TO THE EDITOR OF THE STANDARD.

Sin,
Finding that you have published my first offer

variously armed, who, however, went off as they approached.

At about a mile from Longueil, they were warned by a woman, that a large body of men was in waiting for them a little farther on; but from some cause or other, the information was disregarded, and the party proceeded as before. They had gone on but a very ehort distance, when they found themselves almost close to a body of about 300, in a field on the right of the road, protected by a high fence, and armed with rifee and muskets.

The party in advance moved on to pass them, but was received by a heavy fire, which it was impossible for them to return with effect, armed as they were, with pistols only, and from a body which on account of the high fence they could not charge sword in hand. Under these circumstances they fell back on the main body of the party, though not until several shots had fold with
