a complete success. Mr. Erskine personified the dandy Englishman to perfection, while Mr. Joseph Yanner was equally successful as Brent, the lover of Peggy. The play is one which holds the audience from start to finish. Miss Dentler is the outstanding character in a splendid play. The acting is extremely good and there is not a dull moment from start to finish of a very captivating and interesting three-act play.—Halifax Echo.

This play will be seen here on Wednesday next, Sept. 30th, at the Opera House.

DANCE TONIGHT

(From the Gloucester Northern Light)
Invitations are out for a dance to be held in the new Masonic Hall tonight, Thursday. Dr. O. B. Moore is the secretary named in the invitations, and the chaperons are Mrs. F. J. Galt, Mrs. A. T. Hinton, Mrs. W. J. Kent and Mrs. W. F. Pepper.

The affair is being given by the members of Lodge St. John No. 27, A. F. & A. M. and it is said that nearly 200 invitations have been sent out. The fine new hall where the function will take place is fitted with every convenience, and is probably the best of its kind on the North Shore, and pleasant social affairs from this time forth. The Masons are to be highly commended for their enterprise in providing such a commodious hall, the absence of which has been keenly felt for some time.

OBITUARY

Dalhousie, N. B., Sept. 17th.—The death of Mrs. John Harquail of Dalhousie, occurred at the Hotel Dieu Hospital, Campbellton, on Sunday, 13th inst., after a few months illness. She was eighty-one years of age. She was Miss Louise Doyle of the parish of Durham, Restigouche Co., and resided most of her life time in Dalhousie, where she was highly respected on account of her great hospitality and genial manner with everybody she met. She is survived by two daughters, Mrs. Charles Monks, Dexter, Maine; and three sons, James in the Klondike, Robert and George in the United States. Her late husband, who was a brother of Mr. James Harquail, Dalhousie, predeceased her about twenty-five years ago. He was a very industrious citizen. The funeral of the deceased lady took place on Wednesday, 16th inst., to the R. C. Cemetery, and was largely attended.

Death has again visited New Carlisle on Tuesday, Sept. 15th, and has claimed for its own, one of our respected citizens, in the person of Mr. Farquhar Astles, at the age of 70 years, after a lingering illness borne with uncomplaining patience. He leaves to mourn his loss, a widow, two sons and two daughters. Mrs. John McCallum of Montreal, Mrs. Walter Assels at New Carlisle, Austin of Virginia and Fred at home. The funeral was held on Thursday afternoon at 2 p.m. and was largely attended. Interment was made in the Episcopal Cemetery. A large number turned out to the funeral to pay their last respects to one who was held high in the esteem of all who knew him. Much sympathy to Mrs. Astles and her family in their dark hour of sorrow.

WOMEN FROM 45 to 55 TESTIFY

To the Merit of Lydia E. Pinkham's Vegetable Compound during Change of Life.

Westbrook, Me.—"I was passing through the Change of Life and had pains in my back and side and was so weak I could hardly do my housework. I have taken Lydia E. Pinkham's Vegetable Compound and it has done me a lot of good. I will recommend your medicine to my friends and give you permission to publish my testimonial."—Mrs. LAWRENCE MARTIN, 12 King St., Westbrook, Maine.

Manitou, Wis.—"At the Change of Life I suffered with pains in my back and limbs until I could not stand. I also had night-sweats so that the sheets would be wet. I tried other medicine but got no relief. After taking one bottle of Lydia E. Pinkham's Vegetable Compound I began to improve and I continued its use for six months. The pains left me, the night-sweats and hot flashes grew less, and in one year I was a different woman. I know I have to thank you for my continued good health ever since."—Mrs. M. J. BROWNELL, Manitou, Wis.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled in such cases. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

MARRIAGE

MICHAUD-STEWART

Dalhousie, N. B., Sept. 24th.—The marriage of Edith Alice Matland, daughter of Mr. and Mrs. Mathew Stewart, of St. Omer, P. Q., to Mr. Walter Raymond Michaud, of New York City took place quietly at Glen Cottage, Dalhousie, N. B., Wednesday, Sept. 23rd. The Rev. of St. Mary's Episcopal Church, the Rev. R. J. Coleman, officiating. The bride was the recipient of many handsome presents. Mr. and Mrs. Michaud left on the Ocean Limited for Montreal, en route for New York, their future home. The groom is the grand son of the late Mr. Jos. R. Michaud, who resided for a great many years in Carleton Place, Ontario, and later in Maria. He now fills the position of assistant superintendent of the Canada Seaship Company.

Microbes in Your Scalp

Authorities say that a microbe causes baldness. If you are losing hair try our remedy at our risk.

Professor Unna, of Germany, and Dr. Sabouraud, the great French Dermatologist, claim that a microbe causes baldness, and their theory has been verified by eminent scientists. This microbe destroys the hair follicles, in time causing the scalp pores to close and the scalp to become shiny. Then, it is believed, nothing will revive the growth. If treated before this occurs, baldness may be overcome.

We know of nothing that has given such universal satisfaction in treating the scalp and hair as Rexall's "63" Hair Tonic. It has been designed after long study to overcome the cause of falling hair as discovered by Prof. Unna, Dr. Sabouraud and other scalp and hair specialists, and we believe it will do more than anything else can to remove dandruff and stop falling hair, and if any human agency can promote a new growth of hair it will do that, too.

We want you to make us prove it. We will pay for a month's treatment of Rexall's "63" Hair Tonic used during a trial, if you will use it according to directions, and are not thoroughly satisfied. When we will do this, you surely should not hesitate to at least try it.

Start the treatment today. Your money request will get your money back if you want it. Two sizes, 50c and \$1.00.

You can buy Rexall's "63" Hair Tonic in this community only at our store.

FINAL REVIEW AT VALCARTIER CAMP

Duke of Connaught and Other Notables Watched the March Past

Valcartier Camp, Sept. 20.—On a grassy plain, hedged in by the Laurentian Mountains, about 25,000 Canadian soldiers were reviewed today, for the third and last time before they leave for England, by the Duke of Connaught. It was a splendid day for the greatest military ceremonial parade which has ever taken place in Canada, and thousands of visitors from all parts of Canada lined the enclosure. Practically every man in the ranks wore a service uniform, bearing, of course, the brigade of Highlanders, and carried a rifle across his shoulders, which indicates that the work of equipping the Canadian expeditionary force is practically completed, and it will not be long before camp in Valcartier is broken.

When about 17,000 men attended the church service in the morning there was an impressive ceremony. The troops formed a hollow square in front of a platform, from which Rev. Canon Scott, who also conducted the service before the Canadian contingent left for South Africa, delivered a forceful sermon.

Seated on benches in front of the platform were the Duke and Duchess of Connaught and Princess Patricia, and Sir Robert and Lady Borden, Sir G. E. Foster, Hon. Robert Rogers, Sir Henry and Lady Egan, Mr. Foster, United States consul-general for Canada, and a number of prominent people from various Canadian cities.

"Today we are called upon to enter the most glorious campaign which a nation has ever been called on to wage," said Rev. Canon Scott. "It is a glorious campaign, because we are fighting not only for Canada, for England and the empire, but for a greater and loftier cause, the cause of liberty. We fight for England because the British flag stands for human liberty."

In conclusion, he said: "The eyes of Canada are on you. Be courageous—I need not say that—keep ever before you the lofty cause that brings you here. In the line keep it before you. May God bless you and guard you at all times, but remember that though we fall, the cause of human liberty must not be lost. Others must take our places, and go on until the light is over."

It took nearly two hours for the great mass of soldiers to line up on the parade grounds to get in readiness for the "march past." The Duke of Connaught appeared on his charger, followed by a number of aides and attendants, at 3 o'clock, and was met by Col. Sam Hughes and Col. Victor Williams at the saluting base, while the band played "God Save the King." Then the artillery began to approach with its rows of horses and gun carriages, and the band struck up a lively British war song, "It's a Long Way to Tipperary."

After the batteries had passed there came the infantry marching in half battalion formation. Lines comparatively straight and the men walking with a brisk stride. A great change in the bearing of the men during the past two weeks, since the first review, was very apparent. Following the infantry were the ambulance corps, engineers, signallers and other sections of the militia. The review was over in about one hour.

Sir Robert Borden said afterwards: "It was a wonderful spectacle, the most wonderful which has ever taken place in Canada. By their performance today there is no doubt that every man will give a good account of himself. By seeing the 'march past' one gets a good conception of what Canada is doing for the empire."

TOMMY'S ADOPTED MARCHING SONG

"It's a Long Way to Tipperary" has become the marching song of the British army, according to London despatches. The words are:

Up to mighty London came an Irishman one day
As the streets were paved with gold, sure everyone was gay,
Singing songs of Piccadilly, Strand and Leicester Square,
Till Paddy got excited, then he shouted to them there:

CHORUS
It's a long way to Tipperary,
It's a long way to go;
It's a long way to Tipperary,
To the sweetest girl I know,
Good-bye Piccadilly, farewell Leicester Square;
It's a long way to Tipperary,
But my heart's right there.

Paddy wrote a letter to his Irish Molly O'
Saying, "Should you not receive it, write and let me know;
If I make a mistake in spelling, Molly dear," said he,
"Remember, it's the pen that's bad, don't lay the blame on me."

CHORUS
Molly wrote a neat reply to Irish Paddy O'
Saying, "Mike Maloney wants to marry me and so
Leave the Strand and Piccadilly, or you'll be lame
For love has fairly drove me silly, hoping you're the same."

MARINE DISASTER ON THE ST. LAWRENCE

Government Steamer Montagny in Collision With Collier.—Fourteen Persons Drowned

Quebec, Sep. 19.—Eleven children, two women and one man drowned, is the result of the fatal collision which occurred between the Canadian Government steamer Montagny, and the steamer Lingan, just below Crane Island yesterday morning.

The dead are:—Mrs. Joseph Richard of this city, aged 40 years, and seven children, ranging from two to fourteen years of age.

Mrs. Joseph Lavallee, of Montagny, 35 years of age, and four young children.

Mr. Joseph Lachance, second officer of the Montagny.

Mrs. Richard was the wife of the lighthouse keeper at Belle Isle, and Mrs. Lavallee was the wife of the lighthouse keeper of Flower Island, on the Newfoundland coast, opposite Point Amour. She had five children, only one of whom is left. He is with his father, the lighthouse keeper.

The Montagny, Captain Pouliot, with supplies for the different lighthouses in the lower St. Lawrence and Gulf, left Quebec at 10 a.m. on Thursday. She stopped at St. Lawrence Point, Island of Orleans. After landing supplies there she went to St. John's, on the same island. She left there at 2 o'clock yesterday morning, heading for the Traverse Pier, where it was intended to land some lumber, after passing Crane Island about 4.15 a.m. The people in bed and those on deck heard the telegraph signal to the engineer to "stand by."

A couple of minutes after the signal was given the ship was struck by the Lingan, which was in collision with the Montagny and which proved to be the Lingan, kept close to the damaged steamer and her crew, the majority of whom are Chinese, worked like trojans, lifting the people from the sinking steamer to their own vessel. They had hardly taken the last of the survivors when the Montagny went down.

Some of the men on the Montagny endeavored to take off the children, but they were unable to do so. The following are the names of the children who were taken off the Montagny:—

Gifford Scott	2.00
Dave Thompson	1.00
Alfred Scott	1.00
Eldred Melanson	1.00
Harvey Ayles	1.00
Billy McKenley	1.00
Alfred Davidson	1.00

The people of the Montagny speak in the highest terms of the treatment they received from the captain, officers and crew of the Lingan. After they were taken on board that vessel nothing was left undone that could add to their comfort. In this work Mrs. Garbutt, wife of the captain of the Lingan, as well as the wife of the chief engineer, the captain's daughter, took a most prominent part and they were unceasing in their efforts to make the rescued people comfortable.

The Lingan, which was in collision with the Montagny, has been in the coal trade between Sydney, C. B., and Montreal for the Dominion Coal Company, for some time past. She is a vessel of 2,603 tons register and at the time of the accident was on her way from Sydney to Montreal with some 7,000 tons of coal on board. She is considerably damaged on the starboard bow, her plates being torn from the stem. Her forepeak and tanks are full of water but her holds are dry. She was taken into the Louis Dock where she will discharge her cargo tonight before going into drydock. She arrived here at 3 o'clock yesterday afternoon. Captain Garbutt says at the time of the accident the weather was clear and fine, with the daylight breaking. The chief officer, Pilot Francis Gaudreau and apprentice Pilot Koenig, were on the bridge of the steamer when the accident took place.

The Montagny was struck on the port side, about the bridge, close to the engine room. The blow must have been a most serious one, as the water rushed in at a terrible rate, and it is said that she went down in between three and five minutes after the collision. Of twelve passengers she had on board, eleven were drowned.

The Montagny is a steamer of 1,269 tons register, 212 feet in length and 34.8 feet in breadth. She was built in Sorel in 1902.

Few, if any, medicines, have met with the uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The remarkable cures of colic and diarrhoea which it has effected in almost every neighborhood have given it a wide reputation. For sale by all dealers.

NEW CARLISLE

Mrs. B. Patterson and daughter, Mrs. P. Patterson of Gaspé Basin are at present visiting relatives and friends here. The former Mrs. Patterson was born and spent her early life here. After an absence of 35 years she returns to visit the old home of her youth and to find many changes for the better, and was delighted with the good accommodation on the railway, coming up in 5 hours, contrasted with the old steamer Bascom which took 24 hours. They expect to return Wednesday the 29th.

Mr. J. H. Roberts, Secretary of the Dominion Alliance, returned from his Gaspé trip Friday, the 18th, stopping off here one day, returning to Montreal Saturday the 19th. Mr. Roberts reports encouragement all along the line. As a result of his trip, 3 lodges have been organized in Gaspé Co., and one in Gaspé Basin.

Willie D. Shearer, son of Mr. J. O. Shearer expects to leave Saturday the 26th for McDonald College, to take up a years course in Agriculture, etc. His cousin, Miss Jessie Smith, who has been visiting here for the past 3 months, expects to return with him to Montreal.

Mr. James Mabe and children returned to their home, Corner of Beach, Gaspé, Saturday the 19th, after spending a week with her parents, Mr. and Mrs. Jas. Assola.

T. J. Caldwell and son Lee, returned on the 21st from a business trip to Gaspé by auto.

The farmers are taking the benefit of the beautiful weather and the grain crops have been almost all stored, and a few people are now commencing to dig potatoes. The crops in this vicinity are very good.

BOWELS OUT OF ORDER?

BLACK CAPE
Mr. Sydney McCallum arrived home from Pembroke on Tuesday and returned again on Saturday.

Mr. J. A. Campbell, representing the Crown Tanning Co. of Toronto, has returned from a business trip to Chandler in the interest of his firm.

Mr. Gordon Hardy has returned from a short trip to Chandler.

Mr. and Mrs. Ernest Belanger have the sympathy of the entire community in the death of their fourteen month old son, which event occurred on Tuesday afternoon. The funeral of the little one took place on Thursday afternoon.

Mr. Duncan Campbell has returned from his trip to Gaspé.

On Sunday evening the 13th, while Mr. and Mrs. Ernest Campbell were returning home from New Richmond, their horse took fright from a passing motorcycle. Their rig was overturned and they both were thrown out but were not injured.

The gentleman was running the motorcycle without a light and approached them at a lively speed without any warning.

THE PULP MILL

One Building Almost Completed And

Foundations of all but two now

Ready for the Steel

(From the Gloucester Northern Light)

Splendid progress is being made on the construction of the new pulp mill. The machine shop and pattern shop are just about completed and the task of installing their machinery will be started at once. The foundations of the digester room, the screen room and the machine room were finished last week, the power house foundation is having the wooden forms removed today, and as soon as the steel arrives these buildings will go forward very rapidly.

The excavation for the foundation of the wood room is almost completed, and in a day or two the forms will be set up for this building and the concrete work proceeded with.

About 350 men have been steadily employed now for more than two months, and at least as large a force will be used on the work until late in the fall.

GASCONS

Mr. Weston C. Chisholm, accompanied by Mr. H. B. Anslow of the Graphic and Mr. Percy C. Chisholm motored through here on Thursday last, on a business trip to Gaspé, returning on Monday.

Miss Pauline Chapados visited Chandler last week.

Dr. Cate of New Carlisle spent Tuesday and Wednesday of this week here.

Miss Maida Acteson, Miss Jeanette O'Brien, Messrs. T. J. and Lee Caldwell enjoyed a pleasant spin to Port Daniel and returned on Sunday evening in Mr. Lee Caldwell's Hupmobile.

Mr. Jandron of R. J. & W. Co. and Mr. Arthur Shearer made a hunting trip to Lac à la Belle this week, but reported that game was scarce.

Miss Julia Chedore spent a few days in Port Daniel last week.

Messrs. R. Renaud and Flemming spent some time here last week on their way up the coast.

Mr. Lee Caldwell, accompanied by his father, Mr. Thos. Caldwell, and Mr. Patterson spent the night here on Thursday last leaving Friday morning for Gaspé and returning on Sunday.

Mr. Philip Sweetman's company was greatly enjoyed by some of his Gascons friends on Sunday, the 20th inst. We hear that some of our P. D. friends object to auto lights. Would they prefer a car without lights? That's impossible. Too bad!

An article that has real merit should in time become popular. That such is the case with Chamberlain's Cough Remedy has been attested by many dealers. He is one of them. H. W. Hendrickson, Ohio Falls, Ind., writes, "Chamberlain's Cough Remedy is the best for coughs, colds and croup, and is my best seller." For sale by all dealers.

NEW RICHMOND

Sunday was Rally day here, and on account of the absence of our pastor, Rev. W. B. McCallum, the service was led by Mr. Robert Hardy, elder, and Mrs. R. H. Montgomery. There was a good attendance and the service was much appreciated.

We are pleased to have Miss Carter of Gaspé with us as teacher for another term.

Harry, the little son of Rev. W. B. and Mrs. McCallum is very ill, but we trust that the little one will soon recover.

It was reported some time ago that Montgomery and Son's were not going to do any lumbering this winter on account of the war, but we understand that they intend to carry on their woods operations as usual this winter.

A large steamer arrived in our harbor on Thursday night and took on a part of a cargo of lumber loaded by Montgomery and Son's. She left on Saturday evening for Campbellton to complete cargo.

S. S. Caspary called here on Monday evening on her way to Montreal.

Rev. W. B. McCallum and daughter Isabel will be expected home this week from their trip.

RIVIERE DU LOUP
Mrs. Maise and Master Jack Kane have returned to Quebec, after spending some time with Mrs. B. Walker.

The Protestant school opened last Wednesday, under the supervision of Miss Mabe of Gaspé.

Miss Edith Gorham has returned to Montreal to resume her duties as one of the teachers of Riverside School.

Mr. F. E. King and Miss King, have returned from Sherbrooke, where they were the guests of Mrs. Robert Ames.

Miss Mildred Williams, nurse in training of the Sherbrooke Hospital, has returned to Sherbrooke after spending her vacation with her parents.

DALHOUSIE

Dalhousie, Sept. 23rd.—On Monday evening a delegation from the Women's Institute Branch of the Department of Agriculture held a meeting in St. Mary's Hall. Rev. R. J. Coleman acted as Chairman and spoke encouraging words to the two ladies who came among us as strangers.

Miss Hazel E. Winter, of Fredericton, who is Supervisor of Women's Institutes in New Brunswick, explained at length the object of the Institute. Besides the general work which she outlined in a very interesting manner she said that the question of town improvement could be added to the program, sewing circles and the patriotic fund matter, etc. Miss Jonnah of Sussex, daughter of Judge Jones, was the other speaker and she interested the audience in explaining many subjects in which house keepers are interested, such as the use of the best foods for health, the removing of stains from clothes, etc., and by the use of certain ingredients she gave an exhibition of how easily the work could be done.

Hon. C. H. LaBelle, who was present, was asked by the chairman to make a few remarks. He spoke of the great results that followed the establishment of farmers institutes in the province of New Brunswick and he felt that there was a wide field for the work of ladies institutes. He was proud as a citizen of Dalhousie, that so many people had turned out to hear the lady speakers. He said that it did not make any difference what party was in power at Fredericton, the Department of Agriculture was always sending out material for the good of the people and he hoped to see a good progressive institute formed in the shiretown as was done in Campbellton.

Outside of the town council, Dalhousie had no organization to take up new ideas that were coming to the front every day and if taken advantage of would benefit the masses. Mr. E. Rene Richard spoke along the same lines and predicted success to an institute. The town rulers, said Mr. Richard, would be delighted to consider any proposition made by the ladies of the town who would be organized in a body to study how to make better homes as a better citizen.

John E. Dean spoke briefly on the subject and said that a woman's Institute could do a great deal of good in Dalhousie and hoped to see the suggestion put in practice at once. Mrs. W. A. Mott spoke likewise.

The following officers were appointed:
President—Miss Lena Haddow,
Vice-President—Mrs. Wm. Simpson,
Secretary—Miss Delphina Polley.

Director—Mrs. John E. Dean.
Auditors—Miss Florine Doherty and Miss Etta Coleman.

It has been agreed upon at a meeting of the Dalhousie Women's Institute shall be held on the 2nd Tuesday of each month. The first meeting is to be held at the home of Mrs. W. A. Mott.

Mr. Flewelling of the Horticultural branch of the Department of Agriculture, Fredericton, was here this week. On Monday he visited the government orchard in Balmoral. He found a very satisfactory condition of affairs there. The trees that were planted under the old government are bearing splendidly. He is a good county for apple growing. On Tuesday he profited of some spare time and with courtesy accepted the suggestion of some of our citizens and paid a visit to the fine orchards which are established within the town limits.

The government S. S. Montcalm was here for two or three days recently. Many of our citizens visited the famous ice breaker and took special interest in examining the wireless system. The gentleman who was in charge here and who was so courteous to visitors spends considerable of his time at Newcastle. There, they are trying tests with the wireless station in Ireland and the system is working successfully.

A very large steamer from Greece, sailed into our port on Monday, to take a cargo of deals for the British Admiralty. The lumber is coming from Quebec points and 155 cars have been ordered for the British Admiralty. The vessel is the Keramial, Tonnage 3049. Will take over four million feet of lumber. F. W. McRae, M. P., Sherbrooke, P. Q., is interested in the cargo and was here this week and met Mr. Andrew Barberie, the stevedore, who will look after the loading of the cargo.

SURPRISE MANY

IN CAMPBELLTON

The QUICK action of simple buckthorn bark, glycerine, etc., as mixed in Adler-I-ka, the remedy which became famous by curing appendicitis, is surprising Campbellton people. Many have found that this simple remedy drains so much foul matter from the system that A SINGLE DOSE relieves constipation, sour stomach and gas on the stomach almost IMMEDIATELY. Adler-I-ka is the most thorough bowel cleanser ever sold. A. McC. McDonald, Fargit.

PORT DANIEL
We are having ideal weather and the farmers are taking advantage of it to get their grain under cover. The thermometer registered 82° in the shade on Monday.

Mr. P. O. Viall is disposing of his furniture, etc., and vacating Mrs. H. Milnes house.

Mr. Thos. Meagher has sailed up his big fishing boat.

Miss Margaret Blundell and Mrs. Howell are the guests of Mrs. James McKenzie.

Mrs. Jos. Pichette attended the funeral on Wednesday of her sister-in-law, Mrs. Adolphe Pichette of Robitaille.
Mr. and Mrs. J. Goldenberg and child left on last Saturday's Limited for a two weeks visit in Montreal and Quebec.

Mrs. T. W. Hennessey and daughter Reba will leave tomorrow for Truro, N. S., where Miss Reba will attend the Truro High school.

Mr. S. Holdrege of Bathurst and Dr. Martin's residence on Water Street. Had there been anyone in the room at the time, a tragedy would certainly have ensued. People are altogether too lax in the handling of firearms, and it should appeal to any who have even the least amount of common sense that the discharge of fire arms within the town is dangerous.

MAIR-HARPER
At the home of Col. and Mrs. Bedford Harper, Middle Sackville, on Tuesday, their daughter, Miss Margaret A., and Mr. Douglas J. Mair, of Vancouver, were married by Rev. S. Howard. The groom is manager of a branch of the Bank of Nova Scotia at Vancouver.

NO INCREASE IN PRICE
Despite the fact that there has been a considerable advance in the price of paper of all qualities, the Graphic has not advanced the price on any of its printed stationery. We will in the meantime fill all orders at former prices. Every merchant should order printed matter from their local printer. Besides the usual commercial printing, we supply all kinds of loose leaf outfits, counter check books and card index systems.

EXPRESS DERAILED

ADVERTISE CAMPBELLTON

The Graphic has had engraved a map of the Maritime Provinces, Quebec and Maine, showing the location of the principal towns, with Campbellton in large type. It also shows the railways which connect Campbellton with the outside world. This may be printed on the back of business envelopes and should be used by every business house in Campbellton, as it is an excellent advertisement for this town. Place your order at once.

DANGEROUS PRACTICE

One day last week a bullet from a high power rifle fired somewhere from the back of the town, crashed through the window of Dr. Martin's residence on Water Street. Had there been anyone in the room at the time, a tragedy would certainly have ensued. People are altogether too lax in the handling of firearms, and it should appeal to any who have even the least amount of common sense that the discharge of fire arms within the town is dangerous.
